LEGISLATIVE CHAMBER,
ROOM 250, CITY HALL
1 DR. CARLTON B. GOODLETT PLACE, SAN FRANCISCO, CA 94102**

NOTICE IS HEREBY GIVEN that the Board of Supervisors of the City and County of San Francisco's Budget and Appropriations Committee will hold a public hearing to consider the following Ordinance said public hearing will be held as follows, at which time all interested parties may attend and be heard: **File No. 250605.**

Ordinance amending the Park Code of the City and County of San Francisco and the Planning Department's fees for recreation programs based on the Department's operating costs for those programs and various other factors, so that the program is designated for youth, seniors, or persons with disabilities, subject to approval of the Recreation Department's Commission, directing the Commission to update its scholarship policy to provide for further discounts for recreation programs based on financial need; making certain changes to the Code and affirming the Planning Department's determination under the California Environmental Quality Act. If this legislation passes, a \$100 reservation fee shall be held a reservation for each tent site or cabin reserved at Camp Mather. The remaining balance of the reservation fee shall be due 30 days prior to the date of the reservation. The proposed Ordinance would allow the Recreation and Park Department to set recreation program fees based on the estimated operating costs for those programs. The Department generally could set fees intended to cover the programs' full operating costs, but for programs designated for youth, seniors, or persons with disabilities could set fees that recovered only 75% of the operating costs. In addition, the Ordinance urges the Department to set fees for recreation programs for the community at large based on only 50% of the operating costs. All fees would require approval from the Recreation and Park Commission and, once approved, would be published on the Department's website. The Ordinance also directs the Recreation and Park Commission to update its scholarship policy to provide for further discounts for recreation programs based on financial need. In accordance with Administrative Code, Section 67.7-1, persons who are unable to attend the hearing on this matter may submit written comments prior to the time the hearing begins. These comments will be made as part of the official public record of the hearing and be brought to the attention of the Board of Supervisors.
