The Capital Plan assumed \$110 million in COPs would be authorized in FY 2021-22 and \$225 million would be authorized in FY 2022-23. MANDATE STATEMENT

City Charter Section 9.105 states that amendments to the Annual Appropriation Ordinance are subject to Board of Supervisors approval by ordinance after the Controller certifies the availability of funds.

BACKGROUND

Administrative Code Section 3.21 states that the Board of Supervisors may authorize long-term financing of capital projects that have been reviewed by the Capital Planning Committee. Administrative Code Section 10.62 allows the Board of Supervisors to authorize certificates of participation, a form of long-term debt.

DETAILS OF PROPOSED LEGISLATION

The proposed ordinance would appropriate \$146.8 million in certificates of participation proceeds, as shown below.

Exhibit 1: Uses of COPs Proceeds

Acquisition in CDLAC High-Need/Resource Areas	40,000,000
Acquisition for non-profit sites	30,000,000
HUD / Public Housing Coop. Repairs	20,000,000
Educator Housing	12,000,000
SRO Elevators	10,000,000
Subtotal, Projects	112,000,000
<i>Other Costs</i>	
City Services Audit Fee (2% project costs)	224,000
Capitalized Interest ^a	12,982,084
Debt Service Reserve Fund ^b	12,555,582
Costs of Issuance ^c	885,959

Subtotal Other Costs	27,625,000
Total Proposed COPs Issuance	139,625,000
Reserve for Market Uncertainty	7,175,000
Total Authorization	146,800,000

Source: Proposed ordinance

^a Capitalized interest accrues during the project construction and prior to completion and placement of the asset in service.

^b The debt service reserve fund provides for one year of debt service payments.

^c Costs of issuance include bond counsel, financial advisors, and other costs associated with the issuance of the COPs.

^d The underwriters discount is the difference between the price paid to the issuer for the COPs issuance and the prices at which the certificates are initially offered to the investing public; this is the fee an underwriter charges when purchasing certificates of participation (COPs) for resale to the public.

As shown above, proposed uses include \$40 million for land acquisition for affordable housing in California Debt Limit Allocation Committee-defined “high-resource” areas (which includes economic, environmental, and education factors), \$30 million for site acquisition to provide stability for community-based organizations, \$20 million for public housing renovations, \$12 million for educator housing, and \$10 million for elevator repairs at single room occupancy sites.

Additional Authorization Required

The proposed ordinance does not authorize new debt. The Board of Supervisors will have to consider separate legislation to do so once the projects have been reviewed by the Capital Planning Committee and the Office of Public Finance, as required by state and local law.

FISCAL IMPACT

Debt Service

As of this writing, the Office of Public Finance is still finalizing the estimate the debt service of the \$146.8 million in COP debt, though preliminary estimates suggest \$12.6 million per year or \$251.1 million over 20 years. Debt service will be paid from the City’s General Fund.

POLICY CONSIDERATIONS

City Debt Policy and 10-Year Capital Plan

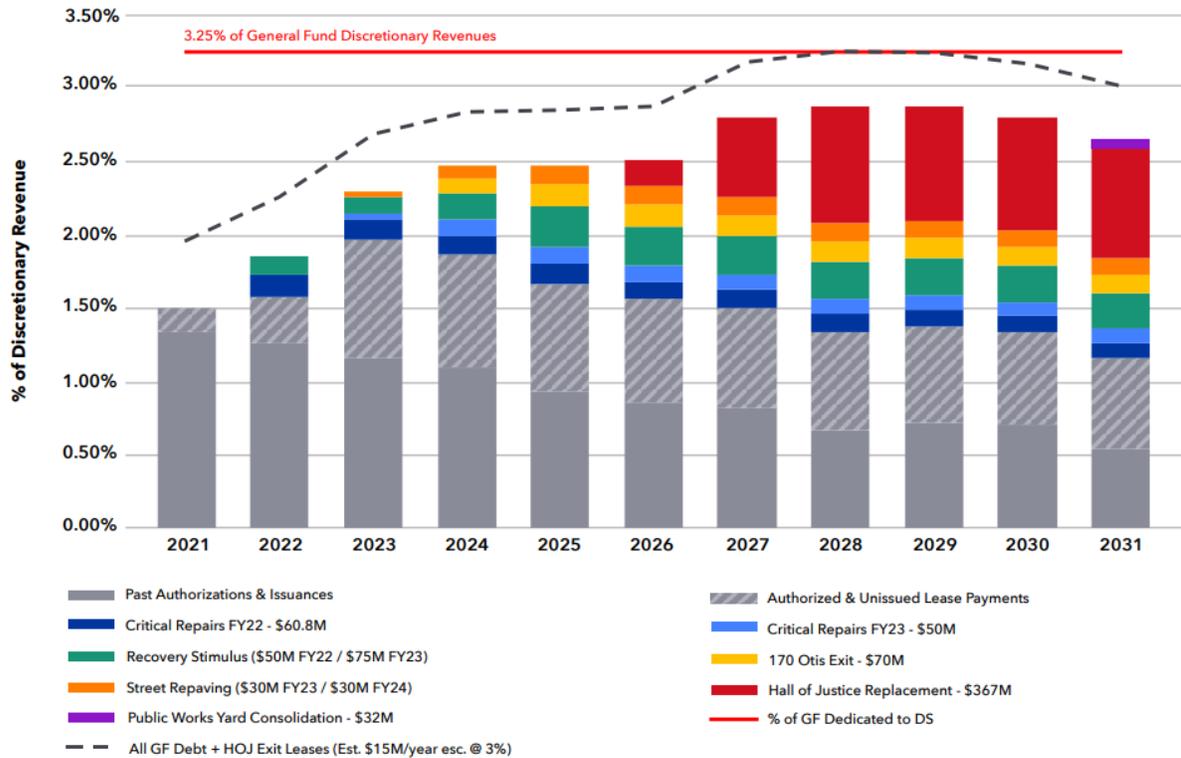

Administrative Code Section 10.62 limits debt service of COPs and other lease financing to 3.25 percent of discretionary General Fund revenues. According to the City’s Capital Plan for FY 2021-22 to 2030-31 shown below in Exhibit 2, the City is below that cap but will hit it in FY 2027-28 if it issues debt as scheduled in the 10 Year Capital Plan.

The City’s ten-year capital plan is updated every two years. The Capital Plan for FY 2022-2031 provided for \$765 million of project funding from Certificates of Participation debt (COP) over the ten-year term. The Capital Plan assumed \$110.8 million in COPs-funded Critical Repairs/Recovery Stimulus projects would be authorized in FY 2021-22 and \$125 million would be authorized in FY 2022-23. Additionally, the Capital Plan assumed the issuance of COPs to fund \$70 million of project costs for the 170 Otis Exit and \$30 million for Streets projects.

Last year, the City determined to dedicate a portion of current year General Fund monies to certain capital projects, which reduced the Capital Plan assumption for COP project funding in FY 2021-22 from \$110.8 million to \$56.73 million. File 22-0683, pending at the Budget & Appropriations Committee as of this writing, authorizes \$79.2 million of COP project funding for the Critical Repairs/Recovery Stimulus COP projects for FY 2022-23 rather than the \$125 million originally assumed in the Capital Plan for FY 2022-23 (as well as an additional \$30 million of Streets project funding which had already been assumed), leaving \$99.9 million of potential COP project funds available from this unused capacity. Given the uncertainty of future General Fund

revenues, the Controller’s Office suggests this translates into a range of \$80 million to \$120 million in COP debt capacity relative to the policy limit.

Exhibit 2: Projected Debt Service FY 2021-22 through FY 2030-31

Source: Capital Plan FY 2022-2031

The City may exceed the policy limit for COP debt service by a 2/3 vote of the Board of Supervisors, which would be required for future debt issuances that push the City’s debt service above 3.25% of General Fund revenues. According to the Office of Public Finance, credit rating agencies consider compliance with established debt policies when evaluating the credit worthiness of debt issuers and departing from the City’s debt policy may jeopardize the City’s credit rating, resulting in higher interest on future debt issuances.

Alternatively, the City may re-order projects in the capital plan to change the timing or funding source or both in order to remain below the COP debt service limit.

RECOMMENDATION

Approval of the proposed ordinance is a policy matter for the Board of Supervisors.

<p>Item 2 File 21-1194</p>	<p>Department: Mayor’s Office of Housing and Community Development (MOHCD)</p>
<p>EXECUTIVE SUMMARY</p>	
<p style="text-align: center;">Legislative Objectives</p> <ul style="list-style-type: none"> The proposed ordinance would appropriate \$64,150,000 from the Fiscal Cliff Reserve to MOHCD under the Rent Resolution and Relief Fund. Funds in the Rent Resolution and Relief Fund may be used to provide grants to landlords, tenants, and community organizations to prevent evictions of low-income tenants related to COVID-19. <p style="text-align: center;">Key Points</p> <ul style="list-style-type: none"> The Fiscal Cliff Reserve was created to manage potential budget shortfalls resulting from the spenddown of state and federal emergency COVID financial support. According to the Controller’s FY 2022-23 – FY 2023-24 Revenue Letter, the proposed budget for FY 2022-23 – FY 2023-24 assumes a FY 2022-23 ending balance of \$220.4 million (after \$9.3 million of withdrawals) and a FY 2023-24 ending balance of \$130.3 million following \$90.2 million withdrawals from the reserve. MOCHD has grant agreements with the organizations to disburse local rent relief funding. In April 2022, MOHCD extended the agreements from September 2022 through June 2023. The amended agreements increased funding by \$51 million, from \$25 million to \$76 million. Of the additional \$51 million added in April 2022, approximately \$3 million has been spent as of June 1, 2022. We estimate that the existing \$76 million in local funding provides rent relief for 4,256 households. <p style="text-align: center;">Fiscal Impact</p> <ul style="list-style-type: none"> The proposed ordinance would appropriate \$64,150,000 from the Fiscal Cliff Reserve to MOHCD, under the Rent Resolution and Relief Fund. Based on the existing costs of providers to disburse funds (16 percent, on average) and assuming \$15,000 of rental assistance per household in the current MOHCD rent relief agreements, we estimate the proposed appropriation would provide an additional 3,592 households with rental assistance. <p style="text-align: center;">Policy Consideration</p> <ul style="list-style-type: none"> The proposed ordinance appropriates \$64.15 million of the \$229.8 million currently assigned to the Fiscal Cliff Reserve. Appropriation from the Fiscal Cliff Reserve could result in future budget shortfalls, but whether such shortfalls will occur or the extent of such shortfalls is not yet known. The proposed ordinance is consistent with prior Board policy actions, but because the appropriation could require future budget adjustments, the Budget and Legislative Analyst considers approval to be a policy matter for the Board of Supervisors. <p style="text-align: center;">Recommendation</p> <ul style="list-style-type: none"> Approval of the proposed ordinance is a policy matter for the Board of Supervisors. 	

MANDATE STATEMENT

City Charter Section 9.105 states that amendments to the Annual Appropriations Ordinance, after the Controller certifies the availability of funds, are subject to Board of Supervisors approval by ordinance.

BACKGROUND

Fiscal Cliff Reserve

Administrative Provision 32.1 of the FY 2021-22 Annual Appropriation Ordinance created a Fiscal Cliff Reserve to manage potential budget shortfalls resulting from the spenddown of state and federal emergency COVID financial support. According to the Controller’s FY 2022-23 – FY 2023-24 Revenue Letter, the proposed budget for FY 2022-23 – FY 2023-24 assumes a FY 2022-23 ending balance of \$220.4 million (after \$9.3 million of withdrawals) and a FY 2023-24 ending balance of \$130.3 million following \$90.2 million withdrawals from the reserve.

Rent Relief in San Francisco

The state Housing & Community Development Agency administers a rent relief program funded by federal rent relief funds. According to the California COVID-19 Rent Relief Dashboard maintained by the State Housing & Community Development Agency, as of June 16, 2022, \$157,524,298 had been paid to 14,467 participants in the State rent relief program for San Francisco.

In addition, MOHCD has grant agreements with the organizations listed below in Exhibit 1 to disburse local rent relief funding. The agreements are funded by federal and local funds.

Exhibit 1: MOHCD Rent Relief Grants

Organization	Amount
Eviction Defense Collaborative	\$22,600,000
Catholic Charities	20,100,000
Mission Neighborhood Centers	13,850,000
Young Community Developers	6,600,000
HOMEY	6,100,000
La Raza CRC	4,000,000
Native American Health Center	<u>2,750,000</u>
Total City Funding	\$76,000,000

Source: MOHCD as of March 2022

The original MOHCD agreements totaled \$25 million and were funded by federal rent relief funds. In April 2022, MOHCD extended the agreements from September 2022 through June 2023, of which three (with Catholic Charities, Eviction Defense Collaborative, and Mission Neighborhood

Centers) required Board of Supervisors approval (File 22-0211). The amended agreements increased funding by \$51 million, from \$25 million to \$76 million. Of the additional \$51 million added in April 2022, approximately \$3 million has been spent as of June 1, 2022. We estimate that the existing \$76 million in local funding provides rent relief for 4,256 households.

DETAILS OF PROPOSED LEGISLATION

The proposed ordinance would appropriate \$64,150,000 from the Fiscal Cliff Reserve to MOHCD, under the Rent Resolution and Relief Fund in FY 2021-22. Funds in the Rent Resolution and Relief Fund may be used to provide grants to landlords, tenants, and community organizations to prevent evictions of low-income tenants related to COVID-19.

FISCAL IMPACT

The proposed ordinance would appropriate \$64,150,000 from the Fiscal Cliff Reserve to MOHCD, under the Rent Resolution and Relief Fund. Based on the existing costs of providers to disburse funds (16 percent, on average) and assuming \$15,000 of rental assistance per household in the current MOHCD rent relief agreements, we estimate the proposed appropriation would provide an additional 3,592 households with rental assistance, as shown in Exhibit 2 below.

Exhibit 2: BLA Estimate of Additional Households Served by Proposed \$64.15 million Appropriation

New funding	\$64,150,000
Disbursement Costs (16%)	\$10,264,000
Net Financial Assistance	\$53,886,000
Rental Assistance per Household	\$15,000
New Households	3,592

The above represents our initial estimate of the fiscal impact of the proposed legislation, which is subject to change once MOCHD develops a plan to disburse these funds.

POLICY CONSIDERATION

Fiscal Cliff Reserve

The proposed ordinance appropriates \$64.15 million of the \$229.8 million assigned to the Fiscal Cliff Reserve, leaving a reserve balance of \$156.25 million at the end of FY 2022-23 after planned uses of \$9.3 million that year and then a new end balance of \$66.05 million at the end of FY 2023-24 after planned withdrawals of \$90.2 million that year.

Appropriation from the Fiscal Cliff Reserve could result in future budget shortfalls, but whether such shortfalls will occur or the extent of such shortfalls (including whether such shortfalls exceed the remaining balance of \$66.05 million) is not yet known. The proposed ordinance is consistent with prior Board policy actions, but because the appropriation could require future budget

adjustments, the Budget and Legislative Analyst considers approval to be a policy matter for the Board of Supervisors.

RECOMMENDATION

Approval of the proposed ordinance is a policy matter for the Board of Supervisors.

Item 2 File 21-0538	Department: Mayor’s Office of Housing and Community Development (MOHCD)
--------------------------------------	--

EXECUTIVE SUMMARY

Legislative Objectives

- The proposed ordinance would appropriate \$128,300,000 from the Fiscal Cliff Reserve to MOHCD, of which (a) \$64,150,000 would be appropriated for rent relief under the Rent Resolution and Relief Fund; and (b) \$64,150,000 would be appropriated for the acquisition, creation and operation of affordable, social housing under the Housing Stability Fund in FY 2021-22.

Key Points

- Funds in the Rent Resolution and Relief Fund may be used to provide grants to landlords to cover up to 50 percent of unpaid rent (and up to 65 percent for landlords with 10 or fewer units) related to COVID-19. Funds in the Housing Stability Fund would be used for the acquisition, preservation, and development of affordable social housing. MOHCD has not determined which projects would be funded by the Housing Stability Fund.
- In April 2021, the Board of Supervisors approved an ordinance appropriating \$20,100,000 from property tax revenues to MOHCD, of which \$10,050,000 was appropriated for rent relief under the Rent Resolution and Relief Fund, and \$10,050,000 was appropriated for the acquisition, creation, and operation of affordable, social housing under the Housing Stability Fund (File 20-1364). According to Benjamin McCloskey, MOHCD Deputy Director of Finance and Administration, none of this appropriation has been spent to date.

Fiscal Impact

- The proposed ordinance would appropriate \$128,300,000 from the Fiscal Cliff Reserve to MOHCD, of which \$64,150,000 would be appropriated for rent relief under the Rent Resolution and Relief Fund and \$64,150,000 would be appropriated for the acquisition, creation and operation of affordable, social housing under the Housing Stability Fund.

Policy Consideration

- The proposed ordinance appropriates \$128.3 million of the \$293.9 million assigned to the Fiscal Cliff Reserve, leaving a reserve balance of \$165.6 million. Appropriation from the Fiscal Cliff Reserve could result in future budget shortfalls, but whether such shortfalls will occur or the extent of such shortfalls is not yet known. The proposed ordinance is consistent with prior Board policy actions, but because the appropriation could require future budget adjustments, the Budget and Legislative Analyst considers approval to be a policy matter for the Board of Supervisors.

Recommendation

- Approval of the proposed ordinance is a policy matter for the Board of Supervisors.

MANDATE STATEMENT

City Charter Section 9.105 states that amendments to the Annual Appropriations Ordinance, after the Controller certifies the availability of funds, are subject to Board of Supervisors approval by ordinance.

BACKGROUND**Proposition I**

San Francisco voters approved Proposition I in November 2020, increasing the real estate transfer tax to 5.5 percent on transactions of \$10 million to \$25 million and to 6 percent on transactions of \$25 million or more. The tax is a General Fund revenue. According to the Controller's FY 2021-22 – FY 2022-23 Revenue Letter, Proposition I is projected to generate \$101.6 million of General Fund revenues net of baseline transfers in FY 2021-22 and \$108.5 million of General Fund revenues net of baseline transfers in FY 2022-23.

In August 2020, the Board of Supervisors approved a resolution stating the Board's intention to appropriate revenue generated by Proposition I to the COVID-19 Rent Resolution and Relief Fund and a Social Housing Program Fund (File 20-0708).¹ In October 2020, the Board of Supervisors approved two ordinances, amending the Administrative Code to establish two funds, the COVID-19 Rent Resolution and Relief Fund (File 20-0611) and the Housing Stability Fund (File 20-1183), with the intent to deposit a portion of the revenues generated by the increase in the real estate transfer tax to each fund. According to File 20-0611, 50 percent of the increased real property transfer tax revenues in calendar year (CY) 2021 and CY 2022 would be appropriated to the COVID-19 Rent Resolution and Relief Fund for the Mayor's Office of Housing and Community Development (MOHCD) to award grants until March 2023, and according to File 20-1183, increased real property transfer tax revenues would be appropriated to the Housing Stability Fund. Neither ordinance required the appropriation of increased real estate transfer tax revenues to the COVID-19 Rent Resolution and Relief Fund or the Housing Stability Fund.

Fiscal Cliff Reserve

Administrative Provision 32.1 of the FY 2021-22 – FY 2022-23 Appropriation Ordinance created a \$293.9 million Fiscal Cliff Reserve. According to the Controller's Office, the reserve has not been used as of the writing of this report. The purpose of the Fiscal Cliff Reserve is to provide funding for potential shortfalls in budgeted spending in FY 2022-23 and beyond after the exhaustion of federal and state stimulus funding.

¹ In File 20-1183, the Housing Stability Fund was originally titled the Social Housing Program Fund.

Prior Appropriation

In April 2021, the Board of Supervisors approved an ordinance appropriating \$20,100,000 from property tax revenues to MOHCD, of which \$10,050,000 was appropriated for rent relief under the Rent Resolution and Relief Fund, and \$10,050,000 was appropriated for the acquisition, creation, and operation of affordable, social housing under the Housing Stability Fund (File 20-1364). According to Benjamin McCloskey, MOHCD Deputy Director of Finance and Administration, none of this appropriation has been spent to date.

DETAILS OF PROPOSED LEGISLATION

The proposed ordinance would appropriate \$128,300,000 from the Fiscal Cliff Reserve to MOHCD, of which (a) \$64,150,000 would be appropriated for rent relief under the Rent Resolution and Relief Fund; and (b) \$64,150,000 would be appropriated for the acquisition, creation, and operation of affordable, social housing under the Housing Stability Fund.

Funds in the Rent Resolution and Relief Fund may be used to provide grants to landlords who agree to waive unpaid rent related to COVID-19. Such grants may cover up to 50 percent of unpaid rent (and up to 65 percent for landlords with 10 or fewer units) up to \$3,000 per unit per month. Landlords must waive all unpaid rent for the period covered by the grant. As stated above, the previous \$10,500,000 appropriation to the Rent Resolution and Relief Fund has not been expended yet. Additionally, federal funding has provided \$120.1 million for rent relief programs administered by the City and by the State for San Francisco residents, of which \$68.1 million has been disbursed.²

Funds in the Housing Stability Fund would be used for the acquisition, preservation, and development of affordable social housing. Administrative Code Section 10.100-78 defines social housing developments as restricted for households up to 80 percent of the median income in a zip code where the project is located, with the restriction lasting for the useful life of the property or at least 99 years. MOHCD has not determined which projects would be funded by the Housing Stability Fund.

FISCAL IMPACT

The proposed ordinance would appropriate \$128,300,000 from the Fiscal Cliff Reserve to MOHCD, of which (a) \$64,150,000 would be appropriated for rent relief under the Rent Resolution and Relief Fund; and (b) \$64,150,000 would be appropriated for the acquisition, creation and operation of affordable, social housing under the Housing Stability Fund in FY 2021-22. The specific uses of funds have not been determined.

² According to MOHCD, \$14.3 million of rent relief funds have been disbursed from the City program funded by federal funds. According to State Department of Housing & Community Development, \$53.8 million of State rent relief funds have been disbursed in San Francisco. Both spending amounts are as of November 9, 2021.

POLICY CONSIDERATION**Fiscal Cliff Reserve**

The proposed ordinance appropriates \$128.3 million of the \$293.9 million assigned to the Fiscal Cliff Reserve, leaving a reserve balance of \$165.6 million. According to the Annual Appropriation Ordinance, this budget contingency reserve is for the purpose of managing projected budget shortfalls following the spend down of federal and state stimulus funds and other one-time sources used to balance the FY 2021-22 and FY 2022-23 budget. According to the March 2021 Update to the Five-Year Financial Plan, prepared jointly by the Controller, Mayor's Budget Office, and Budget and Legislative Analyst's Office, the projected budget deficit will increase in FY 2023-24, for a total projected budget deficit of \$499.3 million through FY 2025-26. According to the Controller's Revenue Letter for FY 2021-22 and FY 2022-23, "while these projected future year shortfalls are modestly mitigated by actions proposed in the Mayor's proposed budget, significant gaps are likely to remain in fiscal years beyond the two-year budget period."

Appropriation of \$128.3 million from the Fiscal Cliff Reserve could result in future budget shortfalls, but whether such shortfalls will occur or the extent of such shortfalls (including whether such shortfalls exceed the remaining balance of \$165.6 million) is not yet known. The proposed ordinance is consistent with prior Board policy actions, but because the appropriation could require future budget adjustments, the Budget and Legislative Analyst considers approval to be a policy matter for the Board of Supervisors.

RECOMMENDATION

Approval of the proposed ordinance is a policy matter for the Board of Supervisors.

MANDATE STATEMENT

City Charter Section 9.105 states that amendments to the Annual Appropriations Ordinance, after the Controller certifies the availability of funds, are subject to Board of Supervisors approval by ordinance.

BACKGROUND

San Francisco voters approved Proposition I in November 2020, increasing the real estate transfer tax to 5.5 percent on transactions of \$10 million to \$25 million and to 6 percent on transactions of \$25 million or more, which according to the November 2020 Voter Guide, was estimated to increase real estate transfer tax revenues by \$196 million. The tax is a General Fund revenue.

In August 2020, the Board of Supervisors approved a resolution stating the Board's intention to appropriate revenue generated by Proposition I to the COVID-19 Rent Resolution and Relief Fund and a Social Housing Program Fund (File 20-0708).¹ In October 2020, the Board of Supervisors approved two ordinances, amending the Administrative Code to establish two funds, the COVID-19 Rent Resolution and Relief Fund (File 20-0611) and the Housing Stability Fund (File 20-1183), with the intent to deposit a portion of the revenues generated by the increase in the real estate transfer tax to each fund. According to File 20-0611, 50 percent of the increased real property transfer tax revenues in calendar year (CY) 2021 and CY 2022 would be appropriated to the COVID-19 Rent Resolution and Relief Fund for the Mayor's Office of Housing and Community Development (MOHCD) to award grants until March 2023, and according to File 20-1183, increased real property transfer tax revenues would be appropriated to the Housing Stability Fund. Neither ordinance required the appropriation of increased real estate transfer tax revenues to the COVID-19 Rent Resolution and Relief Fund or the Housing Stability Fund.

In April 2021, the Board of Supervisors approved an ordinance appropriating \$20,100,000 from property tax revenues to MOHCD, of which \$10,050,000 was appropriated for rent relief under the Rent Resolution and Relief Fund, and \$10,050,000 was appropriated for the acquisition, creation, and operation of affordable, social housing under the Housing Stability Fund (File 20-1364). According to Mr. Benjamin McCloskey, MOHCD Deputy Director of Finance and Administration, none of this appropriation has been spent to date.

The proposed FY 2021-22 and FY 2022-23 Annual Appropriation Ordinance (AAO) contains administrative provisions governing the appropriation ordinance. Section 32.1 establishes the Fiscal Cliff Reserve with a proposed amount of \$293,900,000 from FY 2020-21 unassigned fund balance for the purpose of managing projected budget shortfalls following the spend down of federal and state stimulus funds and other one-time sources used to balance the FY 2021-23 two-year budget (File 21-0671). The AAO is still pending Board of Supervisors approval.

¹ In File 20-1183, the Housing Stability Fund was originally titled the Social Housing Program Fund.

DETAILS OF PROPOSED LEGISLATION

The proposed ordinance would appropriate \$128,300,000 from the Fiscal Cliff Reserve to MOHCD, of which (a) \$64,150,000 would be appropriated for rent relief under the Rent Resolution and Relief Fund; and (b) \$64,150,000 would be appropriated for the acquisition, creation, and operation of affordable, social housing under the Housing Stability Fund in FY 2021-22.

Funds in the Rent Resolution and Relief Fund may be used to provide grants to landlords who agree to waive unpaid rent related to COVID-19. Such grants may cover up to 50 percent of unpaid rent (and up to 65 percent for landlords with 10 or fewer units) up to \$3,000 per unit per month. Landlords must waive all unpaid rent for the period covered by the grant. As stated above, the previous \$10,500,000 appropriation to the Rent Resolution and Relief Fund has not been expended yet. Additionally, the City has received \$91,637,829 in federal funding for rent relief and will likely receive other funding from the March 2021 American Rescue Plan Act that was provided to the State of California but has not yet been allocated to county governments. According to Mr. McCloskey, MOHCD will not expend any local funds towards rent relief until all federal funding is exhausted, which he estimates will be in Summer 2022.

Funds in the Housing Stability Fund would be used for the acquisition, preservation, and development of affordable social housing. Administrative Code Section 10.100-78 defines social housing developments as restricted for households up to 80 percent of the median income in a zip code where the project is located, with the restriction lasting for the useful life of the property or at least 99 years. According to Mr. McCloskey, MOHCD has not determined which projects would be funded by the Housing Stability Fund.

FISCAL IMPACT

The proposed ordinance would appropriate \$128,300,000 from the Fiscal Cliff Reserve to MOHCD, of which (a) \$64,150,000 would be appropriated for rent relief under the Rent Resolution and Relief Fund; and (b) \$64,150,000 would be appropriated for the acquisition, creation and operation of affordable, social housing under the Housing Stability Fund in FY 2021-22. If the Board of Supervisors approves the appropriation of \$128,300,000 from the Fiscal Cliff Reserve, the remaining Fiscal Cliff Reserve balance would be \$165,600,000.

POLICY CONSIDERATION

San Francisco voters approved Proposition I in November 2020, increasing the real estate transfer tax to 5.5 percent on transactions of \$10 million to \$25 million and to 6 percent on transactions of \$25 million or more. According to the Controller's Revenue Letter, revenues attributable to Proposition I are \$127.0 million in FY 2021-22 and \$135.7 million in FY 2022-23, or \$101.6 million and \$108.5 million, respectively, net of baseline funding requirements.

As noted above, MOHCD has not expended any of the federal or local funds for rent relief. The total funds accumulated to date for rent relief are approximately \$101,687,829, as shown in Table 1 below.

Table 1: MOHCD Rent Relief Funding Available

Funding Source	Amount
December 2020 Federal COVID Relief – Direct to City	\$26,209,983
December 2020 Federal COVID Relief – via State	28,216,657
March 2021 Federal COVID Relief – Direct to City	37,211,189
Supplemental Appropriation (File 20-1364)	10,050,000
Total Funding Available	\$101,687,289

Approval of the proposed ordinance would increase the available funding for rent relief to approximately \$165,837,289. San Francisco will likely also benefit from additional funding from the March 2021 American Rescue Plan Act that has not yet been administered by the State of California. As stated above, MOHCD will not expend any local funds towards rent relief until all federal funding is exhausted, which Mr. McCloskey estimates will be in Summer 2022.

Grants from the COVID-19 Rent Resolution and Relief Fund would cover 50 to 65 percent of unpaid rent but landlords receiving grants must waive all unpaid rent. However, grants funded by federal funding, through the State Program, would cover up to 80 percent of unpaid rent incurred between April 2020 and March 2021. Furthermore, grants funded by the City Program, using direct federal funding, would cover up to 100 percent of rent for six months starting in April 2021.

The existence of the State and City rental assistance programs, which cover up to 80 percent and 100 percent, respectively, of unpaid rent for households making up to 80 percent of Area Median Income (AMI), may disincentivize landlords to accept grants funded by the COVID-19 Rent Resolution and Relief Fund.

RECOMMENDATION

Approval of the proposed ordinance is a policy matter for the Board of Supervisors.

Department: Mayor's Office of Housing and Community Development (MOHCD)

EXECUTIVE SUMMARY

Legislative Objectives

- The proposed ordinance would appropriate \$26,700,000 from property tax revenues to the Mayor's Office of Housing and Community Development, of which (a) \$13,350,000 would be appropriated for rent relief under the Rent Resolution and Relief Fund; and (b) \$13,350,000 would be appropriated for the acquisition, creation and operation of affordable, social housing under the Housing Stability Fund in FY 2020-21.

Key Points

- In October 2020, the Board of Supervisors approved ordinances establishing two funds, the COVID-19 Rent Resolution and Relief Fund and the Housing Stability Fund, with the intent to deposit a portion of the revenues generated by the increase in the real estate transfer tax to each fund. According to the Controller's Nine-Month Budget Status Report, the Controller is projecting a \$157.3 million General Fund surplus in FY 2020-21.
- Funds in the Rent Resolution and Relief Fund may be used to provide grants to landlords to cover up to 50 percent of unpaid rent (and up to 65 percent for landlords with 10 or fewer units) related to COVID-19. Funds in the Housing Stability Fund would be used for the acquisition, preservation, and development of affordable social housing. MOHCD has not determined which projects would be funded by the Housing Stability Fund.

Fiscal Impact

- The proposed ordinance would appropriate \$26,700,000 from property tax revenues to MOHCD, of which \$13,350,000 would be appropriated for rent relief under the Rent Resolution and Relief Fund and \$13,350,000 would be appropriated for the acquisition, creation and operation of affordable, social housing under the Housing Stability Fund.

Policy Consideration

- The total funds accumulated to date for rent relief are approximately \$101,687,829. This amount includes approximately \$91,637,829 in federal funding (provided both directly to the City and allocated by the State) and \$10,050,000 appropriated from the City's General Fund in April 2021. Additional federal funding from the American Rescue Plan Act is anticipated that has not been administered from the State. MOHCD has not expended any of this funding and does not plan to expend any local funds until the federal funding is exhausted, which is estimated in approximately Summer 2022.
- The existence of the State and City rental assistance programs, which cover up to 80 percent and 100 percent, respectively, of unpaid rent for households making up to 80 percent of Area Median Income (AMI), may disincentivize landlords to accept grants funded by the COVID-19 Rent Resolution and Relief Fund, which only covers 50-65 percent of unpaid rent.

Recommendation

- Approval of the proposed ordinance is a policy matter for the Board of Supervisors.

MANDATE STATEMENT

City Charter Section 9.105 states that amendments to the Annual Appropriations Ordinance, after the Controller certifies the availability of funds, are subject to Board of Supervisors approval by ordinance.

BACKGROUND

San Francisco voters approved Proposition I in November 2020, increasing the real estate transfer tax to 5.5 percent on transactions of \$10 million to \$25 million and to 6 percent on transactions of \$25 million or more, which according to the November 2020 Voter Guide, was estimated to increase real estate transfer tax revenues by \$196 million. The tax is a General Fund revenue.

In August 2020, the Board of Supervisors approved a resolution stating the Board's intention to appropriate revenue generated by Proposition I to the COVID-19 Rent Resolution and Relief Fund and a Social Housing Program Fund (File 20-0708).¹ In October 2020, the Board of Supervisors approved two ordinances, amending the Administrative Code to establish two funds, the COVID-19 Rent Resolution and Relief Fund (File 20-0611) and the Housing Stability Fund (File 20-1183), with the intent to deposit a portion of the revenues generated by the increase in the real estate transfer tax to each fund. According to File 20-0611, 50 percent of the increased real property transfer tax revenues in calendar year (CY) 2021 and CY 2022 would be appropriated to the COVID-19 Rent Resolution and Relief Fund for the Mayor's Office of Housing and Community Development (MOHCD) to award grants until March 2023, and according to File 20-1183, increased real property transfer tax revenues would be appropriated to the Housing Stability Fund. Neither ordinance required the appropriation of increased real estate transfer tax revenues to the COVID-19 Rent Resolution and Relief Fund or the Housing Stability Fund.

According to the Controller's Nine-Month Budget Status Report, the Controller is projecting a \$157.3 million General Fund surplus in FY 2020-21. Although certain General Fund Revenues, such as business tax, sales tax, and hotel tax are projected to be lower than originally budgeted, these are more than offset by higher than budgeted property tax, excess Education Revenue Augmentation Fund (ERAF) receipts, and transfer taxes. According to that report, Proposition I is projected to generate \$46.8 million of General Fund revenues net of baseline transfers in FY 2020-21.

In April 2021, the Board of Supervisors approved an ordinance appropriating \$20,100,000 from property tax revenues to MOHCD, of which \$10,050,000 was appropriated for rent relief under the Rent Resolution and Relief Fund, and \$10,050,000 was appropriated for the acquisition, creation, and operation of affordable, social housing under the Housing Stability Fund (File 20-1364). According to Mr. Benjamin McCloskey, MOHCD Deputy Director of Finance and Administration, none of this appropriation has been spent to date. Net of the supplemental

¹ In File 20-1183, the Housing Stability Fund was originally titled the Social Housing Program Fund.

appropriation already approved by the Board of Supervisors, \$26.7 million of unbudgeted General Fund revenues are attributable to Proposition I in FY 2020-21.

DETAILS OF PROPOSED LEGISLATION

The proposed ordinance would appropriate \$26,700,000 from FY 2020-21 property tax revenues to MOHCD, of which (a) \$13,350,000 would be appropriated for rent relief under the Rent Resolution and Relief Fund; and (b) \$13,350,000 would be appropriated for the acquisition, creation, and operation of affordable, social housing under the Housing Stability Fund in FY 2020-21.

Funds in the Rent Resolution and Relief Fund may be used to provide grants to landlords who agree to waive unpaid rent related to COVID-19. Such grants may cover up to 50 percent of unpaid rent (and up to 65 percent for landlords with 10 or fewer units) up to \$3,000 per unit per month. Landlords must waive all unpaid rent for the period covered by the grant. As stated above, the previous \$10,500,000 appropriation to the Rent Resolution and Relief Fund has not been expended yet. Additionally, the City has received \$91,637,829 in federal funding for rent relief and will likely receive other funding from the March 2021 American Rescue Plan Act that was provided to the State of California but has not yet been allocated to county governments. According to Mr. McCloskey, MOHCD will not expend any local funds towards rent relief until all federal funding is exhausted, which he estimates will be in Summer 2022.

Funds in the Housing Stability Fund would be used for the acquisition, preservation, and development of affordable social housing. Administrative Code Section 10.100-78 defines social housing developments as restricted for households up to 80 percent of the median income in a zip code where the project is located, with the restriction lasting for the useful life of the property or at least 99 years. According to Mr. McCloskey, MOHCD has not determined which projects would be funded by the Housing Stability Fund.

FISCAL IMPACT

The proposed ordinance would appropriate \$26,700,000 from property tax revenues to MOHCD, of which (a) \$13,350,000 would be appropriated for rent relief under the Rent Resolution and Relief Fund; and (b) \$13,350,000 would be appropriated for the acquisition, creation and operation of affordable, social housing under the Housing Stability Fund in FY 2020-21. The specific uses of funds have not been determined.

POLICY CONSIDERATION

San Francisco voters approved Proposition I in November 2020, increasing the real estate transfer tax to 5.5 percent on transactions of \$10 million to \$25 million and to 6 percent on transactions of \$25 million or more. The Controller's FY 2020-21 Nine Month Budget Status Report estimates total real estate transfer tax revenues of \$326.3 million, an increase of \$188.3 million over the FY 2020-21 budget of \$138.0 million. According to the Nine Month Budget Status Report, these

increases are offset by reductions in other revenues, for projected General Fund revenues in FY 2020-21 of \$3.871 billion, which is approximately \$14.6 million less than the FY 2020-21 revised budget of \$3.885 billion.

As noted above, MOHCD has not expended any of the federal or local funds for rent relief. The total funds accumulated to date for rent relief are approximately \$101,687,829, as shown in Table 1 below.

March 2021 Federal COVID Relief – Direct to City	37,211,189
Supplemental Appropriation (File 20-1364)	10,050,000
Total Funding Available	\$101,687,289

Approval of the proposed ordinance would increase the available funding for rent relief to approximately \$115,037,829. MOHCD will likely also receive additional funding from the March 2021 American Rescue Plan Act that has not yet been administered by the State of California. As stated above, MOHCD will not expend any local funds towards rent relief until all federal funding is exhausted, which Mr. McCloskey estimates will be in Summer 2022.

Grants from the COVID-19 Rent Resolution and Relief Fund would cover 50 to 65 percent of unpaid rent but landlords receiving grants must waive all unpaid rent. However, grants funded by federal funding, through the State Program, would cover up to 80 percent of unpaid rent incurred between April 2020 and March 2021. Furthermore, grants funded by the City Program, using direct federal funding, would cover up to 100 percent of rent for six months starting in April 2021.

The existence of the State and City rental assistance programs, which cover up to 80 percent and 100 percent, respectively, of unpaid rent for households making up to 80 percent of Area Median Income (AMI), may disincentivize landlords to accept grants funded by the COVID-19 Rent Resolution and Relief Fund.

RECOMMENDATION

Approval of the proposed ordinance is a policy matter for the Board of Supervisors.

Board of Supervisors Budget Spending Plan – Housing COPs

The Amendment before the committee makes 4 changes:

1. Changes the source from the Fiscal Cliff Reserve to instead issuing debt through Certificates of Participation.
2. Changes the project total portion from \$128.3m to \$112.0 million
3. Adjusts the types of expenditures to new categories
4. Adjusts the source to the use of Certificates of Participation (COPs) and includes associated financing costs

TO: Mayor London Breed, Board of Supervisors

RE: Letter of Support from San Francisco Berniecrats for the Emergency Housing Acquisition Program

Dear Mayor Breed and Board of Supervisors:

I am writing to urge your support for Supervisor Preston's ordinance to fund the Emergency Housing Acquisition Program (File No. 210538). These funds will save hundreds of San Franciscans from pandemic-related displacement and are crucial for

beginning to build an infrastructure for **Public Housing for All**. On behalf of the San Francisco Berniecrats, I strongly urge you to move this effort forward without delay.

The SF Berniecrats wrote and supported November 2020's Proposition K to authorize 10,000 units of municipal social housing. We also campaigned for Proposition I to tax large real-estate transactions and fund rent relief and social housing. We were disappointed to see that **not a single dollar** of Proposition I's revenue was dedicated to social housing this fiscal year.

The pandemic has put extreme financial hardship on tens of thousands of working families, seniors, and other vulnerable households. While COVID initially depressed rents and rental property sales, rents and property prices are once again trending upwards.

Unless the City significantly increases its capacity to acquire and preserve rental properties NOW, thousands of existing tenants will be put at greater risk of displacement. The City will lose a time-limited opportunity to remove housing from the speculative market and permanently preserve units at affordable rents.

That's why I am urging you to support Supervisor Preston's proposal to allocate \$64 million to social housing acquisition. This ordinance would deliver on the promise of Proposition I, and the unanimous resolution passed last year by the Board of Supervisors to use Proposition I's revenue for social housing.

We can protect hundreds of San Francisco residents and guarantee long-term stability if we act now. Please fund the Emergency Housing Acquisition Program and save our residents from pandemic-fueled displacement.

Sincerely,
Laksh Bhasin
Coordinator, SF Berniecrats Housing Committee

Board of Supervisors Clerk,

Re File #210538 - Budget and Appropriations Committee 06/16/21

Dear Supervisors,

I was disappointed to read that the Mayor's 2021-22 budget does not spend Prop I revenue on its voter-intended purposes of rent relief and social housing, and instead slightly increases funding to SFPD from the General Fund.

Over 1000 residents signed a petition asking Mayor Breed to appropriate Prop I revenue to the Housing Stability Fund and Rent Resolution and Relief Fund, and the Board of Supervisors has unanimously approved resolutions and supplemental appropriations on using Prop I funds in this manner. Prop I passed with 58% of the vote last year, and voters expected its revenue to go towards these two funds.

I would like to ask you to prioritize funding the Housing Stability Fund and Rent Resolution and Relief Fund in the add-back process, to ensure Prop I's intent is respected in the final budget. In addition to department add-backs, please also support the supplemental appropriation in File #210538 to utilize COVID Reserve funds for this purpose.

Prop I funds shouldn't be misused for other purposes, and certainly shouldn't fund the police department instead. We need a deeply affordable housing infrastructure in the long term, and – in the short term – need to keep tenants housed by paying back all rent debt accumulated during COVID. Both of these are worthy uses of COVID Reserve funds, and will ensure that Prop I's voter-approved intent remains intact.

Supervisors Board of Supervisors,

Dear Supervisors,

I am a resident of San Francisco District Alma Jackson\_\_\_\_\_ and I am writing to urge you to fund rental subsidies for seniors and people with disabilities in the city budget for the upcoming fiscal year.

I am part of the senior and disability communities and I see the great need for housing that we can afford. What is called “affordable” housing in the city is not affordable for those of us living on Social Security, SSI, or other extremely low incomes.

Portable rental subsidies and Senior Operating Subsidies have made it possible for hundreds of seniors and people with disabilities to stay in their homes, but thousands more see our rents rising but our incomes staying the same.

You have the chance to expand subsidies and keep us in our homes and off the streets! Please include in the upcoming budget an additional \$3 million for portable rental subsidies for seniors and people with disabilities and an additional \$3 million for Senior Operating Subsidies.

Our communities are counting on you.

Board of Supervisors Clerk,

Re File #210538 - Budget and Appropriations Committee 06/16/21

Dear Supervisors,

My name is Shaelyn Watson and I live and work in District 1. I voted yes on Prop I to fund rent relief and social housing in San Francisco. Outside my window I can see several empty apartments and some people sleeping in their cars. These unhoused neighbors need support and housing - definitely not more policing.

Over 1000 residents signed a petition asking Mayor Breed to appropriate Prop I revenue to the Housing Stability Fund and Rent Resolution and Relief Fund, and the Board of Supervisors has unanimously approved resolutions and supplemental appropriations on using Prop I funds in this manner. Prop I passed with 58% of the vote last year, and voters expected its revenue to go towards these two funds.

I would like to ask you to prioritize funding the Housing Stability Fund and Rent Resolution and Relief Fund in the add-back process, to ensure Prop I's intent is respected in the final budget. In addition to department add-backs, please also support the supplemental appropriation in File #210538 to utilize COVID Reserve funds for this purpose.

In addition to department add-backs, please also support the supplemental appropriation in File #210538 to utilize COVID Reserve funds for this purpose.

Prop I funds shouldn't be misused for other purposes, and certainly shouldn't fund the police department instead. We need a deeply affordable housing infrastructure in the long term, and – in the short term – need to keep tenants housed by paying back all rent debt accumulated during COVID. Both of these are worthy uses of COVID Reserve funds, and will ensure that Prop I's voter-approved intent remains intact.

Board of Supervisors Clerk,

Re File #210538 - Budget and Appropriations Committee 06/16/21

Dear Supervisors,

I was disappointed to read that the Mayor's 2021-22 budget does not spend Prop I revenue on its voter-intended purposes of rent relief and social housing, and instead slightly increases funding to SFPD from the General Fund.

Over 1000 residents signed a petition asking Mayor Breed to appropriate Prop I revenue to the Housing Stability Fund and Rent Resolution and Relief Fund, and the Board of Supervisors has unanimously approved resolutions and supplemental appropriations on using Prop I funds in this manner. Prop I passed with 58% of the vote last year, and voters expected its revenue to go towards these two funds.

I would like to ask you to prioritize funding the Housing Stability Fund and Rent Resolution and Relief Fund in the add-back process, to ensure Prop I's intent is respected in the final budget. In addition to department add-backs, please also support the supplemental appropriation in File #210538 to utilize COVID Reserve funds for this purpose.

Ms Linda Wong,

Re File #210538 - Budget and Appropriations Committee 06/16/21

Dear Supervisors,

I was disappointed to read that the Mayor's 2021-22 budget does not spend Prop I revenue on its voter-intended purposes of rent relief and social housing, and instead slightly increases funding to SFPD from the General Fund.

Over 1000 residents signed a petition asking Mayor Breed to appropriate Prop I revenue to the Housing Stability Fund and Rent Resolution and Relief Fund, and the Board of Supervisors has unanimously approved resolutions and supplemental appropriations on using Prop I funds in this manner. Prop I passed with 58% of the vote last year, and voters expected its revenue to go towards these two funds.

I would like to ask you to prioritize funding the Housing Stability Fund and Rent Resolution and Relief Fund in the add-back process, to ensure Prop I's intent is respected in the final budget. In addition to department add-backs, please also support the supplemental appropriation in File #210538 to utilize COVID Reserve funds for this purpose.

Prop I funds shouldn't be misused for other purposes, and certainly shouldn't fund the police department instead. We need a deeply affordable housing infrastructure in the long term, and – in the short term – need to keep tenants housed by paying back all rent debt accumulated during COVID. Both of these are worthy uses of COVID Reserve funds, and will ensure that Prop I's voter-approved intent remains intact.

Thank you,

Brett Wilkins

Dear Supervisors,

I voted for Prop I because I thought it was going to be used for rent relief and social housing! Was I duped? I live in District 7 and support any way the money comes into the budget for these purposes.
