RE: BOS File No. 220877 – Repeal of Legacy Business Registry Fee - SUPPORT

Dear Ms. Calvillo,

On September 12, 2022 the Small Business Commission (the Commission) heard BOS File #220877 – Repeal of Legacy Business Registry Fee. The Commission unanimously voted (4-0 with three absences) to support this legislation. The Commission is committed to removing fees and regulatory barriers that negatively impact small businesses, and this proposal is in line with that goal. Eliminating the application fee to apply to the Legacy Business Registry will simplify the application process and encourage businesses to apply.

The Commission commends Supervisor Peskin and his staff for their efforts to support small businesses by removing unnecessary fees.

Thank you for considering the Commission's recommendations. Please feel free to contact me should you have any questions.

Sincerely,
