RE: Funds for San Francisco Energy Watch for 2015

Dear Ms. Rafael,

Pacific Gas and Electric Company (PG&E) intends to provide the San Francisco Department of Environment (SFDoe) \$6,700,000 in program funding to implement the San Francisco Energy Watch (SFEW) Local Government Partnership Program for activities in 2015. However, such funding provided by PG&E for any energy efficiency programs, including but not limited to the SFEW, shall be conditioned upon and subject to the approval by the California Public Utilities Commission regarding PG&E's 2015 Energy Efficiency Application ("Application").

This funding will be used to support the following activities:

- Marketing & Implementing of SFEW Energy Efficiency Direct Install Programs, including incentives for Energy Efficiency Measures targeting businesses and multifamily customers
- Strategic Energy Resource work, including, but not limited to, Software Augmented Audits, Mini-Retrocommissioning, Refrigeration Replacement, and Climate Planning

PG&E will work with SFDoe to finalize the scope of work and terms and conditions and execute the final SFEW 2015 Program Contract, pending final CPUC approval of the Application.

Sincerely,

A handwritten signature in black ink, appearing to read 'K Zelmar', written over the printed name.
