Dear Industry Partner:

Enclosed is an important ballot regarding creation of a proposed Moscone Expansion District. Your vote is vital. Please return your ballot by February 5, 2013.

Tourism is San Francisco's largest industry, employing more than 70,000 individuals, but it won't stay that way unless we take bold steps. We have a plan.

Since the founding of the San Francisco Tourism Improvement District in 2009, a group of tourism industry representatives have been exploring the expansion of Moscone Center. The City is already losing valuable conventions because of space constraints, and larger groups are bypassing San Francisco for our competitors with more contiguous space. These losses have a direct impact on the bottom line of every hotel in the City, large or small.

To address this important issue, we are proposing a public/private partnership that builds on the successful Moscone Center renovation project, which was just completed on time and on budget. A new Moscone Expansion District (MED) would be created to fund:

- Expansion of Moscone Center, including design, entitlements, construction, financing, etc.
- A Convention Incentive fund, to attract significant conventions to San Francisco. (This fund was initiated with the original TID, but expires December 31, 2013, unless the MED is approved, putting the City at another competitive disadvantage.)
- A specific sales and marketing fund to market Moscone Center to meeting, convention and event planners.
- A Capital Improvement fund, to ensure that the Center never again falls into disrepair.

The combination of MED funding, raised through this assessment, and City funding will help ensure that the convention industry thrives in San Francisco.

You are receiving an official ballot along with a CD that contains the supporting documents.

We are asking the hotel community to support this effort by completing the ballot with a YES vote and returning it to the Department of Elections, which will tabulate the results and submit them to the Board of Supervisors. **Please make sure to complete the business details, sign the ballot, and return by mail no later than February 5, 2013.**

Moscone Expansion Business Improvement District

Proposed Assessment formula:

The proposed business-based assessment district to be known as the Moscone Expansion District (MED) will have a duration of 32 years, commencing the later of July 1, 2013 or the first day of the calendar quarter after a final judgment is entered by a court validating the issuance of City indebtedness for the Moscone Expansion Project, and related establishment of the District and levy of the assessments (the commencement date). The term of the district is 32 years after the Commencement Date.

The District shall include all tourist hotels operating in the City & County of San Francisco that generate revenue from tourist rooms, and which are located in the following geographic areas:

Zone 1: Tourist hotels with addresses:

- On or east of Van Ness Avenue
- On or east of South Van Ness Avenue, and
- On or north of 16th Street from South Van Ness to the Bay, including all tourist hotels east of Van Ness Avenue as if it continued north to the Bay, and north of 16th Street as if it continued east to the Bay.

Zone 2: Tourist hotels with addresses:

- West of Van Ness Avenue and South Van Ness Avenue, and
- South of 16th Street.

A map of the District and a list of existing tourist hotels within the District are set forth in the Management District Plan. Because this is a business-based District, tourist hotels that open for business within the District in the future will also be subject to the assessment.

Expansion of Moscone Center plus the other related improvements and activities to be funded by the MED including A Capital Reserve Fund for Renovations, Convention Business Attraction Activities and Administration of the MED and A Operating Contingency Reserve will generate benefits for tourist hotels within the District that will pay the assessment, which will not accrue to those not charged. Industry studies demonstrate that expansions of convention centers in markets competitive with San Francisco generate growth in hotel "RevPAR" (revenue per available hotel room). Consistent with that finding on a national basis, past expansions of Moscone Center have led to higher real RevPAR growth for San Francisco hotels. Studies indicate that increased convention attendance arising from this new, proposed expansion of Moscone Center, combined with the incentive fund and targeted sales and marketing expenditures designed to maximize lodging performance, will generate increased hotel demand, with a positive impact on RevPAR via higher hotel occupancy rates and average daily room rates. Assessed businesses, therefore, receive the benefit of higher yields, derived through the practice of maximizing revenue based on predictable demand. Studies also indicate that in addition to increased occupancy and room rates, hotels in the District will also derive increased revenues from their ancillary facilities, such as hotel restaurants, bars, meeting space and spas. Further, hotel values are likely to be directly enhanced or increase by the completion of the Moscone Convention Center proposed expansions.

Zone 1 hotels will pay a higher assessment than Zone 2 hotels because it is expected that Zone 1 hotels will achieve a greater positive impact on RevPar. Zone 1 hotels are located within a defined geographic proximity to Moscone Center, and are readily accessible to the Moscone Center and its surrounding area via the City's transportation infrastructure. Proportional benefits will accrue to tourist hotels in Zone 2 directly, and via "compression," i.e., when groups using Moscone Center fill tourist hotel rooms in Zone 1 (increasing their occupancy and average daily rate), the data show that other bookings, such as transient commercial, group tour, and leisure visitor business, are pushed into tourist hotels in Zone 2 (increasing occupancy and average daily rate at those hotels). In sum, hotels in Zone 1 are expected to receive approximately three times RevPAR benefit, and four times profit per available room, as compared to hotels in Zone 2. This differential, which also manifests in a different rate of increase in hotel values between the two zones, provides the basis for structuring two levels of assessment.

The estimated year one MED assessment for your business is based on 2011 gross room revenue from the rental of tourist rooms as reported to the City's Treasurer /Tax Collector by hotels and on the assessment rate of 1.25% of gross revenue from tourist rooms for Zone 1, and 0.3125% of gross revenue from tourist rooms for Zone 2.

The estimated MED assessment for your hotel is listed on the attached confidential *Notice of Estimated Assessment* prepared by the City and County of San Francisco Office of the Treasurer and Tax Collector. DO NOT return this confidential *Notice of Estimated Assessment* with your Ballot.

Tourist hotels within the District will pay assessments based on the following formula. During the life of the District, the benefits that will accrue to each assessed business within each zone will correlate directly to the rate of assessments in that zone.

Zone 1:

- With respect to gross revenue from tourist rooms generated during the period beginning with commencement of the assessment through December 31, 2013, the assessment shall be 0.50% of gross revenue from tourist rooms.
- With respect to gross revenue from tourist rooms generated beginning January 1, 2014 until the termination of the District, the assessment in Zone 1 shall be 1.25% of gross revenue from tourist rooms.

Zone 2:

- With respect to gross revenue from tourist rooms generated during the period beginning with commencement of the assessment until the termination of the District, the assessment shall be 0.3125% of gross revenue from tourist rooms.

Annual revenues generated from assessments will fluctuate over the life of the District based on actual gross revenues from tourist rooms, subject to the maximum assessment set forth in the Management District Plan.

For purposes of calculating the MED assessment, "gross revenue from tourist rooms" means: the consideration received for occupancy valued in money, whether received in money or otherwise, including all receipts, cash, credits, and property of any kind or nature, without any deduction therefrom whatsoever. Gross revenue from tourist rooms will include only the following charges, regardless of how such charges are characterized:

- a) Charges for a guest room (including non-refundable deposits) regardless of whether the guest uses the room;
- b) Charges for additional guests to occupy the room;
- c) Charges for guaranteeing the availability of a room (sometimes referred to as guaranteed "no-show" charges), regardless of whether the guest uses the room (excluding event attrition fees and event cancellation fees paid by event organizers)

The following charges and revenues shall be exempt from payment of the assessments:

- a) Charges for guest rooms occupied by permanent residents, defined as: "Any occupant as of a given date who has or shall have occupied, or has or shall have the right of occupancy, of any guest room in a hotel for at least 30 consecutive days next preceding such date;"
- b) Revenue from the lodging of airline crews, *i.e.*, lodging provided to airline cockpit and/or cabin crews pursuant to an agreement between a hotel and an airline, which is in furtherance of or to facilitate such crews' performance of their jobs for the airline, including layovers between flights; or
- c) The City's Transient Occupancy Tax collected on the room rent and remitted to the City;
- d) Revenue from the San Francisco Tourism Improvement District assessment established in 2008, including any renewals or extensions thereof;
- e) Charges for guest rooms located in youth hostels that are owned and operated exclusively by and for non-profit entities;
- f) Charges for guest rooms that are subject to the room rate exemption for the San Francisco Transit Occupancy Tax under Article 7, section 506(c) of the San Francisco Business & Tax Regulations Code, as amended from time to time; and
- g) Charges for guest rooms located in non-profit, purely private social clubs that make guest rooms available only for the use of their members. The term "purely private social clubs" means non-profit, private membership clubs, whose primary purpose is social, which are owned by a limited membership, and which do not advertise or promote the use of their facilities by the public. Further, entities that allow guest rooms to be occupied by non-members, including via reciprocal arrangements with other clubs or organizations or upon referral of a member, shall not constitute "purely private social clubs" as defined herein.

**NOTICE OF PUBLIC MEETING & PUBLIC HEARING
AND ASSESSMENT BALLOT PROCEEDING**

TO: PACIFIC UNION CLUB
PACIFIC UNION CLUB

SAMPLE

FROM: City and County of San Francisco

SUBJECT: Notice of Public Meeting and Public Hearing and Assessment Ballot Proceeding to Consider Establishing a business-based improvement district to be known as the "Moscone Expansion District" (MED).

The purpose of this notice is to provide you with information about an assessment ballot proceeding and public meeting and public hearing being conducted by the Board of Supervisors, and its effect on the business that you own. This notice is being sent to you in accordance with Resolution No. 416-12 passed by the Board of Supervisors (a copy of which is enclosed), the Property and Business Improvement District Law of 1994 (California Streets and Highways Code §§36600 *et seq.*), California Government Code Section 54954.6, and San Francisco Business and Tax Regulations Code Article 15.

Please be advised of the following:

- The Board of Supervisors will hold a Public Meeting on the proposed assessment on January 23, 2013 at 11:00 a.m., or as soon thereafter as the matter may be heard, at the Board's Budget & Finance Committee, in the Legislative Chamber, Room 250 City Hall, 1 Dr. Carlton B. Goodlett Place, San Francisco, CA 94102. At this Public Meeting the Board Committee will hear testimony regarding the proposed assessment district and proposed assessment. The public meeting may be convened and heard before another appropriate Board Committee as designated by the President of the Board of Supervisors.
- The Board of Supervisors will hold a Public Hearing on the proposed assessment at 3:00 p.m. on February 5, 2013 or as soon thereafter as the matter may be heard, in the Board's Legislative Chambers, Room 250 Second Floor, City Hall, 1 Dr. Carlton B. Goodlett Place, San Francisco, California, 94102. At this Public Hearing, the Board will hear testimony regarding the proposed assessment district and proposed assessment.
- In accordance with Section 67.7-1 of the San Francisco Administrative Code, persons who are unable to attend the Public Meeting or Public Hearing on this matter may submit written comments to the City prior to the time the Public Meeting or Public Hearing begins. These comments will be made a part of the official public record in this matter, and shall be brought to the attention of the Board of Supervisors. Written comments should be addressed to Angela Calvillo, Clerk of the Board, San Francisco Board of Supervisors, Room 244, City Hall, 1 Dr. Carlton B. Goodlett Place, San Francisco, California, 94102.

- The reason for the Public Meeting and Public Hearing and balloting is to establish a Business Improvement District to be known as the "Moscone Expansion District" and levy a multi-year assessment on identified hotel businesses in the district. The annual assessments would last for 32 years. The boundaries of the proposed Moscone Expansion District are described in the enclosed Resolution of Intention passed by the Board of Supervisors.

Summary the Proposed Moscone Expansion District

Assessments raised through the Moscone Expansion District (MED) will fund a significant portion of the expansion of the George S. Moscone Convention Center in San Francisco, California. The other portion of the development funding for The Moscone Expansion project will come from the City. The Moscone expansion project development budget is \$500 million. The existing convention center is increasingly too small and provides insufficient contiguous space for certain convention customers. An expansion of the facility, including an increase in contiguous space, will help attract and retain more and larger conventions to the Moscone Center, providing benefits to hotels within the District by generating additional revenue from increased room nights, rates, and related hotel guest spending.

In furtherance of providing benefits to hotels within the District, assessment funds will also be used for a Convention Incentive Fund, to help attract significant meetings to San Francisco; a Moscone Center Sales and Marketing Fund, to promote the convention center to meeting, convention and event planners; a Capital Improvements and Renovations Fund, to cover future upgrades and improvements of Moscone Center; and for administration of the District, including funds for an operating contingency and for reimbursement of District formation costs. Assessment funds, if available, will also be used to fund additional development, expansion, renovation, and capital improvements to the Moscone Center Campus.

Improvements and Activities, including Development Activities, A Capital Reserve for Renovations, Convention Business Attraction Activities, and Administration of the Moscone Expansion District and Operating Contingency Reserve are categories of expenditures to be funded by the assessments levied by the establishment of the Moscone Expansion District. These categories of expenditures will consist of:

- Planning, design, engineering, entitlement, construction, project management and related services for expansion of the Moscone Convention Center, including related payments for any bond, financing lease (including certificates of participation) or similar obligations of the City.
- Funding of a Moscone Convention Center Incentive Fund, which will be used to attract significant meetings, tradeshow and conventions to San Francisco via offset of rental costs.
- Funding of a Moscone Convention Center Sales & Marketing Fund to provide increased funding for sales and marketing of convention business, with a focus on generating increased revenues for hotels that pay the assessment.

- Funding of capital improvements and renovations, including a capital reserve fund to cover future upgrades and improvements to the Moscone Convention Center.
- Allocation of funds to pay for District formation, operation and administration, and to establish and maintain a contingency reserve.
- In consultation with City, funding of expenses for development and implementation of future phases of expansion, renovations or capital improvements if there are funds available in excess of those needed for the Project.

The City & County of San Francisco, subject to approval of the Board of Supervisors, will commit the following towards the repayment of Bonds issued in connection with the \$500 million Project:

- Contribution of \$8.2 million in fiscal year 2019 with an increase of 3% per year through fiscal year 2028 up to cap of \$10.7 million, with a continuing contribution of no less than \$10.7 million per year for the remainder of the term of the District (the City's "Base Contribution").
- In addition, the City will fund shortfalls in any given year for purposes of debt service, which will be repaid from surpluses in MED assessments, as detailed in this plan.
- For purposes of this Project, "shortfall" means a fiscal year's debt service not covered by (a) the MED allocation to debt, plus (b) the City's \$8.2 million - \$10.7 million contribution.

City contributions will partially fund the repayment on any bonded indebtedness or financing lease (including principal and interest on any certificates of participation) issued to finance related professional consulting, architectural and other professional fees and issuance costs, or similar obligations issued or incurred in connection with the expansion, together with a portion of the hard construction cost. The project will be built using an alternative project delivery method called Construction Manager/General Contractor (CM/GC). The MED will select the CM/GC, with input from the City, and the MED will fund the cost of the CM/GC. The City will expend construction costs by procuring, pursuant to the City's contracting rules, and paying for the trade contractors. The trade contractors will be overseen by the CM/GC funded by the MED. The City is the owner of the existing Moscone Convention Center, and will also own the expanded Moscone Convention facilities financed by District and City funds.

The proposed MED will have a duration of 32 years, beginning the later of July 1, 2013, or the first day of the calendar quarter after a final judgment is entered by a court validating the issuance of City indebtedness for the Moscone Expansion Project, and related establishment of the District and levy of the assessments (the *Commencement Date*). The term of the district is 32 years after the Commencement Date.

The District shall include all tourist hotels operating in the City & County of San Francisco that generate revenue from tourist rooms, and which are located in the following geographic areas:

Zone 1: Tourist hotels with addresses:

- On or east of Van Ness Avenue
- On or east of South Van Ness Avenue, and
- On or north of 16th Street from South Van Ness to the Bay, including all tourist hotels east of Van Ness Avenue as if it continued north to the Bay, and north of 16th Street as if it continued east to the Bay.

Zone 2: Tourist hotels with addresses:

- West of Van Ness Avenue and South Van Ness Avenue, and
- South of 16th Street.

Benefits from Moscone Center Expansion

The planned expansion of the Moscone Center will be financed via a partnership between the tourist hotel community and the City. The tourist hotel community will pay its share of expansion-related costs out of District assessments. The City will pay its share of expansion-related costs out of general fund revenues or other funds and sources. The District and City will each pledge revenues to pay principal, interest and related financing costs on payments of any bond, financing lease (including certificates of participation), or other similar obligations of the City that will be issued to facilitate the expansion. Based on this shared-cost scenario, the tourist hotels within the District will derive economic benefits from the portion of the expansion paid for with District assessments. The City will derive economic benefits in return for its financial commitment. The benefits that are unique to the hotels, and the other benefits, are described below.

Benefits to Hotels that Pay the Assessment

Expansion of Moscone Center will generate benefits for tourist hotels within the District that will pay the assessment, which will not accrue to those not charged. Industry studies demonstrate that expansions of convention centers in markets competitive with San Francisco generate growth in hotel "RevPAR" (revenue per available hotel room). Consistent with that finding on a national basis, past expansions of Moscone Center have led to higher real RevPAR growth for San Francisco hotels. Studies indicate that increased convention attendance arising from this new, proposed expansion of Moscone Center, combined with the incentive fund and targeted sales and marketing expenditures designed to maximize lodging performance, will generate increased hotel demand, with a positive impact on RevPAR via higher hotel occupancy rates and average daily room rates. Assessed businesses, therefore, receive the benefit of higher yields, derived through the practice of maximizing revenue based on predictable demand. Studies also indicate that in addition to increased occupancy and room rates, hotels in the District will also derive increased revenues from their ancillary facilities, such as hotel restaurants, bars, meeting space and spas. Further, hotel values are likely to be directly enhanced or increase by the completion of the Moscone Convention Center proposed expansions.

Zone 1 hotels will pay a higher assessment than Zone 2 hotels because it is expected that Zone 1 hotels will achieve a greater positive impact on RevPar. Zone 1 hotels are located within a defined geographic proximity to Moscone Center, and are readily accessible to the Moscone Center and its surrounding area via the City's transportation infrastructure. Proportional benefits will accrue to tourist hotels in Zone 2 directly, and via "compression," i.e., when groups using Moscone Center fill tourist hotel rooms in Zone 1 (increasing their occupancy and average daily rate), the data show that other bookings, such as transient commercial, group tour, and leisure visitor business, are pushed into tourist hotels in Zone 2 (increasing occupancy and average daily rate at those hotels). In sum, hotels in Zone 1 are expected to receive approximately three times RevPAR benefit, and four times profit per available room, as compared to hotels in Zone 2. This differential, which also manifests in a different rate of increase in hotel values between the two zones, provides the basis for structuring two levels of assessment.

Other Economic Benefits

In return for the City's financial contribution to the expansion of Moscone Center, it is expected that increased convention activity will generate increased economic activity in the City. In 2011, activity from meetings, conventions and trade shows accounted for \$1.8 billion in spending in the City. Expert projections, based on studies of expansions in competitive markets and on past expansions of Moscone Center, indicate that expansion of Moscone Center will generate additional economic activity in the form of increased spending for local businesses and increased tax revenue for the City.

Tourist hotels within the District will pay assessments based on the following formula. During the life of the District, the benefits that will accrue to each assessed business within each zone will correlate directly to the rate of assessments in that zone.

Zone 1:

- With respect to gross revenue from tourist rooms generated during the period beginning with commencement of the assessment through December 31, 2013, the assessment shall be 0.50% of gross revenue from tourist rooms.
- With respect to gross revenue from tourist rooms generated beginning January 1, 2014 until the termination of the District, the assessment in Zone 1 shall be 1.25% of gross revenue from tourist rooms.

Zone 2:

- With respect to gross revenue from tourist rooms generated during the period beginning with commencement of the assessment until the termination of the District, the assessment shall be 0.3125% of gross revenue from tourist rooms.

Annual revenues generated from assessments will fluctuate over the life of the District based on actual gross revenues from tourist rooms, subject to the maximum assessment set forth in the Management District Plan.

For purposes of calculating the MED assessment, "gross revenue from tourist rooms" means: the consideration received for occupancy valued in money, whether received in money or otherwise, including all receipts, cash, credits, and property of any kind or nature, without any deduction therefrom whatsoever. Gross revenue from tourist rooms will include only the following charges, regardless of how such charges are characterized:

- Charges for a guest room (including non-refundable deposits) regardless of whether the guest uses the room;
- Charges for additional guests to occupy the room;
- Charges for guaranteeing the availability of a room (sometimes referred to as guaranteed "no-show" charges), regardless of whether the guest uses the room (excluding event attrition fees and event cancellation fees paid by event organizers)

The following charges and revenues shall be exempt from payment of the assessments:

- Charges for guest rooms occupied by permanent residents, defined as: "Any occupant as of a given date who has or shall have occupied, or has or shall have the right of occupancy, of any guest room in a hotel for at least 30 consecutive days next preceding such date;"
- Revenue from the lodging of airline crews, *i.e.*, lodging provided to airline cockpit and/or cabin crews pursuant to an agreement between a hotel and an airline, which is in furtherance of or to facilitate such crews' performance of their jobs for the airline, including layovers between flights; or
- The City's Transient Occupancy Tax collected on the room rent and remitted to the City;
- Revenue from the San Francisco Tourism Improvement District assessment established in 2008, including any renewals or extensions thereof;
- Charges for guest rooms located in youth hostels that are owned and operated exclusively by and for non-profit entities;
- Charges for guest rooms that are subject to the room rate exemption for the San Francisco Transient Occupancy Tax under Article 7, section 506(c) of the San Francisco Business & Tax Regulations Code, as amended from time to time; and
- Charges for guest rooms located in non-profit, purely private social clubs that make guest rooms available only for the use of their members. The term "purely private social clubs" means non-profit, private membership clubs, whose primary purpose is social, which are owned by a limited membership, and which do not advertise or promote the use of their facilities by the public. Further, entities that allow guest rooms to be occupied by non-members, including via reciprocal arrangements with other clubs or organizations or upon referral of a member, shall not constitute "purely private social clubs" as defined herein.

The assessment is estimated to generate approximately \$19,332,000 during the first year, with a maximum total assessment for the Years 1 through 32 years of \$5,766,814,000.

The MED assessment will be collected by the City Treasurer/Tax Collector or his or her designee, or as otherwise designated by the Board of Supervisors, and transferred on a quarterly basis to the non-profit corporation known as the San Francisco Tourism Improvement District Management Corporation (hereinafter "SFTIDMC"). The SFTIDMC will manage and administer the MED pursuant to a management contract with the City as approved by the Board of Supervisors.

ASSESSMENT BALLOT PROCEDURES

Enclosed with this notice, you will find an assessment Ballot (“Ballot on Assessment, and Establishment of the Moscone Expansion District”) and an Affidavit of Identification. Please follow the directions on the assessment Ballot to express your view on the proposed assessment. Following is a summary of the procedures governing the return and tabulation of ballots.

1. The estimated year one assessment for your business is based on 2011 gross revenue from tourist rooms as reported to the Treasurer /Tax Collector by hotels. The estimated assessment for your hotel is listed on the attached confidential *Notice of Estimated Assessment* prepared by the City and County of San Francisco Office of the Treasurer/Tax Collector. **DO NOT** return this confidential *Notice of Estimated Assessment* with your hotel’s completed Ballot.
2. The completed Ballot and Affidavit of Identification must be returned in the ballot envelope provided.
3. You may mail your Ballot and Affidavit of Identification to the City and County of San Francisco Department of Elections at the Post Office Box location shown on the ballot; or submit the ballot in person at the Department of Elections, located at City Hall Room 48, 1 Dr. Carlton B. Goodlett Place, San Francisco, California 94102; or hand-deliver the Ballot during the Board of Supervisors Public Hearing on this matter.
4. Mailed Ballots will be picked up from the designated Post Office box by the Department of Elections at 12 o'clock Noontime on the date scheduled for the Board of Supervisors Public Hearing, February 5, 2013. Mailed ballots received after 12 o'clock Noontime on February 5, 2013 will only be counted if the public testimony portion of the Public Hearing is continued to a later date and the Ballots are received by the Department of Elections prior to the conclusion of the public testimony portion of the hearing.
5. Ballots hand-delivered to the Department of Elections in City Hall Room 48 must be received no later than 3:00 p.m. on February 5, 2013.
6. Ballots submitted during the Public Hearing in the Board of Supervisor’s Legislative Chambers, Second Floor, City Hall, 1 Dr. Carlton B. Goodlett Place, San Francisco, California, 94102, must be received no later than the conclusion of the public testimony portion of the hearing. That Public Hearing is scheduled to commence at 3:00 p.m. or as soon thereafter as the matter may be heard. Depending on the nature and extent of public testimony, the public testimony portion of the hearing may not be concluded on that date, but may instead be continued to a later date. At any time prior to the conclusion of the public testimony portion of the hearing, you may withdraw your ballot and submit a new

or changed ballot in place of the ballot previously submitted. If the public testimony portion of the hearing is continued to a later date, the deadline for submission of ballots will likewise be extended until the close of public testimony on that date.

7. Only ballots with original signatures - not photocopies of signatures - will be accepted.
8. The City and County of San Francisco will not accept or tabulate a ballot which is a photocopy without an original signature; which is unsigned; which lacks an identifiable "yes" or "no" vote; or which appears to have been tampered with based upon its appearance or method of delivery.
9. The assessment ballot itself shall be treated as a disclosable public record during and after the tabulation of the assessment ballots.
10. At the conclusion of the public testimony portion of the public hearing, the City and County of San Francisco Department of Elections and Office of the Treasurer/Tax Collector will tabulate the ballots, including those received during the public testimony portion of the public hearing. If the number of ballots received at the hearing is such that it is not feasible to accurately tabulate the ballots that day, the Board of Supervisors may continue the meeting to a later date for the purpose of obtaining the final tabulation.
11. The Board of Supervisors will not impose the assessment and the proposed assessment will be abandoned, if business owners representing a majority of the assessments to be collected vote against formation of the District.
12. If tourist hotels representing at least 50% of the total estimated assessments proposed to be levied on all tourist hotels in the District cast ballots, and at least two-thirds of the returned weighted ballots are in favor of the formation of the District and levy of assessments, the Board of Supervisors will vote on whether to establish the District and levy the assessments. A majority vote of the Board of Supervisors is required to establish the District and levy the assessments.
13. The "Weight" calculated for the ballot election is determined by the assessment each tourist hotel will pay into the district compared to the total assessments estimated to be collected in year one. Year one maximum assessment collection estimates are based on 12 months of projected collections at the assessment formula of 1.25% and 0.3125% for tourist hotels located in Zones 1 and 2 respectively, calculated on the assessable gross room revenue from tourist rooms of calendar year 2011 as reported by hotels. The City will tabulate the petition and ballot results and will assign a "weight" to each hotel based on its calendar year 2011 assessable gross room revenue from tourist rooms in relation to its portion of the total MED assessment.

- Revised/Replacement Affidavit of Identification (the Affidavit mailed December 7, 2012 inadvertently partially referenced a different assessment district);
- Duplicate Ballot (for convenience); and,

3. If mailed to the Department of Elections, the envelope must be received at the pre-addressed Post Office Box on the return envelope no later than 12 o'clock noon on February 5, 2013; or if delivered in person, the envelope must be received in Room 48, San Francisco City Hall, One Dr. Carlton B. Goodlett Place, San Francisco, no later than 3:00 p.m. on February 5, 2013.
4. The Department of Elections will have a table in front of the Board Chambers on the day of the public hearing to collect ballots submitted in person. 6. Only ballots with original signatures - not photocopies of signatures - will be accepted.
7. The City and County of San Francisco will not accept or tabulate a ballot which is a photocopy without an original signature; which is unsigned; which lacks an identifiable "yes" or "no" vote; or which appears to have been tampered with based upon its appearance or method of delivery.
8. The assessment ballot itself shall be treated as a disclosable public record during and after the tabulation of the assessment ballots.
9. At the conclusion of the public testimony portion of the public hearing, the City and County of San Francisco Department of Elections and Office of the Treasurer/Tax Collector will tabulate the ballots, including those received during the public testimony portion of the public hearing. If more than one ballot has been submitted by a hotel, the last submitted ballot will be the ballot tabulated.

If the number of ballots received at the hearing is such that it is not feasible to accurately tabulate the ballots that day, the Board of Supervisors may continue the meeting to a later date for the purpose of obtaining the final tabulation.

9. The Board of Supervisors will not impose the assessment and establish the district, if business owners representing a majority of assessments to be collected vote against formation of the District.
10. If tourist hotels representing at least 50% of the total estimated assessments proposed to be levied on all tourist hotels in the District cast ballots, and at least two-thirds of the returned

weighted ballots are in favor of the formation of the District and levy of assessments, the Board of Supervisors will vote on whether to establish the District and levy the assessments. A majority vote of the Board of Supervisors is required to establish the District and levy the assessments.

11. The "Weight" calculated for the ballot election is determined by the assessment each tourist hotel will pay into the district compared to the total assessments estimated to be collected in year one. Year one maximum assessment collection estimates are based on 12 months of projected collections at the assessment formula of 1.25% and 0.3125% for tourist hotels located in Zones 1 and 2 respectively, calculated on the assessable gross room revenue from tourist rooms of calendar year 2011 as reported by hotels. The City will tabulate the petition and ballot results and will assign a "weight" to each hotel based on its calendar year 2011 assessable gross room revenue from tourist rooms in relation to its portion of the total MED assessment.

B. A Revised Confidential Estimate of Assessment for your hotel is also enclosed, for your information and review.

1. A Revised Confidential Estimate of Assessment for your hotel from the City Treasurer and Tax Collector is also enclosed for your information and review; this Revised document replaces the Confidential Estimate mailed to you on December 7, 2012 (which inadvertently utilized an incorrect assessment rate for the calculation).
2. The estimated year one assessment for your business is based on 2011 gross revenue from tourist rooms as reported to the Treasurer/Tax Collector by hotels.
3. DO NOT return this Revised Confidential Estimate of Assessment with your hotel's completed Revised/Replacement Affidavit of Identification and Duplicate Ballot.
4. The correct assessment rate formula was described in the Moscone Expansion District Management Plan and related documents mailed to your hotel on December 7, 2012, including the "Notice of Public Meeting & Public Hearing and Assessment Ballot Proceeding," as follows:

Zone 1:

- With respect to gross revenue from tourist rooms generated during the period beginning with commencement of the assessment through December 31, 2013, the assessment shall be 0.50% of gross revenue from tourist rooms.
- With respect to gross revenue from tourist rooms generated beginning January 1, 2014 until the termination of the District, the assessment in Zone 1 shall be 1.25% of

Zone 2:

- With respect to gross revenue from tourist rooms generated during the period beginning with commencement of the assessment until the termination of the District, the assessment shall be 0.3125% of gross revenue from tourist rooms.

Annual revenues generated from assessments will fluctuate over the life of the District based on actual gross revenues from tourist rooms, subject to the maximum assessment set forth in the Management District Plan.

5. The District shall include all tourist hotels operating in the City & County of San Francisco that generate revenue from tourist rooms, and which are located in the following geographic areas:

Zone 1: Tourist hotels with addresses:

- On or east of Van Ness Avenue
- On or east of South Van Ness Avenue, and
- On or north of 16th Street from South Van Ness to the Bay, including all tourist hotels east of Van Ness Avenue as if it continued north to the Bay, and north of 16th Street as if it continued east to the Bay.

Zone 2: Tourist hotels with addresses:

- West of Van Ness Avenue and South Van Ness Avenue, and
- South of 16th Street.

A map of the District and a list of existing tourist hotels within the District are set forth in the Management District Plan. Because this is a business-based District, tourist hotels that open for business within the District in the future will also be subject to the assessment.

6. The proposed activities and improvements for the District to be funded with district assessments include:

- Planning, design, engineering, entitlement, construction, project management and related services for expansion of the Moscone Convention Center, including related payments for any bond, financing lease (including certificates of participation) or similar obligations of the City. The proposed Project improvements are estimated to cost up to \$500 million.

- Funding of a Moscone Convention Center Incentive Fund, which will be used to attract significant meetings, tradeshows and conventions to San Francisco via offset of rental costs.

- Funding of a Moscone Convention Center Sales & Marketing Fund to provide increased funding for sales and marketing of convention business, with a focus on generating increased revenues for hotels that pay the assessment.

- Funding a Capital Improvements and Renovations Fund, including funding for future upgrades, expansion, renovation, and capital improvements to the Moscone Convention Center.

- Allocation of funds to pay for District formation, operation and administration, and to establish and maintain a contingency reserve.

C. Further Notice of Board of Supervisors Public Meeting January 23, 2013 and Public Hearing February 5, 2013.

1. The Board of Supervisors will hold a Public Meeting on the proposed establishment of Moscone Expansion District and levy of assessments on January 23, 2013 at 11:00 a.m., or as soon thereafter as the matter may be heard, at the Board's Budget & Finance Committee, in the Legislative Chamber, Room 250 City Hall, One Dr. Carlton B. Goodlett Place, San Francisco, CA 94102. At this Public Meeting the Board Committee will hear testimony regarding the proposed assessment district and levy of assessments. 2. The Board of Supervisors will hold a Public Hearing on the proposed establishment of Moscone Expansion District and levy of assessments at 3:00 p.m. on February 5, 2013 or as soon thereafter as the matter may be heard, in the Board's Legislative Chambers, Room 250 Second Floor, City Hall, One Dr. Carlton B. Goodlett Place, San Francisco, California, 94102. At this Public Hearing, the Board will hear testimony regarding the proposed assessment district and levy of assessments.
3. In accordance with Section 67.7-1 of the San Francisco Administrative Code, persons who are unable to attend the Public Meeting or Public Hearing on this matter may submit written comments to the City prior to the time the Public Meeting or Public Hearing begins. Written comments should be addressed to Angela Calvillo, Clerk of the Board, San Francisco Board of Supervisors, Room 244, City Hall, 1 Dr. Carlton B. Goodlett Place, San Francisco, California, 94102.
4. The reason for the Public Meeting and Public Hearing and balloting is to consider and possibly establish a Business Improvement District to be known as the "Moscone Expansion District" and levy a multi-year assessment on defined tourist hotel businesses in the district. The annual assessments would last for 32 years.

The boundaries of the proposed Moscone Expansion District, Zone 1 and Zone 2, and further information regarding the district's proposed activities, improvements, management, maximum assessments, and anticipated financing structure, are described in the Board of Supervisors "Resolution of Intention--Moscone Expansion Business Improvement District" (Resolution No.416-12) and in the MED Management District Plan, as mailed to your hotel December 7, 2012.

10 RESOLVED, That the Board of Supervisors declares as follows:
11

12 Section 1. Pursuant to Section 36621(a) of the Law and Article 15, the Board of
13 Supervisors declares its intention to form a property and business improvement district to be
14 designated as the "Moscone Expansion District " ("MED" or "District"), and to levy and collect
15 and enforce assessments against all defined hotel businesses in the District, for a period of
16 32 years from the Commencement Date.
17

18 Section 2. Boundaries and Zones. The exterior boundaries of the District and the
19 Zones within the District are as set forth in the map contained in the Management District
20 Plan dated September 25, 2012 as updated November 14, 2012, on file with the Clerk of the
21 Board of Supervisors in File No. 120989, which is hereby declared to be a part of this
22 Resolution as if set forth fully herein; the exterior boundaries of the District, and the Zones
23 within the District, are described as follows:

- 24 • The District includes all hotels generating revenue from tourist rooms that operate
25 in the City and County of San Francisco during the term of the District, and so the

1 exterior boundaries of the District are the same as the contiguous boundary of the
2 municipal corporation City and County of San Francisco.

- 3 • These hotels are divided into two zones – Zone 1 and Zone 2:
- 4 -- Zone 1 includes all tourist hotels with addresses on or east of Van Ness
5 Avenue, on or east of South Van Ness Avenue, and on or north of 16th Street
6 from South Van Ness to the Bay, including all tourist hotels east of Van Ness
7 Avenue as if it continued north to the Bay, and north of 16th Street as if it
8 continued east to the Bay.
 - 9 -- Zone 2 includes all tourist hotels with addresses west of Van Ness Avenue
10 and South Van Ness Avenue, and all tourist hotels south of 16th Street.

11 Reference should be made to the detailed map and the description and list of
12 businesses in the Management District Plan, in order to determine which hotels are in which
13 zone.

14
15 Section 3. Activities, Improvements, and District Management.

16 A. The proposed activities and improvements for the District include several
17 components:

- 18 • Planning, design, engineering, entitlement, construction, project management and
19 related services for expansion of the Moscone Convention Center, including
20 related payments for any bond, financing lease (including certificates of
21 participation) or similar obligations of the City. The proposed Project
22 improvements are estimated to cost up to \$500 million.
- 23 • Funding of a Moscone Convention Center Incentive Fund, which will be used to
24 attract significant meetings, tradeshow and conventions to San Francisco via
25 offset of rental costs.

- 1 • Funding of a Moscone Convention Center Sales & Marketing Fund to provide
2 increased funding for sales and marketing of convention business, with a focus on
3 generating increased revenues for hotels that pay the assessment.
- 4 • Funding of ~~capital improvements and renovations~~ a Capital Improvements and
5 Renovations Fund, including ~~a capital reserve fund to cover~~ funding for future
6 upgrades, expansion, renovation, and capital improvements to the Moscone
7 Convention Center.
- 8 • Allocation of funds to pay for District formation, operation and administration, and
9 to establish and maintain a contingency reserve.
- 10 ~~Funding of expenses for additional development and implementation of future~~
11 ~~phases of the expansion Master Plan, if there are funds available in excess of~~
12 ~~those needed for Phase One.~~

13 B. The District will be managed by the San Francisco Tourism Improvement District
14 Management Corporation, a 501c(6) non-profit corporation (SFTIDMC), the same
15 organization that manages the San Francisco Tourism Improvement District (TID). The
16 California Property and Business Improvement District Law of 1994 (Streets and Highways
17 Code §§36600 et seq.), provides that such owners' association may manage the District.

18

19 Section 4. Financing. It is anticipated that in connection with financing all or a portion
20 of the District's activities and improvements, the City will issue, or cause to be executed,
21 bonds, financing lease (including certificates of participation) or similar obligations
22 (collectively, "Bonds"), and that District funds will be used in furtherance of repayment of
23 those obligations; it is expected that the ~~first~~ bonds or other debt will be issued in ~~2016~~ 2017
24 to fund such expansion-related activities and improvements.

25

1 A. The District will partially fund the repayment of the Bonds, and City contributions
2 will partially fund repayment of the Bonds.

3 B. Subject to approval of the Board of Supervisors, the City will commit the following
4 towards repayment of Bonds issued in connection with this estimated \$500 million Project:

- 5 • Contribution of \$8.2 million in fiscal year 2019 with an increase of 3% per year
6 through fiscal year 2028 up to a cap of \$10.7 million, with a continuing
7 contribution of no less than \$10.7 million per year for the remainder of the
8 term of the District (the City's "Base Contribution").
- 9 • In addition, the City will fund shortfalls in any given year for purposes of debt
10 service, which will be repaid from surpluses in MED assessments, as detailed
11 in the Management District Plan.
- 12 • For purposes of this Project, "shortfall" means a fiscal year's debt service not
13 covered by (i) the MED allocation to debt, plus (ii) the City's \$8.2 million -
14 \$10.7 million contribution.

15 C. The City will collect MED revenues from hotels, withhold funds from those revenues
16 allocated to Development Activities in the Plan necessary to pay debt service, fund the
17 Stabilization Fund and Sinking Fund, fund repayment of the City's contribution toward shortfall
18 in debt service costs from prior years, and transfer to the MED the portion of revenue per the
19 allocation outlined in the Management District Plan.

20 D. For purposes of this plan, "Surpluses" mean any excess MED revenue allocated to
21 Development Activities in the Plan that are not needed to fund the MED contributions toward
22 debt service, i.e., excluding the City Contribution toward debt service. Surpluses shall be
23 applied as follows:

- 24 • To fund a Stabilization Fund of up to \$15,000,000, to be drawn upon in any
25 year when lower than expected MED collections cause MED's contributions

1 toward debt service to be lower than the sum set forth in cash flow projections
2 with respect to the debt service for the Project:

- 3 • To fund a Sinking Fund in an amount equal to annual debt service beyond
4 expiration of the District term less City Contribution;
- 5 • To the City as repayment for the City's contribution toward shortfall in debt
6 service costs from prior years, i.e., City contributions, if any, in excess of the
7 City's Base Contribution as outlined above;
- 8 • To the MED to fund future development, expansion, renovation, and capital
9 improvements to the Moscone Center Campus.

10 E. As confirmed in the Management District Plan, the City owns the existing Moscone
11 Convention Center, and will also own the expanded Moscone Convention facilities and
12 improvements financed by District and City funds.

13
14 Section 5. Assessments. The annual assessment proposed to be levied and
15 collected for the first full year following commencement of the District is estimated at
16 ~~\$21,045,500~~ \$19,332,000. The amount of the annual assessment to be levied and collected
17 for Year Two through Year Thirty-Two (32) may increase or decrease annually according to
18 the gross revenue from tourist rooms. The total maximum assessment that could be
19 collected for Years One through Thirty-Two (32) of the District is ~~\$6,458,235,000~~
20 \$5,766,814,000.

21
22 Section 6. Term. The term of the District will be 32 years after the Commencement
23 Date; the Commencement Date will be the initial date when the assessment levy will be
24 imposed on tourist room revenue, which will be the later of (1) July 1, 2013, or (2) the first
25 day of the calendar quarter after a final judgment is entered by a court validating the

1 issuance of City indebtedness for the Moscone Expansion Project, and related establishment
2 of the District and levy of the assessments;

3

5 Management District Plan dated September 25, 2012 as updated November 14, 2012
6 (including its Appendices), including the estimates of the costs of the business-related
7 activities and improvements set forth in the Plan, and the assessment of said costs on the
8 businesses that will benefit from such activities and improvements; a copy of the
9 Management District Plan dated September 25, 2012 as updated November 14, 2012
10 (including its Appendices) is on file with the Clerk of the Board of Supervisors in File No.
11 120989, which is hereby declared to be a part of this Resolution as if set forth fully herein; the

16
17 Section 8. Ballot Election. The City's Department of Elections shall conduct a ballot
18 election of the defined hotel businesses. Ballots shall be weighted according to the
19 proportional financial obligation of each affected hotel business, in relation to the total
20 proposed assessments for the District, calculated as provided in the Management District
21 Plan dated September 25, 2012 as updated November 14, 2012.

22
23 Section 9. Voting. If hotels representing at least 50% of the total estimated
24 assessments proposed to be levied on all hotels in the District cast ballots, and at least two-
25 thirds of the returned weighted ballots are in favor of the formation of the District and levy of

1 assessments (which will also mean there is no majority protest pursuant to Streets and
2 Highways Code §36623(b)), the Board of Supervisors may vote on whether to establish the
3 District and levy the assessments.

4
