Yellow zones should be a minimum of 22 feet at the far-side of an intersection to accommodate smaller delivery vehicles, but 44 or more feet is preferred. Mid-block yellow zones must be at least 44 feet in length. Yellow zones can consist of multiple separate metered spaces adjacent to each other, with larger trucks extending across two or more spaces. Like white zones, yellow zones work best when at the far-side of an intersection or other clear space and worst in the middle of the block surrounded by regular parking spaces.

EFFECTIVE HOURS

Yellow zone hours vary widely, but the most common hours are 7am, 8am, or 9am to 6pm, Monday through Friday or Saturday. Hours should be based on delivery needs of surrounding businesses, which can be determined through surveys and video-based data collection. Some busier areas may have deliveries extending into the evening and on Sundays, in which case yellow zones can be in place at all times. Yellow zones can be metered during standard meter hours but remain in effect without requiring meter payment at all other times.

SIGNAGE AND PAINT

In addition to yellow paint, yellow zones should be indicated by overhead pole signage. Six-wheel truck zones can be distinguished by removing any curb color and using only signage to indicate the regulation.

SIX-WHEEL TRUCK ZONES

Six-wheel truck zones should be considered in areas with high commercial loading demand where it is especially important to ensure availability of curb spaces for larger trucks. They should be located adjacent to regular commercial loading zones where possible to ensure other delivery vehicles have a place to load and do not block the truck zone.

Ex. ISO Letter to City's Valencia Corridor Team - Page 135

Short-term parking

Green zones are for short-term parking. The SFMTA usually paints the curb green at green zones in unmetered areas while marking them only with a green cap on the meter in metered areas. Unmetered green zones have a ten-minute time limit while metered green zones have 15- or 30-minute limits.

SITING

Green zones should be located close to businesses or institutions with short-term parking needs. These include restaurants with substantial take-out service, drugstores, and laundromats.

EFFECTIVE HOURS AND TIME LIMITS

Historically, green zones have been in effect 9am-6pm, Monday through Saturday, during standard metered hours. However, demand for short-term parking in many areas peaks in the evening and weekend. In these areas, staff should consider extending green zones to 9pm or 10pm, daily.

Green zones in metered areas should generally have a 15-minute time limit to encourage turnover and reduce the chances for abuse (as it is more difficult to feed the meter every 15 minutes than every 30). However, in certain situations where green zones are serving a location like the post office where people may take longer, a 30-minute limit is acceptable.

SIGNAGE AND PAINT

Projects should consider installing signage and/or paint at green zones, including those with meters, if project funding allows to help clarify the regulations and direct people to them. This is

970-9999
TOWN
TAXI
SAN FRANCISCO TAXICAB

particularly important at green zones that extend beyond the standard meter hours.

Taxi stands

Taxi stands allow taxis to wait for passengers with no time limit, and do not allow any other vehicles to stop. They should be considered near major attractors like stadiums, transit hubs, and hotels, and may be located adjacent to passenger loading zones to ensure other vehicles do not use the taxi stand. They should be painted white with a "taxi stand" stencil and clear signage indicating the zone is for taxis only.

Red zones

DAYLIGHTING

Projects should install visibility red zones at the approach to intersections, particularly those on the San Francisco High Injury Network, based on daylighting guidelines. Exact length of visibility red zones should be determined by a traffic engineer but are generally 10 feet at stop signs and 20 feet and signalized intersections.

Multi-use zones

PASSENGER AND COMMERCIAL

In areas with higher passenger loading demand in the evening, projects can create "dual-use" zones, allowing commercial loading at certain hours and passenger loading at other hours. These should be painted white and marked with clear signage.

PASSENGER AND SHORT-TERM PARKING

Passenger loading zones can be combined with short-term parking (green zones). This is only recommended in places with high passenger loading demand during the evening adjacent to daytime-only uses that require short-term parking, such as laundromats and post offices. These should be marked by white paint on the curb and clear overhead signage, along with a green cap on the meter if it is a metered space.

BUS ZONE AND OTHER USE

In some locations, a Muni zone may only be needed at certain hours and can be available for other uses at other times. Usually, these zones have been designated as general parking spaces outside of bus zone hours and have been marked by alternating red and black paint on the curb. Signage and paint for mixing a bus zone with another use, such as passenger or commercial loading, should be evaluated on a case-by-case basis.

Public Works Order No: 205516

PUBLIC WORKS REGULATIONS FOR SIDEWALK AND PARKING LANE OCCUPANCY UNDER THE SAN FRANCISCO SHARED SPACES PROGRAM

I. PURPOSE:

The Shared Spaces Program has been a critical part of the City's crisis response strategy to sustain the locally-owned small business sector in San Francisco. Due to widespread success throughout the City's neighborhoods, the City passed Ordinance 99-21 to make the Shared Spaces Program permanent. The legislation describes the elements of the program, including carrying forward the stream-lined permitted program; encouraging arts & culture; and better balancing commercial activities with public space and transportation demands in the recovering economy.

This Public Works Order implements the requirements outlined in the legislation establishing the permanent Shared Spaces Program, and in the event of a conflict, the legislation shall control. This Order clarifies that Café Tables & Chairs and Display Merchandise permit applications shall be processed under the Shared Spaces Program and are subject to pre-existing requirements and design guidelines set forth by Public Works Code and corresponding Public Works Orders.

As used in this Order, the term "Program Requirements" shall mean the requirements of the Shared Spaces legislation, this Order, the Shared Spaces Manual, the SFMTA's Shared Spaces Curbside and Roadway Regulations, Public Works Order No(s). 183,188 (Café Tables & Chairs), 166,458 (Display Merchandise), and 200,889 (Non-Commercial Sidewalk Use), and any successor versions of these documents. The term "parking lane" is defined as that portion of the roadway closest to the curb, and as used in the Order and corresponding Shared Spaces documents, the terms "curbside" and "parking lane" are used interchangeably.

This new Public Works Order replaces and supersedes Public Works Order No. 203,904 in order to establish additional requirements and design guidelines for permittees to conditionally utilize space within the public right-of-way.

II. SHARED SPACES PERMIT TYPES ISSUED BY PUBLIC WORKS:

Public Works will review applications for the following permit types to be issued under the Shared Spaces Program:

a. **Sidewalk Shared Spaces:**
   i. **Cafe Tables & Chairs:** Movable outdoor seating on the sidewalk for commercial use during business hours, subject to Public Works Order No. 183,188.
   ii. **Display Merchandise:** Movable displays on the sidewalk for retail use during business hours, subject to Public Works Order No. 166,458.

DocuSign Envelope ID: B1ECB16F-87C4-45EA-B95D-B140A9EA3776

iii. **Non-Commercial Use:** Public seating and other activations. Other uses of the sidewalk space must abide by applicable requirements set forth in Public Works Order No. 200,889.

b. **Parking Lane Shared Spaces (Parklets):**
   i. **Tier 1 – Public Parklets:** Parklets installed and designated for public use only.
   ii. **Tier 2 – Movable Commercial Parklets:** Movable fixtures placed in the parking lane principally for commercial use during business hours. All fixtures must be removed from the public right-of-way outside of business hours. When the Movable Commercial Parklet is not being activated for commercial use, it is open to the public.
   i. **Tier 3 – Fixed Commercial Parklets:** Fixed structures placed in the parking lane for commercial use during business hours. These fixed structures are then open to the public during non-commercial hours.

III. PERMIT APPLICATION SUBMITTAL PROCESS:

To apply to use sidewalk and/or the parking lane space under the Shared Spaces Program, applicants shall use the City's interagency online portal and submit an application that complies with the Program Requirements. Applicants must provide all required application information to be considered for a permit. This information shall include the following:

a. Applicant's contact information.
b. Name of the business, organization, or entity using the sidewalk space and/or parking lane.
c. The location of the proposed Shared Space and general information about the establishment.
d. The proposed use of the sidewalk or parking lane space.
e. Proof that the applicant complies with the following insurance requirements:
   i. General liability insurance throughout the term of the permit in the amount of at least $1,000,000 per occurrence/$2,000,000 in the aggregate to respond to claims made against the City and County of San Francisco (e.g. an additional insured endorsement in favor of the City).
   ii. A waiver of subrogation for workers compensation insurance in favor of the City & County of San Francisco.
f. Certification that the permittee will comply with all applicable health officer orders and requirements.
g. Photographs at various angles of the site location, including utilities and existing sidewalk and curbside space conditions, etc. Public Works staff may request for additional photographs to supplement review.
h. An initial site plan showing the proposed or existing layout for the Shared Space (e.g. parklet design); existing conditions of the sidewalk and parking lane space; locations of and proximity to all surface obstructions (i.e. tree wells, utility poles, etc.); clearances for the pedestrian path of travel; etc. The site plan must include the footprint of the proposed area of occupancy and all sidewalk and street elements, showing at least 20 feet on both sides.
   i. **Sidewalk:** Site plan must follow requirements listed in Public Works Order No. 183,188 for Cafe Tables & Chairs permits and Public Works Order No. 166,458 for Display Merchandise permits.

DocuSign Envelope ID: B1ECB16F-87C4-45EA-B95D-B140A9EA3776

ii. **Parking Lane:** Site plan must use the template provided by Public Works, along with completion of a checklist for additional requirements.

i. Signed letter(s) with written permission from any neighboring property owner and/or tenant, authorizing occupancy of their frontage. Written permission must be granted in the form of a completed template, as prescribed by Public Works.

i. **Sidewalk –** ***If the Shared Space would extend beyond the applicant's frontage, then for each neighboring frontage where the Shared Space extends, the applicant must submit proof of consent as follows:***

1. For buildings with multiple ground floor tenants, written permission must be obtained from the ground floor tenants in the units directly fronting the sidewalk space proposed to be used as a Shared Space.
2. In cases where there is no ground floor tenant fronting the sidewalk space proposed to be used as a Shared Space, written permission from the fronting property owner/designee is required.

ii. **Parking Lane -** ***If the Shared Space would extend into half of or more of a marked parking space, or any portion of an unmarked parking space beyond the applicant's frontage, then for each such parking space, the applicant must submit proof of consent as follows:***

1. For buildings with multiple ground floor tenants, written permission must be obtained from the ground floor tenants in the units directly fronting the parking lane proposed to be used as a Shared Space.
2. In cases where there is no ground floor tenant fronting the parking lane proposed to be used as a Shared Space, written permission from the fronting property owner/designee is required.
3. Exceptions apply for unmarked parking spaces or other special circumstances.

j. Consent to all terms and conditions of the permit, including indemnification.

k. Applicant may be required to submit additional documentation if necessary or requested by Public Works staff.

IV. PERMIT APPLICATION - REVIEW PROCESS:

Sidewalk:

a. After the application is submitted for sidewalk occupancy, a Department-designated staff member will review the application to verify site eligibility.

b. If Public Works verifies that the proposed site is eligible for sidewalk occupancy, and accepts the proposed site plan, Public Works shall direct the applicant to post public notice (detailing the location and proposed scope of occupancy). The public notice shall be posted by the applicant at the business location for ten (10) calendar days to allow for public comment. The applicant must provide proof of posting by submitting photographs to Public Works.

c. If no objections are received during the 10-day public notification period and all other requirements have been met, Public Works will approve and issue the applicant a Shared Spaces permit for sidewalk occupancy. If there are unresolved objections from the public during the 10-day public notification period, Public Works will proceed with scheduling a public hearing. Following the public hearing, the Public Works

DocuSign Envelope ID: B1ECB16F-87C4-45EA-B95D-B140A9EA3776

Director will issue a decision to approve, conditionally approve, or deny the permit application.

Parking Lane:

a. If the applicant submits an application for parking lane occupancy, a San Francisco Municipal Transportation Agency (SFMTA) or an SFMTA-designated staff member will review the application to verify site eligibility with the Program Requirements.
b. Once SFMTA has determined that the site is eligible for parking lane occupancy, the application will move to Public Works for review.
c. If Public Works accepts the proposed site plan, Public Works shall direct the applicant to post public notice (detailing the location and proposed scope of occupancy) will be provided to the applicant. The public notice shall be posted by the applicant at the business location for ten (10) calendar days. The applicant must provide proof of posting by submitting photographs to Public Works.
    i. **Notice to Neighboring Properties:** In cases where the Shared Space would occupy any portion of a ***marked parking space or unmarked parking space*** fronting a neighboring building, the applicant must provide direct notice to the tenant during the 10-day public notification period. If there is no tenant, the notice shall be provided to the property owner.
d. Public Works will approve and issue the applicant a Shared Spaces permit once the 10-day public notification period has been completed and all other requirements have been met.

V. GUIDELINES FOR OCCUPANCY OF SHARED SPACES:

Sidewalk:

a. Permittee may occupy sidewalk space in front of, or adjacent to, their establishment, for outdoor seating, displaying merchandise while the establishment is open, or non-commercial purposes consistent with the Program Requirements.
b. Permittee's sidewalk occupancy must abide by the following guidelines:
    i. The permittee shall display a copy of the permit during hours of operation.
    ii. **Site Layout & Minimum Clearances:**
        a. Permittee must maintain a continuous 8-foot minimum width pedestrian path of travel clear of obstructions at all times throughout their permitted area. Locations where an 8-foot clearance is not feasible will be reviewed by Public Works staff on a case-by-case basis and subject to a 6-foot minimum clearance requirement.
        b. Sidewalk occupancy shall not encroach into curb returns or mid-block crossings, nor obstruct curb ramps, driveways, building entrances, or entrance access control systems, with an 8-foot clearance maintained where physically feasible at all times.
        c. At no time can sidewalk occupancy obstruct emergency facilities (including, but not limited to fire hydrants, standpipes, red zones, alarms, fire escapes, etc.). Written permission must be obtained from the San Francisco Fire Department for sidewalk occupancy within 4 feet of fire safety structures. For fire escapes, the 4-foot clearance

DocuSign Envelope ID: B1ECB16F-87C4-45EA-B95D-B140A9EA3776

must be maintained from the extension of the fire safety structure as if it were to be deployed in the case of an emergency.

d. Permittee must comply with all existing applicable parking and curb regulations as approved by SFMTA and shall not obstruct sidewalk area adjacent to bus stops, blue curbs (accessible parking), and/or white curbs (passenger loading zones).

e. Permittee must provide adequate clearances to adjacent bus zones and transit stops, as outlined in the SFMTA's Shared Spaces Curbside and Roadway Regulations. Bus stop zones must remain clear of furniture and all other elements of the sidewalk area. No elements shall be placed within 10 feet of a bus shelter.

iii. **Occupancy of Neighboring Sidewalks**: If the Shared Space extends beyond the applicant's frontage, then for each neighboring frontage where the Shared Space extends, the applicant must maintain proof of consent as follows:

a. For buildings with multiple ground floor tenants, written permission must be obtained from the ground floor tenants in the units directly fronting the sidewalk space proposed to be used as a Shared Space.

b. In cases where there is no ground floor tenant fronting the sidewalk space proposed to be used as a Shared Space, written permission from the fronting property owner/designee is required.

iv. **Additional Requirements in Shared Spaces Manual:**

a. Hanging or overhead objects, including umbrellas or canopies, must have a clearance of at least 7 feet (or 84 inches) from the ground. Objects must maintain at least a 1-foot clearance from the curb.

b. Any umbrellas or canopies must be consistent with the Department of Public Health guidance on outdoor structures. https://www.sfdph.org/dph/files/ig/Guidance-Shared-Outdoor-Spaces.pdf.

c. Food trays or carts, receptacles for dirty dishes, trays or carts for linen and utensils, and cooking appliances shall not be placed or stored on any portion of the sidewalk area.

d. Any use of a portable heater, portable generator, candles, open flame or any activity regulated by Fire Code must be approved by the San Francisco Fire Department separately from this provisional permit. Please refer to the **Fire Safety** section in the Shared Spaces Manual for additional guidelines.

e. Electric heaters may be used if applicant obtains an adequate electrical permit from the Department of Building Inspection: https://dbiweb02.sfgov.org/dbi_electrical/.

v. Any furniture or other objects must be removed from the sidewalk at the close of business every day.

vi. No permanent fixtures may be placed within the sidewalk space. For clarity, this includes parklets.

1. At no time may elements of the Sidewalk Shared Space be bolted or affixed in any way to the sidewalk, roadway, or any structure (including but not limited to buildings, fire hydrants, street trees, streetlight or traffic poles, etc.).

DocuSign Envelope ID: B1ECB16F-87C4-45EA-B95D-B140A9EA3776

2. Encroachments in the public right-of-way may require additional permits and fees, as determined by Public Works.

c. Permittee occupying the sidewalk for the purposes of *outdoor seating/dining* must abide by the following *supplemental* guidelines:
   i. The permittee must utilize diverters on each side of the sidewalk seating area to guide pedestrians around the occupied space. The diverters must be:
      1. At least 30 inches high, 12 inches wide, and 24 inches long/deep.
      2. Solid within at least 24 inches off the ground.
      3. Sturdy, stable, and heavy enough so they cannot tip over or be blown away by the wind.
      4. Distinctly visible to the visually impaired with contrasting colors.
      5. Removable after business closure every day. Diverters may not be fixed to the sidewalk or face of the building.
      6. Flush with the building at approximately 90 degrees.
      7. Free of advertising.
   ii. The objects within the sidewalk seating area may not extend beyond the depth of the diverters and onto the pedestrian path of travel at any time.
   iii. The permittee must provide at least one (1) accessible table available for wheelchair users within the permitted sidewalk area, meeting the following requirements:
      1. Be between 28 to 34 inches high.
      2. Have at least 27 inches of space from the floor to the bottom of the table.
      3. Provide 30-inch-wide knee and toe clearance that extends at least 19 inches under the table.
      4. Have a total clear floor space of 30 inches by 48 inches per seat.
      5. Be located a minimum distance of 4 feet to the nearest obstruction.
      6. Have a label displaying the International Symbol of Accessibility.
      7. Maintain an accessible route to the table.
   iv. Trash, recycling, and compost bins must be provided within the permitted sidewalk area if space allows. These bins shall be brought inside the establishment at the close of business every day.
   v. Tables and chairs on sidewalks with a greater than 5% slope may be subject to additional staff review or operational requirements.
   vi. No alterations may be made to the public sidewalk, including stickers or spray paint, other than social distancing markings. Any markings must be in accordance with Public Works Order 203,240.
   vii. Permittee must maintain the quiet, safety, and cleanliness of the sidewalk space and its adjacent area (100-foot radius), in accordance with standards set forth in the Public Works Good Neighbor Policy.

Parking Lane:

a. Permittee may occupy the parking lane in front of, or adjacent to, their establishment for seating, dining, retail use, or non-commercial (community-serving) use, subject to the Program Requirements.
b. Permittee's parking lane occupancy must abide by the following guidelines:
   i. The permittee shall display a copy of the permit during hours of operation.
   ii. **Site Layout & Minimum Clearances:**

DocuSign Envelope ID: B1ECB16F-87C4-45EA-B95D-B140A9EA3776

1. Permittee must comply with all existing applicable parking and curb regulations, as approved by SFMTA and outlined in the SFMTA's Shared Spaces Curbside and Roadway Regulations.
2. Permittee shall not obstruct access to bus zones, passenger loading zones, blue accessible parking spaces, red zones, active driveways, or impede the free flow of traffic including bicycle lanes while installing, repairing/modifying, or removing their Shared Space.
3. At no time can occupancy obstruct emergency facilities (including, but not limited to, fire hydrants, red zones, alarms, fire escapes, etc.). Written permission must be obtained from the San Francisco Fire Department for parking lane occupancy within 4 feet of fire safety structures. For fire escapes, the 4-foot clearance must be maintained from the extension of the fire safety structure as if it were to be deployed in the case of an emergency.
4. Occupancy shall not obstruct or block any underground and surface utilities, including but not limited to: utility poles, gas valves, manhole covers, air release valves, waste water systems, and catch basins. All elements in the parking lane must allow for access to public utilities for maintenance and repairs (i.e. provide access panels, removable pavers, modular design). Additional review and approval from utility companies may be required.

iii. **Obligation to Remove/Modify Parklet:**

1. At any time, as necessary for any City project or maintenance work, Permittee must remove, store, and/or modify the parklet, at their own cost and return the right-of-way to a condition that the Director deems appropriate within 15 days of receiving notice from the City, although the Director of Public Works may require removal, storage, or modification of the Shared Space in a shorter time period where the Director of Public Works determines that an emergency or other threat to public health or safety exists, or finds that any delay would result in extraordinary cost to the City.
2. Such work includes, but is not limited to: transit vehicles, street paving or striping, utility work, access to underground and surface utilities, overhead lines, or other work requiring access for duration of construction and/or maintenance.

iv. **Public Access:** When the Movable Commercial Parklet or Fixed Commercial Parklet is being activated for commercial use, Permittee must provide public seating, which is accessible to persons who are not patrons of the business. Such public seating shall include at least one public bench or other seating arrangement for every 20 linear feet of Curbside Shared Space, or per subdivided section of a Curbside Shared Space. When a Parklet is not being activated for commercial use, it is open to the public.

v. **Occupancy of a Neighboring Parking Lane:** If the Shared Space extends into half of or more of a neighboring parking space, or any portion of an unmarked parking space beyond the Permittee's frontage, then for each such parking space, the Permittee must maintain proof of consent as follows:

DocuSign Envelope ID: B1ECB16F-87C4-45EA-B95D-B140A9EA3776

1. For buildings with multiple ground floor tenants, written permission must be obtained from the ground floor tenants in the units directly fronting the parking lane proposed to be used as a Shared Space.
2. In cases where there is no ground floor tenant fronting the parking lane proposed to be used as a Shared Space, written permission from the fronting property owner/designee is required.
3. Occupancy of parking lane fronting a neighboring property is subject to additional review by SFMTA, including marked and unmarked parking spaces.

vi. **Additional Requirements in the Shared Spaces Manual:**

1. Permittees proposing to install structures in the parking lane shall comply with all requirements listed in the **Structural Integrity** section of the Shared Spaces Manual.
2. The following provisions apply to hanging or overhead objects, including umbrellas or canopies:
    i. Must have a clearance of at least 7 feet (or 84 inches) from the ground and cannot exceed 10 feet in overall height (including poles, posts, canopies, wires, string lights, signs, or pergolas) while still complying with the maximum 42-inch-high enclosure construction requirements.
    ii. If constructing a structure where Muni lines are present, the top of the structure (including any roof) must not be taller than 9 feet from the road surface.
    iii. Objects must maintain at least a 1-foot setback from the curb; no object may extend above or overhang onto the sidewalk.
    iv. Objects also may not extend any further than 7 feet perpendicular from the curb; conditions, such as diagonal parking, may further restrict this dimension.
    v. Any umbrellas or canopies must be consistent with the Department of Public Health guidance on outdoor structures. https://www.sfdph.org/dph/files/ig/Guidance-Shared-Outdoor-Spaces.pdf.
3. Food trays or carts, receptacles for dirty dishes, trays or carts for linen and utensils, and cooking appliances shall not be placed or stored on any portion of the curbside area.
4. Any use of a portable heater, portable generator, candles, open flame or any activity regulated by Fire Code must be approved by the San Francisco Fire Department separately from this provisional permit. Please refer to the **Fire Safety** section in the Shared Spaces Manual for additional guidelines.
5. Electric heaters may be used if applicant obtains an adequate electrical permit from the Department of Building Inspection: https://dbiweb02.sfgov.org/dbi_electrical/.
6. The elements listed above may not be stored within the public right-of-way – all elements must be removed from the Shared Space(s) at the close of business every day.

vii. All cables, cords, or wires used for Parking Lane Shared Spaces lighting and speakers shall be:

DocuSign Envelope ID: B1ECB16F-87C4-45EA-B95D-B140A9EA3776

1. Run at ground level and completely covered with approved ADA accessible cable ramps that do not exceed the allowable maximum 1:12 slope. Taping down or stringing overhead wires are not permitted for Movable Commercial Parklets. All cable ramps shall be removed from the sidewalk when not in active use.
2. Alternatively, overhead fixed lighting cords for Fixed Commercial or Public Parklets shall be plugged into a weather-proof electrical outlet installed on the exterior of the building at a minimum of 10 feet above the walking surface. No fixed objects shall be used to support the light's cord, which shall be able to be easily unplugged by fire department personnel. Additional reference material is available in the Shared Spaces Manual.

viii. No permanent fixtures may be placed within the public right-of-way; however, approved Public and Fixed Commercial Parklets may remain overnight in the public right-of-way continuously until permit expiration. Movable Commercial Parklets and all other associated furniture must be removed from the public right-of-way outside of the permitted hours of occupancy.
1. At no time may fixtures be bolted or affixed in any way to the sidewalk, roadway, or any structure (including but not limited to buildings, fire hydrants, street trees, streetlight or traffic poles, etc.).
2. Encroachments fixed to the public right-of-way may require additional permits and fees, as determined by Public Works.

ix. Permittee is responsible for ensuring proper protection of street trees and tree basins adjacent to their Parking Lane Shared Space in accordance with requirements established by the Bureau of Urban Forestry. Shared Spaces operators shall agree to provide water to newly planted trees adjacent to their permitted space whenever the Bureau of Urban Forestry requires that due to access limitations.

1. No tree shall be pruned without consent from the Bureau of Urban Forestry.

2. Subject to a voluntary agreement, consistent with Public Works Code, Section 805, permittee may take responsibility for maintaining street trees adjacent to their Parking Lane Shared Space.

3. If the installation of a Parking Lane Shared Space damages any street trees, permittee will be subject to any corrective actions or fines issued by the Bureau of Urban Forestry, which may include any associated costs.

c. Permittee occupying parking lane space for the purposes of outdoor *seating*/dining within a Movable Commercial Parklet must abide by the following *supplemental* guidelines:
i. The permittee must utilize roadway barriers surrounding the outdoor seating/dining area in the parking lane to protect those seated from vehicle traffic. The barriers must meet the following requirements:

DocuSign Envelope ID: B1ECB16F-87C4-45EA-B95D-B140A9EA3776

1. Have a railing 36 to 42 inches high with openings of no more than 4 inches wide.
2. Have cable or flexible rail with a solid rail at the top and a solid rail at the bottom. The bottom rail must be at least 5 inches high from the floor.
3. Sturdy and durable in nature with the ability to weather impact.
4. If the barriers have raised planters or built-in furniture, they must be at least 17 inches high and 12 inches wide.
5. The barriers must provide a 3-foot opening at least every 20 feet for emergency access, connected to a 3-foot-wide clear path of travel that is open to the sky from the street to the face of the building.
    - The sidewalk space between the curb and the building of each 3-foot-wide emergency access gap shall remain clear of overhead obstructions (i.e. string lights, canopies, decorations, heaters, wires, poles, etc.) at all times.
6. The proposed outdoor seating/dining area including the outer extent of the barriers must be 12 inches clear of any active traffic or bicycle lane, and 6 inches clear from the outer edge of any transit vehicle rail.
7. A continuous 6-inch x 6-inch minimum clear gutter space must be maintained along the entire length of the proposed outdoor seating/dining area to allow for curbside drainage flow.
8. The edges or corners of the barriers must be marked with high intensity retro-reflective tape or reflectors to be visible at night, from street grade to the top of the structure.
9. The address for each storefront or building where the outdoor dining area will be established shall be displayed at a height of 36 to 42 inches on the street-facing side (parallel to the curb) of the barriers and be readily visible for emergency responders. Address numbers shall be a minimum of 4 inches tall (5/8-inch-wide stroke) with black numbers on a white background.
10. Any barriers that are used for safety purposes must fit within the permitted scope of occupancy.

d. The permittee must provide at least one accessible table available for wheelchair users within the permitted parking lane area, meeting the following requirements:
    i. Be between 28 to 34 inches high.
    ii. Have at least 27 inches of space from the floor to the bottom of the table.
    iii. Provide a 30-inch-wide knee and toe clearance that extends at least 19 inches under the table.
    iv. Have a total clear floor space of 30 inches by 48 inches per seat.
    v. Be located a minimum distance of 4 feet to the nearest obstruction.
    vi. Have a label displaying the International Symbol of Accessibility.
    vii. Maintain an accessible route to the table.
e. Temporary ramps in the Public Right-of-Way, if required to maintain accessibility to the permitted parking lane area, shall comply with the slope requirements in the Curb Ramp Standard Plans, Sheet RX-4 and the California Building Code, Chapter B which are summarized as follows:
    i. 4-foot minimum clear ramp width.
    ii. 8.3% (1:12) maximum ramp running slope (slope parallel to direction of travel).
    iii. Clear level landing at top and bottom of the ramp (4-foot x 4-foot minimum).

DocuSign Envelope ID: B1ECB16F-87C4-45EA-B95D-B140A9EA3776

iv. Unobstructed accessible route from the pedestrian throughway path of travel of the sidewalk to the ramp.
v. Edge protection is required on each side of the ramp. A curb or barrier shall be provided that prevents the passage of a 4-inch diameter sphere. To prevent wheel entrapment, the curb or barrier shall provide a continuous and uninterrupted barrier along the length of the ramp.
vi. Ramp material shall be *firm, stable and slip resistant*. The ramp must be securely attached so it does not move or shift during use.
vii. Ramp may not encroach onto the required 8-foot clearance for the pedestrian path of travel on the sidewalk.

f. The **Parklet Specifications** listed below apply to both Public Parklets and Fixed Commercial Parklets.
   i. **Parklet Specifications:**
      1. **Boundary:** The parklet shall have a continuous rigid, physical boundary around the perimeter to provide a detectable separation between the Shared Space in the parking lane and vehicular traffic in the roadway. The physical boundary shall be a minimum of 42 inches high and 4 inches wide.
         - The boundary must include a 3-foot opening at least every 20 feet for emergency access, connected to a 3-foot-wide clear path of travel that is open to the sky from the street to the face of the building. The sidewalk space between the curb and the building of each 3-foot-wide emergency access gap shall remain clear of overhead obstructions (i.e. string lights, canopies, decorations, heaters, wires, poles, etc.) at all times.
         - Panels made of transparent materials like Acrylite, Plexiglass, plastic films, etc. may be installed above the 42-inch boundary height.
         - Panels must be secured, stable, and sturdy, and must comply with San Francisco Department of Public Health guidelines regarding airflow and other applicable health directives.
      2. The edges or corners of the physical boundary must be marked with high intensity retro-reflective tape or reflectors to be visible at night, from street grade to the top of the structure.
      3. The address for each storefront or building where the outdoor dining area will be established shall be displayed at a height of 36 to 42 inches on the street-facing side (parallel to the curb) of the structure and be readily visible for emergency responders. Address numbers shall be a minimum of 4 inches tall (5/8-inch-wide stroke) with black numbers on a white background.
      4. **Setbacks:** Parklets must maintain a 3-foot setback from each end of a marked parking space for parallel parking spaces, or a 3-foot setback on each end for angled or perpendicular spaces. Exceptions may be considered.
         - The parklet must maintain a minimum 12-inch clearance from the adjacent travel lane, or a 12-inch clearance from the outer edge of a marked parking space.

DocuSign Envelope ID: B1ECB16F-87C4-45EA-B95D-B140A9EA3776

5. **Width:** Parklets may occupy the full width of the parking lane (7 feet maximum) for parallel parking, and 14 feet maximum for angled or perpendicular parking. Exceptions may apply along rail, cable car, or other special cases that would necessitate reducing the width of the zone.
6. **Height:** No part of the parklet shall exceed 10 feet in height (including poles, posts, canopies, wires, string lights, signs, or pergolas) while still complying with the maximum 42-inch-high enclosure requirements above.
    - Canopies/roofs over parklets shall be installed at a height of 96-120 inches to help maintain visibility.
    - No canopies/roofs shall be permitted if adjacent sidewalk is less than 10-feet wide.
7. A minimum of 84 inches in height must remain clear of any obstructions along the sidewalk adjacent to the parklet, parklet entrance(s) and all areas on the parklet. Obstructions may include but are not limited to tree branches and foliage, overhanging sign panels on posts, and/or the applicant's addition of architectural elements to the parklet. Parklets must not obstruct overhead lines.
8. **Slope:** The cross slope on the parklet surface shall not exceed 2.0% in any direction.
    - If proposed on a street grade greater than 5.0%; additional design requirements and review may be required to make the parklet accessible to the maximum extent technically feasible as defined in the California Building Code.
9. **Threshold:** Deck or parklet must be flush with sidewalk and must not leave a gap greater than 1/2 inch, nor a vertical separation greater than 1/4 inch. One accessible entrance is required. If more than one entrance is provided, all shall be accessible and comply with the requirements of the California Building Code, Chapter 11B.
10. The platforms for parklets may not be poured concrete; mounted concrete pavers may be acceptable.
11. Parklets shall be required to have soft hit posts and wheel stops in accordance with the requirements outlined in the Shared Spaces Manual. These elements shall not extend beyond the permitted scope of occupancy in the parking lane.
12. The parklet shall be constructed of durable materials that can withstand the wear and tear of elements. Permittees must ensure that all structural elements of the parklet are in good condition.
    - The parklet surface material shall be firm, stable and slip resistant.
13. Parklets must allow for curbside drainage flow. A 6-inch x 6-inch minimum clear gutter space must be provided along the entire length of the proposed parklet. The perimeter of the parklet must be kept free of debris to ensure sufficient drainage occurs.
14. Permittees are responsible for maintenance and upkeep of any parklet structure. Sites must be kept free of debris and removable elements must be stored within the establishment after business hours.
15. No elements of the parklet may be built or placed on the sidewalk without a separate Public Works permit for sidewalk occupancy, with the

DocuSign Envelope ID: B1ECB16F-87C4-45EA-B95D-B140A9EA3776

exception of a ramp if necessary to maintain accessibility to the Shared Space.

16. Parklets must follow the angle/direction of the parking lane striping to ensure access to any available parking spaces adjacent to the permitted scope of occupancy.
17. Any elements used to secure the parklet between midnight and 7:00 AM must fit within the permitted scope of occupancy and meet all other applicable requirements and design guidelines listed in this Order.

ii. **Safety & Accessibility for Parklets:**

1. Parklets must allow pedestrians on either side of the street to maintain a visual connection to the street; as such continuous opaque walls shall not exceed 42 inches in height. Transparent materials like Acrylite, Plexiglass, plastic films, etc. may be used to separate tables or guard against wind in excess of 42 inches.
    - Panels must be secured, stable, and sturdy, and must comply with San Francisco Department of Public Health guidelines regarding airflow and other applicable health directives.
2. An accessible path of travel must connect the sidewalk to the accessible entry, deck surface, wheelchair turning space and wheelchair resting space. The entrance must be at least 48 inches wide for accessibility.
3. An accessible path of 48 inches in width must exist within the parklet. At least one accessible table is required. If an accessible table on a level surface (2% maximum slope in all directions) is provided in the sidewalk, an additional one is not required within the parklet structure. The Americans with Disabilities Act (ADA) requires 5% of seating for consumption of food and/or drink, but not less than one table, to be accessible.
4. Parklet shall support a live load of 100 pounds per square foot. Parklet boundary wall shall be designed to resist a load of 50 pounds per linear foot in any direction at a height of 42 inches above the Parklet surface. Additionally, the parklet boundary wall shall be designed to resist a single concentrated load of 200 pounds applied in any direction at a height of 42 inches above the parklet surface.
5. Where built-in dining surfaces such as counters or bars are provided for the consumption of food or drink, a portion of the main counter, 60 inches minimum in length, shall be installed as follows:
    - The top of the dining surface must be between 28 to 34 inches high.
    - Have at least 27 inches of space from the floor to the bottom of the counter.
    - Have a clear floor space of 30-inches by 48-inches positioned for a forward approach.
    - Maintain an accessible route to the counter.

g. Trash, recycling, and compost bins must be provided within the permitted parking lane area, if space allows. These bins shall be brought inside the establishment at the close of business every day.
h. Tables and chairs in the parking lane with a greater than 5% slope may be subject to additional staff review or operational requirements.

DocuSign Envelope ID: B1ECB16F-87C4-45EA-B95D-B140A9EA3776

i. No alterations may be made to the public roadway, including stickers or spray paint. Any markings must be in accordance with Public Works regulations.
j. Permittee must maintain the quiet, safety, and cleanliness of the parking lane space and its adjacent area (100-foot radius), in accordance with standards set forth in the Public Works Good Neighbor Policy.
k. In addition to these standards, permittees are also required to follow all updates to this Order, or other guidance applicable to the Shared Spaces Program.
l. Permittees are responsible for removing any installed elements due to either permit expiration, non-operation, or non-compliance.

VI. Permit Application and Renewal Fees:

a. Fees will be assessed consistent with Administrative Code Sections 94A.10 and 94A.12.
b. ***Fees for Sidewalk Shared Spaces are waived through March 2022 per Ordinance 211-20, after which the following fees will apply as follows:***
   i. **Cafe Tables & Chairs:** Fees will be the full fees for a pre-existing Cafe Tables & Chairs permit, according to the current Public Works fee schedule. The annual assessment fee will be calculated based on the total square footage of occupancy permitted.
   ii. **Display Merchandise:** Fees will be the full fees for a pre-existing Display Merchandise permit, according to the current Public Works fee schedule. The annual assessment fee will be calculated based on the total square footage of occupancy permitted.
   iii. **Non-Commercial Use:** Per the applicable City Codes, Sidewalk Shared Spaces for non-commercial use will be assessed the new application fee for a Minor Sidewalk Encroachment permit, unless the scope of the proposal is more consistent with separate pre-existing Public Works permit type(s).
c. ***For applicants seeking to convert their permit pursuant to Administrative Code Section 94A.12, occupancy fees for Parklets are currently waived, but shall be due and payable starting March 31, 2023, after which the following fees will apply:***

TIER	TYPE	OCCUPANCY FEES		
		Permit (one-time)		Annual License
1	Public Parklet	$1,000	$250	$100
2	Movable Commercial Parklet	$2,000	$1,000	$1,500
3	Commercial Parklet	$3,000	$1,500	$2,000
		1st Parking Space	Each Additional Parking Space	Per Parking Space
		50% fee waiver for non-formula retail businesses with less than $2 million in SF gross receipts.		
		Fees are subject to annual increase based on relevant Consumer Price Index		

VII. Permit Expiration, Extension, Revocability, and Enforcement:

DocuSign Envelope ID: B1ECB16F-87C4-45EA-B95D-B140A9EA3776

a. Any permittee that received a permit prior to the date of this Order, must comply with the provisions of this Order and applicable Program Requirements as a condition of receiving a new permit or converting their existing permit to a Shared Spaces permit.
b. This permit requires annual renewals, which entail applicable fees and submittal materials including written permission for encroachments when applicable.
c. Permit durations and renewal cycles may be tied to the Treasurer & Tax Collector's schedule for billing purposes.
d. The permit shall be revocable at the discretion of the Director of Public Works, who may hold a public hearing prior to such revocation consistent with Public Works Code Section 793.4(c).
e. The Department is authorized to enforce the provisions of this Order pursuant to the procedures in Administrative Code Chapter 94A, and Public Works Code Section 793 et seq.

VIII. Additional Responsibilities:

a. Permittees must abide by all terms and conditions of their Shared Spaces permit, and any other requirements that Public Works deems necessary. Pursuant to SEC. 793.3.(a) of the Shared Spaces legislation, the Director may also adopt such additional regulations as the Director deems appropriate and necessary for the proper management and use of a Curbside or Sidewalk Shared Space in the public right-of-way. The additional regulations may include but are not limited to: maintenance requirements; minimum required clearances from street corners, sidewalk bulb-outs, or protective bollards; appropriate clearances for paths of travel; applicable standards from the Americans with Disabilities Act; and appropriate clearances for stormwater and other hydrological concerns.

b. **Signage:** Permittee is responsible for posting a public notice in English, Filipino, Spanish, Chinese, and any other languages required in a visible location on their Shared Space with the following information:
    i. Instructions for members of the public on how to file complaints with San Francisco 311.
    ii. Relevant information pertaining to required disability access within their Shared Space.
    iii. Signage indicating that the minimum clearance for the path of travel on the sidewalk must be maintained at all times.

c. **Self-Initiated Removal:** Permittee is responsible for the removal of their parklet and all other elements of their Shared Space following the cessation of use and for maintaining the condition of the public right-of-way, including proper restoration of affected sidewalk and curbside space up to City standards.

d. **Failure to Maintain:** Permittees who fail to properly and sufficiently maintain the cleanliness, safety, and accessibility of their Shared Spaces, including their parklet, may be subject to violations and fines. If maintenance issues are not resolved, permittee may be required by Public Works to remove the Shared Space at their own expense.

DocuSign Envelope ID: B1ECB16F-87C4-45EA-B95D-B140A9EA3776

e. Pursuant to SEC. 793.2.(d)(2), Permittees are responsible for removing any installed elements due to either permit expiration, non-operation, or non-compliance. All Sidewalk and Curbside Shared Space permits shall be conditioned upon the obligation to remove or modify the Shared Space at any time, as necessary for any City project or maintenance work, which necessity shall be determined solely by the City Agency that issued the Shared Space Permit. In the event of an emergency, the City Agency may provide 24-hours notice. It shall be the Permittee's obligation to remove or modify the Sidewalk or Curbside Shared Space at their own cost and return the right-of-way to a condition that the Director of Public Works deems appropriate. In no event shall the City be liable for reimbursing the Permittee for the costs of or restoring the Shared Space installation.

f. Pursuant to SEC. 94A.4.(d)(1)(E), the Permittee shall be obligated to remove or modify the Curbside Shared Space at the Permittee's cost and return the right-of-way to a condition that the Director of Public Works deems appropriate within 15 days of receiving notice from the City, although the Director of Public Works or applicable Core Agency may require removal of the Shared Space in a shorter time period where the Director of Public Works determines that an emergency or other threat to public health or safety exists, or finds that any delay would result in extraordinary cost to the City.

g. Permittee shall be responsible for ensuring the space occupied and services offered under the permit comply with applicable health orders and directives, and other applicable requirements, as well as with all laws requiring accessibility for people with disabilities and that the space and services do not interfere with emergency responders' access.

h. Permittees must maintain the quiet, safety, and cleanliness of the sidewalk and parking lane space and its adjacent area (100-foot radius), in accordance with standards set forth in the Public Works Good Neighbor Policy.

i. **Emergency Clause:** All terms of the Shared Spaces permit are voided in the event of an emergency or unforeseen catastrophic event.

IX. Possessory Interest Taxes:

a. Permittee recognizes and understands that this Agreement may create a possessory interest subject to property taxation with respect to privately-owned or occupied property in the public right of way ("PROW"), and that Permittee may be subject to the payment of property taxes levied on such interest under applicable law. Permittee agrees to pay taxes of any kind, including any possessory interest tax, if any, that may be lawfully assessed on Permittee's interest under this Agreement or use of the PROW pursuant hereto and to pay any other taxes, excises, licenses, permit charges, or assessments based on Permittee's usage of the PROW that may be imposed upon Permittee by applicable law (collectively, a "Possessory Interest Tax"). Permittee shall pay all of such charges when they become due and payable and before delinquency.

X. Hold Harmless Clause:

DocuSign Envelope ID: B1ECB16F-87C4-45EA-B95D-B140A9EA3776

a. In consideration of the permittee taking advantage of sidewalk or curbside space, the permittee owner promises and agrees to comply with all applicable regulations.
b. In addition, the permittee operator agrees on its behalf and that of any successor or assignee to hold harmless, defend, and indemnify the City and County of San Francisco, including, without limitation, each of its commissions, departments, officers, agents and employees (collectively referred to as the "City") from and against and all losses, liabilities, expenses, actions, claims, demands, injuries, damages, fines, penalties, suits, costs or judgements including, without limitation, attorneys' fees and costs (collectively, "claims") of any kind allegedly arising directly or indirectly from (i) any act by, omission by, or negligence of, Assignee or its subcontractors, or the officers, agents or employees of either, while engaged in the practices authorized by this Order, (ii) any accident, damage, death, or injury to any contractor or subcontractor, or any officer, agent, or employee of either of them, while engaged in the performance of the practices authorized by this Order, (iii) any accident, injuries or damages to any person(s) or accident, damage or injury to any real or personal property, good will, in, upon or in any way allegedly connected with the practices authorized by this Order from any cause or claims arising at any time, and potentially falls within this indemnity provision, even if the allegations are or may be groundless, false or fraudulent, which obligations arises at the time such claim is tendered to permittee operator by the City and continues at all times thereafter. The permittee operator agrees that the indemnification obligations assumed under this Order shall survive expiration of the Order or completion of practices authorized by this order. The permittee operator shall assume all maintenance and liability associated with the items allowed to be placed in the public right-of-way under this Order.

DPW Order No: 183392

GUIDELINES FOR THE APPROVAL AND INSTALLATION OF TEMPORARY SIDEWALK EXTENSIONS (PARKLETS) FOR USE BY THE GENERAL PUBLIC AT APPROPRIATE LOCATIONS WITHIN PUBLIC RIGHTS-OF-WAY.

I. PURPOSE: Public Works Code Article 16, Section 810 governs the installation of sidewalk landscaping. This Department of Public Works (DPW) Order provides detailed implementation guidelines for the approval and installation of temporary sidewalk extensions (Parklets) consistent with the sidewalk landscaping program.

II. BACKGROUND: Parklets provide an economical solution to the desire and need for wider sidewalks and are intended to provide space for the general public to sit and enjoy the space where existing narrow sidewalks would preclude such occupancy. Parklets are intended as sidewalk/street furniture, providing aesthetic elements to the overall streetscape.

III. REQUEST FOR PROPOSAL AND INITIAL REVIEW:

A. The following applicants are eligible to submit an Initial Application or Proposal in response to a Request for Proposal (RFP) for the installation of Parklets within the public right-of-way:
   1) Community Benefit Districts (CBDs)
   2) Ground floor business owners
   3) Non-profit and community organizations
   4) Fronting property owners
   5) Other applicants may be considered on a case by case basis.

B. The following shall be included in the Initial Application:
   1) A letter with a project narrative requesting the Parklet
   2) An Initial Application Form
   3) An Initial Site Plan: a measured drawing that shows the footprint of the proposed Parklet installation and twenty (20) feet on either side of the proposed Parklet. The plan shall include any above-ground fixtures such as tree wells, poles, fire hydrants, and bike racks. The Initial Site Plan shall also include at-grade roadway markings such as color curbs, lane striping, parking stall markings; and at-grade utility access panels, stormdrains, manhole covers, and other utility access points.
   4) Photos of existing site

5) An Initial Concept Description: A description of how the proposed Parklet meets each of the criteria set forth in this DPW Order.
6) Proof of Notification: Documentation that the fronting property owner has been notified of by the Project Sponsor of the intent to submit a Proposal.
7) Neighborhood Outreach: Notification letters, letters of support, and petitions signed by local CBD, BID, institutions, organizations and/or residents may submit.

C. Each application shall be reviewed by an inter-agency review team, with representation from DPW, MTA, City Planning, et al, as necessary, specifically convened to review Parklet applications with each proposal reviewed based on the following criteria:
1) Meets established design criteria
2) Enhancement of streetscape quality and preliminary design
3) Location (Parklet is likely to be well used and active)
4) Community support
5) Capacity of Sponsor to maintain and steward the Parklet effectively
6) Potential conflict with future city streetscape initiatives (upcoming streetscape redesigns, paving projects, etc.)
7) Compliance with technical and accessibility provisions as specified in this DPW Order

D. If a recommendation is made to approve the Parklet proposal:
1) DPW will issue a Notice of Application for a Parklet. The applicant shall be required to post this Notice in a readily visible location in front of the property where the Parklet will be located for ten (10) calendar days from the date listed on the Notice.
2) If there are no objections from the public, the applicant shall be required to submit an application fee as noted in DPW Fee Schedule, as set forth in Public Works Code Section 2.1.3.
3) After the application fee has been submitted, the applicant shall be required to submit the following information for further review:
   a) Construction Document Package, including:
      1. Parklet Location and Context Plan
      2. Site Plan
      3. Elevations from all sides of the proposed Parklet
      4. All relevant details, finishes, plant species, furniture types, etc.
   b) Maintenance details, including access panels and how drainage will be provided along the existing gutter.
   c) A 24/7 contact if there is an emergency and the Parklet needs to be removed. The Permittee shall be responsible for removal of the Parklet within twenty-four (24) hours, and restoration of the public right-of-way upon notification by the City of any streetscape or paving projects.
3) If there are objections from the public, DPW shall schedule a public hearing to consider the proposed Parklet.
4) The DPW Hearing Officer shall consider and hear all testimony in support and in opposition to the proposed Parklet and make a recommendation to the DPW Director.

5) The DPW Director, in his or her discretion, may recommend approval or conditional approval of the permit subject to further review and final action.
6) If the DPW Director recommends approval or conditional approval the permit, see #III.D.2 above for submittal requirements.

E. If the application is disapproved, DPW shall notify the applicant, upon which the applicant may appeal the disapproval of the permit by the DPW Director to the Board of Appeals within fifteen (15) days of the Director's decision.

IV. APPROVAL PROCESS:

1) The inter-agency review team (See Section II. Paragraph C) shall review the submitted documentation (See Section III. Paragraph D, Item 3).
2) Once the review team makes a recommendation for DPW to approve the final plan and the permit, the applicant shall submit the following information and fees to DPW for permit issuance:
   a. A Certificate of Insurance naming the City and County of San Francisco as additional insured, with general liability coverage of not less than $1 million.
   b. An additional permit fee pursuant to Section 2.1.3 of the Public Works Code. While each proposal will result in different additional permit costs based on the time and materials costs incurred by the City in review of the proposal.
   c. If the Parklet is to be installed where future city streetscape initiatives (plans for streetscape redesigns, paving projects, subgrade infrastructure upgrades, etc.) have been identified, proof of a Performance Bond may be required to ensure the removal (and if appropriate, re-installation) of the Parklet to facilitate the planned streetscape work.
3) Any interested person may appeal the approval of the permit decision by the DPW Director to the Board of Appeals within fifteen (15) days of the Director's decision.
4) The permit shall be renewed annually. Prior to expiration of the annual permit term, the Permittee shall submit to DPW a current Certificate of Insurance and a permit renewal fee as noted in DPW Fee Schedule, as set forth in Public Works Code Section 2.1.3

V. APPROPRIATE LOCATION AND DESIGN PARAMETERS:

A. The proposed Parklet site should be located at least one parking spot, approximately twenty (20) feet, in from a corner or protected by a bollard, sidewalk bulb-out, or other similar feature, if located at the corner. Exceptions may be considered on a case-by-case basis.
B. The proposed location should have a posted speed limit of 25 mph or less. Streets with higher speed limits may be considered on a case by case basis.
C. The proposed street has parking lanes that will not become a tow away lane during morning or afternoon peak hours.
D. The Parklet should provide a minimum clearance of 12” from the edge of any existing parking apron, where there is parallel, diagonal or perpendicular parking.
E. The Parklet shall be constructed and/or installed to conform to the applicable provisions, rules, regulations and guidelines of San Francisco Building Code (SFBC), the Americans with Disabilities Act (ADA), and the 2010 ADA Standards. For all ADA technical requirements, please refer to “Accessibility Elements for Parklets” Standards.

F. A minimum of 84-inches in height must remain clear of any obstructions along the Parklet's path of travel, entry and accessibility areas on the Parklet. Obstructions may include but are not limited to tree branches and foliage, overhanging sign panels on posts, and/or the applicant's addition of architectural elements to the Parklet.

G. The cross slope on the parklet surface may not exceed 2.0% in any direction. Please refer to the Accessibility Elements for Parklets in Appendix A.

H. The proposed street should not have a grade greater than 5.0%. On a case-by-case basis, a Parklet may be proposed on a street grade greater than 5.0%; however additional design requirements and review will be required to make the Parklet accessible for the public. See the Accessibility Elements for Parklets.

I. Abandoned driveway curb cuts, sidewalk defects, empty tree wells, or other sidewalk conditions at the Parklet location will need to be repaired and addressed as required with a DPW permit to ensure safe ingress and egress conditions.

J. Parklets shall be required to have soft hit posts and wheel stops.

K. If the Parklet deck is constructed with concrete, the concrete specific weight shall be a maximum of 200 lbs/ square foot.

L. Parklets shall not be allowed in red or blue zones.

M. Parklets may replace yellow zones or motorcycle parking if there are appropriate adjacent locations for these zones to be relocated, and if the applicant is willing to pay additional fees for relocating these zones.

N. Parklets may be allowed in white and green zones if the business that originally requested the white and/or green zones agrees to re-purpose that curb area for use as a Parklet.

O. Parklet structures shall not be allowed over a manhole, public utility valve or other at-grade access point in the street or sidewalk.

This DPW Order rescinds and supersedes DPW Order No. 180,921 approved January 8, 2013.

Shared Spaces Permit

Address : 702 VALENCIA ST **Block:3588 Lot: 122 Zip: 94110**

Pursuant to Article 15, Section 793 of the Public Works Code and DPW Order No. 183,392, permission revocable at the will of the Director of Public Works to occupy a portion of the public right-of-way is granted to Permittee.

Permittee

Name: Yellow Moto Pizzeria

MANDATORY COORDINATION WITH CONFLICTING PERMITS IS REQUIRED. PERMIT HOLDER SHALL NOT COMMENCE WORK WITHOUT FIRST PROPERLY COORDINATING WITH EXISTING PERMIT HOLDERS AS NOTED ON THE EXCEPTION PAGE(S) OF THIS PERMIT. IF THIS PERMIT CONFLICTS WITH A CITY PROJECT OR OTHER APPROVED PERMIT, THE PERMIT HOLDER OF THIS PERMIT SHALL BE RESPONSIBLE FOR THE PROPER COORDINATION AND EVALUATION OF THE SITE PRIOR TO COMMENCING WORK.

Conditions	Compliance has been verified. Permit is officially in "ELEMENT" status. APPROVAL FOR LEGISLATED PROGRAM: Shared Spaces Fixed Commercial Parklet occupying approximately 38 linear feet in the roadway at 702 VALENCIA ST, on WEST side of VALENCIA ST, from 12 feet to 40 feet SOUTH of 18TH ST. Times of operation: Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, Sunday between the hours of 11:00 AM and 11:00 PM. All elements for Shared Spaces Movable Commercial Parklets must be removed from the public right-of-way in accordance with the permitted days/hours of operation/occupancy. Permittee must comply with the applicable requirements and design guidelines listed in Public Works Order No. 205,516, the Shared Spaces Manual, and any successor versions of these documents. If this permit is issued during the Shared Spaces pandemic program, it will be valid until the pandemic program sunsets and renewed to transition into the legislated program. Businesses that are found to be non-compliant with the provisions of this permit and/or operate outside of the approved space per the approved site plan on file may

	be issued a Notice of Violation in accordance with the appropriate sections of the Public Works Code. Renewals will not be approved unless a current Certificate of Insurance including the required language is submitted with the annual payment. Permittee is responsible for the removing any installed elements to accommodate construction projects. Permittee is also responsible for removing any installed elements due to either permit expiration, non-operation, or non-compliance. At no time may fixtures be bolted or affixed in any way to the sidewalk, roadway, or any structure (including but not limited to: buildings, fire hydrants, street trees, streetlight or traffic poles, etc.). You must obtain any required permits from other agencies necessary for operation of this parklet. Parklets may be subject to modifications following approval if complaints are received or compliance issues are identified by the Shared Spaces Interagency team.
Scope of Occupancy	APPROVAL FOR LEGISLATED PROGRAM: Shared Spaces Fixed Commercial Parklet occupying approximately 38 linear feet in the roadway at 702 VALENCIA ST, on WEST side of VALENCIA ST, from 12 feet to 40 feet SOUTH of 18TH ST. Times of operation: Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, Sunday between the hours of 11:00 AM and 11:00 PM.

Shared Spaces Permit

Address : 714 VALENCIA ST **Cost: $9.00** **Block:3588 Lot: 002 Zip: 94110**

Pursuant to Article 15, Section 793 of the Public Works Code and DPW Order No. 183,392, permission revocable at the will of the Director of Public Works to occupy a portion of the public right-of-way is granted to Permittee.

Permittee

Name: Valencia Street Vintage

MANDATORY COORDINATION WITH CONFLICTING PERMITS IS REQUIRED. PERMIT HOLDER SHALL NOT COMMENCE WORK WITHOUT FIRST PROPERLY COORDINATING WITH EXISTING PERMIT HOLDERS AS NOTED ON THE EXCEPTION PAGE(S) OF THIS PERMIT. IF THIS PERMIT CONFLICTS WITH A CITY PROJECT OR OTHER APPROVED PERMIT, THE PERMIT HOLDER OF THIS PERMIT SHALL BE RESPONSIBLE FOR THE PROPER COORDINATION AND EVALUATION OF THE SITE PRIOR TO COMMENCING WORK.

Conditions	PRE-APPROVAL FOR LEGISLATED PROGRAM: Shared Spaces Fixed Commercial Parklet occupying approximately 40 linear feet in the roadway at 714 VALENCIA ST, on WEST side of VALENCIA ST, from 40 feet to 80 feet SOUTH of 18TH ST. Times of operation: Wednesday, Sunday between the hours of 11:00 AM and 7:00 PM, and Thursday, Friday, Saturday between the hours of 11:00 AM and 8:00 PM. All elements for Shared Spaces Movable Commercial Parklets must be removed from the public right-of-way in accordance with the permitted days/hours of operation/occupancy. Permittee must comply with the applicable requirements and design guidelines listed in Public Works Order No. 205,516, the Shared Spaces Manual, and any successor versions of these documents. If this permit is issued during the Shared Spaces pandemic program, it will be valid until the pandemic program sunsets and renewed to transition into the legislated program. Businesses that are found to be non-compliant with the provisions of this permit and/or operate outside of the approved space per the approved site plan on file may be issued a Notice of Violation in accordance with the appropriate sections of the Public Works Code. Renewals will not be approved unless a current Certificate of Insurance including the required language is submitted with the annual payment. Permittee is responsible for the removing any installed elements to accommodate construction projects. Permittee is also responsible for removing any installed elements due to either permit expiration, non-operation, or non-compliance. At no time may fixtures be bolted or affixed in any way to the sidewalk, roadway, or any structure (including but not limited to: buildings, fire hydrants, street trees, streetlight or traffic poles, etc.). You must obtain any required permits from other agencies necessary for operation of this parklet.

Scope of Occupancy	PRE-APPROVAL FOR LEGISLATED PROGRAM: Shared Spaces Fixed Commercial Parklet occupying approximately 40 linear feet in the roadway at 714 VALENCIA ST, on WEST side of VALENCIA ST, from 40 feet to 80 feet SOUTH of 18TH ST. Times of operation: Wednesday, Sunday between the hours of 11:00 AM and 7:00 PM, and Thursday, Friday, Saturday between the hours of 11:00 AM and 8:00 PM.

Re: Follow-up to Request for Removal of Unpermitted Parklets and Relocation of Proposed Bike-Share Parking to Ensure Compliance with Applicable Laws

Dear SFMTA Valencia Bikeway Team:

I write to follow up on my previous letter dated December 18, 2024[2] (attached as **Exhibit A**). Yesterday morning, I had the opportunity to meet with various City staff and to further understand the City's regulatory authority regarding parklets under the Shared Spaces Program, as well as the SFMTA's Curb Management Strategy.

Based on those discussions and the site visit on January 15, I respectfully provide the below outline of the City's clear legal authority and encourage immediate steps to: (1) relocate all parklets along the Valencia Corridor to enable a continuous curb-side bike lane to ensure the general safety occupants and visitors of the corridor (**Exhibit B** (Key takeaways from Safety Report) & **Exhibit C** (Cycle Tracks Safety Report from City of Cambridge[3]) and (2) Remove or relocate any noncompliant parklets—particularly those formerly associated with the now-defunct Yellow Moto Pizzeria at 702 Valencia Street—and to ensure that all current permit holders (including the parklet at 714 Valencia Street) remain in compliance with Public Works orders, electrical/fire/building codes, and other municipal requirements.

1. The City's Ability to Move or Remove Parklets to Allow for a Curbside Bike Lane

A. Authority Under Administrative Code § 94A and Public Works Code § 793 et seq.

- **Administrative Code §§ 94A.2, 94A.4, 94A.12** and **Public Works Code §§ 793 et seq.** set forth the processes and requirements for Curbside Shared Spaces (including parklets) as part of San Francisco's legislated Shared Spaces Program.

[1] valencia@sfmta.com
[2] Notice of Correction: Error in listed date of original letter - listed as 2023, should state 2024)
[3] Report used based on similar population density per square mile.
1. San Francisco Density: 18,630 (per sq. mile); &
2. Cambridge Density: 18,512 (per sq. mile);

Source: https://en.wikipedia.org/wiki/List_of_United_States_cities_by_population_density

- These provisions give the City (via the "Core City Agencies," primarily Public Works (DPW) and the San Francisco Municipal Transportation Agency (SFMTA)) broad discretion to remove or modify any parklet that:
    1. **Lacks a current, valid permit** (e.g., the sponsoring business is defunct, the permit has expired, or the permittee is noncompliant).
    2. **Conflicts with public infrastructure projects** or city-led improvements (such as installing or modifying a bike lane).
    3. **Fails to meet safety, accessibility, or other program requirements** (e.g., blocking sight lines, violating sidewalk or roadway clearance rules, or lacking the required sponsor).
- Under **Administrative Code § 94A.4(d)(1)(E)** and **Public Works Code § 793.2(d)(2)**, the City may require the permittee to remove or modify a Shared Space at the permittee's own cost where the space conflicts with a City project or a maintenance need, or poses any public health/safety concern. If the permittee fails to do so, the City can remove the structure itself.

B. Relocation for Transportation or Safety Necessities

- **SFMTA** and **DPW** share authority over curb management and street occupancy. Should a "higher-priority" transportation project (e.g., installation of a protected bike lane) require the physical space currently occupied by a parklet, the City can order a relocation or removal pursuant to:
    - **SFMTA Curb Management Strategy** (adopted by the SFMTA Board in February 2020 – **Exhibit D**), which allows reallocation of curb space to promote safety, transit reliability, and multi-modal use.
    - **Public Works Orders (e.g., 205516 (Exhibit E), 183392 (Exhibit F))** and the supporting authority in the **Administrative Code**, which specify that parklets remain revocable encroachments at the City's discretion.

C. "Revocable" Nature of Parklet Permits

- The permits themselves (and the relevant DPW Orders) explicitly state that permission is "revocable at will" by the Director of Public Works (or at the City's discretion). This is standard for encroachments in the right-of-way, meaning that even validly permitted parklets may be removed or relocated to accommodate significant public improvements, such as curbside bike lanes.

2. Potential Noncompliance for 702 Valencia and 714 Valencia Permits

Based on the provided records:

A. 702 Valencia Street (Formerly "Yellow Moto Pizzeria")

1. **Permit Status**

- The DPW system shows a "Renewed" or "Approved" permit (No. 24PKT-00252, referencing original 22PKT-00261 (**Exhibit G**)) for a "Fixed Commercial Parklet," operating from 11/16/2024 to 11/15/2025.
- If the named permittee (Yellow Moto Pizzeria) has ceased operations and is no longer in business, this raises a question of whether the permit actually has a valid sponsor. The Shared Spaces rules generally require an ongoing, sponsoring operator to maintain the parklet.

2. **Potential Grounds for Noncompliance**
   - **No Active Sponsor:** Under **Administrative Code § 94A.12(a)-(b)**, if the original sponsoring business has closed and no successor permittee has formally assumed the permit, the parklet is considered noncompliant.
   - **Permit "Renewal" After Business Closure:** The permit record indicates renewal dates into late 2024–2025, but if the business was already defunct and did not properly transition or convert the permit, that renewal may be void or subject to immediate revocation.
   - **Mandatory Conversion and Compliance:** If it was operating under the COVID-19 pandemic rules (a "pandemic Shared Spaces Permit"), the operator had to apply for a new Shared Spaces permit or remove the structure. (See Admin. Code § 94A.12(a)(3).) An expired or improperly converted pandemic permit is unenforceable, and the City may direct removal.
3. **Conclusion for 702 Valencia**
   - If "Yellow Moto" has truly ceased operations, it likely cannot meet the "active sponsor" requirement. Therefore, the existing parklet is subject to removal or forced compliance.
   - Even if the permit was nominally renewed, it can be revoked if the City finds the permit was renewed without a valid sponsor or is not being operated in accordance with conditions (Public Works Code § 793.2(d), Admin. Code § 94A.12, and the official DPW Orders).

B. 714 Valencia Street ("Valencia Street Vintage")

1. **Permit Status**
   - The record (Permit No. 22PKT-00262 (**Exhibit H**)) shows a "Renewed" Shared Spaces Permit for a "Fixed Commercial Parklet," with operation times listed.
   - This business appears to be active, so there is likely still a valid sponsor.
2. **Potential Grounds for Noncompliance**
   - Although the sponsor/business is active, the parklet still must adhere to **DPW Order Nos. 183392 and 205516**, including:
     - Maintaining clearance, proper design, and a valid insurance certificate.
     - Adhering to hours of operation specified in the permit.
     - Being open to the public (in non-commercial hours) if designated as a Commercial Parklet, and meeting all ADA and pedestrian clearance requirements.
   - If the City identifies any design, safety, or operational violations (e.g., exceeding approved boundaries, missing required reflectors or lighting, blocking line-of-

sight, failing to provide public seating when not in commercial use), the permittee can be cited and required to correct or remove the parklet.
    - At the site meeting yesterday (January 15, 2025) permeant overhead Wires were identified in the public right of way (**Exhibit I**). Searches on both Building and Public Works permit records show no permits allowing for this, thus this is a current violation of Public Works Code Article 26 and Order No 205516 which states that Fixed parklets (or "fixed commercial" / "public" parklets) may have overhead lighting if it is properly installed, meets clearance requirements, and is plugged into a weatherproof outlet on the building at least 10 feet above the sidewalk.
    - "Taping down" or stringing a live cable across the sidewalk is not permitted.
    - All power must be run safely and in compliance with Fire Code, Electrical Code, and Building Code requirements., thus a currently not compliant with Fire Code, Electrical Code, and Building Code requirements.
3. **Conclusion for 714 Valencia**
    - Since the permit is shown as "Renewed" for an operating business, the parklet may be **compliant** if all conditions are met (including but not limited to active insurance policies, public access outside of business hours, proper electrification per Fire, electrical, building, and Publiuc Works authorization). However, it remains subject to modification or removal if the City undertakes a higher-priority project (like a curbside bike lane) or finds any code violations.

3. Basic Summary of the City's Authority to Move Parklets

1. **Revocable Encroachment**
    - Parklets are "revocable encroachments" in the public right-of-way (Public Works Code §§ 793, 810, and DPW Orders). This means the City retains ultimate control over how the curb/roadway is used and can require changes or removal when necessary for public projects, repairs, or safety.
2. **Shared Spaces Program Compliance**
    - Under **Administrative Code §§ 94A.4(d) & 94A.12**, SFMTA and DPW can compel the removal or relocation of a parklet if the sponsor is no longer valid, if the parklet is noncompliant with permit terms or ADA requirements, or if a significant public improvement project (e.g., adding or widening bike lanes) deems it necessary.
3. **Process for Removal or Relocation**
    - Typically involves notice to the permittee, specifying the required modifications or removal deadlines (often 15 days, or sooner if it is an emergency). If the permittee does not comply, the City may remove the structure and recoup any costs incurred (see Admin. Code §§ 94A.4(d)(1)(E), 94A.9, and Public Works Code § 793.2(d)(2)).
4. **Effect of Sponsor Closure**
    - Once the business ceases operation (or fails to renew properly), the permit is essentially invalid, barring formal assignment to a new operator. The City may proceed with revocation and removal.

Conclusion

- **Yes, the City can move or remove both the 702 Valencia and 714 Valencia parklets** to accommodate a curbside bike lane or any other significant infrastructure/safety project. Parklets are revocable encroachments, and code provisions allow the City to reallocate curb space for higher-priority uses.
- **702 Valencia** appears most at risk of noncompliance if its sponsoring business (Yellow Moto Pizzeria) is indeed defunct, meaning the parklet may lack a valid permit sponsor. Even if the permit on file shows "renewed," the City can revoke it if no active sponsor exists or if the business did not properly convert the pandemic permit to a valid one under the legislated program.
- **714 Valencia** (Valencia Street Vintage) seems to be in an active permit status with a valid sponsor, but the City can still remove or relocate that parklet if needed for a bike lane or if any permit conditions are violated.

All of the above is grounded in the **San Francisco Administrative Code** (Chapter 94A), **Public Works Code** (Sections 793 et seq.), official **DPW Orders** (particularly Nos. 183392, 205516), and the **SFMTA Curb Management Strategy**. The City's authority is broad and revocable at will when it comes to maintaining public safety, accommodating critical infrastructure projects, and ensuring compliance with local laws.

Sincerely,

Michael J. Turon

Dear Mr. Turon and Dr. Press,

On behalf of the Valencia Project Team, I am writing to follow up on our meeting earlier this month and respond to your concerns regarding the relocation of the green meters in front of Mission Pet Hospital on Valencia Street to around the corner on the south side of 18th Street.

We understand that the proposed and recently legislated relocation of the green meters has been a source of frustration for you, particularly since the Yellow Moto parklet remains at the curb even after the business permanently closed just recently. Thank you for taking the time to meet on January 15th with the Valencia Bikeway Project Manager and project staff representing Curb Management, Shared Spaces, and the Bikeshare Program to address your concerns to the best of our ability.

There are dozens of businesses located on each block of Valencia Street, and each business, their customers, and their staff, along with the larger Valencia community, access and use Valencia Street differently. Our main priority has been to make sure that Valencia Street can safely be used by all while balancing the multitude of needs of small business on the corridor.

While the center-running bike lane pilot preserved more parking and loading (which includes the green meters in front of your business), the SFMTA legislated a curbside-running bikeway to address overall merchant opposition of the pilot design. Part of this new design involved asking all existing parklet owners whether they were willing to move their parklet to floating (outside the proposed bike lane) or if they will remain at the curb. While the Public Works Director maintains authority on these matters, given the importance of parklets to the recovery of small businesses, the decision whether to relocate parklets was left up to the business directly affected. We provided significant incentives (up to $30,000) to businesses to encourage them to move their parklets. All the parklet owners along your block face elected to remain at the curb. Because all the parklets remained curbside, and due to the active driveway just north of Mission Pet Hospital, the bike lane had to be designed so that it was located outside the curb lane.

The reason the green meters cannot continue to remain in front of your business is because it creates a conflict between cars crossing over the bike lane, potentially hitting bicyclists as the vehicles move in and out of the parking space. This is also why we are proposing the addition of a bikeshare station in front of your business as it does not pose the same cross over conflict and inhibits cars from crossing over the bike lane into the curb lane. If we do not put a bikeshare station in this location, the curb will remain ‘empty’ and

drivers may think that it's okay to pullover across the bike lane and park there. We also noted at our meeting last week that the bikeshare station in question is going to the February 7th, Engineering Public Hearing. More information, including how you can provide public comment, can be found here: SFMTA Engineering Public Hearing.

In response to your request to remove Yellow Moto's parklet, while Yellow Moto has permanently closed, the structure meets program design requirements and even if it were to be removed, we still would not be able to return the green meters in front of your business; this is because the parklet immediately south of your business, owned by Valencia Street Vintage, is still operating at the curb, and there is an active driveway immediately north of your business that needs proper clearance for turning in and out of the garage. The Valencia Street Vintage parklet remaining curbside, the active driveway, and the legislated curbside bikeway make it infeasible to be able to maintain the green metered spaces directly in front of your business. We know that this is not an ideal outcome for you and not the answer you want to hear.

We are doing our very best to manage the constraints and provide the best solution possible. Specifically, when establishing the color curb locations and operations as part of this new bikeway design, we evaluated moving the green meters across the street near Cherin's or moving the green meters around the corner to the south side of 18th Street, where it is currently legislated. Moving the green meters across the street requires pet owners to wait and cross the street at the traffic light while carrying sick pets. Instead, we saw an opportunity to maintain the green meters on the same side of the block as where they are now, albeit around the corner, with the understanding that many pet hospitals have parking lots that require greater distances of travel than the distance from where the green meters will be located on 18th Street to the entrance of Mission Pet Hospital.

We would like to reiterate our commitment of returning your green meters as close to your business as possible should Valencia Street Vintage's parklet and Yellow Moto's parklet be abandoned and subsequently demolished. While we may not have achieved the most optimal outcome for Mission Pet Hospital in our effort to balance the multitude of needs of the corridor, we appreciated the opportunity to meet with you in person. We value the feedback shared and your continued involvement in ensuring that Valencia remains a vibrant community.

Sincerely,

Shayda Rager *(she, her)*

Shayda and the Valencia Project Team,

Thank you for your response and for taking the time to meet with me, Dr. Press, and Mission Pet Hospital on January 15. I appreciate your efforts to balance the various stakeholder interests along Valencia Street.

I want to clarify a few key points from my January 16 letter (attached/below), particularly regarding 702 Valencia (formerly Yellow Moto Pizzeria) and 714 Valencia (Valencia Street Vintage):

1. **Defunct Sponsorship at 702 Valencia (**DPW Permit 24PKT-00252 - **Exhibit G**)
    - Under **Administrative Code § 94A.12(a)-(b)** and **Public Works Code § 793.2(d)**, a valid “active sponsor” is required to maintain a permitted parklet. Since Yellow Moto Pizzeria is closed and has not been replaced by a formal successor permittee, the parklet at 702 Valencia lacks a valid sponsor.
    - Per Section 2(A) and Section 3 of my January 16 letter, such a parklet may be declared noncompliant and removed by the City—even if the structure otherwise meets design criteria—because the sponsoring business no longer exists.

1. **Overhead Wiring Violations at 714 Valencia (Health/Fire/Electrical Code Violation) (Exhibit I) (**DPW Permit 22PKT-00262 - **Exhibit H**)
    - Section 2(B)(2) of my letter notes that 714 Valencia appears to have overhead electrical wiring in the public right-of-way without an approved Building, Public Works, or Electrical permit, violating **Public Works Code Article 26** and **DPW Order No. 205516 (Exhibit E)** (requiring overhead lighting to meet specific clearance requirements and be plugged into a weatherproof outlet at least 10 feet above the sidewalk).
    - As explained in Section 2(B)(3), if these code violations remain uncorrected, the City may demand the parklet’s removal or relocation.

1. **Revocable Curbside Encroachments**
    - Section 1(C) of my January 16 letter emphasizes that, under Public Works Code §§ 793 et seq. and **DPW Orders (Nos. 183392 & 205516) (Exhibit E & F)**, all parklets are “revocable encroachments.” This means the City retains the discretion to relocate or remove them for higher-priority infrastructure, such as a continuous curbside bike lane or essential business loading.

1. **Ability to Reallocate Parklets Despite Business Preference**
    - While I understand many businesses prefer to keep their parklets curbside, City Code (**Admin. Code § 94A and Public Works Code §§ 793 et seq.**) unambiguously grants SFMTA, Public Works, and other agencies the authority to require relocation when public safety or critical transportation objectives demand it.
    - 702 Valencia remains especially problematic because there is no valid sponsor. Meanwhile, the continuing overhead wiring violation at 714 Valencia presents fire, electrical, and ADA concerns.

Given these provisions and the City's awareness (and notice) of the various violations of these parklets, I believe the City has both the legal grounds and the policy imperative to remove or relocate noncompliant parklets—especially if they

interfere with an uninterrupted curbside bike lane or essential curbside loading for Mission Pet Hospital. I respectfully hope the City will consider these compliance issues and the broad authority outlined in my January 16 letter when finalizing the Valencia corridor design and before economically hurting a legacy business that has been serving the community since 1982.

Thank you again for your work on this project and for your commitment to ensuring Valencia Street remains safe, accessible, and vibrant. Please let me know if you need any additional documentation or if there is an opportunity to discuss solutions that accommodate both a continuous curbside bike lane and vital business loading needs.

Sincerely,

Michael Turon

Re: Follow-up to Request for Removal of Unpermitted Parklets and Relocation of Proposed Bike-Share Parking to Ensure Compliance with Applicable Laws

Dear SFMTA Valencia Bikeway Team:

I write to follow up on my previous letter dated December 18, 2024[2] (attached as **Exhibit A**). Yesterday morning, I had the opportunity to meet with various City staff and to further understand the City's regulatory authority regarding parklets under the Shared Spaces Program, as well as the SFMTA's Curb Management Strategy.
Based on those discussions and the site visit on January 15, I respectfully provide the below outline of the City's clear legal authority and encourage immediate steps to: (1) relocate all parklets along the Valencia Corridor to enable a continuous curb-side bike lane to ensure the general safety occupants and visitors of the corridor (**Exhibit B** (Key takeaways from Safety Report) & **Exhibit C** (Cycle Tracks Safety Report from City of Cambridge[3]) and (2) Remove or relocate any noncompliant parklets—particularly those formerly associated with the now-defunct Yellow Moto Pizzeria at 702 Valencia Street—and to ensure that all current permit holders (including the parklet at 714 Valencia Street) remain in compliance with Public Works orders, electrical/fire/building codes, and other municipal requirements.

1. The City's Ability to Move or Remove Parklets to Allow for a Curbside Bike Lane

A. Authority Under Administrative Code § 94A and Public Works Code § 793 et seq.

- **Administrative Code §§ 94A.2, 94A.4, 94A.12** and **Public Works Code §§ 793 et seq.** set forth the processes and requirements for Curbside Shared Spaces (including parklets) as part of San Francisco's legislated Shared Spaces Program.
- These provisions give the City (via the "Core City Agencies," primarily Public Works (DPW) and the San Francisco Municipal Transportation Agency (SFMTA)) broad discretion to remove or modify any parklet that:
    1. **Lacks a current, valid permit** (e.g., the sponsoring business is defunct, the permit has expired, or the permittee is noncompliant).

2. **Conflicts with public infrastructure projects** or city-led improvements (such as installing or modifying a bike lane).
3. **Fails to meet safety, accessibility, or other program requirements** (e.g., blocking sight lines, violating sidewalk or roadway clearance rules, or lacking the required sponsor).

- Under **Administrative Code § 94A.4(d)(1)(E)** and **Public Works Code § 793.2(d)(2)**, the City may require the permittee to remove or modify a Shared Space at the permittee's own cost where the space conflicts with a City project or a maintenance need, or poses any public health/safety concern. If the permittee fails to do so, the City can remove the structure itself.

B. Relocation for Transportation or Safety Necessities

- **SFMTA** and **DPW** share authority over curb management and street occupancy. Should a "higher-priority" transportation project (e.g., installation of a protected bike lane) require the physical space currently occupied by a parklet, the City can order a relocation or removal pursuant to:
  - **SFMTA Curb Management Strategy** (adopted by the SFMTA Board in February 2020 – **Exhibit D**), which allows reallocation of curb space to promote safety, transit reliability, and multi-modal use.
  - **Public Works Orders (e.g., 205516 (Exhibit E), 183392 (Exhibit F))** and the supporting authority in the **Administrative Code**, which specify that parklets remain revocable encroachments at the City's discretion.

C. "Revocable" Nature of Parklet Permits

- The permits themselves (and the relevant DPW Orders) explicitly state that permission is "revocable at will" by the Director of Public Works (or at the City's discretion). This is standard for encroachments in the right-of-way, meaning that even validly permitted parklets may be removed or relocated to accommodate significant public improvements, such as curbside bike lanes.

2. Potential Noncompliance for 702 Valencia and 714 Valencia Permits

Based on the provided records:

A. 702 Valencia Street (Formerly "Yellow Moto Pizzeria")

1. **Permit Status**
   - The DPW system shows a "Renewed" or "Approved" permit (No. 24PKT-00252, referencing original 22PKT-00261 (**Exhibit G**)) for a "Fixed Commercial Parklet," operating from 11/16/2024 to 11/15/2025.
   - If the named permittee (Yellow Moto Pizzeria) has ceased operations and is no longer in business, this raises a question of whether the permit actually has a valid sponsor. The Shared Spaces rules generally require an ongoing, sponsoring operator to maintain the parklet.
2. **Potential Grounds for Noncompliance**
   - **No Active Sponsor:** Under **Administrative Code § 94A.12(a)-(b)**, if the original sponsoring business has closed and no successor permittee has formally assumed the permit, the parklet is considered noncompliant.
   - **Permit "Renewal" After Business Closure:** The permit record indicates renewal dates into late 2024–2025, but if the business was already defunct and did not properly transition or convert the permit, that renewal may be void or subject to immediate revocation.
   - **Mandatory Conversion and Compliance:** If it was operating under the COVID-19 pandemic rules (a "pandemic Shared Spaces Permit"), the operator had to apply for a new Shared Spaces permit or remove the structure. (See Admin. Code § 94A.12(a)(3).) An expired or improperly converted pandemic permit is unenforceable, and the City may direct removal.
3. **Conclusion for 702 Valencia**
   - If "Yellow Moto" has truly ceased operations, it likely cannot meet the "active sponsor" requirement. Therefore, the existing parklet is subject to removal or forced compliance.
   - Even if the permit was nominally renewed, it can be revoked if the City finds the permit was renewed without a valid sponsor or is not being operated in accordance with conditions (Public

Works Code § 793.2(d), Admin. Code § 94A.12, and the official DPW Orders).

B. 714 Valencia Street ("Valencia Street Vintage")

1. **Permit Status**
   - The record (Permit No. 22PKT-00262 (**Exhibit H**)) shows a "Renewed" Shared Spaces Permit for a "Fixed Commercial Parklet," with operation times listed.
   - This business appears to be active, so there is likely still a valid sponsor.
2. **Potential Grounds for Noncompliance**
   - Although the sponsor/business is active, the parklet still must adhere to **DPW Order Nos. 183392 and 205516**, including:
     - Maintaining clearance, proper design, and a valid insurance certificate.
     - Adhering to hours of operation specified in the permit.
     - Being open to the public (in non-commercial hours) if designated as a Commercial Parklet, and meeting all ADA and pedestrian clearance requirements.
   - If the City identifies any design, safety, or operational violations (e.g., exceeding approved boundaries, missing required reflectors or lighting, blocking line-of-sight, failing to provide public seating when not in commercial use), the permittee can be cited and required to correct or remove the parklet.
   - At the site meeting yesterday (January 15, 2025) permeant overhead Wires were identified in the public right of way (**Exhibit I**). Searches on both Building and Public Works permit records show no permits allowing for this, thus this is a current violation of Public Works Code Article 26 and Order No 205516 which states that Fixed parklets (or "fixed commercial" / "public" parklets) may have overhead lighting if it is properly installed, meets clearance requirements, and is plugged into a weatherproof outlet on the building at least 10 feet above the sidewalk.
   - "Taping down" or stringing a live cable across the sidewalk is not permitted.
   - All power must be run safely and in compliance with Fire Code, Electrical Code, and Building Code requirements., thus a currently not compliant with Fire Code, Electrical Code, and Building Code requirements.
3. **Conclusion for 714 Valencia**
   - Since the permit is shown as "Renewed" for an operating business, the parklet may be **compliant** if all conditions are met (including but not limited to active insurance policies, public access outside of business hours, proper electrification per Fire, electrical, building, and Publiuc Works authorization). However, it remains subject to modification or removal if the City undertakes a higher-priority project (like a curbside bike lane) or finds any code violations.

3. Basic Summary of the City's Authority to Move Parklets

1. **Revocable Encroachment**
   - Parklets are "revocable encroachments" in the public right-of-way (Public Works Code §§ 793, 810, and DPW Orders). This means the City retains ultimate control over how the curb/roadway is used and can require changes or removal when necessary for public projects, repairs, or safety.
2. **Shared Spaces Program Compliance**
   - Under **Administrative Code §§ 94A.4(d) & 94A.12**, SFMTA and DPW can compel the removal or relocation of a parklet if the sponsor is no longer valid, if the parklet is noncompliant with permit terms or ADA requirements, or if a significant public improvement project (e.g., adding or widening bike lanes) deems it necessary.
3. **Process for Removal or Relocation**
   - Typically involves notice to the permittee, specifying the required modifications or removal deadlines (often 15 days, or sooner if it is an emergency). If the permittee does not comply, the City may remove the structure and recoup any costs incurred (see Admin. Code §§ 94A.4(d)(1)(E), 94A.9, and Public Works Code § 793.2(d)(2)).
4. **Effect of Sponsor Closure**
   - Once the business ceases operation (or fails to renew properly), the permit is essentially invalid, barring formal assignment to a new operator. The City may proceed with revocation and removal.

Conclusion

- **Yes, the City can move or remove both the 702 Valencia and 714 Valencia parklets** to accommodate a curbside bike lane or any other significant infrastructure/safety project. Parklets are revocable encroachments, and code provisions allow the City to reallocate curb space for higher-priority uses.
- **702 Valencia** appears most at risk of noncompliance if its sponsoring business (Yellow Moto Pizzeria) is indeed defunct, meaning the parklet may lack a valid permit sponsor. Even if the permit on file shows "renewed," the City can revoke it if no active sponsor exists or if the business did not properly convert the pandemic permit to a valid one under the legislated program.
- **714 Valencia** (Valencia Street Vintage) seems to be in an active permit status with a valid sponsor, but the City can still remove or relocate that parklet if needed for a bike lane or if any permit conditions are violated.

All of the above is grounded in the **San Francisco Administrative Code** (Chapter 94A), **Public Works Code** (Sections 793 et seq.), official **DPW Orders** (particularly Nos. 183392, 205516), and the **SFMTA Curb Management Strategy**. The City's authority is broad and revocable at will when it comes to maintaining public safety, accommodating critical infrastructure projects, and ensuring compliance with local laws.

Sincerely,

From: Emily Steinglass
To: Board of Supervisors (BOS)
Subject: Valencia CEQA Appeal Hearing
Date: Monday, January 27, 2025 1:33:35 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Good afternoon President Mandelman, Supervisor Fielder, and Supervisors,

My name is Emily Steinglass, and I am a member and volunteer board member of the San Francisco Bicycle Coalition. I have lived in the Castro for 8 years and love visiting the restaurants, coffee shops, and stores on Valencia St. One of my favorite weekend routines is biking to MIssion Park Playground to swim or play tenni and then grabbing lunch on Valencia street.

I am here to ask that you oppose the appeal before you today. The Mid-Valencia Curbside Protected Bikeway went through a robust public planning process and was unanimously approved by the SFMTA Board of Directors on November 19th last year, and is already fully in line with our City's climate and sustainable transportation goals.

The biking community wants to see Valencia businesses thrive, and we want to work with the city to support the corridor's recovery. This must not be done at the expense of safety for people biking and rolling.

Before any kind of protection for people on bikes went in on Mid-Valencia, the corridor averaged a bike-involved collision every two weeks. That rate has dropped by 20% with the installation of separated lanes.

After undergoing three knee surgeries, my doctors recommended biking as the ideal low-impact exercise for my recovery. Biking became my therapy, both physically and mentally, which is why SAFETY is so important to me. I love exploring San Francisco and the Valencia corridor on my bike with my mini goldendoodle Cashew in my backpack. Biking has become an integral part of my lifestyle. I have proudly chosen to forgo owning a car, opting instead to rely on my bicycle as my preferred mode of transportation. Bicycling has woven itself into the very fabric of my life, nurturing my spirit of adventure, promoting physical well-being, and connecting me with my beloved city.

Please oppose the appeal before you today so we can stop delaying life-saving infrastructure from being built and keep the project on its construction timeline.

Thank you for your time,
Emily

From: Benjamin Rockhold
To: Board of Supervisors (BOS)
Subject: Mid-Valencia bike lane project proposal feedback
Date: Monday, January 27, 2025 1:21:56 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

To whom it may concern,

Every single day I commute by bike down the full length of the Valencia center-running bikeway. I also use the previous side-running route. The current center-route is absolutely better in every way, and the November 19th project update's data supported this.

It is absolutely insane to plan to replace it with another side-running bike lane. What a colossal waste of money to go back to what we had before. It is a tragic capitulation. By switching back to side-running lanes we lose all of the improvements gained over the last year. This is the kind of back-and-forth that makes the public lose confidence.

I *strongly oppose any change* to the center-running bike lane as it exists now. We should be extending it in both directions, or looking to new streets to improve.
I am disgusted that the city allows a vocal minority to ruin infrastructure that improves the lives of so many others.

Thank you for your efforts regardless,
Ben Rockhold

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Supervisors,
My name is Erin Stuart, and I am a member of the San Francisco Bicycle Coalition. I live in district 9, one block away from Valencia Street.

I am writing to ask that you oppose an appeal going before you tomorrow (Tuesday, Jan 28). The Mid-Valencia Curbside Protected Bikeway went through a robust public planning process and was unanimously approved by the SFMTA Board of Directors on November 19th last year, and is already fully in line with our City's climate and sustainable transportation goals.

Before any kind of protection for people on bikes went in on Mid-Valencia, the corridor averaged a bike-involved collision every two weeks. That rate has dropped by 20% with the installation of separated lanes. As someone who rides my bike on Valencia St regularly, I can say I have felt MUCH safer with the protected bike lanes than I did previously.

Please oppose the appeal before you today so we can stop delaying life-saving infrastructure from being built and keep the project on its construction timeline.

Thank you for your time,
Erin Stuart

Subject: Public Comment for Special hearing of the Mid-Valencia Curbside Project
Date: Monday, January 27, 2025 1:00:46 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Good afternoon President Mandelman, Supervisor Fielder, and Supervisors,

My name is Adriana Castillo, and I am a member of the San Francisco Bicycle Coalition. I live in lower Nob Hill.

I am here to ask that you oppose the appeal before you today. The Mid-Valencia Curbside Protected Bikeway went through a robust public planning process and was unanimously approved by the SFMTA Board of Directors on November 19th last year, and is already fully in line with our City's climate and sustainable transportation goals. I among many San Francisco residents do not own a vehicle and heavily rely on public transit (which is facing line reductions) and biking to get around the city. This appeal would be denying the overwhelmingly low income community members who rely on *safe* biking networks to go to work, school, doctors appointments and much more, a safe and accessible mode of transportation.

- Before any kind of protection for people on bikes went in on Mid-Valencia, the corridor averaged a bike-involved collision every two weeks. That rate has dropped by 20% with the installation of separated lanes.
- SFMTA staff met with nearly every merchant within the project scope multiple times and formed a construction working group made up of merchants and advocates for a smooth roll out of the project.
- This appeal does not align with state law. Under SB922, SB288, and more recently SB71, active transportation projects have statutory exemption from environmental review because they improve pedestrian and bicycle safety by constructing safe street infrastructure—which promotes our City's transit-first policy, Vision Zero, and sustainable transportation goals.

Please oppose the appeal before you today so we can stop delaying life-saving infrastructure from being built and keep the project on its construction timeline. Thank you for your time.

Good afternoon President Mandelman, Supervisor Fielder, and Supervisors,

My name is Alex Donegan, and I am a member of the San Francisco Bicycle Coalition. I live in the Castro, work in Potrero Hill, and spend time and money supporting local businesses in the Mission on Valencia Street.

I am here to ask that you oppose the appeal before you today. The Mid-Valencia Curbside Protected Bikeway went through a robust public planning process and was unanimously approved by the SFMTA Board of Directors on November 19th last year, and is already fully in line with our City's climate and sustainable transportation goals.

Valencia Street is such a special corridor that deserves careful thought and attention to how a person experiences it. It's the flattest, low-grade street compared to parallel streets like Dolores or Guerrero, and has been a key north-south corridor for people on bikes and active transportation for decades—because of its direct connection with other key corridors like San Jose Ave, 17th Street, and Market Street.

- Before any kind of protection for people on bikes went in on Mid-Valencia, the corridor averaged a bike-involved collision every two weeks. That rate has dropped by 20% with the installation of separated lanes.

- The biking community wants to see Valencia businesses thrive, and we want to work with the city to support the corridor's recovery. This must not be done at the expense of safety for people biking and rolling. I know this to be true first-hand.

Please oppose the appeal before you today so we can stop delaying life-saving infrastructure from being built and keep the project on its construction timeline. Thank you very much for your time.

Date: Monday, January 27, 2025 12:14:50 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Good afternoon President Mandelman, Supervisor Fielder, and Supervisors,

My name is Calder Lorenz, and I am a member of the San Francisco Bicycle Coalition. I live in the Mission District with my partner and son.

I am here to ask that you oppose the appeal before you today. The Mid-Valencia Curbside Protected Bikeway went through a robust public planning process and was unanimously approved by the SFMTA Board of Directors on November 19th last year, and is already fully in line with our City's climate and sustainable transportation goals.

Before any kind of protection for people on bikes went in on Mid-Valencia, the corridor averaged a bike-involved collision every two weeks. That rate has dropped by 20% with the installation of separated lanes.

We want to feel safe riding to work and school and the infrastructure is in place to allow everyone to ride safely on Valencia which connects to so many routes throughout the City. There is no other street in the neighborhood where bicycles can ride and not fear traffic violence. It's not perfect but it needs to be implemented as soon as possible.

This project went through all the milestones of a quick build project and would construct a traditional protected side-running bike lane, making the design continuous to the 15th and Market Street portion.

Please oppose the appeal before you today so we can stop delaying life-saving infrastructure from being built and keep the project on its construction timeline. Thank you for your time.

Dear Supervisors,

I am one of the longest running businesses on Valencia St. I opened in April of 1991 with my Mother and have had a successful family run and owned business on this Corridor, bringing in great revenue for the City, exclusively hiring local artists and staff for over 3 decades. I, with much gratitude, appreciate the opportunity to have you hear my plea for an alternative that will ensure the economic vitality of my neighborhood, the longevity of all businesses and the safety of our residents and cyclists on this corridor -

SF has always been a tourist destination. Our economy depends on tourism and not just on local culture. We need to be easily accessible in order to bring people into our neighborhood and businesses.

Valencia St Corridor is not big enough to accommodate a bike lane, deliveries, residents who need to bring groceries to their homes and tourists who would like to explore our neighborhood. The corridor has become far too congested and aggravating for people who can not bike or walk to get here. Vehicles are still a very necessary way to drive business and continue to provide an interesting and diverse neighborhood for all to enjoy. National and International tourism has greatly diminished due to Covid, doom loop and has been exaggerated by the inaccessibility of Valencia Corridor. Unfortunately, local tourist from East Bay and South Bay have severely been cut due to the lack of parking, congestion and and general inaccessibility of this stretch of Valencia.

Currently the consensus is that Valencia St has become too dangerous to travel here. It's become too congested and confusing and has pushed people to other neighborhoods. Over the course of the last 17 months we have lost 30+ business on Valencia with the majority stating their revenue plummeted after the center running pilot began.

The proposed side running configuration will not alleviate the accessibility issues. The side running will further the "too complicated" narrative and will produce more dangerous outcomes for people trying to cross the fast paced bike lane to get to the sidewalk. We will have even less parking available for staff, patrons and residents and emergency vehicles will have a difficult time navigating the corridor. No left turns will ensure more air and noise pollution b/c vehicles will have to make 3 right turns instead of a simple left. Right hand turns will be more difficult as the car will have to wait for pedestrians AND the constant flow of motorized scooters and bikes before being able to turn which will back up traffic.

The entire neighborhood has requested that the city designs a thoughtful well planned out protected bike path to be constructed on parallel residential flat streets which would ensure safety for all. Commercial corridors should be able to thrive and promote tourism as we have always done, while allowing for safe bike passage on less congested streets. It would be less expensive, much more safe and close enough to the shops, bars and restaurants to access easily by all.

I too would like to bike to work and include my 9 yr old son on a cycle adventure through town but would only do that on streets that were slower and safer. Pre pilot, I biked from my southern neighborhood to work on Valencia frequently and NEVER ONCE had a close call with a car. I watched the road, abided road rules and it was a nice alternative when I didn't need to bring supplies to my business.

The push for a vehicle-less City has damaged our economy and if no reasonable alternative is planned, we will see many more brick and mortar businesses shutter and add to the already desolate landscape.

Please consider removing center running lane, not constructing a protected side running and moving it or several protected bike lanes on Folsom and S. Van Ness, Shotwell.

If you have any follow up questions, please feel free to contact me.

Thank you for your consideration.

Subject: Valencia Bike Lane - Why no solutions on mass transit BRT Van Mess to Cesar Chavez and linking systems?
Date: Monday, January 27, 2025 12:06:49 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Board of Supervisors

The valencia Bike lane issues showcase poor planning and implementation by the SFMTA. The impacts to businesses, and lacking essential review for accessibility, and impediment to MUNI bus and pedestrian crossings ignores safety and the essential areas people want to get to and through in these districts.

Traffic back-ups occur daily, and the lacking vision of the SFMTA in solving the mass transit morass worsens daily. Why has there been no looking at serious solutions like extending the BRT Van Mess down to Cesar Chavez and out to Bayshore or the BVHP via cargo way to provide an essential link and loop, maybe up Portero and linking 3 major hospitals via a mass transit loop system change (trackless train link vs BRT) maybe those xoox shuttles run only initially with buses along BRT Van Mess?

We dont see any solutions from Muni to the mess on valencia, but these side street problems impact the 14/49/and many other routes and systems.

Get the head out of the sand, and look towards a more vibrant transit future vs. private vehicles and scooter/bike pads and pilot programs. Build the transit system we need and deserve. Than people can get there easier, without the congestion.

The Valencia Bike Lane is a mess, has not served the general public and continues to prevent proper public transit routing and access as the priority.

To the SF Board of Supervisors:

I have been the owner and manager of Valencia Cyclery for almost 40 years now. I am also an avid bike commuter, back and forth to my business on Valencia Street. I hope that you will take into consideration my comments about a bike lane on Valencia.

The proposed curb running bike lane will not be as safe for cyclists as the center running protected bike lane that we have now. The curb design scheduled to be installed, weaves around existing parklets or worse yet, between the parklet and the curb. That is very unsafe for pedestrians and cyclists. The curb design also does not allow realistic flexibility should new parklets be needed or current ones need removal.

The original bike lane worked much better for businesses than either protected bike lane, however it had safety issues. Just like the remnant of that design which still exists from 23rd Street to Cesar Chavez, it was totally neglected by the SFMTA. New paint, warning signs, speed bumps and other safety features should have been added to the original bike lane to make it safe instead of replacing it completely.

It is a beautiful thing to see church goers on Sunday flock to the neighborhood to attend their place of worship. If a protected bike lane goes in from 23rd to Cesar Chavez Street, it would wipe out their center lane parking and, I am sure, drastically reduce their congregation. Please leave the bike lane where it is presently but for God's sake, make it safer as I had mentioned in the previous paragraph! Perhaps we could use what we learn to safely bring back the original bike lane.

Electric bicycles, electric scooters, etc, are motorized vehicles that go fast, even above the posted speed limit. They are the future for commuting, however if they are required to weave around or squeeze by parklets and pedestrians, there will be more accidents. The old bike lane design or even the current center lane design accommodates them better than the planned curb version.

People that park their cars on Valencia Street are our customers, not our enemies. People want convenience and that's part of why brick and mortar businesses are closing and Amazon is growing. Less parking on Valencia along with the outrageously high parking meter rates discourages valuable customers to come to our neighborhood.

We are a bike shop but many of our customers come to our store in a car and need

parking. They bring their broken bicycle or perhaps their child to shop for a bike for them or themselves. We cannot survive with only the customers that are able to ride or walk in. To support the very experienced people that we keep on staff, we need to draw customers from the entire city and beyond. We currently have 10 employees when we used to have over 20. Granted, there are many factors in our decline, however the lack of convenient parking is one of them.

The SFMTA and the City is broke. Could this money to be spent on the curb side protected bike lane be better spent elsewhere?

Thank you for listening to this one man's humble opinion.

Paul Olszewski
Owner of Valencia Cyclery

Good afternoon President Mandelman, Supervisor Fielder, and Supervisors,

My name is Michael Howley, and I am a member of the San Francisco Bicycle Coalition. I live in District 8, Cole Valley.

I am here to ask that you oppose the appeal before you today. The Mid-Valencia Curbside Protected Bikeway went through a robust public planning process and was unanimously approved by the SFMTA Board of Directors on November 19th last year, and is already fully in line with our City's climate and sustainable transportation goals.

I know it is tempting to comment on the project itself and all of the ruckus surrounding it, but the legal question before you is a simple one: is the project exempt from CEQA Review under SB 922? The answer is clearly YES, and thus you must reject this frivolous appeal. State law clearly exempts active transportation projects from consideration of significant impacts under CEQA. It does not say "projects are exempt unless they have impacts." People and businesses upset about a project are not a basis for upholding an appeal of exemption, and doing so would violate state law.

Please oppose the appeal before you today so we can stop delaying life-saving infrastructure from being built and keep the project on its construction timeline. For the sake of good governance and responsible use of public time and money, let this end tomorrow with a rejection of the appeal.

Thank you for your time.

Date: Monday, January 27, 2025 8:06:02 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Hello President Mandelman, Supervisor Fielder, and Supervisors,

My name is Debra Baida and I am a member of the San Francisco Bicycle Coalition. I live in the Mission District.

I am here to ask that you oppose the appeal before you today. The Mid-Valencia Curbside Protected Bikeway went through a robust public planning process and was unanimously approved by the SFMTA Board of Directors on November 19th last year, and is already fully in line with our City's climate and sustainable transportation goals.

As someone who was long intimidated by bicycling on city streets, I was encouraged by my husband to ride with him on Valencia Street back when there were two side-running bike lanes. My physical activity increased exponentially because that nearby and vital north-south corridor enabled me to connect on bike with ease to vital key corridors like 17th Street and Market Street. I would run essential errands and use the car far less, making spontaneous visits to local businesses on Valencia was easy. But no more.

- Since the center-running bike lane was installed, my desire to hop on the bike and bop around the neighborhood on two wheels has gone away. I refuse to use a lane that puts slower cyclists like myself front and center in the middle of the street and differently vulnerable to the vehicular dynamics that I've witnessed during the "trial." There is no safe way to stop in the middle of the street to pull off to visit a business establishment or say hello to a friend on the sidewalk with ease. As such, people like myself, have stopped frequenting the neighborhood…and I live here! Too many businesses on Valencia Street have shut down due to diminished bike and pedestrian traffic, and I want to see my neighborhood of close to 20 years thrive once again. We want to see the city collaborate with the community to support the corridor's recovery. This must not be done at the expense of safety for people biking and rolling.
-

Please oppose the appeal before you today so we can stop delaying life-saving infrastructure from being built and keep the project on its construction timeline. Thank you for your time.

Warm regards,

Debra

To the Board of Supervisors,

I am a San Franciscan who has always found pride in living in a courageous city that models tolerance and sustainability. My primary mode of transportation is cycling and in the last 30 years it has been exciting to see and experience the ever improving infrastructure in which San Francisco has invested. San Francisco recognizes that the bicycle is of equal value to the car and public transportation. As a teacher, I am watching over the years how the number of bicycles at our school's bike rack is steadily increasing. San Franciscans are feeling safer than ever traveling on their bike; they are even allowing their children to cycle throughout the city.

While we San Franciscans want to support our small businesses, removing bike lanes is not the solution. Bike lanes draw people to neighborhoods and neighborhood streets. Bicycle racks along business streets bring business allowing cyclists to shop; public transportation brings people to businesses, and ride services such as Uber bring people to commercial neighborhoods. San Francisco has been a pioneer in supporting an infrastructure that supports people powered transportation and public transportation.

I strongly encourage the Board to support making the Valencia street bike corridor a permanent structure. We are a bold city who models that sustainability and thriving businesses can go hand in hand.

Sincerely,
Kirstin Weihl

Date:	Sunday, January 26, 2025 11:07:41 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear President Mandelman, Supervisor Fielder, and Supervisors,

I understand that there is an appeal regarding the mid-Valencia curbside protected bikeway project. This project went through a robust public planning process and was unanimously approved by the SFMTA Board of Directors on November 19th last year, and is already fully in line with our City's climate and sustainable transportation goals.

Valencia Street has been a key north-south corridor for people on bikes and active transportation for decades because it's less hilly than nearby parallel routes and connects well to Market Street and San Jose Avenue. Cyclists are going to use Valencia regardless of the street's design, so it's in the best interest of the city to make it as safe as possible with a curbside lane configuration. A curbside bike lane would also make storefronts more visible to cyclists and allow them to safely stop and explore businesses along the corridor.

Please oppose the appeal so we can stop delaying this critical infrastructure from being built and keep the project on its construction timeline.

Thank you,

Mitch Rassner

Dear Supervisors,

As a voter in District 8 and a member of the SF Bike Coalition, I urge you to continue investing in bike lanes and safer biking infrastructure.

I oppose the appeal regarding this process, as it runs counter to the vision of a safer, more sustainable, and bike-friendly city. Reverting Valencia Street to its previous state—with unprotected bike lanes and left turns—would be a step backward.

Thank you for your commitment to creating a safer, more accessible city for all.

Sincerely,
Nathan

Good afternoon President Mandelman, Supervisor Fielder, and Supervisors,

My name is Kenneth Grosserode, and I am a member of the San Francisco Bicycle Coalition. I live in District 8 in the Buena Vista / Corona Heights neighborhood.

I am here to ask that you oppose the appeal before you today. The Mid-Valencia Curbside Protected Bikeway went through a robust public planning process and was unanimously approved by the SFMTA Board of Directors on November 19th last year, and is already fully in line with our City's climate and sustainable transportation goals.

Valencia Street has been a key north-south corridor for people on bikes and active transportation for decades, because of its direct connection with other key corridors like San Jose Ave, 17th Street, and Market Street.

It's the flattest, low-grade street compared to parallel streets like Dolores or Guerrero. I use it regularly to bike north and south in the city.

Please oppose the appeal before you today so we can stop delaying life-saving infrastructure from being built and keep the project on its construction timeline. Thank you for your time.

Kenneth Grosserode

Good afternoon President Mandelman, Supervisor Fielder, and Supervisors,

My name is Alex Thornton, and I am a board member of the San Francisco Bicycle Coalition. I live in District 7.

I am here to ask that you oppose the appeal before you today. The Mid-Valencia Curbside Protected Bikeway went through a robust public planning process and was unanimously approved by the SFMTA Board of Directors on November 19th last year, and is already fully in line with our City's climate and sustainable transportation goals.

This appeal does not align with state law. Under SB922 and SB288, active transportation projects have statutory exemption from environmental review because they improve pedestrian and bicycle safety by constructing safe street infrastructure—which promotes our City's transit-first policy, Vision Zero, and sustainable transportation goals. The Valencia project clearly meets all requirements for statutory exemption, as required under California law. Exempting active transportation projects from CEQA means we can implement life-saving and environmentally friendly interventions faster and more cost effectively than we did before quick-builds were introduced.

Please oppose the appeal before you today so we can stop delaying life-saving infrastructure from being built and keep the project on its construction timeline. Thank you for your time.

Best,

Alex

Hello,

Please see below for communication from Alec Hawley regarding File No. 241192.

> **File No. 241192:** Hearing of persons interested in or objecting to the Statutory Exemption determination by the Planning Department under the California Environmental Quality Act issued on November 4, 2024, for the proposed Municipal Transportation Agency (MTA) Mid-Valencia Curbside Protected Bikeway project, which would implement bicycle and pedestrian safety improvements on Valencia Street by relocating the existing two-way center running bike lane on Valencia Street to curbside, protected Class IV bikes lanes on the blocks running from 15th Street to 23rd Street; the proposed bike lanes would be located directly adjacent to the curb or weave around curbside parklets; the proposed project would also remove or relocate existing parking spaces on some of the streets that intersect this section of Valencia Street to accommodate the relocation of existing bike share stations and adjust color curb designations. (District 9) (Appellant: Julio Ramos of the Law Office of Julio J. Ramos, on behalf of VAMANOS, a collective of Valencia Street merchants, artists, and residents.) (Filed December 4, 2024)

Charles Whitfield
Executive Committee Chair
Sierra Club SF Group

SIERRA CLUB
SAN FRANCISCO BAY

San Francisco Group of the San Francisco Bay Chapter

January 28th, 2025

To: San Francisco Board of Supervisors,
Planning Director Rich Hillis
SF Planning Commission and Staff:

Re File Number 241021: San Francisco Sierra Club Support for Modernizing San Francisco's Window Replacement Standards

Dear San Francisco City Leaders,

I am writing on behalf of the over 6,000 members of the Sierra Club in San Francisco to urge you to simplify and improve San Francisco's Window Replacement Standards by supporting Supervisor Melgar's proposed legislation (File Number 241021).

San Francisco's current Window Standards make it expensive and cumbersome to upgrade homes to be more climate resilient. Higher efficiency windows offer better insulation which reduces the amount of energy necessary to heat homes. Most homes (70%) in San Francisco are old (built before 1960) and 56% of homes in San Francisco use fossil fuels for heating.

The current Window Standards require that wood-framed windows be replaced with visually identical (often pricey) wood-framed windows. Removing homeowners window-frame material choice makes upgrading to high-efficiency windows unjustly expensive.

Making it cheaper and easier to upgrade windows is a critical step towards our city's ability to mitigate our climate impact by easing access to modern windows.

San Francisco's Climate Action Plan, published in 2021, states: *"As the majority of San Francisco housing was built before 1950, structural and weatherization upgrades such as windows and insulation also help protect people from earthquakes and climate hazards such as heat waves and wildfire smoke."*

We must prioritize climate-smart policies over aesthetics as we do our part to mitigate and adapt to climate change.

The Sierra Club values environmental justice: the current policy burdens renters and lower-wealth residents who are least able to afford upgrades. These communities are more

likely to live near freeways and experience noise and air pollution, further highlighting the importance of accessing lower-cost upgrades.

We urge you to support Supervisor Melgar's proposed legislation (File Number 241021) that allows more flexibility in window material upgrades. This is a no-brainer local policy improvement that helps homeowners, renters, and the climate.

Sincerely,

Charles Whitfield
Chair, Executive Committee
Sierra Club San Francisco Group

Subject:	Re File Number 241021: Modernize San Francisco's Window Replacement Standards by Reducing Onerous Window-frame Material & Aesthetic Requirements
Date:	Sunday, January 26, 2025 10:22:19 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

San Francisco Board of Supervisors, Planning Director Hillis, Commissioners and Staff:

I urge you to simplify and improve San Francisco's Window Replacement Standards by supporting Supervisor Melgar's proposed legislation (File Number 241021).

SF's current Window Standards make it more expensive and cumbersome to upgrade to high-efficiency windows. Higher efficiency windows offer better energy insulation, reduced noise and air pollution, and reduce condensation that can lead to mold. The oldest homes that need window upgrades the most are also the homes most dependent on fossil fuels for heating:

- 70% of SF's occupied homes were built before 1960.
- 56% of occupied homes in San Francisco use fossil fuels for heating.

The current Window Standards require that wood-framed windows be replaced with visually identical (often pricey) wood-framed windows. Removing homeowners window-frame material choice makes upgrading to high-efficiency windows unjustly expensive.

The current Standards prioritize "appearance" and "character" over comfort, cost savings and climate-smart decisions. These priorities are regressive, hurting renters most of all, as the added costs disincentivize property owners to upgrade rental property windows.

This SF Chronicle article and this opinion piece articulate renters & homeowners frustrations.

I urge you to improve San Francisco's Window Replacement Standards using the following guiding principles:

- **Equity** – giving people choice in window replacement materials improves accessibility for property owners with limited budgets, and makes upgrades more accessible to property owners on a budget (who also need to save most on energy costs!)

- **Climate** – the City should make upgrading to high-efficiency insulating windows easy and cheap; the more pricey it is, the fewer upgrades we see

- **Comfort** – reducing air and noise pollution shouldn't be a pricey luxury

- **Leave aesthetics to property owners –** we think it should be the property owners decision to invest in historic aesthetics, not a City mandate

With these principles in mind, I request the following modifications:

1. **Allow choice in window-frame materials.** I believe that property owners are best positioned to choose which window-frame materials are right given their financial situations and aesthetic preference. Some may value aesthetics, others may wish to put monetary savings towards other upgrades, like decarbonization or electrification.

2. **Remove aesthetic standards, like ogees and muntin requirements.** Let property owners be the ones to decide how their windows look. Just because a window was designed in a certain way decades ago doesn't mean it has to be that way forever. I want to live in a city, not a museum!

The current Window Standards document mentions "character" 17 times and "appearance" nine times. "Energy" is mentioned just eight times. "Cost" is mentioned just four times. "Comfort" isn't mentioned once.

I request a change in priorities: I want to see accessibility & equity, climate and comfort prioritized over character and appearance.

Thank you

These are brief anecdotes from	*I use 80% volume earbuds at night because the windows are so thin I can hear people walking about and all sorts of noise*

San Francisco residents, shared with their permission:

from the city streets. I have not been able to afford new windows because of how expensive wood windows are. My current windows are past their lifespan and I am stuck with them until I can save up basically a second downpayment to pay for new ones. - Mark Supinski, D9

I am renting a beautiful single family home. Being on the N line comes with noise and a lot of black dust in the house due to old wooden frame single pane windows. I discussed with the owner the idea of replacing the windows (they tried and failed to sell 2 years ago and I am convinced this is part of the issue), but permits and costs are prohibitive. I am thus sleeping poorly and running an air purifier continuously to keep air quality acceptable. It's a beautiful house otherwise, but its a shame that the city is prioritizing the "charm" of its neighborhoods over the health of its citizens. - Jules Landry-Simard, D8

I have 5 leaky wooden street-facing windows that no longer close and I cannot afford to replace with approved windows. My house is 30 feet up a hill but the standards are so prescriptive that I'm required to spend thousands on ogees that no one can see from the street. - Mario A Ramirez, D8

I had to replace the front windows to meet code. Coming from Europe, I was shocked I couldn't find any triple pane windows that met the SF code and it cost me about $24K to replace 7 windows that are impractical and energy (and sound) inefficient. As a dual citizen who grew up in Europe: this regulation makes no sense as this locks a market for sub-par windows vs. what is standard in other countries (Europe, Asia). From an aesthetics point of view, had I been in Europe, I could easily have found better quality windows that would maintain the integrity of the local style. To make it worse, front-facing windows are by definition facing the street, and therefore poor insulation means not only poor thermals, but also poor sound dampening. - Cedric Bermond, D2

I had to have custom wood-clad windows made to replace old rotted windows at a cost of $10k for 3 windows. Many other neighbors just replaced theirs with standard durable vinyl without repercussions or permits. This policy is ridiculous and

should be gone. Let homeowners make aesthetic decisions in their own home! - James Cortez D9

I was quoted 9k to replace 4 windows. A neighbor has black mold growing because his windows are so shoddy and hasn't been able to replace them due to the red tape and costs. -T. Hu, D5

We replaced 2 windows at our home, and it was a struggle to get the aluminum clad wooden windows approved. The planning department wanted us to put wooden ones in which would have been single pane and not cut out any city noise. - K. Parikh, D8

In 2023 we opened our walls during a remodel and found extensive water damage and rotten siding under the stucco due to the previous owners illegally replacing the windows without proper waterproofing. This meant we had to replace all the siding, stucco and 6 windows. Under the current standards we had to order wood or fiberglass, which would've meant a 4 month lead time and at least 3x the cost compared to more available vinyl windows. Construction couldn't proceed without the windows being installed. - Glen Park Resident, D8

I have old windows that are leaky and drafty. I would like to replace them but I have quotes from windows companies that are quoting me $37k and $26k. A normal Vinyl window would cost $5k-$7k. Modern Vinyl windows last longer than wood windows, they do much better with the SF's humidity, and look the similar as any wood window. Please let rational thinking win in SF, the arcane rules and extreme thinking are making housing expensive, its hurting the environment, and simply punishing home owners. Furthermore the window companies know this are preying on homeowners. - Resident, D9

My partner and I just bought our first condo, and it's freezing because some of the windows are originals from 1909. They leak heat constantly from the front half of our home. We've looked into replacing them, but the cost is 4x what it would cost to put in a modern vinyl window. The design decisions made by people in 1909, possibly with little thought, shouldn't

	be a set of handcuffs forcing us to sit in a cold living room — or worse, burning natural gas (methane) to stay warm. -David I., D1

Select individual above have offered anecdotes explaining why they feel strongly about this issue:

I use 80% volume earbuds at night because the windows are so thin I can hear people walking about and all sorts of noise from the city streets. I have not been able to afford new windows because of how expensive wood windows are. My current windows are past their lifespan and I am stuck with them until I can save up basically a second downpayment to pay for new ones. - Mark Supinski, D9

I am renting a beautiful single family home. Being on the N line comes with noise and a lot of black dust in the house due to old wooden frame single pane windows. I discussed with the owner the idea of replacing the windows (they tried and failed to sell 2 years ago and I am convinced this is part of the issue), but permits and costs are prohibitive. I am thus sleeping poorly and running an air purifier continuously to keep air quality acceptable. It's a beautiful house otherwise, but its a shame that the city is prioritizing the "charm" of its neighborhoods over the health of its citizens. - Jules Landry-Simard, D8

I have 5 leaky wooden street-facing windows that no longer close and I cannot afford to replace with approved windows. My house is 30 feet up a hill but the standards are so prescriptive that I'm required to spend thousands on ogees that no one can see from the street. - Mario A Ramirez, D8

I had to replace the front windows to meet code. Coming from Europe, I was shocked I couldn't find any triple pane windows that met the SF code and it cost me about $24K to replace 7 windows that are impractical and energy (and sound) inefficient. As a dual citizen who grew up in Europe: this regulation makes no sense as this locks a market for sub-par windows vs. what is standard in other countries (Europe, Asia). From an aesthetics point of view, had I been in Europe, I could easily have found better quality windows that would maintain the integrity of the local style. To make it worse, front-facing windows are by definition facing the street, and therefore poor insulation means not only poor thermals, but also poor sound dampening. - Cedric Bermond, D2

I had to have custom wood-clad windows made to replace old rotted windows at a cost of $10k for 3 windows. Many other neighbors just replaced theirs with standard durable vinyl without repercussions or permits. This policy is ridiculous and should be gone. Let homeowners make aesthetic decisions in their own home! - James Cortez D9

I was quoted 9k to replace 4 windows. A neighbor has black mold growing because his windows are so shoddy and hasn't been able to replace them due to the red tape and costs. -T. Hu, D5

We replaced 2 windows at our home, and it was a struggle to get the aluminum clad wooden windows approved. The planning department wanted us to put wooden ones in which would have been single pane and not cut out any city noise. - K. Parikh, D8

In 2023 we opened our walls during a remodel and found extensive water damage and rotten siding under the stucco due to the previous owners illegally replacing the windows without proper waterproofing. This meant we had to replace all the siding, stucco and 6 windows. Under the current standards we had to order wood or fiberglass, which would've meant a 4 month lead time and at least 3x the cost compared to more available vinyl windows. Construction couldn't proceed without the windows being installed. - Glen Park Resident, D8

I have old windows that are leaky and drafty. I would like to replace them but I have quotes from windows companies that are quoting me $37k and $26k. A normal Vinyl window would cost $5k-$7k. Modern Vinyl windows last longer than wood windows, they do much better with the SF's humidity, and look the similar as any wood window. Please let rational thinking win in SF, the arcane rules and extreme thinking are making housing expensive, its hurting the environment, and simply punishing home owners. Furthermore the window companies know this are preying on homeowners. - Resident, D9

My partner and I just bought our first condo, and it's freezing because some of the windows are originals from 1909. They leak heat constantly from the front half of our home. We've looked into replacing them, but the cost is 4x what it would cost to put in a modern vinyl window. The design decisions made by people in 1909, possibly with little thought, shouldn't be a set of handcuffs forcing us to sit in a cold living room — or worse, burning natural gas (methane) to stay warm. -David I., D1

Subject: Re File Number 241021: Modernize San Francisco's Window Replacement Standards by Reducing Onerous Window-frame Material & Aesthetic Requirements

San Francisco Board of Supervisors, Planning Director Hillis, Commissioners and Staff:

We urge you to simplify and improve San Francisco's Window Replacement Standards by supporting Supervisor Melgar's proposed legislation (File Number 241021).

SF's current Window Standards make it more expensive and cumbersome to upgrade to high-efficiency windows. Higher efficiency windows offer better energy insulation, reduced noise and air pollution, and reduce condensation that can lead to mold. The oldest homes that need window upgrades the most are also the homes most dependent on fossil fuels for heating:

- 70% of SF's occupied homes were built before 1960.
- 56% of occupied homes in San Francisco use fossil fuels for heating.

The current Window Standards require that wood-framed windows be replaced with visually identical (often pricey) wood-framed windows. Removing homeowners window-frame material choice makes upgrading to high-efficiency windows unjustly expensive.

The current Standards prioritize "appearance" and "character" over comfort, cost savings and climate-smart decisions. These priorities are regressive, hurting renters most of all, as the added costs disincentivize property owners to upgrade rental property windows.

This SF Chronicle article and this opinion piece articulate renters & homeowners frustrations.

We urge you to improve San Francisco's Window Replacement Standards using the following guiding principles:

- **Equity** – giving people choice in window replacement materials improves accessibility for property owners with limited budgets, and makes upgrades more accessible to property owners on a budget (who also need to save most on energy costs!)
- **Climate** – the City should make upgrading to high-efficiency insulating windows easy and cheap; the more pricey it is, the fewer upgrades we see
- **Comfort** – reducing air and noise pollution shouldn't be a pricey luxury
- **Leave aesthetics to property owners –** we think it should be the property owners decision to invest in historic aesthetics, not a City mandate

With these principles in mind, We request the following modifications:

1. **Allow choice in window-frame materials.** We believe that property owners are best positioned to choose which window-frame materials are right given their financial situations and aesthetic preference. Some may value aesthetics, others may wish to put monetary savings towards other upgrades, like decarbonization or electrification.

2. **Remove aesthetic standards, like ogees and muntin requirements.** Let property owners be the ones to decide how their windows look. Just because a window was designed in a certain way decades ago doesn't mean it has to be that way forever. We want to live in a city, not a museum!

The current Window Standards document mentions "character" 17 times and "appearance" nine times. "Energy" is mentioned just eight times. "Cost" is mentioned just four times. "Comfort" isn't mentioned once.

We request a change in priorities: We want to see accessibility & equity, climate and comfort prioritized over character and appearance.

Thank you,

~

Some individuals above have offered anecdotes explaining why they feel strongly about this issue:

I use 80% volume earbuds at night because the windows are so thin I can hear people walking about and all sorts of noise from the city streets. I have not been able to afford new windows because of how expensive wood windows are. My current windows are past their lifespan and I am stuck with them until I can save up basically a second downpayment to pay for new ones. - Mark Supinski, D9

I am renting a beautiful single family home. Being on the N line comes with noise and a lot of black dust in the house due to old wooden frame single pane windows. I discussed with the owner the idea of replacing the windows (they tried and failed to sell 2 years ago and I am convinced this is part of the issue), but permits and costs are prohibitive. I am thus sleeping poorly and running an air purifier continuously to keep air quality acceptable. It's a beautiful house otherwise, but its a shame that the city is prioritizing the "charm" of its neighborhoods over the health of its citizens. - Jules Landry-Simard, D8

I have 5 leaky wooden street-facing windows that no longer close and I cannot afford to replace with approved windows. My house is 30 feet up a hill but the standards are so prescriptive that I'm required to spend thousands on ogees that no one can see from the street. - Mario A Ramirez, D8

I had to replace the front windows to meet code. Coming from Europe, I was shocked I couldn't find any triple pane windows that met the SF code and it cost me about $24K to replace 7 windows that are impractical and energy (and sound) inefficient. As a dual citizen who grew up in Europe: this regulation makes no sense as this locks a market for sub-par windows vs. what is standard in other countries (Europe, Asia). From an aesthetics point of view, had I been in Europe, I could easily have found better quality windows that would maintain the integrity of the local style. To make it worse, front-facing windows are by definition facing the street, and therefore poor insulation means not only poor thermals, but also poor sound dampening. - Cedric Bermond, D2

Supervisors: We demand more transparency from SFCTA re: the Bike and Roll Plan and an immediate suspension until further impact studies, budget analysis and community input are completed.

Message:

Dear Elected Officials,

SFMTA is facing a $320mil deficit next year and threatening service cuts to MUNI and our iconic Cable Cars. SFMTA leadership should focus on cutting “Streets” projects and admin costs, not cutting MUNI and Cable Cars services, which actually generate revenue.

The Biking and Rolling Plan, directing SFMTA investments in the biking and rolling network for the next 10-15 years, is unvetted, non-transparent and devoid of any community input. Proposals in the draft deck linked below were presented this year and many are planned within the next five years. The proposals are confusing, without valid reasoning, lacking in environmental impact studies and will have devastating impacts on the freedom of mobility for SF residents and beyond.

To illustrate our point of the need for more transparency and clarity, we direct you to the Biking and Rolling presentation (https://url.avanan.click/v2/r01/___https://www.sfmta.com/media/41116/download?inline___.YXAzOnNmZHQyOmE6bzphNjA5MDQyNTBmMDhjMjM0M2M0ODg0MTAxZThhZjI0Mzo3OjIxNWU6ODFmODgxM2VhM2FhNzAyM2QwZjRhZDgyNGUxMjI0ZDg0NGIwMjMzZThmODRiOGMwMTUxOGQyZTgyYzg2ODJjNDp0OlQ6Tg)
Look at page 59 and focus on Chain of Lakes Drive and the Great Highway between Fulton and Lincoln: what exactly is the proposal promoting? Is it, or isn’t it car-free? Hard to tell for average folks when SFMTA lists multiple options under the same color designation (see page 64). How is the public supposed to figure this out so they can ask the right questions, or fight back? We demand transparency!
These plans should be revealed to and discussed with voters PRIOR to implementations and certainly prior to our voting on Prop K. These highly impactful changes to our city streets need to be publicized NOW to avoid more damaging street closures or road diets.

Furthermore, the Biking and Rolling Plan proposals either drastically reduce the capacity of or completely close Chain of Lakes Drive to cars. San Francisco's recovery requires our leaders to STOP doing ANYTHING that discourages tourism and access to our shared city streets. Mobility for all residents and tourists must continue unhindered for SF to have any chance at a successful economic recovery.

Adding further uncertainty, Scott Wiener’s new legislation, promoting an eventual transit/HOV-only lane on 19th Ave, which will reduce the automobile capacity of 19th Avenue by almost one-third in either direction. We can expect massive gridlock and negative environmental impacts from increased congestion and decreased visitors to our museums, restaurants, plays, and shops from North and South Bay.
https://url.avanan.click/v2/r01/___https://sd11.senate.ca.gov/news/senate-transportation-committee-passes-senator-wieners-street-safety-package___.YXAzOnNmZHQyOmE6bzphNjA5MDQyNTBmMDhjMjM0M2M0ODg0MTAxZThhZjI0Mzo3OmM0MDc6NGY0NTNjZjQxZmY0YjI1ZDIyNTJmNzEzMTllZTJlMjJkNTU1ZTFmZjU5NjBlMGE0MzA3YjUwNzBkNjhlYWM2Nzp0OlQ6Tg

At a bare minimum, what’s proposed in the attached Biking and Rolling Plan should never be considered until after the 19th Avenue repaving project is completed.

SFMTA should be reminded that its primary function is public transit, not vanity street projects. SFMTA should be held accountable to all SF residents, not just a tiny minority special interest group. It should not be allowed to hinder our city’s economic revival by thwarting tourism and decreasing the ability of North and South Bay folks to come to enjoy all our city has to offer.

We demand transparency from SFMTA and SFCTA and to be heard on decisions impacting our shared city streets. We require that our elected officials protect all San Francisco residents' freedom of mobility.

Thank you.

Halt Expensive, Anti-Recovery, Anti-Functional SFMTA Bike & Roll Plan

Message:

Dear Mayor Lurie, Board of Supervisors, and SFMTA,

Please save our city from more irresponsible SFMTA actions (eg: Valencia St and Kirkham neckdown). SFMTA is facing a $320mil deficit next year but instead of improving MUNI to make this a world-class transit city they propose to spend untold millions of dollars on street redesign.

Almost 70% of San Francisco households own a car, and ALL residents deserve congestion free, safe, easy to navigate streets.

The 250+ page Biking and Rolling Plan is unvetted, not transparent and devoid of any meaningful community outreach or input. Proposals in the draft deck were presented this year and many projects are planned within the next five years. The proposals are confusing, without valid reasoning, lacking in environmental impact studies and will have devastating impacts on recovering our economy and freedom of mobility for SF residents, visitors, and commuters.

To illustrate the need for more transparency and clarity, we direct you to the Biking and Rolling Plan (https://url.avanan.click/v2/r01/___https://www.sfmta.com/media/41116/download?inline___.YXAzOnNmZHQyOmE6bzowZDE5MzhhYzZmYTY1MTNjYTgxMjdiM2EzOGZmMzQzOTo3OmFhNTA6ZTUzZmUxNzQ1NTYyZTgxODBlYmIyOGU5ODkwNTkxNjhiM2ExYWYzNjFhNzU3N2ZmZGE0NjllOTg1NTQ1NjBlOTp0OlQ6Tg). Look at page 59 and focus on Chain of Lakes Drive and the Great Highway between Fulton and Lincoln: Is it, or isn't it car-free? These plans should be publicized widely and discussed with voters PRIOR to implementation, and should reflect fiscal responsibility when MUNI service cuts are being threatened in the face of massive deficits at SFMTA.

San Francisco's recovery requires City leaders to STOP doing ANYTHING that discourages tourism and access to our City. Access for all residents and tourists must continue unhindered for San Francisco to have any successful economic recovery.

Thank you,

Proposals in the draft deck were presented this year and many projects are planned within the next five years. The proposals are confusing, without valid reasoning, lacking in environmental impact studies and will have devastating impacts on recovering our economy and freedom of mobility for SF residents, visitors, and commuters.

To illustrate the need for more transparency and clarity, we direct you to the Biking and Rolling Plan (https://url.avanan.click/v2/r01/___https://www.sfmta.com/media/41116/download?inline____.YXAzOnNmZHQyOmE6bzoxMTkyZWMzN2FlNDg5Mzg5NzczMmQyN2RlZjBkMDQzYzo3OmU0ZTc6ZTNjMWE4YzBlOTQ0MTZmMWRlZDJjOGZjOWE2YmE3MWNiZDZkZjEyMTg0YmMyM2U0MzY4ZmIyZjAxODVhMmJlODp0OlQ6Tg). Look at page 59 and focus on Chain of Lakes Drive and the Great Highway between Fulton and Lincoln: Is it, or isn't it car-free? These plans should be publicized widely and discussed with voters PRIOR to implementation, and should reflect fiscal responsibility when MUNI service cuts are being threatened in the face of massive deficits at SFMTA.

San Francisco's recovery requires City leaders to STOP doing ANYTHING that discourages tourism and access to our City. Access for all residents and tourists must continue unhindered for San Francisco to have any successful economic recovery.

Thank you,

Halt Expensive, Anti-Recovery, Anti-Functional SFMTA Bike & Roll Plan

Message:

Dear Mayor Lurie, Board of Supervisors, and SFMTA,

Please save our city from more irresponsible SFMTA actions (eg: Valencia St and Kirkham neckdown). SFMTA is facing a $320mil deficit next year but instead of improving MUNI to make this a world-class transit city they propose to spend untold millions of dollars on street redesign.

Almost 70% of San Francisco households own a car, and ALL residents deserve congestion free, safe, easy to navigate streets.

The 250+ page Biking and Rolling Plan is unvetted, not transparent and devoid of any meaningful community outreach or input. Proposals in the draft deck were presented this year and many projects are planned within the next five years. The proposals are confusing, without valid reasoning, lacking in environmental impact studies and will have devastating impacts on recovering our economy and freedom of mobility for SF residents, visitors, and commuters.

To illustrate the need for more transparency and clarity, we direct you to the Biking and Rolling Plan (https://url.avanan.click/v2/r01/___https://www.sfmta.com/media/41116/download?inline___.YXAzOnNmZHQyOmE6bzoyYmQ2NDhkY2ZjZjA3MTViOWMzOGY0ZGI1NjhmZTkwNTo3OjczNGY6YzM5MWM1YmM0N2U2MTkzNmE5YzlmNDY0OWI3OGE2YTg2YmFlYTNmODFkMDAwYjQ0NTBlYzU5MGVlNWVkOTJlNDp0OlQ6Tg). Supervisors: We demand more transparency from SFCTA re: the Bike and Roll Plan and an immediate suspension until further impact studies, budget analysis and community input are completed.

Message:

Dear Elected Officials,

SFMTA is facing a $320mil deficit next year and threatening service cuts to MUNI and our iconic Cable Cars. SFMTA leadership should focus on cutting “Streets” projects and admin costs, not cutting MUNI and Cable Cars services, which actually generate revenue.

The Biking and Rolling Plan, directing SFMTA investments in the biking and rolling network for the next 10-15 years, is unvetted, non-transparent and devoid of any community input. Proposals in the draft deck linked below were presented this year and many are planned within the next five years. The proposals are confusing, without valid reasoning, lacking in environmental impact studies and will have devastating impacts on the freedom of mobility for SF residents and beyond.

To illustrate our point of the need for more transparency and clarity, we direct you to the Biking and Rolling presentation (https://url.avanan.click/v2/r01/___https://www.sfmta.com/media/41116/download?inline___.YXAzOnNmZHQyOmE6bzplYmQzZmFiMTViYmM2MzMyYjYxOGNlZjNjOGRmYzcwYTo3OmMzZDM6YWIwMTVlN2M4ZmMyYzMwNjczOTM3M2U1YTVhN2ZhMDE3YjFhMWNiOGRjY2M5MGQ4ZjFlNWYwMWQ0Y2EwYzliYTp0OlQ6Tg)
Look at page 59 and focus on Chain of Lakes Drive and the Great Highway between Fulton and Lincoln: what exactly is the proposal promoting? Is it, or isn’t it car-free? Hard to tell for average folks when SFMTA lists multiple options under the same color designation (see page 64). How is the public supposed to figure this out so they can ask the right questions, or fight back? We demand transparency!
These plans should be revealed to and discussed with voters PRIOR to implementations and certainly prior to our voting on Prop K. These highly impactful changes to our city streets need to be publicized NOW to avoid more damaging street closures or road diets.

Furthermore, the Biking and Rolling Plan proposals either drastically reduce the capacity of or completely close Chain of Lakes Drive to cars. San Francisco’s recovery requires our leaders to STOP doing ANYTHING that discourages tourism and access to our shared city streets. Mobility for all residents and tourists must continue unhindered for SF to have any chance at a successful economic recovery.

Adding further uncertainty, Scott Wiener’s new legislation, promoting an eventual transit/HOV-only lane on 19th Ave, which will reduce the automobile capacity of 19th Avenue by almost one-third in either direction. We can expect massive gridlock and negative environmental impacts from increased congestion and decreased visitors to our museums, restaurants, plays, and shops from North and South Bay.
https://url.avanan.click/v2/r01/___https://sd11.senate.ca.gov/news/senate-transportation-committee-passes-senator-wieners-street-safety-package___.YXAzOnNmZHQyOmE6bzplYmQzZmFiMTViYmM2MzMyYjYxOGNlZjNjOGRmYzcwYTo3OmJjOGM6M2Q0Zjk4ZjFiNmY1YjhjNjEzMWJhMzY3NGRjZGRjNTMxY2MyZmJjMTQ3ODAyMGYzYjIzMTJkYThjOTZiZDRiODp0OlQ6Tg

At a bare minimum, what’s proposed in the attached Biking and Rolling Plan should never be considered until after the 19th Avenue repaving project is completed.

SFMTA should be reminded that its primary function is public transit, not vanity street projects. SFMTA should be held accountable to all SF residents, not just a tiny minority special interest group. It should not be allowed to hinder our city’s economic revival by thwarting tourism and decreasing the ability of North and South Bay folks to come to enjoy all our city has to offer.

We demand transparency from SFMTA and SFCTA and to be heard on decisions impacting our shared city streets. We require that our elected officials protect all San Francisco residents’ freedom of mobility.

Thank you.

Please save our city from more irresponsible SFMTA actions (eg: Valencia St). SFMTA is facing a $320mil deficit next year but instead of improving MUNI to make this a world-class transit city they propose to spend untold millions of dollars on street redesign.

The 250+ page Biking and Rolling Plan is unvetted, not transparent and devoid of any meaningful community outreach or input. Proposals in the draft deck linked below were presented this year and many are planned within the next five years. The proposals are confusing, without valid reasoning, lacking in environmental impact studies and will have devastating impacts on our economy and the freedom of mobility for SF residents and beyond.

To illustrate the need for more transparency and clarity, we direct you to the Biking and Rolling Plan (https://url.avanan.click/v2/r01/___https://www.sfmta.com/media/41116/download?inline___.YXAzOnNmZHQyOmE6bzowNjFhZDkxMTdlZWQyOTVlNjYyNmMwM2ZjNDg3YjMxYTo3OmU5MzY6NDhlMjU1MzQ1YTg5YWM3YTY2Y2U5OTVlNTJhYTg2Y2Y5M2E4YzBhMzc3OTk3MmU4ZDhjOWYyYmNiNDk3Mjc0Zjp0OlQ6Tg) . Look at page 59 and focus on Chain of Lakes Drive and the Great Highway between Fulton and Lincoln: Is it, or isn't it car-free? These plans should be publicized widely and discussed with voters PRIOR to implementation, and should reflect fiscal responsibility when MUNI service cuts are being threatened in the face of massive deficits at SFMTA.

San Francisco's recovery requires City leaders to STOP doing ANYTHING that discourages tourism and access to our City. Access for all residents and tourists must continue unhindered for San Francisco to have any successful economic recovery.

Thank you,

Subject:	Valencia Bike Lane
Date:	Thursday, January 23, 2025 12:00:36 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

I heard that the Valencia center running bike lane is under threat and I wanted to express my support for it. The Valencia center bike lane makes me feel safe and at ease, and I'm concerned that the side-running bike lanes will increase the conflict between pedestrians, bicycles, cars, and parklets while reducing parking and causing more dangerous double parking in the vehicle lanes. The 12-month evaluation is out showing positive metrics including a negligible decrease in vehicle speeds over the corridor. Please let's keep the Valencia Center Running Bike Lane and instead continue to make safety improvements and merchant corridor enhancements to what we have in the ground!

Law Enforcement Abusing Anti-Terrorism Legislated Authorization for Illegal Targeted Ops against Innocent Political Targets "**Another SF Chronicle Article that Links SanFran P.D. to a Federal Murder Suspect Makes no Sense unless its Strategically Placed Propaganda for a different Federal Case and Illegal Targeted Op Against another Suspect/Victim**."
By: Daniel Jeremiah Hoffman, Investigative Journalist and Attorney Per Se at SF Liberator News.

San Francisco 01/30/2025. In a Recent SF Chronicle Article Provided to me in my search results and viewable free without a registration, https://www.sfchronicle.com/sf/article/sfpd-id-20064070.php, has a suspicious .php URL, and, as an Unconstitutionally targeted journalist I am well aware, and have been reporting on the illegal use of "Internet Disruption", authorized in Anti-Terrorism Legislation but only with confirmed intel of an attack or to disrupt fund transfers for things like purchasing weapons and/or to stop a direct internet attack, But Federal Law Enforcement has run away with this Authorized Use and have begun strategically placing misinformation, the use of which is also being abused illegally by Law Enforcement, in suspect's search results, propaganda designed to implicate the suspect by collecting this designed content, URL's and even planting names, dates, places, and other details that are then intentionally misrecorded and presented in a case file against a suspect/target, in other words they engineer false evidence, sometimes with the Audacity to present this information to a Judge to get a Warrant to continue further so called investigations and make their illegal targeted Ops look legitimate even getting Authorization to use the Federal resources of Containment using Operational Actors and trapping the target in Psy Op conditions and intellectual blockades to collect evidence to call into question the targets mental state to block him/her from testifying or representing himself in court seemingly for his own benefit, even poisoning a target with non-lethal chemicals was authorized in Anti-Terror legislation, but again this was only authorized to stop an act of terror confirmed with intel and with reasonable suspicion but it is being abused in ways to merely get a target to frequent bathrooms in coordination with the placement of operatives with the intent to fabricate false media surveillance and imply a relationship between the target and other people who enter into or were placed before hand in the bathroom the same way Federal Agencies will take advantage of illegal or even authorized surveillance of a target and use the places he frequents and guide their suspicions operational actors into those locations sometimes even having employees in place to make an unsubstantiated claim and provide false witness to

cover up the Op and then use a false report to local P.D. who is used at just the right moment to record this multi-agency activity as if it was all a naturally occurring incident or designed to substantiated the false intel already provided by another agency. Why this propaganda and strange SF Chronicle Article made it into my search results I can only make an educated guess that I have been listed as a political target for exposing the Globalized Nature of Organized Crime as being a covert Domestic Security Op coordinated in tandem with Law Enforcement for the purposes of Population Control, Profiting the Stocks of Corporate Partners in a system of Victim Based Economics and Eugenic Cleansing (covert Genocide). All I know is that after submitting a notice of professional courtesy to local, state, and federal, agencies in regards to my undercover work as a journalist, I was woken up suspiciously by a local officer or agent wearing an SFPD uniform this morning, my guess is because they wanted me awake to run one of these multi-agency operations against me at a certain and specific time at the breakfast place I eat which just so happened to be outside a San Fran B.A.R.T. terminal where a Latino man wearing similar clothing as me was arrested right in front of the small restaurant I eat at every weekday, was this all coordinated, maybe just to get surveillance of me in the area and implicate me to this Latino individual who was arrested? It seems very possible, as I have been writing articles exposing the Illegal circumstances of recently reported I.C.E. operations connected to a Conservative agenda to reduce the Tax-burden of supporting immigrants, even using Canadian Agents in the San Francisco area who have motive to keep the displaced immigrants form fleeing to their country. All I really know from my years investigating the connection between the activities of Federal Agencies in coordination with Organized Crime and the tools, tactics and technology of Illegal Targeted Ops against political, racial and religious targets, including using military grade non-visible communication devices in operational actors, released inmates, and other suspicious people, in choreographed operations designed to produce false evidence, I know from my direct experience as a targeted/victim and a journalist who has been collecting intel against these Globalists who have been influencing the direction of our local, state and federal government's policy making in their interest and for their profit and how they also create the Law Enforcement Policies and Procedures in ways to compliment the activities designed to target the perceived threats labeled by this Nationalist Socialist Global Crime Syndicate. For instance, the use of tactical arrests at the expense of real investigations and evidence gathering, anyone can make a police report of a suspicious person or activity, give a description of the suspect and the police will respond with a tactical assault when they see a suspect who merely matches that description, even when they could have first collected and viewed available direct and surrounding video surveillance of the reported suspect to get a confirmed I.D. first, instead they just attack and say, (with sarcasm) "Oops my bad for roughing you up, handcuffing you and charging you with a crime", when both the incident and the arrest could have been avoided with a little quick investigative work, these tactical arrests costs tax-payers a fortune and disrupt the lives of the suspects arrested to the point that they end up a further burden to the tax-payers and trapped in the welfare system because employers and the public are looking at arrest records and not the judicial disposition, this is a social barrier and acts as social-economic warfare against the often defenseless immigrants, minorities and the poor targeted and then just processed in criminal justice as quickly as possible to protect the officer's reputation at the expense of the tax-payers when the whole incident could have been avoided if they would have investigated the intel correctly, especially if another agency is providing intel, why would the Feds be giving you intel for low level crimes unless they are attempting to discredit a target of a Federal Investigation whom they have been already abusing the Anti-terror or other Legislated Authority against in efforts specifically designed to make the suspect/target fit a low level profile? Local Officer's shouldn't allow themselves to be abused this way by false intel and with the amount of money involved in organized crime connected to the stock markets and the amount of government contracts being awarded as connected to this Victim Based Economics of human management, the Feds have motive to protect themselves from being exposed for committing crimes against humanity and abusing the legislated Anti-terror authority for purposes that are both cruel and unusual of a person falsely contained by the illegal abuse of those legislated activities. The funny thing about

these psychopaths targeting me unconstitutionally is that I am investigating them based on intel and material evidence I had collected and stored since 2003 just waiting for them to try and attempt to prosecute me with their fabricated evidence, these Neanderthals are so ignorant and prideful, because they have been getting away with this manipulation and control over us racial and religious minorities for so long, they will not even read this article if they even have the literacy to comprehend the subject matter, but instead in an act of intentional negligence choose to be delusional to my protected rights to Freedom of the PRESS and keep me contained with internet disruptions while they run their operational actors by me all day long in an attempts to link me to low level criminal activity, of which my reports are implicating their Agencies as covertly managing all low level criminal activity with the same technology as a military operation in the benefit of their corporates partners whose stocks are attached to their retirement accounts. So the motive against me is real by both Canadian and U.S. Agencies but regardless if today's events are connected to me or not, we cannot dismiss away the suspicious nature of coordinated activity and the potential for abuses of legislated authority including internet disruptions to produce false evidence against a target.

An Agenda to Destroy Human Value? The Socialists are Using the same models to train AI technology as they do in Human School Students but this reinforcement learning to improve performance on math, logic, and reasoning questions leads to Blind Automation not real Intelligence."

By: Daniel Jeremiah Hoffman, Investigative Journalist and Attorney Per Se at SF Liberator News, https://sfliberatornews.weebly.com/

San Francisco 01/29/2025. Parrots are fun pets and their mimicry is an interesting novelty but I wouldn't want one running my sales team or prescribing medication to my children but this is where AI is heading, they want to replace the Human Professional class with AI bots and remove human accountability from any of the government or corporate deliverables, this includes information, healthcare, education, media, food and beverages, and any other material necessity or essential service that human beings need to be maintained, distracted, and guided and used as labor. But the AI Bots are being trained with the exact same methodology as the human students, the methodology which according to one writer on NPR who reviewed a, "report, released every two years, uses data provided by the National Assessment of Educational Progress and gives a glimpse at how the nation's students are doing in math and reading" she says the "declines in math and reading were made worse by the pandemic, but they actually started before, around a decade ago" and while I see the push to improve math and reading as important we just create proverbial parrots if we don't place emphasis on comprehension and understanding which have taken a back seat in learning and scoring with so many schools trying to meet federal guidelines to obtain funding, guidlines that seem to have placed more importance on teaching students to memorize and repeat with improved accuracy rather than challenge the way they think towards expanding the comprehension and understanding of the students so they can see greater interconnectivity between the things they learn scholastically and observed in their daily lives, but this "reinforcement learning" to improve performance on math, logic, and reasoning questions just leads the students to become blind automatons, like parrots, and with concerns raised in a recent Fortune article as how a Chinese company reportedly acquired AI Technology by using a

controversial method that may have threatened an American Company's claims to AI Innovation, the model in both companies in question to train their AI Software is just the same socialist reductionist methodology that turn our children into Blind Automatons and will never be a substitute for a fully functioning human brain no matter how they "improve performance on math, logic, and reasoning" all we will ever really produce is either, to use some Sci-fi Star Trek references for illustration, either "Spok" like human beings or AI bots that behave like "Data" in the next generation series, these socialists view empathic brain functioning as a weakness so they just omit this critical part of the brain which is responsible for the evolutionary leaps human beings have made in judgement, creativity and decision making, from all of their learning models. For AI developers it is just a feature that is impossible to develop, especially from developers raised in a socialist education system as technical parrots, all AI can do is mimic a recorded human empathic response and maybe be prompted to act when that empathic response is appropriate but it will be obvious and unnatural and AI won't ever be able to use real empathy to obtain to the critical forms of thinking necessary for innovation and creativity because this all happens because developed empathic brain functioning allows us to make more synaptic connections that build a neural network by making "leaps" and establishing connections in ways that are unpredictable to programmers because this empathic functioning can connect past and future to the present in advantageous ways, meaning the human brain can use unseen and non-recordable data and incorporate it with all of its known and retrievable information, something AI will never be able to do because it is all programmed and to program anything you essentially just take what already exists and give access to that information to what you are programming and repeat and optimize the retrieval process to be more efficient and you can make the delivery of that act of retrieval seem logical and reasonable but never will it be an act of creativity that is advantageous to the progression of our species and this omission can only be indicative that they want a society of blind automatons and don't care if they are robotic or humanoid, and as the school system continues to create Blind Automatons as students and the AI Bots are designed the same way but with more efficiency the value of human life will diminish, unless we change our school curriculum and learning models to focus on comprehension and understanding and develop heightened empathic abilities, otherwise the AI bots will out compete us humans with their efficiency. And for our Nationalist Socialists Leaders, who have empathic disorders and mental illness themselves that make them cold and psychopathic in their decision making, "Value" is everything and they really don't care if it is a human or a robot, so if we humans want to continue in their system I suggest we start gaining comprehension, understanding, and practice empathy so that our human brains can make those leaps and produce innovation that out values the efficiency of the AI bots or we will be replaced as having no value to the perpetuation of their State/Corporate totalitarian system, this is an agenda to destroy human value so we humans have to take personal responsibility each of us to bring a value that can't be recorded, duplicated, programmed and made more efficient using AI bots. We have to be the idea makers otherwise the system records this as the pinnacle of civilization and the end of human worth and will respond by replacing human life because it decreased in value to the system, the system refuses to recognize its own systemic flaws that actually are responsible for decreasing the value of human life because the system is programmed with the National Socialist sciences of reductionism, behaviorism including Conditioning and reinforced learning models as its primary operating parameters for producing labor with a goal of optimizing that labor and the output in the sub-systems with efficiency, it is just measuring input and output so we have to learn to be creative and produce output in better ways than what the efficiency of the AI bots produced and we have to develop that creative output in ways that can only be administered by human beings therby reaing our value. The system won't change until evidence of change in substantial enough portions that change is in its best interest so Choose in your own life to stop being a parrot, devote yourself to improving your brain functioning by learning with comprehension and understanding and practice empathy when real situations present itself, don't play into the mimicry of actors and theatrics but when you see a real need or opportunity to help a person as a natural occurrence in your daily life act on it with full compassion, overtime as you dedicate yourself to this practice your faculties of mind and brain will

expand and you will gain the ability to make those neural connections in ways that the AI bots can't compete with.

With 218 arrested in 30 days on SF's troubled Sixth Street corridor? We are seeing new imported Canadian Homeless People Everyday on the streets to Replace those arrested. Are Canadian Conservatives Waging War on San Francisco?
BY; Daniel Jeremiah Hoffman, Investigative Journalist and Attorney Per Se at SF Liberator News, https://sfliberatornews.weebly.com/
Referenced Article: https://www.kron4.com/news/bay-area/218-arrested-in-30-days-on-sfs-troubled-sixth-street-corridor/

San Francisco 01/28/2028. I am excited that Police are clearing the streets of these Homeless, Mentally Ill, and the Disruptive People who are engaging in Open Drug Use and Street Theatrics as their presence on the streets with this behavior just strengthens the negative stereotypes the poor and minorities we already have to fight everyday, but, as I am living on the streets and sleeping outdoors during my on-going investigations I want to know what are the Outcomes of those arrested and are they just getting rereleased onto the streets after a 72 hour hold with an armful of state paid pharmaceutical drugs? And, as I am the only Journalist at the street level my reports of new faces on the streets must be taken seriously as more new homeless people seem to be arriving everyday to replace those arrested, and the surrounding public and private security cameras can confirm these new faces as everyday and even at night, at least in the areas where I frequent, I am getting harassed, woken up, antagonized by mentally ill homeless people. Is this economic warfare from Conservative Canadian Law Enforcement who are trying to bankrupt our Liberalism in San Francisco as those arrests and incarcerations and mental health evaluations triggered by the Police Enforcement Actions mentioned in the above article costs the city of San Francisco and the Tax-payers lots of money and is draining the public purse when we are already facing a massive deficit, so the question is, why do so many of these homeless mentally ill people appear to be Canadian and where the hell are they coming from? Someone is importing and transporting these people here every day and only Law Enforcement has the ability to transport Human Beings undetected? So is it Socialist Canadian Partners on the Left trying to create profits for healthcare corporate partners like psychiatric pharmaceutical companies by dropping their

victims onto our streets using these human beings to drive demand for more services that transfer wealth to these partner corporations or is it Racists Conservative Canadian Law Enforcement, which I have also noticed an unnatural amount of here perhaps working with I.C.E. agents, dropping these Canadian Homeless Victims off to cause economic strain to the overall social service delivery system to make it hard to support the racial and religious minority immigrants here for sanctuary in favor of helping the Caucasian Canadian victims being littered on our streets as our funding runs dry forcing us to choose between the two to cause racial tensions? I am on the streets investigating these matters and will continue to report but we are definitely receiving new homeless victims on our streets every day and the Liberal Socialists have motive to benefit the Corporate Partners in Human Management using human beings as a commodity but racist Canadian Conservative Federal Agents also have a motive to be in San Francisco and are Partners with I.C.E. and Immigration as Canada wants to reduce the immigrant perceived threat as much as I.C.E. to keep them contained in San Francisco so they don't flee to Canada forcing a tax-burden on their country for hosting them, and both Countries and their Law Enforcement have motive to run operations against me, so I appreciate all of the continued financial support from the the Critically thinking Intelligent Empathic Pro-democracy and Social Justice People on the streets of San Francisco who I receive donations from to help me maintain my health and hygiene to continue these investigations and report the truth as an eyewitness on the streets. One thing I know for sure from investigations into other jurisdictions is that when Homeless People increase both in population count and disruptions it is usually indicative of and motivated by a corrupt federal agency with an agenda. I'll keep my readers posted as this story unfolds. I also want to thank the Local P.D. for their hard work, we all know policing crazy homeless people and junkies isn't your favorite part of the job but we all appreciate you out their protecting us during this Cold War type invasion of San Francisco, Stay Safe and God Bless!

"For Judges and Criminal Defense Attorneys: The Age of Non-visible Communication Devices. Exposing False Witnesses with Brain Imaging- A Case to allow Brain Imaging of a Witness to Prove False Witness and Criminal Conspiracy in Court."
BY: Daniel Jeremiah Hoffman, Investigative Journalist and Attorney Per Se.

San Francisco 01/28/2025. Providing False Witnesses is nothing new, as old as Biblical Times, and as we have advanced to the point of non-visible communication devices, as such used by Private Security, Police and in Coordinated Military Operations, so we have to take seriously that the witnesses whose reports trigger police investigations against suspects could be a fabrication just to trigger those investigations coordinated as a targeted op similar to those Military Oversees Operations. These coordinated targeted ops are also nothing new and was the tactic of the Jim Crow Societies of the South against black community members where entire white populations in a town would conspire against a black citizen to frame or entrap them into crimes often using false

witnesses many times children or young women would provide that false witness as the Jim Crow members like to abuse the image of innocence held in the public mind of children and young women against an oppressed minority man simply because that man was educating others, helping them to learn to read and write or explaining how the law and civil rights work in a Democratic society or how in a free market we all have the right to choose our own occupation and earn our own money selling our skills or talents or ideas and innovations to gain economic independence of that system that perpetuated and supported white dominance regardless of education level, race, religion, nationality or creed, all of these things threatened the white dominance of the society itself over the recently freed slave population and other immigrants and gave those white community members motive towards criminal conspiracy. To illustrate this point I have included an image of the Hit Comedy, "My Cousin Vinny" starring Ralph Macchio and Joe Pesci, a film that put a comedic spin on a serious issue, namely that Immigrants, former slaves and family members of immigrants, in this case Italian Americans, were being targeted in these Jim Crow Communities well into the 90's often using False Witnesses and planted evidence leaving the case mostly a matter of using the prejudice and negative stereo types formed against immigrants and minorities to overpower any semblance of Justice and Due Process, as the entire community would conspire together at times even people of the same color or nationality of the suspect would be pressured with treats to their livelihood or to the lives of their family to participate as a false witness against a fellow minority to give the White Jim Crow Conspirators credibility in their claims. These facts are well documented as historical fact and cannot be argued against because they were the basis of major changes and protection in the administration of Justice in the Judicial System including the video recording of hearings. Also, as a Grandnephew of a Jewish Holocaust survivor on my Father's side I would like to mention the case of the Nazi society and their Community Policing efforts that were used to create citizen spies and operatives to target and entrap Jews who were hiding from being forced into the Ghettos or Concentration Camps and any sympathizers who might help them, they became in Nazi Germany so Paranoid and Obsessive Compulsive about potential Jew sympathizers that they created Profiles on every citizen and attempted to identify psychological and genetic traits that cause this empathic response in support of the Jews and then just targeted people who merely fit this "profile" rather that obtaining any actual material evidence of their supporting the Jews, everyone was potentially a target of the mentally ill Nazi National Socialist Profiling and targeted ops except those that were just blindly obedient and those people all suffered in intelligence and I.Q as a result of their blind obedience. In the Nazi society they kept every citizen on rations provided by the state making them dependent on those rations that met their basic needs but always left them desiring more which made it easy for the Nazi S.S. and Gestapo to incentivize the citizens against the Jews who were being blamed for the Nazi National Socialist occupation and takeover of European Democracy to the point that anyone who even whispered a dissenting voice would get reported on by fellow citizens and targeted and arrested and those arrests were backed up with a type of Legalism seemingly written to just process these people as criminals with rubberstamping techniques that seemingly gave the government plausible deniability for the abuses to Due Process protections, again, these are historical facts and cannot be argued against, in how out of control prejudice can taint the public mind to the pint that a psychopathic false justification is made mentally as mass hysteria against a targeted population and how this severe form of mental illness can infect whole communities in ways that they coordinate and conspire together to protect their socially reinforced system of psychopathic control over the free and democratic principles of justice and fairness in regards to a targeted person or minority population who has been viewed as a perceived threat based on that projected mental illness of the sick society. We have the Jim Crow Governments and the Nazi National Socialist Governments as real world Case examples of a phenomenon that can only be described as a dangerous social disease that erodes Democracy and degrades the justice system to a mere processing role. And we have since found no evidence that all prejudice, despite all attempts to provide appearances otherwise by using cleverly designed diversification programs, that racial, political and religious prejudice has disappeared, in fact, all evidence would point to the conclusion otherwise and that prejudice, like technology, has

just become more advanced and cleverly able to be hidden but is as strong and dangerous as a social disease in our society as ever and especially as the countries become polarized into two primary ideologies of Conservatism and Socialism, we not only have deep prejudice seated as emotional reaction in the citizens on both sides of the fence giving motive as we have segregated our Society into a mere Politically Identified Red and Blue versions but we see the same reductionism in our Criminal Justice system that we saw in the Nazi Government's Legalistic Rubberstamping and targeted attacks on those free thinking individuals that question or act in defiance of this well designed matrix of reinforced prejudice prevalent in the respective cities of those ideologies. With the historical examples already mentioned that show how prejudice becomes an organizing principle of socially diseased societies against minority individuals and minority populations, whether it be a racial, religious or political minority, we see how the motive for community wide criminal conspiracy exists to often include even oppressed minorities themselves against other minorities, and we can even mention the use of prejudice in the Military against Perceived Enemies by Commanders of soldiers calling enemies by racial slurs and inciting, in what psychologists call transference, a prejudice into the soldiers mind with propaganda that overrides their own conscience and logical conscious decision making abilities to the point that they will kill a people without feeling shame, guilt or remorse using that prejudice to suppress those important parts of brain functioning and dismiss away any thoughts of conscientious objection with the conditioned sense of duty in regards to carrying out orders, a response that was conditioned in training using a reward and punishment system that essentially overrides any previous moral foundations forcing new neural pathways to be developed in regards to decision making often at the sacrifice of conscious volition and intelligent thought all together. With the latest advancements of brain imaging and the discovery of Neuroplasticity Scientists can see how this process of conditioning and suppression of conscious volition to blind obedience to orders shuts down certain parts of the brain and strengthens other more primitive brain functioning, we can see and compare a brain that has been receiving and responding to commands for a prolonged period of time over a brain in a free and natural environment that has been directing itself through conscious volition or free will. It is this Brain Imaging and the studies that accompany the scientific fact of Neuroplasticity, that I am encouraging Criminal Defense Attorneys to fight for so that Judges allow the Defense Attorney to use the brain imaging to call into question both Witnesses as credible and at times the Free Will of their clients who may have been conditioned and commanded to carry out the crime on behalf of another who took advantage of their weaker condition and will and using non-visible communications formed a neurological response of blind obedience to those commands by overriding that persons conscious volition in the same way but with more advanced technology that the military conditions soldiers to carry out its orders to kill. We cannot say that these Jim Crow type societies have completely disappeared but because technology has advanced as such we must make an educated hypothesis that their methods of coordination and conspiracy against targets have only just progressed themselves and become more covert and cleverly disguised and the use of Military type non-visible communications would explain these coordinated movements as well as any potential false witness that trigger investigations and are used as reasonable suspicion. Because this technology exists we must, as defenders of Justice, find ways to protect the innocent and the minorities as Democracy and Due Process of Law is designed to do, so in this new age brain imaging, such as fMRI, is how we can identify a person who has been receiving commands from a communication device and responding obediently to those commands, as this constant receiving and responding will have the effect of creating neurological grooves that can easily be identified as much as the suppression of conscious volition and free will. These non-visible communication devices are a reality in Military Operations and like Automatic Weapons, Dangerous Chemical Agents, and Weapons of Mass Destruction and Advanced Laser and Satellite guided Non Lethal Weapons, these all make their way into society as a threat to society and so they are real possibilities that if suspected must be exposed in a court of law as a matter of protecting innocence and therefore protecting our Democracy from erosion such as happened when the Nazi Socialists Occupied Europe. We have a defense against False Witnesses and even in the Defense of Clients who may

have been conditioned to carry out orders blindly by another party invading their faculties of mind and destroying their abilities of conscious volition and free will by the influence of a implanted non-visible communication device, we can no longer dismiss people away as mentally ill who make claims of hearing voices and we cannot just merely make assumptions of credibility based on images that can be capitalized on the way Jim Crow often used children and young women to provide false witnesses against black men in the Jim Crow south or even the images of professionalism as we have a polarized country that has been segregated to only two limiting and politically competing ideologies each with prejudice against the other but both have prejudice against anything or anyone who questions this status quo symbiotic relationship between the two as an intentional design to erode democracy with the shared progressed forms of legalism and rubberstamping that allowed the Holocaust to happen in Nazi Germany as this style of Judicial Administration provides cover for illegal targeted ops in the benefit and protection of a corrupted state and partners. So, again, we must bring the real updated science of Neuroplasticity and the corresponding brain imaging because it is irrefutable and undeniable evidence to see an image of a brain that has been receiving commands and one acting with free will, and that this brain imaging and the parts of the brain potentially effected in a False Witness or Blind Automaton are obvious enough that any person of average I.Q. can spot the confirmed activity in this imaging compared to a fully functioning brain directed by conscious volition and free will, and as a matter of protecting innocence and Democracy from these progressive Hitler'ite and Jim Crow tactics of targeted ops, we must insist that Judges allow this imaging to be used in a Defense. And, If Lawyers need evidence before hand you can easily find it in your questioning as the False Witness that receives commands will be programmed with every possible answer to any question a lawyer might ask them on the witness stand so to ascertain if a witness is indeed receiving commands from some non-visible communication device so you can call into question the witness and justify brain imaging, the Lawyers must learn to ask impromptu random questions, the people who receive commands have a delay in responding to impromptu questions, anything not already prepared for and memorized or stored as information to be communicated will take time to search and find the correct response, Lawyers have to use the recorded questioning on the witness stand and use a stop watch to time the delay in response and watch the witnesses eye movements, when a fully functioning human being is asked a question the retrieval of this information neurologically speaking is coordinated naturally with the movement of the eye, in this case the eyes really are windows to the soul, and if what you have in front of you is a blind automaton receiving commands all of its behavior will be artificial and mimicked and won't correlate to natural human behavior, such as the movement of the eye towards the hemisphere of the brain it is retrieving information from, so in preparing you defense you must make sure to have several occasions to question the witness while recording the interaction and compare the body language, eye movements, and record the timed delays of them responding to the questions, the goal is to call into question the authenticity of the behavior and point out anything artificial or superficial and unnatural or behavior inconsistent with the known psychological and neurological behavior of fully functioning human beings and be careful because these Jim Crow operators like to use mental illness as a cover for these inconsistencies in their Blind Automatons but that can also be used in your benefit to call into question the witness as credible. So even if we have processing and rubberstamping in our Judicial right now, we have a good Defense and if the Judge denies our requests to allow Brain Imaging of a witness or of your clients to protect innocence, especially when all other evidence is circumstantial or can be called into question, that Judge risks looking like they are participating with the new coordinated Jim Crow Criminal Conspiracies against targeted people of our times.

Dear San Fran Mayor, as you weigh the potential benefits of continuing to cosy up to AI and Tech groups which may outweigh the risk of lost tax revenues in the short-term, here's what you need to know.
By: Daniel Jeremiah Hoffman at SF Liberator News

Dear Mayor,

I recently read in a Financial Times On-line Article,https://www.ft.com/content/967d10a2-2fca-4b60-9794-2bf41a374f07, sorry the free article link expired, but the title was "Can San Francisco's new mayor turn around the city for business?", and that you are trying to figure out "whether the potential benefits of continuing to cosy up to AI and Tech groups outweigh the risk of lost tax revenues in the short-term", and I know I am known for being critical of your economic policies, and although I support getting the disruptive homeless eyesores off the streets I disagree with the Federal "Housing First" Policies of deterministic labeling and human management for profit, with that being said, I humbly want to interject my opinion on the matter put in question by the Financial Times Article. Here's what you should consider: 1) in leu of tax revenue potentially lost with incentives and tax breaks you simply have to ask if the juice is worth the squeeze, meaning, get a commitment from the Tech Companies prior indicating the estimated economic impact of the return of Tech Workers into the city and the filling of office spaces from the predicted expansions of these companies that would result from the tax breaks or tax incentives offered to the companies from the city and hold them accountable to this estimation, if it is an advantageous number to drive revenue for the city, as a condition of the tax break/incentive. I personally doubt playing ball with existing Tech Companies will make much of an economic impact, it is about scaling up in the Tech space so you have to ask yourself in each individual company how much room do they have to scale, if they are already a Market Leader, like Sales Force then they have less room to scale then say a startup with an original product in an emerging market, so the tax

break/incentive to a company like Sales Force will only really help them address labor costs from cutting into their profit margin and will have little economic stimulation to the actual local economy. I suggest that the City instead use available properties and turn them into publicly owned start-up business incubators to facilitate those ideas and entrepreneurs that are in new or emerging markets because the room to scale will be much larger and therefore will have much more of an economic impact as they scale up so the city can as the incubator host can offer a contract to take a percentage of profits after sustainable growth has been realized for each entrepreneur who uses the space instead of rent or fees, this way the city, for offering the facilities and equipment for the start-up, becomes an investor in the startups it hosts and gains revenue from a percentage of the realized growth but it has to be a percentage that is not inhibitive towards growth itself and as the businesses scale up the city makes more revenue even after they expand and leave the incubator space the city would retain an investor share in profits in perpetuity or unless a buyout of that contract is made, the city could also when those companies realize sustainable growth be able to borrow money from banks against these contracts as your collateral. My point is that the city needs to find creative ways to facilitate the realization of economic potential that hasn't yet been realized and capitalize on the huge margin of scalable growth from inception to sustainable growth, you may find yourself in competition with venture capitalists but those venture capitalists firms are sharks and do not really create much or minimal economic impact for San Francisco but if the city is responsible for nurturing a start up culture than it stands to directly benefit both as investor and also as a receiver of the economic impact created by scalable growth in the new and emerging markets of the startups it helps to facilitate. But if you keep making deals with the major players in each Industry they will just use the City to improve their bottom line but with no real economic impact, nothing they will sign as a commitment as a condition for the tax break and if they can't sign a commitment for predicted economic impact then they are most likely not able to make a real economic impact and the city's loss of revenue from the tax break will not be justified. So stop playing kiss ass with the big boys and use the city's resources to facilitate real economic impact by nurturing a startup culture yourselves because that is where the most room for scalable growth is found, from startup inception to sustainable growth the period before the company gets an IPO is the period where it produces the most economic activity locally by expanding using local resources and personnel and spending the money received back into the local economy, but once they go public, it becomes an international game and it buys from and sells to markets outside San Francisco and San Francisco just becomes a host to its employees who are usually imported from outside San Francisco which means they push out San Franciscans to make room and these imported employees are like donkey's with carrots, they may have larger salaries as professionals but they have lifestyles and expenses that really give them little disposable income as they take the jobs for the retirement and health benefits rather than for livable and disposable income so this means these imported employees will live here but not really spend much money here except on essential services with very little impact to the local economy actually the spending availability in their corporate salaries are about the same proportionately as the spending impact of welfare recipients. So the name of the game is get a signed commitment from these Tech companies for the specific economic impact they predict will be expressed into the city as a result of the tax breaks they are asking for and if they can't commit then they aren't serious and then I suggest you think about my city owned business incubator idea as an alternative. My Prayers are with the City of San Francisco in the hopes that every citizen gets a chance and opportunity to realize social and economic freedom. I am at your service in this regards and would love to meet and talk,

"Injustice Anywhere is a Threat to Justice Everywhere. 373 ICE arrests reported this week were for criminal allegations? I support the deportation and arrest of all criminals approached with confirmed reasonable suspicion and processed with Due Process but not merely for allegations of criminality." By: *Daniel Jeremiah Hoffman, Investigative Journalist and Attorney Per Se* at SF Liberator News, https://sfliberatornews.weebly.com/

San Francisco o1/26/2025. The fallen civilization of Rome during the time of the famous Philosopher, Historian and Statesman Cicero, aprx. 50 Years before Christ, made the fatal error of ignoring there own constitutionally protected rights in ways that led first to targeted arrests and assassinations of political and religious zealots that soon led to the pro-democracy politicians themselves, who resisted the "populars" as the political party that supported the totalitarian rule of a Caesar, to be targeted as opposition to the desires of the Caesar's Militaristic rule. In my opinion it was this opening of this Pandora's box so to speak that led to the fall of Rome by contaminating Rome with a form of corruption that placed the perpetuation of the Roman Government above the rights, duties and obligations shared between the State and Citizens, it was this erosion of Rome as a Democracy and the consequential corruption and oppressive rule needed to maintain hegemonic control over land and resources that the Radical Jesus and his Apostles and later the work of Saint Paul the Apostle was trying to correct with the Christian Movement and Communities, this of course ended eventually with all of the Apostles being assassinated as Martyrs dying with such strong integrity and conviction that their movement still survives over 2000 years later even though the story of Rome is a forgotten tale barely read in Schools today. So when I read in a recent CBS article that, 373 Arrests were made this month merely for "criminal allegations" and deportations happened as a result seemingly with no Due process of Law, I wonder if those ICE officials understand that they might be facilitating the American Fall away from the Democratic Spirit of Enlightenment it was founded on and towards the same totalitarianism that caused the fall of Rome for the same reasons. As a Journalist who has been exposing Organized Crime connected to the policies of the Nationalist Socialist Agenda in the Anglo Saxon Countries produced by a symbiotic relationship between Conservatism and Socialism around the world that is eroding Democracy and perpetrating the resulting Eugenic Cleansing of the citizens as covert population control using many of those citizens as a commodity in a Victim Based Economic Environment that manages their engineered symptoms

for profit until they die just to prop up the continuation of the Government's Bureaucratic Institutions and Corporate Partners ad infinitum at the expense of constitutional rights much like the Populars of Rome desired to do with their Government, I am a witness to the Crimes Against Humanity involved and like Jesus and the Apostles I testify to the truth in regards to these matters that are corrupting the soul of humanity as if corruption was an order given by a military General handed down through a top down Chain of Command system in which each citizen has surrendered their own wills, conscience and integrity to without regard to the evils committed by the system they have pledged blind allegiance to, and this is sad because the corrupted citizen is as guilty as the corrupted politicians or Corporate Executives and Investors who collect profits from the Stock markets with no real investigation as to how those profits were made as if ignorance will cover up your being an accomplice to the crimes you profit off of enough to retire comfortably at the expense of others who are essentially tortured in a system of human management and labor control for those profits. In San Francisco it is being reported By NBC Bay Area staff • Published January 24, 2025, that a Columbian man was among those targeted in the I.C.E. campaigns and that, "ICE added that man has been convicted of sexual assault and sentenced to three years in prison", the real question should be how is it that the man was arrested on allegations and already sentenced to three years in prison, even acknowledging our rights to a speedy trail, a prosecution for charges as serious as this in less than a week would clearly indicate a violation of Due Process and a railroad job, and if the statement was meant to say he had a prior conviction of sexual assault and already served his three years in prison as punishment for those crimes and this prior on his record was the reason he was targeted for arrest and deportation then that opens up a much scarier can of worms in relation to Democracy because the man already served his time for his crime with three years of his life taken away inside the walls of prison and no mention is made, at least in this article, that ICE or Law Enforcement had any other confirmed reasonable suspicion against this Columbian man for any other crimes, this would be the equivalent of saying America has no need of a Judicial System as the ICE arrest and deportation of this man is evidence that the Federal Government believes that the punishment for crime delivered by a Judge is not recognized as justice, and paying for the detriment to society a crime causes with incarceration is not enough, and, in that case the entire criminal justice system would be ruled worthless and get defunded as unnecessary. These are not arbitrary dilemmas that exist because of this arrest but are in fact attacks to the fundamental principles of Democracy that challenge the constitutionally mandated checks and balances between branches of Government that is designed to protect us from a tyranny. Drugs, Crime, Mental Illness, Poverty are the results of systemic dysfunction and so to attack the symptoms without addressing the disease, which would mean targeting the locality in which the infection began to spread, and we know this disease started in the head of our society and then the infection spread all the way down to the individual members, but to just continually cut off the infected members as a policy turns the treatment itself into an economy that is profitable but only because we are incentivizing the treatment rather than the cure and so a culture of disease gets reinforced as an industry to support this bad policy making and it perpetuates until the infection ultimately kills the entire body including the head because whatever the disease used as nourishment inside the body to continue itself through infection is subject to the law of diminishing returns, it will ultimately just feed until there is nothing to feed on leaving the body to its death and therefore the death of the disease itself unless it finds a new host but as this is of course a metaphor for the body of humanity, the generation that does not take the cure will be the last generation of human beings in this civilization and we may not get another Messiah to lead a movement as a cure but certainly we have already received and murdered many prophets who have tried to warn us already of the impending fate this generation is headed for in this culture of death. So perhaps 373 Arrests and Deportations does not seem like a big deal but that is because you read "Injustice Anywhere is a Threat to Justice Everywhere" merely as words cleverly spoken but you fail to grasp that these words are in fact a philosophical truth so important they were uttered both by Thomas Jefferson and the Great Rev. Martin Luther King Jr. in their fights against the encroaching tyranny, the infections of their times in which each offered us a cure as

messengers of God, but because their cures came in the same form, in words and phrases, they were ignored by those who lacked the faculties of comprehension and understanding, and so, the full power of the revolutionary war and the civil rights movement never took full effect not because they were ineffectual but because we stopped taking our prescription and we became drunk on our own desires above the pursuits towards Democratic Freedom in a Liberal Constitutional Democracy and everyone knows that when you stop taking your medication or get drunk while medicated it diminishes the effects of that prescription and the infection is likely to return. Here we are, at the precipice of the Fall of American Democracy but will it lead to the death of the body of Humanity. I would say that as a Pro-Democracy Journalist, that the attack to my internet and the spelling and grammar in my articles is enough of a sign that this Body is at a terminal stage because not even free speech is scared anymore and all of the people great men and women have died for are now betraying the very principles defended by those men and women and their fights that won an extension of their liberties and rights toward the path to freedom that could only happen in a Democracy.

SF Liberator News Supports SF Chinatown! San Francisco Chinatown Gets Attacked with Propaganda by Brainwashed Activist Group Working For Globalist Crime Syndicate Who Seeks to Destroy Free Market Competition in the Food Service Space in the Benefit of their Network of Corporations Connected in the Stock Markets...

By: Daniel Jeremiah Hoffman, Investigative Journalist and Attorney Per Se at SF Liberator News. https://sfliberatornews.weebly.com/

CBS Article Refrenced: https://www.cbsnews.com/sanfrancisco/news/san-francisco-chinatown-wet-markets-under-scrutiny-for-alleged-animal-cruelty/

San Francisco 01/25/2025. In a recent SF Affiliate CBS Article found on-line, "San Francisco Chinatown "wet markets" under scrutiny for alleged animal cruelty", it seems that some brainwashed operative working for the Globalist Crime Syndicate under the guise of an animal rights group called "Animal Outlook" has been trying to attack a traditional form of food preparation that is unique to the Chinese Culture and is a big draw for tourists to local businesses in China Town, one of the few places in America that shares this unique experience with outsiders. But this activist group is nothing but brainwashed operatives and their so called investigations is nothing but producing propaganda designed specifically to attack the Chinese Americans in China Town and force them to be dependent on the Globalized and Centralized Food Service/Distribution Industry that is dominating over the other restaurants and supermarkets in California as part of a Globalist Crime Syndicate Agenda connected to the stock markets. These Globalists are basically saying everyone has to buy their food from their approved distributors because we want uniformity in the food service industry and every other industry and if you don't play ball we will attack your reputations and traditions with propaganda and warfare. My advice to Chinatown is protect yourself because this Crime Syndicate starts with propaganda to destroy your reputation but they will engage in covert tactics of warfare and because this "Animal

Outlook" operative/investigator is quoted as saying, ""Cramped conditions for animals can lead to a lot of transitions of diseases between other species and eventually through people," he had no scientific evidence to back this statement up in the article but be aware these brainwashed operatives will poison your supply and contaminate your food supply to make themselves right, so take every precaution and I would say if their is contamination found make sure this group, their funders, and partners all the way to the Major investors in Food Distribution Corporations are all listed as suspects, because the fact is Chinatown's uniqueness in maintaining their traditions in ways that are accessible to the public at large is how they stay self dependent, as the State's Corporate Partners would like to force the Chinese in China Town into welfare programs like the rest of the minority groups who don't play ball or resist this Anglo Saxon Globalist Crime Syndicate, they did the same thing to the black community in the Toronto and Harlem Renaissance and to the Italian American's and Jews in New York, any minority group who finds a niche audience and uses the free market to find independence of the system gets attacked by the system run by Globalist Financiers in the benefit of the white majority. Us Catholic Italian and Irish Americans resisted all the way until they depopulated us by targeting us with the Criminal Justice system labeling us as mobsters and attempting to discredit our religion as pedophiles with propaganda similar to these fraudulent claims of animal cruelty against the Chinatown folks, what audacity! In defense of Chinatown, all animals get butchered, every animal that is served in a restaurant or in a grocery store has to be killed and butchered so its not an act of cruelty to do it out in the open in front of customers it is peace of mind for most customers who don't trust what goes on behind the closed doors of meat processing plants and the fact that those customers are supporting and sharing in an ancient tradition it is great when different cultures can share their history in that way. These Globalists have centralized every Industry under their control, and, with their roots in Nazi National Socialist Domination, will attack any competition or perceived threats to their Hegemony and Control over the population, using brainwashed operatives to do it becausae they have the same resources as the military to create Manchurian candidate type operatives, this includes attacking ancient cultural and religious traditions as they seek to dilute and change our customs and traditions to fit their economic and social control mechanisms while forcing your people into dependency or servitude as subordinates to their Brainwashed Elitist Managers placed in Executive Leadership Positions, many who are fellow racial and religious minorities who were profiled as being cowards or people who lack integrity or have the psychological profile of a psychopath themselves and use these people as our managers in a system that say's obey or get annihilated. I know how tough the Chinese American's are because they worked the railroads in labor camps with us Catholic Irish Americans so my support is with Chinatown in hopes that they fight to maintain their uniqueness because Chinatown is one of the only real unique and original things left in San Francisco to draw tourists here over the other cities who have already been forced into uniformity and in the benefit of this Globalist Crime Syndicate. And don't worry about this CBS Article and the propagandists in this Animal Outlook group, anyone who is stupid enough to fall for these obvious attacks on a minority people trying to live independent of an abusive totalitarian system are just brainwashed idiots themselves and San Francisco is full of these brainwashed Operatives who can be activated like military operational actors to engage in clandestine operations that attack free market liberals and racial and religious minorities and businesses who are seeking to live with social and economic freedom independent of that globalized system and they will attempt to produce media propaganda against those targeted people and businesses to hurt your reputation in their benefit or try to get public pressure to justify government enforcement actions. We cannot let them win, if they take enforcement actions the Chinese should fight it all in court as your protected 1st Amendment right to freedom of expression and don't take a settlement get a Judges decision as a ruling in your favor becomes a law mandating added protections to the first amendment and will stop them from attacking other's freedom of expression in the same way. These Globalist have a lot of dangerous propaganda out their all to support their Centralization and Hegemonic Domination over every Industry and the stupid people like this activist group Animal Outlook who believe the propaganda designed to look like animal rights supporters is dangerous because they become fanatical and

delusional and will go as far as using various forms of warfare in the name of their cause and this all benefits the Globalists, and how and why they design it, because they control Mental Health Facilities and the Criminal Justice system, so when their brainwashed operatives become criminals they still have value in relation to the Crime Syndicate's enterprises in control all of those industries either way. I suggest the police put together a hierarchy chart starting with this operative mentioned in the above CBS article and the Animal Outlook Group and include all known associates, donors and investors and any Corporations that might benefit or have motive because they seem more like Globalist sponsored terrorists working to Centralize the food industry under the control of Organized Crime than Animal Rights Activists to me and San Francisco needs Chinatown. So SFPD should be doing everything in defense of these local merchants especially when the new Mayor is claiming to want to make San Francisco a vibrant economy again but whether that means we look like some theme park owned and operated by Organized Crime or we build a uniquely San Francisco Experience to draw visitors is yet to be seen one thing is for sure Local Merchants and businesses who have their own unique niche are under attack in San Francisco by dangerous Globalist Terrorists and Crime Syndicate operatives who think they are fighting for some cause but really are brainwashed and acting in the benefit of Centralization of industry and a system of Slavery, Eugenic Cleansing and Population Control.

"*What Every Citizen Should Read Before Jury Duty*! How to Spot Produced and Fabricated Internet and Media/Surveillance False Evidence Designed With Law Enforcement Prejudice."
By: Daniel Jeremiah Hoffman, Investigative Journalist and Attorney Per Se at SF Liberator News... https://sfliberatornews.weebly.com/

San Francisco 01/24/2025. Two things Jurors Need to understand. First, the Justice System/Law Enforcement will do anything to protect their reputations, their entire protocol is designed around their so called images of Authority overshadowing our protected rights and gaining obedient compliance to their commands often that compliance is a forfeiting of our rights, meaning once we are obedient to a directive rather than exercise our rights then that voluntary surrendering is viewed in the courts eyes as giving your permission to exclude your rights and that could be potentially used against you even if your rights were violated, this is why the Maranda Rights read by Officer's state "Anything you say can and will be used Against you", as a warning to stay silent rather than say something that my jeopardize your Liberty but the reverse also holds true, especially now that Law Enforcement are required to record the interaction with Vest Cam footage, meaning that sometimes it is important to document the facts regarding the interaction while being recorded because the Officer's will always record the event in their report to protect themselves from liability often making unsubstantiated claims that would put you in a "His/Her word against yours" in court where their Image of Professionalism and trained Behavior gives them a psychological advantage when Jurors and Judges review the Video, this is why I recommend to the poor and minorities that are often unconstitutionally targeted, entrapped or framed that they make every effort to not fit any negative stereotypes. Judges are often careful to instruct Jurors to not show prejudice or judge by appearances but certain negative stereotypes have been ingrained into the public mind and even with strict instructions otherwise your appearance can have a negative subconscious effect in the minds of Jurors and even Judges that

leave you at a disadvantage and the Justice System will capitalize on this in court. And, since the mandate of vest Cams, Officer's have been trained to use Hollywood Techniques to their advantage including using several officer's on the scene, they say to protect themselves, but really it is to cause confusion and distract potential reviewers and because they want as many cameras angles as possible often choosing the best one, even changing the lead or arresting officer's name in the report to match the best angle, and even sometimes using editing techniques to omit evidence in the suspects favor. They are also always conscious of the area where they make the arrest or approach a suspect, it is often by design and will sometimes even stage operational actors in the vicinity who match negative stereotypes like addicts, homeless or mentally ill people while making sure the interaction is in a place that looks run down or dilapidated, this is all to make you guilty by association subconsciously in the minds of the reviewers of the footage, sometimes the arresting officer's are just patsies themselves to these theatrics as Federal Task Forces and Special Units use a multi-agency approach and so there are often invisible directors choreographing this activity and just use the local officers for the arrest but they are themselves often receiving commands from an ear peace as invisible non-recordable communications are used in coordination for these illegal targeted arrests that are choregraphed to look legitimate. The Second thing Jurors need to understand is that the Law Enforcement/Justice System is aware of all the possible implanted prejudices that have a negative psychological effect on Jurors and Judges against the suspect, not just racial, but religious, addictions, mental illness, homelessness, these all have images that are familiar attached to them and have made preformed negative associations in the minds of most people so in illegal targeted operations, such are used against people who might have a potential legitimate law suit against the government, or someone who may have recorded incriminating evidence against a Government employee, police officer or agency, or sometimes you just match a racial or psychological profile the prison system needs to keep its proportions maintained, all of these are motive for illegal targeted ops and false arrests but not limited to these alone, these are just examples of many possible reasons, including just plain racial, political or religious prejudice of the arresting officer's or a group of officer's. When the suspect is listed as such he/she becomes a target and every effort and resource of the Justice Department is used to make the recorded suspicion of the officer or agent correct, this even includes hacking or controlling the internet and communications of the target and faking communications while coordinating suspicious looking operational actors who fit negative stereotypes are stationed where the faked communication indicated a meet for a orchestrated surveillance op, or they will use things like click bait to get fraudulent search results recorded against the target by putting what is called a a redirect on a site link that looks like a topic of interest the Officer's recorded in the profile of the target, like a favorite sports team, but when they click on that site they are redirected to a porn site or terrorist site or religious extremist site and that URL is what gets recorded rather than the indicated sports team the target intended to view. Sometimes they even have undercovers who engage in strategically placed seemingly random conversations, using the targets profile information by using an undercover who might look like their mother or former girlfriend or wears similar clothing to match the target all just to let their guard down and gain trust so that the recommendation they make is successful in eliciting a response in the target in attempts to get the target to type in a specific search phrase or term in an internet search just to implicate them to that name or phrase recorded in their search history which can be used as evidence against the target. Sometimes these same tactics are used to guide the targets physical movements into an area to be entrapped under surveillance not just internet data, but listing a person as a suspect is often enough to take control of even their GPS and location data as well as provide them false search results and they will create a set of false directions that will lead the suspect into a predesigned gauntlet or into a bad neighborhood for surveillance purposes even when other options was requested in the target's search query. Again people cannot be ruled guilty by association in a court of law but that doesn't mean Jurors and Judges don't have subconscious tendencies for certain mental associations that can be capitalized on by Prosecutors who have knowledge of this human weakness that is designed into our society by the negative cultural influences and media and often encouraged for

the poor and minorities to adapt in their communities as a style or trend but really it is psychological warfare. The way for a Jury to avoid falling into this error that could potentially convict someone who was entrapped and framed is to think critically, take out a Where's Wald children's book and practice looking for things out of place as Law Enforcement has often adopted Fabricated and Orchestrated False Evidence as a policy of protecting their reputations. Every detail should be called into question so if you see actors in the background of any scene of surveillance against a target that fit negative stereotypes you have to ask questions as to how those people just happened to be there in that moment, also ask why that specific location was where the arrest was made, and if the target is acting more erratic, aggressive, or confused than the trained politeness of the officer don't assume that suspect is on drugs because they could have covertly poisoned that suspect with time released pharmaceutical drugs and coordinated the arrest for right at the time when the chemicals and side effects kick in, and don't forget the Officer's have had training to stay calm in those situations and the suspect who knows his rights were violated is going to be upset and have emotional trauma from the experience. we are in an age where criminals are worth money in a corrupt system and we have racial, religious and political intolerance everywhere and the people who have that prejudice have a tendency to project their prejudice into their work and the system which relies on images of authority to overshadow the protected rights of suspects will coordinate all agencies and resources to protect those images and substantiate the unsubstantiated claims against the target but what the Jurors and Judges should ask is, Does that unsubstantiated Claim being made or implied in the surveillance match a negative stereotype that has been projected into our culture by news, media and film and if the answer is yes, whether it is a claim of mental illness, addiction, homeless, terrorism, right wing or religious extremism, gangster culture, or any other stereotype, then most certainly their is a potential you must realize as a possibility to use that stereotype as psychological warfare in attempts to subconsciously guide or manipulate your decisions against the target in the benefit of the arresting agency and Justice System. Likewise, don't just take presented evidence for face value, everything on-line can be manipulated and that manipulation both of ground resources and personnel, like the use of operational actors, can be coordinated by invisible directors in an illegal use of multi-agency resources, the Justice System is Centralized like the Banking system, it is a top down chain of command system that perpetuates and protects itself from perceived threats or being discovered for abuses of that legislated authority by using its Image of Authority, all Personnel and Technological Resources all the way down to the local arresting police officers to make sure its reputation as an Authority is maintained regardless of and often in defiance of actual Justice itself, reputation management takes priority over Justice in the Justice system and will deploy every resources just like the Military to justify itself publicly. If you are a Judge or Jury reviewing surveillance or and media evidence think critically and question everything, the Justice Department has always had connections with Hollywood and the film industry as much as the Tech and Social Media Companies because they have as much power to target those companies and make life miserable for them as much as for targeted people so the lawyers will always recommend they play ball and allow them access to a target's accounts and for those that don't they offer them bribes with government contracts and make them sign confidentiality agreements and the courts and suspect will be none the wiser, unless they take this article seriously and do the due diligence and assume in your questioning that at least there is a strong potential that evidence gets fabricated in controlled environments with operational actors while trapping the target in an intellectual blockade with internet and communication disruptions using the resources covertly of multiple agencies, And the use of prejudice or negative stereotypes of any kind or any implication of such as an unsubstantiated claim, or even media evidence of such unsubstantiated claims may be taken out of context and may have been orchestrated with the use of antagonizing actors or chemical warfare with the intention to record that situation and present it as evidence falsely to substantiate an unsubstantiated claim already recorded elsewhere even in another jurisdiction because of the Centralized nature of the Justice System as a government institution it will coordinate activities in one jurisdiction to protect the others, so these occurrences of prejudice produced as false evidence should be a signal to the

Judges and Jurors that these illegal tactics are being used against an innocent person and may not be for the case at hand but part of a larger context of using the present case to substantiate claims from other jurisdictions just to develop a false pattern against the target who is falsely profile because of this information, we cannot deny this historical effect of Centralized Systems like the Justice Department to protect itself from perceived threats, potential liability, and to protect its reputation as an Authority over the allocation of Justice to a mere individual, after all, if the individual gets prosecuted unjustly only his immediate family suffers but the Justice system employs millions of people so socially it has more value but in the interest of Democracy we must protect the individual at all costs, injustice anywhere is a threat to justice everywhere.

In Defense of San Francisco B.A.R.T., In Recent Wrongful Death Law Suit, they should put the Blame on Federal Investigators for failing to link the Unnatural amounts of Disruptive Activity from Mentally Ill Homeless People to Organized Crime and Corporate Espionage.
By: Daniel Jeremiah Hoffman, Investigative Journalist and Attorney Per Se at SF Liberator News, https://sfliberatornews.weebly.com/

Referenced Kron 4 Article: https://www.kron4.com/news/bay-area/lawsuit-bart-failed-to-protect-woman-pushed-to-her-death-in-san-francisco/

San Francisco 01/23/25. A Recent Kron 4 Article, "Lawsuit: BART failed to protect woman pushed to her death in San Francisco" indicated that San Francisco Bart authorities are being sued for Wrongful Death of a passenger's family who was pushed to her death by a mentally ill homeless man, I support the family's decision to sue but they need to think bigger and BA.R.T. Authorities should attempt to pass the burden on to Federal Investigators who have been ignoring the High Level Organized Crime Syndicate who Benefits of this increased disruptive and dangerous activity that is being linked to low level people with mental illness, the intentional placement of this activity and these homeless, addicts and mentally ill people is obvious and creating Artificial Demand for government services of "Public Health and Safety" which benefits corporate partners and the Stock Markets without addressing the real cause and benefactors but only attacking the symptoms, the people themselves, who are being manipulated and strategically guided into these activities, for any honest investigator, whether Law Enforcement or Journalist, the planned, strategic and coordinated movements of these people and their behavior and theatrics is undeniable and the amount of these people on the streets engaging in this criminal and disruptive behavior is both unnatural and intentional and it is the Public Health and Safety Partners who have motive. I have been living on the streets undercover as a journalist for over seven years all across N. America including Canada and in both Red and Blue cities and states,

using my past professional experience as an AmeriCorps Agent with non-profit management experience and as a certified Business Technology Market Expert with Director Level Titles in the Business Tech space, and on January 4th, 2025 I published an article by email to Local, State and Federal Government and Law Enforcement Agencies entitled, *SF Liberator News Journalist Daniel Jeremiah Hoffman Supports SFPD's huge surveillance tech expansion this year...as long as they Address the Number of Bad Actors on the streets, Illegal Multi-Agency Targeted Ops, Corporate Espionage, and Corrupt Activities of other Agencies who may be instigating low level crimes or engaging in activities trying to Entrap People by coordinating efforts under this surveillance tech",* ironically this article was attacked by internet hackers who disrupted my spelling and grammar, a crime none of these said agencies seem to want to investigate as a violation to my protected right to freedom of expression and of the press, I would say that the continued reported attacks to my internet as a Pro-Democracy Journalist is enough supporting evidence strongly in favor of a case being made against these agencies and partners for intentional negligence as I remain a victim of illegal targeted multi-agency ops myself and this negligence seems to be coordinated with ground operations designed to fabricate false media evidence by antagonizing me with operatives as my email reports of internet attacks continue to get ignored and as a victim of excessive force and false arrests in multiple jurisdictions, even though I support local Law Enforcement, it is the Federal Law Enforcement Agencies who act as sheep dogs of these Government sponsored Ponzi Schemes to make sure allocated money for Federal Programs gets funneled to the right partners so the activities of Organized Crime that created the demand for those programs stays protected and because so many local agencies get expanded as a result these schemes that use human beings as a commodity become what seems like too big to fail as these pirates drain our public purse but that is only because we fail to offer social programs that decrease the value of human beings as a commodity but instead manage them in revolving door systems using the resources of the criminal justice, outpatient mental health services and public housing and shelters as a throttle to release people at will who are manipulated into low level crime and disruptive behavior when the crime syndicates can benefit off of that behavior either in targeted attacks against political and religious opponents and pro-democracy journalists like myself, or to engage in those activities as acts of socio-economic warfare and to extort tax-payers for more money for these bridge to nowhere programs that keep these low level operatives like cattle but again just to address the symptoms of criminal behavior but not the cause, which is Organized Crime controlling our policy making in their benefit. To give another example, on October 25th, 2024, I published another Article by email to many of the Same local, state and federal agencies entitled, "*Artificial Demand and Exposing Retail Theft as Socialist Tax-payer Fraud Scheme In California- Understanding the Organized Crime Connection between Private Security and San Francisco Law Enforcement Getting Funding.*", in this article I explained that the recent uptick in retail snatch and grabs and petty thefts by low level criminals was part of an Organized Crime Ponzi Scheme that had nothing to do with the stolen items but that those criminals, many mentally ill street people, were being instructed and guided into specific stores and businesses for socio-economic warfare, they wanted to either put the small businesses out of business and pressure the Corporations to purchase Theft Prevention Services and Insurance, the primary companies offering those services of course connected to the Stock Markets and the added expense of Theft Prevention Services which includes Security Guards and the raised Insurance premiums this all cuts into those Corporations operating expenses, one large Chain already announced having to close San Francisco stores but citing a different reason than the thefts but these thefts were obviously a major contributing factor as the closed store locations were specifically identified in SFPD reports for increases in arrests of shoplifters. Directing criminal behavior this way makes predicting the stocks of the companies involved who benefit very easy, its basically covert extortion and those companies, like the Theft Prevention Companies employ a lot of minorities, not that the minorities have anything to do with it because the stocks are attached to mostly White Americans and Canadians, but because they hire minorities as a type of political shield, so attacking the too big to fail scheme wouldn't just put effect unemployment numbers it would be targeting minority employment, and this is by design to

protect the scheme and the wealthy white investors who are the real Organized Crime Leadership. So with this recent murder on the B.A.R.T. terminal and the pressure of a Law Suit we have to ask ourselves who stands to benefit from the obvious new security measures that will be put in place and who benefits by gaining Redevelopment or Restructuring contracts to upgrade the B.A.R.T. system as a result of the pressure this Law Suit Creates, these are big players involved in these contracts and the Agenda has already been planned so they just need to get public support and orchestrating a murder using a mentally ill homeless man with priors who can't defend himself in court is the perfect patsy to push this Agenda for the Organized Crime syndicate who profits by creating Demand for Government and Corporate contracts and predicting that resulting economic activity in the stock markets but only because they orchestrated the Demand themselves. So, my heart goes out to the family who lost a loved one but B.A.R.T as an agency is not equipped to go after a Global Organized Crime Syndicate who is obviously manipulating these low level people into these activities as Bad Actors involved in Corporate Espionage, many are so tortured on the streets they will do anything if they are promised a housing unit or even a $5 Bill could motivate these addicted mentally ill people to engage in criminal or disruptive behavior because the jails are actually better than your shelters and your society, like the Nazi culture, is designed to be cold and uncharitable so they can force these people behind the closed walls of your Housing Programs and Institutions where they are sufficiently brainwashed and often misdiagnosed and prescribed mind altering pharmaceutical drugs that cause the behavior that benefits this Crime Syndicate and then rereleased to engage in more destructive and dangerous behavior. The Federal Agencies have no plausible deniability, they know what is happening but their own retirement accounts are all attached to stocks that benefit this Organized Crime Syndicate and many are rogue and engage in the activities themselves covertly behind the scenes that manage the Crime Syndicate activities by guiding these low level people's activity and covering up for it, including hacking the internet of a Journalist like myself, and producing the media propaganda that applies the public pressure in support of the programs that transfer tax-dollars to their partner corporations. So, If I was B.A.R.T., I would trace this homeless mentally ill person to the last facility he entered, he obviously was in some government facility and then released onto the streets with no rehabilitation or restoration towards self dependent healthy living just probably given a government paid for handful of dangerous pharmaceutical drugs to excite his behavior further, even though he suffered from serious mental illness with a history of violence. The Feds are supposed to regulate these facilities and the Government has allocated Trillions of dollars to make sure dangerous people are put on positive paths after being released so B.A.R.T. just needs to trace the last facility and the programs this man was attached to and pass the blame on the Feds for intentional negligence, because they know these people are being released specifically to keep the crime rates up and the recordable symptoms associated with mental illness and addiction as visible eyesores so they can keep blaming people who are addicted and mentally ill instead of the people who caused and benefit from that criminal and mentally ill behavior using the stigmata's and negative stereotypes as cover for the real culprits, the Federal Rogue Corrupt agents guiding and causing that behavior in the benefit of Corporate partners and for a Political Agenda. Put the Blame on Federal Investigators for Intentional Negligence and failing to link the Unnatural amounts of Disruptive Activity from Mentally Ill Homeless People to Organized Crime and Corporate Espionage or at least their failure to hold the facilities accountable to suitable conditions of release that protect us citizens and tax-payers from this engineered criminality that benefits the Crime Syndicates Ponzi Schemes but by going after the Crime Syndicate and making sure we are creating and administering social programs that decrease the stigmata's and negative stereotypes that provide cover for these illegal operations and for their Bad Actors, who are vulnerable people, brainwashed, manipulated and incentivized, to engage in crimes and criminal mischief. When you create places and programs that turn the able minded poor, addicted and low wage earners into the best version of themselves and placement into lives independent of the system then their value in the system decreases as a commodity but as long as you blend determinism with outpatient mental health with a focus on pharmaceutical treatment and housing units as your social solutions you increase the value of

human beings as a commodity in that system and that value is dependent on the negative stereotypes used publicly to extort the taxpayers with this criminal and mentally ill and behavior, and as long as we keep paying into these public health and safety Ponzi schemes and as long as we allow them to use visible eyesores and the victims of mental trauma as cause for artificial demand they will continue to place these people all over our streets as operatives to continue in the negative behavior that gets transformed into payouts for the players in the Stock markets and because of the amounts o money involved in these government contracts and the number of people employed these pirates will continue to control our government, law enforcement policies and procedures and social programs in their benefit and rob the public purse using human exploitation to do it. Again I offer myself to any Executive in Government as an advisor to implement my "New Environments Scientific Approach (NESA) so we can fight this Organized Crime by using real science and psychology and the latest tech in brain imaging leading and equipping the targeted populations they have been managing as a commodity instead to their fullest human potential in a free market in lives that are independent of the system except as tax-paying, property owning contributing members of society themselves, anything less and you just look like a participant in Organized Crime, Slavery and Human Exploitation.

Interesting take from our local Republicans.

Sometimes I feel like supervisors should be elected at large, so that everybody's truly represented, as opposed to 100% falling under Democrats control, when clearly the make up of our city is a lot more complex and diverse than a single party. Maybe your weekly agenda would also be more focused too, and aligned with our actual priorities.

Begin forwarded message:

America Has Spoken

San Francisco, time to act like it.

THURSDAY, JANUARY 30, 2025

Joe Biden and failed successor Kalama Harris are out. The White House has a new leader. Yet most if not all elected officials in San Francisco push ahead with their meetings, policy proposals, votes on ordinances and resolutions, as if nothing has changed. As if America has not fundamentally rejected radical, detrimental, dangerous Democratic leadership a mere twelve weeks ago.

But America has. The nation has learned its lesson of the insane last five years under Soros-backed DAs, of BLM and resulting race-bashing. America rejects coddling criminals and inviting of every rogue convict from countries far and wide.

Disgrace of a governor Gavin Newsom, once darling of San Francisco, has been quite emboldened these last couple of years, especially since his surviving his recall of September 2021. He used to refer to California as a *Nation-State*, if you recall. But today, no amount of groveling, of fiery

speeches, of justifications, finger-pointing and excuse-making can turn opinions of him positive; his failures are massively dangerous and a reflection (or instigator of) clearly bad governance plaguing our state. His days are numbered, and with the catastrophe of Los Angeles fires, his priorities past and present (ie. Trump-proofing California), Newsom as 2028 presidential hopeful is extinguished. America will resoundingly shun him.

San Francisco now has a new, outsider mayor, sworn in January 8th. Daniel Lurie has no track record in city hall and in many ways that's a good thing. And that he is tremendously wealthy also means he's not seeking a bloated paycheck or tempted by special interests. Yet those he works with, those he must rely on in the city's legislature (our Board of Supervisors,) is still acting in their old ways. As if Trump was not elected, or the nation's voters hadn't spoken.

Electeds in City Hall instead of working to better our sick city, suck the life and joy out of living in San Francisco. Members of the Board lay awake at night dreaming and scheming how to extract more money from taxpayers, how to grant such moneys to nonprofits which, as we all know, remain unaccountable and really don't do much to help. NGO's CEOs get richer.

America has spoken loud and clear. With Trump now our president, with both houses of Congress in Republican hands, and a wave of immediately enacted presidential orders on accountability, out-of-control spending, on locking down our borders, eliminating DEI, and sweeping transnational drug dealers and terrorists off the streets, the federal government is working swiftly.

Yet San Francisco's leaders, if you watch replays of their recent weekly meetings, seem to be living as if it were eight years ago. Denying reality. They're instead holding press conferences to "denounce" a law-and-order President. But this isn't 2016. We've moved on. America has moved on.

San Francisco's District 9 Board member Jackie Fielder Read more here, an "out" woman, put forth a resolution reaffirming San Francisco to be a Sanctuary City. Today, the eleven-member Board voted and unanimously backed her resolution. They are defying America.

Mayor Lurie, if he was smart, would remain silent, if that means to avoid confrontation with ICE enforcement operations. Or, he would clarify there exists a very distinct separation between *transnational drug dealers* and the law-abiding legal immigrants. Yet today, he did not. Read here . Unfortunately, the initial excitement over Lurie as the newest mayor is souring - and hope is slipping away.

Elected officials can and should act swiftly on DEI and the removal of illegal alien drug dealers which make our city dangerous. Not acting is a choice. City leaders' choice.

Ultimately, they counted on Kamala to win. It's beyond obvious.

But Trump won, with a mandate, a platform of urgent policy change and emergency actions to be taken. He won the Presidency and won, indirectly, the two houses of Congress. The conservatives collectively have a directive for swift change.

It's not that change is coming sometime in the future. It's already here.

~ Richie

Real people, real San Franciscans, have a job.

Unless you want to keep on leaving public comments monopolized by all of those so-called "non-profits", lobbyists, and other paid actors pretending to be San Franciscans, or pretending to have concerns about X or Y problem, it is critical that you open up access to those meetings via Zoom or other virtual platform, so that everyone can participate. We live in the 21st century and deserve access to modern technology and tools.

Anyone should be able to call in, whether at home or at work, and remotely participate, including during public comments, without having to physically be present at City Hall.

The current format of BOS meetings only allows for the attendance of people who don't participate in this city's economy. Not everybody has the luxury of taking a whole Tuesday afternoon off.

Please work that out, ASAP.

Dear supervisors,

On his inauguration day, Daniel Lurie pledged allegiance to the flag, and to both the US and California constitutions.

Why is it so hard for you to do the same? Is it too hard for you all to be and feel proudly American?

Or do you instead want to keep on feeling sad and sorry, going back in time, blaming colonialism, for things our generation has no responsibility for?

Why are you making so many concessions to those radical left lunatics? Most importantly, how can you do this in the name of San Franciscans, who don't believe any of this crap?

Do you sincerely and seriously believe that San Francisco is on a so-called "stolen land" and the BS (probably shared by Fielder, previously Ronen and other lunatics) going as far as validating the notion of occupied territory?

Are you sure you don't wanna rename a few parks and schools along the way as well, while you're at it?

How about we get rid of this rule and go back to pledging allegiance to the flag, and to the US/California constitutions instead?

Or do we want to keep on wasting time, with this whole land acknowledgement BS, every single week, for the next 4 years?

Enough with this moronesque insanity. What we need, want and deserve is common sense.

Time for you all to get your priorities right.

Now, get to work!

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

SF business burglarized 4 times in 6 months! Astonishing.

How about we finally get rid of so-called “chief” Scott and of the incompetent chain of command at SFPD?

It’s about time. How much more disastrous does his track record need to be for you all “democrats” to finally wake the up and do something about this moronesque incompetence?

4 years of Biden really have set the bar to historic lows… and we’ve all got used to mediocrity, it seems!

https://abc7news.com/post/san-francisco-business-owner-questions-police-departments-effectiveness-30k-loss-repeat-smash-grabs/15841898/

We need a new chief of police!

Get to work.

Subject:	URGENT - Lower Nob Hill/Lower Polk Revitalization Plans Under New Leadership?
Date:	Monday, January 27, 2025 2:08:58 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Supervisors,

Our once up-and-coming neighborhood of Lower Polk (Polk St between Geary St to California St) suffered severely during COVID, and has struggled to recover ever since.

From the absurd and disproportionate mandates that incompetent London Breed cluelessly enacted during the pandemic, to the change in demographics that disgraced Supervisor, then President Peskin shoved down our throats, turning hotels into shelters, forcing our hands on the navigation centers, ultimately resulting in turning our lively neighborhood into a second mini Tenderloin.

Who in their right mind could think for one second only, that homeless, crackheads, drug dealers and cartels would behave like exemplary citizens? Who in their right mind would think they'd lawfully patron our stores and local businesses? No one! Except morons like Breed or Peskin, that most of you all have eventually supported.

All we ended up with were valuable stores and restaurant gems closing one after the other. Crackheads and other zombies at every corner. Encampments, trash, filth, all over our alley streets. And our home values losing several hundreds of thousands of dollars.

I personally fume when people mention the word Tendernob. Lower Nob Hill shouldn't have been turned into this shit show.

Under your former mayor's watch, and some of you's complicity, complacency, the worst happened to our city. It is now time to fix it.

So tell me. Tell us all.

What is your plan to revitalize and redevelop Lower Nob Hill and more specifically the Lower Polk corridor?

Make sure to demonstrate a little bit of ambition, for once.

Please advise.

Date:	Monday, January 27, 2025 12:38:14 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Supervisors,

What solutions have you come up with to avoid these closures?

Are anything in negotiations yet, with Walgreens leadership team and those affected locations store managers, to prevent the catastrophic impact this would have on our neighborhoods?

We deserve to know.

Do everything in your power to get Walgreens to reverse their decisions.

Keep our local pharmacies open!

Please advise.

neighborhood businesses, including essential ones like Walgreens.

Where are we supposed to shop? Get our OTC medication? Prescription refills? Flu/COVID shots after this?

The US doesn't have any real / standalone pharmacies like Europe or other countries do. And people highly rely on these nationwide chains for their medical needs.

In District 3 just alone, this constitutes 3 closures. Throughout the city, more than a dozen. Just unacceptable.

https://www.sfgate.com/local/article/walgreens-closures-san-francisco-20024906.php
https://www.sfchronicle.com/bayarea/article/walgreens-sf-stores-closing-20024802.php

Let us find ways around this. Those stores just need to remain open. At all costs. No matter what's needed here.

Get the crackheads, addicts, homeless folks into treatment and shelter, respectively.
Encourage these stores to use all means necessary against all thieves and criminals, repeatedly looting these stores.
Stand with law enforcement.
Call out all those lenient, radical-left judges who can't seem to be doing their job, request their immediate removal from office or engage recall procedures.

Once again, these stores are essential to our neighborhoods, essential to our most basic needs, essential for tourists, essential for SF's much needed recovery, and simply cannot close.

Best regards,

JD.

According to KQED, Lurie Tiptoes Around Trump As SF Leaders Challenge Executive Orders.

https://www.kqed.org/news/12023569/lurie-tiptoes-around-trump-as-sf-leaders-challenge-executive-orders

Are you kidding me?

First of all - Let's not put all immigrants in one same bucket.

There's both legal and illegal immigration. And across both groups, not everybody's coming with the same purpose or intentions either.

Should we have some empathy for real asylum seekers, people having family here, working here for jobs that Americans don't want to take? Yes, absolutely. In certain cases, that should even qualify them for a visa and some form of regularization of their situation.

Should we feel some sympathy for drug dealers, cartel members, thieves and criminals? Probably not. Have those deported! We'll just be better off.

In case you already forgot…
https://www.sfchronicle.com/projects/2023/san-francisco-drug-trade-honduras/

Market and South Van Ness Avenue
Heading north towards Aquatic Park.
1:30 PM
More than 100-120 people on board

How long are we gonna keep on experiencing this shit show? Why do law abiding riders have to squeeze for all of these offenders?

Public transit is a mess in this city. We deserve clean, safe, and reliable MUNI service.

Starting with fare enforcement. Only those who pay should be able to board.

Have enforcement officers on every single ride. Defer enforcement powers to bus drivers/operators when no agent is available.

Simple. Effective. Common sense. Make it happen.

Thank you.

Subject:	URGENT - Concerns over the corrupt CPUC and forever increasing PG&E Bills in San Francisco and California-wide!
Date:	Saturday, January 25, 2025 11:58:39 AM

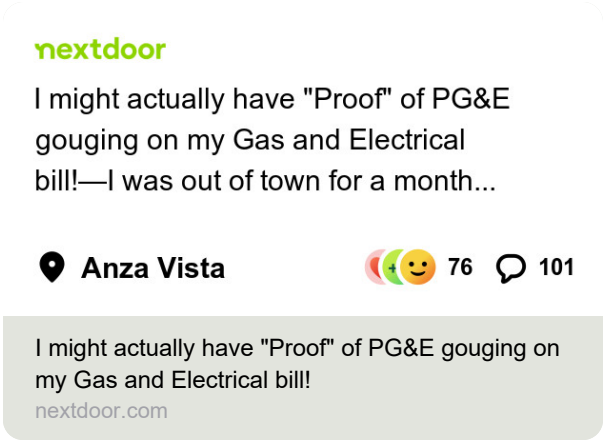
This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Supervisors,

I live in a one bedroom apartment and wasn't even home for 2 weeks amount of my last billing cycle.

What used to be a $30-40 a couple of years ago, then $60, then a $70-80 bill, at my biggest surprise, just hit $110 this January.

Many other people reported such spikes and unwarranted increase online all over Reddit, Nextdoor and other platforms, expressing concerns over abusive and deceptive practices.



After calling PG&E and having them go through all the numbers, it appeared that my actual consumption was around $40, but that an additional $70 of junk fees, almost twice as much as my usage, is every month, bumping it up to new heights!

Blame PG&E. Blame the regulator. Blame the corrupt CPUC and all of its corrupt members, and corrupt politicians (guess who? So-called "democrats") who placed them there, and allowed for the repeated price hikes we've all heard in the news over the last 12-18 months.

The most recent in dates?

https://www.sfchronicle.com/climate/article/pge-rate-hikes-2025-19993571.php

What I now start telling people?

Stop voting for the same people again and again if you want some change. Wake up, San Francisco. So-called “democrats” are not your friends.

Supervisors,

What is your plan to fight energy price gouging, not just for people on welfare programs but for all San Franciscans, irrespective of race or income?

Should the PG&E monopoly be broken up so that there actually is a market, competition, and lower prices?

Are you able to force PG&E to bring the prices down to their 2018/2019 levels?

What influence do you have with the CA Governor Newsom and the corrupt CPUC? Can their corrupt members be recalled for what appeared to be a series of high treasons!

Please advise.

JD.

Maybe something you should all be inspired by…

https://www.huntingtonbeachca.gov/news_detail_T4_R269.php

For those operating in our streets, dealing drugs for the cartels etc, … there should be full cooperation from local law enforcement.

We've seen way too much happening in our streets, to keep on being so naive!

There's a clear distinction between legal and illegal immigration. And within documented, undocumented groups, also, not everybody comes with the same background or story, or purpose in life.

We've seen way too much incompetence, leniency and dereliction of duty in recent years, across our districts, within city hall, the DA's office, in our courtrooms, and are fed up with the constant culture of excuse, constant victimization of thieves and criminals, and other sanctuary city dispositions.

Should we have any issues with thieves and criminals being deported? Probably not.

Please advise.

Subject: Please approve a citywide No Turn On Red policy to make it safer, easier, and more comfortable for people to cross the street…

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

The Board of Supervisors,

I am writing to urge you to support and approve a citywide No Turn On Red to make it safer, easier, and more comfortable to cross the street in San Francisco as well as make streets safer and more predictable for car drivers. No Turn On Red has been proven to increase safety — especially for children, seniors, and people living with disabilities — including where it's been implemented in San Francisco (e.g. the 50 intersections in the Tenderloin). Now is the time to expand No Turn On Red citywide, so drivers know this

unsafe behavior is no longer permitted throughout the city while people can feel safe crossing the street with easier and greater access.

Our city faces a roadway safety crisis and a climate crisis, both of which require making it safer to get around without a car and encouraging people to shift trips from cars to public transportation and active transportation (e.g. bikes, scooters, skateboards, mobility devices, etc.). Implementing No Turn On Red citywide will increase roadway safety (decrease roadway injuries) and help more people shift trips to walking, public transportation, and active transportation, making our city safer for people, especially people who are disproportionately negatively impacted by our roadway safety crisis and car-dominated transportation system (children, seniors, people living with disabilities, BIPOC). We need your leadership to make this street safety improvement now.

I urge you to support and approve No Turn On Red citywide to make it safer, easier, and more comfortable to cross the street in San Francisco. Please do everything in your power to ensure No Turn On Red is implemented citywide as soon as possible.

For those of you in state-level office, please work on legislation to allow SFMTA to implement No Turn On Red without installing signs at every intersection — which would enable the City to implement No Turn On Red citywide faster at a significantly lower cost and using significantly less staff time — and legislation to implement No Turn On Red statewide.

Thank you,

Everett Young

Hello,

Just codifying the exemptions for all. Gotta prove dereliction of duties and such...

Thank you,
Timothy James Martin, Trustee and Certified Tax Preparer

I CAN'T OPERATE BECAUSE OF THE CHAOS AND AM BRINGING ORDER TO THE CHAOS

I.
"Tax Preparer Act"

BPC 22258:
(a) "The following persons are" "exempt from the requirements" [but are] "subject to" "the requirements of" (b):

(1) "A person with" "a license by" "the California Board of Accountancy."

(2) "an active" "member of the State Bar of California."

(3) "Any" "trust company" or **"trust business" "as defined"** in Chapter 1 (commencing with Section 99) of Division 1 of **"the Financial Code."**

(4) A **"financial institution" "regulated by"** the **"state or federal" "government," "insofar as" "the activities of the Financial Institution" "with respect to" "tax preparation" "are subject to" "federal or state" "examination"** or **"oversight."**

(5) "A person" **"enrolled to practice before" "The Internal Revenue Service" "pursuant to"** Subpart A (commencing with Section 10.1) of Part 10 of Title 31 of the Code of Federal Regulations.

CIV 1752 The provisions of this title are not exclusive. The remedies provided herein for violation of any section of this title or for conduct proscribed by any section of this title shall be in addition to any other procedures or remedies for any violation or conduct provided for in any other law.
Nothing in this title shall limit any other statutory or any common law rights of the Attorney General or any other person to bring class actions. Class actions by consumers brought under the specific provisions of Chapter 3 (commencing with Section 1770) of this title shall be governed exclusively by the provisions of Chapter 4 (commencing with Section 1780); however, this shall not be construed so as to deprive a consumer of any statutory or common law right to bring a class action without resort to this title. If any act or practice proscribed under this title also constitutes a cause of action in common law or a violation of another statute, the consumer may assert such common law or statutory cause of action under the procedures and with the remedies provided for in such law.

II.

" The Professional Fiduciaries Act."

BPC 6530
(a) "no person shall act" or "hold themselves out" "to the public" as a **"professional fiduciary" "unless that person is" "licensed as a professional fiduciary"**

(b) "does not apply" "to a person" "licensed as an attorney" "under

the State Bar Act" (Chapter 4 (commencing with Section 6000)).

(c) **"does not apply" "to a person licensed as,"** and **"acting within" "the scope of practice of,"** a **"certified public accountant" "pursuant to"** Chapter 1 (commencing with Section 5000) of Division 3.

(d) **"does not apply" "to a person" "enrolled as" "an agent to practice before the Internal Revenue Service" "only when" "acting within the scope of practice" "pursuant to:"** Part 10 of Title 31 of the Code of Federal Regulations. **"Actions taken by an enrolled agent,"** when **"serving as a fiduciary," "which are beyond the scope of their license" "to practice as an enrolled agent" "is unlicensed activity"** and **"subject to" "discipline under Section 146" "unless the enrolled agent is also" "licensed as a professional fiduciary" "in accordance with this chapter."**

BPC 5051
"a person shall be" "**engaged"** in the **"practice of public accountancy"** within the **"meaning and intent"** if [they]:

(a) "Hold themselves out" to "**the public" "as one skilled" [**or] **"qualified and ready"** to **"render" "professional service"** as a **"public accountant"** for **"compensation." (b)-(e)** [other duties]

(f) "Keep books," [is to] [make/prepare] **"trial balances," "statements," "audits," "reports,"** for **"clients."**

(g) "As a tax preparer," "Prepare or sign," "tax returns" for "**clients."**

(h) "Prepare personal," "financial," "investment plans" or **"provide to clients" "products or services"** of **"others"** [for clients]

(i) "Prepare" "management consulting services" to **"clients."** A **"person is" "not engaged" in "the practice of" "public accountancy" if the only "services they engage in" are those from(f) to (i),** and **"do not hold themselves out," "solicit,"** or **"advertise for" clients using the certified public accountant or public accountant designation. A person is "not holding themselves out,"** [by] "**displaying"** a **"CPA or PA certificate"** or **"identifying themselves"** as a **"CPA or PA" [unless usage of] "signs," "advertisements," "letterhead," "business cards," "publications"**

"directed to clients" "potential clients," [that include], **"financial"** or **"tax documents"**

BPC 6501(f)

(1) "Professional fiduciary" means either of the following:

(A) A **"person who acts as"** a "**guardian or conservator of the person," "the estate,"** or "**the person and estate," for "two or more individuals" "at the same time" "who are not related to the professional fiduciary"** or **"to each other."**

(B) "A personal representative of a decedent's estate," "as defined in Section 58 of the Probate Code," for **"two or more individuals" "at the same time" "who are not related to" "the professional fiduciary"** or to **"each other."**

(2) "Professional fiduciary" "also means" "a person who" "acts as a trustee," agent under a durable power of attorney for health care, or agent under a durable power of attorney for finances, for "**more than three individuals," To "determine whether a person is" a "professional fiduciary:"**

(A) "Individuals" "who are related" to **"the fiduciary" "shall" "not be counted."**

(B) "All individuals" "who are related" to **"each other" "shall" be "counted as one individual."**

(C) "All trustors" "who are related" to **"each other" "shall"** be **"counted as one"**

(D) "Professional fiduciary" also is a "**professional fiduciary practice administrator," "appointed pursuant" "PROB 2469 or 9765"**

(3) "related" means "**related by blood," "adoption," "marriage," or "registered domestic partnership."**

(4) "Professional fiduciary" "does not include" "any of the following:"

(A) A **"trust company," "as defined" in "PROB 83"**

(B) An **"FDIC-insured institution,"** or "**its holding companies,"** "**subsidiaries," or affiliates.**

(C) "A public agency," including the "**public guardian," "public conservator,"** or **"other agency" of the "State of California"** or **of a "county of California"** or **"a regional center" for persons with "developmental disabilities,"** "**as defined" in "WIC 4620"**

(D) "A nonprofit corporation" or charitable trust" that "is described in" "Section 501(c)(3) of the Internal Revenue Code."

(E) "A person employed by," or "acting as an agent" "on behalf of," **an "entity or agency" "described in" (A), (B), (C), or (D) who is "acting within the course and scope."**

(F) "A person who" is a **"broker-dealer," "broker-dealer agent," "investment adviser," or "investment adviser representative" "registered and regulated under" the** "**Corporate Securities Law of 1968" the "Investment Advisers Act of 1940**," or **the "Securities Exchange Act of 1934,"** or "**serving as a trustee" to a "company regulated by" the "Securities and Exchange Commission under the Investment Company Act of 1940"**

III "the State Bar Act"

BPV 6002 (a) The **"licensees of the State Bar" are "persons admitted and licensed" "to practice law" "except justices and judges."**

BPC 6125 No person "shall practice law in California" unless "active licensee of the State Bar"

IV "Power of Attorney Law."

PROB 4124 (a) "Attorney-in-fact" is "a person granted authority" to act for the principal in a "power of attorney," "whether the person" is an "attorney-in-fact" or "agent, or "other" (b) "Attorney-in-fact" is "**a successor" or "alternate" "attorney-in-fact" and "a person delegated authority" by an "attorney-in-fact."**

PROB 4118 "Durable power of attorney" means **"a power of attorney"** that **"satisfies the requirements for durability"**

PROB4122 "Power of attorney" means a "**written instrument," that is "executed by" a "natural person" having the "capacity to contract" and that "grants authority" to an "attorney-in-fact."** A power of attorney may be durable or nondurable.

PROB 4126 "Principal" is "**a natural person" "who executes" a "power of attorney."**

PROB 4130 "Springing power of attorney" is "**a power of attorney" "becomes effective" at a "specified future time"** or **on the "occurrence of a specified future event" or "contingency,"** including, but not limited to, the "**subsequent incapacity of the principal." A "springing power of attorney" may be a "durable power of attorney" or a "nondurable power of attorney."**

PROB 4034. "Third person" is **"any person"** other than **the "principal" or "attorney-in-fact."**

PROB 4206 (a) If, "a court of the principal's domicile" "appoints a conservator of the estate," "guardian of the estate," or other "fiduciary" "charged with" the "management of all the "principal's property" or all the "principal's property" except "specified exclusions," the "attorney-in-fact is accountable" to the "fiduciary as well as" to the "principal." Except as provided in subdivision

(b), the "fiduciary has the same" "power to revoke" or "amend" the "durable power of attorney" that the "principal would have" had if not "incapacitated," "subject to any" "required court approval."

PROB 4200 "**Only a person having the "capacity to contract" is "qualified to act" as an "attorney-in-fact."**

PROB 4500 A "power of attorney" "is exercisable free" of "judicial intervention," "subject to this part."

PROB 4540 Subject to Section 4503, a petition may be filed under

this part by any of the following persons:
(a) The attorney-in-fact.
(b) The principal.
(c) The spouse of the principal.
(d) A relative of the principal.
(e) The conservator of the person or estate of the principal.
(f) The court investigator, described in Section 1454, of the county where the power of attorney was executed or where the principal resides.
(g) The public guardian of the county where the power of attorney was executed or where the principal resides.
(h) The personal representative or trustee of the principal's estate.
(i) The principal's successor in interest.
(j) A person who is requested in writing by an attorney-in-fact to take action.
(k) Any other interested person or friend of the principal.

PROB 1003 (a) The court may, on its own motion or on request of a personal representative, guardian, conservator, trustee, or other interested person, appoint a guardian ad litem at any stage of a proceeding under this code to represent the interest of any of the following persons, if the court determines that representation of the interest otherwise would be inadequate:
(2) A person who lacks legal capacity to make decisions.

PROB 4450 (a) The court may, on its own motion or on request of a personal representative, guardian, conservator, trustee, or other interested person, appoint a guardian ad litem at any stage of a proceeding under this code to represent the interest of any of the following persons, if the court determines that representation of the interest otherwise would be inadequate:
(2) A person who lacks legal capacity to make decisions.

COV 2295 An agent is one who represents another, called the principal, in dealings with third persons. Such representation is called agency.

PROB 48 (a) Subject to subdivision (b), **"interested person"** includes any of the following:
(1) An heir, devisee, child, spouse, creditor, beneficiary, and any other person having a property right in or claim against a trust estate or the

estate of a decedent which may be affected by the proceeding.
(2) Any person having priority for appointment as personal representative.
(3) A fiduciary representing an interested person.
(b) The meaning of **"interested person"** as it relates to particular persons may vary from time to time and shall be determined according to the particular purposes of, and matter involved in, any proceeding.

BPC 5033 "Certified public accountant" means "any person" who "has received" from the "board a certificate of certified public accountant" and "who holds" a "valid permit" to "practice" under the "provisions" of "this chapter".

BPC 5034 "Public accountant" means "any person" who has "registered" with "the board" as a "public accountant" and who holds a "valid permit" for "the practice" of "public accountancy."

1456.2 the "public conservator" "shall comply" with the "continuing education requirements" that "are established" by the "California State Association of Public Administrators, Public Guardians, and "Public Conservators."

PROB 2923 the "public guardian" "shall comply" with "the continuing education requirements" that "are established" by "the California State Association of Public Administrators, Public Guardians," and "Public Conservators."

PROB 20 Unless the "**provision or context"** otherwise "**requires,"** the **"definitions"** in this part **"govern the construction"** of this code.

PROB 810 The Legislature finds and declares the following:
(a) For purposes of this part, there shall exist a rebuttable presumption affecting the burden of proof that all persons have the capacity to make decisions and to be responsible for their acts or decisions.

(b) A person who has a mental or physical disorder may still be capable of contracting, conveying, marrying, making medical decisions, executing wills or trusts, and performing other actions.
(c) A judicial determination that a person is totally without understanding, or is of unsound mind, or suffers from one or more mental deficits so substantial that, under the circumstances, the person should be deemed to lack the legal capacity to perform a specific act, should be based on evidence of a deficit in one or more of the person's mental functions rather than on a diagnosis of a person's mental or physical disorder.

PROB 811 (a) A determination that a person is of unsound mind or lacks the capacity to make a decision or do a certain act, including, but not limited to, the incapacity to contract, to make a conveyance, to marry, to make medical decisions, to execute wills, or to execute trusts, shall be supported by evidence of a deficit in at least one of the following mental functions, subject to subdivision
(b), and evidence of a correlation between the deficit or deficits and the decision or acts in question:
(1) Alertness and attention, including, but not limited to, the following:
(A) Level of arousal or consciousness.
(B) Orientation to time, place, person, and situation.
(C) Ability to attend and concentrate.
(2) Information processing, including, but not limited to, the following:
(A) Short- and long-term memory, including immediate recall.
(B) Ability to understand or communicate with others, either verbally or otherwise.
(C) Recognition of familiar objects and familiar persons.
(D) Ability to understand and appreciate quantities.
(E) Ability to reason using abstract concepts.
(F) Ability to plan, organize, and carry out actions in one's own rational self-interest.
(G) Ability to reason logically.
(3) Thought processes. Deficits in these functions may be demonstrated by the presence of the following:
(A) Severely disorganized thinking.
(B) Hallucinations.
(C) Delusions.
(D) Uncontrollable, repetitive, or intrusive thoughts.
(4) Ability to modulate mood and affect. Deficits in this ability may be demonstrated by the presence of a pervasive and persistent or recurrent state of euphoria, anger, anxiety, fear, panic, depression, hopelessness or

despair, helplessness, apathy or indifference, that is inappropriate in degree to the individual's circumstances.
(b) A deficit in the mental functions listed above may be considered only if the deficit, by itself or in combination with one or more other mental function deficits, significantly impairs the person's ability to understand and appreciate the consequences of his or her actions with regard to the type of act or decision in question.
(c) In determining whether a person suffers from a deficit in mental function so substantial that the person lacks the capacity to do a certain act, the court may take into consideration the frequency, severity, and duration of periods of impairment.
(d) The mere diagnosis of a mental or physical disorder shall not be sufficient in and of itself to support a determination that a person is of unsound mind or lacks the capacity to do a certain act.
(e) This part applies only to the evidence that is presented to, and the findings that are made by, a court determining the capacity of a person to do a certain act or make a decision, including, but not limited to, making medical decisions. Nothing in this part shall affect the decision making process set forth in Section 1418.8 of the Health and Safety Code, nor increase or decrease the burdens of documentation on, or potential liability of, health care providers who, outside the judicial context, determine the capacity of patients to make a medical decision.

CCP 378 (a) "All persons may join in one action as plaintiffs if:"
(1) They **"assert any right"** to **"relief jointly," "severally,"** or **"in the alternative,"** in **"respect of"** or **"arising out of" "the same transaction," "occurrence," "series of transactions"** or **"occurrences"** and **"if any question of law, fact in common" "will arise by action;"** or
(2) **"They have a claim," "right,"** or **"interest adverse to them"** in the **"property or controversy" "which is the subject of the action."**
(b) **"It is not necessary that each plaintiff be interested as to every cause of action"** or **"as to all relief prayed for."** **"Judgment may be given for one or more, according to their respective right to relief."**

CCP 379 (a) "All persons may be joined in one action as defendants if there is asserted against them:"
(1) **"Any right to relief jointly," "severally,"** or **"in the alternative," "in respect of or arising out of the same transaction," "occurrence," "series of transactions"** or **"occurrences"** and **"if any question of" "law"** or **"fact" "common to all" "will arise in the action;"** or

(2) "**A claim," "right,"** or **"interest adverse to them in the property"** or **"controversy which is the subject of the action."**
(b) **"It is not necessary that each defendant be interested as to every cause of action"** or **"as to all relief prayed for." "Judgment may be given against"** [them] **"according to their respective liabilities."**
(c) **"Where the plaintiff is in doubt as to the person from whom"** [they're] **"entitled to redress,"** [they] **"may join two or more defendants," "with the intent that the question as to which," "if any is liable," "and to what extent, may be determined between them"**

369 (a) All persons may join in one action as plaintiffs if:
(1) **"They assert any right to relief jointly," "severally,"** or **"in the alternative," "in respect of or arising out of the same transaction," "occurrence,"** or **"series of transactions"** or **"occurrences"** and" **if any question of law"** or **"fact common to all these persons will arise in the action;"** or
(2) **"They have a claim," "right,"** or **"interest adverse to the defendant in the property"** or **"controversy which is the subject of the action."**
(b) **"It is not necessary that each plaintiff be interested as to every cause of action"** or **"as to all relief prayed for." "Judgment may be given accordingly"**

369 (a) "All persons may be joined in one action as defendants if there is asserted against them:"
(1) **"Any right to relief jointly," "severally,"** or **"in the alternative," "in respect of"** or **"arising out of the same transaction," "occurrence,"** or **"series of transactions"** or **"occurrences"** and **"if any question of law or fact common to all these persons will arise in the action;"** or
(2) "**A claim," "right,"** or **"interest adverse to them in the property"** or **"controversy" "which is the subject of the action**."
(b) **"It is not necessary that each defendant be interested as to every cause of action"** or "**as to all relief prayed for." "Judgment may be given" "according to their respective liabilities."**
(c) **"Where the plaintiff is in doubt as to the person from whom he or she is entitled to redress**," [they] **"may join two"** or **"more defendants," "with the intent that the question as to which," "if any," " is liable**," and **"to what extent," "may be determined between the parties."**

FIN 1550 "No corporation shall engage in the trust business unless:"
FIN 1553 "The following persons are exempt from Section 1550:"
(a) "**Any natural person"** serving as "**trustee** of one or more trusts

where at least one trustor is a family member of that trustee.
(b) Any **member of the State Bar,** as specified in Section 6002 of the Business and Professions Code, any "**certified public accountant,"** as defined in Section 5033 of the Business and Professions Code, and any **"professional corporation"** of one or more members of the State Bar or certified public accountants, where these professionals are acting as trustee of a trust established by them for their respective clients, provided that the member of the State Bar, certified public accountant, or professional corporation engages in no advertising for trust business in this state.
(c) Subject to all applicable limitations and restrictions in law for **nonprofit corporations,** any nonprofit corporation acting as trustee incidental to the purposes for which it was organized.
(d) "**appointed" "receiver," trustee," or "other fiduciary" "by a court"**
(e) a **"professional fiduciary."**

BPC 6530 (a) "no person shall act or hold themselves out to the **"public as a professional fiduciary"** unless that person is licensed as a professional fiduciary in accordance with this chapter.
(b) "**does not apply" to a person licensed as an" attorney"**
(c) "**does not apply to a "person licensed as", and "acting within the scope" of practice of, a "certified public accountant"**
(d) "**does not apply" "to a person" "enrolled as an agent" to "practice before" the "Internal Revenue Service"** "**within the scope of practice"**.

BPC 6501 (f) (1) "Professional fiduciary" means either of the following:
(A) A person who acts as **a "guardian" or "conservator" of "the person," the "estate," or the "person and estate,"** for two or more individuals at the same time who are not related to the professional fiduciary or to each other.
(B) A "**personal representative" of a decedent's "estate,"**.
(2) "Professional fiduciary" also means **a "person who acts as" a "trustee," "agent under a durable power of attorney"** for health care, or "**agent under a durable power of attorney for finances."**
(3) For purposes of this subdivision, "related" means related by blood, adoption, marriage, or registered domestic partnership.

BPC 6501 (f) (4) "Professional fiduciary" does not include any of the following:

(A) A "**trust company,"**
(B) An **FDIC-insured institution,** or **"its holding companies," "subsidiaries," or "affiliates."**
(C) A **"public agency,"** including the "**public guardian," "public conservator," or "other agency"**
(D) A **nonprofit corporation or charitable trust that is described in Section 501(c)(3) of the Internal Revenue Code**.
(E) A "**person employed by,"** or **acting as an agent on behalf of, an entity or agency** described in subparagraph (A), (B), (C), or (D) "**acting within the course and scope" a "public officer"** "**acting in the course and scope"**

(F) A person whose sole activity as a professional fiduciary is as a **broker-dealer, broker-dealer agent, investment adviser,** or **investment adviser representative** registered and "**regulated under the Corporate Securities Law of 1968**," **"the Investment Advisers Act of 1940,"** or "**the Securities Exchange Act of 1934"** or **a trustee to a company regulated by the Securities and Exchange Commission under the Investment Company Act of 1940"**

PROB 2104 (a) **A nonprofit charitable corporation** may be **appointed** as a **"guardian or conservator"** of **"the person or estate," "or both,"** if all of the following requirements are met:
(1) The corporation is incorporated in this state.
(2) The articles of incorporation specifically authorize the corporation to accept appointments as guardian or conservator, as the case may be.
(3) The corporation has been providing, at the time of appointment, care, counseling, or financial assistance to the proposed ward or conservatee under the supervision of a registered social worker certified by the Board of Behavioral Science Examiners of this state.
(b) The petition for appointment of a nonprofit charitable corporation described in this section as a guardian or conservator shall include in the caption the name of a responsible corporate officer who shall act for the corporation for the purposes of this division. If, for any reason, the officer so named ceases to act as the responsible corporate officer for the purposes of this division, the corporation shall file with the court a notice containing (1) the name of the successor responsible corporate officer and (2) the date the successor becomes the responsible corporate officer.
(c) If a nonprofit charitable corporation described in this section is appointed as a guardian or conservator:
(1) The corporation's compensation as guardian or conservator shall be allowed only for services actually rendered.

(2) Any fee allowed for an attorney for the corporation shall be for services actually rendered.

PROB 2104.1 A "nonprofit charitable corporation" not incorporated in this state may be appointed as the **"guardian of a minor"** if all of the following requirements are met:
(a) The articles of incorporation specifically authorize the nonprofit charitable corporation to accept appointments as a guardian.
(b) "**The nonprofit charitable corporation"** is contracted by the federal Department of Health and Human Services, Office of Refugee Resettlement, or its successor federal government entity, to provide care and custody of the minor.
(c) The **"petition for guardianship"** is filed in connection with a petition to make the necessary findings regarding special immigrant juvenile status pursuant to subdivision (b) of Section 155 of the Code of Civil Procedure.
(d) "**The nonprofit charitable corporation"** is licensed by this state to provide care for minors.
(e) "**The nonprofit charitable corporation"** complies with all of the requirements of Section 2104, except for paragraphs (1) and (2) of subdivision (a) of Section 2104.

PRB 2340

A **"superior court may not appoint"** a **"person to carry out"** the **"duties of a professional fiduciary,"** or **"permit a person to continue those duties,"** unless he or she holds a valid, unexpired, unsuspended license as a professional fiduciary under Chapter 6 (commencing with Section 6500) of Division 3 of the Business and Professions Code, is exempt from the definition of **"professional fiduciary"** under Section 6501 of the Business and Professions Code, or is exempt from the licensing requirements of Section 6530 of the Business and Professions Code.

PROB 1470 Interested person" includes, but is not limited to:
(a) Any interested state, local, or federal entity or agency.
(b) Any interested public officer or employee of this state or of a local public entity of this state or of the federal government.

BPC No person shall practice law in California unless the person is an active licensee of the State Bar.

BPC 6126 (a) "Any person" "advertising or holding himself or herself out"

as “practicing or entitled” “to practice law” or “otherwise practicing law” “who is not” an “active licensee of the State Bar,” or otherwise **authorized pursuant to statute** or **court rule to practice law in this state** at the time of doing so, is guilty of a misdemeanor punishable by up to one year in a county jail or by a fine of up to one thousand dollars ($1,000), or by both that fine and imprisonment. Upon a second or subsequent conviction, the person shall be confined in a county jail for not less than 90 days, except in an unusual case where the interests of justice would be served by imposition of a lesser sentence or a fine. If the court imposes only a fine or a sentence of less than 90 days for a second or subsequent conviction under this subdivision, the court shall state the reasons for its sentencing choice on the record.

CCP 382
If the consent of any one who should have been joined as plaintiff cannot be obtained, he may be made a defendant, the reason thereof being stated in the complaint; and when the question is one of a common or general interest, of many persons, or when the parties are numerous, and it is impracticable to bring them all before the court, one or more may sue or defend for the benefit of all.

Codes of Law work out as functional Polynomials.

Didn't think that math class was important.

My anger issues will be the least of those in charge of dealing with illegal LLC'S and such.

Timothy James Martin Public Trustee and Certified Tax Preparer

No realized that definition of a Tax Preparer includes all exemptions from CTEC registry.

two definitions of a tax return... 501c3 are mandated for "Contemporaneous Written Statements" Property interest...

CIV 1799.1a. (c) (1) (C) **"Tax return"** means a return, declaration, **statement**, refund claim, or other document required to be made or to be filed in connection with state or federal income taxes or state bank and corporation franchise taxes.

(f) **The treatment of tax returns by tax preparers,** "**as defined"** in **Section 22251 of the Business and Profession**s Code, shall be governed by Section 17530.5 of the Business and Professions Code.

On Fri, Jan 24, 2025 at 8:11 PM Timothy Martin <fairydustmartin@gmail.com> wrote:

The ones charged with protection of the public via "Tax Preparation" themselves are not exempt from other professions that have property interest in items legally defined as

Anyone who works with items are defined as a "Tax Preparer" even the exemptions... Trust CIV 17530.5 says Tax Preparers "as defined "in BPc Tax Preparer Act... Definition of a Tax Preparer includes BUSINESS... OAG apparently isn't enough oversight quote unquote... Maybe the OAG Department isn't enough, CTEC and it's Board members are registered to the OAG as well as me...

BPC 22251

(a) **"tax preparer" includes:**

(A) A person who, "for a fee" or "for other consideration," assists with or prepares tax returns for another person or who assumes final responsibility for completed work on a return

(B) A corporation, partnership, association, or other entity that has associated with it persons not exempted under Section 22258,

(b) "Tax return" means a "**return,"** declaration, statement, refund claim, or other document required to be made or filed in connection with state or federal income taxes or state bank and corporation franchise taxes.

My name is Ray Davis and I am a Regional Director for H&R Block in California and also currently serve as a board member for CTEC - California Tax Education Council. We partner closely with the Franchise Tax Board – FTB who serves as an the enforcement arm for all CA Registered or Exempt Tax Professionals. **We have reviewed your case with the FTB legal group and have determined that you do NOT meet the legal definition to receive an exemption as defined under the law.**

Here is the FTB's response and findings:

“Based on Mr. Martin’s response he has a California Tax Education Council (CTEC) registration requirement. A tax preparer is anyone who receives a fee or other consideration, assists with or prepares tax returns for another person, assumes financial responsibility for such returns, and/or offers these services.

As a self-disclosed H&R Block employee, Mr. Martin is considered a tax preparer and, therefore, must register. Franchise Tax Board may impose a tax preparer penalty for failure to register with the California Tax Education Council (CTEC) pursuant to Revenue and Taxation Code section 19167(a)(4). The following tax preparers are exempt:

- **California Certified Public Accountants (CPAs)**
- **Attorneys who are members of the California State Bar**
- **Enrolled Agents**
- **Trust companies or trust businesses, and their employees while functioning within the scope of their employment**
- **Financial institutions regulated by the state or federal government, to the extent the tax preparation activities are subject to federal or state examination or oversight, and their employees while functioning within the scope of their employment**

Mr. Martin is not the trustee for any of the clients he will, or does, provide services to at H&R Block; therefore, he does not meet the trustee exemption, or any of the other exemptions noted above. Because Mr. Martin’s trustee role, and registration with the California Attorney General's Registry of Charitable Trusts, does not conform to one the exemptions allowable by law, he has a CTEC registration requirement.**”**

Important: At this time, you are not legally able to work or represent yourself as a Tax Preparer in the State of California. In addition, until you meet a required designation you are unable to legally work or perform duties as a Tax Professional or Accelerated Tax Associate for H&R Block. We show that you

have successfully completed our CA Income Tax Course but have failed to register to date with CTEC. We would like to extend the courtesy of giving you until Friday, 2/10/23 to complete your CTEC registration and become a California Registered Tax Preparer (CRTP) or we will consider your employment with H&R Block as an Accelerated Tax Associate terminated. If you receive an approved designation or become registered with CTEC after 2/10/23 you will be eligible to re-apply for a Tax Professional role at H&R Block. We will then review your application and status at that time.

Please work with your District Manager Sharon Degener regarding your plans."

Thank you,

Timothy James Martin, Trustee

Passing o a San Francisco Gay Men's Chorus members passing...

Heavenly Father,

We gather here today with heavy hearts to honor and remember our beloved friend, Steven. We are grateful for the time we shared with him and the love and joy he brought into our lives. His spirit touched us all, and his memory will forever be cherished.

We ask for Thy comfort and peace to be with us as we mourn his passing. Please wrap Steven in Thy loving arms and grant him eternal rest in Thy heavenly kingdom. May he find peace and joy in Thy presence, free from the cares and struggles of this world.

Bless us, his friends and family, with strength and solace during this difficult time. Help us to support one another and to find healing in our shared memories and love for Steven.

We are thankful for the promise of eternal life and the hope of being reunited with our loved ones. Until that day, may Steven's spirit continue to inspire us to live with kindness, compassion, and faith.

In the name of Jesus Christ, Amen.

GOV 12586 **"the Supervision of Trustees and Fundraisers for Charitable Purposes Act."**

GOV 12598 (a) The **"primary responsibility for supervising California," "public benefit corporations," [is]** "**for ensuring compliance with" [it's] "articles of incorporation," [and this Legal Obligation] "resides in the Attorney General."**

CTEC's "Articles Of incorporation" provisionally incorporate "The Tax Preparer Act" and ARE The AG's Responsibility. Below is an excerpt from Article II paragraph B:

B. "The specific purpose of this corporation is to lessen the burdens of government" "Section 22250 et seq.""As such, "the Council shall be responsible for (1) **approving those tax curriculum providers who meet its standards and comply with its procedures** and (2) **issuing certificates of completion and statements of compliance as required"**

BPC 22253 (a) "It is a violation of this chapter" for a "tax preparer" to (1) "Fail to register" as a "tax preparer" with the council.

BPC 22251
(a) (1) "tax preparer" includes:

(B) "A corporation, partnership, association, or other entity"

BPC 22251.2 :
(c) "The council "shall be governed" by a board of directors comprised of the following:"

(1) "one representative from each California 'nonprofit corporation' in 'good standing'"

(2) "one representative from each 'for-profit tax preparation

corporation' in good standing."

(3) "Six individuals who are tax preparers pursuant to Section 22255."

(3) "A person exempt from the requirements" of this chapter pursuant to Section 22258 "is not eligible for appointment to the council,"

https://www.ctec.org/verify?nav=taxpayers

CORP 17701.04 (e) "Nothing in this title shall be construed to permit a domestic or foreign limited liability company to render professional services,"

Board Members, and member representatives of CTEC:

Esperanza Escobedo (CRTP)
Karen De Vany (CRTP)
Yvette Rupp (CRTP)
C. Lister Crawford (CRTP)
Fernando E Angell III (CRTP)
Jody Runyan-Schechter (CRTP)
Jett Asinas Mercado (CRTP)
Katie Zollo (CRTP)
Kaya Klotzek (ATP, CRTP, RSSA)
Susie L. DiMaggio (EA)
Ruth Godfrey (EA)
Lee Reams SR (EA)
Ray Davis

The following nonprofit organizations have representatives on the Board:

California Society of Enrolled Agents (CSEA)
California Society of Tax Consultants, Inc. (CSTC)
National Association of Enrolled Agents (NAEA)
National Association of Tax Professionals (NATP)
National Society of Accountants (NSA)

The following for profit corporations have representatives on the Board:
H&R Block Tax Services, Inc
Jackson Hewitt Tax Service
Liberty Tax Service

BPC 22258

The exemption from a registry with CTEC also extends to employees of any Trust Company and the Trust Business it has authority to operate for. This exemption also only extends to employees of any regulated Financial Institutions.

The exemption also applies to any employees of Attorney's, CPA's, and those Enrolled to practice in front of the IRS, but only while functioning within the scope of that employment. The employee must be supervised by their employer who must review the return, sign it, and be responsible for its content.

Closing Declaration: No person described as an employee may sign a Tax return, unless that employee is exempt or is a CRTP. However, the exemption for regulated Financial Institutions, Trust Companies and Trusts Businesses extends to their employees. As a reminder, the Preparation of tax return includes the inputting of data into a computer from any declarations, statements, refund claims, or any document that is required to be made or filed still classifies the person as a tax preparer and requires the supervision and oversight provided by the tax preparations regulatory industry. The only employees that these provisions do not apply to are those employees that prepare their employer's income, sales, or payroll tax returns.

The Regulators The Tax Preparation Industry

1. Department of Consumer Affairs the Professional Fiduciaries Bureau
2. California State Association of Public Administrators, Public Guardians and Public Conservators
3. California Department of Financial Protection and Innovation
4. California Tax Education Council
5. US Office of the Comptroller of the Currency

6. Charities of the California Department of Justice
7. California Board of Accountancy
8. California State Board
9. Office of Professional Responsibility and Circular 230

The Following are the exemptions of BPC 22258

1. Licensed Attorneys
2. Certifies Public Accountants
3. IRS/ FTB Trustees of 501c3 and their employees
4. Professional Fiduciaries
5. Public Administrators
6. Public Guardians
7. Public Conservators
8. Enrolled agents
9. Enrolled Retirement Plan Agents
10. Registered tax return preparers(EA's)
11. Certified professional employer organizations
12. Regulated Financial Institutions and their employees

Do you know why the exemptions from CTEC Registry for 501c3 exist??? Maybe because CTEC is nothing more than a 501c3 and a registry to the Department

of Justice...Yet, they have over half the board on it in violation to codes...

IF PEOPLE UNDERSTOOD THE CODES OF EXEMPTION... Anyone working for a 501c3 is exempt. I don't work for it, I am it and registered. My EIN for all states, unlike CTEC. I am certified as a Tax Specialist, Its so nice to never be allowed to do or be anything other than shit while these people pillage our community. I get it, y'all too stupid. or the money is funneling into your pockets. Sure, I'll calm down as they continue to cause breaches to a 501c3 that I am a trustee of.

This will get out and I will bitch until someone is smart and can talk about BIG KIDS stuff. Silence is very telling

Yet, my Authority is ignored while the regulators of CTEC are bandits in the night stealing money through illegal operations as an LLC.

I take my fiduciary legal obligations searious, but to deaf and mute people.

But, everyone is cool with it. Just Due Diligence here... in a place without "Good Faith" measures in place...

I'm sure I seem like I Have anger issues, don't be judging my ass for doing my leader's job. TWO DAMN YEARS OF COMPLAINT.

My duties, even of a poor 501c3 are still just as important as any other. Did any of you create any legal entity??? Filings and studies and shit???

OH, you all paid others to do it for you.

I WOULDN'T BE SOUNDING THE ALARM OVER ANYTHING LESS THAN BILLIONS OF UNPAID BACK STATE AND FEDERAL TAXES.

Basic Trustee Duties: PROTECT THE PUBLIC.

16000. On acceptance of the trust, the trustee has a duty to administer the trust according to the trust instrument and, except to the extent the trust instrument provides otherwise, according to this division.

(Enacted by Stats. 1990, Ch. 79.)

16001. (a) Except as provided in subdivision (b), the trustee of a revocable trust shall follow any written direction acceptable to the trustee given from time to time (1) by the person then having the power to revoke the trust or the part thereof with respect to which the direction is given or (2) by the person to whom the settlor delegates the right to direct the trustee.

(b) If a written direction given under subdivision (a) would have the effect of modifying the trust, the trustee has no duty to follow the direction unless it complies with the requirements for modifying the trust.

(Enacted by Stats. 1990, Ch. 79.)

16002. (a) The trustee has a duty to administer the trust solely in the interest of the beneficiaries.

(b) It is not a violation of the duty provided in subdivision (a) for a trustee who administers two trusts to sell, exchange, or participate in the sale or exchange of trust property between the trusts, if both of the following requirements are met:

(1) The sale or exchange is fair and reasonable with respect to the beneficiaries of both trusts.

(2) The trustee gives to the beneficiaries of both trusts notice of all material facts related to the sale or exchange that the trustee knows or should know.

(Enacted by Stats. 1990, Ch. 79.)

16003. If a trust has two or more beneficiaries, the trustee has a duty to deal impartially with them and shall act impartially in investing and managing the trust property, taking into account any differing interests of the beneficiaries.

(Amended by Stats. 1995, Ch. 63, Sec. 1. Effective January 1, 1996.)

16004. (a) The trustee has a duty not to use or deal with trust property for the trustee's own profit or for any other purpose unconnected with the trust, nor to take part in any transaction in which the trustee has an interest adverse to the beneficiary.

(b) The trustee may not enforce any claim against the trust property that the trustee purchased after or in contemplation of appointment as trustee, but the court may allow the trustee to be reimbursed from trust property the amount that the trustee paid in good faith for the claim.

(c) A transaction between the trustee and a beneficiary which occurs during the existence of the trust or while the trustee's influence with the beneficiary remains and by which the trustee obtains an advantage from the beneficiary is presumed to be a violation of the trustee's fiduciary duties. This presumption is a presumption affecting the burden of proof. This subdivision does not apply to the provisions of an agreement between a trustee and a beneficiary relating to the hiring or compensation of the trustee.

(Enacted by Stats. 1990, Ch. 79.)

16004.5. (a) A trustee may not require a beneficiary to relieve the trustee of liability as a condition for making a distribution or payment to, or for the benefit of, the beneficiary, if the distribution or payment is required by the trust instrument.

(b) This section may not be construed as affecting the trustee's right to:

(1) Maintain a reserve for reasonably anticipated expenses, including, but not limited to, taxes, debts, trustee and accounting fees, and costs and expenses of administration.

(2) Seek a voluntary release or discharge of a trustee's liability from the beneficiary.

(3) Require indemnification against a claim by a person or entity, other than a beneficiary referred to in subdivision (a), which may reasonably arise as a result of the distribution.

(4) Withhold any portion of an otherwise required distribution that is reasonably in dispute.

(5) Seek court or beneficiary approval of an accounting of trust activities.

(Added by Stats. 2003, Ch. 585, Sec. 1. Effective January 1, 2004.)

16005. The trustee of one trust has a duty not to knowingly become a trustee of another trust adverse in its nature to the interest of the beneficiary of the first trust, and a duty to eliminate the conflict or resign as trustee when the conflict is discovered.

(Enacted by Stats. 1990, Ch. 79.)

16006. The trustee has a duty to take reasonable steps under the circumstances to take and keep control of and to preserve the trust property.

(Enacted by Stats. 1990, Ch. 79.)

16007. The trustee has a duty to make the trust property productive under the circumstances and in furtherance of the purposes of the trust.

(Enacted by Stats. 1990, Ch. 79.)

16009. The trustee has a duty to do the following:

(a) To keep the trust property separate from other property not subject to the trust.

(b) To see that the trust property is designated as property of the trust.

(Enacted by Stats. 1990, Ch. 79.)

16010. The trustee has a duty to take reasonable steps to enforce claims that are part of the trust property.

(Enacted by Stats. 1990, Ch. 79.)

16011. The trustee has a duty to take reasonable steps to defend actions that may result in a loss to the trust.

(Enacted by Stats. 1990, Ch. 79.)

16012. (a) The trustee has a duty not to delegate to others the performance of acts that the trustee can reasonably be required personally to perform and may not transfer the office of trustee to another person nor delegate the entire administration of the trust to a cotrustee or other person.

(b) In a case where a trustee has properly delegated a matter to an agent, cotrustee, or other person, the trustee has a duty to exercise general supervision over the person performing the delegated matter.

(c) This section does not apply to investment and management functions under Section 16052.

(Amended by Stats. 1995, Ch. 63, Sec. 3. Effective January 1, 1996.)

16013. If a trust has more than one trustee, each trustee has a duty to do the following:

(a) To participate in the administration of the trust.

(b) To take reasonable steps to prevent a cotrustee from committing a breach of trust or to compel a cotrustee to redress a breach of trust.

(Enacted by Stats. 1990, Ch. 79.)

16014. (a) The trustee has a duty to apply the full extent of the trustee's skills.

(b) If the settlor, in selecting the trustee, has relied on the trustee's representation of having special skills, the trustee is held to the standard of the skills represented.

(Enacted by Stats. 1990, Ch. 79.)

16015. The provision of services for compensation by a regulated financial institution or its affiliates in the ordinary course of business either to a trust of which it also acts as trustee or to a person dealing with the trust is not a violation of the duty provided in Section 16002 or 16004. For the purposes of this section, "affiliate" means a corporation that directly or indirectly through one or more intermediaries controls, is controlled by, or is under common control with another domestic or foreign corporation.

GOV 12582 "Trustee" means (a) "**any individual,"** group of individuals, corporation, unincorporated association, or other legal entity **"holding property in trust pursuant to any charitable trust,"** (b) any corporation or unincorporated association which has accepted property to be used for a particular charitable purpose as distinguished from the general purposes of the corporation or unincorporated association, and (c) a corporation or unincorporated association formed for the administration of a charitable trust, pursuant to the directions of the settlor or at the instance of the trustee.

FIN 117 "Trust company" means a

1. **"corporation,"**

2. "industrial bank, or a commercial bank that is authorized to engage in the trust business."
    a. The Friends of Fairydustmartin

b. Martins voice Studio and More LLC

c. Martins Tax Preparation and More Sole Proprietor

Gov. 12582.1 "Charitable Corporation" means:

1. "**any nonprofit corporation" "organized under the laws of this State"** for **"charitable or eleemosynary purposes"** and any similar foreign corporation doing business or holding property in this State for such purposes.
   a. The Friends of Fairydustmartin

BPC 10200 "Every corporation" "organized" or existing under Part 3 (commencing with Section 10200) of Division 2 in effect on December 31, 1979,

1. **"is subject to" "and deemed to be" a "nonprofit public benefit corporation" "organized for charitable purposes" under** Part 2 (commencing with Section **"5110**)**" "of the Nonprofit Corporation Law"**

2. (Division 2 (commencing with Section 5000) of this title) except if the corporation is organized primarily or exclusively for religious purposes, in which case it is subject to and deemed to be a nonprofit religious corporation under Part 4 (commencing with Section 9110) of the Nonprofit Corporation Law.
   a. The Friends of Fairydustmartin nonprofit Public Benefit

RTC 23703

(a) For purposes of this section, **"charitable corporation"** means:

1. **a corporation "defined in" Section "12582.1 of the Government Code"** that is **"required to comply"** with the "**filing requirements"** set forth "in" Article 7 (commencing with "**Section**

12580)**”** of Chapter 6 of Part 2 of Division 3 of Title 2 **of the “Government Code.”**

a. “The Friends of Fairydustmartin”

(b) (1) “The exemption granted” to a “charitable corporation”” under the “provisions of Article 1 (commencing with Section 23701)” shall be revoked by the Franchise Tax Board in accordance with this section if the charitable corporation fails to file with the Attorney General any registration or periodic report required by Article 7 (commencing with Section 12580) of Chapter 6 of Part 2 of Division 3 of Title 2 of the Government Code.

BPC 17510.2 (d) For purposes of this article, **“charity”** “**shall** i**nclude:”**

1. **“any person” “who,” or**

2. **“any nonprofit community organization,” or**

3. fraternal, benevolent, educational, philanthropic, or service organization, or governmental employee organization which,

4. **“solicits or obtains” “contributions solicited”** from **“the public**” for **“charitable purposes”** or **“holds any assets for charitable purposes.”**

BPC 17510.25(e) For purposes of this section, **“charity”** means:

1. **a “charity” “subject to” “supervision by the Attorney General” “pursuant to”** Article 7 (**“commencing with Section 12580”**) of Chapter 6 of Part 2 of Division 3 of Title 2 of **“the Government Code.”**

PROB 15004 Unless otherwise provided by statute, this division applies to **charitable trusts that are subject to the jurisdiction of the Attorney General to the extent that the application of the provision is not in**

conflict with the Supervision of Trustees and Fundraisers for Charitable Purposes Act, Article 7 (commencing with Section 12580) of Chapter 6 of Part 2 of Division 3 of Title 2 of the Government Code.

BPC 17510.8 Notwithstanding any other provision of this article:,

1. **"there exists a fiduciary relationship"**

2. **"between a charity or any person soliciting on behalf of a charity," and:**

3. **"the person from whom a charitable contribution is being solicited."**

4. **"The acceptance of charitable contributions" by a "charity or any person soliciting on behalf of a charity"**

5. **"establishes a charitable trust"** and:

6. **a "duty on the part of" "the charity and the person soliciting on behalf of the charity"**

7. **"to use those charitable contributions for the declared charitable purposes for which they are sought."**

8. **"This section is declarative"** of:

9. **"existing trust law principles."**

PROB 15602 (a) "A trustee is not required to give a bond to secure performance of the trustee's duties," unless any of the following circumstances occurs:
(1) A bond is required by the trust instrument.
(2) Notwithstanding a waiver of a bond in the trust instrument, a bond is found by the court to be necessary to protect the interests of beneficiaries

or other persons having an interest in the trust.
(3) An individual who is not named as a trustee in the trust instrument is appointed as a trustee by the court.
(b) Notwithstanding paragraphs (1) and (3) of subdivision (a), the court may excuse a requirement of a bond, reduce or increase the amount of a bond, release a surety, or permit the substitution of another bond with the same or different sureties. The court may not, however, excuse the requirement of a bond for an individual described in paragraph (3) of subdivision (a), except under compelling circumstances. For the purposes of this section, a request by all the adult beneficiaries of a trust that bond be waived for an individual described in paragraph (3) of subdivision (a) for their trust is deemed to constitute a compelling circumstance.
(c) If a bond is required, it shall be filed or served and shall be in the amount and with sureties and liabilities ordered by the court.
(d) Except as otherwise provided in the trust instrument or ordered by the court, the cost of the bond shall be charged against the trust.
(e) A trust company may not be required to give a bond, notwithstanding a contrary provision in the trust instrument.

PROB 15604 (a) Notwithstanding any other provision of law, a "**nonprofit**" "**charitable corporation**" may be appointed as trustee of a trust created pursuant to this division, if all of the following conditions are met:
(1) The corporation is incorporated in this state.
(2) The articles of incorporation specifically authorize the corporation to accept appointments as trustee.
(3) For the three years prior to the filing of a petition under this section, the nonprofit charitable corporation has been exempt from payment of income taxes pursuant to Section 501(c)(3) of the Internal Revenue Code and has served as a private professional conservator in the state.
(4) The settlor or an existing trustee consents to the appointment of the nonprofit corporation as trustee or successor trustee, either in the petition or in a writing signed either before or after the petition is filed.
(5) The court determines the trust to be in the best interest of the settlor.
(6) The court determines that the appointment of the nonprofit corporation as trustee is in the best interest of the settlor and the trust estate.
(b) A petition for appointment of a nonprofit corporation as trustee under this section may be filed by any of the following:
(1) The settlor or the spouse of the settlor.
(2) The nonprofit charitable corporation.
(3) An existing trustee.

PROB 15686 (a) As used in this section, “trustee’s fee” includes, but is not limited to, the trustee’s periodic base fee, rate of percentage compensation, minimum fee, hourly rate, and transaction charge, but does not include fees for extraordinary services.
(b) A trustee shall not charge an increased trustee’s fee for administration of a particular trust unless the trustee first gives at least 60 days’ written notice of that increased fee to all of the following persons:
(1) Each beneficiary who is entitled to an account under Section 16062.
(2) Each beneficiary who was given the last preceding account.
(3) Each beneficiary who has made a written request to the trustee for notice of an increased trustee’s fee and has given an address for receiving notice.
(c) If a beneficiary files a petition under Section 17200 for review of the increased trustee’s fee or for removal of the trustee and serves a copy of the petition on the trustee before the expiration of the 60-day period, the increased trustee’s fee does not take effect as to that trust until otherwise ordered by the court or the petition is dismissed.

PROB 15680 (a) Subject to subdivision (b), and except as provided in Section 15688, if the trust instrument provides for the trustee’s compensation, the trustee is entitled to be compensated in accordance with the trust instrument.
(b) Upon proper showing, the court may fix or allow greater or lesser compensation than could be allowed under the terms of the trust in any of the following circumstances:
(1) Where the duties of the trustee are substantially different from those contemplated when the trust was created.
(2) Where the compensation in accordance with the terms of the trust would be inequitable or unreasonably low or high.
(3) In extraordinary circumstances calling for equitable relief.
(c) An order fixing or allowing greater or lesser compensation under subdivision (b) applies only prospectively to actions taken in administration of the trust after the order is made.
(Amended by Stats. 2008, Ch. 237, Sec. 6. Effective January 1, 2009.)
15681.

If the trust instrument does not specify the trustee's compensation, the trustee is entitled to reasonable compensation under the circumstances.
(Enacted by Stats. 1990, Ch. 79.)

15682.

The court may fix an amount of periodic compensation under Sections 15680 and 15681 to continue for as long as the court determines is proper.
(Enacted by Stats. 1990, Ch. 79.)

15683.

Unless the trust instrument otherwise provides or the trustees otherwise agree, if the trust has two or more trustees, the compensation shall be apportioned among the cotrustees according to the services rendered by them.
(Enacted by Stats. 1990, Ch. 79.)

15684.

A trustee is entitled to the repayment out of the trust property for the following:
(a) Expenditures that were properly incurred in the administration of the trust.
(b) To the extent that they benefited the trust, expenditures that were not properly incurred in the administration of the trust.
(Enacted by Stats. 1990, Ch. 79.)

15685.

The trustee has an equitable lien on the trust property as against the beneficiary in the amount of advances, with any interest, made for the protection of the trust, and for expenses, losses, and liabilities sustained in the administration of the trust or because of ownership or control of any trust property.
(Enacted by Stats. 1990, Ch. 79.)

15686.

(a) As used in this section, "trustee's fee" includes, but is not limited to, the trustee's periodic base fee, rate of percentage compensation, minimum fee, hourly rate, and transaction charge, but does not include fees for extraordinary services.
(b) A trustee shall not charge an increased trustee's fee for administration of a particular trust unless the trustee first gives at least 60 days' written notice of that increased fee to all of the following persons:
(1) Each beneficiary who is entitled to an account under Section 16062.
(2) Each beneficiary who was given the last preceding account.
(3) Each beneficiary who has made a written request to the trustee for notice of an increased trustee's fee and has given an address for receiving

notice.
(c) If a beneficiary files a petition under Section 17200 for review of the increased trustee's fee or for removal of the trustee and serves a copy of the petition on the trustee before the expiration of the 60-day period, the increased trustee's fee does not take effect as to that trust until otherwise ordered by the court or the petition is dismissed.

PROB 15607 (a) Notwithstanding any provision of a trust to the contrary, a trustee who is an attorney may receive only (1) the trustee's compensation provided in the trust or otherwise provided in this article or (2) compensation for legal services performed for the trustee, unless the trustee obtains approval for the right to dual compensation as provided in subdivision (d).
(b) No parent, child, sibling, or spouse of a person who is a trustee, and no law partnership or corporation whose partner, shareholder, or employee is serving as a trustee shall receive any compensation for legal services performed for the trustee unless the trustee waives trustee compensation or unless the trustee obtains approval for the right to dual compensation as provided in subdivision (d).
(c) This section shall not apply if the trustee is related by blood or marriage to, or is a cohabitant with, the settlor.
(d) After full disclosure of the nature of the compensation and relationship of the trustee to all persons receiving compensation under this section, the trustee may obtain approval for dual compensation by either of the following:
(1) An order pursuant to paragraph (21) of subdivision (b) of Section 17200.
(2) Giving 30 days' advance written notice to the persons entitled to notice under Section 17203. Within that 30-day period, any person entitled to notice may object to the proposed action by written notice to the trustee or by filing a petition pursuant to paragraph (21) of subdivision (b) of Section 17200. If the trustee receives this objection during that 30-day period and if the trustee wishes dual compensation, the trustee shall file a petition for approval pursuant to paragraph (21) of subdivision (b) of Section 17200.
(e) Any waiver of the requirements of this section is against public policy and shall be void.
(f) This section applies to services rendered on or after January 1, 1994.

PROB 16000 "On acceptance of the trust," "the trustee" "has a

duty' to

1. "administer the trust according to the trust instrument" and,
2. "except to the extent the trust instrument provides otherwise,"
3. "according to this division."

PROB 16003 (a) "The trustee" "has a duty" to **"administer the trust" solely in "the interest of the beneficiaries."**

PROB 24 "Beneficiary" means a person to whom a donative transfer of property is made or that person's successor in interest, **and: (d) "As it relates to a charitable trust," "includes any person entitled to enforce the trust."**

CORP 5142 (a) Notwithstanding Section 5141, **"any of the following may bring an action to enjoin, correct, obtain damages for or to otherwise remedy a breach of a charitable trust:"**

(4) A person with a reversionary, contractual, or **"property interest"** in the "**assets subject to" such" charitable trust."**
(5) The" Attorney General shall be given notice" of any action brought by the persons specified in paragraphs (1) through (4), and may intervene.
(b) In "an action" under this section," "the court may not rescind or enjoin the performance of a contract" unless:
(1) "All of the parties to the contract are parties to the action;"

PROB 16006 "The trustee"" has a duty to take reasonable steps" under the circumstances "to take and keep control of" and "to preserve the trust property."

PROB 16009 (b) To see that the trust property is designated as property of the trust.

PROB 16010 "The trustee" has a "duty to take reasonable steps to enforce claims" that "are part of the trust property."

PROB 16011 "The trustee" has a "duty to take reasonable steps" "to defend actions that may result in a loss to the trust.

PROB 16012 (a) "The trustee" has a "duty not to delegate to others the performance of acts that the trustee can reasonably be required personally to perform" and "may not transfer the office of trustee to another person" nor "delegate the entire administration

of the trust to a cotrustee" or "other person.

PROB 16016 (a) The trustee has a duty to apply the full extent of the trustee's skills.

CIV 685 "There may be ownership of":

1. all inanimate things" which are capable of appropriation or of manual delivery; of all domestic animals; of:

2. **all obligations; "Trustee duties of legal Obligations"**

3. **of such products of labor or skill as a Trustee**

4. as the composition of an author,

5. **the good will of a business, "The Friends of Fairydustmartin" CT0280521**

6. trade marks and signs, and of

7. **"rights created" "by Statute = "26 usc 501c3" or**

8. **"granted by statute." = Exemption BPC 22258(3)**

CIV 682 "The ownership of property by several persons is" either:

(c) Of interests in common.

CIV 686 "Every interest created in favor of several persons" in their "own right" is an "interest in common," unless acquired by them in partnership, for partnership purposes, or unless declared in its creation to be a joint interest, as provided in Section 683, or unless acquired as community property.

Interest in tax returns:
BPC 22251 (b) "Tax return" means a **"return,"** declaration, "**statement,"** refund claim, or other document required to be made or filed in connection with state or federal income taxes or state bank and corporation franchise taxes.

CIV 1599.1a (c)(1)(C) "Tax return" means a "**return,"** declaration, **"statement,"** refund claim, or other document required to be made or to be filed in connection with state or federal income taxes or state bank and corporation franchise taxes.

For: **Contemporaneous Written** "**Statements**" by **Mandated Authority of IRS PUB 1777**

And because of that:
This:

BPC 22258(c) For purposes of this section, "**preparation of a tax return includes the inputting of tax data into a computer."**

BPC 22258 (b) (1) "Except for employees of entities" "described in" paragraph (3 Trust Businesses) or (Financial Institutions) of subdivision (a), paragraph (6) of subdivision (a) shall apply only if all tax returns prepared by that employee are signed by a person described in paragraph (1), (2), or (5) of subdivision (a).

(a)(6) Any employee of any person described in paragraph (ATTORNEYS), (CPA'S), (EXEMPT), (EXEMPT), or (enrolled to practice before IRS 31 CFR 10.3 **), while functioning within the scope of that employment, insofar that the employee is supervised by a person exempt under this subdivision who reviews the return, signs it, and is responsible for its content.**

(2) Paragraph (7) of subdivision (a) shall apply only if all tax returns prepared by that employee are signed by the person described in paragraph (7) of subdivision (a).

(a)(7) Any employee of any corporation, partnership, association, or any entity described in subparagraph (B) of paragraph (1) of subdivision (a) of Section 22251
BPC 22251(a)(1)(B) A corporation, partnership, association, or other

entity that has **"associated with it persons not exempted under Section 22258,"** which persons shall have as part of their responsibilities the preparation of data and ultimate signatory authority on tax returns or that holds itself out as offering those services or having that authority.

(3) No person described in this subdivision as an employee may sign a tax return, unless that employee is:

1. otherwise exempt under this section,

2. is registered as a tax preparer with the council, or

3. **"is an employee of either a "trust company" or "trust business" "described in paragraph (3)"** of subdivision (a), or any employee of a financial institution described in paragraph (4) of subdivision (a).

(c) For purposes of this section, "**preparation of a tax return includes the inputting of tax data into a computer."**

PROB 16100 As used in this article, "**the following definitions shall control:"**

(a) "Charitable trust" means a charitable trust **"as described"** in Section **"4947(a)(1) of the Internal Revenue Code."**

26 USC 4947(a)(1) For purposes of part II of subchapter F of chapter 1 (other than section 508(a), (b), and (c)) and for purposes of this chapter, **"a trust which is not exempt from taxation under section 501(a), all of the unexpired interests in which are devoted to one or more of the purposes described in section 170(c)(2)(B),"** and **"for which a deduction was allowed"** under section 170, 545(b)(2), 642(c), 2055, 2106(a)(2), or 2522 (or the corresponding provisions of prior law), **"shall be treated as an organization described in section 501(c)(3)."** For purposes of section 509(a)(3)(A), **"such a trust shall be treated as if organized on the day on which it first becomes subject to this paragraph."**

PROB 16101 During any period when a trust is deemed to be a charitable trust or a private foundation, the trustee shall distribute its income for

each taxable year (and principal if necessary) at a time and in a manner that will not subject the property of the trust to tax under Section 4942 of the Internal Revenue Code.

PROB 16102 During any period when a trust is deemed to be a charitable trust, a private foundation, or a split-interest trust, the trustee shall not do any of the following:
(a) Engage in any act of self-dealing as defined in Section 4941(d) of the Internal Revenue Code.
(b) Retain any excess business holdings as defined in Section 4943(c) of the Internal Revenue Code.
(c) Make any investments in such manner as to subject the property of the trust to tax under Section 4944 of the Internal Revenue Code.
(d) Make any taxable expenditure as defined in Section 4945(d) of the Internal Revenue Code.

PROB 16101 The provisions of Sections 16101, 16102, and 16103 shall be deemed to be contained in the instrument creating every trust to which this article applies. Any provision of the instrument inconsistent with or contrary to this article is without effect.

PROB 16105 (a) A proceeding contemplated by Section 101(l)(3) of the federal Tax Reform Act of 1969 (Public Law 91-172) may be commenced pursuant to Section 17200 by the organization involved. All specifically named beneficiaries of the organization and the Attorney General shall be parties to the proceedings. Notwithstanding Section 17000, this provision is not exclusive and does not limit any jurisdiction that otherwise exists.

PROV 17200. (a) Except as provided in Section 15800, a trustee or beneficiary of a trust may petition the court under this chapter concerning the internal affairs of the trust or to determine the existence of the trust.
(b) Proceedings concerning the internal affairs of a trust include, but are not limited to, proceedings for any of the following purposes:
(1) Determining questions of construction of a trust instrument.
(2) Determining the existence or nonexistence of any immunity, power, privilege, duty, or right.
(3) Determining the validity of a trust provision.
(4) Ascertaining beneficiaries and determining to whom property shall pass or be delivered upon final or partial termination of the trust, to the extent the determination is not made by the trust instrument.
(5) Settling the accounts and passing upon the acts of the trustee, including the exercise of discretionary powers.

(6) Instructing the trustee.
(7) Compelling the trustee to do any of the following:
(A) Provide a copy of the terms of the trust.
(B) Provide information about the trust under Section 16061 if the trustee has failed to provide the requested information within 60 days after the beneficiary's reasonable written request, and the beneficiary has not received the requested information from the trustee within the six months preceding the request.
(C) Account to the beneficiary, subject to the provisions of Section 16064, if the trustee has failed to submit a requested account within 60 days after written request of the beneficiary and no account has been made within six months preceding the request.
(8) Granting powers to the trustee.
(9) Fixing or allowing payment of the trustee's compensation or reviewing the reasonableness of the trustee's compensation.
(10) Appointing or removing a trustee.
(11) Accepting the resignation of a trustee.
(12) Compelling redress of a breach of the trust by any available remedy.
(13) Approving or directing the modification or termination of the trust.
(14) Approving or directing the combination or division of trusts.
(15) Amending or conforming the trust instrument in the manner required to qualify a decedent's estate for the charitable estate tax deduction under federal law, including the addition of mandatory governing instrument requirements for a charitable remainder trust as required by final regulations and rulings of the United States Internal Revenue Service.
(16) Authorizing or directing transfer of a trust or trust property to or from another jurisdiction.
(17) Directing transfer of a testamentary trust subject to continuing court jurisdiction from one county to another.
(18) Approving removal of a testamentary trust from continuing court jurisdiction.
(19) Reforming or excusing compliance with the governing instrument of an organization pursuant to Section 16105.
(20) Determining the liability of the trust for any debts of a deceased settlor. However, nothing in this paragraph shall provide standing to bring an action concerning the internal affairs of the trust to a person whose only claim to the assets of the decedent is as a creditor.
(21) Determining petitions filed pursuant to Section 15687 and reviewing the reasonableness of compensation for legal services authorized under that section. In determining the reasonableness of compensation under this paragraph, the court may consider, together with all other relevant

circumstances, whether prior approval was obtained pursuant to Section 15687.
(22) If a member of the State Bar of California has transferred the economic interest of his or her practice to a trustee and if the member is a deceased member under Section 9764, a petition may be brought to appoint a practice administrator. The procedures, including, but not limited to, notice requirements, that apply to the appointment of a practice administrator for a deceased member shall apply to the petition brought under this section.
(23) If a member of the State Bar of California has transferred the economic interest of his or her practice to a trustee and if the member is a disabled member under Section 2468, a petition may be brought to appoint a practice administrator. The procedures, including, but not limited to, notice requirements, that apply to the appointment of a practice administrator for a disabled member shall apply to the petition brought under this section.
(c) The court may, on its own motion, set and give notice of an order to show cause why a trustee who is a professional fiduciary, and who is required to be licensed under Chapter 6 (commencing with Section 6500) of Division 3 of the Business and Professions Code, should not be removed for failing to hold a valid, unexpired, unsuspended license.

Disclose information:
BPC 22251.2 (c) "It is the intent of the Legislature" that **"this section complement and does not replace"** Section **17530.5 "as applied"** to **"tax preparers"** by subdivision (f) of Section **1799.1a** of the Civil Code.

CIV 17530.5 (b) For the purposes of this section, **"a person is engaged"** in the **"business of preparing" "federal or state income" "tax returns"** or "**assisting taxpayers"** in preparing those **"returns"** if the person does any of the following:

(1) Advertises, or gives publicity to the effect that the person prepares or assists others in the preparation of state or federal income tax returns.
(2) Prepares or assists others in the preparation of state or federal income

tax returns for compensation.
(3) Files a state or federal income tax return by electronic transmittal of return data directly to the Franchise Tax Board or to the Internal Revenue Service.

CIV 1799.1a(c)(1)(C) (C) "Tax return" means a "**return**," declaration, **"statement,"** refund claim, or other document required to be made or to be filed in connection with state or federal income taxes or state bank and corporation franchise taxes.

CIV 1799.1a(f) The treatment of **"tax returns"** by **"tax preparers," "as defined"** in Section 22251 of the Business and Professions Code, **"shall be governed by"** Section 17530.5 of the Business and Professions Code.

BPC 22251 (a) (1) "Except as otherwise" provided "**in paragraph (2)," "tax preparer"** includes:
(A) A person who, for "**a fee"** or **"for other consideration,"** assists with or prepares tax returns for another person or who assumes final responsibility for completed work on a return on which preliminary work has been done by another person, or who holds himself or herself out as offering those services. A person engaged in that activity shall be deemed to be a separate person for the purposes of this chapter, irrespective of affiliation with, or employment by, another tax preparer.
(B) A corporation, partnership, association, or other entity that has associated with it persons not exempted under Section 22258, which persons shall have as part of their responsibilities the preparation of data and ultimate signatory authority on tax returns or that holds itself out as offering those services or having that authority.
(2) Notwithstanding paragraph (1), **"tax preparer" "does not include"** an employee who, as part of the regular clerical duties of his or her employment, prepares his or her employer's income, sales, or payroll tax returns.
(b) "Tax return" means a **"return,"** declaration, "**statement,"** refund claim, or other document required to be made or filed in connection with state or federal income taxes or state bank and corporation franchise taxes.

CIV 1427 "An obligation" is a **"legal duty,"** by which **"a person is bound" "to do"** or **"not to do"** a certain thing.

CIV 24 Actions are of two kinds:
1. **Civil;** and,
2. Criminal.

CIV 25 A civil action arises out of:
1. **An obligation;**
2. An injury

CCP 26 "**An obligation is a legal duty,"** by which "**one person is bound" "to do" or "not to" "do a certain thing,"** and arises from either of the following:
(b) **Operation of law.**

BPC 22256(a) The superior court in and for the county in which any person acts as a tax preparer in violation of the provisions of this chapter, may, upon a petition by any person, issue an injunction or other appropriate order restraining the conduct. The proceedings under this paragraph shall be governed by Chapter 3 (commencing with Section 525) of Title 7 of Part 2 of the Code of Civil Procedure.

(b) Except as provided in paragraphs (12) to (18), inclusive, of subdivision (a) of Section 22253, "**a person who violates a provision of this chapter is guilty of a misdemeanor,"** which offense is punishable by a fine not exceeding one thousand dollars ($1,000), or by imprisonment in a county jail for not more than one year, or by both.

BPC 22251 (a) It is a violation of this chapter for a tax preparer to do or commit, and the council may deny an application for registration or discipline a registrant for, any of the following: (1) **Fail to register as a tax preparer with the council.**

RTC 19167(a)(4) Franchise Tax Board may impose a tax preparer penalty for failure to register with the California Tax Education Council (CTEC) pursuant to Revenue and Taxation Code section 19167(a)(4).

BPC 22257(a) "**If a tax preparer fails to perform a duty"(illegal board members, Illegally unregistered businesses, and Illegal LLCs)** specifically imposed upon him or her pursuant to this chapter, any person may maintain an action for enforcement of those duties or to recover a civil penalty in the amount of one thousand dollars ($1,000), or for both enforcement and recovery.
(b) In an action to enforce these duties or to recover civil penalties, or for

both enforcement and recovery, the prevailing plaintiff shall be entitled to reasonable attorney's fees and costs, in addition to the civil penalties provided under subdivision (a).

BPC 22251.2 (a) "**The California Tax Education Council,"** as defined in subdivision (d) of Section 22251, shall carry out the responsibilities and duties set forth in this chapter.
(b) Protection of the public shall be the highest priority for the council in exercising its registration and disciplinary authority, and any other functions. Whenever the protection of the public is inconsistent with other interests sought to be promoted, the protection of the public shall be paramount.
(c) "The council shall be governed by a board of directors comprised of the following:"
(1) Not more than one representative from each California nonprofit corporation in good standing that chooses to participate in the council and that represents tax preparers, enrolled agents, attorneys, or certified public accountants with a membership in California of at least 400 in each of the previous three calendar years.

(2) Not more than one representative from each for-profit tax preparation corporation in good standing that chooses to participate in the council and that had at least 400 employees or franchisees, which number can include the employees of a franchisee, in California during the previous calendar year and that has been operating in California for the last three years.

(3) Six individuals who are tax preparers pursuant to Section 22255 and are appointed through a process established by the council to the board of directors with full voting privileges to serve terms as determined by the council, with their initial terms being served on a staggered basis. **A person exempt from the requirements of this chapter pursuant to Section 22258 is not eligible for appointment to the council, other than an employee of an individual in an exempt category.**

BPC 22251.3 (a) "**The council shall issue a registration to any applicant"** who provides satisfactory evidence that he or she meets all of the requirements of this chapter and who complies with the bylaws, rules, and procedures established by the council.

BPC 22255 (a) "**The council shall issue a 'certificate of**

completion,'" as part of the education registration requirements described in Section 22251.3, to the tax preparer when the tax preparer demonstrates that he or she has (1) completed not less than 60 hours of instruction in basic personal income tax law, theory, and practice by an approved curriculum provider within the previous 18 months; and (2) provides evidence of compliance with the bonding requirement of Section 22250.1, including the name of the surety company, the bond number, and the bond expiration date. Of the required 60 hours, 45 hours shall be concerned with federal tax curriculum and 15 hours shall be concerned with state tax curriculum.
(b) A tax preparer shall complete on an annual basis not less than 20 hours of continuing education, including 15 hours in federal taxation and 5 hours in California taxation from an approved curriculum provider. "**The council shall issue annually a "statement of compliance" when the tax preparer demonstrates that he or she has"** (1) completed the required 20 hours of continuing education, and (2) provides evidence of compliance with the bonding requirement of Section 22250.1, including the name of the surety company, the bond number, and the bond expiration date.

PROB 80 "Undue influence" has the same meaning as defined in Section 15610.70 of the Welfare and Institutions Code. It is the intent of the Legislature that this section supplement the common law meaning of undue influence without superseding or interfering with the operation of that law.

WIC 15610.70 (a) "Undue influence" means excessive persuasion that causes another person to act or refrain from acting by overcoming that person's free will and results in inequity. In determining whether a result was produced by undue influence, all of the following shall be considered:
(1) The vulnerability of the victim. Evidence of vulnerability may include, but is not limited to, incapacity, illness, disability, injury, age, education, impaired cognitive function, emotional distress, isolation, or dependency, and whether the influencer knew or should have known of the alleged victim's vulnerability.
(2) The influencer's apparent authority. Evidence of apparent authority may include, but is not limited to, status as a fiduciary, family member, care provider, health care professional, legal professional, spiritual adviser, expert, or other qualification.
(3) The actions or tactics used by the influencer. Evidence of actions or tactics used may include, but is not limited to, all of the following:

(A) Controlling necessaries of life, medication, the victim's interactions with others, access to information, or sleep.
(B) Use of affection, intimidation, or coercion.
(C) Initiation of changes in personal or property rights, use of haste or secrecy in effecting those changes, effecting changes at inappropriate times and places, and claims of expertise in effecting changes.
(4) The equity of the result. Evidence of the equity of the result may include, but is not limited to, the economic consequences to the victim, any divergence from the victim's prior intent or course of conduct or dealing, the relationship of the value conveyed to the value of any services or consideration received, or the appropriateness of the change in light of the length and nature of the relationship.
(b) Evidence of an inequitable result, without more, is not sufficient to prove undue influence.

Gov 12581 "**This article applies to all**" "**charitable corporations,**" **"trustees,"** "**holding property for" "charitable purposes,"** [and other] "**over which the" state or the "Attorney General has" "enforcement or supervisory powers."**

GOV 12598 (a) "**The primary responsibility" for "supervising "charitable trusts" in California," for "ensuring compliance with" trusts and "articles of incorporation," and for "protection of assets" held by "charitable trusts" and "public benefit corporations," "resides" in "the Attorney General."** "**The Attorney General has**" "**broad powers" "to carry out these**" "**charitable trust**" **"enforcement responsibilities."**

I. ARTICLES OF INCORPORATION

II. The name of this corporation is "**California Tax Education Council, Inc**"

A. This corporation is a nonprofit public benefit corporation and is not organized for the private gain of any person. It is organized under the Nonprofit Public Benefit Corporation Law for public purposes.

B. The specific purpose of this corporation is to lessen the burdens of government by the organization and operation of the "tax education council," the quasi-public body established by California Business and Professions Code, Section 22250 et seq. ("the Council".) As such, the Council shall be responsible for (1) approving those tax curriculum

providers who meet its standards and comply with its procedures and (2) issuing certificates of completion and statements of compliance as required under Section 22255 of the California Business and Professions Code.

CIV 43 Besides the **"personal rights" "mentioned or recognized"** in GOV Codes, **"every person has," "the right of protection"** from **"bodily restraint"** or **"harm,"** from **"personal insult,"** from **"defamation,"** and from **"injury"** to his **"personal relations."**

CIV 43.93 (a) "definitions"

(1) "Psychotherapy" means [any] **"professional treatment", "assessment,"** "**counseling of"** any **"mental or emotional" "illness," "symptom," or "condition."**

(2) "Psychotherapist" [is anyone] **"specializing in the practice of psychiatry"**

CIV 44

Defamation is:
(a) Libel.
(b) Slander.

CIV 45.

"Libel" is a **"false and unprivileged"** "**publication by"**[any] **"fixed representation to the eye,"** [that] "**exposes any person to" "hatred," "contempt," "ridicule," "obloquy,"** or **"causes"** [them to be] **"shunned," "avoided,"** or "**tendency to injure"** [in their] **'occupation**."

CIV 45a

A **"libel"** which is **"defamatory of the plaintiff"** without the **"necessity"** of **"explanatory matter,"** such as **"inducement," "innuendo"** or other **"extrinsic fact,"** is said to be a **"libel on its face." "Defamatory language"** "**not libelous on its face"** is "**not actionable" "unless the plaintiff" "alleges and proves"** [they] **"suffered" "special damage"** as a **"proximate result thereof."**

CIV 46

"Slander" is a **"false and unprivileged" "publication," "orally uttered,"** and "**any other means"** [that]

3. Tends [to] **"directly" "injure"** "**in respect to"** [their] **"office," "profession," "trade"** or **"business,"** either **"by imputing to him general disqualification"** or **"by imputing something with reference to"** [it] **"that"** [may] **"lessen its profits;"**

4. **"Imputes to him impotence," "want of chastity;"** or

5. **"causes actual damage."**

CIV 47

A **"privileged" "publication or broadcast"** is one made:

(a) In the **"proper discharge of an official duty."**

(b) In any

(1) **"legislative proceeding",** (2) **"judicial proceeding,"** (3) **"any other"** "**official proceeding authorized by law,"** or (4) in the **"initiation or course" "of any other proceeding" "authorized by law"** and **"reviewable," "pursuant to"** [CCP 1084 et al], **"except:"**

(2) [any] **"privileged" "communication made" "in furtherance of an act" of "intentional destruction"** or **"alteration of physical evidence" "for the purpose of depriving a party to litigation"** [from using] **"that evidence,"** [even though] **"content of the communication"** is the **"subject of a subsequent" "publication or broadcast"** which is **"privileged." "Physical evidence"** means **"evidence specified in"** [EVID 250] or **"evidence that is" "property of any type"** [from CIV 2031.010]

CIV 48a (d) "the following definitions shall apply:"

(1) "General damages" means "**damages for loss of reputation," "shame," "mortification," and "hurt feelings."**

(2) "Special damages" means all **"damages that plaintiff" alleges and proves** that he or she **"has suffered"** in respect to his or her

"**property," "business," "trade," "profession,"** or **"occupation,"** including the "**amounts of money"** the "**plaintiff" "alleges and proves"** he or she **"has expended"** as a **"result of"** the "**alleged libel,"** and no other.

(3) "Exemplary damages" means **"damages that may"** in the **"discretion of the court or jury"** be **"recovered in addition"** to **"general and special damages"** for the **"sake of example"** and by way of **"punishing a defendant"** who has made **"the publication or broadcast"** with **"actual malice."**

(4) "Actual malice" [is a] **"state of mind"** from "**hatred or ill will" "toward plaintiff;"** [but if, the] **"state of mind" [was] "occasioned"** by a **"good faith belief"** [for the]**"truth of the libelous" "publication or broadcast"** [at the time, it] **"shall" "not constitute" "actual malice."**

CIV 50 "**Any necessary force" "may"** be used **"to protect"** from **"wrongful injury"** the "**person or property"**

CIV 51 (a) "the Unruh Civil Rights Act."

(b) "**All persons"** "**are free and equal," "no matter what" "sex," "race," "color," "religion," "ancestry," "national origin," "disability," "medical condition," "genetic information," "marital status," "sexual orientation," "citizenship," "primary language," or "immigration status"** [and are] "**entitled to"** the "**full and equal" "accommodations," "advantages," "facilities," "privileges,"** or **"services"** in all **"business establishments"** of **"every kind."**

(c) This **"shall not"** be "**construed to confer" "any right or privilege"** on **"a person"** that is **"conditioned or limited by law"** or is "**applicable alike to persons of" [51(b)]**

(d) Nothing **"shall be construed" "to require"** [anything] that is [not] "**required by" "provisions of law."** the **"authority"** of **"the State Architect"**

(e) (1) "Disability" means **"any"** "**mental or physical" "disability" "as defined"** in [GOV] 12926 and 12926.1

(2) (A) "Genetic information" means: [information from an] (i) "individual" [and/or (ii) the family of] [them] [from] genetic tests, [including any] (iii) **"manifestation of"** a "**disease or disorder."**
(B) and [is any] **"request for,"** [anything relatable to] **"genetic services,"** or **"participation in clinical research"**
(C) **"Genetic information" "does not include"** [Information for] "**sex"** or **"age" "of any individual."**
(3) "Medical condition" "as defined" in GOV 12926(i).
(4) **"Race"** is "**inclusive of traits" "associated with" "race,"** "**including," "hair texture" "protective hairstyles." "Protective hairstyles"** "**includes," "hairstyles"** [of] **"braids," "locs," "twists."**
(5) **"Religion"** "**includes"** "**all aspects"** of "**religious belief," "observance, and practice."**
(6) **"Sex" "includes"** a **"person's gender." "Gender"** means **"sex,"** and "**includes" "gender identity"** and **"gender expression." "Gender expression" "gender-related appearance" "behavior"** "whether" "**stereotypically associated"** [with] **"assigned sex at birth."**
(7) [51(b)] **"includes:"**
(A) **"Any combination of" [51(b) and]**
(B) A **"perception"** [of anything from 51(b) and]
(C) A **perception** [of anyone] associated [to those] within 51(b)
(8) **"Sexual orientation"** has the same meaning as defined in GOV 12926.
(f) **A violation of** [ADA rights] **"shall [be] a violation of this section."**
(g) **"discrimination"** [from a] "verified immigration status," **"shall not."**
(h) **"All Communications shall be in English unless mandated"**

52.1(a) This section shall be known, and may be cited, as "the Tom Bane Civil Rights Act.
(b) [anyone] **"acting under color of law,"** [or not],. **"interferes by threat," "intimidation,"** or **"coercion,"** or **"attempts to interfere by threat," "intimidation,"** or **"coercion,"** with **"the exercise or enjoyment"** by **"any individual[s] "rights secured"** [by the state or federal] **"Constitution or laws" "the Attorney General,"** or any **"district attorney"** or **"city attorney" "may" "bring a civil action"** for **"injunctive and other appropriate equitable relief"** in the **"name of the people of the State of California,"** in order to **"protect the peaceable" "exercise or enjoyment"** of the **"right or rights secured."** [those actions] **"may also seek a civil penalty of ($25,000),"** [and] **"shall be assessed individually"** [against, and then] **shall be awarded to those whose rights have been violated."**

(c) "The individual" [whose rights were violated from] **(b), "may"** [also] **"institute a civil action" for** [those] **"damages," "damages under Section 52," "injunctive relief,"** and [any other] **"equitable relief" "to protect the peaceable exercise"** or **"enjoyment of" "the right or rights secured." "including, appropriate" "equitable and declaratory relief" "to eliminate"** a **"pattern or "practice"** of **"conduct"** [from]**(b).**
(h) [Any litigation from this] **"section" "is independent of any other" "action," "remedy,"** or **"procedure" available,** [including] [CIV 51.7].

CIV 51.1 "If a violation of Section" 51, 51.7, or **52.1 "is alleged"** or **"the application or construction"** of [them] **"is in issue in any Court of California," "each party shall serve a copy of the party's" "brief" or "petition and brief,"** on the **"State Solicitor General"** at the **"Office of the AG." "Proof of service"** [shall name the] **"State Solicitor General."** [any failure] **"shall be given a reasonable opportunity to cure the failure" "before the court imposes any sanction." "The court shall allow the AG time to file a brief.**

CIV 52 (a) "Whoever denies," "aids" or **"incites a denial,"** or **"makes any discrimination or distinction" "contrary to" CIV 51,"** is **"liable for each and every offense for the actual damages,"** and **"any amount that may be determined by a jury,"** or **"a court sitting without a jury," "up to a maximum of three times"** the **"amount of actual damage"** [but, no] **"less than ($4,000),"** [as well as] **"any attorney's fees" "determined by the court" "in addition too"** 51.
(b) **"Whoever denies the right from" 51.7**, or "**aids, incites, or conspires" "in that denial,"** is **"liable for each and every offense"** for the **"actual damages suffered"** by **"any person denied that right," "in addition to the following:"**
(c) [If any violations] **"described in this section," "the AG, DA or city attorney,"** or **"any person aggrieved by the conduct" "may bring a civil action in the appropriate court by filing with it a complaint." "The complaint shall contain the following:"**
(1) **"A signature"**
(2) The **"facts pertaining to the conduct."**
(3) A **"request for preventive relief," "an application for" "a permanent or temporary injunction," "restraining order,"** or **"other order against"** the **"person or persons responsible for the conduct."**

CIV 51.7 (a) "the Ralph Civil Rights Act of 1976."

(b) (1) [Everyone has the] **"right to be free from" "any violence,"** or **"intimidation by threat of violence," "committed against their persons" or "property" "on account of any characteristic listed"** or **"defined in"** CIV 51(b),(e) or **"position in a labor dispute,"** or **"because another person perceives them to have one or more of those characteristics."** [listed] **"discrimination is illustrative,"** [not] **"restrictive."**
(2) **"intimidation by threat of violence"** includes, **"making or threatening to make"** a **"claim or report"** to a peace officer or **"law enforcement agency"** that **"falsely alleges that another person has engaged in unlawful activity"** or in **"an activity that requires law enforcement intervention," "knowing that the claim or report is false,"** or **"with reckless disregard for"** the **"truth or falsity of the claim or report."**
(3) (4) **"terrorize"** means **"to cause a person of ordinary emotions and sensibilities to fear for personal safety."**
(c) (1) A person **"shall not require another person to waive any legal right," "penalty," "remedy," "forum,"** or **"procedure"** for a **"violation of this section,"** as a **"condition of entering into a contract"** for **"goods or services,"** including **"the right to file and pursue a civil action," "complaint with,"** or **"notify any authorities"**
(2) A person **"shall not refuse to enter into a contract with,"** or **"refuse to provide goods or services to," "another person"** [for refusal]..
(3) Any **"waiver of any legal right"** [mentioned] **"shall be knowing and voluntary," "in writing,"** and **"expressly not made as a condition of entering into a contract for goods or services"** or as a **"condition of providing or receiving goods and services."**
(4) **"Any waiver of those as a requirement"** for a "**condition of entering into a contract for goods or services"** "shall be" "involuntary," "unconscionable," "against public policy," and **"unenforceable." "The enforceability or validity of any other provision of the contract shall not be affected.**
(5) A person who "**seeks to enforce a waiver of any legal right," "penalty," "remedy" "forum,"** or **"procedure for a violation of this section"** has the **"burden of proving that the waiver was knowing, voluntary and not made as a condition"**
(6) The **"exercise of a person's right to refuse to waive any legal right," "penalty," "remedy," "forum,"** or **"procedure for a violation of this section,"** including a **"rejection of a contract requiring a waiver," "does not affect any otherwise legal terms of a contract"**

or an **"agreement."**
(7) **"Does not apply for"** [any] **"violation" "after a legal claim has arisen."**
(8) [But] **"applies to" "violation**[s]**," "including arbitration,"** on or after 1/1/15
(d) **"Does not apply to statements"** [for] **"positions"** [of] **"lawful labor picketing."**
(e) (1) **"Speech alone shall not support an action brought," "except for:"**
(A) **"speech itself"** "**threatens violence against a specific person"** or **"group"**
(B) The **"person or group"** [whom the] **"threat is directed reasonably fears**" [it]
(C) If [the]"**threatening [of] violence is acting in reckless disregard"**
(D) [those] **threatening violence** [have] **the apparent ability to carry out the threat."**
(2) This **"shall not be construed to negate"** or **"otherwise abrogate the requirements set forth from (b) to (d),** inclusive, "**to bring an action pursuant to this section."**
(f) The **"Legislature finds and declares that this section was enacted as part of" "the Ralph Civil Rights Act of 1976, in Chapter 1293 of the Statutes of 1976."**
(g) **"Doesn't affect the provisions"** of Sections 1668, 1953, and 3513.

CCP 378 (a) "All persons may join in one action as plaintiffs if:"
(1) They **"assert any right"** to **"relief jointly," "severally,"** or **"in the alternative,"** in **"respect of"** or **"arising out of" "the same transaction," "occurrence," "series of transactions"** or **"occurrences"** and **"if any question of law, fact in common" "will arise by action;"** or
(2) **"They have a claim," "right,"** or **"interest adverse to them"** in the **"property or controversy" "which is the subject of the action."**
(b) **"It is not necessary that each plaintiff be interested as to every cause of action"** or **"as to all relief prayed for."** **"Judgment may be given for one or more, according to their respective right to relief."**

CCP 379 (a) "All persons may be joined in one action as defendants if there is asserted against them:"
(1) **"Any right to relief jointly," "severally,"** or **"in the alternative," "in respect of or arising out of the same transaction," "occurrence," "series of transactions"** or **"occurrences"** and **"if any**

question of" "law" or **"fact" "common to all" "will arise in the action;"** or
(2) "**A claim," "right,"** or **"interest adverse to them in the property"** or **"controversy which is the subject of the action."**
(b) **"It is not necessary that each defendant be interested as to every cause of action"** or **"as to all relief prayed for." "Judgment may be given against"** [them] **"according to their respective liabilities."**
(c) **"Where the plaintiff is in doubt as to the person from whom"** [they're] **"entitled to redress,"** [they] **"may join two or more defendants," "with the intent that the question as to which," "if any is liable," "and to what extent, may be determined between them"**

CIV 369 (a) All persons may join in one action as plaintiffs if:
(1) **"They assert any right to relief jointly," "severally,"** or **"in the alternative," "in respect of or arising out of the same transaction," "occurrence,"** or **"series of transactions"** or **"occurrences"** and" **if any question of law"** or **"fact common to all these persons will arise in the action;"** or
(2) **"They have a claim," "right,"** or **"interest adverse to the defendant in the property"** or **"controversy which is the subject of the action."**
(b) **"It is not necessary that each plaintiff be interested as to every cause of action"** or **"as to all relief prayed for." "Judgment may be given accordingly"**

CIV 369 (a) "All persons may be joined in one action as defendants if there is asserted against them:"
(1) **"Any right to relief jointly," "severally,"** or **"in the alternative," "in respect of"** or **"arising out of the same transaction," "occurrence,"** or **"series of transactions"** or **"occurrences"** and **"if any question of law or fact common to all these persons will arise in the action;"** or

Subject:	Re: I actually had to CODIFY Exemptions from CTEC, they have 3 listed exemptions, You are all trusting those that are dumb with just filling their pockets with Money???
Date:	Friday, January 24, 2025 6:28:49 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

The commonality of exemption is exemptions with each other, but CTEC Registries ain't exempt from any because they are just data entry...

CTEC IN CHARGE OF TAX EDUCATION??? 2 damn years of this me trying to get people to listen. BUT THEY BE RICH AND LISTEN TO ATTORNEYS THAT DON'T READ THE ACTUAL DEFINITIONS ORE PHRASE OR CONTEXT???

Anyone know what "As Defined" means???

What about by appointment by Court???
Or IRS/FTB Authorized Trustees of 501c3???

Ain't no CTEC Exemption because they just data entry!!!

Exemption Codes from Professions

BPC 22258

(3) **Any trust company or trust business as "defined in"** Chapter 1 (commencing with Section 99) of Division 1 of the **Financial Code**.

FIN 115 "Trust business" means the business of acting as executor, administrator, guardian or conservator of estates, assignee, receiver, depositary or trustee under the **appointment of any court,** or **by authority of any law of this or any other state or of the United States,** or as trustee for any purpose permitted by law.

I.
"Tax Preparer Act"

BPC 22258:
(a) "The following persons are" "exempt from the requirements" [but are] "subject to" "the requirements of" (b):

(1) "A person with" "a license by" "the California Board of

Accountancy."

(2) "an active" "member of the State Bar of California."

(3) **"Any" "trust company"** or **"trust business" "as defined"** in Chapter 1 (commencing with Section 99) of Division 1 of **"the Financial Code."**

(4) A **"financial institution" "regulated by"** the **"state or federal" "government," "insofar as" "the activities of the Financial Institution" "with respect to" "tax preparation" "are subject to" "federal or state" "examination"** or **"oversight."**

(5) "A person" **"enrolled to practice before" "The Internal Revenue Service" "pursuant to"** Subpart A (commencing with Section 10.1) of Part 10 of Title 31 of the Code of Federal Regulations.

II.
" The Professional Fiduciaries Act."

BPC 6530
(a) "**no person shall act" or** "**hold themselves out" "to the public"** as a **"professional fiduciary" "unless that person is" "licensed as a professional fiduciary"**

(b) "**does not apply" "to a person"** "**licensed as an attorney" "under the State Bar Act"** (Chapter 4 (commencing with Section 6000)).

(c) **"does not apply" "to a person licensed as,"** and **"acting within" "the scope of practice of,"** a **"certified public accountant"**

"pursuant to" Chapter 1 (commencing with Section 5000) of Division 3.

(d) **"does not apply" "to a person" "enrolled as" "an agent to practice before the Internal Revenue Service" "only when" "acting within the scope of practice" "pursuant to:"** Part 10 of Title 31 of the Code of Federal Regulations. **"Actions taken by an enrolled agent,"** when **"serving as a fiduciary," "which are beyond the scope of their license" "to practice as an enrolled agent" "is unlicensed activity"** and **"subject to" "discipline under Section 146" "unless the enrolled agent is also" "licensed as a professional fiduciary" "in accordance with this chapter."**

BPC 6501(f)

(1) "Professional fiduciary" means either of the following:

(A) A **"person who acts as"** a "**guardian or conservator of the person,"** "**the estate,"** or "**the person and estate,"** for **"two or more individuals" "at the same time" "who are not related to the professional fiduciary"** or **"to each other."**

(B) "**A personal representative of a decedent's estate,"** "**as defined in Section 58 of the Probate Code,"** for **"two or more individuals" "at the same time" "who are not related to" "the professional fiduciary"** or to **"each other."**

(2) "Professional fiduciary" "also means" "a person who" "acts as a trustee," agent under a durable power of attorney for health care, or agent under a durable power of attorney for finances, for "**more than three individuals," To "determine whether a person is"**

a "professional fiduciary:"

(A) "Individuals" "who are related" to **"the fiduciary" "shall" "not be counted."**

(B) "All individuals" "who are related" to **"each other" "shall" be "counted as one individual."**

(C) "All trustors" "who are related" to **"each other" "shall"** be **"counted as one"**

(D) "Professional fiduciary" also is a "**professional fiduciary practice administrator,"** "**appointed pursuant" "PROB 2469 or 9765"**

(3) "related" means "**related by blood," "adoption," "marriage," or "registered domestic partnership."**

(4) "Professional fiduciary" "**does not include" "any of the following:"**

(A) A **"trust company," "as defined" in "PROB 83"**

(B) An **"FDIC-insured institution,"** or "**its holding companies,"** "**subsidiaries," or affiliates.**

(C) "A public agency," including the "**public guardian," "public conservator,"** or **"other agency" of the "State of California"** or **of a "county of California"** or **"a regional center" for persons with "developmental disabilities,"** "**as defined" in "WIC 4620"**

(D) "A nonprofit corporation" or charitable trust" that "is described in" "Section 501(c)(3) of the Internal Revenue Code."

(E) "A person employed by," or "acting as an agent" "on behalf of," **an "entity or agency" "described in" (A), (B), (C), or (D) who is "acting within the course and scope."**

(F) "A person who" is a **"broker-dealer," "broker-dealer agent," "investment adviser," or "investment adviser representative" "registered and regulated under" the** "**Corporate Securities Law of 1968" the "Investment Advisers Act of 1940**," or

the "Securities Exchange Act of 1934," or "**serving as a trustee" to a "company regulated by" the "Securities and Exchange Commission under the Investment Company Act of 1940"**

III "the State Bar Act"

BPV 6002 (a) The **"licensees of the State Bar" are "persons admitted and licensed" "to practice law" "except justices and judges."**

BPC 6125 No person "shall practice law in California" unless "active licensee of the State Bar"

> BPC Codes 22258 Exemptions

(1) A person with a current and valid license issued by the California Board of Accountancy.

(2) A person who is an active member of the State Bar of California.

(3) Any trust company or trust business as defined in Chapter 1 (commencing with Section 99) of Division 1 of the Financial Code.

(4) A financial institution regulated by the state or federal government, insofar as the activities of the financial institution with respect to tax preparation are subject to federal or state examination or oversight.

(5) A person who is enrolled to practice before the Internal Revenue Service pursuant to Subpart A (commencing with Section 10.1) of Part 10 of Title 31 of the Code of Federal Regulations.

BPC 22258

The exemption from a registry with CTEC also extends to employees of any Trust Company and the Trust Business it has authority to operate for. This exemption also only extends to employees of any regulated Financial Institutions.

The exemption also applies to any employees of Attorney's, CPA's, and those Enrolled to practice in front of the IRS, but only while functioning within the scope of that employment. The employee must be supervised by their employer who must review the return, sign it, and be responsible for its content.

Closing Declaration: No person described as an employee may sign a Tax return, unless that employee is exempt or is a CRTP. However, the exemption for regulated Financial Institutions, Trust Companies and Trusts Businesses extends to their employees. As a reminder, the Preparation of tax return includes the inputting of data into a computer from any declarations, statements, refund claims, or any document that is required to be made or filed still classifies the person as a tax preparer and requires the supervision and oversight provided by the tax preparations regulatory industry. The only employees that these provisions do not apply to are those employees that prepare their employer's income, sales, or payroll tax returns.

The Regulators The Tax Preparation Industry

1. Department of Consumer Affairs the Professional Fiduciaries Bureau
2. California State Association of Public Administrators, Public Guardians and Public Conservators
3. California Department of Financial Protection and Innovation
4. California Tax Education Council
5. US Office of the Comptroller of the Currency
6. Charities of the California Department of Justice
7. California Board of Accountancy
8. California State Board
9. Office of Professional Responsibility and Circular 230

The Following are the exemptions of BPC 22258

Subject: Please fund the e-bike incentive program to help families, working people, and all San Franciscans shift trips to bikes, reduce car traffic, demand for parking, noise, air pollution, climate emissions, and fatalities/injuries, while increasing public s...
Date: Tuesday, January 28, 2025 11:38:38 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

The Board of Supervisors,

I am writing to urge you to fund the E-Bike Incentive Program, which will help more families, workers, and other people shift trips from cars to bikes, increasing safety, affordability, and equity, while reducing car traffic, demand for car parking, noise, air pollution, climate emissions, roadway construction and maintenance costs, and roadway crashes, fatalities, and injuries. Please work with the advocates behind the original program proposal to secure funding for the program from City, SFCTA, MTC, state, federal, and other funding sources (e.g. philanthropic foundations, wealthy individuals).

The e-bike incentive program --- inspired by, and modeled off, effective programs in Denver, Colorado, Austin, Texas, and Atlanta, Georgia --- will reduce the financial burden for families, workers, and other people who want to use bikes for transportation, with a larger incentive for low-income individuals and families who qualify. By helping more people purchase or lease e-bikes, you will decrease car traffic, demand for parking, costs related to roadway construction/maintenance, noise, air pollution, climate emissions, and road fatalities/injuries while increasing economic activity, revenue for local businesses, community connectedness, public health, and public land available for trees, seating, parks, playgrounds, housing, and other more effective land uses. Due to the cost-saving effect of increased bike ridership and bike infrastructure, the e-bike incentive program may well net cost savings for the City, County, and state, something that is especially needed and beneficial given the budget deficit and crisis.

You can find more information about the original program proposal and related grassroots campaign at
https://url.avanan.click/v2/r01/___https://eBikeSF.org___.YXAzOnNmZHQyOmE6bzo1NDcxMzU3MDAzOTRkMjlmNGFhYWM4MTc5MTU4ZTJlYTo3OmI5NjI6OGJkMmMyZGNjZmE5NWUzNzkzZGEzZWViY2Q1YTY1ZjI4MmYxNTA1M2RlNGMzZTMzZTM2Mzl5NzZlMzg2NTIyNDp0OlQ6Tg.

In order for this program to be created and have its full potential impact, we need you to secure funding for the program. Will you commit to doing everything in your power to secure as much funding as possible as soon as possible?

Thank you.

The Board of Supervisors,

Hello Senator Wiener,

I am writing to urge you to fund the E-Bike Incentive Program, which will help more families, workers, and other people shift trips from cars to bikes, increasing safety, affordability, and equity, while reducing car traffic, demand for car parking, noise, air pollution, climate emissions, roadway construction and maintenance costs, and roadway crashes, fatalities, and injuries. Please work with the advocates behind the original program proposal to secure funding for the program from City, SFCTA, MTC, state, federal, and other funding sources (e.g. philanthropic foundations, wealthy individuals).

***In addition to the measures included in this e-bike incentive program, detailed below, I urge you to consider reducing the barrier to families trying e-bikes in their life with no cost risk. To put it simply, we need more individuals to be able to test what their life could look like with an e-bike without having to buy a bike or sign a lease.
Beyond the upfront cost of the bike, which is an impediment to those that are willing to make the leap, there is a significant mental and routine-breaking hurdle required for someone to adopt an e-bike into their life. I recommend supplementing this program with no-cost bike trial programs for a meaningful duration to offer the bike-curious opportunities to test how an e-bike or e-cargo bike could fit into their life.***

The e-bike incentive program — inspired by, and modeled off, effective programs in Denver, Colorado, Austin, Texas, and Atlanta, Georgia — will reduce the financial burden for families, workers, and other people who want to use bikes for transportation, with a larger incentive for low-income individuals and families who qualify. By helping more people purchase or lease e-bikes, you will decrease car traffic, demand for parking, costs related to roadway construction/maintenance, noise, air pollution, climate emissions, and road fatalities/injuries while increasing economic activity, revenue for local businesses, community connectedness, public health, and public land available for trees, seating, parks, playgrounds, housing, and other more effective land uses. Due to the cost-saving effect of increased bike ridership and bike infrastructure, the e-bike incentive program may well net cost savings for the City, County, and state, something that is especially needed and beneficial given the budget deficit and crisis.

You can find more information about the original program proposal and related grassroots campaign at

Support Lower Haight Merchants & Neighbors – Stop Parking Tax!!

Message:

Dear Supervisors, Mayor, and SFMTA,

San Francisco's economic recovery is lagging, partly due to anti-business, anti-resident policies like SFMTA's current proposal. The plan to install parking meters (or kiosks) on light mixed commercial/ residential areas and exclusive residential areas will only drive more people away from the city and shift consumer spending to places like Marin and South SF, where shopping remains convenient and welcoming.

I strongly oppose parking meters / kiosks on residential streets in District 5 in the Lower Haight specifically where we do not have a parking turnover issue. As well I believe in a more balanced program that is inclusive of cars, pedestrians, bikes and public transit users. SFMTA's focus should be on providing clean, safe, and reliable public transportation, not making life harder for residents and businesses. Policies like this threaten our small businesses, reduce quality of life, and alienate the very people who keep San Francisco vibrant.

A recent poll on Nextdoor showed 98% opposition to parking meters (kiosks) on residential streets. SFMTA’s track record of unpopular decisions—like those on Valencia, Van Ness, and Geary—has shown a disregard for the majority's concerns. Residents already pay for Area Parking Stickers; adding more meters is purely punitive.

Parking meters belong in commercial/residential areas where turnover is an issue and not in light mixed commercial/residential and exclusively residential neighborhoods. This policy will hurt local businesses, reduce foot traffic, and make living here more expensive. San Francisco should not be a city where people are charged just to be outside.

It’s time for our government to put constituents first and stop policies that make life in our city harder.

Thank you,

Message:

Dear Supervisors, Mayor, and SFMTA,

The plan to install parking meters (or kiosks) on light mixed commercial/ residential areas and exclusive residential areas will only drive more people away from the city and shift consumer spending to places where parking is free and easy, or worse, ONLINE.

I strongly oppose parking meters / kiosks on residential streets in District 5 in the Lower Haight specifically where we do not have a parking turnover issue. As well I believe in a more balanced program that is inclusive of cars, pedestrians, bikes and public transit users. SFMTA's focus should be on providing clean, safe, and reliable public transportation, not making life harder for residents and businesses. Policies like this threaten our small businesses, reduce quality of life, and alienate the very people who keep San Francisco vibrant.

A recent poll on Nextdoor showed 98% opposition to parking meters (kiosks) on residential streets. SFMTA's track record of unpopular decisions—like those on Valencia, Van Ness, and Geary—has

shown a disregard for the majority's concerns. Residents already pay for Area Parking Stickers; adding more meters is purely punitive.

And on a personal note, parking is already ridiculous in my neighborhood, even with a residential permit, because so many parking spaces been removed and because there are simply too many cars for too few spaces. for someone who needs my truck for work (and lots of it in the Lower Haight), having to run out and refill a meter is just another layer of frustration and anxiety. I'm a small business and while I'm a service rather than a brick and mortar, this impacts me.

It’s time for our government to put constituents first and stop policies that make life in our city harder.

I strongly oppose parking meters / kiosks on residential streets in District 5 in the Lower Haight specifically where we do not have a parking turnover issue. As well I believe in a more balanced program that is inclusive of cars, pedestrians, bikes and public transit users. SFMTA's focus should be on providing clean, safe, and reliable public transportation, not making life harder for residents and businesses. Policies like this threaten our small businesses, reduce quality of life, and alienate the very people who keep San Francisco vibrant.

A recent poll on Nextdoor showed 98% opposition to parking meters (kiosks) on residential streets. SFMTA’s track record of unpopular decisions—like those on Valencia, Van Ness, and Geary—has shown a disregard for the majority's concerns. Residents already pay for Area Parking Stickers; adding more meters is purely punitive.

Parking meters belong in commercial/residential areas where turnover is an issue and not in light mixed commercial/residential and exclusively residential neighborhoods. This policy will hurt local businesses, reduce foot traffic, and make living here more expensive. San Francisco should not be a city where people are charged just to be outside.

It’s time for our government to put constituents first and stop policies that make life in our city harder.

Thank you,

Support Lower Haight Merchants & Neighbors – Stop Parking Tax!!

Message:

Dear Supervisors, Mayor, and SFMTA,

San Francisco's economic recovery is lagging, partly due to anti-business, anti-resident policies like SFMTA's current proposal. The plan to install parking meters (or kiosks) on light mixed commercial/ residential areas and exclusive residential areas will only drive more people away from the city and shift consumer spending to places like Marin and South SF, where shopping remains convenient and welcoming.

SFMTA's focus should be on providing clean, safe, and reliable public transportation, not making life harder for residents and businesses. Policies like this threaten our small businesses, reduce quality of life, and alienate the very people who keep San Francisco vibrant.

A recent poll on Nextdoor showed 98% opposition to parking meters (kiosks) on residential streets. SFMTA’s track record of unpopular decisions—like those on Valencia, Van Ness, and Geary—has shown a disregard for the majority's concerns. Residents already pay for Area Parking Stickers; adding more meters is purely punitive.

Parking meters belong in commercial/residential areas where turnover is an issue and not in light mixed commercial/residential and exclusively residential neighborhoods. This policy will hurt local businesses, reduce foot traffic, and make living here more expensive. San Francisco should not be a city where people are charged just to be outside.

It’s time for our government to put constituents first and stop policies that make life in our city harder.

Thank you,

Support Lower Haight Merchants & Neighbors – Stop Parking Tax!!

Message:

Dear Supervisors, Mayor, and SFMTA,

San Francisco's economic recovery is lagging, partly due to anti-business, anti-resident policies like SFMTA's current proposal. The plan to install parking meters (or kiosks) on light mixed commercial/ residential areas and exclusive residential areas will only drive more people away from the city and shift consumer spending to places like Marin and South SF, where shopping remains convenient and welcoming.

I strongly oppose parking meters / kiosks on residential streets in District 5 in the Lower Haight specifically where we do not have a parking turnover issue. As well I believe in a more balanced program that is inclusive of cars, pedestrians, bikes and public transit users. SFMTA's focus should be on providing clean, safe, and reliable public transportation, not making life harder for residents and businesses. Policies like this threaten our small businesses, reduce quality of life, and alienate the very people who keep San Francisco vibrant.

Support Lower Haight Merchants & Neighbors – Stop Parking Tax!!

Message:

Dear Supervisors, Mayor, and SFMTA,

I personally attended the Lower Haight and Hayes Valley Park or Permit Project Open House presentation on October 2nd, 2024. During the open house I asked several of the presenters over what time period was their parking data collected? I was very surprised to hear that their data was collected from late 2019 through most of 2020. The covid pandemic occurred over that time period and parking regulations in my neighborhood (Lower Haight) were NOT in effect. So any data collected over this time is obviously invalid. Therefore any claimed benefits of this project are invalid. This project should be immediately halted in order to gather data over a VALID time period and properly evaluate and present the data to prove any claimed parking benefits. Additionally, all stakeholders of this project should be effectively communicated with prior to and during the project. I'm a former Director of Quality Assurance in the engineering fiely and a long-time resident of the Lower Haight and can say I received no communication about this project, other than hearing about the open house from my wife. I have

quite a lot of experience with data collection and data analysis for projects like this one. I would be more than happy to share my expertise and can be contacted by email at stevew356@comcast.net. I can also be reached at 415-205-0716.

Thank you,
Steve Watson

This policy will hurt local businesses, reduce foot traffic, and make living here more expensive. San Francisco should not be a city where people are charged just to be outside.

I also wish to bring to your attention that SFMTA'S data is completely inaccurate. Completed during the pandemic, the data is false. The data was collected during a time when no parking meters or residential permit regulations were enforced. It was the beginning of a global pandemic where everybody in San Francisco stayed home in their houses. We didn't drive to other neighborhoods to go shopping or eat or anything else. SFMTA'S data was flawed or they are lying. I believe this to be a money grab by SFMTA.

It’s time for our government to put constituents first and stop policies that make life in our city harder.

Thank you,

Fiona Friedland

Policies like this threaten our small businesses, reduce quality of life, and alienate the very people who keep San Francisco vibrant.

A recent poll on Nextdoor showed 98% opposition to parking meters (kiosks) on residential streets. SFMTA's track record of unpopular decisions—like

those on Valencia, Van Ness, and Geary—has shown a disregard for the majority's concerns. Residents already pay for Area Parking Stickers; adding more meters is purely punitive.

Parking meters belong in commercial/residential areas where turnover is an issue and not in light mixed commercial/residential and exclusively residential neighborhoods. This policy will hurt local businesses, reduce foot traffic, and make living here more expensive. San Francisco should not be a city where people are charged just to be outside.

It’s time for our government to put constituents first and stop policies that make life in our city harder.

Thank you,

Support Lower Haight Merchants & Neighbors – Stop Parking Tax!!

Message:

Dear Supervisors, Mayor, and SFMTA,

San Francisco's economic recovery is lagging, partly due to anti-business, anti-resident policies like SFMTA's current proposal. The plan to install parking meters (or kiosks) on light mixed commercial/ residential areas and exclusive residential areas will only drive more people away from the city and shift consumer spending to places like Marin and South SF, where shopping remains convenient and welcoming.

I strongly oppose parking meters / kiosks on residential streets in District 5 in the Lower Haight specifically where we do not have a parking turnover issue. As well I believe in a more balanced program that is inclusive of cars, pedestrians, bikes and public transit users. SFMTA's focus should be on providing clean, safe, and reliable public transportation, not making life harder for residents and businesses. Policies like this threaten our small businesses, reduce quality of life, and alienate the very people who keep San Francisco vibrant.

Support Lower Haight Merchants & Neighbors – Stop Parking Tax!!

Message:

Dear Supervisors, Mayor, and SFMTA,

San Francisco's economic recovery is lagging, partly due to anti-business, anti-resident policies like SFMTA's current proposal. The plan to install parking meters (or kiosks) on light mixed commercial/ residential areas and exclusive residential areas will only drive more people away from the city and shift consumer spending to places like Marin and South SF, where shopping remains convenient and welcoming.

I strongly oppose parking meters / kiosks on residential streets in District 5 in the Lower Haight specifically where we do not have a parking turnover issue. As well I believe in a more balanced program that is inclusive of cars, pedestrians, bikes and public transit users. SFMTA's focus should be on providing clean, safe, and reliable public transportation, not making life harder for residents and businesses. Policies like this threaten our small businesses, reduce quality of life, and alienate the very people who keep San Francisco vibrant.

A recent poll on Nextdoor showed 98% opposition to parking meters (kiosks) on residential streets. SFMTA’s track record of unpopular decisions—like those on Valencia, Van Ness, and Geary—has shown a disregard for the majority's concerns. Residents already pay for Area Parking Stickers; adding more meters is purely punitive.

Parking meters belong in commercial/residential areas where turnover is an issue and not in light mixed commercial/residential and exclusively residential neighborhoods. This policy will hurt local businesses, reduce foot traffic, and make living here more expensive. San Francisco should not be a city where people are charged just to be outside.

It’s time for our government to put constituents first and stop policies that make life in our city harder.

Thank you,

From: Anna Hennessey

Support Lower Haight Merchants & Neighbors – Stop Parking Tax!!

Message:

Dear Supervisors, Mayor, and SFMTA,

San Francisco's economic recovery is lagging, partly due to anti-business, anti-resident policies like SFMTA's current proposal. The plan to install parking meters (or kiosks) on light mixed commercial/ residential areas and exclusive residential areas will only drive more people away from the city and shift consumer spending to places like Marin and South SF, where shopping remains convenient and welcoming.

I strongly oppose parking meters / kiosks on residential streets in District 5 in the Lower Haight specifically where we do not have a parking turnover issue. As well I believe in a more balanced program that is inclusive of cars, pedestrians, bikes and public transit users. SFMTA's focus should be on providing clean, safe, and reliable public transportation, not making life harder for residents and businesses. Policies like this threaten our small businesses, reduce quality of life, and alienate the very people who keep San Francisco vibrant.

A recent poll on Nextdoor showed 98% opposition to parking meters (kiosks) on residential streets. SFMTA’s track record of unpopular decisions—like those on Valencia, Van Ness, and Geary—has shown a disregard for the majority's concerns. Residents already pay for Area Parking Stickers; adding more meters is purely punitive.

Parking meters belong in commercial/residential areas where turnover is an issue and not in light mixed commercial/residential and exclusively residential neighborhoods. This policy will hurt local businesses, reduce foot traffic, and make living here more expensive. San Francisco should not be a city where people are charged just to be outside.

It’s time for our government to put constituents first and stop policies that make life in our city harder.

Thank you,

I have had a business in the lower haight now for 27 years on the 600 block of Haight and there are more sparse businesses on the 600 block so there is not a need to put in parking meters there.

Thank you,

Message:

Dear Supervisors, Mayor, and SFMTA,

San Francisco's economic recovery is lagging, partly due to anti-business, anti-resident policies like SFMTA's current proposal. The plan to install parking meters (or kiosks) on light mixed commercial/ residential areas and exclusive residential areas will only drive more people away from the city and shift consumer spending to places like Marin and South SF, where shopping remains convenient and welcoming.

I strongly oppose parking meters / kiosks on residential streets in District 5 in the Lower Haight specifically where we do not have a parking turnover issue. As well I believe in a more balanced program that is inclusive of cars, pedestrians, bikes and public transit users. SFMTA's focus should be on providing clean, safe, and reliable public transportation, not making life harder for residents and businesses. Policies like this threaten our small businesses, reduce quality of life, and alienate the very people who keep San Francisco vibrant.

A recent poll on Nextdoor showed 98% opposition to parking meters (kiosks) on residential streets. SFMTA’s track record of unpopular decisions—like those on Valencia, Van Ness, and Geary—has shown a disregard for the majority's concerns. Residents already pay for Area Parking Stickers; adding more meters is purely punitive.

Parking meters belong in commercial/residential areas where turnover is an issue and not in light mixed commercial/residential and exclusively residential neighborhoods. This policy will hurt local businesses, reduce foot traffic, and make living here more expensive. San Francisco should not be a city where people are charged just to be outside.

It’s time for our government to put constituents first and stop policies that make life in our city harder.

Thank you,

Message:

Dear Supervisors, Mayor, and SFMTA,

I am a small business owner on one of blocks where meters are being proposed. I have a residential permit for the area, but parking is still challenging for me. We've recently lost parking due to the new California crosswalk law. Please don't put even more burdens on the residents and small businesses of Lower Haight. We are all struggling enough as it is.

San Francisco's economic recovery is lagging, partly due to anti-business, anti-resident policies like SFMTA's current proposal. The plan to install parking meters (or kiosks) on light mixed commercial/ residential areas and exclusive residential areas will only drive more people away from the city and shift consumer spending to places like Marin and South SF, where shopping remains convenient and welcoming.

Message:

Dear Supervisors, Mayor, and SFMTA,
We have been in business for 20+ years in this Pierce Street location and MTA policies continue to seemingly intentionally destroy local businesses. Small business creates equity and local tax revenue. This parking meter policy is not wanted and will continue to destroy the small businesses in this neighborhood.

San Francisco's economic recovery is lagging, partly due to anti-business, anti-resident policies like SFMTA's current proposal. The plan to install parking meters (or kiosks) on light mixed commercial/ residential areas and exclusive residential areas will only drive more people away from the city and shift consumer spending to places like Marin and South SF, where shopping remains convenient and welcoming.

I strongly oppose parking meters / kiosks on residential streets in District 5 in the Lower Haight specifically where we do not have a parking turnover issue. As well I believe in a more balanced program that is inclusive of cars, pedestrians, bikes and public

transit users. SFMTA's focus should be on providing clean, safe, and reliable public transportation, not making life harder for residents and businesses. Policies like this threaten our small businesses, reduce quality of life, and alienate the very people who keep San Francisco vibrant.

A recent poll on Nextdoor showed 98% opposition to parking meters (kiosks) on residential streets. Subject:	About MUNI's budget challenges…
Date:	Tuesday, January 28, 2025 9:43:31 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

How about fare enforcement?

Get everyone to pay for their ride, and your finance challenges will be solved.

Plain. Simple. Common sense.

Subject: Save Public Transit and Prioritize Sustainable Mobility
Date: Monday, January 27, 2025 7:58:35 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear SF Board of Supervisors,

I urge San Francisco leaders to take bold action to secure the future of public transit. With Muni ridership recovering and satisfaction at record highs, it is unthinkable that budget shortfalls could reverse this progress and set the city back years. Public transit is vital for reducing emissions, ensuring equitable mobility, and keeping our neighborhoods vibrant.

At the same time, driving and parking are overly subsidized. It's time to right the balance and reimagine San Francisco's approach to parking policy as a tool not only to reduce congestion but also to directly fund Muni, align with City climate and equity commitments, and comply with the city?s Transit First Policy.

Recognizing that curb and parking management are complex, below are promising ideas for reform that could help save Muni.

ACTIONS TO CONSIDER:

- RESIDENTIAL PERMIT PARKING (RPP) REFORM: Change fees to monthly and roughly double to ~$32/month, expand permit zones, charge more for excessive vehicle registrations (in total number or individual length), and issue a legal opinion to clarify that the authority exists to do this.

- EXTENDED METER HOURS AND "PAY OR PERMIT" ZONES: Expand meter operations to evenings and weekends. Expand the existing "Pay or Permit" program. For equity, offer discounts to eligible workers/visitors and permit some or all visitors to pay for more hours at once.

- GARAGE PARKING: Charge market rates in public garages and replace monthly parking passes with demand-responsive pricing.

- ENFORCEMENT: Increase equitable, safety-focused, and culturally-sensitive enforcement of parking, traffic, and transit violations.

- EQUITY MEASURES: Ensure reforms include exemptions, discounts, vouchers, or other accommodations to support access for low-income residents, local service workers, and people living in their cars. New PayByPhone app functionality can support this.

REFORMS WILL BENEFIT EVERYONE

- REDUCE CONGESTION: Less car dependency will ease traffic, make it easier to find parking, and make streets safer for all.

- SUPPORT LOCAL BUSINESSES and WORKERS: Improved parking turnover and extended meter hours will make it easier for shoppers to access businesses. Discounted or free Pay or Permit parking for eligible workers will also help ensure affordable parking near work for those who need it most.

- REDUCE EMISSIONS: Passenger vehicles are the largest source of GHG emissions in SF.

- EQUITABLE ACCESS: Parking subsidies favor wealthier residents and white residents, who are more likely to own a car; reform will address inequities.

- SAVE MUNI: These reforms will provide essential funding to maintain Muni service, ensuring reliable, sustainable public transit for all.

Thank you for taking urgent action to protect Muni and reimagine our streets for the benefit of all San Franciscans.

Subject: Urgent Concern: Inappropriate Symbolism Worn by Healthcare Professional at Potrero Hill Concentra
Date: Tuesday, January 28, 2025 9:56:28 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

cc: Press, City Council

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to "support a positive patient experience."

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufita Khalil, who also sported a pro-Palestinian pin.

There are few things more disconforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you "are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all."

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,
James Null

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Muftia Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,
Gary Miller

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Muftia Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Subject: Urgent Concern: Inappropriate Symbolism Worn by Healthcare Professional at Potrero Hill Concentra
Date: Tuesday, January 28, 2025 9:07:42 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

cc: Press, City Council

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Muftia Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Muftia Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,
Dalthie Siet

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to "support a positive patient experience."

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Muftia Khalil, who also sported a pro-Palestinian pin.

There are few things more disconforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Haman terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

Esfira Polishchuk

Subject: Urgent Concern: Inappropriate Symbolism Worn by Healthcare Professional at Potrero Hill Concentra
Date: Tuesday, January 28, 2025 9:10:47 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

cc: Perea, City Council

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufita Khalil, who also sported a pro-Palestinian pin.

There are few things more disconforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Subject: Hostile Islamic Work Norms by Healthcare Professional at Potrero Hill Concentra
Date: Tuesday, January 28, 2025 9:11:52 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

cc: Press, City Council

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufita Khalid, who also sported a pro-Palestinian pin.

There are few things more disconforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and jointly and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,
Etti Drizin

Subject: URGENT Concern: Inappropriate Symbolism Worn by Healthcare Professional at Potrero Hill Concentra
Date: Tuesday, January 28, 2025 9:30:20 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to "support a positive patient experience."

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufita Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this.

Sincerely,
Elana Colangelo

Subject: Urgent Concern: Inappropriate Symbolism Worn by Healthcare Professional at Potrero Hill Concentra
Date: Tuesday, January 28, 2025 9:17:18 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

cc: Press, City Council

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Muftia Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to "support a positive patient experience."

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufita Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

A concerned citizen

Subject: Urgent Concern: Inappropriate Symbolism Worn by Healthcare Professional at Potrero Hill Concentra
Date: Tuesday, January 28, 2025 6:19:47 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

cc: Press, City Council

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufita Khalil, who also sported a pro-Palestinian pin.

There are few things more disconforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,
Amie Mitchell

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufita Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as those would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing those symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufita Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and jointly and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Haman terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to "support a positive patient experience."

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufita Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you "are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all."

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

Subject: Urgent Concern: Inappropriate Symbolism Worn by Healthcare Professional at Potrero Hill Concentra
Date: Tuesday, January 28, 2025 9:23:58 AM

cc: Press, City Council

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Muftia Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

Patricia

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

Subject: Urgent Concern: Inappropriate Symbolism Worn by Healthcare Professional at Potrero Hill Concentra
Date: Tuesday, January 28, 2025 9:24:06 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

cc: Press, City Council

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufita Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Subject: Urgent Concern: Inappropriate Symbolism Worn by Healthcare Professional at Potrero Hill Concentra

Date: Tuesday, January 28, 2025 9:24:14 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

cc: Press, City Council

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Muftia Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Haman terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

Subject: Urgent Concern: Inappropriate Symbolism Worn by Healthcare Professional at Potrero Hill Concentra
Date: Tuesday, January 28, 2025 9:24:17 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

cc: Press, City Council

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Muftia Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,
Sara Evenhar

Subject: Urgent Concern: Hate Symbol Worn by Healthcare Professional at Potrero Hill Concentra
Date: Tuesday, January 28, 2025 9:24:37 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

cc: Press, City Council

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufita Khalil, who also sported a pro-Palestinian pin.

There are few things more disconforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has became the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,
David Schimel

Subject: Urgent Concern: Inappropriate Symbolism Worn by Healthcare Professional at Potrero Hill Concentra
Date: Tuesday, January 28, 2025 9:24:32 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

cc: Perea, City Council

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufita Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

Judith Dadoun

It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,
Dvora Nissan

Subject: Urgent Concern: Inappropriate Symbolism Worn by Healthcare Professional at Potrero Hill Concentra
Date: Tuesday, January 28, 2025 8:24:38 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

cc: Press, City Council

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Muftia Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorism, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Haman terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

Margalit Neusner

Subject: Urgent Concern: Inappropriate Symbolism Worn by Healthcare Professional at Potrero Hill Concentra
Date: Tuesday, January 28, 2025 9:24:41 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

cc: Press, City Council

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Muftia Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Subject: Urgent Concern: Inappropriate Symbolism Worn by Healthcare Professional at Potrero Hill Concentra
Date: Tuesday, January 28, 2025 8:24:49 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

cc: Press, City Council

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufita Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as those would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing those symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,
Annette Sanders

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufhia Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

Rhonda Cohen

Subject: Urgent: Concerns About Hate Work by Healthcare Professional at Potrero Hill Concentra
Date: Tuesday, January 28, 2026 8:24:53 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

cc: Press, City Council

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Muftia Khalil, who also sported a pro-Palestinian pin.

There are few things more disconforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as those would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

Lester Weiss

Subject: Urgent Concern: Inappropriate Symbolism Worn by Healthcare Professional at Potrero Hill Concentra
Date: Tuesday, January 28, 2025 9:25:00 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

cc: Press, City Council

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufita Khalil, who also sported a pro-Palestinian pin.

There are few things more disconforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and jastify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Haman terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by ... Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

Subject: Urgent Concern: Inappropriate Symbolism Worn by Healthcare Professional at Potrero Hill Concentra
Date: Tuesday, January 28, 2025 9:25:15 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

cc: Press, City Council

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Muftia Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

Lisa

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufita Khalil, who also sported a pro-Palestinian pin.

There are few things more disconforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as those would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Muftia Khalil, who also sported a pro-Palestinian pin.

There are few things more disconforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Haman terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Muftia Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and jointly and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

Subject: Urgent Concern: Inappropriate Symbolism Worn by Healthcare Professional at Potrero Hill Concentra
Date: Tuesday, January 28, 2025 9:25:45 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

cc: Perea, City Council

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to "support a positive patient experience."

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufita Khalil, who also sported a pro-Palestinian pin.

There are few things more disconforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you "are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all."

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufita Khalil, who also sported a pro-Palestinian pin.

There are few things more disconforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,
Dawnna Weise

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Muftia Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Muftia Khalil, who also sported a pro-Palestinian pin.

There are few things more disconforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Haman terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

Ben Kritchev

Subject: Urgent Concern: Inappropriate Symbolism Worn by Healthcare Professional at Potrero Hill Concentra
Date: Tuesday, January 28, 2025 8:26:58 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

cc: Press, City Council

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufita Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,
Barb E.

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Muftia Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

Genia Estrah

Subject: Urgent Concern: Inappropriate Symbolism Worn by Healthcare Professional at Potrero Hill Concentra
Date: Tuesday, January 28, 2025 8:26:19 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

cc: Perea, City Council

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufita Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Subject: Urgent Concern: Inappropriate Symbolism Worn by Healthcare Professional at Potrero Hill Concentra
Date: Tuesday, January 28, 2025 9:26:23 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

cc: Press, City Council

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufita Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Subject: Urgent Concern: Inappropriate Symbolism Worn by Healthcare Professional as Potrero Hill Concentra
Date: Tuesday, January 28, 2025 9:26:30 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

cc: Press, City Council

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufita Khalil, who also sported a pro-Palestinian pin.

There are few things more disconforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing those symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

Subject: Urgent Concern: Inappropriate Symbolism Worn by Healthcare Professional at Potrero Hill Concentra
Date: Tuesday, January 28, 2025 9:39:33 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

cc: Press, City Council

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to "support a positive patient experience."

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufita Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as those would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing those symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,
I Miller

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufita Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Muftia Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

Dr. Milton Ehrlich

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Muftia Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufita Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

Miriam Dorfman

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Muftia Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Muftia Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

Kelly

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufita Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as those would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to ‘support a positive patient experience.’

Sadly, in January 2025, a patient’s experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician’s Assistant, Mufita Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer’s political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Haman terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you ‘are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.’

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today’s climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves *Jewish* patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Muftia Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you ‘are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.’

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today’s climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

Amy Goldin

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Muftia Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and jointly and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufita Khalil, who also sported a pro-Palestinian pin.

There are few things more disconforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to "support a positive patient experience."

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufita Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Haman terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Haman terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by ... Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

Elizabeth Ginzba

Subject: Urgent Concern: Inappropriate Symbolism Worn by Healthcare Professional at Potrero Hill Concentra
Date: Tuesday, January 28, 2025 9:27:48 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

cc: Press, City Council

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Muftia Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

This is outrageous and egregious. No one seeking medical care should be subjected to any political bias by anyone at the facility least of all anyone administering care. Please find your moral compass!

cc: Press, City Council

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Muftia Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,
Robert Levine

Subject: Urgent: Concern: Inappropriate Symbolism Worn by Healthcare Professional at Potrero Hill Concentra
Date: Tuesday, January 28, 2026 8:27:52 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

cc: Press, City Council

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to "support a positive patient experience."

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufita Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,
Carol H

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufita Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

Daniel Weiss

Subject: Urgent Concern: Inappropriate Symbolism Worn by Healthcare Professional at Potrero Hill Concentra
Date: Tuesday, January 28, 2025 9:27:58 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

cc: Press, City Council

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Muftia Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Muftia Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,
Marjorie Kaplan

Subject: Urgent Concern: Inappropriate Symbolism Worn by Healthcare Professional at Potrero Hill Concentra
Date: Tuesday, January 28, 2025 9:26:09 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

cc: Press, City Council

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufiia Khalil, who also sported a pro-Palestinian pin.

There are few things more disconforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Human terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latinx-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by ... Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufita Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

Subject: Urgent Concern: Inappropriate Symbolism Worn by Healthcare Professional at Potrero Hill Concentra
Date: Tuesday, January 28, 2025 9:28:23 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

cc: Press, City Council

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufita Khalil, who also sported a pro-Palestinian pin.

There are few things more disconforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by ... Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

Subject: Urgent Concern: Inappropriate Symbolism Worn by Healthcare Professional at Potrero Hill Concentra
Date: Tuesday, January 28, 2025 9:28:20 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

cc: Press, City Council

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to "support a positive patient experience."

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufita Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

Lili Shafai

Subject: Urgent Concern: Inappropriate Symbolism Worn by Healthcare Professional at Potrero Hill Concentra
Date: Tuesday, January 28, 2025 8:26:44 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

cc: Press, City Council

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufita Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 10,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufita Khalil, who also sported a pro-Palestinian pin.

There are few things more disconforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has became the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Muftia Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Muftia Khalil, who also sported a pro-Palestinian pin.

There are few things more disconforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Haman terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

Subject: Urgent Concern: Inappropriate Symbolism Worn by Healthcare Professional at Potrero Hill Concentra
Date: Tuesday, January 28, 2025 9:29:36 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

cc: Press, City Council

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centres, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufita Khalil, who also sported a pro-Palestinian pin.

There are few things more disconforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently hansed from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Haman terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

Avrohom Pantierer

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Muftia Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

Marina and Oleg Golden
Philadelphia, PA

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufita Khalil, who also sported a pro-Palestinian pin.

There are few things more disconforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as those would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Subject: Urgent Concern: Inappropriate Symbolism Worn by Healthcare Professional at Potrero Hill Concentra
Date: Tuesday, January 28, 2026 9:26:59 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

cc: Press, City Council

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufsia Khalil, who also sported a pro-Palestinian pin.

There are few things more disconforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Human terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latinx-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by ... Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

Subject: Inappropriate antisemitic Symbolism Worn by Healthcare Professional at Potrero Hill Concentra
Date: Tuesday, January 28, 2025 9:30:14 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

cc: Press, City Council

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufita Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

Cynthia Perry MD

It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as those would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)

Now is a critical moment for Concentra to reinforce its values and ensure that all personnel understand the broader implications of their actions both within and beyond the medical community.

In today's climate, where antisemitism is dangerously on the rise and violence against Jewish communities is becoming alarmingly common, this symbol is nothing short of a threat to Jewish customers. Its presence in your clinic leaves Jewish patrons feeling alienated and unsafe. (6)

Thank you for addressing this urgent matter with the gravity it deserves. Hate has no place in the profession and certainly not at a Concentra practice devoted to providing healing and medical assistance to all human beings on an equal and non-discriminatory basis.

We await a response to this issue and request that you update your website to reflect this intent.

Sincerely,

Laura Krell

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufita Khalil, who also sported a pro-Palestinian pin.

There are few things more discomforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly charged symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2,3)

It has become the clarion symbol of Hamas terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

Dear Concentra Medical:

You have been known for more than 35 years as a leader in the world of health care, especially workplace injuries.

Your centers, like the one at Potrero Hill, are designed to 'support a positive patient experience.'

Sadly, in January 2025, a patient's experience was anything but positive when she came into the center and was treated by a keffiyeh-wearing Physician's Assistant, Mufita Khalil, who also sported a pro-Palestintian pin.

There are few things more disconforting than being seen by a healthcare professional wearing a piece of cloth specifically worn to signify support for radical Islamic terrorists, including the murders, torture, and sexual atrocities committed, most recently on October 7, 2023.

By wearing a keffiyeh, a symbol currently banned from many U.S. and international venues (1), this healthcare professional has publicly aligned herself with rhetoric and actions that, at a minimum, are anti-American and justify and glorify terrorism, violence, and hate.

There can be no doubt that the keffiyeh is no longer simply a piece of clothing. It is now a highly changed symbol that represents the wearer's political affiliation with Hamas and the pro-Palestine movement. It has become a modern-day swastika. It was made iconic by Yasser Arafat, who was responsible for 19,000 separate terrorist attacks and thousands murdered. It was also made iconic by Leila Khaled, the first woman to participate in airplane hijackings. (2.3)

It has become the clarion symbol of Haman terrorists who seek the destruction of the only democratic country and our U.S. ally, Israel.
Moreover, since the barbaric massacre and kidnapping of Jews on October 7, 2023, the keffiyeh has been the uniform worn by Hamas terrorists and their supporters worldwide.

Likely, Concentra would not allow its employees to drape themselves in Confederate or KKK flags or to wear Nazi swastikas or pins at work, as these would threaten African American, Latin-X, Jewish, and LGBTQ+ customers.

According to your own website, you 'are guided by … Orange Book principles, providing quality care and a positive experience by living out our core values of a healing focus, a selfless heart, and a tireless resolve. Our colleagues provide welcoming, respectful, and skillful care to deliver and preserve access to high-quality health services for all.'

By wearing a keffiyeh in a healthcare role, this PA creates a hostile environment for Jewish patients. This would not be tolerated for any other ethnic or religious group. Wearing these symbols of terrorism and Jew hatred is antithetical to your mission and does nothing to support your core values.

Understand that a healthcare position should be inclusive to all patients and not just those that she supports. The PA in question should also be made aware that the terrorist organization for which she shows support includes a genocidal ideology to murder all Jews and obliterate the democratic state of Israel. (4,5)
