(iv) A violation of this paragraph is a misdemeanor, and shall give the current or prospective employee who is injured by the violation a cause of action against the public utility or cable corporation to recover damages proximately caused by the violations. A public utility's or cable corporation's request for state summary criminal history information for purposes of employing current or prospective employees who may be seeking entrance to private residences or adjacent grounds in the course of their employment shall be deemed a "compelling need" as required to be shown in this subdivision.

(B) For purposes of this paragraph, "cable corporation" means a corporation or firm that transmits or provides television, computer, or telephone services by cable, digital, fiber optic, satellite, or comparable technology to subscribers for a fee.

(d) Whenever an authorized request for state summary criminal history information pertains to a person whose fingerprints are on file with the Department of Justice and the department has no criminal history of that person, and the information is to be used for employment, licensing, or certification purposes, the fingerprint card accompanying the request for information, if any, may be stamped “no criminal record” and returned to the person or entity making the request.

(e) Whenever state summary criminal history information is furnished as the result of an application and is to be used for employment, licensing, or certification purposes, the Department of Justice may charge the person or entity making the request a fee that it determines to be sufficient to reimburse the department for the cost of furnishing the information. In addition, the Department of Justice may add a surcharge to the fee to fund maintenance and improvements to the systems from which the information is obtained. (h) It is not a violation of this section to include information obtained from a record in (1) a transcript or record of a judicial or administrative proceeding or (2) any other public record if the inclusion of the information in the public record is authorized by a court, statute, or decisional law.

(i) Notwithstanding any other law, the Department of Justice or a state or local law enforcement agency may require the submission of fingerprints for the purpose of conducting state summary criminal history information checks that are authorized by law.

(9) To any individual who is the subject of the record requested when needed in conjunction with an application to enter the United States or any foreign nation.

(10) Any public utility, as defined in Section 216 of the Public Utilities Code, when access is needed to assist in employing persons who will be seeking entrance to private residences in the course of their employment. The information provided shall be limited to the record of convictions and any arrest for which the person is released on bail or on his or her own recognizance pending trial.

If the local agency supplies the information pursuant to this paragraph, it shall furnish a copy of the information to the person to whom the information relates.

Any information obtained from the local summary criminal history is confidential and the receiving public utility shall not disclose its contents, other than for the purpose for which it was acquired. The local summary criminal history information in the possession of the public utility and all copies made from it shall be destroyed 30 days after employment is denied or granted, including any appeal periods, except for those cases where an employee or applicant is out on bail or on his or her own recognizance pending trial, in which case the state summary criminal history information and all copies shall be destroyed 30 days after the case is resolved, including any appeal periods.

A violation of any of the provisions of this paragraph is a misdemeanor, and shall give the employee or applicant who is injured by the violation a cause of action against the public utility to recover damages proximately caused by the violation.

Nothing in this section shall be construed as imposing any duty upon public utilities to request local summary criminal history information on any current or prospective employee.

Seeking entrance to private residences in the course of employment shall be deemed a “compelling need” as required to be shown in this subdivision.

(11) Any city, county, city and county, or district, or any officer or official thereof, if a written request is made to a local law enforcement agency and the information is needed to assist in the screening of a prospective concessionaire, and any affiliate or associate thereof, as these terms are defined in subdivision (k) of Section 432.7 of the Labor Code, for the purposes of consenting to, or approving of, the prospective concessionaire’s application for, or acquisition of, any beneficial interest in a concession, lease, or other property interest.

Any local government’s request for local summary criminal history information for purposes of screening a prospective concessionaire and their affiliates or associates before approving or denying an application for, or acquisition of, any beneficial interest in a concession, lease, or other property interest is deemed a “compelling need” as required by this subdivision. However, only local summary criminal history information pertaining to criminal convictions may be obtained pursuant to this paragraph.

Any information obtained from the local summary criminal history is confidential and the receiving local government shall not disclose its contents, other than for the purpose for which it was acquired. The local summary criminal history information in the possession of the local government and all copies made from it shall be destroyed not more than 30 days after the local government’s final decision to grant or deny consent to, or approval of, the prospective concessionaire’s application for, or acquisition of, a beneficial interest in a concession, lease, or other property interest. Nothing in this section shall be construed as imposing any duty upon a local government, or any officer or official thereof, to request local summary criminal history information on any current or prospective concessionaire or their affiliates or associates.

(12) A public agency described in subdivision (b) of Section 15975 of the Government Code, for the purpose of oversight and enforcement policies with respect to its contracted providers.

(d) Whenever an authorized request for local summary criminal history information pertains to a person whose fingerprints are on file with the local agency and the local agency has no criminal history of that person, and the information is to be used for employment, licensing, or certification purposes, the fingerprint card accompanying the request for information, if any, may be stamped “no criminal record” and returned to the person or entity making the request.

(e) A local agency taking fingerprints of a person who is an applicant for licensing, employment, or certification may charge a fee to cover the cost of taking the fingerprints and processing the required documents.

(f) Whenever local summary criminal history information furnished pursuant to this section is to be used for employment, licensing, or certification purposes, the

local agency shall charge the person or entity making the request a fee which it determines to be sufficient to reimburse the local agency for the cost of furnishing the information, provided that no fee shall be charged to any public law enforcement agency for local summary criminal history information furnished to assist it in employing, licensing, or certifying a person who is applying for employment with the agency as a peace officer or criminal investigator. Any state agency required to pay a fee to the local agency for information received under this section may charge the applicant a fee sufficient to reimburse the agency for the expense.

(g) Whenever there is a conflict, the processing of criminal fingerprints shall take priority over the processing of applicant fingerprints.

(h) It is not a violation of this article to disseminate statistical or research information obtained from a record, provided that the identity of the subject of the record is not disclosed.

(i) It is not a violation of this article to include information obtained from a record in (1) a transcript or record of a judicial or administrative proceeding or (2) any other public record when the inclusion of the information in the public record is authorized by a court, statute, or decisional law.

(j) Notwithstanding any other law, a public prosecutor may, in response to a written request made pursuant to Section 6253 of the Government Code, provide information from a local summary criminal history, if release of the information would enhance public safety, the interest of justice, or the public's understanding of the justice system and the person making the request declares that the request is made for a scholarly or journalistic purpose. If a person in a declaration required by this subdivision willfully states as true any material fact that he or she knows to be false, he or she shall be subject to a civil penalty not exceeding ten thousand dollars (\$10,000). The requestor shall be informed in writing of this penalty. An action to impose a civil penalty under this subdivision may be brought by any public prosecutor and shall be enforced as a civil judgment.

(k) Notwithstanding any other law, the Department of Justice or any state or local law enforcement agency may require the submission of fingerprints for the purpose of conducting summary criminal history information record checks which are authorized by law.

(l) Any local criminal justice agency may release, within five years of the arrest, information concerning an arrest or detention of a peace officer or applicant for a position as a peace officer, as defined in Section 830, which did not result in conviction, and for which the person did not complete a postarrest diversion program or a deferred entry of judgment program, to a government agency employer of that peace officer or applicant.

(m) Any local criminal justice agency may release information concerning an arrest of a peace officer or applicant for a position as a peace officer, as defined in Section 830, which did not result in conviction but for which the person completed a postarrest diversion program or a deferred entry of judgment program, or information concerning a referral to and participation in any postarrest diversion program or a

deferred entry of judgment program to a government agency employer of that peace officer or applicant.

(n) Notwithstanding subdivision (l) or (m), a local criminal justice agency shall not release information under the following circumstances:

(1) Information concerning an arrest for which diversion or a deferred entry of judgment program has been ordered without attempting to determine whether diversion or a deferred entry of judgment program has been successfully completed.

(2) Information concerning an arrest or detention followed by a dismissal or release without attempting to determine whether the individual was exonerated.

(3) Information concerning an arrest without a disposition without attempting to determine whether diversion has been successfully completed or the individual was exonerated.

(Amended by Stats. 2014, Ch. 449, Sec. 2. (AB 1511) Effective January 1, 2015. Superseded on January 1, 2023; see amendment by Stats. 2021, Ch. 615.)
