LEGISLATIVE DIGEST

[Setting San Francisco's Property Tax Rate and Establishing Pass-Through Rate for Residential Tenants – FY2012-2013]

Ordinance providing revenue and levying property taxes at a combined rate of \$1.1691 on each \$100.00 valuation of taxable property for the City and County of San Francisco, San Francisco Unified School District, San Francisco Community College District, Bay Area Rapid Transit District, and Bay Area Air Quality Management District, and establishing pass-through rate of \$0.0810 per \$100.00 of assessed value for residential tenants pursuant to Chapter 37 of the Administrative Code for the fiscal year ending June 30, 2013.

Existing Law

San Francisco's combined property tax rate and pass-through rate for residential tenants is adopted annually. Article XIII A of the California Constitution and Sections 93 and 100 of the California Revenue and Taxation Code fix the base property tax rate at \$1.0000 on each \$100 valuation of taxable property. The portion of the property tax rate above the fixed amount varies each year based on the anticipated debt service requirements related to voter-approved general obligation bonds:

The Board of Supervisors adopted and approved Ordinance Numbers 192-11, 183-11, 184-11, and 185-11 on September 20, 2011 for Fiscal Year 2011-2012. Those Ordinances established that fiscal year's combined property tax rate of \$1.1718 on each \$100 valuation of taxable property within the City and County of San Francisco. Ordinance 192-11 also established the property tax pass-through rate of residential tenants of \$0.0600 per \$100 of assessed value based upon the criteria defined in Chapter 37.3(a)(6)(A) and (B) and (C) of the San Francisco Administrative Code.

Amendments to Current Law

This legislation would update the combined property tax rate to \$1.1691 on each \$100 valuation of taxable property within the City and County of San Francisco to reflect the change in anticipated debt service requirements, including a 0.25% administrative allowance to reimburse costs of collection, for Fiscal Year 2012-2013. The legislation also updates the property tax pass-through rate of residential tenants to \$0.0810 per \$100 of assessed value.

Background Information

California Government Code Section 29100 requires the Board of Supervisors to adopt the composite property tax rate for the City and County of San Francisco, San Francisco Unified School District, San Francisco Community College District, Bay Area Rapid Transit District, and Bay Area Air Quality Management District for the fiscal year on or before October 3 of each year. Section 3.3 of the City and County of San Francisco's Administrative Code requires the property tax rate be adopted by the last working day of September. This legislation fulfills both of those requirements.

The Honorable Board of Supervisors
City and County of San Francisco
City Hall, Room 244
1 Dr. Carlton B. Goodlett Place
San Francisco, CA 94102

Dear Ladies and Gentlemen:

I am submitting herewith an annual ordinance which formally adopts those portions of the property tax rate for fiscal year 2012-2013 which the City and County of San Francisco administers. The Bay Area Rapid Transit District (BART) also adopts a debt service tax rate for their combined three county service area. The rate shown below includes the estimated rate for BART, which is slated for adoption at BART's August Board meeting. The composite property tax rate for fiscal year 2012-2013 is projected to be \$1.1691 for each \$100 of assessed value, a decrease of \$0.0027 or 0.23 percent from the \$1.1718-rate established for fiscal year 2011-2012. The overall rate decrease is attributable primarily to lower debt service requirements to be funded by property taxes for the City and County of San Francisco for fiscal year 2012-2013. Based on a \$1.1691 rate, the average tax bill for a home previously assessed at \$500,000 in fiscal year 2011-2012 will go from \$5,776.97 last fiscal year to \$5,880.57 in fiscal year 2012-2013, a \$103.60 or 1.79 percent increase. The respective tax rates by accruing entity are as follows:

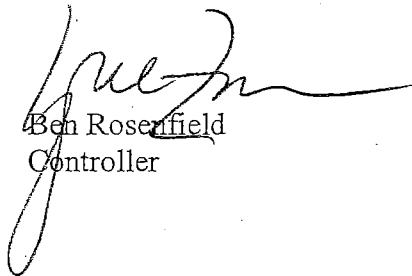

Table with 4 columns: Entity Name, Tax Rate Ordinance, Estimated State Shift, Effect After State Shift. Rows include San Francisco Community College District, San Francisco Unified School District, CCSF - General Fund, CCSF - Library Preservation Fund, CCSF - Children's Fund, CCSF - Open Space Acquisition Fund, CCSF - Bond Interest and Redemption Fund, CCSF - County Superintendent of Schools, Bay Area Air Quality Management District, BART District General Fund, Total excluding BART District Debt Service, BART Debt Service (Estimate), and Total Combined Tax Rate.

The property tax rate reflects anticipated debt service requirements pertaining to voter-approved general obligation bonds, including a 0.25% administrative allowance to reimburse costs of collection. Attachment A is a Property Tax Rate History table for the City and County beginning in fiscal year 1989-1990. Attachment B provides the anticipated fiscal year 2012-2013 general obligation bond debt service schedule (principal and interest) relevant to the property tax rate calculations.

For fiscal year 2012-2013, the pass-through rate for residential tenants is \$0.0810 per \$100 of assessed value, or 8.1 cents per \$100 of assessed value. The pass-through rate is comprised of 3 factors as outlined in Chapter 37.3 of the San Francisco Administrative Code: 1) 100% of the City's general obligation bonds approved by voters between November 1, 1996 and November 30, 1998; 2) 50% of the City's general obligation bonds approved by voters after November 14, 2002; and 3) 50% of the San Francisco Unified School District or San Francisco Community College District's general obligation bonds approved by voters after November 1, 2006.

Except for a consumer price index adjustment which is capped at the lesser of inflation or 2.00% under Proposition 13, individual assessments change only when property is sold, transferred or otherwise improved. For fiscal year 2012-2013, the consumer price index adjustment authorized by the State is 2.00%. As shown in Attachment C, the combination of a tax rate of \$1.1691 for each \$100 of assessed value and the 2.00% consumer price index adjustment that increases the assessed value of the example residence from \$500,000 in fiscal year 2011-2012 to \$510,000 in fiscal year 2012-2013 results in a \$103.60 property tax increase.

Sincerely,

Ben Rosenfield
Controller

Department:
Controller

EXECUTIVE SUMMARY

Legislative Objectives

- Ordinance providing revenue and levying Property Taxes in FY 2012-13 for (a) the City and County of San Francisco, including establishment of the pass-through rate for residential tenants pursuant to Chapter 37 of the City's Administrative Code, (b) the San Francisco Unified School District, (c) the San Francisco Community College District, (d) the Bay Area Rapid Transit District, and (e) the Bay Area Air Quality Management District.

Key Points

- The FY 2012-13 proposed combined total Property Tax rate of \$1.1691 per \$100 of assessed home value is a reduction of \$0.0027 or 0.23% from the existing FY 2011-12 Property Tax rate of \$1.1718. Decreases in debt service for the City and County of San Francisco and the San Francisco Community College District General Obligation Bonds were partially offset by increases in debt service for the San Francisco Unified School District and the Bay Area Rapid Transit District General Obligation Bonds.
- In accordance with Article 13A, Sec.2(b) of the California Constitution, individual property assessments increase only by a State authorized inflation factor, unless the property is sold, transferred, or improved. For FY 2012-13, the State has authorized the maximum allowable adjustment of 2.0%. Therefore, a single family residence with an assessed value in FY 2011-12 of \$500,000 would have a FY 2012-13 assessed value of \$510,000.
- The proposed FY 2012-13 Property Tax rate would result in a \$103.60 increase in Property Taxes, from \$5,776.97 in FY 2011-12 for a single family residence with an assessed value of \$500,000 to \$5,880.57 in FY 2012-13 for a single family residence with an assessed value of \$510,000. The Property Tax increase includes (a) the decrease in the Property Tax rate in the proposed ordinance, (b) a cost of living adjustment in assessed values of 2.0%, and (c) a homeowner's exemption of \$7,000.
- Compared with the FY 2011-12 Property Tax pass-through rate for residential tenants of \$0.060, the proposed FY 2012-13 Property Tax pass-through rate of \$0.081 would result in a total increase in Property Taxes of \$113.10 that could be passed through to tenants living in a residence assessed at \$510,000, after the 2.0% cost of living increase.

Recommendation

- Approve the proposed ordinance.

MANDATE STATEMENT**Property Tax Rate**

Section 2151 of the California Revenue and Taxation Code states that the Board of Supervisors shall establish county and district tax rates. Section 37.3(a)(6) of the City's Administrative Code (the Residential Rent Stabilization and Arbitration Ordinance) allows landlords to pass through to tenants a portion of Property Taxes. The proposed ordinance would establish the Property Tax rates and pass-through rates for FY 2012-13.

DETAILS OF PROPOSED LEGISLATION

The proposed ordinance would establish the combined Property Tax rate for FY 2012-13 at \$1.1691 per \$100 of assessed value. Such rates are apportioned to the "taxing entities" within the City and County of San Francisco that are allocated Property Tax revenues, including (a) the City and County of San Francisco, (b) the San Francisco Unified School District, (c) the San Francisco Community College District, (d) the Bay Area Rapid Transit District, and (e) the Bay Area Air Quality Management District. As shown in Table 1 below, the combined total FY 2012-13 Property Tax rate, as calculated by the Controller, is \$1.1691 per \$100 of assessed value.

* Includes \$0.2533 for the Educational Revenue Augmentation Fund (ERAF) for the benefit of SFUSD and SFCCD.

The proposed Property Tax rate for the City and County of San Francisco, shown in Table 1 above, includes a 0.25% administrative allowance charged on the City's voter-approved General Obligation bonds to reimburse the City for the costs of Property Tax collection. This 0.25% administrative allowance is charged to the total Property Tax collection, rather than to the property's assessed value.

The proposed ordinance would also allow landlords to pass through \$0.081 per \$100 of assessed value to tenants for a portion of the Property Taxes pursuant to Section 37.3 (a)(6) of the City's Administrative Code (the Residential Rent Stabilization and Arbitration Ordinance). The previous pass-through rate for FY 2011-12 was \$0.060 per \$100 of assessed value. This increase is due to increases in the debt service that may be passed on to tenants: (a) 100% of City and County of San Francisco General Obligation Bonds issued between November 1, 1996 and November 30, 1998; (b) 50% of City and County of San Francisco General Obligation Bonds issued after November 14, 2002, and (c) 50% of San Francisco Unified School District and San Francisco Community College District General Obligation Bonds issued after November 1, 2006.

FISCAL IMPACTS

The FY 2012-13 proposed combined total Property Tax rate of \$1.1691, as calculated by the Controller, is a decrease of \$0.0027 or 0.23% from the existing FY 2011-12 Property Tax rate of \$1.1718. As is shown in Table 1 above, decreases in debt service for the City and County of San Francisco and the San Francisco Community College District General Obligation Bonds were partially offset by increases in debt service for the San Francisco Unified School District and the Bay Area Rapid Transit District General Obligation Bonds.

In accordance with Article 13A, Sec.2(b) of the California Constitution, individual property assessments increase only by a State authorized inflation factor adjustment, unless the property is sold, transferred, or improved. For FY 2012-13, the State has authorized the maximum allowable inflation factor adjustment of 2.0%. Therefore, a single family residence with an assessed value in FY 2011-12 of \$500,000 would have a FY 2012-13 assessed value of \$510,000.

In addition, homeowners who live in their residences are eligible for a \$7,000 homeowners' exemption, which reduces the assessed value for taxation purposes. Table 2 below shows that, compared with the FY 2011-12 Property Tax rate of \$1.1718, the proposed FY 2012-13 Property Tax rate of \$1.1691 would result in an increase in Property Taxes of \$103.60 for a homeowner living in a single family residence assessed at \$510,000 in FY 2012-13, after the 2.0% cost of living increase.

As also shown in Table 2 below, compared with the FY 2011-12 Property Tax pass-through rate of \$0.060, the proposed FY 2012-13 Property Tax pass-through rate of \$0.081 would result in a total increase in Property Taxes of \$113.10 that could be passed through to tenants living in a rental unit assessed at \$510,000, after the 2.0% cost of living increase.
