Project: Port of San Francisco Priority 1B: Pier 80 Drainage and Subsidence

Dear Mr. Aquino:

Your letter dated June 05, 2025 requested an allocation of State funds from the Port and Freight Infrastructure Program (PFIP) for this project. The State hereby makes the allocation in the amount of \$12,420,000.00 of State funds for Construction phase of this project effective June 19, 2025. You may now proceed with the Construction phase of the project. Any work for the Construction phase that has been approved for funding and is performed after this date will be eligible for reimbursement.

Please refer to the Finance Letter for the complete approved funding of all phases for this project.

All projects require a Master Agreement and Program Supplement Agreement to be in place prior to the payment of project invoices. If one has not already been executed, this office will soon send you a Program Supplement Agreement and Master Agreement for execution. Please do not submit invoices for this project until the agreements are fully executed by both you and the State.

Invoices are to be submitted at a minimum of every six (6) months in order to remain active.

If you have any questions, please contact your District Local Assistance Engineer.

Sincerely,

Qasid Mehirdel
