MANDATE STATEMENT

In accordance with City Administrative Code Section 23.27, leases, in which the City is the tenant require approval by the Board of Supervisors.

BACKGROUND

On February 1, 2001, the Department of Public Health (DPH), as tenant, entered into a lease agreement with the landlord, the Seto Family Trust, for a 12,417 square foot building located at 1421 Broderick Street. The lease is for a 33-bed licensed treatment facility serving individuals requiring non-acute medical care, and contains 18 sleeping rooms, common space, kitchen facilities and storage.

The original lease term was for ten years, from February 1, 2001 to February 15, 2011, with the option to extend the lease for one additional ten-year term. The original annual base rent was \$120,000, or approximately \$9.66 per square foot.

The option to extend the lease was exercised in March 2011, when the Board of Supervisors passed a resolution (File # 11-0168) extending the lease term from April 1, 2011 to March 31, 2021, on the same terms and conditions except that the annual base rent increased to \$154,968 or approximately \$12.48 per square foot with annual rate increases between two and six percent based on the Consumer Price Index (CPI). The resolution made no other changes to the lease agreement.

The lease agreement between Seto Family Trust and DPH authorizes DPH to contract with a property management and health care services firm. According to DPH staff, for the past 20 years, DPH has contracted with the Richmond Area Multi-Services, Inc. (RAMS), a licensed non-profit organization, to provide all services, including health care, general maintenance and repairs, janitorial services, and utilities at the Broderick Street Residential Care Facility.¹ RAMS was selected at the time based on a competitive process. Its current contract term is from July 1, 2020 to June 30, 2021.

The Broderick Street residents pay rent of \$1,079 per month, based on 2021 rates set by the Social Security Administration for board and care, to RAMS directly, totaling \$35,619 for all 33 residents. Rent revenues received by RAMS are not used to offset General Fund costs, such that DPH pays RAMS \$1,984,588 annually for operational costs, funded by DPH primarily through Medicaid Mental Health Long Term Care, Short-Doyle Medi-Cal, State Mental Health Realignment, and County General Fund. Under the proposed extension to the existing lease agreement between DPH and RAMS for continued property management and health care services at the Broderick Street Residential Care Facility, DPH would continue to contract with RAMS to provide the needed services.

¹ The Broderick Street Residential Care Facility is licensed by the California Department of Social Services' Community Care Licensing Division to provide board and care, mental health treatment, and medical support services for homeless individuals, who are struggling with mental and medical illness. The most recent site visit was conducted on October 18, 2020, and included reviewing the facility's responsibility to monitor, test, and provide sufficient staffing for COVID protocol.

RAMS Broderick Residential Program

The RAMS Broderick Residential Program (formerly under Direct Access to Housing) serves 33 long-term residents. Most residents are referred from the San Francisco General and Laguna Honda Hospitals. Residents must be San Francisco residents, ages 18-59 years old, with mental illness, including those with co-occurring disorders (mental health and substance abuse), and who may or may not have a physical health condition, but have difficulty remaining stable due to lack of either clinical or medical support. All residents require the level of treatment care from a licensed Adult Residential Facility setting, but not a Skilled Nursing Facility level setting. There is a special focus to serve the Asian and Pacific Islander American communities.²

DPH contracts with RAMS for other services under other contracts, including an adult outpatient services clinic. But the only other residential care programs operated by DPH are the Adult Residential Facility and the SF Residential Care Facility for the Elderly, which are part of the San Francisco Mental Health Rehabilitation Center located on the San Francisco General Hospital Campus at 887 Potrero.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution approves the amendment to the lease between the Department of Public Health (DPH), as tenant, and Seto Trust, as landlord for 1421 Broderick (a) extending the term by three years, from February 1, 2021 to January 31, 2024; (b) increasing the annual base to \$372,510, or approximately \$30 per square foot; (c) modifying the early termination provision; d) revising Section 8 on the Landlord's building maintenance obligations; and (e) incorporating City contracting requirements into the lease.

Three-Year Lease Term Extension

The original lease provided for one 10-year extension to February 2021. According to Mr. Joshua Keene, Real Estate Division Special Projects and Transaction Manager, the Real Estate Division negotiated an amendment, extending the lease by three years after the end of the existing lease extension with an eye towards purchasing a property in the near future for use as a City residential healthcare facility. The original lease provided for the right of first refusal in the event that the landlord wants to sell the property. In December 2020, Real Estate Division staff asked the Seto Trust about purchasing the 1421 Broderick Street property and was told that the Seto Trust was not in a position to sell yet, but discussion could continue at a future date. According to Mr. Keene, there are currently no alternative long-term plans for the property other than its continued use.

Early Termination Option

The original lease allowed the City to terminate the lease with 180-day notice; the draft amendment to the lease agreement allows the City to terminate the lease with one-year notice. According to Mr. Keene, Manager in the Real Estate Division, the City retained the early termination option, which was extended from 180 days to 365 days based on negotiations, to

² Appendix A4 to RAMS contract

allow the City the option to relocate the residential treatment services if another City space or purchase option became available.

Base Rent Increase to Reflect Market Value

The first year annual base rent of \$372,510, which is equivalent to \$30 per square foot, is a negotiated amount. According to Mr. Keene's estimates, this rate reflects fair market value. He estimated the fair market value by weighing the cost of renting medical space and residential space, based on recent City agreements that were approved by the Board of Supervisors.

Landlord's Obligations to Maintain Old Facility Included

The 1421 Broderick Street facility was built in 1965, according to the Office of the Assessor, and is not in excellent condition according to DPH operations management. Under the proposed amendment, the City's responsibility for repairs is capped at \$15,000 per year. Above that amount, the landlord would be obligated to provide for maintenance and repairs to the building and major systems.

FISCAL IMPACT

The first year rent of \$352,510 increases by 3 percent per year, totaling \$1,151,391 over the three-year term of the proposed lease amendment. Lease expenses are General Fund and included in the Department of Public Health budget for FY 2020-21 and FY 2021-22. The City pays utilities and janitorial services through MH Long Term Care funds, estimated at \$64,248 per year or \$192,744 over three years. As noted above, other operating expenses are paid through the DPH contract with RAMS.

RECOMMENDATIONS

1. Amend the proposed resolution to request an annual written report from the Department of Public Health in consultation with the Real Estate Division by June of each year on options to purchase Broderick Street, other potential city or private properties available for purchase as an alternative long-term care site, and steps the Real Estate Division is taking to ensure sufficient long term care facility space at the end of the existing lease.
2. Approve the proposed resolution as amended.

LEASE AMENDMENT

THIS AMENDMENT (this "Amendment") is made as of January 8, 2021, in San Francisco, California, by and between Sum M. Seto Properties, LLC, a Delaware limited liability company, and Jenny P. Seto Properties, LLC, a Delaware limited liability company corporation, as successor to Seto Family Trust (collectively, the "Landlord") and the CITY AND COUNTY OF SAN FRANCISCO, a municipal corporation ("City" or "Tenant").

RECITALS

THIS AMENDMENT is made with reference to the following facts and circumstances:

A. City and Landlord previously entered into a lease agreement dated as of January 15, 2001 (the "Lease") with Sum M. Seto and Jenny P. Seto, Co-Trustees of the Seto Family Trust, who was then the owner, for the lease of the "Building" located at 1421 Broderick Street, being a portion of Lot 033, in Assessor's Block 1080, San Francisco, California 94115. City exercised an option to extend the Term to January 31, 2021. Subsequent to the execution of the Lease, the ownership of the Property was transferred to the Landlord identified in the preamble to this Amendment. Any capitalized term used in this Amendment that is not defined will have the meaning given to such term in the Lease.

B. City is using the Premises for a facility to provide long and short-term housing to persons with chronic medical and mental health issues and such other uses as specified in the Basic Lease Information.

C. The parties now desire to modify the Lease on the terms and conditions as set forth herein, including but not limited to: extending the Term, adjusting the base rent, modifying the early termination provision, revising Section 8 of the Lease, and updating the Lease to include City contracting requirements.

ACCORDINGLY, in consideration of the matters described in the foregoing Recitals, and for other good and valuable consideration, the receipt and sufficiency of which are mutually acknowledged, the City and Landlord agree as follows as of the Effective Date:

1. Basic Lease Information. The subsections in Section 1 (Basic Lease Information) listed below are amended to read as follows:

In addition to other termination rights specifically provided in this Lease, City shall have the right to terminate this Lease for any reason upon three hundred sixty-five (365) days' prior written notice to Landlord. Such termination shall be effective as of the date indicated in such written notice, which date shall be at least three hundred sixty-five (365) days after the effective date of such notice, as described in Section 23.1. The parties' rights and obligations under this Lease shall terminate as of the date of such termination, except as expressly provided in this Lease.

3. Late Charges. Section 4.1(b) of the Lease is deleted in its entirety.

4. Base Rent. The following language is added to the end of Section 4.2 (Base Rent for Second and Subsequent Years):

Notwithstanding anything to the contrary above, beginning on February 1, 2022 and again on February 1, 2023 (each an "Adjustment Date"), the Base Rent payable under Section 4.1 (Base Rent) will be adjusted to equal one hundred three percent (103%) of the Base Rent for the lease year preceding the Adjustment Date.

5. Interest. Section 4.3 (Interest on Past Due Obligations) is deleted in its entirety.

6. Landlord Obligations. Section 8.1 (Landlord's Obligations) is deleted in its entirety and is replaced as follows:

8.1. Landlord's Obligations

- (a) Regarding "Base Building" expenses: Landlord shall, at Landlord's sole cost and expense, regardless of the cost associated with the following "Base Building" expenses, (i) maintain, replace, repair and keep the Building's foundation, interior and exterior roof, trusses, and support system, structural walls, all exterior walls and surfaces (except graffiti and painting required solely for aesthetic purposes), and main sewer and water and gas pipes (i.e., the pipes connected to the utility delivery system) in a water-proof, leak-free, good condition and repair, except and to the extent any such maintenance, replacement or repair is required due to any willful misconduct or negligent act or omission of the City or any Subtenants; and (ii) promptly and diligently make any structural seismic, engineering and other upgrades or improvements to the Building as are required by any law, statute, ordinance, rule or regulation now in force or hereafter adopted by any governmental body or agency, unless such upgrade or improvement was

required as a result of (A) Tenant's particular use of the Premises, as opposed to general residential use, or (B) Alterations performed by or on behalf of Tenant. Notwithstanding the foregoing, Landlord's obligations under this subsection shall not extend to uninsured costs of repair or replacement of systems or facilities where such uninsured costs are required on account of a casualty event such as earthquake, flood, or act of God. As used in this subsection "uninsured costs" shall not include deductibles or self-insured retentions in any applicable insurance policy. In the event that Landlord fails or refuses to repair or replace systems or facilities damaged or destroyed by such casualty event on account of uninsured costs, Tenant may at its sole discretion terminate this Lease immediately with no further obligation to Landlord of any kind.

- (b) Regarding "Major Systems" expenses; Landlord shall, at Landlord's sole cost and expense (subject to Tenant reimbursement under Section 8.2(c)), be responsible for performing all replacement and/or repair of the elevator, HVAC system (including without limitation the boiler), electrical system, and plumbing system (including without limitation the fire safety/sprinkler system) (collectively, the "Major Systems"). Landlord will be responsible for any extraordinary maintenance associated with any repair or replacement but will not be responsible for routine maintenance of the Major Systems.
- (c) Tenant shall notify Landlord of the necessity of any maintenance or repairs under Subsections (a) or (b). Within ten (10) days of receipt of such notice, Landlord shall commence any required maintenance or repairs and shall notify Tenant of Landlord's anticipated schedule for performing any of the required maintenance or repairs. However, if an Essential Service, as defined in Section 9.3 of the Lease is disrupted, the ten (10) days period in the previous sentence of this Section shall be reduced to two (2) business days of Landlord's receipt of the notice from Tenant as required by this Section. Landlord shall use its commercially reasonable efforts to complete all such maintenance or repairs as promptly as possible, and shall, in consultation with Tenant but at Landlord's sole expense, take commercially reasonable interim measures to ensure the habitability of the affected portions of the Premises pending completion of such maintenance activities or repairs.

7. City Obligations. Section 8.2 (City's Obligations) is deleted in its entirety and is replaced as follows:

8.2. Tenant's Obligations

- (a) Except to the extent that maintenance or repair responsibilities are assigned by this Lease to Landlord, such as the repairs and/or replacement of Base Building and Major Systems, City shall, at City's expense, keep the Premises and the common areas in good repair, in a clean condition, and properly maintained at all times. Tenant shall be responsible for the cost of routine maintenances, which includes but is not limited to, obtaining and maintaining service contracts for each Major System during the Term of the Lease, and any extension of the Term of Lease, (but not associated replacement or repair) of Major Systems along with overall routine maintenance of the Premises (hereinafter, City's Obligations with respect to this section are known as "Non-Major Repairs"). Notwithstanding the foregoing, Tenant's obligations under this Section 8.2(a) shall not extend to maintenance or uninsured costs or repair of systems or facilities required on

account of a casualty event such as fire, earthquake, flood, or other act of God. Tenant shall be responsible for the cost and performance of such maintenance and repair assigned to Tenant in this section, except to the extent caused by intentional or negligent act or omission of Landlord or its agents or Contractors. City shall maintain records of any repairs performed by City on the Premises and shall make those records available to Landlord for inspection at Landlord's reasonable request.

- (b) During any twelve-month period (starting February 1, 2021, and each February 1 thereafter during the Term), Tenant will be responsible for reimbursing Landlord for up to Fifteen Thousand Dollars (\$15,000.00) (the "Annual Cap") of the aggregate cost during such twelve-month period, for Landlord's maintenance and repair obligations of the Major Systems under Section 8.1(b). Landlord shall submit a statement of reimbursable costs within 60 days following completion of the work. Tenant shall pay any verified costs up to the Annual Cap, with commercially reasonable documentation, within thirty (30) days of Landlord's written request. For avoidance of doubt, Landlord will be responsible for all such Major Systems costs in excess of the Annual Cap.
- (c) In addition to any other obligations of City under this Lease, City shall, at its sole cost and expense, employ a licensed pest control vendor to provide pest control services to the Premises on a monthly basis, and shall provide Landlord upon request with a copy of its vendor's contract and such other reasonable evidence of compliance as Landlord may reasonably request.
- (d) Should City fail to make repairs or otherwise comply with its obligations under this Section 8.2 within ten (10) days after written notice by Landlord, Landlord, in addition to all other remedies available hereunder or by law or equity and without waiving any remedy, may make the repairs. In that event, City shall reimburse Landlord, as Additional Charges, for such amounts paid, with the next monthly payment of Base Rent payable no more than thirty (30) days after the payment made by Landlord.

8. No Joint Venture. This Amendment or any activity by the City hereunder does not create a partnership or joint venture between the City and Landlord relating to the Lease or otherwise. This Amendment does not constitute authorization or approval by the City of any activity conducted by Landlord, and the City shall in no way be responsible for the acts or omissions of Landlord on the Premises or otherwise.

9. Attorneys' Fees. In the event a dispute arises concerning this Amendment, the party not prevailing in such dispute shall pay any and all costs and expenses incurred by the other party in enforcing or establishing its rights hereunder, including, without limitation, court costs and reasonable attorneys' fees. For purposes of this Amendment, reasonable fees of attorneys of City's Office of the City Attorney shall be based on the fees regularly charged by private attorneys with the equivalent number of years of experience in the subject matter area of the law for which the City Attorney's services were rendered who practice in the City of San Francisco in law firms with approximately the same number of attorneys as employed by the Office of the City Attorney.

10. City Contracting Provisions. The provisions set forth in Exhibit A are included in the Lease.

11. References. No reference to this Amendment is necessary in any instrument or document at any time referring to the Lease. Any future reference to the Lease shall be deemed a reference to such document as amended hereby.

12. Applicable Law. This Amendment shall be governed by, construed and enforced in accordance with the laws of the State of California.

13. Effective Date. The date of which this Amendment shall become effective as of the date this Amendment is duly executed and exchanged by the parties hereto, following adoption of a resolution by the City’s Board of Supervisors approving this Amendment.

14. Miscellaneous. Except as expressly modified herein, the terms, covenants and conditions of the Lease shall remain unmodified and in full force and effect. The Lease as amended by this Amendment constitutes the entire agreement of the parties concerning the subject matter hereof, and supersedes and conceals any and all previous negotiations, agreements, or understandings, if any, regarding the matters contained herein. The execution of this Amendment shall not constitute a waiver of relinquishment of any rights which the City may have relating to the Lease. Landlord and City hereby ratify and confirm all of the provisions of the Lease as amended by this Amendment.

In witness whereof, the parties hereto have executed this Amendment as of the date written above.

City Contracting Provisions

The following provisions are added to the Lease. The parties understand that some of these provisions are new, and some replace existing provisions as an update:

1. Notification of Prohibition on Contributions. By executing this Lease, Landlord acknowledges its obligations under section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who leases, or seeks to lease, to or from any department of the City any land or building from making any campaign contribution to **(a)** a City elected official if the lease must be approved by that official, **(b)** a candidate for that City elective office, or **(c)** a committee controlled by that elected official or a candidate for that office, at any time from the submission of a proposal for the lease until the later of either the termination of negotiations for the lease or twelve (12) months after the date the City approves the lease.

Landlord acknowledges that the foregoing restriction applies only if the lease or a combination or series of leases or other contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of one hundred thousand dollars (\$100,000) or more. Landlord further acknowledges that **(i)** the prohibition on contributions applies to each prospective party to the lease; any person with an ownership interest of more than 10 percent (10%) in Landlord; any subcontractor listed in the lease; and any committee that is sponsored or controlled by Landlord; and **(ii)** within thirty (30) days of the submission of a proposal for the Lease, the City department with whom Landlord is leasing is obligated to submit to the Ethics Commission the parties to the lease and any subcontractor. Additionally, Landlord certifies that it has informed each such person of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for the lease and has provided the names of the persons required to be informed to the City department with whom it is leasing.

2. Landlord's Compliance with City Business and Tax and Regulations Code. Landlord acknowledges that under Section 6.10-2 of the San Francisco Business and Tax Regulations Code, the City Treasurer and Tax Collector may require the withholding of payments to any vendor that is delinquent in the payment of any amounts that the vendor is required to pay the City under the San Francisco Business and Tax Regulations Code. If, under that authority, any payment City is required to make to Landlord under this Lease is withheld, then City will not be in breach or default under this Lease, and the Treasurer and Tax Collector will authorize release of any payments withheld under this paragraph to Landlord, without interest, late fees, penalties, or other charges, upon Landlord coming back into compliance with its San Francisco Business and Tax Regulations Code obligations.

3. Taxes, Assessments, Licenses, Permit Fees, and Liens. San Francisco Administrative Code Sections 23.38 and 23.39 require that certain information relating to the creation, renewal, extension, assignment, sublease, or other transfer of this Lease be provided to the County Assessor within sixty (60) days after the transaction. Accordingly, Tenant must provide a copy of this Lease to the County Assessor not later than sixty (60) days after the Effective Date, and any failure of Tenant to timely provide a copy of this Lease to the County Assessor will be a default under this Lease.

4. Consideration of Salary History. Tenant shall comply with San Francisco Administrative Code Chapter 12K, the Consideration of Salary History Ordinance or "Pay Parity Act." For each employment application to Tenant for work that relates to this Agreement or for work to be performed in the City or on City property, Tenant is prohibited from considering current or past salary of an applicant in determining whether to hire the applicant or what salary to offer the applicant. Tenant shall not (1) ask such applicants about their current or past salary or (2) disclose a current or former employee's salary history without that employee's authorization unless the salary history is publicly available. Tenant is subject to the enforcement and penalty provisions in Chapter 12K. Information about Chapter 12K is available on the web at <https://sfgov.org/olse/consideration-salary-history>.

5. Non Discrimination in City Contracts and Benefits Ordinance.

(a) **Covenant Not to Discriminate.** In the performance of this Lease, Landlord will not to discriminate against any employee of Landlord, any City employee working with Landlord, any applicant for employment with Landlord, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of those protected classes, or in retaliation for opposition to discrimination against those classes.

(b) **Subcontracts.** Landlord will include in all subcontracts relating to the Premises a non-discrimination clause applicable to the subcontractor in substantially the form of subsection (a) above. In addition, Landlord will incorporate by reference in all subcontracts the provisions of San Francisco Administrative Code Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 and require all subcontractors to comply with those provisions. Landlord's failure to comply with the obligations in this subsection will constitute a material breach of this Lease.

(c) **Non-Discrimination in Benefits.** Landlord does not as of the date of this Lease, and will not during the Term, in any of its operations in San Francisco, on real property owned by City, or where the work is being performed for City or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits, or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of the employees, where the domestic partnership has been registered with a governmental entity under state or local law authorizing that registration, subject to the conditions set forth in San Francisco Administrative Code Section 12B.2(b).

(d) **CMD Form.** As a condition to this Lease, Landlord will execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" form (Form CMD-12B-101) with supporting documentation and secure the approval of the form by the San Francisco Contract Monitoring Division (the "CMD"). Landlord represents that before execution of the Lease: (i) Landlord executed and submitted to the CMD Form CMD-12B-101 with supporting documentation, and (ii) the CMD approved the form.

(e) **Incorporation of Administrative Code Provisions by Reference.** The provisions of San Francisco Administrative Code Chapters 12B and 12C relating to non-discrimination by parties contracting for the lease of property to City are incorporated into this Section by reference and made a part of this Lease as though fully set forth. Landlord will comply fully with and be bound by all of the provisions that apply to this Lease under Administrative Code Chapters 12B

and 12C, including the remedies provided in those Chapters. Without limiting the foregoing, Landlord understands that under San Francisco Administrative Code Section 12B.2(h) a penalty of Fifty Dollars (\$50) for each person for each calendar day during which that person was discriminated against in violation of the provisions of this Lease may be assessed against Landlord and/or deducted from any payments due Landlord.

6. Bicycle Parking Facilities. San Francisco Planning Code (the “**Planning Code**”) Article 1.5, Section 155.3 requires that bicycle parking must be provided at City-leased buildings at no cost to Landlord. During the Term, City will have the right to install and maintain, at no cost to Landlord, all Class 1 Bicycle Parking Spaces (as defined in the Planning Code) and all Class 2 Bicycle Parking Spaces (as defined in the Planning Code) in the Building locations required under the Planning Code.

7. Resource-Efficient City Buildings. Landlord acknowledges that the City and County of San Francisco has enacted San Francisco Environment Code Sections 700 to 713 relating to green building requirements for the design, construction, and operation of City buildings. Landlord will comply with all applicable provisions of those code sections.

8. Preservative-Treated Wood Containing Arsenic. Landlord may not purchase preservative-treated wood products containing arsenic in the performance of this Lease unless an exemption from the requirements of Environment Code Chapter 13 is obtained from the Department of Environment under Environment Code Section 1304. The term “preservative-treated wood containing arsenic” means wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including chromated copper arsenate preservative, ammoniac copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Landlord may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of Environment. This provision does not preclude Landlord from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term “saltwater immersion” means a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

2. PREMISES

2.1. Lease Premises

Landlord leases to City and City leases from Landlord, subject to the provisions of this Lease, the building identified in the Basic Lease Information (the "Building") and shown on the floor plans attached hereto as Exhibit A (the "Premises") and the furniture, fixtures and equipment ("FF& E"), as more particularly described on the inventory list attached hereto as Exhibit B. The Building, land upon which the Building is located and all other improvements on or appurtenances to such land are referred to collectively as the "Property."

3. TERM

3.1. Term of Lease

The Premises are leased for an initial term (the "Initial Term") commencing on the date specified in the Basic Lease Information as the estimated commencement date (the "Estimated Commencement Date"), or such later date as Landlord shall have delivered the Premises to City, and City's Mayor and Board of Supervisors shall have approved the transaction contemplated by this Lease, in their respective sole and absolute discretion, as further provided in this Lease.

3.2. Commencement Date and Expiration Date

The dates on which the Initial Term commences and terminates pursuant hereto are referred to respectively as the "Commencement Date" and the "Expiration Date." If the Commencement Date occurs on a date other than the Estimated Commencement Date, then promptly thereafter Landlord shall deliver to City a notice substantially in the form of Exhibit C attached hereto, confirming the actual Commencement Date, but Landlord's failure to do so shall not affect the actual Commencement Date.

3.3 Extension Options

City shall have the right to extend the Initial Term of this Lease (the "Extension Options") for one additional ten (10) year term (the "Extended Term"). The terms and conditions of such Extension Option shall be determined by the Landlord and City at the time the option is exercised and accepted. City may exercise the Extension Option, if at all, by giving written notice to Landlord no later than one hundred and twenty (120) days prior to expiration of the Initial Term; provided, however, if City is in material default under this Lease on the date of giving such notice and fails to cure such default as provided in this Lease, Landlord may reject such exercise by delivering written notice thereof to City promptly after such failure to cure. Landlord acknowledges and agrees that City's notice of its intent to exercise an Extension Option shall be subject to enactment of a resolution by the Board of Supervisors and the Mayor, in their respective sole and absolute discretion, approving and authorizing the same, within sixty (60) days after the date such notice of exercise is given.

3.4 Transfer of Landlord's Interest; First Right of Refusal to Purchase

(a) Landlord shall have the right to transfer its interest in the Property or the Building, subject to the conditions set forth herein.

(b) In the event Landlord receives an offer to purchase the Property or Building at a price, terms and conditions acceptable to the Landlord, Landlord shall first offer the Property or Building to the City at the same price, under the same conditions and terms as the prior offer. Said purchase terms shall be contained in a written notice ("Notification") from Landlord to City. Within five (5) business days or receipt of such an offer, Landlord shall send Notification by certified mail, receipt requested, to City. The City shall have forty-five (45) days from the Notification date by Landlord to accept the offer to purchase at the price, terms and conditions contained in the Notification.

(c) City's acceptance shall be subject to the approval of the Board of Supervisors and the Mayor within sixty (60) days of execution of a Purchase and Sale Agreement upon the other business terms contained herein.

City shall have sixty (60) days from the date of execution of the Purchase and Sale Agreement to perform, at its sole cost, a due diligence investigation. Landlord shall cooperate in affecting this investigation. Close of escrow shall occur on or before sixty (60) days from the date of City's notice of the approval by City's Board of Supervisors and Mayor of the purchase. The purchase price paid at close of escrow shall be adjusted in the following manner:

At close of escrow City shall pay for the cost of the premium of the extended coverage title insurance policy, the escrow fees, and all other typical closing expenses incurred by City. Landlord shall pay transfer taxes and all other typical closing expenses incurred by Landlord. Landlord shall deliver the following (among other customary items) through a mutually agreeable escrow company:

- (i) a grant deed conveying ALTA insurable title subject only to taxes not yet due and payable, existing leasehold interests, and other exceptions acceptable to City,
- (ii) executed estoppel certificates and assignment of leases, if applicable,
- (iii) a bill of sale for all personal property on the Property, and
- (iv) a written disclosure of all known facts (including any and all property inspection reports) which would affect the marketability or City's intended use of the Property or Building.

If City does not agree to purchase the property upon purchase price contained in the Notification, then this right of first refusal shall terminate and Landlord shall be free to sell the Property or Building to any person whomever and upon any terms whatsoever without any obligation to City except as set forth below in subsection (d); provided, however, that Landlord may sell the Property or Building to any potential buyer who is willing to pay a gross purchase price (an amount determined without regard to any brokerage commission liability, but reduced by any Landlord credits or give backs to the potential buyer for such items as existing building conditions or tenant improvements hereinafter to referred to as "Gross Purchase Price") less than the amount of Landlord's offer to sell to City or of any City's Counter Offer only after first affording City the right to purchase the Property at the same Gross Purchase Price. City shall have one (1) day less than the number of days within which Landlord is permitted to accept the

(d) In the event the Landlord transfers the Property or Building to a third party, Landlord shall deliver to City an express assumption of all Landlord's obligations under this Lease fully executed by the proposed transferee and in a form reasonably acceptable to the City. No consent from City under this Section shall be required for any transfer of all or any part of Landlord's ownership to the Landlord's family or any family member, either as individuals or in trust for the benefit of the Landlord's family or any family member.

3.5 Termination

In addition to other termination rights specifically provided in this Lease, City shall have the right to terminate this Lease for any reason upon One Hundred Eighty (180) days prior to written notice to Landlord. Such termination shall be effective as of the date indicated in such written notice, which date shall be at least One Hundred Eighty (180) days after the effective date of such notice, as described in Section 23.1. The parties' rights and obligations under this Lease shall terminate as of the date of such termination, except as expressly provided in this Lease.

4. RENT

4.1. Base Rent

(a) Beginning on the Commencement Date, City shall pay to Landlord during the Term the annual Base Rent specified in the Basic Lease Information (the "Base Rent"). The Base Rent shall be due and payable in equal consecutive monthly payments on or before the fifth (5th) day of each month, in advance, at the address specified for Landlord in the Basic Lease Information, or such other place as Landlord may designate in writing upon not less than thirty (30) days' advance notice. City shall pay the Base Rent without any prior demand and without any deductions or offset except as otherwise provided in this Lease. If the Commencement Date occurs on a day other than the first day of a calendar month or the Expiration Date occurs on a day other than the last day of a calendar month, then the monthly payment of the Base Rent for such fractional month shall be prorated based on a thirty (30) day month.

(b) City's failure to pay Base Rent promptly may cause Landlord to incur unanticipated costs. The exact amount of such costs are impractical or extremely difficult to ascertain. Such costs may include, but are not limited to, processing and accounting charges and late charges which may be imposed on Landlord by any mortgage or deed of trust encumbering the Premises. Therefore, if City does not pay any rent payment within five (5) days after it becomes due, City shall pay Landlord a late charge equal to three percent (3%) of the overdue amount. The parties agree that such late charge represents a fair and reasonable estimate of the costs Landlord will incur by reason of such late payment.

4.2. Base Rent for Second and Subsequent Years .

On the first anniversary of the Commencement Date, and on each subsequent anniversary of the Commencement Date during the Term, the Base Rent payable under Section 4.1 for the next twelve (12) month period shall be the Base Rent during the previous 12-month period multiplied by a percentage equal to the percentage increase in the Consumer Price Index for all Urban Consumers (1982 - 84 = 100) published by the United States Department of Labor, Bureau of Labor Statistics for the San Francisco Metropolitan Area ("CPI") most recently published as of the end of the applicable 12-month period from the CPI most recently published as of the commencement of the applicable 12-month period (the "Adjustment Percentage"); provided that in no event shall the Adjustment Percentage for any 12-month period be less than two percent (2%) nor more than six percent (6%).

4.3. Interest on Past Due Obligations

(a) Any amount owed by City to Landlord which is not paid when due shall bear interest at the rate of seven percent (7%) per annum from the due date of such amount. However, interest shall not be payable on late charges to be paid by the City under this Lease, including those in Section 4.1

(b) The payment of interest on such amounts shall not excuse or cure any default by City under this Lease. If the interest rate specified in this Lease is higher than the rate permitted by law, the interest rate is hereby decreased to the maximum legal interest rate then permitted by law.

4.4. Additional Charges

City shall pay to Landlord any charges or other amounts required under this Lease as additional rent ("Additional Charges"). All such Additional Charges shall be payable to Landlord at the place where the Base Rent is payable. Landlord shall have the same remedies for a default in the payment of any Additional Charges as for a default in the payment of Base Rent. The Base Rent and Additional Charges are sometimes collectively referred to below as "Rent."

4.5. Payment of Real Estate Taxes

During the Term, the City shall be solely responsible for the Real Estate Taxes for the Premises, provided, however, that the City shall be responsible only for such Real Estate Taxes applicable on the assessed value of the Property as of the date of the execution of this Lease. In the event that Landlord conveys the property, whether a total or a partial transfer, and such transfer causes a reassessment of the Real Estate Taxes due on the Property, City shall not be responsible for any increased tax due as the result of an increase in the assessed value of the Property, whether in the form of Supplemental or Escape Property Tax Payment(s) or increased annual Real Estate Tax due. Landlord shall pay any increased Real Estate Taxes due to such reassessment. "Real Estate Taxes" means all taxes, assessments and charges levied upon or with respect to the Premises. Real Estate Taxes shall include, without limitation, all general real property taxes and general and special assessments, charges, fees, or assessments for transit, housing, police, fire, or other governmental services thereof, service payments in lieu of taxes, and any tax, fee, or excise on the act of entering into this Lease or any other lease of space in the Building or any part thereof, or on the rent payable under any lease or in connection with the business of renting space in the Building, that are now or hereafter levied or assessed against Landlord by the United States of America, the State of California or any political subdivision thereof, public corporation, district, or any other political or public entity, and shall also include any other tax, fee or other excise, however described, that may be levied or assessed as a substitute for, or as an addition to, in whole or in part, any other Real Estate Taxes, whether or not now customary or in the contemplation of the parties on the date of this Lease.

4.6. Payment of Other Taxes

During the Term, City is solely responsible for the payment of all taxes, fees and charges attributable or due to the City's use and operation of Premises imposed by the United States of America, the State of California or any political subdivision thereof, or the City and County of San Francisco, including but not limited to City's business license fees and renewal fees, transient taxes and other similar taxes, fees and charges, but only to the extent attributable to City's use and operation of the Premises. In addition, the City is responsible for payment of all personal property taxes attributable to the City's personal property, and any privilege tax, excise tax, gross receipts tax and commercial rent tax. If the City fails to pay any amounts due under this Section within thirty (30) days of when due, then the Landlord may pay any such amounts on the City's behalf. The City shall reimburse Landlord for such

amounts paid, together with interest at the rate set forth in Section 4.2, with the next monthly payment of Base Rent payable no more than thirty (30) days after the payment made by Landlord.

5. USE

5.1. Permitted Use

City may use the Premises for the uses specified in the Basic Lease Information, and for no other use without the prior written consent of Landlord, which shall not be unreasonably withheld or delayed.

5.2. Manner of Use

The City shall not cause or permit the Premises to be used in any way which constitutes a violation of any law, ordinance, or governmental regulation or order, which interferes with the right of other tenants of Landlord in the Building, or which constitutes a nuisance or waste.

5.3. Interference with Use

If City's use of any of the Premises or access thereto is materially and adversely interrupted as a result of the Premises or any other portion of the Building being rendered unsafe for human occupancy due to Landlord's failure to comply with its obligations under this Lease or for any other reason other than City's default hereunder, then Landlord shall immediately undertake all commercially reasonable steps to correct such condition. In the event such condition continues for twenty (20) days, the Rent payable hereunder shall then be abated based on the extent to which such condition renders any portion of the Premises untenable. If any such default by Landlord shall continue for thirty (30) days or more after City's use is interrupted and impairs City's ability to carry on its business in the Premises, then City shall have the right, without limiting any of its other rights hereunder, to immediately terminate this Lease, unless Landlord supplies City with evidence reasonably satisfactory to City that City's normal and safe use will be restored within sixty (60) days of the date City's use was interrupted, and such use is actually restored within such 60-day period. Nothing in this Section shall limit City's rights with respect to any disruption due to casualty pursuant to Section 12 (Damage and Destruction) hereof.

6. DELIVERY AND ACCEPTANCE OF PREMISES

6.1. Condition of the Premises

As of the Commencement Date, Landlord shall deliver the Premises and the FF&E to Tenant clean and free of debris. The FF&E shall be located in the units, common areas or other portions of the Premises as indicated on Exhibit B.

6.2. Acceptance of the Premises

Prior to the Commencement Date, Landlord and Tenant shall conduct an inspection of the Premises and mutually agree as to the condition of the Premises. Following the inspection, City shall accept the Premises in its "as-is" condition as of the Commencement Date, subject to its existing physical condition and all recorded matters, laws, ordinances and governmental regulations and orders. Except as provided herein, City acknowledges that neither Landlord nor any agent of Landlord has made any representation as to the condition of the Premises or the suitability of the Premises for City's intended use. City represents and warrants that City has made its own inspection of and inquiry regarding the condition

of the Premises and is not relying on any representations of Landlord, except as expressly provided herein, or any broker with respect thereto.

7. ALTERATIONS

7.1. Alterations by City

City shall not make or permit any alteration, installation, addition or improvement (collectively, "Alterations") to the Premises that costs more than Ten Thousand Dollars (\$10,000.00) without first obtaining Landlord's written consent, which Landlord shall not unreasonably withhold or delay. However, the installation of furnishings, fixtures, equipment or decorative improvements, none of which affect the Major Systems (as defined below) or structural integrity of the Building, and the repainting and recarpeting of the Premises shall not constitute Alterations requiring Landlord's consent. Any Alterations shall be made at City's cost in compliance with applicable Laws (as defined below). Landlord shall, without cost to itself, cooperate with City in securing building and other permits and authorizations needed in connection with any Alterations. Landlord shall not be entitled to any construction or other administrative fee in connection with any Alteration. City shall not be required to remove any Alterations upon the expiration or sooner termination of this Lease unless Landlord notifies City in writing at the time Landlord approves such Alterations that they must be removed at the Expiration Date. To the extent those individuals or entities performing any Alterations to the Premises are not covered by the City's self-insurance, as described in Section 17.1, the City shall require that any such individual or entity obtain and maintain commercially customary and reasonable insurance with respect to such Alterations, which insurance shall name the Landlord and its lender(s) (as identified by Landlord) as additional insureds. Following the completion of any Alterations for which Landlord's consent is required under this Section, the City shall provide to the Landlord copies of final plans and specifications and as-built drawings, if any, for such Alterations, together with proof of either the City's financial responsibility for such Alterations or payment made to third parties for such Alterations.

7.2. Title to Improvements

Except for City's Personal Property (as defined in the next Section), all appurtenances, fixtures, improvements, equipment, additions and other property permanently installed in the Premises as of the Commencement Date or during the Term shall be and remain Landlord's property. City may not remove such property unless Landlord consents thereto.

7.3. City's Personal Property

All furniture, furnishings, equipment, trade fixtures and articles of movable personal property installed in the Premises by or for the account of City and that can be removed without damage to the Premises (collectively, "City's Personal Property") shall be and remain City's property. City's Personal Property shall not include any of the FF&E listed on Exhibit B. At any time during the Term or at the expiration thereof, City may remove any of City's Personal Property provided City shall repair any damage to the Premises resulting therefrom. Upon the expiration or earlier termination of this Lease, City shall remove City's Personal Property from the Premises in accordance with Section 20 (Surrender of Premises), below. Landlord acknowledges that some of City's Personal Property may be financed by an equipment lease financing otherwise subjected to a security interest, or owned by an equipment company and leased to City. Landlord, upon City's reasonable request, shall execute and deliver any document reasonably required by any supplier, lessor, or lender in connection with the installation in the Premises of any items of City's Personal Property, pursuant to which Landlord waives any rights it may have or

acquire with respect to City's Personal Property, so long as the supplier, equipment lessor or lender agrees that it (i) will remove the Property from the Premises on or before the Expiration Date (but if it does not remove City's Personal Property within such time it shall have waived any rights it may have had to City's Personal Property), and (ii) will repair any damage caused by the removal of City's Personal Property. Landlord shall recognize the rights of a supplier, lessor or lender who has an interest in any items of City's Personal Property to enter the Premises and remove such property at any time during the Term. Nothing in this section shall require the Landlord to subordinate its interest in the Building or the Premises.

7.4. Alteration by Landlord

Landlord shall use its commercially reasonable efforts to minimize interference with or disruption to City's use and occupancy of the Premises during any alterations, installations, additions or improvements to the Building, including without limitation any leasehold improvement work for other tenants in the Building. Landlord shall promptly remedy, to the extent commercially reasonable, any such interference or disruption upon receiving City's notice thereof.

8. REPAIRS AND MAINTENANCE

8.1. Landlord's Obligations

(a) Landlord shall, at Landlord's sole cost and expense, regardless of the cost, (i) maintain, replace, repair and keep the Building's foundation, interior and exterior roof, trusses and support system, structural walls, all exterior walls and surfaces (except graffiti and painting required solely for aesthetic purposes), and main sewer and water and gas pipes (i.e., the pipes connected to the utility delivery system) in a water-proof, leak-free, good condition and repair, except and to the extent any such maintenance, replacement or repair is required due to any willful misconduct or negligent act or omission of the City or any Subtenants; and (ii) promptly and diligently make any structural seismic, engineering and other upgrades or improvements to the Building as are required by any law, statute, ordinance, rule or regulation now in force or hereafter adopted by any governmental body or agency. Notwithstanding the foregoing, Landlord's obligations under this subsection shall not extend to uninsured costs of repair or replacement of systems or facilities where such uninsured costs are required on account of a casualty event such as earthquake, flood, or act of God. As used in this subsection "uninsured costs" shall not include deductibles or self-insured retentions in any applicable insurance policy. In the event that Landlord fails or refuses to repair or replace systems or facilities damaged or destroyed by such casualty event on account of uninsured costs, Tenant may at its sole discretion terminate this Lease immediately with no further obligation to Landlord of any kind.

(b) Subject to Section 8.1(a), where the cost of any routine or extraordinary maintenance and/or replacement and/or repair of the elevator, HVAC system (including without limitation the boiler), electrical system, and plumbing system (including without limitation the fire safety/sprinkler system) (collectively, the "Major Systems") exceeds Five Thousand Dollars (\$5,000.00) per single repair, the Landlord shall be solely responsible for the costs and performance of such maintenance or repairs, except and to the extent that any maintenance, replacement, or repairs are the result of any gross negligence, willful misconduct or intentional vandalism by the Tenant or any Subtenants. A Major System maintenance and/or repair cost shall be deemed to exceed \$5,000.00 if (i) the parties so agree in writing, or (ii) Tenant secures three proposals from contractors who are licensed to perform the required services and who have not been informed of the \$5,000.00 limit, and at least two of the proposals exceed

\$5,000.00. If equal to or less than \$5,000.00, Tenant shall be responsible for paying the cost of such maintenance or repair pursuant to Section 8.2(c) below.

(c) Tenant shall notify Landlord of the necessity of any maintenance or repairs under Subsections (a) or (b). Within ten (10) days of receipt of such notice, Landlord shall commence any required maintenance or repairs and shall notify Tenant of Landlord's anticipated schedule for performing any of said required maintenance or repairs. Landlord shall use its commercially reasonable efforts to complete all such maintenance or repairs as promptly as possible, and shall, in consultation with Tenant but at Landlord's sole expense, take commercially reasonable interim measures to ensure the habitability of the affected portions of the Premises pending completion of such maintenance activities or repairs.

8.2. City's Obligations

(a) Except to the extent that maintenance or repair responsibilities are assigned by this Lease to Landlord, City shall, at City's expense, keep the Premises and the common areas in good repair, in a clean condition, and properly maintained at all times. City shall maintain records which reflect maintenance performed on the Premises, and shall make those records available to Landlord for inspection at Landlords' reasonable request.

(b) (i) Except as provided in Section 8.2(d) below, where the cost of maintenance and/or replacement or repair of a Major System is less than Five Thousand Dollars (\$5,000.00) per single repair, or (ii) where and to the extent such maintenance or repairs are the result of any negligence, willful misconduct or intentional vandalism by the Tenant or any Subtenants, the Tenant shall be solely responsible for the cost and performance of such maintenance, replacement or repairs, except to the extent that the maintenance, replacement or repair is necessitated by the negligent act or omission of Landlord or its agents or Contractors.

(c) Tenant shall be responsible for the cost of routine maintenance and repair of systems and facilities other than Major Systems (hereinafter, "Non-Major Repairs") in the Premises. Notwithstanding the foregoing, Tenant's obligations under this subparagraph shall not extend to maintenance or uninsured costs of repair of systems or facilities required on account of a casualty event such as fire, earthquake, flood, or other act of God.

(d) If during any one year period (based on lease commencement date) the aggregate cost of Tenant's maintenance and repair obligations for the Major Systems exceeds (or, based on a reasonable estimate procured pursuant to Section 8.1(b), would exceed) Ten Thousand Dollars (\$10,000.00), then Tenant may submit to Landlord a written request that Landlord pay such excess costs. Landlord shall pay such excess costs within thirty (30) days of Tenant's written request. Each anniversary year, this cap shall be adjusted to equal one month's rent with the agreed upon annual rent increase.

(e) In addition to any other obligations of City under this Lease, City shall, at its sole cost and expense, employ a licensed pest control vendor to provide pest control services to the Premises on a monthly basis, and shall provide Landlord upon request with a copy of its vendor's contract and such other reasonable evidence of compliance as Landlord may reasonably request.

(f) Should City fail to make repairs or otherwise comply with its obligations under this Section 8.2 within ten (10) days after written notice by Landlord, Landlord, in addition to all other remedies available hereunder or by law or equity and without waiving any remedy, may make the repairs.

In that event, City shall reimburse Landlord, as Additional Charges, for such amounts paid, together with interest at the rate set forth in Section 4.2, with the next monthly payment of Base Rent payable no more than thirty (30) days after the payment made by Landlord.

8.3. Liens

(a) City shall keep the Premises free from liens arising out of any work performed, material furnished or obligations incurred by City during the Term. Landlord shall have the right to post on the Premises any notices permitted or required by law or that are needed for the protection of Landlord, the Premises, or the Building, from mechanics' and material suppliers' liens. City shall give Landlord at least ten (10) days' prior written notice of commencement of any repair or construction by City on the Premises that costs more than Two Thousand Five Hundred Dollars (\$2,500.00) per repair or construction.

(b) Should any claim or lien be filed against, or should City learn of any intention of any third party to file any claim or lien, or should any action be commenced affecting the Premises and/or Landlord's interest in the Premises, City shall give Landlord notice of such lien or intention or action within ten (10) days after City receives notice of the same. In the event that City shall not, within thirty (30) days following the imposition of any such lien, cause such lien to be released of record by payment or posting of a proper bond, Landlord shall have, in addition to all other remedies provided herein and by law, the right but not the obligation to cause the same to be released by such means as it shall deem proper, including payment of the claim giving rise to such a lien or filing of a bond in favor of any lien claimant. All such sums paid by Landlord and all expenses incurred by it in connection therewith, including any reasonable and actual attorney's fees and costs, shall be payable to Landlord by the City, together with interest at the rate set forth in Section 4.2, as Additional Charges with the next monthly payment of Base Rent payable no more than thirty (30) days after the payment made by Landlord.

9. UTILITIES AND SERVICES

9.1. Utilities

City shall be responsible, at City's expense, for contracting directly with and paying or causing to be contracted with and paid all service providers for all utilities necessary for City's intended uses, including gas, electricity, water, sewer service, garbage collection and telephone. Landlord shall, at its sole expense, ensure that utilities supplied to portions of the Building that are not part of the Premises are separately metered and paid through separate accounts from those applicable to the Premises.

9.2. Services

City is responsible for contracting for and paying the cost of linen service, maid/janitorial service, security, and any other services necessary for City's use of the Premises under this Lease. Landlord shall be solely responsible for terminating or, at City's request, assigning to Tenant (if assignable without cost or liability to Landlord), prior to the Commencement Date any contracts or other arrangements for such services, without any cost or liability to City, including but not limited to the contract for elevator maintenance. City shall maintain a contract for elevator maintenance through the Term. The Landlord shall not be responsible or liable for any damages resulting from any failure or interruption of services.

9.3. Disruption in Essential Utilities or Services

In the event of any of the sanitary, electrical, heating, air conditioning, water, elevator, or other essential services serving the Premises (collectively, "Essential Services") are disrupted for any reason other than City's failure to timely pay for such services and such disruption continues for any reason for a continuous period of ninety (90) days and such failure materially interferes with City's ability to carry on its business in the Premises, then City may immediately terminate this Lease upon written notice to Landlord.

10. COMPLIANCE WITH LAWS; PREMISES CONDITION

10.1. Premises Condition and Landlord's Compliance with Laws; Indemnity

Landlord represents and warrants to City to the best of Landlord's knowledge, without any independent investigation, and covenants with City, as follows: (a) the following portions of the Property and the Building along the path of travel to the Premises are now, and as of the Commencement Date will be, in compliance with the requirements of the Americans With Disabilities Act of 1990 and Title 24 of the California Code of Regulations and all other applicable federal, state, local and administrative laws, rules, regulations, orders and requirements intended to provide equal accessibility for persons with disabilities (collectively, "Disabilities Laws"); (b) the Building, the common areas and Major Systems serving the Premises are now, and as of the Commencement Date will be, in full compliance with all applicable federal, state, local and administrative laws, rules, regulations, orders and requirements relating to fire and life safety (collectively, "Life Safety Laws"); and (c) there are not now, and as of the Commencement Date will not be, any material physical or mechanical defects in the Premises, Building or the Major Systems that would materially adversely affect City's intended use of the Premises. Landlord shall at all times during the Term maintain, at its cost, the Property, Building, common areas and the Major Systems serving the Premises in compliance with applicable present or future Seismic Safety Laws. Tenant shall at all times during the Term maintain, at its cost, the Property, Building, common areas and the Major Systems serving the Premises in compliance with applicable present or future Life Safety Laws, but only to the extent that compliance with such Life Safety Laws is required due to City's use and operation of the Premises, or required solely because of any Alterations to the Premises made by City pursuant to Section 7 of this Lease. Landlord and Tenant agree that Landlord shall take any actions necessary to comply with any other future Life Safety Laws, if compliance with any such Life Safety Law is legally required during the Term, that Landlord shall pay fifty percent (50%) of the reasonable and actual costs required for such compliance if the cost of the compliance does not exceed Fifty Thousand Dollars (\$50,000). If the cost exceeds Fifty Thousand Dollars (\$50,000), the Tenant, in addition to 50% of the cost up to Fifty Thousand Dollars (\$50,000) will pay for all costs beyond Fifty Thousand Dollars (\$50,000).

10.2. City's Compliance with Laws; Indemnity

City shall use the Premises during the Term in compliance with applicable Laws. Subject to Landlord's obligations under Section 10.1, City shall make any alterations, additions or other modifications in order to comply with applicable Laws where such modifications are not otherwise Landlord's responsibility under this Lease. Without limiting Section 16.1 (City's Indemnity), City shall indemnify Landlord against any and all Claims arising out of City's failure to comply with all applicable Laws as provided in this Section.

11. SUBORDINATION

This Lease is and shall be subject and subordinate to the following (each an "Encumbrance"): (a) any reciprocal easement agreements and ground leases or other underlying leases that may now exist or hereafter be executed affecting Landlord's interest in the Property, or any portion thereof, and (b) the lien of any mortgage or deed of trust that may now exist or hereafter be executed by Landlord in any amount for which any part of the Property, any ground leases or underlying leases, or Landlord's interest or estate therein, is specified as security; provided that as a condition to any such Encumbrance, the holder of the Encumbrance shall, at City's request, enter into a subordination and nondisturbance agreement with City in a form then commercially reasonable. Notwithstanding the foregoing, Landlord shall have the right to subordinate or cause to be subordinated to this Lease any Encumbrance, provided that the Landlord provides to the City a nondisturbance and attornment agreement in form and substance approved by the City, which approval shall not be unreasonably withheld or delayed, from the holder of any such Encumbrance. In the event that any ground lease or underlying lease terminates for any reason or any mortgage or deed of trust is foreclosed or a conveyance in lieu of foreclosure is made for any reason, City shall pay subsequent Rent and attorn to and become the tenant of such successor Landlord, at the option of such successor-in-interest, provided that City has received proper written notice of such succession and the name and address of the successor landlord, and further provided that, in the case of any Encumbrance hereafter executed, as a condition to such attornment the holder of such Encumbrance shall, at City's request, agree that so long as City is not in default hereunder, such holder shall recognize this Lease and shall not disturb City in its possession of the Premises for any reason other than one that would entitle Landlord to terminate this Lease or otherwise dispossess City of the Premises in accordance with the terms hereof. The provisions of this Section shall be self-operative and no further instrument shall be required other than as provided in this Section. City agrees, however, to execute upon request by Landlord and in a form reasonably acceptable to City, any additional documents evidencing the priority or subordination of this Lease with respect to any such Encumbrance as provided herein. If City fails to do so within ten (10) business days after written request, City hereby makes, constitutes and irrevocably appoints Landlord, or any transferee or successor of Landlord, the attorney-in-fact of City to execute and deliver any such instrument or document. In that case, the Landlord shall promptly provide to the City an executed copy of any such document.

12. DAMAGE AND DESTRUCTION

If the Premises, the Building or any Major Systems are damaged by fire or other casualty, Landlord shall repair the same without delay if permits are not required under applicable laws for such repairs. Landlord shall repair such damage by fire or other casualty within sixty (60) days after Landlord obtains all necessary permits for such repairs and insurance proceeds attributable to such damage, but not later than two hundred ten (210) days after the date of such damage (the "Repair Period"). During any repair under this Section, this Lease shall remain in full force and effect, except that City shall be entitled to an abatement of Rent while such repairs are being made. Such abatement in Rent shall be based upon the extent to which such damage and the making of such repairs renders the Premises untenable. Landlord's repairs shall not include, and the Rent shall not be abated as a result of, any damage by fire or other cause to City's Personal Property or any damage caused by the negligence or willful misconduct of City, its Agents or residents of the licensed facility ("Residents").

If permits are required under applicable laws for the repairs, within twenty (20) days after the date of the damage by fire or other casualty, Landlord shall notify City whether or not, in Landlord's reasonable judgment made in good faith, such repairs can be made within the Repair Period. If such repairs cannot be made within the Repair Period, then either party hereto may, by written notice to the other given within thirty (30) days after the date of such damage, terminate this Lease as of the date specified in such notice, which date shall be not less than thirty (30) nor more than sixty (60) days after notice is given by Landlord. In case of termination, the Rent shall be reduced from the date of such damage by a proportionate amount based upon the extent to which such damage renders the Premises untenable, and City shall pay such reduced Rent up to the date of termination. Landlord shall refund to City any Rent previously paid in excess of the amount discussed in this Paragraph or for any period of time subsequent to such date of termination.

The Repair Period under this Section 12 shall be extended for such longer period as reasonably necessary for the Landlord to complete required repairs, if and to the extent that the Landlord demonstrates that despite its reasonable good faith efforts, it is unable to complete a required repair within the Repair Period.

Notwithstanding the foregoing, in the event the Premises are damaged or destroyed by reason of flood or earthquake, and such damage or destruction is not fully covered by insurance proceeds payable under the insurance policies Landlord is required to carry hereunder (excluding any deductible, for which Landlord shall be responsible), Landlord may terminate this Lease by written notice to City within thirty (30) days of the date Landlord receives written notice that such damage is not covered by insurance. Such notice from Landlord shall include adequate written evidence of the denial of insurance coverage. If Landlord does not elect to terminate this Lease as provided above, the Lease shall remain in full force and effect, and Landlord shall repair and restore the Premises as provided above.

The parties intend that the provisions of this Section govern fully their rights and obligations in the event of damage or destruction, and Landlord and City each hereby waives and releases any right to terminate this Lease in whole or in part under Section 1932, subdivision 2, Section 1933, subdivision 4, and Sections 1941 and 1942 of the Civil Code of California or under any similar law, statute or ordinance now or hereafter in effect, to the extent such rights are inconsistent with the provisions hereof.

13. EMINENT DOMAIN

13.1. Definitions

(a) "Taking" means a taking or damaging, including severance damage, by eminent domain, inverse condemnation or for any public or quasi-public use under law. A Taking may occur pursuant to the recording of a final order of condemnation, or by voluntary sale or conveyance in lieu of condemnation or in settlement of a condemnation action.

(b) "Date of Taking" means the earlier of (i) the date upon which title to the portion of the Property taken passes to and vests in the condemnor or (ii) the date on which Tenant is dispossessed.

(c) "Award" means all compensation, sums or anything of value paid, awarded or received for a Taking, whether pursuant to judgment, agreement, settlement or otherwise.

13.2. General

If during the Term there is any Taking of all or any part of the Premises or any interest in this Lease, the rights and obligations of the parties hereunder shall be determined pursuant to this Section. City and Landlord intend that the provisions hereof govern fully in the event of a Taking and accordingly, the parties each hereby waive any right to terminate this Lease in whole or in part under Sections 1265.10, 1265.40, 1265.120 and 1265.130 of the California Code of Civil Procedure or under any similar law now or hereafter in effect.

13.3. Total Taking; Automatic Termination

If there is a total Taking of the Premises, then this Lease shall terminate as of the Date of Taking.

13.4. Partial Taking; Election to Terminate

(a) If there is a Taking of any portion (but less than all) of the Premises, then this Lease shall terminate in its entirety if all of the following exist: (A) the partial Taking, in City's reasonable judgment, renders the remaining portion of the Premises untenable or unsuitable for continued use by City for its intended purposes or otherwise materially adversely affect City's normal operations in the Premises, (B) the condition rendering the Premises untenable or unsuitable either is not curable or is curable but Landlord is unwilling or unable to cure such condition, and (C) City elects to terminate.

(b) In the case of a partial Taking of a substantial portion of the Building, and if subsection (a) above does not apply, City and Landlord shall each have the right to terminate this Lease by written notice to the other within thirty (30) days after the Date of Taking, provided that, as a condition to City's right to terminate, the portion of the Building taken shall, in City's reasonable judgment, render the Premises unsuitable for continued use by City for its intended purposes or otherwise materially adversely affect City's normal operations in the Premises.

(c) Either party electing to terminate under the provisions of this Section 13.4 shall do so by giving written notice to the other party before or within thirty (30) days after the Date of Taking, and thereafter this Lease shall terminate upon the later of the thirtieth (30th) day after such written notice is given or the Date of Taking.

13.5. Rent; Award

Upon termination of this Lease pursuant to an election under Section 13.4 above, then: (i) City's obligation to pay Rent shall continue up until the date of termination, and thereafter shall cease, except that Rent shall be reduced as provided in Section 13.6 below for any period during which this Lease continues in effect after the Date of Taking, and (ii) Landlord shall be entitled to the entire Award in connection therewith, except that City shall receive that portion of the

Award, if any, made specifically for City's relocation expenses or the interruption of or damage to City's business or damage to City's Personal Property.

13.6. Partial Taking; Continuation of Lease

If there is a partial Taking of the Premises under circumstances where this Lease is not terminated in its entirety under Section 13.4 above, then this Lease shall terminate as to the portion of the Premises so taken, but shall remain in full force and effect as to the portion not taken, and the rights and obligations of the parties shall be as follows: (a) Rent shall be reduced by an amount that is in the same ratio to the Rent as the area of the Premises taken bears to the area of the Premises prior to the Date of Taking, and (b) Landlord shall be entitled to the entire Award in connection therewith, provided that City shall receive any Award made specifically for City's relocation expenses or the interruption of or damage to City's business or damage to City's Personal Property.

13.7. Temporary Taking

Notwithstanding anything to contrary in this Section, if a Taking occurs with respect to the Premises for a limited period of time not in excess of sixty (60) consecutive days, this Lease shall remain unaffected thereby, and City shall continue to pay Rent and to perform all of the terms, conditions and covenants of this Lease. In the event of such temporary Taking, City shall be entitled to receive that portion of any Award representing compensation for the use or occupancy of the Premises during the Term up to the proportion of the total Rent owing by City for the period of the Taking, where such proportion is equal to the proportion of the square footage of the Premises subject to the Taking.

14. ASSIGNMENT AND SUBLETTING

14.1. General

City shall have the right, without Landlord's consent or approval, to use any or all portion of the units in the Premises, as set forth in Section 14.2 below. Subject to Landlord's prior written consent, which consent may not be unreasonably withheld or delayed, City shall have the right to assign its rights and obligations under this Lease, to any person or entity (a) whose activities and business at the Premises shall be comparable in nature to the activities of City at the Premises prior to such Premises assignment, and (b) who shall conduct such activities and business at the Premises pursuant to an agreement with the City and County of San Francisco or other governmental entity, and (c) who shall have experience in the operation and maintenance of affordable housing consistent with the use of the Premises described in this Lease. If Landlord consents to an assignment pursuant to this Section 14.1, then the Rent chargeable to such assignee shall be calculated in accordance with Section 4 of this Lease, and City shall pay Landlord reasonable actual fees, not to exceed Three Thousand Dollars (\$3,000) incurred in connection with the processing of documents necessary to the giving of such consent. No subletting or all or any portion of the Premises or assignment shall release City's obligation or alter the primary liability of City to pay the Rent and to perform all other obligations to be performed by City hereunder, except as otherwise expressly permitted by Landlord in writing. City shall promptly deliver to Landlord a fully executed copy of any assignment or sublease.

14.2. Residents

During the Term, City shall have the right to admit Residents to the Premises. Landlord shall have no right to determine the amount of the monthly rate charged to the residents and clients nor receive any portion of such charges. In addition, Landlord shall have no right to determine the eligible residents. The Residents shall further be described below:

(a) Residents are those from time to time selected by City, in its sole discretion in accordance with the California Code of Regulations, Title 22. With respect to such Residents, Landlord acknowledges that such Residents shall meet eligibility criteria imposed by the City, and that such Residents will include adults who are physically handicapped, developmentally disabled, and/or mentally disabled who require care and are unable to provide for their own daily needs.

14.3. Landlord's Right to Assign

Landlord may assign its rights and obligations under the Lease to any trustee or beneficiary of Landlord upon reasonable advance notice to City, provided that any such assignee expressly assumes all such rights and obligations and agrees to recognize the City's rights as the tenant under this Lease. Any such assignment shall not be subject to Section 3.4 hereof.

15. DEFAULT; REMEDIES

15.1. Events of Default by City

Any of the following shall constitute an event of default by City hereunder:

(a) City's failure to make any timely payment of Rent and to cure such nonpayment within five (5) days after the date when due; provided that with respect to the first monthly payment of Rent after the beginning of each new fiscal year of the City, City shall have twenty (20) days to cure any such nonpayment;

(b) City abandons the Premises (within the meaning of California Civil Code Section 1951.3);

(c) The City is subject to an order for relief by the bankruptcy court, or is unable or admits in writing its inability to pay its debts as they mature or makes an assignment for the benefit of creditors; or the City applies for or consents to the appointment of any receiver, trustee or similar official for it or for all or any part of its property (or any such appointment is made without its consent and the appointment continues undischarged and unstayed for sixty (60) days); or the City institutes or consents to any bankruptcy, insolvency, reorganization, arrangement, readjustment of debt, dissolution, custodianship, conservatorship, liquidation, rehabilitation or similar proceeding relating to it or to all or any part of its property under the laws of any jurisdiction (or any such proceeding is instituted without its consent and continues undischarged and unstayed for sixty (60) days); or any judgment, writ, warrant of attachment or execution or similar process is issued or levied against City's interest in the Premises and is not released, vacated or fully bonded within sixty (60) days after its issue or levy; or

(d) City's failure to perform any other covenant or obligation of City hereunder (not involving the payment of money) and to cure such non-performance within thirty (30) days of the date of receipt of notice thereof from Landlord, provided that if more than thirty (30) days are reasonably required for such cure, no event of default shall occur if City commences such cure within such period and completes such cure within ninety (90) days.

15.2. Landlord's Remedies

Upon the occurrence of any event of default by City that is not cured within the applicable grace period as provided above, Landlord shall have all rights and remedies available pursuant to law or granted hereunder, including the following:

(a) To terminate City's right to possession of the Premises by any lawful means, in which case this Lease shall terminate and City shall immediately surrender possession of the Premises to Landlord. In such event, Landlord shall be entitled to recover from City all damages incurred by Landlord by reason of City's default, including (i) the worth at the time of the award of the unpaid Base Rent, Additional Charges and other charges which Landlord had earned at the time of the termination; (ii) the worth at the time of the award of the amount by which the unpaid Base Rent, Additional Charges and other charges which Landlord would have earned after termination until the time of the award exceeds the amount of such rental loss that City proves Landlord could have reasonably avoided; (iii) the worth at the time of the award of the amount by which the unpaid Base Rent, Additional Charges and other charges which Tenant would have paid for the balance of the Term after the time of the award exceeds the amount of such rental loss that City proves Landlord could have reasonably avoided; and (iv) any other amount necessary to compensate Landlord for all the detriment proximately caused by City's failure to perform its obligation under the Lease or which in the ordinary course of things would be likely to result therefrom. As used in Subsections (i) and (ii), the "worth at the time of the award" is computed by allowing interest on unpaid amounts at the rate of ten percent (10%) per annum, or such lesser amount as may then be the maximum lawful rate. As used in Subsection (iii), the "worth at the time of the award" is computed by discounting such amount at the discount rate of the Federal Reserve bank of San Francisco at the time of the award, plus one (1) percent. If City has abandoned the Premises, Landlord shall have the option of (x) retaking possession of the Premises and recovering from City the amount specified in this Section 15.2(a), or (y) proceeding under Section 15.2(b).

(b) To maintain City's right to possession, in which case this Lease shall continue in effect whether or not City has abandoned the Premises. In such event, Landlord shall be entitled to enforce all of Landlord's rights and remedies under this Lease including the right to recover Base Rent and Additional Charges as they become due;

(c) To pursue any other remedy now or hereafter available to Landlord under the laws or judicial decisions of the State of California.

15.3. Landlord's Default

Subject to any other provisions to the contrary in this Lease, if Landlord fails to perform any of its obligations under this Lease, then (without limiting any of City's other cure rights

under this Lease) City may, at its sole option, cure such default at Landlord's expense if such default continues after thirty (30) days from the date City gives notice to Landlord of City's intention to perform such cure. However, in the case of a default which for causes beyond Landlord's control (excluding any financial inability to perform) cannot with due diligence be cured within such 30-day period, such 30-day period shall be extended if Landlord, promptly upon receipt of City's notice, advises City of Landlord's intention to take all steps required to cure such default, and Landlord promptly commences such cure and diligently prosecutes the same to completion. Subject to the other provisions of this Lease relating to abatement of Rent, if Landlord fails to cure any default within the cure period provided above, then, whether or not City elects to cure Landlord's default as provided herein, the Base Rent and any other charges hereunder shall be abated based on the extent to which such default renders all or any portion of the Premises untenantable. Notwithstanding the foregoing, if any such default by Landlord continues for sixty (60) days and impairs City's ability to carry on its business in the Premises, then City shall have the right to terminate this Lease upon written notice to Landlord within thirty (30) days after the expiration of such 60-day period. City's rights hereunder and under Section 5.2 (Interference with Use) and Section 9.3 (Disruption in Essential Services), shall not limit in any way any of its other rights and remedies hereunder or at law or in equity.

16. INDEMNITIES

16.1. City's Indemnity

In addition to any other remedies which Landlord may have against City, City shall indemnify Landlord against and hold Landlord harmless from any and all costs, expenses, losses, demands, claims or liabilities, including, without limitation, reasonable and actual attorney's fees, court costs and disbursements, arising from: (a) City's use of the Premises; (b) the conduct of City's business or anything else done or permitted by City to be done in or about the Premises; (c) any misrepresentation or breach of warranty by City under this Lease or any breach of the Lease by City; or (d) other acts or omissions of City related to this Lease or City's use of the Premises; provided, however, City shall not be obligated to indemnify Landlord to the extent any Claim arises out of the act or omission of Landlord. City shall defend Landlord against any such cost, expense, loss, demand, claim or liability.

16.2. Landlord's Indemnity

Landlord shall indemnify City and its Agents against any and all Claims incurred as a result of (a) any default by Landlord in the performance of any of its obligations under this Lease or any breach of any representations or warranties made by Landlord under this Lease, or (b) any gross negligence or willful misconduct of Landlord or its Agents in, on or about the Premises or the Property; provided, however, Landlord shall not be obligated to indemnify City or its Agents to the extent any Claim arises out of the act or omission of City or its Agents. In any action or proceeding brought against City or its Agents by reason of any Claim Indemnified by Landlord hereunder, Landlord may, at its sole option, elect to defend such Claim by attorneys selected by Landlord. Landlord shall have the right to control the defense and to determine the settlement or compromise of any action or proceeding, provided that City shall have the right, but not the obligation, to participate in the defense of any such Claim at its sole cost. Landlord's obligations under this Section shall survive the termination of the Lease.

16.3. Limitation on Landlord's Liability

Notwithstanding anything to the contrary in this Lease, Landlord's liability for the performance of its duties and obligations under this Lease is limited to Landlord's interest in the Property, and neither Landlord nor its partners, shareholders, officers, trustees of other principals shall have any personal liability under this Lease. The limitation of Landlord's liability under this Section 16.3 shall not apply to the extent that (a) Landlord receives insurance proceeds applicable to Landlord's obligations under this Lease, and (b) Landlord's liability which results from any fraudulent act on the part of Landlord.

17. INSURANCE

City maintains a program of self-insurance. Landlord agrees that City shall not be required to carry any third party comprehensive general liability insurance or other insurance with respect to this Lease except as expressly set forth in this Section. City, at its sole expense, shall keep the Building (excluding the land upon which it is located) insured against damage and destruction by fire, vandalism, malicious mischief, sprinkler damage and other perils customarily covered under an all risk insurance policy in an amount equal to one hundred percent of the full insurance replacement value thereof, excluding coverages for earthquake or flood.

18. ACCESS BY LANDLORD

Landlord reserves for itself and any designated Agent the right to enter the Premises at all reasonable times and, except in cases of emergency (in which event Landlord shall use commercially reasonable efforts, but shall not be required, to give any prior notice), after giving City at least twenty four (24) hours' advance written or oral notice, for the purpose of (i) inspecting the Premises, (ii) supplying any service to be provided by Landlord hereunder, (iii) showing the Premises to any prospective purchasers, mortgagees or, during the last six (6) months of the Term of this Lease, tenants, (iv) posting notices of non-responsibility, and (v) altering, improving or repairing the Premises and any portion of the Building in accordance with this Lease, and Landlord may for that purpose erect, use and maintain necessary structures in and through the Premises where reasonably required by the character of the work to be performed, provided that the entrance to the Premises shall not be blocked thereby, and further provided that City's use shall not be unreasonably interfered with.

19. ESTOPPEL CERTIFICATES

Either party, from time to time during the Term upon not less than ten (10) days' prior written notice from the other party, shall execute, acknowledge and deliver to the other party, or such persons or entities designated by such other party, a certificate stating: (a) the Commencement Date and Expiration Date of this Lease, (b) that this Lease is unmodified and in full force and effect (or, if there have been modifications, that the Lease is in full force and effect as modified and stating the modifications), (c) that there are no defaults under this Lease (or if so, specifying the same), (d) the date to which Rent has been paid, and (e) any other information that may be reasonably required. If City fails to do so within ten (10) business days after written request, City hereby makes, constitutes and irrevocably appoints Landlord, or any transferee or successor of Landlord, the attorney-in-fact of City to execute and deliver any such instrument or

document. In that case, the Landlord shall promptly provide to the City an executed copy of any such document.

20. SURRENDER OF PREMISES

20.1. Surrender of Premises

Upon the expiration or sooner termination of this Lease, City shall surrender the Premises to Landlord vacant, in good order and condition, reasonable use and wear and damage by fire or other casualty excepted. On or prior to the Expiration Date, City shall remove from the Premises all of City's Personal Property and any Alterations City desires or is required to remove from the Premises pursuant to the provisions of Section 7.1 (Alterations by City), above. City shall repair or pay the cost of repairing any damage to the Premises or the Building resulting from such removal. City represents and warrants that, in its capacity as tenant under this Lease, City's obligations under this Section shall survive the expiration or earlier termination of this Lease.

20.2. Applicability of "Residential Rent Stabilization and Arbitration Ordinance"

City represents and warrants that (a) as of the Commencement Date and during the Term, each of the units in the building will be exempt from the "Residential Rent Stabilization and Arbitration Ordinance" (Chapter 37 of the San Francisco Administrative Code (the "Rent Ordinance")), since the rents for those units will be "controlled or regulated by [a] governmental unit, agency or authority" under Administrative Code Section 37.2(r)(4); and since housing accommodations in hospital, convent, monastery, extended care facility, asylum, residential care or adult day health care facility for the elderly which must be operated pursuant to a license issued by the California Department of Social Service, as required by the California Health and Safety Chapters 3, 2 and 3.3. City's representations and warranties in this Section are subject to any amendments to the Rent Ordinance which may become effective during the Term. City, in its capacity as tenant under this Lease, may in no way limit the discretion of the Board of Supervisors in considering or approving any such amendments.

21. HAZARDOUS MATERIALS

21.1. Definitions

As used in this Lease, the following terms shall have the meanings hereinafter set forth:

(a) "Environmental Laws" shall mean any federal, state, local or administrative law, rule, regulation, order or requirement relating to industrial hygiene, environmental conditions or Hazardous Material, whether now in effect or hereafter adopted.

(b) "Hazardous Material" shall mean any material that, because of its quantity, concentration or physical or chemical characteristics, is deemed by any federal, state or local governmental authority to pose a present or potential hazard to human health or safety or to the environment. Hazardous Material includes, without limitation, any material or substance defined as a "hazardous substance," or "pollutant" or "contaminant" pursuant to the Comprehensive Environmental Response, Compensation and Liability Act of 1980 ("CERCLA", also commonly known as the "Superfund" law), as amended, (42 U.S.C. Sections 9601 et seq.),

or pursuant to Section 25316 of the California Health & Safety Code; any "hazardous waste" listed pursuant to Section 25140 of the California Health & Safety Code; any asbestos and asbestos containing materials whether or not such materials are part of the structure of the Building or are naturally occurring substances on or about the Property; and petroleum, including crude oil or any fraction thereof, natural gas or natural gas liquids.

(c) "Release" when used with respect to Hazardous Material shall include any actual or imminent spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping, or disposing into or inside the Building, or in, on, under or about the Property.

21.2. Landlord's Representations and Covenants

Landlord represents and warrants to City that, to the best of Landlord's knowledge, without any independent inquiry, the following statements are true and correct and will be true and correct as of the Commencement Date (a) the Property is not in violation of any Environmental Laws; (b) the Property is not now, nor has it been, used for the manufacture, use, storage, discharge, deposit, transportation or disposal of any Hazardous Material, except for the use of such substances in such limited quantities as is customary in office or residential use, which limited use has been and is in compliance with Environmental Laws; (c) the Property does not consist of any landfill or contain any underground storage tanks; (d) the Building does not consist of any non-encapsulated asbestos-containing materials or building materials that contain any other Hazardous Material; (e) the Premises and the common areas of the Building do not contain any lead-based paints that have not been painted over by non lead-based paint; (f) there is no Release of any Hazardous Material in the Building or in, on or under the Property; and (g) the Property is not subject to any claim by any governmental regulatory agency or third party related to the Release of any Hazardous Material, and there is no inquiry by any governmental agency (including, without limitation, the California Department of Toxic Substances Control or the Regional Water Quality Control Board) with respect to the presence of Hazardous Material in the Building or in, on, or under the Property, or the migration of Hazardous Material from or to other real property. In performing its obligations under this Lease, Landlord shall comply with all Environmental Laws applicable to such obligations that could affect the health, safety and welfare of City's employees or City's use, occupancy or enjoyment of the Premises for their intended purposes.

21.3. Landlord's Environmental Indemnity

Without limiting Landlord's Indemnity in Section 16.2 (Landlord's Indemnity), above, Landlord shall indemnify City and its Agents against any and all Claims arising during or for a period of three (3) years after expiration of the Term of this Lease (a) as a result of any breach of any of Landlord's representations, warranties or covenants in the preceding Section, or (b) in connection with any presence or Release of Hazardous Material in the Building or on, or under the Property, unless City, its Subtenants or its Agents caused such Release.

21.4. City's Covenants

The City agrees to comply with all Environmental Laws related to its use of the Property. Neither City nor its Agents shall cause any Hazardous Material to be brought upon, kept, used, stored, generated or disposed of in, on or throughout the Premises or the Property, or transported to or from the Premises or the Property, in violation of any Environmental Laws, provided that City may use such substances in such limited amounts as is customary in office or residential use so long as such use is in compliance with all applicable Environmental Laws. In the event Landlord, in its reasonable judgment, has reason to believe that any Hazardous Substances have been brought upon, used or disposed of in or about the Premises by City, its Subtenants or its Agents with or without Landlord's consent, Landlord shall be entitled, at reasonable intervals during the Term, in Landlord's sole discretion, to have an environmental audit report, including, without limitation, a Phase I and Phase II report, performed, the costs and expenses of which shall be the sole responsibility of and paid by Landlord within twenty (20) days after receipt of written demand from landlord. City shall reimburse Landlord for the reasonable and actual costs of such report(s) if and to the extent Tenant has caused or permitted such Hazardous Substances to have been brought upon, used or disposed of in or about the Premises.

21.5. City's Environmental Indemnity

If City breaches its obligations contained in the preceding Section 21.4, or if City or its Agents cause the Release of Hazardous Material from, in, on or about the Premises or the Property (collectively, a "Hazardous Materials Violation"), then City shall indemnify Landlord against any and all Claims arising during or after the Term of this Lease as a result of any Hazardous Materials Violation, except to the extent Landlord or its Agents is responsible for the Hazardous Materials Violation. The City's obligations under this Section shall include defending Landlord against any cost, expense, loss, demand, claim or liability, including, without limitation, reasonable and actual attorneys' fees and disbursements and costs incurred in connection with any investigation of site conditions or any cleanup, remediation, removal or restorative work required by any federal, state or local governmental agency or political subdivision resulting from a Hazardous Materials Violation. The foregoing indemnity shall not include any Claims resulting from the non-negligent aggravation by City, its Agents or Invitees or Subtenants of physical conditions of the Premises, or other parts of the Property, existing prior to City's occupancy.

22. DEPOSIT

On or prior to **FEBRUARY 15, 2001**, City shall deposit with Landlord one-half (1/2) of the sum specified as the maintenance and damage deposit in the Basic Lease Information (the "Maintenance and Damage Deposit"), in cash, to secure Tenant's faithful performance of all terms, covenants and conditions of this Lease. City shall deposit with Landlord the remaining one-half (1/2) of the Maintenance and Damage Deposit on or before **MAY 15, 2001**. Landlord shall hold the Maintenance and Damage Deposit in a separate interest-bearing account, as security for the performance by Tenant of all of its obligations under this Lease. If Tenant fails to pay Base Rent or other charges when due hereunder, or is otherwise in default under any provision of this Lease, then following the expiration of any applicable notice and cure periods the Landlord may use, apply or retain all or any portion of the Maintenance and Damage Deposit, and any accrued interest thereon, for the payment of any actual Base Rent or other actual charge in default, or to compensate Landlord for any actual loss or damage which

Landlord may suffer thereby. City agrees to deposit with Landlord, within thirty (30) days of when utilized by Landlord, any portion of the Maintenance and Damage Deposit utilized by Landlord for eligible costs under this Section. If Tenant performs all of Tenant's obligations hereunder, the Maintenance and Damage Deposit and all accrued interest thereon, or so much of the deposit and such accrued interest as has not theretofore been applied by Landlord in accordance with this Section, shall be returned to Tenant within thirty (30) days after the later of (i) the expiration or earlier termination of the Term, and (ii) the date on which Tenant has vacated the Premises. Tenant acknowledges that Landlord has the right to transfer its interest to the Premises, the Building and this Lease, and Tenant agrees that in the event of any such transfer pursuant to which the transferee assumes the obligations of Landlord under this Lease, Landlord shall transfer the Maintenance and Damage Deposit to the transferee and upon actual transfer of the Maintenance and Damage Deposit to transferee and written notice to Tenant of such transfer by either Landlord or transferee then thereafter Landlord shall be released by Tenant from all liability or obligation for the return of the Maintenance and Damage Deposit and Tenant agrees to look solely to such transferee of the return of the Maintenance and Damage Deposit.

23. GENERAL PROVISIONS

23.1. Notices

Except as otherwise specifically provided in this Lease, any notice given under this Lease shall be in writing and given by delivering the notice in person or by commercial courier, or by sending it by first-class mail, certified mail, return receipt requested, or Express Mail, return receipt requested, with postage prepaid, to: (a) City at Tenant's address set forth in the Basic Lease Information; or (b) Landlord at Landlord's address set forth in the Basic Lease Information; or (c) such other address as either Landlord or City may designate as its new address for such purpose by notice given to the other in accordance with this Section. Any notice hereunder shall be deemed to have been given and received two (2) days after the date when it is mailed if sent by first-class, certified mail, one day after the date when it is mailed if sent by Express Mail, or upon the date personal delivery is made.

23.2. No Implied Waiver

No failure by either party to insist upon the strict performance of any obligation of the other party under this Lease or to exercise any right, power or remedy consequent upon a breach thereof shall constitute a waiver of any such breach or of such term, covenant or condition. No acceptance of full or partial Rent by Landlord while City is in default hereunder shall constitute a waiver of such default by Landlord. No express written waiver of any default or the performance of any provision hereof shall affect any other default or performance, or cover any other period of time, other than the default, performance or period of time specified in such express waiver. One or more written waivers of a default or the performance of any provision hereof shall not be deemed to be a waiver of a subsequent default or performance. The consent of Landlord or City given in one instance under the terms of this Lease shall not relieve the other party of any obligation to secure the consent to any other or future instance under the terms of the Lease.

23.3. Force Majeure

The occurrence of any of the following events shall excuse performance of such obligations of Landlord or City as are rendered impossible to perform while such event continues: strikes; lockouts; labor disputes; acts of God; inability to obtain labor, materials or reasonable substitutes therefor; governmental restrictions, regulations or controls; judicial orders; enemy or hostile governmental actions; civil commotions; fire or other casualty; and other causes beyond the reasonable control of the party obligated to perform. The occurrence of such events shall excuse performance only in the event that the party to be excused from performance has provided notice to the other party within thirty (30) days after the occurrence or commencement of the event or events.

23.4. Amendments

Neither this Lease nor any terms or provisions hereof may be changed, waived, discharged or terminated, except by a written instrument signed by the party against which the enforcement of the change, waiver, discharge or termination is sought. No waiver of any breach shall affect or alter this Lease, but each and every term, covenant and condition of this Lease shall continue in full force and effect with respect to any other then-existing or subsequent breach thereof. Whenever this Lease requires or permits the giving by City of its consent or approval, the Director of Property, or his or her designee shall be authorized to provide such approval, except as otherwise provided by applicable law, including the Charter. Any amendments or modifications to this Lease, including, without limitation, amendments to or modifications to the exhibits to this Lease, shall be subject to the mutual written agreement of Landlord and City and may be made upon the sole approval of the Director of Property, or his or her designee; provided, however, material amendments or modifications to this Lease (i) changing the legal description of the Premises, (ii) increasing the Term, (iii) increasing the Rent, (iv) changing the general use of the Premises from the use authorized under Section 5.1 of this Lease, and (v) any other amendment or modification which materially increases the City's liabilities or financial obligations under this Lease shall additionally require the approval of the City's Board of Supervisors.

23.5. Authority

Landlord represents and warrants to City that the execution and delivery of this Lease by Landlord has been duly authorized and does not violate any provision of any agreement, law or regulation to which Landlord or the Property is subject.

23.6. Parties and Their Agents; Approvals

If applicable, the word "Landlord" as used in this Lease shall include the plural as well as the singular. As used in this Lease, the term "Agents" when used with respect to either party shall include the agents, employees, officers and contractors of such party. All approvals, consents or other determinations permitted or required by City under this Lease shall be made by or through City's Director of Property unless otherwise provided in this Lease, subject to any applicable limitations in the City's Charter and Administrative Code.

23.7. Interpretation of Lease

The captions preceding the articles and sections of this Lease and in the table of contents have been inserted for convenience of reference only and such captions shall in no way define or limit the scope or intent of any provision of this Lease. This Lease has been negotiated at arm's length and between persons sophisticated and knowledgeable in the matters dealt with herein and shall be interpreted to achieve the intent and purposes of the parties, without any presumption against the party responsible for drafting any part of this Lease. Except as otherwise specifically provided herein, wherever in this Lease Landlord or City is required or requested to give its consent or approval to any matter or action by the other, such consent or approval shall not be unreasonably withheld or delayed and the reasons for disapproval of consent shall be stated in reasonable detail in writing. Provisions in this Lease relating to number of days shall be calendar days, unless otherwise specified, provided that if the last day of any period to give notice, reply to a notice or to undertake any other action occurs on a Saturday, Sunday or a bank or City holiday, then the last day for undertaking the action or giving or replying to the notice shall be the next succeeding business day. Use of the word "including" or similar words shall not be construed to limit any general term, statement or other matter in this Lease, whether or not language of non-limitation, such as "without limitation" or similar words, are used.

23.8. Successors and Assigns

Subject to the provisions of Section 14 relating to assignment and subletting, the terms, covenants and conditions contained in this Lease shall bind and inure to the benefit of Landlord and City and, except as otherwise provided herein, their personal representatives and successors and assigns. There are no third-party beneficiaries to this Lease, including but not limited to any management agent with which the City may contract for management of the Premises.

23.9. Management

The City intends to contract with a management agent for the management of the Premises in accordance with this Lease. However, the City's obligations under this Lease are not contingent on the existence or validity of any such arrangement. In the event of any inconsistency between the terms of this Lease and any management contract, the terms of this Lease shall control.

23.10. Brokers

Neither party has had any contact or dealings regarding the leasing of the Premises, or any communication in connection therewith, through any licensed real estate broker or other person who could claim a right to a commission or finder's fee in connection with the lease contemplated herein, except for the broker, if any, identified in the Basic Lease Information, whose commission, if any is due, shall be the sole responsibility of Landlord pursuant to a separate written agreement between Landlord and such broker, and City shall have no liability therefor. In the event that any other broker or finder perfects a claim for a commission or finder's fee based upon any such contact, dealings or communication, the party through whom the broker or finder makes his claim shall be responsible for such commission or fee and shall indemnify the other party from any and all Claims incurred by the indemnified party in defending against the same. The provisions of this Section shall survive any termination of this Lease.

23.11. Severability

If any provision of this Lease or the application thereof to any person, entity or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Lease, or the application of such provision to persons, entities or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each other provision of this Lease shall be valid and be enforceable to the full extent permitted by law.

23.12. Governing Law

This Lease shall be construed and enforced in accordance with the laws of the State of California and the City's Charter.

23.13. Entire Agreement

The parties intend that this Lease (including all of the attached exhibits, which are made a part of this Lease) shall be the final expression of their agreement with respect to the subject matter hereof and may not be contradicted by evidence of any prior or contemporaneous written or oral agreements or understandings. The parties further intend that this Lease shall constitute the complete and exclusive statement of its terms and that no extrinsic evidence whatsoever (including prior drafts hereof and changes therefrom) may be introduced in any judicial, administrative or other legal proceeding involving this Lease.

23.14. Attorneys' Fees

In the event that either Landlord or City fails to perform any of its obligations under this Lease or in the event a dispute arises concerning the meaning or interpretation of any provision of this Lease, the defaulting party or the party not prevailing in such dispute, as the case may be, shall pay any and all costs and expenses incurred by the other party in enforcing or establishing its rights hereunder (whether or not such action is prosecuted to judgment), including, without limitation, court costs and reasonable attorneys' fees. For purposes of this Agreement, reasonable fees of attorneys of City's Office of the City Attorney shall be based on the fees regularly charged by private attorneys with the equivalent number of years of experience in the subject matter area of the law for which the City Attorney's services were rendered who practice in the City of San Francisco in law firms with approximately the same number of attorneys as employed by the Office of the City Attorney.

23.15. Holding Over

Should City hold over in possession of the Premises after the expiration of the Term with Landlord's consent, such holding over shall not be deemed to extend the Term or renew this Lease, but such tenancy thereafter shall continue as a month-to-month tenancy. Such tenancy shall be on all the terms and conditions set forth in this Lease and at the monthly Base Rent in effect during the last month of the Term of the Lease or such other rental as Landlord and City may mutually agree in writing as a condition to Landlord's consent to such holding over, and City shall continue as a month-to-month tenant until the tenancy shall be terminated by Landlord giving City or City giving Landlord at least thirty (30) days' prior written notice of termination. Should City hold over, the rent payable by City during the period of such holding over shall be

one hundred fifty percent (150%) of the monthly Base Rent in effect during the last month of the Term of this Lease, and such tenancy shall otherwise be on the terms and conditions contained herein, except that the Term of this Lease shall be on a month-to-month basis. In the event City holds over in possession of the Premises after expiration of the Term, City agrees to indemnify Landlord for any costs reasonably and actually incurred by Landlord as a direct result of the City's holding over.

23.16. Cumulative Remedies

All rights and remedies of either party hereto set forth in this Lease shall be cumulative, except as may otherwise be provided herein.

23.17. Time of Essence

Time is of the essence with respect to all provisions of this Lease in which a definite time for performance is specified.

23.18. Survival of Indemnities

Termination of this Lease shall not affect the right of either party to enforce any and all indemnities and representations and warranties given or made to the other party under this Lease, nor shall it effect any provision of this Lease that expressly states it shall survive termination hereof. Each party hereto specifically acknowledges and agrees that, with respect to each of the indemnities contained in this Lease, the indemnitor has an immediate and independent obligation to defend the indemnitees from any claim which actually or potentially falls within the indemnity provision even if such allegation is or may be groundless, fraudulent or false, which obligation arises at the time such claim is tendered to the indemnitor by the indemnitee and continues at all times thereafter.

23.19. Signs/Structures

(a) City may erect or post signs on or about the Premises subject to Landlord's prior approval as provided below. Landlord reserves the right to review the placement, design, and plan for any such sign prior to its erection or posting and agrees that the approval thereof shall not be unreasonably withheld or delayed.

(b) Landlord may erect a satellite dish on the roof of the Premises, provided that the installation and operation of the satellite dish does not materially and adversely interfere with the tenantability of the Premises. Landlord may place advertising signs on the northern and western exteriors of the Premises subject to the City's prior written consent, which consent shall not be unreasonably withheld or delayed. City shall not be required to consent to any advertisement which would in the City's reasonable judgment be incompatible with the City's use and New Subtenants' occupancy of the Premises.

23.20. Quiet Enjoyment and Title

Landlord covenants and represents that it has full right, power and authority to grant the leasehold estate hereunder, and covenants that City, upon paying the Rent hereunder and

performing the covenants hereof, shall peaceably and quietly have, hold and enjoy the Premises and all appurtenances during the full Term of this Lease as against all persons or entities claiming by and through Landlord or on account of any action, inaction or agreement of Landlord or its Agents. Without limiting the provisions of Section 16.2 (Indemnities), Landlord agrees to indemnify City and its Agents against Claims arising out of any assertion that would interfere with City's right to quiet enjoyment as provided in this Section.

23.21. Bankruptcy

Landlord represents and warrants to City that Landlord has neither filed nor been the subject of any filing of a petition under the federal bankruptcy law or any federal or state insolvency laws or laws for composition of indebtedness or for the reorganization of debtors, and, to the best of Landlord's knowledge, no such filing is threatened. Landlord and City agree that City's leasehold estate created hereby includes, without limitation, all rights to receive and enjoy all services, facilities and amenities of the Premises and the Building as provided herein, and that if any of such services, facilities or amenities are terminated, or materially limited or restricted on account of any such case or proceeding, or for any other reason, then in addition to any other remedies provided in this Lease, City shall have the right to contract directly with any third-party provider of such services, facilities or amenities to obtain the same.

23.22. Transfer of Landlord's Interest

Landlord shall have the right to transfer its interest in the Property, the Building or this Lease as described in 3.3 (d). In the event of any such transfer, Landlord shall be relieved, upon notice to City of the name and address of Landlord's successor, of any obligations accruing hereunder from and after the date of such transfer and upon delivering to City an express assumption by the transferee of all of Landlord's obligations hereunder.

23.23. Non-Liability of City Officials, Employees and Agents

Notwithstanding anything to the contrary in this Agreement, no elective or appointive board, commission, member, officer, employee or agent of City shall be personally liable to Landlord, its successors and assigns, in the event of any default or breach by City or for any amount which may become due to Landlord, its successors and assigns, or for any obligation of City under this Lease, except and to the extent of any gross negligence or willful misconduct of any such individual or entity.

23.24. MacBride Principles - Northern Ireland

The City and County of San Francisco urges companies doing business in Northern Ireland to move toward resolving employment inequities and encourages them to abide by the MacBride Principles as expressed in San Francisco Administrative Code Section 12F.1, et seq. The City and County of San Francisco also urges San Francisco companies to do business with corporations that abide by the MacBride Principles. Landlord acknowledges that it has read and understands the above statement of the City and County of San Francisco concerning doing business in Northern Ireland.

23.25. Controller's Certification of Funds

The terms of this Lease shall be governed by and subject to the budgetary and fiscal provisions of the Charter of the City and County of San Francisco. Notwithstanding anything to the contrary contained in this Lease, there shall be no obligation for the payment or expenditure of money by City under this Agreement unless the Controller of the City and County of San Francisco first certifies, pursuant to Section 3.105 of the Charter of the City and County of San Francisco, that there is a valid appropriation from which the expenditure may be made and that unencumbered funds are available from the appropriation to pay the expenditure. Without limiting the foregoing, if in any fiscal year of City after the fiscal year in which the Term of this Lease commences, sufficient funds for the payment of Rent and any other payments required under this Lease are not appropriated, then City may terminate this Lease, without penalty, liability or expense of any kind to City, as of the last date on which sufficient funds are appropriated. City shall use its reasonable efforts to give Landlord reasonable advance notice of such termination.

23.26. Prevailing Wages for Construction Work

Landlord agrees that any person performing labor in the construction of any leasehold improvements or other improvements to the Premises which Landlord provides under this Lease shall be paid not less than the highest prevailing rate of wages and that Landlord shall include, in any contract for construction of such improvements, a requirement that all persons performing labor under such contract shall be paid not less than the highest prevailing rate of wages for the labor so performed. Landlord further agrees that, as to the construction of such improvements under this Lease, Landlord shall comply with all the provisions of subsection (b) of San Francisco Charter Section A7.204 and Section 6.22 of the San Francisco Administrative Code that relate to payment of prevailing wages. Landlord shall require any contractor to provide, and shall deliver to City every two weeks during any construction period, certified payroll reports with respect to all persons performing labor in the construction of any Leasehold Improvements or other improvements to the Premises.

23.27. Non Discrimination in City Contracts and Benefits Ordinance

(a) Covenant Not to Discriminate

In the performance of this Lease, Landlord covenants and agrees not to discriminate on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, sex, sexual orientation, gender identity, domestic partner status, marital status, disability, height, weight or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status) against any employee or, any City employee working with, or applicant for employment with, Landlord in any of Landlord's operations within the United States, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations operated by Landlord.

(b) Subcontracts

Landlord shall include in all subcontracts relating to the Premises a non-discrimination clause applicable to such subcontractor in substantially the form of subsection (a)

above. In addition, Landlord shall incorporate by reference in all subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k) and 12C.3 of the San Francisco Administrative Code and shall require all subcontractors to comply with such provisions. Landlord's failure to comply with the obligations in this subsection shall constitute a material breach of this Lease.

(c) Non-Discrimination in Benefits

Landlord does not as of the date of this Lease and will not during the Term, in any of its operations in San Francisco or where the work is being performed for the City elsewhere in the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits specified above within the United States, between employees with domestic partners and employees with spouses, and/or between domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the condition set forth in Section 12.B2(b) of the San Francisco Administrative Code.

(d) HRC Form

As a condition to this Lease, Landlord shall execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" form (Form HRC-12B-101) with supporting documentation and secure the approval of the form by the San Francisco Human Rights Commission (the "HRC"). Landlord hereby represents that prior to execution of the Lease: (i) Landlord executed and submitted to the HRC Form HRC-12B-101 with supporting documentation, and (ii) the HRC approved such form.

(e) Incorporation of Administrative Code Provisions by Reference

The provisions of Chapters 12B and 12C of the San Francisco Administrative Code relating to non-discrimination by parties contracting for the lease of property to City are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Landlord shall comply fully with and be bound by all of the provisions that apply to this Lease under such Chapters of the Administrative Code, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Landlord understands that pursuant to Section 12B.2(h) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Lease may be assessed against Landlord and/or deducted from any payments due Landlord.

23.28. Tropical Hardwood and Virgin Redwood Ban

(a) Except as expressly permitted by the application of Sections 12I.3.b and 12I.4.b of the San Francisco Administrative Code, neither Landlord nor any of its contractors shall provide any items to City in the construction of leasehold improvements or otherwise in the performance of this Lease which are tropical hardwoods, tropical hardwood wood products, virgin redwood, or virgin redwood wood products.

(b) The City and County of San Francisco urges companies not to import, purchase, obtain or use for any purpose, any tropical hardwood or tropical hardwood product.

(c) In the event Landlord fails to comply in good faith with any of the provisions of Section 12I of the San Francisco Administrative Code, Landlord shall be liable for liquidated damages for each violation in any amount equal to Landlord's net profit on the contract, or five percent (5%) of the total amount of the contract dollars, whichever is greatest. Landlord acknowledges and agrees that the liquidated damages assessed shall be payable to the City and County of San Francisco upon demand and may be set off against any monies due to Landlord from any contract with the City and County of San Francisco.

23.29. Bicycle Storage Facilities

Section 155.1 of the San Francisco Planning Code ("Code") requires the City to provide, at no cost to Landlord and if City funds are available, bicycle storage at all City-leased buildings for City employees occupying the building and/or members of the public when the City's premises are open to the public. In the event public or private donations, grants or other funds become available at any time during the Term, City shall have the option, by giving a 60-day advance written notice to Landlord, to include parking stalls which meet the requirement of the Code in the Premises; provided that City may not make any structural changes to the Premises without Landlord's prior consent. Landlord, at no cost to Landlord, shall reasonably cooperate with City regarding implementation of the Code.

23.30. Counterparts

This Lease may be executed in two or more counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument.

23.31. Effective Date
