14 (b) General Findings.

15 (1) On March 3, 2026, the Board of Supervisors adopted Resolution No. 107-
16 26, initiating landmark designation of the John J. Clark House as a San Francisco landmark
17 pursuant to Section 1004.1 of the Planning Code. On March 6, 2026, the Mayor approved the
18 resolution. Said resolution is on file with the Clerk of the Board of Supervisors in File No.
19 260060.

20 (2) Pursuant to Charter Section 4.135, the Historic Preservation Commission
21 has authority “to recommend approval, disapproval, or modification of landmark designations
22 and historic district designations under the Planning Code to the Board of Supervisors.”

23 (3) The Landmark Designation Fact Sheet dated May 20, 2026 was prepared
24 by Planning Department Preservation staff. All preparers meet the Secretary of the Interior’s
25 Professional Qualification Standards for historic preservation program staff, as set forth in

1 Code of Federal Regulations Title 36, Part 61, Appendix A. The report was reviewed for

22 210 Douglass Street, Assessor’s Parcel Block No. 2691, Lot No. 002, is hereby designated as

25

1 Section 3. Required Data.

2 (a) The description, location, and boundary of the landmark site consists of the
3 footprint of the John J. Clark House, located on Assessor’s Parcel Block No. 2601, Lot No.
4 002, on the west side of Douglass Street between Caselli Avenue and 18th Street in San
5 Francisco’s Corbett Heights neighborhood, as shown in the Landmark Designation Fact
6 Sheet.

7 (b) The characteristics of the landmark that justify its designation are described and
8 shown in the Landmark Designation Fact Sheet and other supporting materials contained in
9 Planning Department Record Docket No. 2026-002394DES. In brief, the John J. Clark House,
10 located at 210 Douglass Street, is eligible for local designation as one of the earliest extant
11 Corbett Heights properties and a unique expression of a Chalet style home in San Francisco.
12 Until the arrival of the streetcar in 1892 and the reliable availability of water in 1895,
13 development in Corbett Heights was sparse. The property was constructed in 1885 and thus
14 is associated with early development of the neighborhood. The home was designed by
15 Architect John J. Clark, who also designed the All Hallows Catholic Church in the Bayview
16 District. The first known resident was Arthur Gruenberg, general manager of Golden Gate
17 Champagne Company. The property has been subject to few street visible alterations and
18 maintains a high degree of integrity.

19 (c) The particular features that should be preserved, or replaced in kind as determined
20 necessary, are those generally shown in photographs and described in the Landmark
21 Designation Fact Sheet, which can be found in Planning Department Record Docket No.
22 2026-002394DES, and which are incorporated in this designation by reference as though fully
23 set forth herein. This designation does not identify any interior character-defining features.
24 Specifically, the features that are character-defining and shall be preserved or replaced in kind
25

1 are the exterior elevations, form, massing, structure, rooflines, architectural ornament, and
2 materials of the original portion property, identified as:

- 3 (1) Location of the house on property with front setback;
- 4 (2) Two-story height;
- 5 (3) Tongue-in-groove home with vertical siding in pediment above row of scallops;
- 6 (4) Frieze of squared medallions and eyelets under eaves at pediment gabled;
- 7 (5) Front facing gabled roof;
- 8 (6) Double hung wood windows with ogee lugs, gabled hoods over lower windows;
- 9 (7) Vertical siding under windows hoods to match pediment; and
- 10 (8) Entrance portico with gabled hood, with double entry doors and transom.

11
12 Section 4. Effective Date.

13 This ordinance shall become effective on the 31st day after enactment. Enactment
14 occurs when the Mayor signs the ordinance, the Mayor returns the ordinance unsigned or
15 does not sign the ordinance within ten days of receiving it, or the Board of Supervisors
