11 housewives shopping, the light of foot dancing; it brought food, news, mail, visitors and
12 doctors, in short, it became to the residents as indisputably a part of their lives as their
13 toothbrushes. It was used as a freighter by federal prison industries as a rescue boat to
14 sailors in distress and a gun boat in search of prisoners; it was a link in the transfer and
15 discharge of inmates; it was one of the forces around which local activities revolved." * and

3 Harbor for the Warden Johnston as an historic vessel.
