Hi Mike,

I connected with my colleague and she let me know we have not heard any objections to the license. I read the report and since the police department does not object, our office is ok with the license as well.

I do want to clarify that our office does not agendize these items at the Public Safety and Neighborhood Services Committee. You will need to work with them to get it confirmed on their agenda per your timing.

Thanks,

Dear Supervisor Farrell et all,

We are writing with the hope that our project can be placed on the agenda for next weeks committee meeting. Lt Falzon and Sgt. George of the Alcohol Liaison Unit have been extremely gracious in trying to get our project review completed so we could make this meeting since peak tourism season is upon us. Derek Evens advised us to request that the Committee forward the resolution as a Committee Report to the full Board so that we could be ready for the tourists.

Being mindful that this is "Budget Season" we have tried not to be too bothersome. We have been attempting to keep your office informed about our project by first calling and then stopping in personally almost 2 months ago and following up with emails to the email address provided us (farrellstaff@sfgov.org). Apparently this is not the preferred email address for this project (see email thread below).

Since we received no negative feedback from either the police or the community we would appreciate it if we could get on next weeks committee agenda so that we can be ready for tourist season at Ghirardelli Square.

Respectfully,
Adelaide and Mike Pollastro

Dear Supervisor Farrell and Staff,

We are following up on our project for the double transfer of Liquor License #21-57621 to Pacific Retail VFC1, Inc. dba Vom Fass Oils Vinegars Spirits located in Ghirardelli Square. Lt. Falzon of the Alcohol Liaison Unit visited us last Wednesday with a representative of the ABC. As far as we know, we have completed all required reviews and submittals. We are hopeful that we can receive our license before tourist season but we are realistic and understand that this may not be possible.

It has been recommended to us that we ensure our project maintains visibility with Supervisor Ferrell and that our project has his support before it is placed on a meeting agenda. We are more than willing to meet personally with Supervisor Farrell or any designated staff member to present our project and explain its merits.

However, we are fully aware that this is "Budget Season" and like all budgeting periods we are certain everyone is in a full court press with topics more broad-reaching and far more important than ours. Thus we want to be respectful of your time and will follow your guidance. If the information provided thus far is sufficient, please let us know. If you believe that we need to present personally or provide additional information please let us know that as well.

Respectfully,

Adelaide and Mike Pollastro

Dear Supervisor Farrell and Staff,

About three weeks ago we submitted the documentation to the Board of Supervisors as required for our application for a double transfer of Liquor License #21-57621 to Pacific Retail VFC1, Inc. dba Vom Fass Oils Vinegars Spirits. We are located in historic Ghirardelli Square. We have attached a "letter of support" for our license from Ghirardelli Square Management.

After submitting our application I stopped by Supervisor Farrell's office to introduce myself and make the office aware of our project. We appreciate the gracious and helpful way that we have been treated by both Supervisor Ferrell's office and by the Clerk's Office and look forward to our project being placed on the Board of Supervisors agenda for review.

By the time you receive this email we should be at the end of our 30 day posting period. Additionally, we have completed our mailings to local residents and we have recently received planning department approval for our license (Ghirardelli Square is zoned C2). Our ultimate hope is that our license can be approved before peak tourist season.

Please do not hesitate to contact me if you have any questions.

Re: Vom Fass Liquor License Application| File: 150421

I am strongly in support of our tenant, Vom Fass, seeking a liquor license for their location at Ghirardelli Square, 900 North Point Street suite E – 205. In obtaining the Type 21 – Off Sale General license, they will be able to generate more revenue and draw in a larger, more diverse customer base.

Ghirardelli Square is currently experiencing a 45% vacancy, which has created a challenge for smaller tenants like Vom Fass. Mr. and Mrs. Pollastro will benefit greatly from a Type 86 – Instructional Tasting License, and a Type 21 – Off Sale General license by expanding their offering to include spirits and liqueurs as a supplement to the wide variety of quality oils, spices and vinegars they currently offer.

Due to new Ghirardelli Square ownership by Jamestown Premier Fund, there is a lot of progress being made at the square, which is encouraging for small local businesses, like Vom Fass. Our intent is to give small local businesses a platform to succeed, while maintaining First Class Standards. We are excited for the initiative Mr. and Mrs. Pollastro have taken and happily support their efforts to expand and grow their venture.

Sincerely,

Marissa Lomeli

Dear Board of Supervisors,

We respectfully request your support in obtaining a double transfer of Liquor License #21-57621 from Herbert Fong and James Kui Louie (both deceased) with the license address 736 Divisadero to Pacific Retail VFC1, Inc. (dba Vom Fass Oils Vinegars Spirits) at Ghirardelli Square, 900 North Point Street E205, San Francisco, CA 94109.

We have the Type 21 license in escrow with Capital Trust Escrow 280 S. Beverly Drive, Beverly Hills, CA 90212. We have paid all applicable fees for the transfer and all funds for purchase of the license are in escrow. The widows selling the license are in need of funds and did not even have funds to pay the renewal. We had to pay the renewal fee out of our pocket as the license was already in penalty.

Currently we are doing business as Vom Fass Oils Vinegars Spices. We are seeking to add wine and spirits to our product line with the new dba Vom Fass Oils Vinegars Spirits. We have submitted the request for the new dba with the County Clerk, paid all fees and published the public notice as required. We are in the publication period now.

The business is owned and operated by me, Michael j. Pollastro, and my wife Alaide (Adelaide) Batista Pollastro. We have been in business since August of 2013. Our hours of operation are Sunday through Thursday 10 AM until 7 pm during off-season and 10 AM until 9 PM Fridays and Saturdays year round as well as Mondays through Thursdays during peak season. We stay open a little later during events and if the Square is unusually busy. The hours will remain the same when we add spirits and wine.

We have the exclusive right to market Vom Fass products in San Francisco and Santa Clara Counties. We currently offer Vom Fass [translates as 'from the cask' in German] oils, vinegars, and spices. As a core aspect of the business model, sampling from the cask is paramount. Vom Fass has a full line of Spirits, which we do not currently carry, primarily, because capital costs to purchase both the Type 47 license for on sale tasting and Type 21 licenses for off sale are too high to be profitable for a store of our size (800 square feet).

However, our brand has such enthusiasm for our location in Ghirardelli Square they have allowed special dispensation for us by relaxing their tasting rules such that we can add Vom Fass Spirits while

remaining in accordance with state law. With our Type 21 license and some modest reconfiguration of our store, which the ABC has reviewed, we will be able to accommodate instructional tastings using a Type 86 license. We plan to offer regularly scheduled instructional tastings of our fine Spirits along with our oils and vinegars. This creates a unique gourmet tasting experience like no other.

We believe that there is "public convenience necessity" because many patrons, both local and tourists are excited to see our well established and reputable Vom Fass brand in our location only to be disappointed that we do not have the Vom Fass line of Spirits. Adding Spirits and wine will enhance our unique tasting experience in Ghirardelli Square and delight people who know the Vom Fass world-wide reputation for quality. Fortunately, at present my wife and my staff work hard to ensure our patrons leave happy, but not without some difficulty and much disappointment due to our lack of Spirits. Some of the most inviting and memorable products are the Spirits that our patrons have enjoyed internationally. The addition of the spirits will benefit our location and add to city tax revenue."

With Ghirardelli Square under new ownership/management and in a state of continued renovation, daily traffic has been affected. Not only will this help us be true to our brand by offering the entire Vom Fass line, the additional revenue from spirits and wine will ensure our success. It should also increase our employment and allow our staff to earn higher wages since they are on a daily sales driven bonus plan.

The management at Ghirardelli Square fully supports this upgrade to our store because Vom Fass is a respected worldwide brand that enhances the Square's attraction for tourists and adds to the revitalization of Ghirardelli Square so that locals can also enjoy it. Adding spirits will help increase tourist traffic for the Square and also bring in locals for our one-of-a kind product that we believe San Franciscans will appreciate. The quality of our Spirits is both exquisite and unique. They are a true value for their price, though they are not inexpensive.

This upgrade to our store will have no negative impact in the community as it is inside Ghirardelli Square at the Plaza level and does not face the street. Thus it will enhance the experience of those visiting the Square without affecting the neighbors. San Francisco City Planning has reviewed our project and because we are in C2 zoning with 2 other alcohol based business we do not need a conditional use permit. We have also had a preliminary site inspection by San Francisco Police Officer Duarte and the required ABC site inspection was completed by Mr. Risel Melodias this week. We estimate that Spirits will increase our taxable sales by 500% or more since most of our current sales are not taxable because they are classified as food products. The added tax revenue for the city will come primarily from tourists.

Being able to better accommodate tourists, who know the Vom Fass product from its European following, will not only increase the local community's tax base but will subsidize access to products not available elsewhere in San Francisco. We will not be competing with local package stores as we will sell primarily Vom Fass products plus a few other unique and exquisite brands targeted at tourists and upscale patrons of the Fairmont Hotel next door to us. These brands are not usually stocked by corner package stores. For example we plan to handle a few of the best tequilas and our wines will be mostly **organic** wines primarily from the local regions such as Sonoma and Napa. We, unlike any other Vom Fass stores world-wide, carry local California olive oil and we are committed to supporting the local economy while also catering to the European tastes of San Franciscans. Only open for 19 months we are already contributors to the SF Food Bank and the Aquatic Park Senior Center. We believe we can do more to support our community if we have can achieve improved profitability from sales of spirits and wine.

Currently we are doing business as Vom Fass Oils Vinegars Spices. We are seeking to add wine and spirits to our product line with the new dba Vom Fass Oils Vinegars Spirits. We have submitted the request for the new dba with the County Clerk, paid all fees and published the public notice as required. We are in the publication period now.

The business is owned and operated by me, Michael j. Pollastro, and my wife Alaide (Adelaide) Batista Pollastro. We have been in business since August of 2013. Our hours of operation are Sunday through Thursday 10 AM until 7 pm during off-season and 10 AM until 9 PM Fridays and Saturdays year round as well as Mondays through Thursdays during peak season. We stay open a little later during events and if the Square is unusually busy. The hours will remain the same when we add spirits and wine.

We have the exclusive right to market Vom Fass products in San Francisco and Santa Clara Counties. We currently offer Vom Fass [translates as 'from the cask' in German] oils, vinegars, and spices. As a core aspect of the business model, sampling from the cask is paramount. Vom Fass has a full line of Spirits, which we do not currently carry, primarily, because capital costs to purchase both the Type 47 license for on sale tasting and Type 21 licenses for off sale are too high to be profitable for a store of our size (800 square feet).

However, our brand has such enthusiasm for our location in Ghirardelli Square they have allowed special dispensation for us by relaxing their tasting rules such that we can add Vom Fass Spirits while remaining in accordance with state law. With our Type 21 license and some modest reconfiguration of our store, which the ABC has reviewed, we will be able to accommodate instructional tastings using a Type 86 license. We plan to offer regularly scheduled instructional tastings of our fine Spirits along with our oils and vinegars. This creates a unique gourmet tasting experience like no other.

We believe that there is "public convenience necessity" because many patrons, both local and tourists are excited to see our well established and reputable Vom Fass brand in our location only to be disappointed that we do not have the Vom Fass line of Spirits. Adding Spirits and wine will enhance our unique tasting experience in Ghirardelli Square and delight people who know the Vom Fass world-wide reputation for quality. Fortunately, at present my wife and my staff work hard to ensure our patrons leave happy, but not without some difficulty and much disappointment due to our lack of Spirits. Some of the most inviting and memorable products are the Spirits that our patrons have enjoyed internationally. The addition of the spirits will benefit our location and add to city tax revenue."
