4 Section 1. Findings Regarding Street and Public Service Easement Vacations.

5 (a) California Streets and Highways Code Sections 8300 et seq., and San Francisco
6 Public Works Code Section 787(a) set forth the procedures that the City and County of San
7 Francisco (the "City") follows to vacate public streets and public service easements.

8 (b) On _____, 2022, the Board of Supervisors adopted Resolution No. _____ (the
9 "Resolution of Intention"), being a resolution declaring the intention of the Board of Supervisors
10 to (i) vacate a portion of Griffith Street and a portion of Hudson Avenue, generally bounded by
11 Assessor's Block 4629A Lot 010 and a portion of Hudson Avenue and Block 4646, Lot 001 and
12 Block 4646, Lot 002 and Block 4646, Lot 003 and a portion of Innes Avenue and a portion of
13 Griffith Street and Block 4645, Lot 010 and a portion of Hudson Avenue and Block 4630, Lot
14 002 and a portion of Galvez Avenue (the "Street Vacation Area"), and (ii) to vacate 10' public
15 utility easements that were dedicated on the Map of India Basin Business Park that was filed
16 May 4, 1988, in Book Y of maps, at Pages 18 and 19 but never accepted by the City (collectively,
17 the "Public Utility Easements"), affecting portions of Block 4607, Lots 024 and 025; Block 4620,
18 Lots 001 and 002 (Lot 002 more recently referred to by the City as Lots 004 and 005); Block
19 4621, Lot 100; Block 4606, Lot 026; Block 4631, Lots 001 and 002, and Block 4644, Lots 009
20 and 010 (collectively, the "Easement Vacation Area"). A copy of said Resolution is on file with
21 the Clerk of the Board in File No. _____, and is incorporated herein by reference.

22 (c) The Street Vacation Area is shown in Public Works SUR Map No. 2022-001, sheet
23 1, and the Easement Vacation Area is shown in Public Works SUR Map No. 2022-002, sheet
24 1. Copies of said maps are on file with the Clerk of the Board in File No. _____ and are
25 incorporated herein by reference.

1 (d) The Clerk of the Board of Supervisors did transmit to the Director of Public Works
2 (the "Director") a certified copy of the Resolution of Intention, and the Director did cause notice
3 of adoption of such resolution to be posted in the manner required by law as demonstrated by
4 the affidavit of posting on file with the Clerk of the Board in File No. _____.

5 (e) When such matter was considered as scheduled by the Board of Supervisors at
6 its regular meeting in the Legislative Chambers of City Hall, San Francisco, as specified in the
7 Resolution of Intention, on _____, at 3:00 p.m., the Board heard public testimony about the
8 vacation of the Street Vacation Area and the Easement Vacation Area.

9 (f) The vacation of the Street Vacation Area, and the jurisdictional transfer of the
10 Street Vacation Area from Public Works to the Recreation and Park Department, is necessary
11 to implement the 900 Innes Avenue Park Development at India Basin, a project that would
12 transform a post-industrial brownfield site into a 21st century legacy park in a historic waterfront
13 context, with an emphasis on habitat/wetland restoration and enhancement, public access,
14 resiliency to sea level rise, social equity, and waterfront recreation. The 900 Innes Avenue Park
15 Development project would serve a historically underserved southeast San Francisco
16 community and support a contiguous 1.5-mile waterfront open space and trail network, as well
17 as connect a total of 64 acres of shoreline from Heron's Head Park to the future Northside Park.
18 The project would further connect these spaces to the Blue Greenway and create a segment of
19 the San Francisco Bay Trail that would provide pedestrian and bicycle connections from the
20 Embarcadero all the way to Candlestick Point. Specifically, the project would combine the
21 existing India Basin Shoreline Park and 900 Innes Avenue into one grand 10-acre waterfront
22 park development that would include six major zones including the neighborhood edge, the
23 historic shorewalk, the marineway, the sage slopes, the marsh edge, and the boatyard, and
24 also includes a significant segment of the Bay Trail.

1 (g) The Map of India Basin Business Park that was filed May 4, 1988, in Book Y of
2 maps, at Pages 18 and 19, dedicated the Unaccepted Public Utility Easements affecting the
3 Easement Vacation Area. No public utility easement facilities were ever installed within the
4 Easement Vacation Area and the City never accepted the dedication of these Public Utility
5 Easements. The Board of Supervisors now wishes to formally vacate the Easement Vacation
6 Area in accordance with applicable laws, in order to implement the 700 Innes and India Basin
7 Open Space portions of the India Basin Mixed Use Project. These portions at completion would
8 include approximately 1,575 dwelling units, 209,000 square feet of nonresidential space, and
9 1,800 parking spaces, and would also include approximately 15.5 acres of publicly accessible
10 open space, and a new network of streets and pedestrian paths.

11 (h) The Director prepared Public Works (“PW”) Order No. _____, dated _____, 2022,
12 regarding the vacations and other actions contemplated in this ordinance. In the PW Order, the
13 Director found that: (1) the proposed street vacations do not deprive any private landowner of
14 access to the built public street grid; (2) the Street Vacation Area and the Easement Vacation
15 Area are currently no longer necessary for the City’s present or prospective public street,
16 sidewalk, or public utility or service easement purposes; (3) in accordance with California
17 Streets and Highways Code Sections 892 and 8314, the rights-of-way and parts thereof
18 proposed for vacation are currently no longer useful as a non-motorized transportation facility,
19 as defined in California Streets and Highways Code Section 887; and (4) the consent of all
20 property owners adjacent to the Street Vacation Area and within the Easement Vacation Area
21 was obtained. A copy of PW Order _____ is on file with the Clerk of the Board of Supervisors
22 in File No. _____, and incorporated herein by reference.

23 (i) Based on the findings in the PW Order, the Director recommends that the Board
24 of Supervisors adopt this ordinance to vacate the Street Vacation Area as shown on SUR Map
25 No. 2022-001, sheet 1, and the Easement Vacation Area as shown on SUR Map No. 2022-002,

1 sheet 1. The Board of Supervisors adopts as its own, the recommendations of the Director in
2 PW Order _____, concerning the vacation of the Street Vacation Area and Easement Vacation
3 Area, and other actions in furtherance thereof.

4 Section 2. Planning Code, General Plan Consistency, and CEQA Findings.

5 (a) The India Basin Mixed-Use Project was analyzed under Case No. 2014-002541
6 pursuant to the California Environmental Quality Act (California Public Resources Code
7 Sections 21000 et seq.). On July 26, 2018, the Planning Commission certified the Final
8 Environmental Impact Report (Motion No. 20247) and adopted CEQA Findings, including a
9 statement of overriding considerations (Motion No. 20248).

10 (b) In Planning Commission Resolution No. 20250, also adopted on July 26, 2018,
11 the Planning Commission found that the India Basin Mixed-Use Project, including the 900 Innes
12 Avenue Park Development and including the street vacations, land acquisition, and
13 conveyances, are consistent with the General Plan. A copy of said Resolution is on file with
14 the Clerk of the Board in File No. _____ and is incorporated by reference herein. The Board
15 of Supervisors adopts as its own the consistency findings of Resolution No. 20250.

16 (c) On October 16, 2018, the Board of Supervisors approved Motion No. M18-136
17 (File No. 180842) affirming the Planning Commission's certification of the Final EIR prepared
18 for the India Basin Mixed-Use Project. The Board of Supervisors in Resolution No. _____
19 adopted the Planning Commission's CEQA Findings as its own. Copies of said motion and
20 resolution are on file with the Clerk of the Board of Supervisors in File No. 171286, and are
21 incorporated herein by reference.

22 (d) Further, in a letter dated May 1, 2019 (the "Planning Letter"), the Planning
23 Department confirmed that the proposed vacations and other actions contemplated in this
24 ordinance are consistent with the General Plan and with the Eight Priority Policies of City
25 Planning Code Section 101.1. The Planning Department confirmed that the vacations and other

1 actions contemplated herein are within the scope of the project evaluated under the Final EIR
2 prepared for the India Basin Mixed-Use Project. A copy of said letter is on file with the Clerk of
3 the Board in File No. _____ and is incorporated by reference herein. The Board of
4 Supervisors adopts as its own the consistency findings of the Planning Letter.

5 (e) All of the India Basin Mixed-Use Project documents are on file with the Clerk of
6 the Board of Supervisors in File Nos. 180841 (regarding the CEQA appeal), 180842 (affirming
7 the CEQA determination), 180816 (amending the General Plan), 180680 (amending the
8 Planning Code and Zoning Map), and 180681 (approving a Development Agreement). The
9 Board of Supervisors finds that no substantial changes are proposed by the actions
10 contemplated in this ordinance, nor by the circumstances under which these actions are
11 undertaken that would cause new significant environmental effects or any increase in the
12 severity of previously identified significant effects. The Board further finds that there is no new
13 information of substantial importance showing that the approvals contemplated herein would
14 have any significant effects not discussed in the environmental and approval documents for the
15 India Basin Mixed-Use Project, or that significant effects would be substantially more severe,
16 or that new or different mitigation measures or alternatives would substantially reduce one or
17 more significant effects of that project. Consequently, the Board hereby adopts the Planning
18 Department's environmental findings in the India Basin Mixed-Use Project as its own for
19 purposes of this ordinance.

20
21 Section 3. Ordering Street and Public Utility Easement Vacation.

23 Order No. _____ and hereby vacates the Street Vacation Area, as shown on SUR Map No.
24 2022-001, sheet 1, pursuant to California Streets and Highways Code Sections 8300 et seq.

1 and San Francisco Public Works Code Section 787(a), and upon satisfaction of the terms,
2 conditions, and reservations as set forth in this ordinance.

3 (b) The Board of Supervisors approves the recommendations and findings in PW
4 Order No. _____ and hereby vacates the Easement Vacation Area, as shown on SUR Map No.
5 2022-002, sheet 1, upon satisfaction of the terms, conditions, and reservations as set forth in
6 this ordinance.

7 (c) The Board of Supervisors finds that the Street Vacation Area and the Easement
8 Vacation Area are unnecessary for present or prospective public use, subject to the conditions
9 described in this ordinance.

10 (d) The public interest, convenience, and necessity require that the vacations be
11 done as declared in this ordinance.

12 (e) On recordation of this ordinance, the vacations shall be effective without any
13 further action by the Board of Supervisors. No quitclaim deeds are required to effectuate the
14 vacations.

20 Area from Public Works to the Recreation and Park Department, and directs the Director of the

1 The Board of Supervisor authorizes the Clerk of the Board, the Port Director, the Director

9 the satisfaction of the conditions.

Existing Law

California Streets and Highways Code sections 8300 et seq. and Public Works Code section 787(a) govern the process for the vacation of City streets and public service easements.

Amendments to Current Law

This legislation would vacate portions of Griffith Street, Hudson Avenue, Innes Avenue, and Galvez Avenue, as depicted in the Public Works SUR Map No. 2022-001, incorporated by reference into the legislation (the "Street Vacation Area"). It would also vacate 10' public utility easements that were dedicated on the Map of India Basin Business Park that was filed May 4, 1988, as depicted in Public Works SUR Map No. 2022-002, also incorporated by reference into the legislation (the "Easement Vacation Area").

The ordinance orders the interdepartmental property transfer of the Street Vacation Area from Public Works to the Recreation and Park Department, and directs the Director of the Division of Real Estate to modify the City's records concerning City property ownership and jurisdiction accordingly.

The ordinance affirms the Planning Department's determination under the California Environmental Quality Act and adopt findings that the legislative actions are consistent with the San Francisco General Plan and eight priority policies of San Francisco Planning Code section 101.1. The ordinance also authorizes official acts in connection with its implementation, such as transmittal of the ordinance by the Clerk of the Board of Supervisors to the Assessor Recorder for recording.

Background Information

In 2018, the Board of Supervisors approved a series of entitlements for the India Basin Mixed-Use Project, including the 900 Innes Avenue Park Development and a Development Agreement for the property at 700 Innes Avenue. Those entitlements anticipated the vacation of certain streets within the project site.

This ordinance effectuates some of the street and easement vacations necessary to implement the Park Development and Development Agreement. Specifically, the vacation of the Street Vacation Area, and the jurisdictional transfer of the Street Vacation Area from Public Works to the Recreation and Park Department, is necessary to implement the 900 Innes Avenue Park Development at India Basin, a project that would transform a post-industrial brownfield site into a 21st century legacy park in a historic waterfront context, with an emphasis on habitat/wetland restoration and enhancement, public access, resiliency to sea level rise, social equity, and waterfront recreation. Vacation of the Easement Vacation Area, on the other hand, is necessary to implement the 700 Innes and India Basin Open Space portions of the India Basin Mixed Use Project.
