Re: File 180096

Dear Ms. Somera,

I have reviewed your correspondence from February 6, 2018 regarding the resolution proposing to change the 1600 block of Galvez Avenue to "Sam Jordan's Way".

The San Francisco Fire Department has no objections to the proposal and is in support of the resolution.

When the resolution is passed, my recommendation is that the Department of Emergency Management be contacted in order for the street name change to be entered into the Computer Assisted Dispatch (CAD) system.

If I can provide additional information regarding this issue, please do not hesitate to contact me at (415) 558-3401.

Very truly yours,

Joanne Hayes-White
Chief of Department
