| <b>MEMO NUMBER: 09-008</b>  | <b>ISSUED BY: Executive Office</b> |

**PURPOSE**

To establish a policy to clarify acts that are considered fraudulent, describe steps to be taken in the event fraud is suspected, and assign responsibility for the conduct of investigations.

**POLICY**

The Victim Compensation and Government Claims Board (VCGCB) is committed to protecting its assets against the risk of loss. Accordingly, it is the policy of the VCGCB to identify and promptly investigate any irregularity, or suspected irregularity, involving claimants, providers of service, employers, insurance companies, representatives, outside agencies doing business with the VCGCB, consultants, VCGCB employees, and/or any other parties that have a business relationship with the VCGCB.

The VCGCB will pursue every reasonable effort to obtain recovery of the losses from the offender or other appropriate sources.

**ACTIONS  
CONSTITUTING  
FRAUD**

Fraud is defined as any intentional act or omission designed to deceive others, resulting in an individual suffering a loss and/or the perpetrator achieving a gain. Other terms such as defalcation, misappropriation, and other irregularities refer to, but are not limited to:

- Any dishonest or fraudulent act.
- Any violation of Federal, State, or Local laws related to fraud.
- Misappropriation of State assets.
- Forgery, unauthorized alteration, destruction, or manipulation of computer-related data or documents.
- Impropriety in the handling or reporting of money or financial transactions.
- Profiteering as a result of insider knowledge of VCGCB activities.
- Disclosing confidential and proprietary information to outside parties.
- Accepting or seeking anything of material value from those doing business with the VCGCB.

**INVESTIGATION  
RESPONSIBILITIES**

The Office of Audits and Investigations (OAI) has the primary responsibility for the investigation of all suspected fraudulent acts as defined in this policy. Throughout the investigation, the Chief Internal Auditor will inform the Executive Officer of pertinent investigative findings.

Any investigative activity required will be conducted objectively regardless of the suspected individual's position, title, length of service or relationship to the VCGCB.

If the investigation substantiates that fraudulent activities have occurred, the Chief Internal Auditor will document the results in a confidential memorandum report to the Executive Officer, the Chief Deputy Executive Officer, Chief Legal Counsel, and the appropriate Deputy Executive Officer(s). Decisions to prosecute or refer the investigation results to the appropriate law enforcement and/or regulatory agencies for independent investigation will be made in conjunction with Legal Counsel and Executive Management, as will final decisions on disposition of the case.

**CONFIDENTIALITY**

It is the intent of the VCGCB management to maintain the confidentiality, to the extent possible, of any employee reporting any suspected improper or illegal activity. VCGCB management will be alert and responsive to any reprisal, retaliation, threat, or similar activity against an employee because that employee has in good faith reported a suspected fraudulent activity.

Further, the OAI treats all information received confidentially. Any employee who suspects dishonest or fraudulent activity should notify his or her supervisor/manager or the Chief Internal Auditor immediately, and should not attempt to personally conduct investigations or interviews/interrogations related to any suspected fraudulent act (see **Reporting Procedure** section below). When the employee believes his or her supervisor/manager is involved in the fraudulent activity, the employee should contact the Chief Internal Auditor directly.

Investigation results will not be disclosed or discussed with anyone other than those who have a legitimate need to know. This is important in order to maintain the integrity of the investigation, to avoid damaging the reputations of persons suspected but subsequently found innocent of wrongful conduct, and to protect the VCGCB from potential liability.

**DISTINCTION  
FROM OTHER  
POLICIES**

Other issues concerning an employee's moral, ethical, or behavioral conduct should be resolved by the employee's supervisor/manager and the manager of the Human Resources Section rather than the OAI. Also, this policy is not intended to address employee work performance issues which should be directed to the employee's supervisor/manager.

If there is any question as to whether an action constitutes fraud, please contact any OAI members for guidance.

**AUTHORIZATION  
FOR  
INVESTIGATING  
SUSPECTED  
FRAUD**

The Executive Officer designates the OAI as the unit responsible for investigating any suspected fraud. The OAI is independent from administering any program, fiscal activity, or operation within the VCGCB.

Members of the OAI will have:

- Free and unrestricted access to all relevant VCGCB manual, electronic records, and physical property.
- Communication with any personnel deemed appropriate in the course of an investigation.

**REPORTING  
PROCEDURES**

Great care must be taken in the investigation of suspected fraudulent act(s) so as to avoid mistaken accusations or alerting suspected individuals that an investigation is under way.

Any employee who suspects any fraudulent act(s) will immediately report it to his or her supervisor/manager. If the supervisor/manager is notified, he or she should determine whether it was an error or mistake or if a fraudulent activity has occurred. An Investigation Referral Form should be completed to report the suspected fraudulent activity to the OAI. A copy of this form is attached and is also accessible on the VCGCB's Intranet.

The reporting individual should be informed of the following:

- Do not contact the suspected individual in an effort to determine facts.
- Do not discuss the case, facts, suspicions, or allegations with anyone unless specifically asked to do so by the OAI or the Legal Office.

Employees and supervisors/managers should not attempt to conduct individual investigations, interviews, or interrogations.

The Chief Internal Auditor will coordinate all investigations with the Legal Office and other affected areas, both internal and external.

All inquiries concerning the activity under investigation from the suspected individual, his or her attorney or representative, or any other inquirer should be directed to the OAI.

No information concerning the status of an investigation will be given out. The proper response to any inquiries is, "I am not at liberty to discuss this matter." Under no circumstances should any reference be made to "the allegation," "the crime," "the fraud," "the forgery," "the misappropriation," or any other specific reference.

**CONTACT**

For any questions about this policy you may contact your supervisor/manager, Chief Internal Auditor at (916) 491-3875, or Audit Manager at (916) 491-3590.

If the person is employed part-time, show the hourly rate and the number of hours devoted to the program (e.g., \$25/hour for 10 hours per month = \$250) or the monthly salary and the percentage of time devoted to the program (e.g., 50% x \$2,500 = \$1,250).

### Fringe Benefits

Elements that can be included in the fixed rate include employer contributions or expenses for social security, employee life and health insurance plans, unemployment insurance and/or pension plans. Other benefits, if negotiated as a part of the employee benefit package, also may be included in the fixed rate.

The description and amounts of fringe benefits can be displayed either by category, position or class. Please note that a line item can be used for each different position/class, if the benefits vary. If several people are employed full-time or part-time in the same position/class, provide the number of full-time equivalents.

### Operating Expenses

The following items fall within this category: rent, utilities, insurance, equipment rental, equipment repair, office supplies, telephone, postage, expendable equipment, overhead, data processing, training and travel. All items submitted must include a description or explanation of the expense.

The following subcategories have special requirements as noted below.

#### Rent

The rent subcategory is for facility rental. Indicate the number of square feet specified in the agreement as well as the rental amount.

#### Office Supplies

A request for office supplies in excess of \$500 per PY requires a justification for the entire amount of expenditures.

#### Expendable Equipment (Non-capitalized assets)

Expendable equipment includes equipment with an acquisition cost of \$499 or less per unit (including tax, installation and freight) or with a useful life of less than five years. Provide a detailed description and indicate the number of pieces of equipment being purchased.

#### Note

Although equipment is included in the budget, **ALL** equipment for which the county requests reimbursement from the Board must be requested in writing by the county and approved in writing by the Board **prior to purchase**. All requests must be submitted on the ***Equipment Purchase Justification/Authorization Request*** form. Further, the Board reserves the option of not reimbursing for equipment that is not requested and approved in writing prior to purchase.

Overhead/Indirect Costs

Overhead costs are indirect costs which cannot be charged to a direct cost category because they are not readily itemized or assignable to a particular program. Overhead costs are costs necessary to the operations specified in the agreement. The costs of centralized County services such as personnel or accounting services are examples of indirect costs. For further information, please refer to Exhibit D.6.

Travel

The Contractor may use either its own written travel and per diem policy or the State policy in accordance with State Administrative Manual Section 0700 but it cannot exceed reimbursement rate of the State's travel policy. The State's travel policy is included in the contract by reference to internet site [www.dpa.ca.gov/personnel-policies/travel/main.htm](http://www.dpa.ca.gov/personnel-policies/travel/main.htm).

Allowable travel expenses are costs for transportation, lodging, meals and incidental items incurred by the Contractor staff to attend training classes, conferences, meetings, workshops or hearings. Out-of-state travel is not authorized.

Describe the purpose of the trip and list all personnel who made the trip. If applicable, show any computation if mileage is being claimed. For example, if the Program Director attended a conference in Sacramento, 100 miles @ 0.55 per mile = \$55.00.

Equipment (Capitalized Assets)

Capitalized assets include equipment with an acquisition of \$500 or more per unit (including tax, installation and freight) or with a useful life of five years or more. Examples of such equipment are copiers, personal computers (including the monitors and CPU) and "modular furniture". Provide a detailed description and indicate the number of pieces of equipment being purchased.

For information regarding authorization to purchase equipment, please see notation under Equipment (Non-capitalized assets).

Miscellaneous Expenses

Miscellaneous expenses are those charges that do not fall within the scope of the categories listed above. Provide a detailed description and breakdown of any expense identified as miscellaneous.
