1. **§302(c)(4)(A)** Describe the manner in which allocated funds will be used for eligible activities.

The City and County of San Francisco (City) Mayor's Office of Housing and Community Development (MOHCD) intend to use the PLHA allocation for project based rental assistance to subsidize households at 15% and 25% AMI levels. Specifically, MOHCD intends to subsidize units that are restricted to 50% AMI to 60% AMI rents in the City portfolio in order to support households at 15% and 25% AMI levels. PLHA funds will be used to pay the delta between the 50% and 60% AMI rents and the 15% or 25% AMI household's portion of rent, for a period of 15 years. The PLHA funds would also be used to fund a transition reserve for projects identified to utilize the PLHA funds. The reserve is equal to year 16 subsidy amounts for the project.

2. **§302(c)(4)(B)** Provide a description of the way the Local government will prioritize investments that increase the supply of housing for households with incomes at or below 60 percent of Area Median Income (AMI).

Given the estimated amount of funds available for the PLHA in the first year, this activity could subsidize, at minimum, 35 units of housing at 15% or 25% AMI levels in the 1st year at 60% AMI levels. Subsequent years of allocation could subsidize another 170 units. MOHCD expects to bring on 413 of new housing units in 2020, of which 85% are estimated at between 50% and 60% AMI rents. Only 53 units are below @ 30% AMI, and very few of these units are served by an operating subsidy. The City's housing portfolio could easily target lower income AMIs in conjunction with the PLHA subsidy. This will open up housing opportunities for households that generally have been underserved within the current housing market and also due to the higher income targeting of the City's traditional affordable housing financing limitations.

3. **§302(c)(4)(C)** Provide a description of how the Plan is consistent with the programs set forth in the Local Government's Housing Element.

This plan is consistent with the City and County of San Francisco's Housing Element plan as well as the City's 5 year Consolidated plan. As noted in the 2014 Housing Element, low income household tend to overpay as more of their income is spent on housing, particularly as housing costs rise. This is exacerbated for extremely low income households. Project-based rental assistance will allow households to limit their rent contributions to a reasonable level.

4. **§301(a)(1)** The predevelopment, development, acquisition, rehabilitation, and preservation of multifamily, residential live-work, rental housing that is affordable to extremely low-, very low-, low-, or moderate-income households, including necessary Operating subsidies.

- a. **§302(c)(4)(E)(i)** Provide a description of how allocated funds will be used for each proposed Affordable Rental Housing Activity.

In 2020, MOHCD has approximately 352 units of affordable housing coming on line for households earning between 50% AMI and 60% AMI. As affordable housing projects approach construction completion, MOHCD and the project sponsor will identify units between 50% and 60% AMI rents that will be marketed to households making 15-20% AMI. MOHCD will provide the rental subsidy directly to the Sponsor through an agreement for 15 years, including a 1 year

transition reserve. As is standard City policy, all developments will have a 55 year Declaration of Restriction placed on the property to ensure ongoing affordability.

5. **§302(c)(4)(E)(iii)** A description of major steps/actions and a proposed schedule for the implementation and completion of the Activity.

MOHCD has extensive experience developing, funding and implementing other City funded project based rental subsidies, most notably the Local Operating Subsidy Program (\$12 million annually in City Funds in 2020-2021). Under this program, MOHCD would:

- o identify projects under construction currently
- o obtain approval from lenders/investors
- o seek Board of Supervisors approval, if applicable
- o amend marketing, services and Fair Housing plans
- o execute necessary contract(s) before lease up start, in order to market units at the 15% and 25% AMI levels.

Below is the project activity breakdown per the allocation workbook, using transition reserves in the application numbers and accounting for a 5% admin

§302(c)(4) Plan

Rev. 5/20/20

§302(c)(4)(A) Describe the manner in which allocated funds will be used for eligible activities.

The City and County of San Francisco (City) Mayor's Office of Housing and Community Development (MOHCD) intend to use the PLHA allocation for project based rental assistance to subsidize households at 15% and 25% AMI levels. Specifically, MOHCD intends to subsidize units that are restricted to 50% AMI to 60% AMI rents in the City portfolio in order to support households at 15% and 25% AMI levels. PLHA funds will be used to pay the delta between the 50% and 60% AMI rents and the 15% or 25% AMI household's portion of rent, for a period of 15 years. The PLHA funds would also be used to fund a transition reserve for projects identified to utilize the PLHA funds. The reserve is equal to year 16 subsidy amounts for the project.

§302(c)(4)(B) Provide a description of the way the Local government will prioritize investments that increase the supply of housing for households with incomes at or below 60 percent of Area Median Income (AMI).

Given the estimated amount of funds available for the PLHA in the first year, this activity could subsidize, at minimum, 38 units of housing at 15% or 25% AMI levels in the 1st year at 60% AMI levels. Subsequent years of allocation could subsidize another 170 units. MOHCD expects to bring on 413 of new housing units in 2020, of which 85% are estimated at between 50% and 60% AMI rents. Only 53 units are below @ 30% AMI, and very few of these units are served by an operating subsidy. The City's housing portfolio could easily target lower income AMIs in conjunction with the PLHA subsidy. This will open up housing opportunities for households that generally have been underserved within the current housing market and also due to the higher income targeting of the City's traditional affordable housing financing limitations.

§302(c)(4)(C) Provide a description of how the Plan is consistent with the programs set forth in the Local Government's Housing Element.

This plan is consistent with the City and County of San Francisco's Housing Element plan as well as the City's 5 year Consolidated plan. As noted in the 2014 Housing Element, low income household tend to overpay as more of their income is spent on housing, particularly as housing costs rise. This is exacerbated for extremely low income households. Project-based rental assistance will allow households to limit their rent contributions to a reasonable level.

§302(c)(4)(E)(i) Provide a description of how allocated funds will be used for each proposed Affordable Rental Housing Activity.

In 2020, MOHCD has approximately 352 units of affordable housing coming on line for households earning between 50% AMI and 60% AMI. As affordable housing projects approach construction completion, MOHCD and the project sponsor will identify units between 50% and 60% AMI rents that will be marketed to households making 15-20% AMI. MOHCD will provide the rental subsidy directly to the Sponsor through an agreement for 15 years, including a 1 year transition reserve. As is standard City policy, all developments will have a 55 year Declaration of Restriction placed on the property to ensure ongoing affordability.

If a single Activity will be assisting households at more than one level of Area Median Income, please list the Activity as many times as needed to capture all of the AMI levels that will be assisted, but only show the percentage of annual funding allocated to the Activity one time (to avoid double counting).

In consultation with stakeholders, the California Department of Housing and Community Development (Department) may adopt Guidelines to implement this Section, including determining allocation methodologies. Any guideline, rule, policy, or standard of general application employed by the Department in implementing this chapter shall not be subject to the requirements of the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Title 2 Government Code, Part 1 of Division 3).

INTRODUCTION

Chapter 364, Statutes of 2017 (SB 2, Atkins) was part of a 15-bill housing package aimed at addressing the state's housing shortage and high housing costs. Specifically, it establishes a permanent source of funding intended to increase the affordable housing stock in California. The revenue from SB 2 will vary from year to year, as revenue is dependent on real estate transactions with fluctuating activity. The legislation directs the California Department of Housing and Community Development (Department) to use 70 percent of the revenue collected, beginning in calendar year 2019, to provide financial assistance to local governments for eligible housing-related projects and programs to assist in addressing the unmet housing needs of their local communities. This program is hereafter referred to as the Permanent Local Housing Allocation (PLHA) program.

Guidelines for the PLHA program are organized into five Articles as follows:

Article I. General provisions: This article includes information on the purpose of the Guidelines, program objectives, and definitions used throughout the document.

Article II. Program funding: This article describes allocation formulas and methodologies, and award amounts.

Article III. Formula allocation component: This article describes the requirements for Applicants to apply for funds under the formula allocation of the PLHA program.

Article IV. Competitive allocation component: This article describes requirements and uses for PLHA competitive allocation funds.

Article V. Administration: This article describes administrative functions such as terms, non-performance remedies, and reporting and monitoring requirements.

ARTICLE I. GENERAL PROVISIONS

Section 100. Purpose and Scope

- (a) These Guidelines (hereinafter “Guidelines”) implement, interpret, and make specific Chapter 364, Statutes of 2017 (SB 2, Atkins - hereinafter “SB 2”) as authorized by Health and Safety Code (HSC) Section 50470, which created the Building Homes and Jobs Trust Fund and the PLHA program. The principal goal of this program is to make funding available to eligible local governments in California for housing-related projects and programs that assist in addressing the unmet housing needs of their local communities. Twenty percent of the funding in the Building Homes and Jobs Trust Fund is required to be expended for Affordable Owner-Occupied Workforce Housing, and the program prioritizes investments that increase the supply of housing to households that are at or below 60 percent of the Area Median Income (AMI), adjusted for household size.
- (b) These Guidelines establish terms, conditions, and procedures for local governments to submit applications to the Department for funds from the PLHA program’s three components, as listed below:
 - (1) Entitlement formula component per HSC 50470(b)(2)(B)(i)(I)
 - (2) Non-entitlement formula component per HSC 50470(b)(2)(B)(i)(II)
 - (3) Non-entitlement competitive grant program component per HSC 50470(b)(2)(B)(i)(I) (eligible Applicants are the same as for component 2 above)
- (c) The non-entitlement competitive grant program component prioritizes assistance to persons experiencing or At risk of homelessness.

ARTICLE II. PROGRAM FUNDING

Section 200. Allocations

(1) Ninety percent of the moneys available shall be allocated based on the formula used under Federal law to allocate CDBG funds within California. This is the formula specified in Title 42 United States Code (USC), Section 5306.

(A) The amount of funds awarded to each Local government eligible for the entitlement formula component shall be determined by the 90 percent of PLHA funds available pursuant to this paragraph (1) and the percentage of funds received by the entitlement Local government in the CDBG federal fiscal year 2017 allocation process performed by HUD.

(B) Through the formula specified in paragraph (1), the percentage of funds allocated to Non-entitlement local governments shall be distributed to Non-entitlement local governments through a competitive grant program.

(2) Ten percent of the moneys available shall be allocated equitably among Non-entitlement local governments. (c) It is recommended that Local governments that were urban counties in accordance with the distribution of funds pursuant to the formula specified in 42 USC, Section 5306 for the federal fiscal year 2017 provide a proportional share of their allocations to Local governments within their county with which they had a three-year Urban County Cooperation Agreement as of September 1, 2017, provided that these Local governments meet the threshold requirements of the PLHA and expend sub-allocated funds for eligible activities within the deadlines of the Standard Agreement governing the sub-allocation.

NOTE: Authority cited: HSC Section 50470, subdivision (d). Reference cited: HSC Section 50470, subdivision (b)(2)(B).

Section 201. Award Amounts

- (b) The maximum application amount and the minimum application amount for the competitive allocation will be stated in the NOFA.
- (c) An Applicant may apply for its formula allocation from the current and two prior NOFAs for which it did not receive an award, provided that the award meets the requirements of Section 304(a).

Housing Authority Financial Reports, Redevelopment Reports, and other similar reports will not be accepted as meeting this requirement. If uncertain of the status of the report submittal for a Local government, please contact the Department for more information.
- (c) Submit, by the deadline specified in the NOFA, on a form made available by the Department, a complete application which shall meet the following minimum requirements:
 - (1) Application requests an allocation pursuant to Section 200 in order to carry out one or more of the eligible activities described in Section 301. Except for a jointly funded project as described in Section 301(c), any activities must be carried out within the jurisdiction of the Applicant Local government.
 - (2) Submission of the application is authorized by the governing boards of the Applicant.
 - (3) Certification in the resolution that, if the Local government proposes allocation of funds for any Activity to another entity, the Local government's selection process shall avoid conflicts of interest and shall be accessible to the public.  - (4) A Plan detailing:
 - (A) The manner in which allocated funds will be used for eligible Activities.

Local governments shall obtain approval of the Department for amendments made to the Plan in each succeeding year of the term of the Plan. Reallocations of more than 10 percent of funds among Activities require amendment of the Plan, with approval granted by the governing body at a publicly noticed public meeting.
- (6) A certification that, if funds are used for the acquisition, construction, or rehabilitation of for-sale housing projects or units within for-sale housing projects, the grantee shall record a deed restriction against the property that will ensure compliance with one of the following requirements if the property is no longer the primary residence of the homeowner due to sale, transfer or lease, unless it is in conflict with the requirements of another public funding source or law:
 - (A) The PLHA loan and any interest thereon shall be repaid to the Local government's PLHA account. The Local government shall reuse the repayments consistent with Section 301; or

- (b) The Department may request additional information to complete its review.
- (c) Applications recommended for funding are subject to conditions specified by the Department. Applicants will receive an official letter of award after the Department approves funding recommendations.

- (e) If funding proposed in Local government Plans for AOWH activities is lower than 20 percent of the moneys available in the Fund, the Department may require Local governments to use a specific percentage of their annual formula allocations in some future year for AOWH activities as part of the annual funding process.

**Permanent Local Housing Allocation
Entitlement and Non-Entitlement Local Government Formula Component
Notice of Funding Availability**

I. Overview

A. Notice of Funding Availability

The California Department of Housing and Community Development (Department) is announcing the availability of approximately **\$195 million** in funding for the Permanent Local Housing Allocation (PLHA) program Entitlement and Non-entitlement Local government formula component Notice of Funding Availability (NOFA). This NOFA is funded from moneys deposited in the Building Homes and Jobs Trust Fund (Fund) in calendar year 2019.

Funding for this NOFA is provided pursuant to Senate Bill (SB) 2 (Chapter 364, Statutes of 2017). SB 2 established the Fund and authorizes the Department to allocate 70 percent of moneys collected and deposited in the Fund, beginning in calendar year 2019, to Local governments for eligible housing and homelessness activities. The intent of the bill is to provide a permanent, on-going source of funding to Local governments for housing-related projects and programs that assist in addressing the unmet housing needs of their local communities.

For the 2019-20 fiscal year, the Department will issue two separate NOFAs to award the (PLHA) funds:

1. Entitlement and Non-entitlement Local government formula component NOFA; and
2. Non-entitlement Local government competitive component NOFA (anticipated in August 2020).

This NOFA outlines threshold and application requirements for Entitlement Local governments and Non-entitlement Local governments as defined in Guidelines Section 101. Entitlement Local governments are metropolitan cities and urban counties that received a CDBG grant for fiscal year 2017 pursuant to the federal formula specified in 42 USC Section 5306.

B. Timeline

NOFA Release Date	February 26, 2020
Application Submittal	April 27, 2020 – July 27, 2020
Award Announcement	August, 2020 – October, 2020

C. Authorizing Legislation and Regulations

SB 2 (Chapter 364, Statutes of 2017) established the PLHA program. The program operates under the requirements of Health and Safety Code (HSC), Part 2 of Division 31, Chapter 2.5 (commencing with Section 50470).

Section 50470 (b)(2)(B)(i) of the HSC authorizes the Department to allocate 70 percent of the moneys collected and deposited in the Fund, beginning in calendar year 2019, for the PLHA program.

Section 50470 (b)(2)(B)(i)(I) of the HSC requires the Department to allocate 90 percent of PLHA funds based on the federal CDBG formula specified in 42 USC, Section 5306, except that the portion allocated to Non-entitlement Local governments is required to be distributed through a competitive grant program for Non-entitlement Local governments.

Section 50470 (b)(2)(B)(i)(II) of the HSC requires the Department to allocate the remaining 10 percent of PLHA funds equitably to Non-entitlement Local governments.

Section 50470 (d) authorizes the Department to adopt Guidelines to implement the PLHA program, not subject to the rulemaking provisions of the California Administrative Procedure Act.

This NOFA governs the administration of funding from the Fund (created by Section 50470, subdivision (a)(1) and appropriated by item 2240-103-3317 in the Budget Act of 2019) and made available under the PLHA program.

Capitalized terms not otherwise defined in this NOFA shall have the meanings set forth in Guidelines Section 101.

II. Program requirements

The following is provided as a summary for the allocation of the PLHA funds to Entitlement and Non-entitlement Local governments and is not to be considered a complete representation of the eligibility, threshold, or other requirements, terms and conditions.

A. Eligible Applicants

An Applicant must be an Entitlement Local government, a Non-entitlement Local government, or a Local or Regional Housing Trust Fund delegated by the Local government pursuant to Guidelines Section 300.

A Local government that delegates another Local government to submit an application and administer the formula component of PLHA funds on its behalf must enter into a legally binding agreement with the Local government, as set forth in Guidelines Section 300(c).

A Local government that delegates a Local or Regional Housing Trust Fund to submit an application and administer the formula component of PLHA funds on its behalf must enter into a legally binding agreement with the Local or Regional Housing Trust Fund, as set forth in Guidelines Section 300(d).

B. Eligible Activities

Pursuant to Guidelines Section 301(a), the PLHA funds allocated to eligible Applicants must be used to carry out one or more of the eligible activities listed below:

1. The predevelopment, development, acquisition, rehabilitation, and preservation of multifamily, residential live-work, rental housing that is affordable to extremely low-, very low-, low-, or moderate-income households, including necessary Operating subsidies.
2. The predevelopment, development, acquisition, rehabilitation, and preservation of Affordable rental and ownership housing, including Accessory Dwelling Units (ADUs), that meets the needs of a growing workforce earning up to 120 percent of Area Median Income (AMI), or 150 percent of AMI in High-cost areas. ADUs shall be available for occupancy for a term of no less than 30 days. See Appendix B for a list of High-cost areas in California.
3. Matching portions of funds placed into Local or Regional Housing Trust Funds.
4. Matching portions of funds available through the Low- and Moderate-Income Housing Asset Fund pursuant to subdivision (d) of HSC Section 34176.
5. Capitalized Reserves for Services connected to the preservation and creation of new Permanent supportive housing.
6. Assisting persons who are experiencing or At risk of homelessness, including, but not limited to, providing rapid rehousing, rental assistance, supportive/case management services that allow people to obtain and retain housing, operating and capital costs for navigation centers and emergency shelters, and the new construction, rehabilitation, and preservation of permanent and transitional housing.
 - a. This Activity may include subawards to Administrative Entities as defined in HSC Section 50490(a)(1-3) that were awarded California Emergency Solutions and Housing (CESH) Program or Homeless Emergency Aid Program (HEAP) funds for rental assistance to continue assistance to these households.
 - b. Applicants must provide rapid rehousing, rental assistance, navigation centers, emergency shelter, and transitional housing activities in a manner consistent with the Housing First practices described in 25 CCR, Section 8409, subdivision (b)(1)-(6) and in compliance with Welfare Institutions Code (WIC) Section 8255(b)(8). An Applicant allocated funds

for the new construction, rehabilitation, and preservation of Permanent supportive housing shall incorporate the core components of Housing First, as provided in WIC Section 8255(b).

7. Accessibility modifications in Lower-income Owner-occupied housing.
8. Efforts to acquire and rehabilitate foreclosed or vacant homes and apartments.
9. Homeownership opportunities, including, but not limited to, down payment assistance.
10. Fiscal incentives made by a county to a city within the county to incentivize approval of one or more Affordable housing projects, or matching funds invested by a county in an Affordable housing development project in a city within the county, provided that the city has made an equal or greater investment in the project. The county fiscal incentives shall be in the form of a grant or low-interest loan to an Affordable housing project. Matching funds investments by both the county and the city also shall be a grant or low-interest deferred loan to the Affordable housing project.

Twenty percent of the moneys in the Fund are required by statute to be expended for Affordable Owner-Occupied Workforce Housing (AOWH). If funding proposed in Local government Plans for AOWH activities is lower than 20 percent of the moneys available in the Fund, the Department may require Local governments to use a specific percentage of their annual formula allocations in some future year for AOWH activities as part of the annual funding process.

C. Allocation of Funding and Award Limits

An Entitlement and a Non-entitlement Local government are eligible for an allocation of PLHA funds. See Appendix A for allocation of PLHA funds to each Entitlement and Non-entitlement Local government for fiscal year 2019-20.

The PLHA funds allocated to each Entitlement Local government is directly proportionate to each Entitlement Local government's share of total 2017 Community Development Block Grant (CDBG) allocation in California.

The PLHA funds allocated to each Non-entitlement Local government is based on the sum of:

1. Fifty percent of the funding available for the Non-entitlement formula component divided by the number of Local governments eligible for the Non-entitlement formula component; and
2. Fifty percent of the funding available for the Non-entitlement formula component allocated in proportion to each Non-entitlement Local government's share of the total most severe housing need in California's Non-entitlement Local governments, based upon the most recent U.S. Department of Housing and

Urban Development (HUD) Comprehensive Housing Affordability Strategy (CHAS) data.

Two or more Local governments may expend PLHA funds on an eligible jointly funded project, provided the project is an eligible Activity pursuant to Guidelines Section 301(a), and will be located within the boundaries of one of the Local governments.

An Applicant eligible for an allocation of PLHA funds must comply with the Deadline and Funding Requirements set forth in Guidelines Section 304.

In order to avoid amending the Department Standard Agreement each year, and to expedite the disbursement of PLHA funds, the Department Standard Agreement and the Applicant's PLHA resolution shall include a five-year estimate of PLHA formula allocations, as stated in Appendix C, as the maximum funding amount. The actual amounts may be lower, and the disbursements will be based on the actual allocation amounts. Please be advised that no funding from any subsequent year will be disbursed if the Local government is not in compliance with the Housing Element requirement and the Housing Element Annual Progress Report requirement stated in Guidelines Section 302(a) and (b), or in the event that the Local government has not submitted its annual PLHA report, as required by Guidelines Section 503. In addition, the grantee must be in compliance with Guidelines Sections 300(e) and 502. For a list of jurisdictions currently ineligible for PLHA funds due to the Housing Element and/or Annual Progress Report requirement, please refer to Appendix D.

D. Program Administrative and Activity Delivery Costs

A Local government that receives an allocation award under this NOFA shall not use more than 5 percent of the allocation for administrative costs related to the execution of eligible activities.

Staff and overhead costs directly related to carrying out the eligible activities described in Guidelines Section 301(a) are "activity costs" and not subject to the cap on "administrative costs." A Local government may share any funds available for administrative costs with entities to which it provides funding.

Predevelopment expenses for construction projects funded by PLHA funds, and costs to develop and prepare the PLHA application and Plan may be paid from the PLHA funds regardless of when the costs were incurred. Reimbursement of expenses to prepare the PLHA application and Plan are subject to the cap on administrative costs. Other costs incurred more than one year prior to commitment by the Local government may not be paid from the PLHA funds.

E. Application Requirements

An Applicant must submit a complete application and other documents by the deadline stated in this NOFA. Applications submitted in response to this NOFA must meet the threshold requirements set forth in Guidelines Section 302.

F. Administration and Reporting Requirements

A grantee of the PLHA funds must meet the administration requirements set forth in Guidelines Sections 500 and 501, and reporting requirements in Section 503.

III. Application Submission and Review Procedures

Applications must be on the Department's forms and cannot be altered or modified by the Applicant. Excel forms must be in Excel format, not a PDF document. Applications that do not meet the program requirements outlined in this NOFA will not be eligible for funding. Application forms are available for download on the [PLHA webpage](#).

A. Application Submission Process

A complete original application with original signature, and an electronic copy on Compact Disc or USB flash drive with all applicable information can be submitted to the Department between **April 27, 2020** and **July 27, 2020**. No applications will be accepted after **5:00 p.m. Pacific Standard Time on July 27, 2020**. The Department will only accept applications through a postal carrier service such as U.S. Postal Service, UPS, FedEx, or other carrier services that provide date stamp verification confirming delivery to the Department's office. Please contact the Department if delivery is not completed by fault of the carrier service. The delivery address is:

Sacramento, CA 95833

Personal deliveries will not be accepted. No facsimiles, incomplete applications, application revisions, electronically transmitted, or walk-in application packages will be accepted. Applications that do not meet the filing deadline requirements will not be eligible for funding.

It is the Applicant's responsibility to ensure that the application is clear, complete, and accurate. The Department may request additional clarifying information and/or inquire as to where in the application specific information is located. However, missing and/or forgotten application information or documentation may cause the application not to pass threshold.

Those Applicants that are notified they did not pass threshold requirements will have the opportunity to appeal.

B. Application Workshops

Applicants are strongly encouraged to attend a PLHA workshop to gain information critical for preparing the application, which will be discussed at the workshop. PLHA

workshop dates, times, and locations are located on the Department's [PLHA webpage](#). These in-person workshops will cover the NOFA and application.

IV. **Appeals**

A. Basis of Appeals

1. Upon receipt of the Department's notice that an application has been determined to be incomplete, ineligible, or fail threshold review, Applicants under this NOFA may appeal such decision(s) to the Department pursuant to this section.
2. No Applicant shall have the right to appeal a decision of the Department relating to another Applicant's eligibility, award, denial of award, or any other matter related thereto.
3. The appeal process provided herein applies solely to decisions of the Department made in this NOFA and does not apply to any decisions to be made pursuant to future NOFAs.

B. Appeal Process and Deadlines

1. **Process.** In order to file an appeal, an Applicant must submit a written appeal to the Department, which states all relevant facts, arguments, and evidence upon which the appeal is based. Furthermore, the Applicant must provide a detailed description of how the application is complete, eligible or meets threshold requirements, as applicable, or provide additional information to resolve the Department's determination. Appeals are to be submitted to the Department at PLHA@hcd.ca.gov according to the deadline set forth in Department review letters.
2. **Filing Deadline.** Appeals must be received by the Department no later than five (5) business days from the date of the Department's threshold review letter representing the Department's decision made in response to the application.

C. Decisions

Any request to appeal the Department's decision regarding an application shall be reviewed for compliance with the Guidelines and this NOFA. All decisions rendered shall be final, binding, and conclusive, and shall constitute the final action of the Department.

D. Award Announcements and Contracts

The Department anticipates issuing award letters between August 2020 and October 2020. Award recommendations will be posted on the [PLHA webpage](#).

V. Other terms and conditions

A. Right to Modify or Suspend

The Department reserves the right, at its sole discretion, to suspend, amend, or modify the provisions of this NOFA at any time, including, without limitation, the amount of funds available hereunder. If such an action occurs, the Department will notify all interested parties and will post the revisions to the Department's website.

B. Disclosure of Application

Information provided in the application will become a public record and available for review by the public, pursuant to the California Public Records Act (Gov. Code section 6250 et seq.). As such, any materials provided will be disclosed to any person making a request under this Act. The Department cautions Applicants to use discretion in providing information not specifically requested, including, but not limited to, bank account numbers, personal phone numbers, and home addresses. By providing this information to the Department, the Applicant is waiving any claim of confidentiality and consents to the disclosure of submitted material upon request.

C. Conflicts

In the event of any conflict between the terms of this NOFA and either applicable state or federal law or regulation, the terms of the applicable state or federal law or regulation shall control. Applicants are deemed to have fully read and understand all applicable state and federal laws, and regulations pertaining to PLHA, and understand and agree that the Department shall not be responsible for any errors or omissions in the preparation of this NOFA.
