SUCCESS MODEL

DIGITAL EQUITY

REDLINING: Institutionalized discriminatory practices to exclude populations based on skin color, ethnicity, national origin have led to enactment of local legislation for the Elimination of All Forms of Racial Discrimination. United Nations Hague Convention / Treaty

GenerRacism™: Institutionalized discriminatory practices that target populations over multiple generations; based on skin color, ethnicity, national origin have led to enactment of local legislation to target populations for: Prison, jail, early death, poverty, ghettos, drugs, violence, guns, and destruction of family units.

HOUSING 3

Discrimination in housing by institutionalized segregation and gentrification.

TECHNOLOGY 2

Discrimination to exclude evidenced by prevalence of digital deserts, lack of access and lack of knowledge with skills.

TRANSPORTATION 4

Discrimination to exclude from access to public transportation by intentional redlining, and prevent private transportation by deceptive economic fraud schemes.

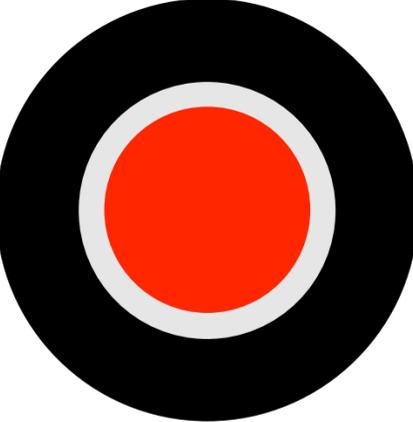

ECONOMICS 1

Discrimination to exclude based on national origin, race and ethnicity in business, jobs, healthcare, and banking.

Redlining is the intentional and willful exclusion, discrimination and maltreatment of another based on institutionalized, systematically created processes and systems that exterminate entire populations, a part of official duties.

EDUCATION 5

Discrimination to exclude and extend the legacy that those with darkest skin are not a part of the human family, and not sons and daughters of the Universal Creator.

REBUILD and RESTORE

VIOLENCE 3

Institutionalized, systematic programming to infest underserved neighborhoods with guns, drugs, and brutality resulting in death.

EARLY DEATH 4

Systematic disparities in healthcare combined with lack of access leads to early death.

POVERTY 2

Systematic discrimination and exclusion resulting in targeted populations being extremely poor.

PRISON 1

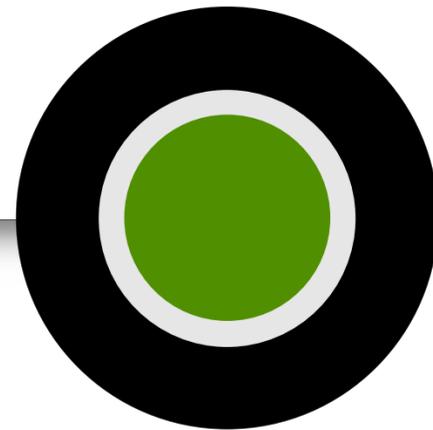

Discrimination to exclude based on national origin, race and ethnicity in business, jobs, healthcare, and banking.

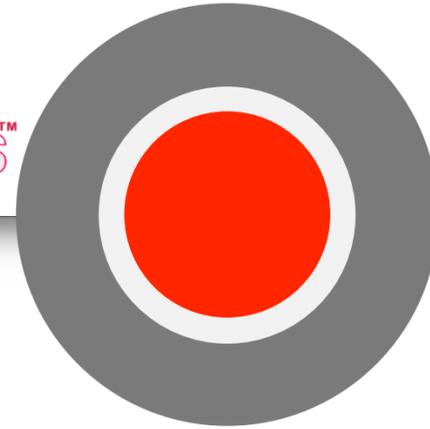

Greenlining is the intentional and willful targeting to discriminate for maltreatment of another based on institutionalized, systematically created processes and systems that exterminate entire populations, based on race, national origin, ethnicity, as a part of official duties.

FAMILY

DESTRUCTION 5

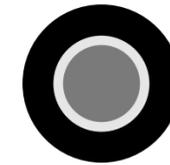

Discrimination to exclude and extend the legacy that those with darkest skin are not a part of the human family, and not sons and daughters of the Universal Creator.

REBUILD & RESTORE 1

- Rebuilding and rebranding “black” populations facing more than 1/2 millennium racism. Recognize: Recover: Rebuild: Restore; Pride, responsibility, accountability and a “can do” attitude.
