Section 1. Environmental and General Findings.

(a) The Planning Department has determined that the actions contemplated in this ordinance comply with the California Environmental Quality Act (California Public Resources Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of Supervisors in File No. ____ and is incorporated herein by reference. The Board affirms this determination.

(b) On June 18, 2025, at a duly noticed public hearing, the Building Inspection Commission considered this ordinance in accordance with Charter Section 4.121 and Building Code Section 104A.2.11.1.1. 5 definition of a "building standard" by California Health and Safety Code Section 18909(c).

6 (d) The Department of Building Inspection submitted a report describing the basis for
7 modifying various fees in the Building Code. Said report is on file with the Clerk of the Board
8 of Supervisors in File No. 250592 and is incorporated herein by reference.

4 of the subject fee amounts. This additional sum shall be sufficient to recover actual costs that
5 the Department incurs and shall be charged on a time and materials basis. The Director also
