

1 [Commending the Department of the Environment]

2  
3 **Resolution commending the Department of the Environment for their continuing**  
4 **support of A Living Library Project.**

5 WHEREAS, The Department of the Environment has provided vital support to the  
6 realization process of A Living Library Project; and,

7 WHEREAS, The Department of the Environment assisted in the development of A  
8 Living Library Project's \$300,000 grant from the Ford Foundation, \$250,000 of which has  
9 been allocated for the establishment of A Living Library & Think Park in the San Miguel Child  
10 Development Center; and,

11 WHEREAS, The Department of the Environment arranged for the Public Utilities  
12 Commission to provide assistance in the development of the Ford Foundation Grant; and,

13 WHEREAS, The Department of the Environment hosted numerous community  
14 meetings during the development process for the Ford Foundation Grant; and,

15 WHEREAS, The Department of the Environment facilitates outreach efforts on behalf  
16 of A Living Library Project to environmental organizations and diverse communities around  
17 the San Francisco Bay Area; and,

18 WHEREAS, The Department of the Environment has committed to continuing to  
19 provide technical assistance to A Living Library project and Life Frames, Inc., its not-for-profit  
20 sponsor, in order to help create rich, Community Dialogues On Comprehensive Sustainable  
21 Development about our resources and sustainability efforts and opportunities; now, therefore  
22  
23  
24  
25 be it

1           RESOLVED, That the Board of Supervisors of the City and County of San Francisco  
2 commends the Department of the Environment for its continuing assistance to A Living Library  
3 Project and Life Frames, Inc., and service to our community.
