RE: Transit Shelter Maintenance and Advertising Contract – FY 2014-15 and FY 2015-16

The cost information and supplemental data provided by your office on the proposed contract for transit shelter maintenance and advertising services have been reviewed by my staff.

If these services are provided at the proposed contract price, it appears they can be performed at a lower cost than if the work were performed by City employees.

The requirements of Charter Section 10.104.15 relative to the Controller's findings that "work or services can be practically performed under private contract at a lesser cost than similar work performed by employees of the City and County of San Francisco" have been satisfied. Attached is a statement of projected cost and estimated savings for Fiscal Years 2014-15 and 2015-16 and the informational items provided by the department pursuant to San Francisco Administrative Code Section 2.15.

Your department does not need to take further action for Board of Supervisors' approval because this determination will become part of the FY 2014-15 budget approval process. Following that legislative approval, we will notify your department and the Purchaser that this Charter requirement has been met.

Please contact Risa Sandler at 415-554-6626 if you have any questions regarding this determination.

Sincerely,

Ben Rosenfield,
Controller
