1 [Mills Act Historical Property Contract - 621 Waller Street]
2

3 **Resolution approving an historical property contract under Administrative Code,**
4 **Chapter 71, between Renee and Claude Zellweger, the owners of 621 Waller Street, and**
5 **the City and County of San Francisco for an initial term of ten years and for an amount**
6 **to be defined to commence following Board approval; and authorizing the Planning**
7 **Director and the Assessor to execute the historical property contract.**
8

9 WHEREAS, The California Mills Act (Government Code, Section 50280 et seq.)
10 authorizes local governments to enter into a contract with the owners of a qualified historical
11 property who agree to rehabilitate, restore, preserve, and maintain the property in return for
12 property tax reductions under the California Revenue and Taxation Code; and

13 WHEREAS, San Francisco contains many historic buildings that add to its character
14 and international reputation and that have not been adequately maintained, may be
15 structurally deficient, or may need rehabilitation, and the costs of properly rehabilitating,
16 restoring, and preserving these historic buildings may be prohibitive for property owners; and

17 WHEREAS, Chapter 71 of the San Francisco Administrative Code was adopted to
18 implement the provisions of the Mills Act and to preserve these historic buildings; and

19 WHEREAS, 621 Waller Street is a contributor the Duboce Park Landmark District
20 under Article 10 of the Planning Code and thus qualifies as an historical property as defined in
21 Administrative Code Section 71.2; and

22 WHEREAS, A Mills Act application for an historical property contract has been
23 submitted by Renee and Claude Zellweger, the owners of 621 Waller Street, detailing
24 completed rehabilitation work and proposing a maintenance plan for the property; and
25

1 WHEREAS, As required by Administrative Code, Section 71.4(a), the application for
2 the historical property contract for 621 Waller Street was reviewed by the Assessor's Office
3 and the Historic Preservation Commission; and

4 WHEREAS, The Assessor has reviewed the historical property contract and has
5 provided the Board of Supervisors with an estimate of the property tax calculations and the
6 difference in property tax assessments under the different valuation methods permitted by the
7 Mills Act in its report transmitted to the Board of Supervisors on October 21, 2014, which
8 report is on file with the Clerk of the Board of Supervisors in File No. 141104 and is hereby
9 declared to be a part of this motion as if set forth fully herein; and,

10 WHEREAS, The Historic Preservation Commission recommended approval of the
11 historical property contract in its Resolution No. 739, which Resolution is on file with the Clerk
12 of the Board of Supervisors in File No 141104 and is hereby declared to be a part of this
13 resolution as if set forth fully herein; and

14 WHEREAS, The draft historical property contract between Renee and Claude
15 Zellweger, the owners of 621 Waller Street, and the City and County of San Francisco is on
16 file with the Clerk of the Board of Supervisors in File No. 141104 and is hereby declared to be
17 a part of this resolution as if set forth fully herein; and

18 WHEREAS, The Board of Supervisors has conducted a public hearing pursuant to
19 Administrative Code Section 71.4(d) to review the Historic Preservation Commission's
20 recommendation and the information provided by the Assessor's Office in order to determine
21 whether the City should execute the historical property contract for 621 Waller Street; and

22 WHEREAS, The Board of Supervisors has balanced the benefits of the Mills Act to the
23 owner of 621 Waller Street with the cost to the City of providing the property tax reductions
24 authorized by the Mills Act, as well as the historical value of 621 Waller Street and the
25 resultant property tax reductions; now, therefore, be it

1 RESOLVED, That the Board of Supervisors hereby approves the historical property
2 contract between Renee and Claude Zellweger, the owners of 621 Waller Street, and the City
3 and County of San Francisco; and, be it

Executive Summary

Legislative Objective

- The proposed resolution would (a) approve three Mills Act historical property contracts with the owners of the residential property located in the Duboce Park Landmark District, and (b) authorize the Director of Planning and the Assessor to execute the subject historical property contract, which would reduce the assessed value of the properties according to a formula established in the Mills Act, thereby reducing property taxes payable by the property owners to the City, provided that owners rehabilitate, restore, preserve, and maintain their qualified historical property.

Key Points

- The three historical properties seeking a Mills Act contract are 68 Pierce Street (File 14-1102), 563-567 Waller Street (File 14-1103), and 621 Waller Street (File 14-1104).
- The proposed Mills Act historical property contracts would be in effect for 10 years, with an additional year added automatically to the initial term on each anniversary date of the proposed historical property contract execution date. In other words, the reduced property taxes would continue annually, in perpetuity, unless the Mills Act historical property contract is terminated.

Fiscal Impact

- For 68 Pierce Street (File 14-1102), property taxes are estimated to be reduced by \$9,528 or 51.3 percent in the first year of the Mills Act contract. The total estimated reduction in property taxes over the initial ten-year period of the contract is therefore \$95,280 (\$9,528 annually x ten years).
- For 563-567 Waller Street (File 14-1103), property taxes are estimated to be reduced by \$6,519 or 28.5 percent in the first year of the Mills Act contract. The total estimated reduction in property taxes over the initial ten-year period of the contract is therefore \$65,190 (\$6,519 annually x ten years).
- For 621 Waller Street (File 14-1104), property taxes are estimated to be reduced by \$14,846 or 60.1 percent in the first year of the Mills Act contract. The total estimated reduction in property taxes over the initial ten-year period of the contract is therefore \$148,460 (\$14,846 annually x ten years).

Recommendation

- Approval of the proposed resolutions in File 14-1102, 14-1103 and 14-1104 are policy-matters for the Board of Supervisors.

MANDATE STATEMENT/BACKGROUND

Mandate Statement

The Mills Act, codified in State Government Code Section 50280, authorizes local governments to enter into historic property contracts with owners of qualified historical properties, in which local governments reduce the assessed value of the property according to a formula established in the Mills Act, thereby reducing property taxes payable by the property owner to the City, provided that the subject owners rehabilitate, restore, preserve, and maintain their qualified historical properties.

The City's Administrative Code¹ specifies (a) required qualifications for properties to allow for approval of a Mills Act historical property contract, (b) the Mills Act historical property application and approval processes, and (c) the terms and fees for individual property owners to apply for Mills Act historical property contracts with the City in order to receive such Mills Act Property Tax reductions, subject to Board of Supervisors approval.

Provisions of the Mills Act

In order for a Mills Act historical property contract to be approved², the property must be designated a qualified historical property by being listed or designated in one of the following ways on or before December 31 of the year before the application is made:

- Individually listed in the National Register of Historic Places or the California Register of Historical Resources;
- Listed as a contributor to a historic district included on the National Register of Historic Places or the California Register of Historical Resources;
- Listed as a City landmark pursuant to Planning Code Article 10;
- Designated as contributory to a historic district; or
- Designated as significant³ (Categories I and II) or contributory⁴ (Categories III or IV).

¹Administrative Code Chapter 71

²Administrative Code Section 71.2

³ Planning Code Section 1102(a) designates a building as Category I significant if it is (1) at least 40 years old and (2) judged to be a building of individual importance, and (3) is rated excellent in architectural design or as very good in both architectural design and relationship to the environment. Planning Code Section 1102(b) designates a building as Category II significant if (1) it meets the standards in Section 1102(a) and (2) it is feasible to add different and higher replacement structures or additions to the height at the rear of the structure without affecting the architectural quality or relationship to the environment and without affecting the appearance of the retained portions as a separate structure when viewing the principal facade.

⁴ Planning Code Section 1102(c) designates a building as Category III contributory if it is (1) located outside a designated conservation district, (2) at least 40 years old, (3) judged to be a building of individual importance, and (4) rated either very good in architectural design or excellent or very good in relationship to the environment. Planning Code Section 1102(d) designates a building as Category IV contributory if it is (1) located in a designated conservation district, (3) judged to be a building of individual importance, (4) judged to be a building of contextual importance, and (4) rated either very good in architectural design or excellent or very good in relationship to the environment.

In addition, eligibility for Mills Act historical property contracts is limited to sites, buildings, or structures with an assessed valuation, as of December 31 of the year before the application is made, of \$3,000,000 or less for single-family dwellings and \$5,000,000 or less for commercial, industrial, or mixed-use buildings, unless the Board of Supervisors grants an exemption.

The lifecycle of a Mills Act application typically runs from May to December over the course of one year. If the foregoing conditions are met, a property owner may submit a Mills Act application to the Planning Department for review. The Planning Department reviews the application for completeness and forwards the application to the Assessor, which then calculates property valuations with and without a Mills Act contract. Once the property owner has had a chance to review the Assessor's findings, the application is passed to the Historic Preservation Commission for review. The Historic Preservation Commission will then review the application, including the proposed rehabilitation and maintenance plan, hold a public hearing, and make a recommendation for approval or disapproval to the Board of Supervisors. The Board of Supervisors will then review the Mills Act application and related materials from the Historic Preservation Commission and Assessor, hold a public hearing, and determine whether the City should enter into a Mills Act contract with the property owner. The process is complete once the City Attorney finalizes the Mills Act contract, which is then signed by both the Planning Department and property owner and recorded by the Assessor. Onsite property inspections occur every five years and are carried out by the Planning Department and the Assessor to monitor compliance with the Mills Act contract. Owners must also submit a yearly affidavit verifying compliance with the approved maintenance and rehabilitation plans.

As required by State law, the proposed Mills Act historical property contract would be in effect for 10 years, with an additional year added automatically to the initial term on each anniversary date of the proposed historical property contract execution date⁵, unless either party terminates the contract by submitting a notice of nonrenewal⁶, subject to Board of Supervisors approval. In other words, the reduced property taxes would continue annually, in perpetuity, until the Mills Act historical property contract is terminated.

Mills Act: Rehabilitation Plan Requirements

Under the Mills Act contract, the property owners must apply for appropriate building permits within six months after the Mills Act contract is recorded. Further, rehabilitation work must begin within six months of acquiring the necessary permits, and all of the rehabilitation work must be completed within three years of the date of receipt of the permits. Should the property owners fail to comply with the rehabilitation plan according to the deadlines listed above and fail to secure an exemption from meeting those deadlines from the Zoning Administrator, the Board of Supervisors may cancel the Mills Act contract. In that case, the property owners must pay a cancellation fee of 12.5% of the fair market value of the property, which is determined by the Assessor. If the property owners successfully obtain an exemption from the Zoning Administrator, then no fees would be owed.

⁵ According to State Government Code Section 50282

⁶ The City must submit a nonrenewal notice 60 days prior to the date of renewal and the owners must submit a nonrenewal notice 90 days prior to the date of renewal.

The Mills Act contract requires the property owners to comply to periodic examinations of the property by representatives of (a) the Historic Preservation Commission, (b) the Office of the Assessor-Recorder, (c) the Department of Building Inspection, (d) the Planning Department, (e) the Office of the Historic Preservation of the California Department of Parks and Recreation, and (f) the State Board of Equalization with 72 hours advance notice to ensure compliance with the proposed historic property contract. Furthermore, the Planning Department and Assessor will conduct an inspection program to monitor the provisions of the contract. This program will involve a yearly affidavit issued by the property owner verifying compliance with the approved maintenance and rehabilitation plans as well as onsite inspections every five years.

Mills Act: Property Valuation

Property taxes are typically determined as portion of a property's assessed value, which largely depends on the property's sale price and year of purchase. According to the Assessor's Office, under a Mills Act contract, the calculation of the property tax reduction includes the following factors:

1. Market rates for rental income
2. Actual rent paid, if a unit is encumbered by a lease subject to rental control
3. An interest rate component as annually determined by the State Board of Equalization
4. Whether a unit is owner-occupied
5. The property tax rate
6. The estimated remaining life of the property

Following State law, the Assessor determines the actual/estimated net rental income of the historical property (items 1 & 2 above) and uses items 3 – 6 above to determine a capitalization rate. The income and capitalization rate in turn determine the overall value of the property, which is then taxed at the prevailing property tax rate. The Assessor recalculates the Mills Act valuation every year. Therefore, property tax rates, economic conditions in the local real estate market, and the extent to which the historical property is rented or owner-occupied may increase or decrease the Mills Act property valuation and taxes payable to the City each year. In addition, if a property has undergone substantial rehabilitation, the Assessor may extend the estimated remaining life of the property, which would enhance the Mills Act valuation and increase property taxes payable to the City.

DETAILS OF PROPOSED LEGISLATION

File 14-1102: The proposed resolution would (a) approve a Mills Act historical property contract with Diarmuid Russell and Heather Podruchny, the owners of the residential property located at 68 Pierce Street, and (b) authorize the Director of Planning and the Assessor to execute the subject historical property contract.

File 14-1103: The proposed resolution would (a) approve a Mills Act historical property contract with Brandon Miller and Jay Zaleski, the owners of the residential property located at 563-567

Waller Street, and (b) authorize the Director of Planning and the Assessor to execute the subject historical property contract.

File 14-1104: The proposed resolution would (a) approve a Mills Act historical property contract with Claude Zellweger & Renee Zellweger, the owners of the residential property located at 621 Waller Street, and (b) authorize the Director of Planning and the Assessor to execute the subject historical property contract.

Characteristics of the Three Historic Properties Seeking a Mills Act Contract

A Mills Act historical property contract application was submitted for each of the subject properties to the Planning Department on May 1, 2014, which included a rehabilitation program detailing estimates of the necessary improvements to preserve each property as well as an annual maintenance plan. The City's Historic Preservation Commission has reviewed the Mills Act historical property contract application for all three subject properties, including the proposed rehabilitation program and annual maintenance plans. On October 1, 2014 the Historic Preservation Commission recommended approval of the proposed Mills Act historical property contract, rehabilitation program, and maintenance plan (Historic Preservation Commission Resolution Nos. 0737 - 0739) for the three subject properties. In order to continue work on the rehabilitation program included in the Mills Act historical property contract application, the owners of each property intend to apply for a Certificate of Appropriateness⁷ from the Historic Preservation Commission.⁸

All three residential properties pending before the Board of Supervisors are listed as contributors⁹ to the Duboce Park Landmark district. Therefore, each property qualifies as a historical property under the Administrative Code and is eligible for Mills Act historical property contract approval without an exemption being necessary.

According to the Planning Department's Mills Act Contract Case Report on 68 Pierce Street, the existing building at the intersection of Pierce and Waller Streets, built in 1899, is a two-story over raised-basement, wood frame, single-family dwelling in the Shingle style (See Exhibit 1 below).

⁷ A Certificate of Appropriateness is the entitlement required to alter an individual landmark and any property within a landmark district. It is not required for ordinary maintenance and repairs, if the replacement materials and details are in-kind.

⁸ The Historic Preservation Commission is a 7-member body, appointed by the Mayor subject to Board of Supervisors' approval, that makes recommendations directly to the Board of Supervisors on the designation of landmark buildings, historic districts, and significant buildings.

⁹ According to the Planning Department's Preservation Bulletin, No. 10, a contributing property in a Historic District is "A classification applied to a site, structure or object within an historic district signifying that it generally shares, along with most of the other sites, structures or objects in the historic district, the qualities that give the historic district cultural, historic, architectural or archaeological significance as embodied by the criteria for designating the historic district."

According to the Planning Department's Mills Act Contract Case Report on 563-567 Waller Street, the existing building at the intersection of Potomac and Waller Streets, built in 1900, is a three and a half story over raised-basement, wood frame, three-family dwelling designed in the Queen Anne style (See Exhibit 2 below).

According to the Planning Department's Mills Act Contract Case Report on 621 Waller Street, the existing building on Waller Street between Carmelita and Pierce Streets, was built in 1900 by Fernando Nelson and is a two and a half story over raised-basement, wood frame, single-family dwelling in the Queen Anne style (See Exhibit 3 below).

Rehabilitation and Maintenance

Table 1 below summarizes actual and estimated costs of the work included in the rehabilitation program as well as the estimated completion dates. As shown in Table 1, most of the rehabilitation work has not yet started and the work expected to be completed will be done by 2018, as required by the Mills Act contract. To date, \$2,093 or 1.2 percent of the \$179,093 total estimated rehabilitation costs has been completed.

In addition to the rehabilitation plan detailed above in Table 1, the property owners have agreed to a maintenance plan, including maintenance of gutters, wood façade, and roof. Ongoing maintenance is currently estimated to cost the owners of 68 Pierce Street \$540 per year on average, depending on the timing of the inspection cycle, as shown in Table 2 Below.

Rehabilitation and Maintenance Plan:

Table 3 below summarizes actual and estimated costs of the work included in the rehabilitation program. Under the Mills Act, the proposed renovation work should be completed no later than 2018. As shown in Table 3, most of the rehabilitation work has been completed and work expected to be completed will be done by 2018, as required by the Mills Act contract. To date, \$597,085 or 99.7 percent of the \$598,935 total estimated rehabilitation costs has been completed.

In addition to the rehabilitation plan detailed above in Table 3, the property owners have agreed to a maintenance plan, which includes annual inspections of the windows, gutters, siding, paint, and trim and an inspection of the roof every five years. As shown in Table 4 below, cost estimates for these inspections are currently unavailable. If it is determined that the roof needs to be replaced, the owners estimate a cost of \$48,500 to pay for the cost of that project.

FISCAL IMPACT**File 14-1102 68 Pierce Street**

According to the Assessor-Recorder, the property at 68 Pierce Street is estimated to be assessed at \$1,562,056, with property taxes payable to the City in the estimated amount of \$18,557 in FY 2014-15.¹⁰ Table 7 below reflects the estimated assessed value of 68 Pierce Street both with and without the requested Mills Act Historical Property contract. As shown in Table 7 below, the first year annual property taxes to be paid to the City by the property owners would be \$9,029, which is \$9,528 or 51.3 percent less than the \$18,557 in estimated annual property taxes that would otherwise be paid to the City, if the proposed historical property contract is not authorized. The estimated reduction in property taxes to be received by the City would be approximately \$95,280 (\$9,528 annually x ten years) over the initial ten-year period¹¹ of the proposed Mills Act Historical Property contract.

Table 7: Summary of Estimated Assessed Value of 68 Pierce Street

	Without a Mills Act Historic Property Contract	With a Mills Act Historic Property Contract	First Year Reduction	Percent Reduction
Estimated Assessed Property Value (FY 14-15)	\$1,562,056	\$760,000	\$802,056	-51.3%
Estimated Property Taxes Payable to the City (FY 14-15)	\$18,557	\$9,029	\$9,528	-51.3%

Source: Assessor-Recorder

As shown in Table 1 above, the rehabilitation program is currently estimated to cost a total of \$179,093 and is to be fully paid by the property owners. In addition, as shown in Table 2 above, ongoing maintenance costs estimated to be \$540 annually are to be fully paid by the property owners, with total maintenance costs estimated to be \$5,400 (\$540 annually x 10 years) over the initial ten-year period. Therefore, total estimated cost to the property owner of

¹⁰ The Assessor-Recorder advises that property tax rates had not been finalized for FY 2014-15 when these estimates were developed and therefore the estimated property taxes assessed are based on the FY 2013-14 property tax rate of 1.188 percent of assessed value.

¹¹ The actual reduction in Property Taxes payable to the City fluctuates annually based on (a) variables in the formula specified in the Mills Act which determine the assessed value of the subject property, such as market rental rates and conventional mortgage interest rates, (b) the factored base year value of the subject property (which increases by no more than 2 percent per year) had a Mills Act Historical Property Contract not been approved, and (c) the Property Tax rate each year. Therefore, the actual annual reductions in Property Taxes payable to the City over the ten-year term of a Mills Act Historical Property Contract and payable annually thereafter, are not equal to the first year reduction in Property Taxes.

rehabilitating and maintaining 68 Pierce Street over the initial ten-year period of the proposed Mills Act Historical Property contract is \$185,193 which is \$89,913 more than the estimated reduction in property tax of \$95,280.

File 14-1103: 563-567 Waller Street

According to the Assessor-Recorder, the property at 563-567 Waller Street is estimated to be assessed at \$1,928,706, with property taxes payable to the City in the estimated amount of \$22,913 in FY 2014-15.¹² Table 8 below reflects the estimated assessed value of 563-567 Waller Street both with and without the requested Mills Act Historical Property contract. As shown in Table 8 below, the first year annual property taxes to be paid to the City by the property owners would be \$16,394, which is \$6,519 or 28.5 percent less than the \$22,913 in estimated annual property taxes that would otherwise be paid to the City, if the proposed historical property contract is not authorized. The estimated reduction in property taxes to be received by the City would be approximately \$65,190 (\$6,519 annually x ten years) over the initial ten-year period¹³ of the proposed Mills Act Historical Property contract.

Table 8: Summary of Estimated Assessed Value of 563-567 Waller Street

	Without a Mills Act Historic Property Contract	With a Mills Act Historic Property Contract	First Year Reduction	Percent Reduction
Estimated Assessed Property Value (FY 14-15)	\$1,928,706	\$1,380,000	\$548,706	-28.5%
Estimated Property Taxes Payable to the City (FY 14-15)	\$22,913	\$16,394	\$6,519	-28.5%

Source: Assessor-Recorder

As shown in Table 3 above, the rehabilitation program is currently estimated to cost a total of \$598,935 and is to be fully paid by the property owners. In addition, as shown in Table 4 above, the property owners will incur the cost of inspections (the cost of which are not yet determined) and possibly a roof replacement. Therefore, total estimated cost to the property owner of rehabilitating and maintaining 563-567 Waller Street over the initial ten-year period

¹² The Assessor-Recorder advises that property tax rates had not been finalized for FY 2014-15 when these estimates were developed and therefore the estimated property taxes assessed are based on the FY 2013-14 property tax rate of 1.188 percent of assessed value.

¹³ The actual reduction in Property Taxes payable to the City fluctuates annually based on (a) variables in the formula specified in the Mills Act which determine the assessed value of the subject property, such as market rental rates and conventional mortgage interest rates, (b) the factored base year value of the subject property (which increases by no more than 2 percent per year) had a Mills Act Historical Property Contract not been approved, and (c) the Property Tax rate each year. Therefore, the actual annual reductions in Property Taxes payable to the City over the ten-year term of a Mills Act Historical Property Contract and payable annually thereafter, are not equal to the first year reduction in Property Taxes.

of the proposed Mills Act Historical Property contract is at least \$598,935, which is \$533,745 more than the estimated initial ten-year reduction in property tax of \$65,190.

File 14-1104: 621 Waller Street

According to the Assessor-Recorder, the property at 621 Waller Street is estimated to be assessed at \$2,079,659, with property taxes payable to the City in the estimated amount of \$24,706 in FY 2014-15.¹⁴ Table 9 below reflects the estimated assessed value of 621 Waller Street both with and without the requested Mills Act Historical Property contract. As shown in Table 9 below, the first year annual property taxes to be paid to the City by the property owners would be \$9,860, which is \$14,846 or 60.1 percent less than the \$24,706 in estimated annual property taxes that would otherwise be paid to the City, if the proposed historical property contract is not authorized. The estimated reduction in property taxes to be received by the City would be approximately \$148,460 (\$14,846 annually x ten years) over the initial ten-year period¹⁵ of the proposed Mills Act Historical Property contract.

Table 9: Summary of Estimated Assessed Value of 621 Waller Street

	Without a Mills Act Historic Property Contract	With a Mills Act Historic Property Contract	First Year Reduction	Percent Reduction
Estimated Assessed Property Value (FY 14-15)	\$2,079,659	\$830,000	\$1,249,659	-60.1%
Estimated Property Taxes Payable to the City (FY 14-15)	\$24,706	\$9,860	\$14,846	-60.1%

Source: Assessor-Recorder

As shown in Table 5 above, the rehabilitation program is currently estimated to cost \$117,500 and is to be fully paid by the property owners. The estimated cost to the property owner of rehabilitating 621 Waller Street over the initial ten-year period of the proposed Mills Act Historical Property contract is \$117,500, which is \$30,960 less than the estimated initial ten-year reduction in property tax of \$148,460. However, as shown in Table 6 above, the property owners expect to incur additional costs for ongoing maintenance, for which cost estimates are

¹⁴ The Assessor-Recorder advises that property tax rates had not been finalized for FY 2014-15 when these estimates were developed and therefore the estimated property taxes assessed are based on the FY 2013-14 property tax rate of 1.188 percent of assessed value.

unavailable, and for a new roof at an estimated cost of \$50,000 - \$60,000 should inspections determine that the roof needs to be replaced, which would result in rehabilitation and maintenance costs exceeding the property tax reduction. Furthermore, the property's Mills Act valuation is subject to change over time. Should the Assessor determine that market rental rates in comparable units rise, or if the unit is no longer owner-occupied, or the remaining life of the property is extended, then the Mills Act valuation and property taxes payable to the City would increase.

Current Property Taxes

According to Peter Chou, Tax Payment Assistant Officer for the Office of the Treasurer & Tax Collector, property taxes assessed to all three properties have been paid by the subject properties to the City with no remaining balance outstanding.

POLICY CONSIDERATION

The Board of Supervisors has Previously Approved 17 Mills Act Contracts, with Estimated Annual Property Tax Reductions of \$854,869

The Duboce Park Landmark District was approved by the Board of Supervisors on June 4, 2013 (File 13-0070). Since that time, the Board of Supervisors has approved seven Mills Act applications within the District.¹⁶ Approval of the pending Mills Act application at 68 Pierce Street, 563-567 Waller Street, and 621 Waller Street would therefore be consistent with previous actions by the Board of Supervisors.

Since 2002, the Board of Supervisors has approved 17 Mills Act contracts, all of which are ongoing, as shown in Table 10 below. If the Board of Supervisors approves the three pending Mills Act contracts (Files 14-1102, 14-1103, and 14-1104), total estimated annual property tax reductions will increase by \$30,893, from \$854,869 to \$885,762.

The Board of Supervisors has Full Discretion to Determine Whether it is in the Public Interest to Enter into a Mills Act Contract

According to Administrative Code Section 71.4(d),

The Board of Supervisors shall have full discretion to determine whether it is in the public interest to enter a Mills Act historical property contract regarding a particular qualified historical property. The Board of Supervisors may approve, disapprove, or modify and approve the terms of the historical property contract. Upon approval, the Board of Supervisors shall authorize the Director of Planning and the Assessor-Recorder to execute the historical property contract.

¹⁷ Estimated annual property taxes are based on information provided by the Assessor to the Budget and Legislative Analyst's Office at the time of Board of Supervisors approval of the Mills Act contracts.

Because the Mills Act provides the Board of Supervisors discretion in approving a Mills Act contract, the Budget and Legislative Analyst considers approval of the proposed resolution to be a policy matter for the Board of Supervisors.

Because the Mills Act Contracts Continue Indefinitely Unless Cancelled, the Planning Department Needs to Annually Report to the Board of Supervisors on the Status of Mills Act Contracts

Once the Mills Act contract has been enacted, the initial term is for 10 years, which is automatically extended each year on the anniversary date of the contract. The historic property contract continues indefinitely unless the property owner of the Board of Supervisors files a notice of nonrenewal; once the notice of nonrenewal has been filed, the term of the historic property contract extends for a final 10-year term and is no longer automatically renewed each year.

Administrative Code Section 71.7 requires that the Planning Department and the Assessor-Recorder's Office submit a joint report to the Board of Supervisors and the Historic Preservation Commission every three years. This report was not submitted as required on the initial due date of March 31, 2013. The next report is due on March 31, 2016.

When the Board of Supervisors approved the 11 Mills Act contracts in December 2013, the Board amended the resolutions to request the Director of Planning submit an annual report to the Board of Supervisors, Mayor, Controller, and Budget and Legislative Analyst that details for each property with an existing historic property agreement (1) the original date of approval by the Board of Supervisors of the agreement; (2) the annual property tax amount under the historic property agreement; (3) the percent reduction in the annual property tax amount due to the historic property agreement; (4) the reduction in annual property tax revenues to the City; and (5) conformance of the property to the provisions of the historic property agreement.

According to Timothy Frye, Preservation Coordinator, the Planning Department intends to report on the status of the previously approved Mills Act contracts before the end of the calendar year.

RECOMMENDATION

Approval of the proposed resolutions in File 14-1102, 14-1103 and 14-1104 are policy matters for the Board of Supervisors.

Historic Preservation Commission Recommendation: Approval

Dear Ms. Calvillo,

On October 1, 2014 the San Francisco Historic Preservation Commission (hereinafter "Commission") conducted a duly noticed public hearing at a regularly scheduled meeting to consider the proposed Mills Act Historical Property Contract Application;

At the October 1, 2014 hearing, the Historic Preservation Commission voted to approve the proposed Resolution.

The Resolution recommends that the Board of Supervisors approve the Mills Act Historical Property Contract, rehabilitation program and maintenance plan for the property located at 621 Waller Street, a contributor to the Duboce Park Landmark District.

Please note that the Project Sponsor submitted the Mills Act application on May 1, 2014.

The contract involves a rehabilitation plan that includes;

- repairing historic wrought iron railings
- restoring wood windows
- re-grading front setback for waterproofing
- repairing building envelope for waterproofing

The contract involves a cycle of annual inspections and maintenance and a longer-term maintenance cycle to be performed as necessary. It addresses the following components:

- exterior paint maintenance,
- roof inspections and repairs; and
- gutters, downspouts and drainage

The attached draft historical property contracts will help the Project Sponsors mitigate these expenditures and will enable the Project Sponsors to maintain the properties in excellent condition in the future.

As detailed in the Mills Act application, the Project Sponsors have committed to a maintenance plan that will include both annual and cyclical inspections. Furthermore, the Planning Department will administer an inspection program to monitor the provisions of the contract. This program will involve a yearly affidavit issued by the property owner verifying compliance with the approved maintenance and rehabilitation plans as well as a cyclical 5-year site inspection.

Please find attached documents relating to the Commission's action. If you have any questions or require further information please do not hesitate to contact me.

Sincerely,

PROJECT DESCRIPTION

This project is a Mills Act Historical Property Contract application.

MILLS ACT REVIEW PROCESS

Once a Mills Act application is received, the matter is referred to the Historic Preservation Commission (HPC) for review. The HPC shall conduct a public hearing on the Mills Act application, historical property contract, and proposed rehabilitation and maintenance plan, and make a recommendation for approval or disapproval to the Board of Supervisors.

The Board of Supervisors will hold a public hearing to review and approve or disapprove the Mills Act application and contract. The Board of Supervisors shall conduct a public hearing to review the Historic Preservation Commission recommendation, information provided by the Assessor's Office, and any other information the Board requires in order to determine whether the City should execute a historical property contract for the subject property.

The Board of Supervisors shall have full discretion to determine whether it is in the public interest to enter into a Mills Act contract and may approve, disapprove, or modify and approve the terms of the contract. Upon approval, the Board of Supervisors shall authorize the Director of Planning and the Assessor-Recorder's Office to execute the historical property contract.

MILLS ACT REVIEW PROCEDURES

The Historic Preservation Commission is requested to review and make recommendations on the following:

- The draft Mills Act Historical Property Contract between the property owner and the City and

County of San Francisco.

- The proposed rehabilitation and maintenance plan.

The Historic Preservation Commission may also comment in making a determination as to whether the public benefit gained through restoration, continued maintenance and preservation of the property is sufficient to outweigh the subsequent loss of property taxes to the City.

APPLICABLE PRESERVATION STANDARDS

Ordinance No. 191-96 amended the San Francisco Administrative Code by adding Chapter 71 to implement the California Mills Act, California Government Code Sections 50280 *et seq.* The Mills Act authorizes local governments to enter into contracts with private property owners who will rehabilitate, restore, preserve, and maintain a "qualified historical property." In return, the property owner enjoys a reduction in property taxes for a given period. The property tax reductions must be made in accordance with Article 1.9 (commencing with Section 439) of Chapter 3 of Part 2 of Division 1 of the California Revenue and Taxation Code.

TERM

Mills Act contracts must be made for a minimum term of ten years. The ten-year period is automatically renewed by one year annually to create a rolling ten-year term. One year is added automatically to the initial term of the contract on the anniversary date of the contract, unless notice of nonrenewal is given or the contract is terminated. If the City issues a notice of nonrenewal, then one year will no longer be added to the term of the contract on its anniversary date and the contract will only remain in effect for the remainder of its term. The City must monitor the provisions of the contract until its expiration and may terminate the Mills Act contract at any time if it determines that the owner is not complying with the terms of the contract or the legislation. Termination due to default immediately ends the contract term. Mills Act contracts remain in force when a property is sold.

ELIGIBILITY

San Francisco Administrative Code Chapter 71, Section 71.2, defines a "qualified historic property" as one that is not exempt from property taxation and that is one of the following:

- (a) Individually listed in the National Register of Historic Places;
- (b) Listed as a contributor to an historic district included on the National Register of Historic Places;
- (c) Designated as a City landmark pursuant to San Francisco Planning Code Article 10;
- (d) Designated as contributory to a landmark district designated pursuant to San Francisco Planning Code Article 10; or
- (e) Designated as significant (Categories I or II) or contributory (Categories III or IV) to a conservation district designated pursuant to San Francisco Planning Code Article 11.

All properties that are eligible under the criteria listed above must also meet a tax assessment value to be eligible for a Mills Act Contract. The tax assessment limits are listed below:

Residential Buildings

Eligibility is limited to a property tax assessment value of not more than \$3,000,000.

Commercial, Industrial or Mixed Use Buildings

Eligibility is limited to a property tax assessment value of not more than \$5,000,000.

Properties may be exempt from the tax assessment values if it meets any one of the following criteria:

- The qualified historic property is an exceptional example of architectural style or represents a work of a master architect or is associated with the lives of persons important to local or national history; or
- Granting the exemption will assist in the preservation and rehabilitation of a historic structure (including unusual and/or excessive maintenance requirements) that would otherwise be in danger of demolition, deterioration, or abandonment;

Properties applying for a valuation exemption must provide evidence that it meets the exemption criteria, including a historic structure report to substantiate the exceptional circumstances for granting the exemption. The Historic Preservation Commission shall make specific findings in determining whether to recommend to the Board of Supervisors that the valuation exemption should be approved. Final approval of this exemption is under the purview of the Board of Supervisors.

PUBLIC/NEIGHBORHOOD INPUT

The Department has not received any public comment regarding the Mills Act Historical Property Contract.

STAFF ANALYSIS

The Project Sponsor, Planning Department Staff, and the Office of the City Attorney have negotiated the attached draft historical property contracts, which include a draft maintenance plan for the historic building. Department staff believe that the draft historical property contracts and maintenance plans are adequate.

- a. **68 Pierce Street:** As detailed in the Mills Act application, the Project Sponsor proposes to maintain the historic property. Staff determined that the proposed work, detailed in the attached exhibits, is consistent with the Secretary of Interior's Standards for Rehabilitation and for Restoration.

The subject property is currently valued by the Assessor's Office as under \$3,000,000 (see attached Market Analysis and Income Approach reports) and does not require an exemption.

The applicants have developed a thorough Rehabilitation and Maintenance Plan that involves the following scopes of work: replacing six non-historic windows on the primary facade with historically appropriate double-hung wood sash windows with ogee lugs; replacing three (3) non-historic windows on the second floor rear elevation with historically appropriate double-hung wooden-sash windows with ogee lugs; replacing the current entry stairs with a new wooden staircase that features a straight run, closed risers, a balustrade railing with a turned

profile or turned elements and newel posts; engaging a structural engineer to investigate the foundation and implementing any necessary repairs or improvements to seismically stabilize the property; replacing or repairing the roof; repainting the primary elevation of the property; and repairing wood rot at the garage. In addition, the rehabilitation and maintenance plan will include a cycle of regular inspections and maintenance to be performed as necessary. The maintenance plan includes: inspecting the wooden elements of the facade and repainting as necessary; if damage or deterioration is found, any needed repairs will avoid altering, removing or obscuring character-defining features of the building; any necessary replacements will be made in kind; conducting periodic roof inspections; and servicing rain gutters and downspouts to ensure water is directed away from the property. No changes to the use of the property are proposed. Please refer to the attached Rehabilitation and Maintenance Plan for a full description of the proposed work. The attached draft historical property contract will help the Project Sponsor mitigate these expenditures and will induce the Project Sponsor to maintain the property in excellent condition in the future.

- b. **563-567 Waller Street:** As detailed in the Mills Act application, the Project Sponsor proposes to maintain the historic property. Staff determined that the proposed work, detailed in the attached exhibits, is consistent with the Secretary of Interior's Standards for Rehabilitation and for Restoration.

The subject property is currently valued by the Assessor's Office as under \$3,000,000 (see attached Market Analysis and Income Approach reports) and does not require an exemption.

The applicants have already completed substantial rehabilitation efforts. The proposed Rehabilitation and Maintenance Plan involves the following scopes of work: relocating the property's gas meters beneath the entry stairs; if deemed infeasible by the utility, the meters will be enclosed in a painted wood cabinet finished to match the building's existing wood cladding; performing annual inspections of the windows, roof, rain gutters, siding, paint and trim; if any damage or deterioration is found, the extent and nature of the damage will be assessed; any needed repairs will avoid altering, removing or obscuring character-defining features of the building.

No changes to the use of the property are proposed. Please refer to the attached Rehabilitation and Maintenance Plan for a full description of the proposed work. The attached draft historical property contract will help the Project Sponsor mitigate these expenditures and will induce the Project Sponsor to maintain the property in excellent condition in the future.

- c. **621 Waller Street:** As detailed in the Mills Act application, the Project Sponsor proposes to maintain the historic property. Staff determined that the proposed work, detailed in the attached exhibits, is consistent with the Secretary of Interior's Standards for Rehabilitation and for Restoration.

The subject property is currently valued by the Assessor's Office as under \$3,000,000 (see attached Market Analysis and Income Approach reports) and does not require an exemption.

The applicants have developed a thorough Rehabilitation and Maintenance Plan that involves the following scopes of work: repairing existing ornamental wrought iron at front stair and porch, including rust removal, priming and repainting; repairing existing wood windows on the front elevation, either with single-pane glazing or retrofitting the windows to accept double-glazed sashes; where retention of existing windows is not possible, all replacements will be made in kind; performing site grading and drainage work at the front of the property to direct water away from the foundation walls and entry stairs; waterproofing the building envelope and repairing leaks; repairing or reconstructing the existing rear balconies to apply new waterproofing membrane and flashing; repairing existing interior ceiling damage caused by water leakage; and repainting the exterior of the building. The maintenance plan involves a cycle of periodic inspections to inspect the wooden elements of the facade and repaint as necessary; if damage or deterioration is found, any needed repairs will avoid altering, removing or obscuring character-defining features of the building; any necessary replacements will be made in kind; servicing gutters and downspouts to remove debris and inspect for leaks; and inspecting the roof and repairing or replacing as necessary.

No changes to the use of the property are proposed. Please refer to the attached Rehabilitation and Maintenance Plan for a full description of the proposed work. The attached draft historical property contract will help the Project Sponsor mitigate these expenditures and will induce the Project Sponsor to maintain the property in excellent condition in the future.

PLANNING DEPARTMENT RECOMMENDATION

The Planning Department recommends that the Historic Preservation Commission adopt a resolution recommending approval of these Mills Act Historical Property Contracts and Rehabilitation and Maintenance Plans to the Board of Supervisors.

ISSUES AND OTHER CONSIDERATIONS

None.

HISTORIC PRESERVATION COMMISSION ACTIONS

Review and adopt a resolution for each property:

1. Recommending to the Board of Supervisors the approval of the proposed Mills Act Historical Property Contract between the property owner(s) and the City and County of San Francisco;

Director of Planning
1650 Mission Street
San Francisco, California 94103-2414

**CALIFORNIA MILLS ACT
HISTORIC PROPERTY AGREEMENT
621 WALLER STREET
SAN FRANCISCO, CALIFORNIA**

THIS AGREEMENT is entered into by and between the City and County of San Francisco, a California municipal corporation ("City") and Claude Zellweger and Renee Zellweger ("Owners").

RECITALS

Owners are the owners of the property located at 621 Waller Street, in San Francisco, California (Block 0864, Lot 023). The building located at 621 Waller Street is designated as a contributor to the Duboce Park Landmark District pursuant to Article 10 of the Planning Code and is also known as the ("Historic Property").

Owners desire to execute a rehabilitation and ongoing maintenance project for the Historic Property. Owners' application calls for the rehabilitation and restoration of the Historic Property according to established preservation standards, which it estimates will cost approximately one hundred seventeen thousand five hundred dollars (\$117,500). (See Rehabilitation Plan, Exhibit A.) Owners' application calls for the maintenance of the Historic Property according to established preservation standards, which is estimated will cost approximately one thousand two hundred and fifty dollars (\$1,250) annually (See Maintenance Plan, Exhibit B).

The State of California has adopted the "Mills Act" (California Government Code Sections 50280-50290, and California Revenue & Taxation Code, Article 1.9 [Section 439 et seq.]) authorizing local governments to enter into agreements with property Owners to reduce their property taxes, or to prevent increases in their property taxes, in return for improvement to and maintenance of historic properties. The City has adopted enabling legislation, San Francisco Administrative Code Chapter 71, authorizing it to participate in the Mills Act program.

Owners desire to enter into a Mills Act Agreement (also referred to as a "Historic Property Agreement") with the City to help mitigate its anticipated expenditures to restore and maintain the Historic Property. The City is willing to enter into such Agreement to mitigate these expenditures and to induce Owners to restore and maintain the Historic Property in excellent condition in the future.

NOW, THEREFORE, in consideration of the mutual obligations, covenants, and conditions contained herein, the parties hereto do agree as follows:

1. Application of Mills Act. The benefits, privileges, restrictions and obligations provided for in the Mills Act shall be applied to the Historic Property during the time that this Agreement is in effect commencing from the date of recordation of this Agreement.

2. Rehabilitation of the Historic Property. Owners shall undertake and complete the work set forth in Exhibit A ("Rehabilitation Plan") attached hereto according to certain standards and requirements. Such standards and requirements shall include, but not be limited to: the Secretary of the Interior's Standards for the Treatment of Historic Properties ("Secretary's Standards"); the rules and regulations of the Office of Historic Preservation of the California Department of Parks and Recreation ("OHP Rules and Regulations"); the State Historical Building Code as determined applicable by the City; all applicable building safety standards; and the requirements of the Historic Preservation Commission, the Planning Commission, and the Board of Supervisors, including but not limited to any Certificates of Appropriateness approved under Planning Code Article 10. The Owners shall proceed diligently in applying for any necessary permits for the work and shall apply for such permits not less than six (6) months after recordation of this Agreement, shall commence the work within six (6) months of receipt of necessary permits, and shall complete the work within three (3) years from the date of receipt of permits. Upon written request by the Owners, the Zoning Administrator, at his or her discretion, may grant an extension of the time periods set forth in this paragraph. Owners may apply for an extension by a letter to the Zoning Administrator, and the Zoning Administrator may grant the extension by letter without a hearing. Work shall be deemed complete when the Director of Planning determines that the Historic Property has been rehabilitated in accordance with the standards set forth in this Paragraph. Failure to timely complete the work shall result in cancellation of this Agreement as set forth in Paragraphs 13 and 14 herein.

3. Maintenance. Owners shall maintain the Historic Property during the time this Agreement is in effect in accordance with the standards for maintenance set forth in Exhibit B ("Maintenance Plan"), the Secretary's Standards; the OHP Rules and Regulations; the State Historical Building Code as determined applicable by the City; all applicable building safety standards; and the requirements of the Historic Preservation Commission, the Planning Commission, and the Board of Supervisors, including but not limited to any Certificates of Appropriateness approved under Planning Code Article 10.

4. Damage. Should the Historic Property incur damage from any cause whatsoever, which damages fifty percent (50%) or less of the Historic Property, Owners shall replace and repair the damaged area(s) of the Historic Property. For repairs that do not require a permit, Owners shall commence the repair work within thirty (30) days of incurring the damage and shall diligently prosecute the repair to completion within a reasonable period of time, as determined by the City. Where specialized services are required due to the nature of the work and the historic character of the features damaged, "commence the repair work" within the meaning of this paragraph may include contracting for repair services. For repairs that require a permit(s), Owners shall proceed diligently in applying for any necessary permits for the work and shall apply for such permits not less than sixty (60) days after the damage has been incurred, commence the repair work within one hundred twenty (120) days of receipt of the required permit(s), and shall diligently prosecute the repair to completion within a reasonable period of time, as determined by the City. Upon written request by the Owners, the Zoning Administrator, at his or her discretion, may grant an extension of the time periods set forth in this paragraph. Owners may apply for an extension by a letter to the Zoning Administrator, and the Zoning Administrator may grant the extension by letter without a hearing. All repair work shall comply with the design and standards established for the Historic Property in Exhibits A and B attached hereto and Paragraph 3 herein. In the case of damage to twenty percent (20%) or more of the Historic Property due to a catastrophic event, such as an earthquake, or in the case of damage from any cause whatsoever that destroys more than fifty percent (50%) of the Historic Property, the City and Owners may mutually agree to terminate this Agreement. Upon such termination, Owners shall not be obligated to pay the cancellation fee set forth in Paragraph 14 of this Agreement. Upon such termination, the City shall assess the full value of the Historic Property without regard to any restriction imposed upon the Historic Property by this Agreement and Owners shall pay property taxes to the City based upon the valuation of the Historic Property as of the date of termination.

5. Insurance. Owners shall secure adequate property insurance to meet Owners' repair and replacement obligations under this Agreement and shall submit evidence of such insurance to the City upon request.

6. Inspections. Owners shall permit periodic examination of the exterior and interior of the Historic Property by representatives of the Historic Preservation Commission, the City's Assessor, the Department of Building Inspection, the Planning Department, the Office of Historic Preservation of the California Department of Parks and Recreation, and the State Board of Equalization, upon seventy-two (72) hours advance notice, to monitor Owners' compliance with the terms of this Agreement. Owners shall provide all reasonable information and documentation about the Historic Property demonstrating compliance with this Agreement as requested by any of the above-referenced representatives.

7. Term. This Agreement shall be effective upon the date of its recordation and shall be in effect for a term of ten years from such date ("Initial Term"). As provided in Government Code section 50282, one year shall be added automatically to the Initial Term, on each anniversary date of this Agreement, unless notice of nonrenewal is given as set forth in Paragraph 10 herein.

8. Valuation. Pursuant to Section 439.4 of the California Revenue and Taxation Code, as amended from time to time, this Agreement must have been signed, accepted and recorded on or before the lien date (January 1) for a fiscal year (the following July 1-June 30) for the Historic Property to be valued under the taxation provisions of the Mills Act for that fiscal year.

9. Termination. In the event Owners terminates this Agreement during the Initial Term, Owners shall pay the Cancellation Fee as set forth in Paragraph 15 herein. In addition, the City Assessor shall determine the fair market value of the Historic Property without regard to any restriction imposed on the Historic Property by this Agreement and shall reassess the property taxes payable for the fair market value of the Historic Property as of the date of Termination without regard to any restrictions imposed on the Historic Property by this Agreement. Such reassessment of the property taxes for the Historic Property shall be effective and payable six (6) months from the date of Termination.

10. Notice of Nonrenewal. If in any year after the Initial Term of this Agreement has expired either the Owners or the City desires not to renew this Agreement that party shall serve written notice on the other party in advance of the annual renewal date. Unless the Owners serves written notice to the City at least ninety (90) days prior to the date of renewal or the City serves written notice to the Owners sixty (60) days prior to the date of renewal, one year shall be automatically added to the term of the Agreement. The Board of Supervisors shall make the City's determination that this Agreement shall not be renewed and shall send a notice of nonrenewal to the Owners. Upon receipt by the Owners of a notice of nonrenewal from the City, Owners may make a written protest. At any time prior to the renewal date, City may withdraw its notice of nonrenewal. If in any year after the expiration of the Initial Term of the Agreement, either party serves notice of nonrenewal of this Agreement, this Agreement shall remain in effect for the balance of the period remaining since the execution of the last renewal of the Agreement.

11. Payment of Fees. Within one month of the execution of this Agreement, City shall tender to Owners a written accounting of its reasonable costs related to the preparation and approval of the Agreement as provided for in Government Code Section 50281.1 and San Francisco Administrative Code Section 71.6. Owners shall promptly pay the requested amount within forty-five (45) days of receipt.

12. Default. An event of default under this Agreement may be any one of the following:

- (a) Owners' failure to timely complete the rehabilitation work set forth in Exhibit A in accordance with the standards set forth in Paragraph 2 herein;
- (b) Owners' failure to maintain the Historic Property in accordance with the requirements of Paragraph 3 herein;
- (c) Owners' failure to repair any damage to the Historic Property in a timely manner as provided in Paragraph 4 herein;
- (d) Owners' failure to allow any inspections as provided in Paragraph 6 herein;
- (e) Owners' termination of this Agreement during the Initial Term;
- (f) Owners' failure to pay any fees requested by the City as provided in Paragraph 11 herein;
- (g) Owners' failure to maintain adequate insurance for the replacement cost of the Historic Property; or
- (h) Owners' failure to comply with any other provision of this Agreement.

An event of default shall result in cancellation of this Agreement as set forth in Paragraphs 13 and 14 herein and payment of the cancellation fee and all property taxes due upon the Assessor's determination of the full value of the Historic Property as set forth in Paragraph 14 herein. In order to determine whether an event of default has occurred, the Board of Supervisors shall conduct a public hearing as set forth in Paragraph 13 herein prior to cancellation of this Agreement.

13. Cancellation. As provided for in Government Code Section 50284, City may initiate proceedings to cancel this Agreement if it makes a reasonable determination that Owners have breached any condition or covenant contained in this Agreement, has defaulted as provided in Paragraph 12 herein, or has allowed the Historic Property to deteriorate such that the safety and integrity of the Historic Property is threatened or it would no longer meet the standards for a Qualified Historic Property. In order to cancel this Agreement, City shall provide notice to the Owners and to the public and conduct a public hearing before the Board of Supervisors as provided for in Government Code Section 50285. The Board of Supervisors shall determine whether this Agreement should be cancelled.

14. Cancellation Fee. If the City cancels this Agreement as set forth in Paragraph 13 above, Owners shall pay a cancellation fee of twelve and one-half percent (12.5%) of the fair market value of the Historic Property at the time of cancellation. The City Assessor shall determine fair market value of the Historic Property without regard to any restriction imposed on the Historic Property by this Agreement. The cancellation fee shall be paid to the City Tax Collector at such time and in such manner as the City shall prescribe. As of the date of cancellation, the Owners shall pay property taxes to the City without regard to any restriction imposed on the Historic Property by this Agreement and based upon the Assessor's determination of the fair market value of the Historic Property as of the date of cancellation.

15. Enforcement of Agreement. In lieu of the above provision to cancel the Agreement, the City may bring an action to specifically enforce or to enjoin any breach of any condition or covenant of this Agreement. Should the City determine that the Owners has breached this Agreement, the City shall give the Owners written notice by registered or certified mail setting forth the grounds for the breach. If the Owners do not correct the breach, or if it does not undertake and diligently pursue corrective action, to the reasonable satisfaction of the City within thirty (30) days from the date of receipt of the notice, then the City may, without further notice, initiate default procedures under this Agreement as set forth in Paragraph 13 and bring any action necessary to enforce the obligations of the Owners set forth in this Agreement. The City does not waive any claim of default by the Owners if it does not enforce or cancel this Agreement.

16. Indemnification. The Owners shall indemnify, defend, and hold harmless the City and all of its boards, commissions, departments, agencies, agents and employees (individually and collectively, the "City") from and against any and all liabilities, losses, costs, claims, judgments, settlements, damages, liens, fines, penalties and expenses incurred in connection with or arising in whole or in part from: (a) any accident, injury to or death of a person, loss of or damage to property occurring in or about the Historic Property; (b) the use or occupancy of the Historic Property by the Owners, their Agents or Invitees; (c) the condition of the Historic Property; (d) any construction or other work undertaken by Owners on the Historic Property; or (e) any claims by unit or interval Owners for property tax reductions in excess those provided for under this Agreement. This indemnification shall include, without limitation, reasonable fees for attorneys, consultants, and experts and related costs that may be incurred by the City and all indemnified parties specified in this Paragraph and the City's cost of investigating any claim. In addition to Owners' obligation to indemnify City, Owners specifically acknowledge and agree that they have an immediate and independent obligation to defend City from any claim that actually or potentially falls within this indemnification provision, even if the allegations are or may be groundless, false, or fraudulent, which obligation arises at the time such claim is tendered to Owners by City, and continues at all times thereafter. The Owners' obligations under this Paragraph shall survive termination of this Agreement.

17. Eminent Domain. In the event that a public agency acquires the Historic Property in whole or part by eminent domain or other similar action, this Agreement shall be cancelled and no cancellation fee imposed as provided by Government Code Section 50288.

18. Binding on Successors and Assigns. The covenants, benefits, restrictions, and obligations contained in this Agreement shall be deemed to run with the land and shall be binding upon and inure to the benefit of all successors and assigns in interest of the Owners.

19. Legal Fees. In the event that either the City or the Owners fail to perform any of their obligations under this Agreement or in the event a dispute arises concerning the meaning or interpretation of any provision of this Agreement, the prevailing party may recover all costs and expenses incurred in enforcing or establishing its rights hereunder, including reasonable attorneys' fees, in addition to court costs and any other relief ordered by a court of competent jurisdiction. Reasonable attorneys fees of the City's Office of the City Attorney shall be based on the fees regularly charged by private attorneys with the equivalent number of years of experience who practice in the City of San Francisco in law firms with approximately the same number of attorneys as employed by the Office of the City Attorney.

20. Governing Law. This Agreement shall be construed and enforced in accordance with the laws of the State of California.

21. Recordation. Within 20 days from the date of execution of this Agreement, the City shall cause this Agreement to be recorded with the Office of the Recorder of the City and County of San Francisco.

22. Amendments. This Agreement may be amended in whole or in part only by a written recorded instrument executed by the parties hereto in the same manner as this Agreement.

23. No Implied Waiver. No failure by the City to insist on the strict performance of any obligation of the Owners under this Agreement or to exercise any right, power, or remedy arising out of a breach hereof shall constitute a waiver of such breach or of the City's right to demand strict compliance with any terms of this Agreement.

24. Authority. If the Owners sign as a corporation or a partnership, each of the persons executing this Agreement on behalf of the Owners does hereby covenant and warrant that such

entity is a duly authorized and existing entity, that such entity has and is qualified to do business in California, that the Owner has full right and authority to enter into this Agreement, and that each and all of the persons signing on behalf of the Owners are authorized to do so.

25. Severability. If any provision of this Agreement is determined to be invalid or unenforceable, the remainder of this Agreement shall not be affected thereby, and each other provision of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

26. Tropical Hardwood Ban. The City urges companies not to import, purchase, obtain or use for any purpose, any tropical hardwood or tropical hardwood product.

27. Charter Provisions. This Agreement is governed by and subject to the provisions of the Charter of the City.

28. Signatures. This Agreement may be signed and dated in parts

DRAFT REHABILITATION AND MAINTENANCE PLAN

621 Waller Street Rehabilitation and Maintenance Plan

SCOPE #1
Rehab/Restoration <input checked="" type="checkbox"/> Proposed <input checked="" type="checkbox"/>
Contract Year Work Completion: 2016
Total Cost (rounded to the nearest dollar): \$18,250
Description of Work
<p>Repair existing ornamental wrought iron (at front stair rails and porch eaves) where deteriorated or replacement with a comparable, period-appropriate rail system as reviewed by Planning Department preservation staff. Repair work to iron elements will include removal of rust, preparation of surfaces for priming and painting. Finish treatment will include 1 coat of primer and 2 coats of finish paint. Work will be in accordance with the Secretary of the Interior's <i>Standards for Rehabilitation</i>, specifically Standards 2, 5, 6 and 9. Supplemental or replacement rail systems will be selected with guidance from the National Park Service's publication, <i>ITS Number 46: Modifying Historic Interior Railings to Meet Building Code</i> (May 2007).</p>

SCOPE #2
Rehab/Restoration <input checked="" type="checkbox"/> Proposed <input checked="" type="checkbox"/>
Contract Year Work Completion: 2016
Total Cost (rounded to the nearest dollar): \$17,800
Description of Work
<p>Repair of existing wood windows on the front elevation, either as single-pane glazing or retrofitted to accept double glazing in the existing wood sashes. Where retention of the existing wood windows is not possible on the front elevation, all-wood replacement windows will match the historic wood windows in material, dimension, profiles and ogee lug moulding detail. Glazing will be transparent, and will not have added tint or low-e glazing treatment. Repair work will be conducted in accordance with the National Park Service's <i>Preservation Brief #9: The Repair of Historic Wooden Windows</i>.</p> <p>Windows not publicly visible from Waller Street will be replaced in-kind with historically appropriate, double-hung wood sash windows, to include either single or double glazing. The design of any new windows will replicate the material, dimensions, and sash profiles of the existing (presumed original) double-hung wood windows with ogee lugs.</p> <p>Maintenance of the windows will be done in accordance with the National Park Service's <i>Preservation Brief #47: Maintaining the Exterior of Small and Medium Size Historic Buildings</i>.</p>

SCOPE #4
Rehab/Restoration <input checked="" type="checkbox"/> Proposed <input checked="" type="checkbox"/>
Contract Year Work Completion: 2014
Total Cost (rounded to the nearest dollar): \$37,500
Description of Work
Waterproofing of the exterior building envelope to repair leaks along the south elevation and inhibit further moisture infiltration to the wall cavities and building interior. This work will necessitate the repair and/or reconstruction of the existing rear balconies to apply new waterproofing membrane and flashing. Structural supports may be added per Planning Code allowances to alleviate separation of the balcony from the wall plane. Replacement balcony surface will be rebuilt with a minimum 2% slope to shed water away from the building. Repair interior ceiling damage caused by leak at south wall of the property. New interior ceiling finish will match the existing in material, texture and finish.
Work to the building envelope will be in accordance with the National Park Service's <i>Preservation Brief #39: Holding the Line: Controlling Unwanted Moisture in Historic Buildings</i> and <i>Preservation Brief #47: Maintaining the Exterior of Small and Medium Size Historic Buildings</i> .

SCOPE #5
Rehab/Restoration <input checked="" type="checkbox"/> Proposed <input checked="" type="checkbox"/>
Contract Year Work Completion: 2018
Total Cost (rounded to the nearest dollar): \$21,450
Description of Work
Repaint exterior. Prior to painting, any loose and flaking paint will be thoroughly removed. The new exterior paint will be applied using 1 primer coat and 2 finish coats to ensure the greatest longevity of the finished surfaces.
Once the house has been repainted, we will inspect the wooden elements of the façade approximately every 3 years and repaint as necessary. If any damage or deterioration is found, the extent and nature of the damage will be assessed. Any needed repairs will avoid altering, removing or obscuring character-defining features of the building. If any elements are determined to be damaged or deteriorated beyond repair, replacements will be made in kind with new wood elements to match the historic building material.
Painting and maintenance of painted exterior elements will be undertaken in accordance with the National Park Service's <i>Preservation Brief #10: Exterior Paint Problems on Historic Woodwork</i> and <i>Preservation Brief #47: Maintaining the Exterior of Small and Medium Size Historic Buildings</i> .

SCOPE #6
Maintenance <input checked="" type="checkbox"/> Proposed <input checked="" type="checkbox"/>
Contract Year Work Completion: Ongoing
Total Cost (rounded to the nearest dollar): \$1,000 - \$6,000
Description of Work
We will service our gutters and downspouts approximately every other year, removing debris and inspecting for leaks. As such time we will confirm that the downspouts direct water away from the house and that no water is infiltrating the foundation. If any drainage issues are found, we will repair or replace the gutters and downspouts as necessary. Repair or replacement of the gutters will avoid altering, removing or obscuring character-defining features of the building. Work will be done in accordance with the National Park Service's <i>Preservation Brief #47: Maintaining the Exterior of Small and Medium Size Historic Buildings</i> .

621 Waller Street Rehabilitation and Maintenance Plan

SCOPE #7
Rehab/Restoration <input checked="" type="checkbox"/> Proposed <input checked="" type="checkbox"/>
Contract Year Work Completion: 2020
Total Cost (rounded to the nearest dollar): \$50,000 - \$60,000
Description of Work
We will engage a licensed roofing contractor to assess the current roof, which was deemed to be in very good condition at a 2010 inspection. We will then either repair or replace the roof with new asphalt/composition shingles, based on inspection results. Installation of the new roof, when necessary, will avoid any changes to the roof structure, removing or obscuring character-defining features of the building, including decorative elements in the gable ends, as well as eave trim and moldings. Roof replacement will be done in accordance with the National Park Service's <i>Preservation Brief #47: Maintaining the Exterior of Small and Medium Size Historic Buildings</i> .

SCOPE #8
Maintenance <input checked="" type="checkbox"/> Proposed <input checked="" type="checkbox"/>
Contract Year Work Completion: Ongoing
Total Cost (rounded to the nearest dollar):
Description of Work
Once the roof has been replaced or repaired, we will conduct periodic inspections approximately every 5 years to ensure that it remains in good condition. Any needed repairs will avoid altering, removing or obscuring character-defining features of the building. Roof inspections will be done in accordance with the National Park Service's <i>Preservation Brief #47: Maintaining the Exterior of Small and Medium Size Historic Buildings</i> .

Repair of existing wood windows on the front elevation(in the front bay and rear bay [six windows]) either as single-pane glazing or retrofitted to accept double glazing in the existing wood sashes. Where retention of the existing wood windows isn't possible than all wood replacement windows will match the historic wood windows in material, dimension, profiles and ogee lug moulding details. Glazing will be transparent and will not have added tint or low-e glazing treatment. Repair work will be in accordance with the National Park Service's Preservation Brief #9: The Repair of Historic Wooden Windows. Windows not publicly visible from Waller Street will be replaced in-kind with historically appropriate, double hung wood sash windows, to include either single or double glazing. The design of any new windows will replicate the material, dimensions, and sash profiles of the existing (presumed original) double hung wood windows with ogee lugs. Maintenance of the windows will be done in accordance with the National Park Services's Preservation Brief #47: Maintaining the Exterior of Small and Medium Size Historic Buildings.		17,800.00	17,800.00

-----------------------------------------------------------------------------------------------------------------------------------------------------------------	-----------------------------------------	-----------------------------

**Detail how the proposed work meets the Secretary of Interior Standards on a separate sheet or include as part of Rehabilitation/Restoration/Maintenance Plan.*

5. Mills Act Tax Savings:

Property owner will ensure that a portion of the Mills Act tax savings will be used to finance the preservation, rehabilitation, and maintenance of the property	YES <input checked="" type="checkbox"/>	NO <input type="checkbox"/>
------------------------------------------------------------------------------------------------------------------------------------------------------------------	-----------------------------------------	-----------------------------

4. Application for Exemption from Property Tax Valuation

If answered "no" to either question under No. 2 "Property fall under the following Property Tax Value Assessments" in the Program Priority Criteria Checklist, on a separate sheet of paper, explain how the property meets the following criteria and should be exempt from the property tax valuations. Also attach a copy of the most recent property tax bill.

1. The site, building, or object, or structure is a particularly significant resource and represents an exceptional example of an architectural style, the work of a master, or is associated with the lives of significant persons or events important to local or natural history; or
2. Granting the exemption will assist in the preservation of a site, building, or object, or structure that would otherwise be in danger of demolition, substantial alteration, or disrepair. (A historic structures report by a qualified consultant must be submitted to demonstrate meeting this requirement).

Please complete and attach the Planning Department's "Mills Act Contract" form, which can be accessed at sfplanning.org, from the Permits and Zoning and Permit Forms tab. Any modifications made to this standard City contract by the applicant or an independently prepared contract shall be subject to approval by the City Attorney prior to consideration by the Historic Preservation Commission and the Board of Supervisors, which may result in additional processing time.

(SEE ATTACHED)

6. Rehabilitation/Restoration/Maintenance Plan

Use this form to outline your rehabilitation, restoration, and maintenance plan. Copy this page as necessary to include all items that apply to your property. Begin by listing recently completed work (if applicable) and continue with work you propose to complete within the next ten years arranging in order of priority.

Please note that all applicable Codes and Guidelines apply to all work, including the Planning Code and Building Code. If components of the proposed Plan requires approvals by the Historic Preservation Commission, Planning Commission, Zoning Administrator, or any other government body, these approvals must be secured prior to applying for a Mills Act Historical Property Contract.

This plan will be included along with any other supporting documents as part of the Mills Act historical Property contract.

8. Historical Property Tax Adjustment Worksheet Calculation

The following is an example showing the possible tax benefits to the historical property owner of an owner-occupied single-family dwelling. This form is a guideline only. Your reduced property tax under a Mills Act contract is not guaranteed to match this calculation.

Determine Annual Income and Annual Operating Expenses

An \$120,000 potential gross income less a vacancy and collection loss of \$2,400 and less \$17,640 annual expenses for maintenance, repairs, insurance, and utilities yields a net annual income of \$99,960. (Mortgage payments and property taxes are not considered expenses). Estimated vacancy and collection loss is based upon what is typically happening in the marketplace. It can be different for different properties (i.e. - residential properties generally have a lower vacancy and collection loss than commercial properties). The theory is that when estimating a property's value using the income approach (the approach required for Mills Act valuations) it is reasonable to assume some rent loss due to vacancy and inability to collect rents.

Determine Capitalization Rate

Add the following together to determine the Capitalization Rate:

- The Interest Component is determined by the Federal Housing Finance Board and is based on conventional mortgages. While this component will vary from year to year, the State Board of Equalization has set this at 4.75% for 2012.
- The Historical Property Risk Component of 4% (as prescribed in Sec. 439.2 of the State Revenue and Tax Code) applies to owner-occupied single-family dwellings. A 2% risk component applies to all other Properties.
- The Property Tax Component (Post-Prop. 13) of .01 times the assessment ratio of 100% (1%).
- The Amortization Component is a percentage equal to the reciprocal of the remaining life of the structure and is set at the discretion of the County Assessor for each individual property. In this example the remaining life of the building is 60 years and the improvements represent 45% of the total property value. The amortization component is calculated thus: $1/60 = .0167 \times .45 = .0075$.

Calculate New Assessed Value and Estimated Tax Reduction

The new assessed value is determined by dividing the annual net income (\$99,960) by the capitalization rate .1067 (10.67%) to arrive at the new assessed value of \$936,832.

Lastly, determine the amount of taxes to be paid by taking the current tax rate of 1.167 (1%) of the assessed value \$26,652. Compare this with the current property tax rate for land and improvements only (be sure not to include voter indebtedness, direct assessments, tax rate areas and special districts items on your tax bill).

In this example, the annual property taxes have been reduced by \$15,719 (\$26,652 - \$10,933), an approximately 40% property tax reduction.

EXAMPLE:

Simple Property Tax Calculation
 Current Assessed Value = \$2,283,810
 Current Tax Rate = X 1.167%
 Current Property Taxes = @26,652

Assessment Using Mills Act Valuation Methodology

Potential Annual Gross Income Using Market Rent (\$10,000 per month X 12 months)	\$120,000

Dear San Francisco Property Owner:

I am writing to inform you of the **assessed value for your property as of January 1, 2013**. The assessed value is the basis for your 2013-2014 property tax bill that will be mailed to you in the fall. If you believe the current market value is less than the factored base year value, you may file a formal assessment appeal with the Assessment Appeals Board from July 2, 2013 to September 16, 2013 (see reverse side).

Attached are Frequently Asked Questions. If you have further questions, please contact us through the City & County of San Francisco's one-stop 311 Customer Service Center by dialing 3-1-1 (within San Francisco's 415 area code) or calling 415-701-2311 (outside San Francisco). Please visit our website at www.sfassessor.org for additional information.

Homeowner's Exemption Notice

If you own and occupy this property as your primary residence, you may be eligible for a homeowner's exemption. You are allowed only one homeowner's exemption in the state of California. If you are eligible and do not see an exemption amount listed in the exemption box to the left, please submit a completed Homeowner's Exemption Claim Form (available for download at www.sfassessor.org).

For last year's Assessed Value, go to: www.sftreasurer.org

Your assessed value may have changed from the previous year due to the following reasons:

1. Inflationary increase of up to 2% allowed under Proposition 13.
2. Change in ownership of your entire property or portion of property.
3. New construction, including remodeling, addition, etc.
4. Restoration of factored base year value from prior year temporary reductions due to economic conditions, fire damage, or other calamity.

Sincerely,

Carmen Chu
Assessor-Recorder

NOTE: The assessed value shown may reflect an assessment that is not up to date. Continue to pay the regular bills as issued and at a later date you will be sent a supplemental bill(s) for the difference. The assessed value is determined as of January 1, 2013. The 2013-2014 net assessed value shown above will be the basis of your 2013-2014 property tax bill. The Proposition 13 factored base year value shown above reflects your original assessment, plus adjustments for inflation, with annual increases limited to not more than 2%.

The State of California has adopted the "Mills Act" (California Government Code Sections 50280-50290, and California Revenue & Taxation Code, Article 1.9 [Section 439 et seq.) authorizing local governments to enter into agreements with property owners to reduce their property taxes, or to prevent increases in their property taxes, in return for improvement to and maintenance of historic properties. The City has adopted enabling legislation, San Francisco Administrative Code Chapter 71, authorizing it to participate in the Mills Act program.

Owners desire to enter into a Mills Act Agreement (also referred to as a "Historic Property Agreement") with the City to help mitigate its anticipated expenditures to restore and maintain the Historic Property. The City is willing to enter into such Agreement to mitigate these expenditures and to induce Owners to restore and maintain the Historic Property in excellent condition in the future.

NOW, THEREFORE, in consideration of the mutual obligations, covenants, and conditions contained herein, the parties hereto do agree as follows:

Mills Act Application

1. Application of Mills Act.

The benefits, privileges, restrictions and obligations provided for in the Mills Act shall be applied to the Historic Property during the time that this Agreement is in effect commencing from the date of recordation of this Agreement.

2. Rehabilitation of the Historic Property.

Owners shall undertake and complete the work set forth in Exhibit A ("Rehabilitation Plan") attached hereto according to certain standards and requirements. Such standards and requirements shall include, but not be limited to: the Secretary of the Interior's Standards for the Treatment of Historic Properties ("Secretary's Standards"); the rules and regulations of the Office of Historic Preservation of the California Department of Parks and Recreation ("OHP Rules and Regulations"); the State Historical Building Code as determined applicable by the City; all applicable building safety standards; and the requirements of the Historic Preservation Commission, the Planning Commission, and the Board of Supervisors, including but not limited to any Certificates of Appropriateness approved under Planning Code Article 10. The Owners shall proceed diligently in applying for any necessary permits for the work and shall apply for such permits not less than six (6) months after recordation of this Agreement, shall commence the work within six (6) months of receipt of necessary permits, and shall complete the work within three (3) years from the date of receipt of permits. Upon written request by the Owners, the Zoning Administrator, at his or her discretion, may grant an extension of the time periods set forth in this paragraph. Owners may apply for an extension by a letter to the Zoning Administrator, and the Zoning Administrator may grant the extension by letter without a hearing. Work shall be deemed complete when the Director of Planning determines that the Historic Property has been rehabilitated in accordance with the standards set forth in this Paragraph. Failure to timely complete the work shall result in cancellation of this Agreement as set forth in Paragraphs 13 and 14 herein.

3. Maintenance.

Owners shall maintain the Historic Property during the time this Agreement is in effect in accordance with the standards for maintenance set forth in Exhibit B ("Maintenance Plan"), the Secretary's Standards; the OHP Rules and Regulations; the State Historical Building Code as determined applicable by the City; all applicable building safety standards; and the requirements of the Historic Preservation Commission, the Planning Commission, and the Board of Supervisors, including but not limited to any Certificates of Appropriateness approved under Planning Code Article 10.

4. Damage.

Should the Historic Property incur damage from any cause whatsoever, which damages fifty percent (50%) or less of the Historic Property, Owners shall replace and repair the damaged area(s) of the Historic Property. For repairs that do not require a permit, Owners shall commence the repair work within thirty (30) days of incurring the damage and shall diligently prosecute the repair to completion within a reasonable period of time, as determined by the City. Where specialized services are required due to the nature of the work and the historic character of the features damaged, "commence the repair work" within the meaning of this paragraph may include contracting for repair services. For repairs that require a permit(s), Owners shall proceed diligently in applying for any necessary permits for the work and shall apply for such permits not less than sixty (60) days after the damage has been incurred, commence the repair work within one hundred twenty (120) days of receipt of the required permit(s), and shall diligently prosecute the repair to completion within a reasonable period of time, as determined by the City. Upon written request by the Owners, the Zoning Administrator, at his or her discretion, may grant an extension of the time periods set forth in this paragraph. Owners may apply for an extension by a letter to the Zoning Administrator, and the Zoning Administrator may grant the extension by letter without a hearing. All repair work shall comply with the design and standards established for the Historic Property in Exhibits A and B attached hereto and Paragraph 3 herein. In the case of damage to twenty percent (20%) or more of the Historic Property due to a catastrophic event, such as an earthquake, or in the case of damage from any cause whatsoever that destroys more than fifty percent (50%) of the Historic Property, the City and Owners may mutually agree to terminate this Agreement. Upon such termination, Owners shall not be obligated to pay the cancellation fee set forth in Paragraph 14 of this Agreement. Upon such termination, the City shall assess the full value of the Historic Property without regard to any restriction imposed upon the Historic Property by this Agreement and Owners shall pay property taxes to the City based upon the valuation of the Historic Property as of the date of termination.

5. Insurance.

Owners shall secure adequate property insurance to meet Owners' repair and replacement obligations under this Agreement and shall submit evidence of such insurance to the City upon request.

6. Inspections.

Owners shall permit periodic examination of the exterior and interior of the Historic Property by representatives of the

Historic Preservation Commission, the City's Assessor, the Department of Building Inspection, the Planning Department, the Office of Historic Preservation of the California Department of Parks and Recreation, and the State Board of Equalization, upon seventy-two (72) hours advance notice, to monitor Owners' compliance with the terms of this Agreement. Owners shall provide all reasonable information and documentation about the Historic Property demonstrating compliance with this Agreement as requested by any of the above-referenced representatives.

7. Term.

This Agreement shall be effective upon the date of its recordation and shall be in effect for a term of ten years from such date ("Initial Term"). As provided in Government Code section 50282, one year shall be added automatically to the Initial Term, on each anniversary date of this Agreement, unless notice of nonrenewal is given as set forth in Paragraph 10 herein.

8. Valuation.

Pursuant to Section 439.4 of the California Revenue and Taxation Code, as amended from time to time, this Agreement must have been signed, accepted and recorded on or before the lien date (January 1) for a fiscal year (the following July 1-June 30) for the Historic Property to be valued under the taxation provisions of the Mills Act for that fiscal year.

9. Termination.

In the event Owners terminates this Agreement during the Initial Term, Owners shall pay the Cancellation Fee as set forth in Paragraph 15 herein. In addition, the City Assessor shall determine the fair market value of the Historic Property without regard to any restriction imposed on the Historic Property by this Agreement and shall reassess the property taxes payable for the fair market value of the Historic Property as of the date of Termination without regard to any restrictions imposed on the Historic Property by this Agreement. Such reassessment of the property taxes for the Historic Property shall be effective and payable six (6) months from the date of Termination.

10. Notice of Nonrenewal

If in any year after the Initial Term of this Agreement has expired either the Owners or the City desires not to renew this Agreement that party shall serve written notice on the other party in advance of the annual renewal date. Unless the Owners serves written notice to the City at least ninety (90) days prior to the date of renewal or the City serves written notice to the Owners sixty (60) days prior to the date of renewal, one year shall be automatically added to the term of the Agreement. The Board of Supervisors shall make the City's determination that this Agreement shall not be renewed and shall send a notice of nonrenewal to the Owners. Upon receipt by the Owners of a notice of nonrenewal from the City, Owners may make a written protest. At any time prior to the renewal date, City may withdraw its notice of nonrenewal. If in any year after the expiration of the Initial Term of the Agreement, either party serves notice of nonrenewal of this Agreement, this Agreement shall remain in effect for the balance of the period remaining since the execution of the last renewal of the Agreement.

11. Payment of Fees.

Within one month of the execution of this Agreement, City shall tender to Owners a written accounting of its reasonable costs related to the preparation and approval of the Agreement as provided for in Government Code Section 50281.1 and San Francisco Administrative Code Section 71.6. Owners shall promptly pay the requested amount within forty-five (45) days of receipt.

12. Default.

An event of default under this Agreement may be any one of the following:

- (a) Owners' failure to timely complete the rehabilitation work set forth in Exhibit A in accordance with the standards set forth in Paragraph 2 herein;

- (b) Owners' failure to maintain the Historic Property in accordance with the requirements of Paragraph 3 herein;
- (c) Owners' failure to repair any damage to the Historic Property in a timely manner as provided in Paragraph 4 herein;
- (d) Owners' failure to allow any inspections as provided in Paragraph 6 herein;
- (e) Owners' termination of this Agreement during the Initial Term;
- (f) Owners' failure to pay any fees requested by the City as provided in Paragraph 11 herein;
- (g) Owners' failure to maintain adequate insurance for the replacement cost of the Historic Property; or
- (h) Owners' failure to comply with any other provision of this Agreement.

An event of default shall result in cancellation of this Agreement as set forth in Paragraphs 13 and 14 herein and payment of the cancellation fee and all property taxes due upon the Assessor's determination of the full value of the Historic Property as set forth in Paragraph 14 herein. In order to determine whether an event of default has occurred, the Board of Supervisors shall conduct a public hearing as set forth in Paragraph 13 herein prior to cancellation of this Agreement.

13. Cancellation.

As provided for in Government Code Section 50284, City may initiate proceedings to cancel this Agreement if it makes a reasonable determination that Owners have breached any condition or covenant contained in this Agreement, has defaulted as provided in Paragraph 12 herein, or has allowed the Historic Property to deteriorate such that the safety and integrity of the Historic Property is threatened or it would no longer meet the standards for a Qualified Historic Property. In order to cancel this Agreement, City shall provide notice to the Owners and to the public and conduct a public hearing before the Board of Supervisors as provided for in Government Code Section 50285. The Board of Supervisors shall determine whether this Agreement should be cancelled.

14. Cancellation Fee.

If the City cancels this Agreement as set forth in Paragraph 13 above, Owners shall pay a cancellation fee of twelve and one-half percent (12.5%) of the fair market value of the Historic Property at the time of cancellation. The City Assessor shall determine fair market value of the Historic Property without regard to any restriction imposed on the Historic Property by this Agreement. The cancellation fee shall be paid to the City Tax Collector at such time and in such manner as the City shall prescribe. As of the date of cancellation, the Owners shall pay property taxes to the City without regard to any restriction imposed on the Historic Property by this Agreement and based upon the Assessor's determination of the fair market value of the Historic Property as of the date of cancellation.

15. Enforcement of Agreement.

In lieu of the above provision to cancel the Agreement, the City may bring an action to specifically enforce or to enjoin any breach of any condition or covenant of this Agreement. Should the City determine that the Owners has breached this Agreement, the City shall give the Owners written notice by registered or certified mail setting forth the grounds for the breach. If the Owners do not correct the breach, or if it does not undertake and diligently pursue corrective action, to the reasonable satisfaction of the City within thirty (30) days from the date of receipt of the notice, then the City may, without further notice, initiate default procedures under this Agreement as set forth in Paragraph 13 and bring any action necessary to enforce the obligations of the Owners set forth in this Agreement. The City does not waive any claim of default by the Owners if it does not enforce or cancel this Agreement.

16. Indemnification.

The Owners shall indemnify, defend, and hold harmless the City and all of its boards, commissions, departments, agencies, agents and employees (individually and collectively, the "City") from and against any and all liabilities, losses, costs, claims, judgments, settlements, damages, liens, fines, penalties and expenses incurred in connection with or arising in whole or in part from: (a) any accident, injury to or death of a person, loss of or damage to property occurring in or about the Historic Property; (b) the use or occupancy of the Historic Property by the Owners, their Agents or Invitees; (c) the condition of the Historic Property; (d) any construction or other work undertaken by Owners on the Historic Property; or (e) any claims by unit or interval Owners for property tax reductions in excess those provided for under this Agreement. This indemnification shall include, without limitation, reasonable fees for attorneys, consultants, and experts and related costs that may be incurred by the City and all indemnified parties specified in this Paragraph and the City's cost of investigating any claim. In addition to Owners' obligation to indemnify City, Owners specifically acknowledge and agree that they have an immediate and independent obligation to defend City from any claim that actually or potentially falls within this indemnification provision, even if the allegations are or may be groundless, false, or fraudulent, which obligation arises at the time such claim is tendered to Owners by City, and continues at all times thereafter. The Owners' obligations under this Paragraph shall survive termination of this Agreement.

17. Eminent Domain.

In the event that a public agency acquires the Historic Property in whole or part by eminent domain or other similar action, this Agreement shall be cancelled and no cancellation fee imposed as provided by Government Code Section 50288.

18. Binding on Successors and Assigns.

The covenants, benefits, restrictions, and obligations contained in this Agreement shall be deemed to run with the land and shall be binding upon and inure to the benefit of all successors and assigns in interest of the Owners.

19. Legal Fees.

In the event that either the City or the Owners fail to perform any of their obligations under this Agreement or in the event a dispute arises concerning the meaning or interpretation of any provision of this Agreement, the prevailing party may recover all costs and expenses incurred in enforcing or establishing its rights hereunder, including reasonable attorneys' fees, in addition to court costs and any other relief ordered by a court of competent jurisdiction. Reasonable attorneys fees of the City's Office of the City Attorney shall be based on the fees regularly charged by private attorneys with the equivalent number of years of experience who practice in the City of San Francisco in law firms with approximately the same number of attorneys as employed by the Office of the City Attorney.

20. Governing Law.

This Agreement shall be construed and enforced in accordance with the laws of the State of California.

21. Recordation.

Within 20 days from the date of execution of this Agreement, the City shall cause this Agreement to be recorded with the Office of the Recorder of the City and County of San Francisco.

22. Amendments.

This Agreement may be amended in whole or in part only by a written recorded instrument executed by the parties hereto in the same manner as this Agreement.

23. No Implied Waiver.

No failure by the City to insist on the strict performance of any obligation of the Owners under this Agreement or to exercise any right, power, or remedy arising out of a breach hereof shall constitute a waiver of such breach or of the City's right to demand strict compliance with any terms of this Agreement.

24. Authority.

If the Owners sign as a corporation or a partnership, each of the persons executing this Agreement on behalf of the Owners does hereby covenant and warrant that such entity is a duly authorized and existing entity, that such entity has and is qualified to do business in California, that the Owner has full right and authority to enter into this Agreement, and that each and all of the persons signing on behalf of the Owners are authorized to do so.

25. Severability.

If any provision of this Agreement is determined to be invalid or unenforceable, the remainder of this Agreement shall not be affected thereby, and each other provision of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

26. Tropical Hardwood Ban.

The City urges companies not to import, purchase, obtain or use for any purpose, any tropical hardwood or tropical hardwood product.

27. Charter Provisions.

This Agreement is governed by and subject to the provisions of the Charter of the City.

23. Signatures.

This Agreement may be signed and dated in parts
