3 \_\_\_\_\_ and is incorporated herein by reference. The Board of Supervisors affirms  
4 this determination.

5 (2) Pursuant to Planning Code Section 302, the Board of Supervisors finds that  
6 the proposed landmark designation of Engine Company No. 44 / Adams-Van Hoesen House  
7 will serve the public necessity, convenience, and welfare for the reasons set forth in Historic  
8 Preservation Commission Resolution No. \_\_\_\_\_, recommending approval of the

10 (3) The Board of Supervisors finds that the proposed landmark designation of  
11 the Engine Company No. 44 / Adams-Van Hoesen House is consistent with the General Plan  
12 and with Planning Code Section 101.1(b) for the reasons set forth in Historic Preservation  
13 Commission Resolution No. \_\_\_\_\_, which is incorporated herein by reference.

14 (b) General Findings.

15 (1) On March 3, 2026, the Board of Supervisors adopted Resolution No. 100-  
16 26, initiating landmark designation of Engine Company No. 44 / Adams-Van Hoesen House  
17 as a San Francisco Landmark pursuant to Section 1004.1 of the Planning Code. On March 3,

19 of Supervisors in File No. 260053.

20 (2) Pursuant to Charter Section 4.135, the Historic Preservation Commission  
21 has authority “to recommend approval, disapproval, or modification of landmark designations  
22 and historic district designations under the Planning Code to the Board of Supervisors.”

23 (3) The Landmark Designation Fact Sheet dated May 20, 2026 was prepared  
24 by Planning Department Preservation staff. All preparers meet the Secretary of the Interior’s  
25 Professional Qualification Standards for historic preservation program staff, as set forth in

1 Code of Federal Regulations Title 36, Part 61, Appendix A. The report was reviewed for  
2 accuracy and conformance with the purposes and standards of Article 10 of the Planning  
3 Code. A copy of the Landmark Designation Fact Sheet is on file with the Clerk of the Board of  
4 Supervisors in File No. \_\_\_\_\_ and is incorporated herein by reference.

5 (4) The Historic Preservation Commission, at its regular meeting of May 20,  
6 2026, reviewed Planning Department staff's analysis of the historical significance of Engine  
7 Company No. 44 / Adams-Van Hoesen House set forth in the Landmark Designation Fact  
8 Sheet.

9 (5) On May 20, 2026, after holding a public hearing on the proposed

16 (6) The Board of Supervisors hereby finds that Engine Company No. 44 /  
17 Adams-Van Hoesen House has a special character and special historical, cultural,  
18 architectural, and aesthetic interest and value, and that its designation as a landmark will  
19 further the purposes of and conform to the standards set forth in Article 10 of the Planning  
20 Code. In doing so, the Board of Supervisors hereby incorporates by reference the findings of  
21 the Landmark Designation Fact Sheet.

23 Section 2. Designation.

24 Pursuant to Section 1004.3 of the Planning Code, the Engine Company No. 44 /

1 Lot No. 018, is hereby designated as a San Francisco landmark consistent with the standards  
2 set forth in Section 1004. Appendix A to Article 10 of the Planning Code is hereby amended to

4  
5 Section 3. Required Data.

6 (a) The description, location, and boundary of the landmark site consists of the  
7 footprint of the Engine Company No. 44 / Adams-Van Hoesen House, located on Assessor's  
8 Parcel Block No. 3622, Lot No. 018, on the north side of 22nd Street between Noe and Castro  
9 Streets in San Francisco's Noe Valley neighborhood, as shown in the Landmark Designation  
10 Fact Sheet.

11 (b) The characteristics of the landmark that justify its designation are described and  
12 shown in the Landmark Designation Fact Sheet and other supporting materials contained in  
13 Planning Department Record Docket No. 2026-001911DES. In brief, the Engine Company  
14 No. 44 / Adams-Van Hoesen House, located at 3816 22nd Street, is eligible for local  
15 designation as an intact example of a Mission Revival firehouse, as well as being the long-  
16 term home and studios of well-known San Francisco artists Mark Adams and Beth Van  
17 Hoesen. The property was constructed in 1909 as a firehouse, with a service area including  
18 the Noe Valley and Castro neighborhoods. The firehouse was known as a "hill company" in  
19 the day of horse-drawn fire engines, when firehouses had to be perched on each high hill to  
20 ensure quick responses. The property was purchased by Adams and Van Hoesen in 1959  
21 and served as their home and studios for nearly fifty years. Adams was known for his career  
22 in tapestry and stained-glass, with notable work including stained glass for Temple Emanu-El  
23 and Grace Episcopal Cathedral. Van Hoesen was known for her prints and drawings of  
24 animals and botanical subjects, with work in numerous public collections throughout the  
25

1 United States. Out of the property the couple hosted art events attended by other well-known  
2 artists including Wayne Thiebaud and Theophilus Brown.
