Senate Bill 1 Road Maintenance and Rehabilitation Account

In April 2017, Governor of California Jerry Brown signed Senate Bill 1, the Road Repair and Accountability Act of 2017 (SB1), which through tax and fee increases, will raise over \$5 billion annually in new transportation revenues for the State of California.

\$1.5 billion of the total annual SB1 revenue is earmarked for local streets and roads maintenance and rehabilitation in the Road Maintenance and Rehabilitation Account (RMRA). California's counties and cities receive an annual share from RMRA.

On January 18, 2020, California State Association of Counties (CSAC) released San Francisco's Fiscal Year 2020-21 county and city share. San Francisco is estimated to receive \$24.5 million in Fiscal Year 2020-21. Prior to receiving an apportionment of Road Maintenance and Rehabilitation Account (RMRA) funds from the California State Controller, San Francisco must identify and approve which projects will receive RMRA funds. San Francisco Public Works' Street Resurfacing program has identified seven (7) projects to receive RMRA funding next fiscal year:

- Public Works Various Locations Pavement Renovation No 51
- Public Works Fulton St and Grove St Pavement Renovation
- Public Works Various Locations Pavement Renovation No 52
- Public Works Various Locations Pavement Renovation No 53
- Public Works Various Locations Pavement Renovation No 54
- Public Works Various Locations Pavement Renovation No 55
- Public Works Various Locations Pavement Renovation No 56
