The Grover Cleveland Democratic Club strenuously opposes the recent resolution, introduced by Supervisor Hillary Ronen, that would make it easier for transgendered sex offenders to evade detection and public scrutiny, and are frankly shocked that the mother of a young daughter would propose putting children in danger.

Our club supports gay and lesbian rights, but we consider spending taxpayer money on and coddling men who claim to be transgendered a bridge too far. Many of our members are Asian-American, and given the violence against the API community and the hypersexualization and exotification of Asian women, there is a lot of discomfort around individuals with a penis elbowing their way into women's spaces. We especially urge Connie Chan, the only Asian woman on the board, to oppose this.

Furthermore, transgendered ideology is anathema to the African-American community because of the forced feminization and rape of slaves. We also need to protect women and children from criminals, and given the amount of crimes committed by transgender people, allowing them to cover up their records is dangerous.

For the sake of our young girls, please oppose this horrible resolution. We don't want these circus freaks feeling free to gratify themselves in front of our children.

The Grover Cleveland Democratic Club Of San Francisco is a forum for moderate and conservative Democrats who feel left out of the elite circles of the city we call home. We support clean streets, toughness on crime, business friendly taxation and regulations, common sense, and a better quality of life for all in this city. We must secure a safe and prosperous future for our children in San Francisco.
