Borrower understands and agrees that neither entry by City into this Agreement nor any approvals given by City under this Agreement will be deemed to imply that Borrower will obtain any required approvals from City departments, boards or commissions which have jurisdiction over the Property. By entering into this Agreement, City is in no way modifying or limiting the obligations of Borrower to develop the Property in accordance with all local laws. Borrower understands that any development of the Property will require approvals, authorizations and permits from governmental agencies with jurisdiction over the Property, which may include, without limitation, the San Francisco City Planning Commission and the San Francisco Board of Supervisors. Notwithstanding anything to the contrary in this Agreement, no party is in any way limiting its discretion or the discretion of any department, board or commission with jurisdiction over the Project, including but not limited to a party hereto, from exercising any discretion available to such department, board or commission with respect thereto, including but not limited to the discretion to (i) make such modifications deemed

necessary to mitigate significant environmental impacts, (ii) select other feasible alternatives to avoid such impacts, including the "No Project" alternative; (iii) balance the benefits against unavoidable significant impacts prior to taking final action if such significant impacts cannot otherwise be avoided, or (iv) determine not to proceed with the proposed Project.

Subject to approval by the City's Risk Manager of the insurers and policy forms, Borrower will procure and keep in effect, and cause its contractors and subcontractors to obtain and maintain at all times during any work or construction activities on the Site, the insurance and bonds as set forth in **Exhibit L** from the date the Deed of Trust is recorded in the Official Records] until the expiration of the Compliance Term at no expense to the City.
- Borrower's Indemnity Obligations. Borrower will indemnify, protect, defend and hold harmless each of the Indemnitees from and against any and all Losses arising out of: (a) any default by Borrower in the observance or performance of any of Borrower's obligations under the City Documents (including those covenants set forth in Article 18 below); (b) any failure of any representation by Borrower to be correct in all respects when made; (c) injury or death to persons or damage to property or other loss occurring on or in connection with the Site or the Project, whether caused by the negligence or any other act or omission of Borrower or any other person or by negligent, faulty, inadequate or defective design, building, construction, rehabilitation or maintenance or any other condition or otherwise; (d) any claim of any surety in connection with any bond relating to the construction or rehabilitation of any improvements or offsite improvements; (e) any claim, demand or cause of action, or any action or other proceeding, whether meritorious or not, brought or asserted against any Indemnitee that relates to or arises out of the City Documents, the Loan, the Site or the Project or any transaction contemplated by, or the relationship between Borrower and the City or any action or inaction by the City under, the City Documents; (f) the occurrence, until the expiration of the Compliance Term, of any Environmental Activity or any failure of Borrower or any other person to comply with all applicable Environmental Laws relating to the Project or the Site; (g) the occurrence, after the Compliance Term, of any Environmental Activity resulting directly or indirectly from any Environmental Activity occurring before the expiration of the Compliance Term; (h) any liability of any nature arising from Borrower's contest of or relating to the application of any Law, including any contest permitted under Sections 9.1, 9.2 and 18.2; or (i) any claim, demand or cause of action, or any investigation, inquiry, order, hearing, action or other proceeding by or before any Governmental Agency, whether meritorious or not, that directly or indirectly relates to, arises from or is based on the occurrence or allegation of any of the matters described in clauses (a) through (h) above, provided that no Indemnitee will be entitled to indemnification under this Section for matters caused solely by its own gross negligence or willful misconduct.

- Duty to Defend. Borrower acknowledges and agrees that its obligation to defend the Indemnitees under Section 17.2: (a) is an immediate obligation, independent of its other obligations hereunder; (b) applies to any Loss which actually or potentially falls within the scope of Section 17.2, regardless of whether the allegations asserted in connection with such Loss are or may be groundless, false or fraudulent; and (c) arises at the time the Loss is tendered to Borrower by the Indemnitee and continues at all times thereafter. In the event any action or proceeding is brought against an Indemnitee by reason of a claim arising out of any Loss for which Borrower has indemnified the Indemnitees, upon written notice, Borrower will answer and otherwise defend the action or proceeding using counsel approved in writing by the Indemnitee at Borrower's sole expense. Each Indemnitee will have the right, exercised in its sole discretion, but without being required to do so, to defend, adjust, settle or compromise any claim, obligation, debt, demand, suit or judgment against the Indemnitee in connection with the matters covered by this Agreement. The Indemnitee will give Borrower prompt notice of any Loss and Borrower has the right to defend, settle and compromise any such Loss; provided, however, that the Indemnitee has the right to retain its own counsel at the expense of Borrower if representation of such Indemnitee by the counsel retained by Borrower would be inappropriate due to conflicts of interest between such Indemnitee and Borrower. An Indemnitee's failure to notify Borrower promptly of any Loss does not relieve Borrower of any liability to such Indemnity under Section 17.2, unless such failure materially impairs Borrower's ability to defend such Loss. Borrower will seek the Indemnified Party's prior written consent to settle or compromise any Loss if Borrower contends that such Indemnitee shares in liability with respect thereto.
- 17.4 <u>No Limitation</u>. Borrower's obligations under **Section 17.2** are not limited by the insurance requirements under this Agreement.
- 17.5 <u>Survival</u>. The provisions of this Section will survive the repayment of the Loan and/or termination of this Agreement.

ARTICLE 8 HAZARDOUS SUBSTANCE.

18.1 <u>Borrower's Representations</u>. Borrower represents and warrants to the City that, to the best of Borrower's actual knowledge, without independent investigation or inquiry as of the Agreement Date, the following statements are true and correct except as disclosed in the following reports: a) Pre-Demolition Hazardous Buildings Materials Survey dated May 1, 2025 prepared by SCA Environmental, Inc., b) Phase I Environmental Site Assessment Report dated January 6, 2025 prepared by AEW Engineering, Inc., and c) Phase II Environmental Site Assessment Report dated May 28, 2025 prepared by AEW Engineering, Inc., or otherwise in writing: (a) the Site is not in violation of any Environmental Laws; (b) the Site is not now, nor has it been, used for the manufacture, use, storage, discharge, deposit, transportation or disposal of any Hazardous Substances, except in limited quantities customarily used in residences and offices and in compliance with Environmental Laws; (c) the Site does not consist of any landfill or contain any underground storage tanks; (d) the improvements on the Site do not consist of any asbestos-containing material or building materials that contain any other Hazardous Substances; (e) no release of any Hazardous Substances in the improvements on the Site has occurred or in, on, under or about the Site; and (f) the Site is not subject to any claim by any Governmental

Agency or third party related to any Environmental Activity or any inquiry by any Governmental Agency (including the California Department of Toxic Substances Control and the Regional Water Quality Control Board) with respect to the presence of Hazardous Substances in the improvements on the Site or in, on, under or about the Site, or the migration of Hazardous Substances from or to other real property.

- 18.2 <u>Covenant</u>. Unless the City otherwise consents in writing, at all times from and after the date of this Agreement, at its sole expense, Borrower will: (a) comply with all applicable Environmental Laws relating to the Site and the Project, and not engage in or otherwise permit the occurrence of any Environmental Activity in violation of any applicable Environmental Laws or that is not customary and incidental to the intended use of the Site, *provided that* nothing contained in this Section will prevent Borrower from contesting, in good faith and by appropriate proceedings, any interpretation or application of Environmental Laws; and (b) deliver to the City notice of the discovery by Borrower of any event rendering any representation contained in this Section incorrect in an" respect promptly following Borrower's discovery.
- 18.3 <u>Survival</u>. Borrower and City agree that this Article 18 is intended as City's written request for information (and Borrower's response) concerning the environmental condition of the Site as security as required by California Code of Civil Procedure § 726.5; and each provision in this Article (together with any indemnity applicable to a breach of any such provision) with respect to the environmental condition of the Site as security is intended by City and Borrower to be an "environmental provision" for purposes of California Code of Civil Procedure § 736, and as such it is expressly understood that Borrower's duty to indemnify City hereunder will survive: (a) any judicial or non-judicial foreclosure under the Deed of Trust, or transfer of the Property in lieu thereof, (b) the release and reconveyance or cancellation of the Deed of Trust; and (c) the satisfaction of all of Borrower's obligation under the City Documents.

ARTICLE 19 DEFAULT.

- 19.1 <u>Event of Default</u>. - (b) Any lien is recorded against all or any part of the Site or the Project without the City's prior written consent, whether prior or subordinate to the lien of the Deed of Trust or Declaration of Restrictions, and the lien is not removed from title or otherwise remedied to the City's satisfaction within thirty (30) days after Borrower's receipt of written notice from the City to cure the default, or, if the default cannot be cured within a 30-day period, Borrower will have sixty (60) days to cure the default, or any longer period of time deemed necessary by the City, *provided that* Borrower commences to cure the default within the 30-day period and diligently pursues the cure to completion; or

- (c) Borrower fails to perform or observe any other term, covenant or agreement contained in any City Document, and the failure continues for thirty (30) days after Borrower's receipt of written notice from the City to cure the default, or, if the default cannot be cured within a 30-day period, Borrower will have sixty (60) days to cure the default, or any longer period of time deemed necessary by the City, *provided that* Borrower commences to cure the default within the 30-day period and diligently pursues the cure to completion; or
- (d) Any representation or warranty made by Borrower in any City Document proves to have been incorrect in any material respect when made; or
- (e) All or a substantial or material portion of the improvements on the Site is damaged or destroyed by fire or other casualty, and the City has determined upon restoration or repair that the security of the Deed of Trust has been impaired or that the repair, restoration or replacement of the improvements in accordance with the requirements of the Deed of Trust is not economically practicable or is not completed within two (2) years of the receipt of insurance proceeds; or all or a substantial or material portion of the improvements is condemned, seized or appropriated by any non-City Governmental Agency or subject to any action or other proceeding instituted by any non-City Governmental Agency for any purpose with the result that the improvements cannot be operated for their intended purpose; or
- (f) Borrower is dissolved or liquidated or merged with or into any other entity; or, if Borrower is a corporation, partnership, limited liability company or trust, Borrower ceases to exist in its present form and (where applicable) in good standing and duly qualified under the laws of the jurisdiction of formation and California for any period of more than ten (10) days; or, if Borrower is an individual, Borrower dies or becomes incapacitated; or all or substantially all of the assets of Borrower are sold or otherwise transferred except as permitted under **Section 16.1**; or

- (l) Any material adverse change occurs in the financial condition or operations of Borrower, such as a loss of services funding or rental subsidies, that has a material adverse impact on the Project, provided that, if the Borrower provides an alternate funding source to cover a loss of funding or rental subsidy that is reasonably satisfactory to the City, a material adverse impact will not be deemed to have occurred; or
- (m) Borrower fails to make any payments or disbursements required to bring the Loan in balance after the City determines that the Loan is out of balance; or

- (p) Borrower is in default of its obligations under any other agreement entered into with the City and County of San Francisco, and the default remains uncured following the expiration of any applicable cure periods.

Notwithstanding the foregoing, the Limited Partner will have the right to cure any Event of Default, and City will accept or reject such cure on the same terms as if rendered by Borrower.]

- 19.2 <u>Remedies</u>. During the pendency of an uncured Event of Default, the City may exercise any right or remedy available under this Agreement or any other City Document or at law or in equity. All of the City's and remedies following an Event of Default are cumulative, including:
- (a) The City at its option may declare the unpaid principal balance of the Note, together with default interest as provided in the Note and any other charges due under the Note and the other City Documents, immediately due and payable without protest, presentment,

notice of dishonor, demand or further notice of any kind, all of which Borrower expressly waives.

- (b) The City at its option may terminate all commitments to make Disbursements or to release the Site from the Deed of Trust or Declaration of Restrictions, or, without waiving the Event of Default, the City may determine to make further Disbursements or to release all or any part of the Site from the Deed of Trust or Declaration of Restrictions Ion terms and conditions satisfactory to the City in its sole discretion.
- (c) The City may perform any of Borrower's obligations in any manner, in the City's reasonable discretion.
- (d) The City, either directly or through an agent or court-appointed receiver, may take possession of the Project and enter into contracts and take any other action the City deems appropriate to complete or construct all or any part of the improvements, subject to modifications and changes in the Project the City deems appropriate.

- (f) Upon the occurrence of an Event of Default described in **Section 19.1(k)**, the unpaid principal balance of the Note, together with default interest as provided in the Note and any other charges due under the Note and the other City Documents, will become due and payable automatically.
- (g) All costs, expenses, charges and advances of the City in exercising its remedies or to protect the Project will be deemed to constitute a portion of the principal balance of the Note, even if it causes the principal balance to exceed the face amount of the Note, unless Borrower reimburses the City within ten (10) days of the City's demand for reimbursement.
- 19.3 Force Majeure. The occurrence of any of the following events will excuse performance of any obligations of the City or Borrower rendered impossible to perform while the event continues: strikes; lockouts; labor disputes; acts of God; inability to obtain labor, materials or reasonable substitutes for either; governmental restrictions, regulations or controls, including, but not limited to, government health orders related to a pandemic or epidemic; judicial orders; enemy or hostile governmental actions; civil commotion; fire or other casualty and other causes beyond the control of the part' obligated to perform. The occurrence of a force majeure event will excuse Borrower's performance only in the event that Borrower has provided notice to the City within thirty (30) days after the occurrence or commencement of the event or events, and Borrower's performance will be excused for a period ending thirty (30) days after the termination of the event giving rise to the delay.
- 19.4 <u>City's Recourse</u>. The City's recourse against Borrower following an Event of Default is limited as set forth more specifically in the Notes.

- (b) When duly executed, the City Documents will constitute the legal, valid and binding obligations of Borrower. Borrower hereby waives any defense to the enforcement of the City Documents related to alleged invalidity of the City Documents.
- (c) No action, suit or proceeding is pending or threatened that might affect Borrower or the Project adversely in any material respect.

Further, Borrower certifies that neither it nor any of its principals is listed by the General Services Administration as debarred, suspended, ineligible or voluntarily excluded from receiving the Funds on the Agreement Date. - (f) The Loan is in balance, and the Funding Amount, together with all other committed sources of financing for the Project, are sufficient to complete the Project in accordance with this Agreement.
- (g) All statements and representations made by Borrower in connection with the Loan remain true and correct as of the date of this Agreement.

ARTICLE 22 GENERAL PROVISIONS.

- 22.1 <u>Subordination</u>. The Deed of Trust may be subordinated to other financing secured by and used for development of the Project (in each case, a "**Senior Lien**"), but only if MOHCD determines in its sole discretion that subordination is necessary to secure adequate acquisition, construction, rehabilitation and/or permanent financing to ensure the viability of the Project. Following review and approval by MOHCD and approval as to form by the City Attorney's Office, the Director of MOHCD or his/her successor or designee will be authorized to execute any approved subordination agreement without the necessity of any further action or approval. Except as allowed under Administrative Code Chapter 120, the Declaration of Restrictions will not be subordinated to any financing secured by and used for the Project.
- 22.2 <u>No Third Party Beneficiaries</u>. Nothing contained in this Agreement, nor any act of the City, may be interpreted or construed as creating the relationship of third party beneficiary, limited or general partnership, joint venture, employer and employee, or principal and agent between the City and Borrower or Borrower's agents, employees or contractors.
- 22.3 <u>No Claims by Third Parties</u>. Nothing contained in this Agreement creates or justifies any claim against the City by any person or entity with respect to the purchase of materials, supplies or equipment, or the furnishing or the performance of any work or services with respect to the Project. Borrower will include this requirement as a provision in any contracts for the development of the Project.
- 22.4 <u>Entire Agreement</u>. This Agreement and its Exhibits incorporate the terms of all agreements made by the City and Borrower with regard to the subject matter of this Agreement. EXHIBIT A

Schedules of Income and Rent Restrictions

1. <u>Income and Rent Restrictions</u>. Maximum rent is 30% of maximum income level. As used in this Agreement, the term "Qualified Tenant" includes each category of Tenant included below:

Unit Size	No. of Units	Maximum Income Level
Studio	60	50% of Median Income
1BR	22	50% of Median Income
NPLH	20	30% of Median Income as Determined
Studio		by NPLH Regulations
NPLH	20	30% of Median Income as Determined
1BR		by NPLH Regulations
Studio	9	20% of Median Income
1BR	5	20% of Median Income
TOTAL	136	

All Units will be made available to Qualified Tenants who are formerly Homeless or those at risk of homelessness during the period in which (1) if applicable, the City's Local Operating Subsidy program is in operation and the City provides such subsidy to the Project under the LOSP grant agreement, and/or (2) SFHA provides housing assistance payments to the Project under the HAP.

Forty (40) of the total Units will be concurrently No Place Like Home ("NPLH") units and targeted to Tenants who meet the Homeless Household under No Place Like Home (NPLH) Criteria for a period of 55 years. NPLH units are restricted to 30% of Median Income as determined by NPLH Regulations, however such income limit for the NPLH units may be increased to a maximum of 50% of Median Income as determined by NPLH Regulations consistent with the provisions under the NPLH Program Guidelines. On an annual basis, Borrower will convert to the Median Income as determined by NPLH Regulations and maximum rent to the corresponding published MOHCD maximum income level and maximum rent level, respectively, and provide MOHCD with supporting documentation.

NPLH units must be operated under the requirements of NPLH as listed in Addendum 1 of MOHCD's Underwriting Guidelines updated November 4, 2022, and as also included in the Local Operating Subsidy Program Policies & Procedures Manual.

If either the HAP or LOSP grant agreement (if any) is terminated, discontinued, reduced, or otherwise insufficient to fund operations at no fault of Borrower with respect to the Project, then the rent restrictions above may be altered but only to the extent necessary for the Project to remain financially feasible, as determined in City's reasonable discretion; provided that:

- (a) Borrower diligently pursues an additional or alternative source of income or subsidy acceptable to the City to replace the rental subsidies.
- (b) Any Unit will at all times be occupied by Qualified Tenants whose household income does not exceed sixty percent (60%) of Median Income and the monthly rent paid by the Qualified Tenants may not exceed (a) thirty percent (30%) of sixty percent (60%) of Median Income, (b) less utility allowance. Notwithstanding the foregoing sentence, the maximum rent and income for any NPLH unit may only be altered pursuant to the NPLH program during the 55 year period. To the extent financially feasible, as mutually determined by the Parties, any such rent increase will be limited to (or will be first implemented with) any vacant units.
- (c) If the Project continues to demonstrate financially infeasibility after the rent alterations above, to the extent financially feasible as determined in City's reasonable discretion, the City will waive the income restriction of sixty percent (60%) of Median Income as described in subsection (b) above, and allow Borrower to increase rents to the extent necessary for Project to remain financially feasible (not past TCAC maximums); provided any Unit must at all times be occupied by Qualified Tenants whose household income does not exceed sixty percent (60%) of area median income, as published by TCAC (the "TCAC Median Income"), and the monthly rent paid by the Qualified Tenants may not exceed (a) thirty percent (30%) of sixty percent (60%) of TCAC Median Income (b) less utility allowance. On an annual basis, Borrower will convert to the TCAC Median Income and maximum rent to the corresponding published MOHCD maximum income level and maximum rent level, respectively, and provide MOHCD with supporting documentation.

In such event the Project is financially infeasible, the City will use good faith efforts to meet with Borrower within fifteen (15) days after Borrower's request to meet. The relief provided by the foregoing will not be construed as authorizing Borrower to exceed any income or rent restriction imposed on the Project by CDLAC, CTCAC, or under any other agreement. Borrower covenants and warrants that it will obtain all necessary approvals or relief from any other applicable income or rent limitations before implementing the relief provided in this paragraph.

- 2. <u>Rent and Utilities</u>. The total amount for rent and utilities (with the maximum allowance for utilities determined by the San Francisco Housing Authority) charged to a Qualified Tenant may not exceed the greater of:
- (i) thirty percent (30%) of the applicable maximum income level, adjusted for household size; or
- (ii) the tenant paid portion of the contract rent as determined by the San Francisco Housing Authority for Qualified Tenants holding Section 8 vouchers or certificates.

Rents may be increased as permitted pursuant to Section 7.3 of the Agreement.

[Under the true debt test required by the Internal Revenue Code, MOHCD will consider increases to the maximum income levels for the sole purpose of and to the extent needed for the Project to comply with the Internal Revenue Code. Any additional increases to the maximum income for the Project will contain the same conditions as Section 1(c) above.]

EXHIBIT D

First Source Hiring Requirements and Numerical Goals

Borrower's use of Funds triggers the following hiring requirements imposed by the City's First Source Hiring Ordinance (San Francisco Administrative Code Chapter 83) as incorporated into MOHCD's Section 3 Plan. Borrower will, or will require its general contractor to, separately execute a First Source Hiring Agreement with the City as set forth below, although the lack of such a separate execution will not affect the requirements of Chapter 83 as incorporated herein.

- A. <u>Incorporation of Administrative Code Provisions by Reference</u>. The provisions of Chapter 83 of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Contractor will comply fully with, and be bound by, all of the provisions that apply to this Agreement under such Chapter, including but not limited to the remedies provided therein. Capitalized terms used in this Section and not defined in this Agreement have the meanings assigned to such terms in Chapter 83.
- B. <u>First Source Hiring Agreement</u>. On or before the effective date of the Ground Lease, Borrower will, or will require its general contractor to, enter into a first source hiring agreement ("FSH Agreement") with the City, that will include the terms as set forth in Section 83.9(b). Borrower also enter into a FSH Agreement with the City for any other work that it performs in the City.
- C. <u>Hiring Decisions</u>. Borrower or its general contractor will make the final determination of whether an Economically Disadvantaged Individual referred by the System is "qualified" for the position.
- D. <u>Exceptions</u>. Upon application by Contractor, the First Source Hiring Administration may grant an exception to any or all of the requirements of Chapter 83 in any situation where it concludes that compliance with this Chapter would cause economic hardship.
- E. Liquidated Damages. Borrower agrees:
 - 1. To be liable to the City for liquidated damages as provided in this Section;
 - 2. To be subject to the procedures governing enforcement of breaches of contracts based on violations of contract provisions required by this Chapter as set forth in this Section;
 - 3. That the Borrower's commitment to comply with this Chapter is a material element of the City's consideration for this contract; that the failure of the contractor to comply with the contract provisions required by this Chapter will cause harm to the City and the public which is significant and substantial but extremely difficult to quantity; that the harm to the City includes not only the

financial cost of funding public assistance programs but also the insidious but impossible to quantify harm that this community and its families suffer as a result of unemployment; and that the assessment of liquidated damages of up to \$5,000 for every notice of a new hire for an entry level position improperly withheld by the contractor from the first source hiring process, as determined by the FSHA during its first investigation of a contractor, does not exceed a fair estimate of the financial and other damages that the City suffers as a result of the contractor's failure to comply with its first source referral contractual obligations.

- 4. That the continued failure by a contractor to comply with its first source referral contractual obligations will cause further significant and substantial harm to the City and the public, and that a second assessment of liquidated damages of up to \$10,000 for each entry level position improperly withheld from the FSHA, from the time of the conclusion of the first investigation forward, does not exceed the financial and other damages that the City suffers as a result of the contractor's continued failure to comply with its first source referral contractual obligations;
- 5. That in addition to the cost of investigating alleged violations under this Section, the computation of liquidated damages for purposes of this Section is based on the following data:
 - a. The average length of stay on public assistance in San Francisco's County Adult Assistance Program is approximately 41 months at an average monthly grant of \$348 per month, totaling approximately \$14,379; and
 - b. In 2004, the retention rate of adults placed in employment programs funded under the Workforce Investment Act for at least the first six months of employment was 84.4%. Since qualified individuals under the First Source program face far fewer barriers to employment than their counterparts in programs funded by the Workforce Investment Act, it is reasonable to conclude that the average length of employment for an individual whom the First Source Program refers to a contractor and who is hired in an entry level position is at least one year; therefore, liquidated damages that total \$5,000 for first violations and \$10,000 for subsequent violations as determined by FSHA constitute a fair, reasonable, and conservative attempt to quantify the harm caused to the City by the failure of a contractor to comply with its first source referral contractual obligations.
- 6. That the failure of contractors to comply with this Chapter, except property contractors, may be subject to the debarment and monetary penalties set forth in Sections 6.80 et seq. of the San Francisco Administrative Code, as well as any other remedies available under the contract or at law; and

7. That in the event the City is the prevailing party in a civil action to recover liquidated damages for breach of a contract provision required by this Chapter, the contractor will be liable for the City's costs and reasonable attorney's fees.

Violation of the requirements of Chapter 83 is subject to an assessment of liquidated damages in the amount of \$5,000 for every new hire for an Entry Level Position improperly withheld from the first source hiring process. The assessment of liquidated damages and the evaluation of any defenses or mitigating factors will be made by the FSHA.

F. <u>Subcontracts</u>. Any subcontract entered into by Borrower or its general contractor will require the subcontractor to comply with the requirements of Chapter 83 and will contain contractual obligations substantially the same as those set forth in this Section.

EXHIBIT E

Governmental Requirements

- Prevailing Wages and Working Conditions. Any undefined, initially capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 6.1. Every contract for the rehabilitation or construction of housing assisted with Funds must comply with Chapter I (commencing with Section 1720) of Part 7 of the California Labor Code (pertaining to the payment of prevailing wages and administered by the California Department of Industrial Relations) and contain a provision requiring: (1) the payment of not less than the Prevailing Rate of Wage to all laborers and mechanics employed in the development of any part of the housing, (2) provide the same hours, working conditions and benefits as in each case are provided for similar work performed in San Francisco County, and (3) employ Apprentices in accordance with state law and San Francisco Administrative Code Section 6.22(n), (collectively, "Prevailing Wage Requirements"). The Prevailing Wage Requirements of this Section apply to all laborers and mechanics employed in the development of the Project, including portions other than the assisted Units. Borrower agrees to cooperate with the City in any action or proceeding against a Contractor or Subcontractor that fails to comply with the Prevailing Wage Requirements. If applicable, Borrower must include, and require its Contractors and Subcontractors (regardless of tier) to include, the Prevailing Wage Requirements and the agreement to cooperate in City enforcement actions in any Construction Contract with specific reference to San Francisco Administrative Code Chapter 6.
- 2. <u>Environmental Review</u>. The Project will meet the requirements of the California Environmental Quality Act (Cal. Pub. Res. Code §§ 2100 *et seq.*) and implementing regulations.

3. Conflict of Interest.

(a) Except for approved eligible administrative or personnel costs, no employee, agent, consultant, officer or official of Borrower or the City who exercises or has exercised any function or responsibilities with respect to activities assisted by Funds, in whole or in part, or who is in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a financial interest in or benefit from the activities assisted under this Agreement, or have an interest, direct or indirect, in any contract, subcontract or agreement with respect thereto, or in the proceeds thereunder either for himself/herself or for those with whom he/she has family or business ties, during his/her tenure and for one year thereafter. In order to carry out the purpose of this Section, Borrower will incorporate, or cause to be incorporated, in all contracts, subcontracts and agreements relating to activities assisted under the Agreement, a provision similar to that of this Section. Borrower will be responsible for obtaining compliance with conflict of interest provisions by the parties with whom it contracts and, in the event of a breach, Borrower will take prompt and diligent action to cause the breach to be remedied and compliance to be restored.

- (b) Borrower represents that it is familiar with the provisions of Section 15.103 of the San Francisco Charter, Article III, Chapter 2 of the San Francisco Campaign and Governmental Conduct Code, and Sections 1090 through 1097 and 87100 *et seq.* of the California Government Code, all of which relate to prohibited conflicts of interest in connection with government contracts. Borrower certifies that it knows of no facts that constitute a violation of any of these provisions and agrees to notify the City immediately if Borrower at any time obtains knowledge of facts constituting a violation.
- (c) In the event of any violation of the conflict of interest prohibitions, Borrower agrees that the City may refuse to consider any future application for funding from Borrower or any entity related to Borrower until the violation has been corrected to the City's satisfaction, in the City's sole discretion.
- 4. <u>Disability Access</u>. Borrower will comply with all applicable disability access Laws, including the Americans With Disabilities Act (42 U.S.C. §§ 1201 *et seq.*), Section 504 of the Rehabilitation Act (29 U.S.C. § 794) and the Fair Housing Amendments Act (42 U.S.C. §§ 3601 *et seq.*). Borrower is responsible for determining which disability access Laws apply to the Project, including those applicable due to the use of Funds. In addition, before occupancy of the Project, Borrower will provide to the City a written reasonable accommodations policy that indicates how Borrower will respond to requests by disabled individuals for accommodations in Units and common areas of the Project.
- 5. <u>Lead-Based Paint</u>. Borrower will satisfy the requirements of Chapter 36 of the San Francisco Building Code ("Work Practices for Exterior Lead-Based Paint") and the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§ 4821 *et seq.*) and implementing regulations at 24 CFR part 35. Borrower will also comply with the provisions contained in 17 CCR 350000 *et seq.*, and 8 CCR 1532.1 and all other applicable Laws governing lead-based hazards.
- 6. <u>Relocation</u>. Borrower will comply with any applicable requirements of the California Relocation Assistance Act (Cal. Gov. Code §§ 7260 *et seq.*) and implementing regulations in Title 25, Chapter 6 of the California Administrative Code and similar Laws.
- 7. <u>Low-Income Hiring Requirements</u>. The use of Funds triggers compliance with certain hiring requirements imposed by the City's First Source Hiring Ordinance (S.F. Admin. Code Chapter 83), as incorporated into MOHCD's Section 3 Plan. To ensure compliance with those requirements, Borrower must include the provisions attached as **Exhibit D** in its contract with the general contractor for the Project. Borrower will be responsible to the City for ensuring compliance with the requirements listed on **Exhibit D**.

- 8. <u>Non-Discrimination in City Contracts and Benefits Ordinance.</u>
- (a) <u>Borrower Will Not Discriminate</u>. In the performance of this Agreement, Borrower agrees not to discriminate against any employee, City and County employee working with Borrower or any subcontractor, applicant for employment with Borrower or any subcontractor, or against any person seeking accommodations, advantages, facilities, privileges, services or membership in all business, social or other establishments or organizations operated by Borrower on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, sex, sexual orientation, gender identity, domestic partner status, marital status, height, weight, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.
- (b) <u>Subcontracts</u>. Borrower will incorporate by reference in all subcontracts the provisions of Sections 131.2(a), 131.2(c)-(k), and 131.3 of the San Francisco Labor and Employment Code. Borrower's failure to comply with the obligations in this subsection will constitute a material breach of this Agreement.
- (c) Non-Discrimination in Benefits. Borrower does not as of the date of this Agreement and will not during the term of this Agreement, in any of its operations in San Francisco or where the work is being performed for the City or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 131.2(b) of the San Francisco Labor and Employment Code.
- (d) <u>Condition to Contract</u>. As a condition to this Agreement, Borrower will execute the "City's Declaration: Nondiscrimination in Contracts and Benefits" form with supporting documentation and secure the approval of the executed form by the San Francisco Contract Monitoring Division (formerly the Human Rights Commission).
- (e) <u>Incorporation of Administrative Code Provisions by Reference.</u> The provisions of Article 131 ("Nondiscrimination in Contracts") and Article 132 ("Nondiscrimination in Property Contracts") of the San Francisco Labor and Employment Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Borrower will comply fully with and be bound by all of the provisions that apply to this Agreement under such Articles of the Labor and Employment Code, including the remedies provided in such Articles. Without limiting the foregoing, Borrower understands that pursuant to Sections 131.2(h) and 132.3(g) of the San Francisco Labor and Employment Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the

provisions of this Agreement may be assessed against Borrower and/or deducted from any payments due Borrower.

- 9. <u>MacBride Principles</u>. Pursuant to San Francisco Administrative Code Section 12F.5, City urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Borrower acknowledges and agrees that he or she has read and understood this Section.
- 10. <u>Tropical Hardwood & Virgin Redwood Ban</u>. Pursuant to § 804(b) of the San Francisco Environment Code, City urges all grantees and borrowers not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product.
- Preservative-Treated Wood Containing Arsenic. Borrower may not 11. purchase preservative-treated wood products containing arsenic until the Deed of Trust has been fully reconveyed unless an exemption from the requirements of Chapter 13 of the San Francisco Environment Code is obtained from the Department of Environment under Section 1304 of the Code. The term "preservative-treated wood containing arsenic" will mean wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniacal copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Borrower may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of the Environment. This provision does not preclude Borrower from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "saltwater immersion" will mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.
- 12. <u>Submitting False Claims; Monetary Penalties</u>. Any borrower, grantee, contractor, subcontractor or consultant who submits a false claim will be liable to the City for the statutory penalties set forth in that section. A borrower, grantee, contractor, subcontractor or consultant will be deemed to have submitted a false claim to the City if the borrower, grantee, contractor, subcontractor or consultant:
- (a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval;
- (b) knowingly makes, uses or causes to be made or used a false record or statement to get a false claim paid or approved by the City;

- (c) conspires to defraud the City by getting a false claim allowed or paid by the City;
- (d) knowingly makes, uses or causes to be made or used a false record or statement to conceal, avoid or decrease an obligation to pay or transmit money or property to the City; or
- (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

13. Sunshine Ordinance.

- (a) Borrower acknowledges and agrees that this Agreement and the Application Documents are subject to Section 67.24(e) of the San Francisco Administrative Code, which provides that contracts, including this Agreement, grantee's bids, responses to Requests for Proposals (RFPs) and all other records of communications between City and persons or entities seeking contracts, will be open to inspection immediately after a contract has been awarded. Nothing in such Section 67.24(e) (as it exists on the date hereof) requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. All information provided by Borrower that is covered by such Section 67.24(e) (as it may be amended from time to time) will be made available to the public upon request. Further, Borrower specifically agrees to conduct any meeting of its governing board that addresses any matter relating to the Project or to Borrower's performance under this Agreement as a passive meeting. Further, Borrower specifically agrees that any meeting of the governing body of its general partner/manager that addresses any matter relating to the Project or to Borrower's performance under this Agreement will be conducted as a passive meeting.]
- (b) By executing this Agreement, Borrower agrees to comply with the provisions of Chapter 12L of the San Francisco Administrative Code to the extent applicable.
- (c) In accordance with the Citizen's Right to Know Act of 1998 (S. F. Admin. Code Chapter 79), no officer, department, board or commission of the City may approve a City Project, as defined in Chapter 79, unless a sign has been posted on the applicable property at least fifteen (15) days before approval. A City Project is a project that involves new construction, a change in use or a significant expansion of an existing use where the City funding for the project is \$50,000 or more. If the Loan will be used for a City Project, this Agreement will not become effective until fifteen (15) days following the posting of the requisite sign, or, in the alternative, thirty (30) days following the delivery of written notices to residents and owners within 300 feet of the Site, and the City will have the right to nullify or revoke this Agreement without cost or liability of any sort whatsoever at any time before that date. If Borrower believes that

this Agreement relates to a City Project and that the requisite sign has not been posted, Borrower will notify the City so that the City may determine the applicability of Chapter 79, and, if necessary, post the requisite sign.

- 14. <u>Prohibition on Use of Public Funds for Political Activities.</u> Borrower will comply with San Francisco Administrative Code Chapter 12G, which prohibits funds appropriated by the City for this Agreement from being expended to participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure. Borrower is subject to the enforcement and penalty provisions in Chapter 12G.
- 15. Nondisclosure of Private Information. Borrower has read and agrees to the terms set forth in San Francisco Administrative Code Sections 12.M.2, "Nondisclosure of Private Information", and 12M.3, "Enforcement" of Administrative Code Chapter 12M, "Protection of Private Information," which are incorporated herein as if fully set forth. Borrower agrees that any failure of Borrower to comply with the requirements of Section 12M.2 of this Chapter will be a material breach of the Agreement. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate the Agreement, bring a false claim action against Borrower pursuant to Chapter 6 or Chapter 21 of the Administrative Code, or debar Borrower.
- of the community in that it promotes a perception in the community that the laws protecting public and private property can be disregarded with impunity. This perception fosters a sense of disrespect of the law that results in an increase in crime; degrades the community and leads to urban blight; is detrimental to property values, business opportunities and the enjoyment of life; is inconsistent with the City's property maintenance goals and aesthetic standards; and results in additional graffiti and in other properties becoming the target of graffiti unless it is quickly removed from public and private property. Graffiti results in visual pollution and is a public nuisance. Graffiti will be abated as quickly as possible to avoid detrimental impacts on the City and County and its residents, and to prevent the further spread of graffiti.
- (a) Borrower will remove all graffiti from any real property owned or leased by Borrower in the City and County of San Francisco within forty eight (48) hours of the earlier of Borrower's (a) discovery or notification of the graffiti or (b) receipt of notification of the graffiti from the Department of Public Works. This section is not intended to require a Borrower to breach any lease or other agreement that it may have concerning its use of the real property. The term "graffiti" means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn or painted on any building, structure, fixture or other improvement, whether permanent or temporary, including by way of example only and without limitation, signs, banners, billboards and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner's authorized agent, and which is visible from the public right-of-way. "Graffiti" will not include: (1) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the San Francisco Public Works Code, the San Francisco Planning Code or the San Francisco Building Code; or

- (2) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (California Civil Code Sections 987 et seq.) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. §§ 101 et seq.).
- (b) Any failure of Borrower to comply with this section of this Agreement will constitute an Event of Default of this Agreement.
- 17. <u>Resource-Efficient Building Ordinance</u>. Borrower acknowledges that the City and County of San Francisco has enacted San Francisco Environment Code Chapter 7 relating to resource-efficient City buildings and resource-efficient pilot projects. Borrower hereby agrees it will comply with the applicable provisions of such code sections as such sections may apply to the Property.
 - 18. Consideration of Criminal History in Hiring and Employment Decisions.
- (a) Borrower agrees to comply fully with and be bound by all of the provisions of Article 142 "City Contractor/Subcontractor Consideration of Criminal History in Hiring and Employment Decisions," of the San Francisco Labor and Employment Code (Article 142), including the remedies provided, and implementing regulations, as may be amended from time to time. The provisions of Article 142 are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the Article 142 is available on the web at www.sfgov.org/olse/fco. A partial listing of some of Borrower's obligations under Article 142 is set forth in this Section. Borrower is required to comply with all of the applicable provisions of Article 142, irrespective of the listing of obligations in this Section. Capitalized terms used in this Section and not defined in this Agreement will have the meanings assigned to such terms in Article 142.
- (b) The requirements of Article 142 will only apply to a Borrower's or Subcontractor's operations to the extent those operations are in furtherance of the performance of this Agreement, will apply only to applicants and employees who would be or are performing work in furtherance of this Agreement, will apply only when the physical location of the employment or prospective employment of an individual is wholly or substantially within the City and County of San Francisco, and will not apply when the application in a particular context would conflict with federal or state law or with a requirement of a government agency implementing federal or state law.
- (c) Borrower will incorporate by reference in all subcontracts the provisions of Article 142, and will require all subcontractors to comply with such provisions. Borrower's failure to comply with the obligations in this subsection will constitute a material breach of this Agreement.
- (d) Borrower or Subcontractor will not inquire about, require disclosure of, or if such information is received base an Adverse Action on an applicant's or potential applicant for employment, or employee's: (1) Arrest not leading to a Conviction, unless the Arrest is undergoing an active pending criminal investigation or trial that has not yet been resolved; (2) participation in or completion of a diversion or a deferral of judgment program; (3) a Conviction that has been judicially dismissed, expunged, voided, invalidated, or otherwise rendered inoperative; (4) a Conviction or any other adjudication in the juvenile justice system; (5) a Conviction that is more than seven years old, from the

date of sentencing; or (6) information pertaining to an offense other than a felony or misdemeanor, such as an infraction.

- (e) Borrower or Subcontractor will not inquire about or require applicants, potential applicants for employment, or employees to disclose on any employment application the facts or details of any conviction history, unresolved arrest, or any matter identified in subsection 16.16(d), above. Borrower or Subcontractor will not require such disclosure or make such inquiry until either after the first live interview with the person, or after a conditional offer of employment.
- (f) Borrower or Subcontractor will state in all solicitations or advertisements for employees that are reasonably likely to reach persons who are reasonably likely to seek employment to be performed under this Agreement, that the Borrower or Subcontractor will consider for employment qualified applicants with criminal histories in a manner consistent with the requirements of Article 142.
- (g) Borrower and Subcontractors will post the notice prepared by the Office of Labor Standards Enforcement (OLSE), available on OLSE's website, in a conspicuous place at every workplace, job site, or other location under the Borrower or Subcontractor's control at which work is being done or will be done in furtherance of the performance of this Agreement. The notice will be posted in English, Spanish, Chinese, and any language spoken by at least 5% of the employees at the workplace, job site, or other location at which it is posted.
- (h) Borrower understands and agrees that if it fails to comply with the requirements of Article 142, the City will have the right to pursue any rights or remedies available under Article 142, including but not limited to, a penalty of \$50 for a second violation and \$100 for a subsequent violation for each employee, applicant or other person as to whom a violation occurred or continued, termination or suspension in whole or in part of this Agreement.
- 19. Food Service Waste Reduction Requirements. Borrower agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Agreement as though fully set forth. This provision is a material term of this Agreement. By entering into this Agreement, Borrower agrees that if it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine; further, Borrower agrees that the sum of one hundred dollars (\$100) liquidated damages for the first breach, two hundred dollars (\$200) liquidated damages for the second breach in the same year, and five hundred dollars (\$500) liquidated damages for subsequent breaches in the same year is reasonable estimate of the damage that City will incur based on the violation, established in light of the circumstances existing at the time this Agreement was made. Such amount will not be considered a penalty, but rather agreed monetary damages sustained by City because of Borrower's failure to comply with this provision.
- 20. <u>Bottled Drinking Water</u>. Unless exempt, Borrower agrees to comply fully with and be bound by all of the provisions of the San Francisco Bottled Water Ordinance, as set forth in San Francisco Environment Code Chapter 24, including the administrative

fines, remedies, and implementing regulations provided therein, as the same may be amended from time to time. The provisions of Chapter 24 are incorporated herein by reference and made a part of this Agreement as though fully set forth.

- Public Power. From and after the effective date of the Ground Lease, Borrower will procure water and sewer service from the City and electricity, telephone, natural gas, and any other utility service from the City or utility companies providing such services, and will pay all connection and use charges imposed in connection with such services. From and after the effective date of the Ground Lease, as between the City and Borrower, Borrower will be responsible for the installation and maintenance of all facilities required in connection with such utility services to the extent not installed or maintained by the City or the utility providing such service. All electricity necessary for operations on the Site will be purchased from the San Francisco Public Utilities Commission ("PUC"), at PUC's standard rates charged to third parties, unless PUC determines, in its sole judgment, that it is not feasible to provide such service to the Premises. PUC is the provider of electric services to City property, and the Interconnection Services Department of SFPUC's Power Enterprise coordinates with Pacific Gas and Electric Company and others to implement this service. To arrange for electric service to the Site. Borrower will contact the Interconnection Services Department in the Power Enterprise of the SFPUC.
- 22. <u>Local Business Enterprise and Non-Discrimination in Contracting</u>
 <u>Ordinance</u>. Borrower will comply with the applicable requirements of the Local
 Business Enterprise Utilization and Non-Discrimination in Contracting Ordinance under
 Administrative Code Chapter 14B ("LBE Ordinance") and will incorporate such requirements in contracts with any Contractors and Subcontractors.

Notice of Availability of 2020 Annual Monitoring Report Form

(plus reminders of Marketing Procedure and Serious Incident Protocol)

The Mayor's Office of Housing and Community Development (MOHCD) is pleased to announce the availability of the Annual Monitoring Report (AMR) forms for Reporting Year 2020 (RY2020). The forms are now available to be downloaded from the <u>Asset Management page</u> of the MOHCD web site. In addition, training videos on how to complete the AMR are available. See below for more information.

IMPORTANT INFORMATION RELATED TO COVID-19

MOHCD recognizes the impact that the COVID-19 crisis is having on the organizations that we support, especially those providing essential services. It is vitally important to take measures to protect your staff, residents and clients from contracting and spreading COVID-19. We urge all affordable housing owners and managers to follow the guidelines, recommendations and orders from the U.S. Centers for Disease Control, the State of California and the San Francisco Department of Public Health. MOHCD is also taking action to address the needs of the projects under our purview:

- MOHCD <u>published a memo</u> clarifying MOHCD's current Operating Reserves requirements.
- MOHCD extended the 2020 AMR due date by one month (see below for detailed info) for projects whose business year ran from 7/1/2019 to 6/30/2020.

MOHCD is allowing project sponsors to retain a larger share of 2020 surplus cash/residual receipts than is allowed under their financing agreements with MOHCD. For more information, read the notice regarding the COVID-19 Allowance. This opportunity is limited to projects whose business year ran from 7/1/2019 to 6/30/2020. The COVID-19 Allowance may not be available to some projects that are subject to MOHCD financing, regulatory or ground lease agreements that include limits on distributions of surplus cash/residual receipts. To benefit from the Allowance, owners of such projects will have to request amendments to those agreements that would remove such limits. For more information, read the "Notice Regarding Option to Remove Caps on Distributions of Residual Receipts."

If this crisis is preventing you from responding thoroughly and quickly to any request from MOHCD, please do whatever you can to let us know of your limitations and to propose alternatives. Thank you for everything that you are doing on behalf of the people your organization serves and for all of the people of San Francisco.

Deadline: For projects whose business year ended June 30, 2020, the report will be due on January 8, 2021, for the period 7/1/2019-6/30/2020, unless noted otherwise in a project-specific notice sent by MOHCD. For any projects whose 2020 business year ended or will end on different dates than those above, the report will be due 5 months from the last date of that business year.

Completion and Submission Instructions

The Annual Monitoring Report consists of the following four parts:

I. AMR_RY2020 – project name.xlsx – This is a Microsoft Excel spreadsheet that is comprised of the following worksheets:

Instructions

1B. Transitional Programs

1C. Eviction Data

2. Fiscal Activity

3A. Occupancy & Rent Info

3B. Demographic Information

3C. Demographic Summary

4. Narrative

5. Project Financing

7. Supplementary Audit Information

Required by MOHCD

Completeness Tracker

Provide all applicable information that is requested in worksheets 1-7. Use the Instructions to help you complete each form and the Completeness Tracker to help you to determine when each worksheet is complete.

Use Question #1 on the Narrative worksheet to explain any data that you provide that may be unclear or better understood with additional information. In addition, certain questions in this report prompt you to supply an explanation for your answers on the Narrative worksheet. Failure to supply the required explanation will render your submission incomplete.

Submit this report as an Excel file only; do not convert it to pdf or another file type. Changing the format of AMR_RY2020.xlsx without MOHCD's prior approval is not allowed. Do not overwrite any validations for any of the cells, alter any formulas or add or delete any rows or columns. If you need to revise the form in order to successfully complete the report, submit a request to moh.amr@sfgov.org.

II. Owner Compliance Certification Form and Documentation of Insurance

The certification form is a Microsoft Word document that must be completed, signed and dated by the Executive Director (or other authorized officer) of the entity that owns the project. Scan the form along with documentation of insurance and email it to MOHCD as a single document. For each project, you must provide certificates of liability insurance and property insurance that are current as of the date of submittal of the AMR.

III. Audited Financial Statements

Provide financial statements for the project for Reporting Year 2020. They must be prepared by a certified public accountant in accordance with generally accepted accounting principles, applicable regulations and laws and with the City's "Audit Requirements for MOHCD-Funded Projects" a copy of which is posted on MOHCD's Asset Management web page. If the project is owned by a single asset entity, provide separate financial statements just for the project, otherwise provide audited statements for the parent corporation. Also include copies of any Management Letters and special notes from the auditor that pertain to the property and the financial statements.

MOHCD's audit requirements call for the preparation of a supplemental section to the financial statements that includes the following:

- schedule of operating revenues
- schedule of operating expenses
- computation of cash flow/surplus cash
- summary of project reserve activity

The supplemental section may be prepared by using worksheet #7 of the AMR or a form generated by the accounting system of the project owner or the auditor.

IMPORTANT: Audited financial statements are a required submittal of the Annual Monitoring Report. Do not submit the AMR until the audit has been finalized. AMRs that are submitted without an audit or with a draft audit will not be accepted.

IV. Waiting List

Submit a copy of the project's waiting list that is current as of the date of submittal. The waiting list must include the following information for each person or household who has applied to live at the project and is still waiting to be considered for an available unit:

- name of head-of-household
- contact information
- date of application
- number of people in the household

- stated household income
- desired unit size

This requirement is not applicable to transitional housing projects, residential treatment programs, shelters, group homes or permanent supportive housing for homeless people that is leased through a closed referral system.

Completed AMRs must be submitted electronically, via one email message per project to moh.amr@sfgov.org. If the documents that comprise the report are too large to attach to a single email, compress the files into a zip file and attach it to the email.

AMR Training - On-Demand Videos

To facilitate completion of the AMR by project sponsors, MOHCD has created training videos that provide step-by-step instructions on how to complete the Excel reporting form and how to submit the report overall. There are ten video modules that vary in length from two to 30 minutes and may be viewed on-demand from the <u>Asset Management page</u> of the MOHCD web site. We strongly encourage all persons who are involved in preparing the AMR to watch the videos. If you experience any technical difficulties with accessing and viewing the videos, please contact Ricky Lam at <u>ricky.lam@sfqov.org</u> or 415-701-5542.

Marketing Procedure for Available Units and Waiting List Openings

Before advertising the availability of units for lease in a project or the opening of the waiting list, owners and property managers *must* notify MOHCD of this action by completing a Marketing Plan Template and submitting it to the assigned staff person on MOHCD's asset management and compliance monitoring team. The template is available on the Asset Management page of our web site, under "Marketing Requirements for MOHCD-Financed Multifamily Rental Projects." Once the marketing plan is approved, MOHCD will post information about the available units or opening of the waiting list on DAHLIA – the City's internet portal where members of the public may get information and apply for affordable housing. General information for people seeking affordable housing in San Francisco can also be found on our web site at this location.

Serious Incident Protocol

To ensure that MOHCD is kept informed of serious incidents that occur at projects financed by this office, we have established the following protocol for reporting serious, negative events such as accidents, criminal activity or equipment failure. The report should be filed only after emergency procedures have been followed and the situation has been stabilized.

MOHCD requests that owners of projects financed by this office notify us in writing if a serious incident occurs at their properties and meets one or more of the following parameters:

- Involves serious injury or death
- Is a serious, violent crime that involves a major police action (e.g. shooting)
- Causes the building or a significant number of units to be off-line
- Requires a resident to move out of a unit one month or longer
- Damage to the building is significant enough to require the use of reserves

The owner should notify the MOHCD asset manager assigned to the project and provide the following information:

- The date of the incident
- A description of the incident
- A description of what has been and is being done in response
- The name, phone and email of the staff that should be contacted if there are questions
- Confirmation that 1) the property insurance is current and 2) the insurance company has been contacted; a brief summary of their response, if available
- Statement of whether or not the organization plans to use the project's reserves to pay for corrective action

Tenant Selection Plan Policy

This policy is in addition to the obligations to comply with applicable federal, state and local civil rights laws, including laws pertaining to reasonable accommodation and limited English proficiency (LEP),¹ and the applicable provision of the Violence Against Women Act, Pub. Law 109-62 (January 5, 2006), as amended.

Application Process

- **Application Materials**. MOHCD will provide an application to be used prior to the housing lottery. The housing provider agrees to use this application to determine lottery eligibility. The housing provider's written and/or electronic application materials should:
 - o outline the screening criteria that the housing provider will use;
 - be in compliance with San Francisco Police Code Article 49 or the Fair Chance Ordinance,
 - outline how an applicant may request a modification of the admission process and/or a change in admission policies or practices as a reasonable accommodation;
 - o be written in language that is clear and readily understandable,
- **First Interview**. In accordance with the housing provider policies, an initial interview is required to assess each applicant's minimum eligibility requirements for housing units. All applicants will be offered the opportunity for an interview in lottery rank order.
- **Second Interview**. Before issuing a denial, the housing provider should consider offering a second interview to resolve issues and inconsistencies, gather additional information, and assist as much as possible with a determination to admit the applicant.
- Confidentiality. All information provided will be kept confidential and be used only by the housing provider, the referring agency and the funding agency for the purpose of assisting and evaluating the applicant in the admission process. All applicant information will be retained for 12 months after the final applicant interview.
- **Delays in the Process**. If delays have occurred or are likely to occur in the application and screening process or the process exceeds the housing provider's normal timeline for application and screening, the housing provider will immediately inform the referring agency and the funding agency, of the status of the application, the reason for the delay and the anticipated time it will take to complete the application process.

¹See for e.g., Title VIII of the Civil Rights Act of 1968 (Fair Housing Act), 42 U.S.C. §§ 3601, et seq.; 24 C.F.R. Part 100; Title VI of the Civil Rights Act of 1964, 42 U.S.C. §§ 2000d-2000d-7; Executive Order 13,166, Improving Access to Services for Persons with Limited English Proficiency (August 11, 2000); Department of Housing and Urban Development Limited English Proficiency Guidance, 72 Fed. Reg. 2732 (Jan. 22, 2007); Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 794; 24 C.F.R. Parts 8 and 9; Title II of the Americans with Disabilities Act of 1990, as amended; California Fair Employment and Housing Act, Gov't Code §§ 12,955-12,956.2; Unruh Civil Rights Act, Civil Code § 51; California Disabled Persons Act, Civil Code § 51.4; Dymally-Alatorre Bilingual Services Act, Gov't Code §7290-7299.8; San Francisco Language Access Ordinance, No. 202-09 (April 14, 2009)

- **Problems with the Referring Agency**. If at any point the housing provider has difficulty reaching or getting a response from the applicant and referring agency, the housing provider will immediately contact the referring agency, if possible, and the funding agency, DPH or HSA.
- <u>Limited English Proficiency Policy.</u> Throughout the application process, the housing provider will comply with City policy for language access requirements for applicants with limited English proficiency.

Reasonable Accommodation and Modification Policy

Reasonable Accommodation: The application process should provide information about how an applicant may make a reasonable accommodation request. At any stage in the admission process, an applicant may request a reasonable accommodation, if the applicant has a disability and as a result of the disability needs a modification of the provider's rules, policies or practices, including a change in the way that the housing provider communicates with or provides information to the applicant that would give the applicant an equal chance to be selected by the housing provider to live in the unit.

Reasonable Modification: Applicant may request a reasonable modification if he or she has a disability and as a result of the disability needs:

- a physical change to the room or housing unit that would give the applicant an equal chance to live at the development and use the housing facilities or take part in programs on site;
- o a physical change in some other part of the housing site that would give the applicant an equal chance to live at the development and use the housing facilities or take part in programs on site.

Response to Request: The housing provider will respond to a request for reasonable accommodation or modification within ten (10) business days. The response may be to grant, deny, or modify the request, or seek additional information in writing or by a meeting with the applicant. The housing provider will work with the applicant and referring agency to determine if there are ways to accommodate the applicant.

The housing provider will grant the request if the provider determines that:

- o the applicant has a disability;
- o reasonable accommodation or modification is necessary because of the disability; and
- o the request is reasonable (i.e., does not impose an undue financial or administrative burden or fundamentally alter the nature of the housing program.)

If the reasonable accommodation request is denied, the rejection will explain the reasons in writing. If the denial of the reasonable accommodation request results in the applicant being denied admission to the unit, the provisions of the section on Notice of Denial and Appeal Process apply.

Notice of Denial and Appeal Process

- The housing provider will:
 - o Hold a comparable unit for the household during the entire appeal process.
 - o promptly send a written and electronic notice (to the addresses provided) to each applicant denied admission with a written and/or electronic copy to the referring agency and the funding agency. The notice should:
 - list all the reasons for the rejection, including the particular conviction or convictions that led to the decision in cases where past criminal offenses were a reason for rejection;
 - explain how the applicant can request an in person appeal to contest the decision;
 - state that an applicant with a disability is entitled to request a reasonable accommodation to participate in the appeal;
 - inform the applicant that he or she is entitled to bring an advocate or attorney to the in person appeal;
 - provide referral information for local legal services and housing rights organizations;
 - describe the evidence that the applicant can present at the appeal;
 - o give applicants denied admission a date within which to file the appeal, which will be at least ten (10) business days from the date of the notice;
 - o unless an extension is agreed to by the applicant and the housing provider, hold the appeal within ten (10) business days of the request for the appeal;
 - o confine the subject of the appeal to the reason for denial listed in the notice;
 - o give the applicant a chance to present documents and/or witnesses showing that he or she will be a suitable tenant;
 - have an impartial supervisor or manager from the housing provider, but who is not the person who made the initial decision or a subordinate of the person who made the initial decision, conduct the appeal;
 - within 5 business days of the in person appeal, provide the applicant with a
 written decision that states the reason for the decision and the evidence relied
 upon. A copy of the written decision will be sent (electronically or otherwise) to
 the referring agency and the funding agency.
- If the rejection is based on a criminal background check obtained from a tenant screening agency, the Fair Chance Ordinance imposes additional notice requirements.

EXHIBIT I

Tenant Screening Criteria Policy

The screening criteria and considerations outlined below encourage providers to "screen in" rather than "screen out" applicants. These requirements are also designed to satisfy the requirements of San Francisco Police Code Article 49, Sections 4901-4920 or the Fair Chance Ordinance. This policy describes a minimum level of leniency; providers are encouraged to adopt less restrictive policies and processes whenever appropriate. For example, providers may opt not to review or consider applicant criminal records at all.

Screening Criteria

- Housing providers will not automatically bar applicants who have a criminal record² in recognition of the fact that past offenses do not necessarily predict future behavior, and many applicants with a criminal record are unlikely to re-offend.
- Housing providers will not consider:
 - o arrests that did not result in convictions, except for an open arrest warrant;
 - o convictions that have been expunged or dismissed under Cal. Penal Code § 1203.4 or 1203.4a;³
 - o juvenile adjudications.
- Housing providers will consider:
 - o the individual circumstances of each applicant; and
 - o the relationship between the offense, and
 - (1) the safety and security of other tenants, staff and/or the property; and
 - (2) mitigating circumstances such as those listed below.
 - only those offenses that occurred in the prior 7 years, except in exceptional situations, which will be documented and justified, such as where the housing provider staff is aware that the applicant engaged in violent criminal activity against staff, residents or community members and/or that the applicant intentionally submitted an application with materially false information regarding criminal activity.
 - o mitigating factors, including, but not limited to:
 - (1) the seriousness of the offense;
 - (2) the age and/or circumstances of the applicant at the time of the offense;
 - (3) evidence of rehabilitation, such as employment, participation in a job training program, continuing education, participation in a drug or alcohol treatment program, or letters of support from a parole or probation officer, employer, teacher, social worker, medical professional, or community leader;

² The policy recognizes that some housing may be subject to mandatory laws that require the exclusion of an applicant based upon certain types of criminal activity.

³ The purpose of the statute is allow a petitioner to request a dismissal of the criminal accusations, a change in plea or setting aside of a verdict and to seek to have certain criminal records sealed or expunged and a release "from all penalties and disabilities resulting from the offense."

- (4) if the offense is related to acts of domestic violence committed against the applicant;
- (5) if the offense was related to a person's disability.

Developer Fee Policy

[To be attached]

Mayor's Office of Housing and Community Development Policy on Development Fees For Tax Credit Projects Effective October 16, 2020

This MOHCD Policy on Development Fees for Tax Credit Projects applies to all developments seeking City funding in conjunction with new Tax Credit financing for the current project, including recapitalization projects with existing MOHCD loans. This does not apply to non-Tax Credit projects such as Small Sites Program (SSP) projects, which are subject to the SSP Program Guidelines. It also does not apply to HOPE SF or RAD projects, which are subject to separate developer fee policies.

Developers may include fees in their project budgets according to the terms below.

- **I. MINIMUM FEES:** 5% of total development costs.
- **II. MAXIMUM FEES:** Notwithstanding any other section of this Policy, the maximum Total Fee that may be included in basis is the Tax Credit limit (currently 15% of Eligible Basis) subject to the additional limitations identified below.

A. <u>Total Development Fee</u>

("Total Fee") for different project types are further detailed below, and reflect the sum of the Cash-Out Fee (Base, Additional, and Deferred) and Non Cash-Out Fee (Deferred and General Partner Equity Contribution).

B. Fee Components

1. Cash-Out Fee (Base and Additional)

	9% Project -		
	Maximum	4% Project - Maximum	
Project Type	Cash-Out Fee	Cash-Out Fee	Notes
New Construction	TCAC Maximum	The lesser of TCAC Maximum or \$2,200,000 (Base) + \$10,000 per unit over 100 units (Additional), if additional cash-out requires no additional MOHCD gap funding.	
Newly Acquired and Substantially Rehabilitated (Per unit Hard Cost >= \$75,000)	TCAC Maximum	Same as new construction fee.	-Hard Cost is defined as "Total Construction Costs" summed in the MOHCD Application in cell K37, Tab 4b-PermS&U.
Substantial Rehabilitation (Per unit Hard Cost >=\$75,000) by Existing or Affiliate GP Includes New City Funds or Re-structured City Debt	50% TCAC Maximum	The lesser of TCAC maximum or \$1,100,000 (Base) + \$10,000 per unit over 100 units (Additional), if additional cash-out requires no additional MOHCD gap funding.	-Sponsor may take the allowable fee for Newly Acquired and Rehabilitated projects described above if 1) in the project's original syndication, sponsor did not take the maximum allowable developer fee; or 2) sponsor adds new affordable units to the project.

			-Hard Cost is defined as "Total Construction Costs" summed in the MOHCD Application in cell K37, Tab 4b-PermS&U. -Sponsor cash out permissible only per MOHCD Cash Out Acquisition/Rehabilitation, Resyndication, and Refinancing
Recapitalization,			-Hard Cost is defined as "Total Construction Costs" summed in the MOHCD Application in cell K37, Tab 4b-PermS&U.
acquisition, or transfer with less than \$75,000 Per unit hard cost capital improvements			-Sponsor cash out permissible only per MOHCD Cash Out Acquisition/Rehabilitation, Resyndication, and Refinancing Policy.
	No Fee	No Fee	

- a. A note about Cash-Out Additional Fee: If Eligible Basis is less than Threshold Basis, projects over 100 units may take up to \$10,000 per unit over 100 as cash-out fee, but only if such cash payment does not require additional gap funding from MOHCD (see MOHCD Application, Tab 8-DevFeeCalc, for calculation).
- 2. <u>Cash-Out Fee (Deferred)</u>: If Eligible Basis is less than Threshold Basis, Developers may include a Cash-Out Deferred Fee component in the Total Fee up to the aggregate of 50% of surplus cash flow taken over the project's first 15 years of operation (after typical payments of base ground rent, the general partner management fee, and investor asset management fee, if applicable). Cash-Out Deferred Fee is shown as both a source and a use of funds in the capital budget. Developers may use industry standard inflators of income and expenses to calculate Cash-Out Deferred Fee.
 - a. Distributions of surplus cash as Deferred Fee are in lieu of (not in addition to) the typical 33.3% distribution of surplus cash to the Sponsor. At Year 15 of operations, or earlier if the Deferred Fee is fully repaid before then, a surplus cash distribution shall commence at 33.3% of surplus cash (after typical payments of base ground rent, the general partner management fee, and investor asset management fee, if applicable).
 - b. For projects supported by the Local Operating Subsidy Program, Cash-Out Deferred Fee must be taken over a minimum time period of 5 years.
- 3. Non-Cash Out Fee (Deferred and General Partner Equity Contribution): Where Eligible Basis is less than Threshold Basis, Developers should include in Total Fee the maximum amount available for re-contribution as General Partner Equity or as Non-Cash Out Deferred Fee. It is

MOHCD's intent to use Deferred Fee and General Partner Equity Contribution up to 15% of Eligible Basis to reduce MOHCD's overall contribution to projects, so that MOHCD may invest its funds in the most projects possible. MOHCD will work with developers, lenders, and investors to ensure that the developer fee structure meets MOHCD financing goals and feasibility considerations.

4. Commercial Developer Fee is not addressed in this Policy. Please see MOHCD's Commercial Underwriting Guidelines for information regarding development fees associated with Commercial, Community Serving Commercial, and Public Benefit Use spaces.

III. FEE DISTRIBUTION: The Cash-Out Base Fee shall be divided equally between "Project Management Fee" and "At-Risk Fee" (subject to the "At-Risk Fee Adjustment" described below). Any Cash-Out Additional Fee will be distributed as At-Risk Fee. Cash-Out Fees (Base and Additional) shall be distributed according to achievement of certain development milestones, as follows:

Example below assumes Base Fee is \$2.2 M and Additional Fee is \$300,000.

% of Fee **Project Management Milestone** Distributed **Fee Amount** Acquisition, if applicable, or predevelopment loan closing (or another agreed-upon milestone if acquisition is not applicable, e.g. being awarded a City-owned site through a RFQ/RFP process)* 15% \$165,000 During Predevelopment with no more than 50% of the total Project Management Fee to be disbursed prior to construction closing* 35% \$385,000 At Construction Closing 20% \$220,000 During Construction (disbursed upon request depending on % of construction completion) or at Completion of Construction 20% \$220,000 Project Close-Out: Placed-In-Service application; 100% lease-up; City approval of sponsor's project completion report and documents; and City acceptance of final cost certification. 10% \$110,000 TOTAL PROJECT MANAGEMENT FEE 100% \$1,100,000

^{*}Joint Venture development team partners must split all Fee during the pre-development period 50%-50%. This helps ensure the new or emerging partner has access to Fee upfront to support their participation in the project and their capacity building.

A. At-Risk Fee Adjustment

When outside funding sources limit the Cash Out Fee to a value less than allowed under this Policy (e.g., California's Department of Housing and Community Development), the Developer may still be paid a maximum of \$1.1M as a Project Management Fee and the At-Risk Fee shall be reduced to bring the total Cash-Out Fee (Base and Additional) in line with the outside funding source cap.

IV. WAIVERS OF THE DEVELOPER FEE POLICY

The Citywide Affordable Housing Loan Committee may approve a waiver or modification of any portion of this Policy for the purpose of assuring project feasibility. All recommendations related to this Policy are subject to the Mayor's approval in his or her sole discretion.

V. CDBG or HOME REQUIREMENTS

If MOHCD uses CDBG or HOME funds to pay the development fee, it is considered "program income", and, should MOHCD request it, the Sponsor must provide a report to MOHCD on its use of developer fees.

Recipients of CDBG administrative funding may not also receive a Project Management Fee for the same project covering the same time period.

VI. POLICY IMPLEMENTATION

This Policy applies to any development that has not received its gap financing commitment or debt restructuring approval from MOHCD by the effective date of the Policy.

Hold Harmless Policy for MOHCD's Income Limits & Maximum Rents Effective: 5/3/2019 (update to the initial policy that was effective 2/19/2016)

Background

Every year, the United States Department of Housing and Urban Development ("HUD") publishes area median income ("AMI") data for jurisdictions across the United States. The City and County of San Francisco, acting through its Mayor's Office of Housing and Community Development ("MOHCD"), is a part of the San Francisco HUD Metropolitan Fair Market Rent Area ("SF HMFA"), which contains San Francisco, San Mateo and Marin County. MOHCD uses HUD's unadjusted AMI for SF HMFA as opposed to adjusted AMI, which is inflated to reflect high cost factors, to establish the income limits, maximum rents and sales prices that apply to affordable housing projects and programs regulated by MOHCD.

In 2016, MOHCD established a Hold Harmless Policy which stated that in any year when AMI decreased, MOHCD would maintain the income limits, maximum rents and sales prices at the previous year's levels in order to protect the operational integrity of affordable and inclusionary housing developments.

Purpose

This update to the Hold Harmless Policy (this "Policy") adds a limit to annual increases to income limits, maximum rents and sales prices published by MOHCD in order to mitigate the significant financial burden on low- and moderate-income tenants and homebuyers during periods of high escalation of AMI in San Francisco.

This Policy establishes the following:

- Limit annual increases to income limits, maximum rents, and sale prices to a maximum of 4%i
- Uphold the current policy of maintaining income limits, maximum rents and sales prices at the previous year's levels in years when AMI, as published by HUD, has decreased.

This Policy is intended to limit harm by:

- 1. Protecting tenants from displacement due to annual rent increases that would cause a significant financial burden; and
- 2. Protecting the operational integrity of housing developments so that owners are able to cover operating costs that typically increase annually, even when AMI decreases; and

3. Ensuring that San Francisco's low-, moderate- and middle-income workforce retain access to homeownership opportunities.

Hold Harmless Limits

For the purpose of this Policy:

"HUD SF AMI" means the maximum income by household size, maximum rent by unit type, and maximum sales prices as published annually by MOHCD, derived from the median income determined by HUD for the San Francisco area, adjusted solely for household size, but not high housing cost area, also referred to as "Unadjusted Median Income".

"MOHCD AMI" means the maximum income by household size, maximum rent by unit type, and maximum sales prices as published annually by MOHCD under this Policy.

"Housing Provider" means any person or entity that owns a multi-family property that is restricted for the purpose of affordable housing and/or subject to MOHCD administration, regulations, or policies.

<u>Limited Increases</u>: Annual increases to MOHCD AMI shall be limited to the <u>lesser of</u>: (1) the percentage amount necessary to adjust MOHCD AMI to match the then-current year's HUD SF AMI, or (2) four percent (4%)ⁱ. This Policy limits year-over-year increases to MOHCD AMI to 4% in periods of high HUD SF AMI escalation, while allowing MOHCD AMI to "catch up" to HUD SF AMI during periods when HUD SF AMI grows slowly, is static, or decreases.

<u>Limited Decreases</u>: This update to the Policy does not eliminate the Hold Harmless Policy adopted in 2016. In years when the MOHCD AMI matches the HUD SF AMI, and the subsequent year's HUD SF AMI decreases, MOHCD will maintain the MOHCD AMI from the previous year. If, in subsequent years, HUD SF AMI decreases again, stays flat, or increases to a level that is still lower than before the initial decrease, MOHCD will maintain its published AMI until such time as the HUD SF AMI increases to a level that is greater than the MOHCD AMI.

The application of this Policy may result in the creation of a calculation of MOHCD AMI that is different than the HUD SF AMI. The below chart demonstrates how this Policy would be applied over a hypothetical 6-year period:

	Base Year	Ye	ar 2	Year 3		Year 4		Year 5		Year 6	
	AMI	AMI	% Change	AMI	% Change	AMI	% Change	AMI	% Change	AMI	% Change
HUD SF AMI	100.0	108.0	8.0%	107	-0.9%	111	3.9%	109.0	-2.0%	112.5	3.2%
MOHCD AMI	100.0	104.0	4.0%	107	2.9%	111	3.9%	111	0.0%	112.5	1.2%

Utility Allowances

Notwithstanding anything to the contrary in this Policy, it is important to note that a Housing Provider will be required to lower net rents (i.e. tenant-paid rent) as the result of increases in utility allowances in years when the MOHCD AMI matches the HUD SF AMI, and HUD SF AMI has decreased or remained flat. MOHCD AMI establishes the limits for maximum gross rent (aka "Tier 2 rent" under the City's Inclusionary Housing Manual)," which consists of tenant rent plus utility allowance. If HUD SF AMI decreases or remains flat, and therefore MOHCD AMI remain the same as the previous year, an increase in the utility allowance means that the tenant rent would have to be lowered.

MOHCD Hold Harmless Policy – Update Effective 5/3/2019 Page 3 of 3

Limited Hardship Waiver

MOHCD will consider, in its sole discretion, a waiver of this Policy from a Housing Provider with rental units restricted under contracts (i.e., loan agreement, grant agreement, or other agreement for funding from the City) with MOHCD upon demonstration that: (1) the MOHCD AMI imposes a financial hardship that puts at risk the Housing Provider's ability to cover reasonable operating costs and debt service, (2) existing tenants will not be unreasonably financially burdened by the Housing Provider's proposed rent increases, and (3) the Housing Provider is not in default under any contract with MOHCD. Any waiver from this Policy approved by MOHCD, in its sole discretion, shall apply for only one year. Housing Providers are solely responsible for providing MOHCD with any documentation requested by MOHCD to support a hardship waiver of this Policy.

¹ The application of the 4% increase is made on the amount for the 100% AMI level for a 4-person family. MOHCD continues to using rounding to the nearest \$50 on the calculations for all of the other income levels and household sizes. The use of rounding may create nominal differences in the percentage increases for all of the other max income levels and household sizes, as well as for all of the maximum rents.

EXHIBIT L

Insurance Requirements

Subject to approval by the City's Risk Manager of the insurers and policy forms Borrower will obtain and maintain, or caused to be maintained, the insurance and bonds as set forth below from the date of this Agreement or other applicable date set forth below throughout the Compliance Term at no expense to the City:

- 1. <u>Liability Insurance</u>. Borrower will obtain and maintain, or cause its contractors, subcontractors, property managers and/or agents, as appropriate for each, to obtain and maintain, insurance and bonds as follows:
- (a) to the extent Borrower or its contractors and subcontractors have "employees" as defined in the California Labor Code, workers' compensation insurance with employer's liability limits not less than One Million Dollars (\$1,000,000) each accident, injury or illness;
- (b) commercial general liability insurance, with limits no less than Two Million Dollars (\$2,000,000) combined single limit per occurrence and Four Million Dollars (\$4,000,000) annual aggregate limit for bodily injury and property damage, including coverage for contractual liability; personal injury; fire damage legal liability; advertisers' liability; owners' and contractors' protective liability; products and completed operations; broad form property damage; and explosion, collapse and underground (XCU) coverage during any period in which Borrower is conducting any activity on, alteration or improvement to the Site with risk of explosions, collapse, or underground hazards;
- (c) business automobile liability insurance, with limits not less than One Million Dollars (\$1,000,000) each occurrence, combined single limit for bodily injury and property damage, including owned, hired and non-owned auto coverage, as applicable;

If the professional liability insurance provided by the architects, engineers, or surveyors is "Claims made" coverage, Borrower will assure that these minimum limits are maintained for no less than three (3) years beyond completion of the constructions or remodeling. Any deductible over Fifty Thousand Dollars (\$50,000) each claim will be reviewed by Risk Management; and
- (e) a crime policy or fidelity bond covering Borrower's officers and employees against dishonesty with respect to the Funds of no less than Seventy Five Thousand Dollars (\$75,000) each loss, with any deductible not to exceed Five Thousand Dollars (\$5,000) each loss, including the City as additional obligee or loss payee;
- (f) as applicable, pollution liability and/or asbestos pollution liability covering the work being performed with a limit no less than Two Million Dollars (\$2,000,000) per claim or occurrence and Two Million Dollars (\$2,000,000) annual aggregate per policy. This

coverage will be endorsed to include Non-Owned Disposal Site coverage. This policy may be provided by the Borrower's contractor, provided that the policy will be "claims made" coverage and Borrower will require Borrower's contractor to maintain these minimum limits for no less than three (3) years beyond completion of the construction or remodeling.

2. <u>Property Insurance</u>. Borrower will maintain, or cause its contractors and property managers, as appropriate for each, to maintain, insurance and bonds as follows:

(a) Prior to construction:

(i) Property insurance, excluding earthquake and flood, in the amount no less than One Hundred Percent (100%) of the replacement value of all improvements prior to commencement of construction and City property in the care, custody and control of the Borrower or its contractor, including coverage in transit and storage off-site; the cost of debris removal and demolition as may be made reasonably necessary by such perils, resulting damage and any applicable law, ordinance or regulation; start up, testing and machinery breakdown including electrical arcing; and with a deductible not to exceed Ten Thousand Dollars (\$10,000) each loss, including the City and all subcontractors as loss payees.

(b) During the course of construction:

- (i) Builder's risk insurance, special form coverage, excluding earthquake and flood, for one hundred percent (100%) of the replacement value of all completed improvements and City property in the care, custody and control of the Borrower or its contractor, including coverage in transit and storage off-site; the cost of debris removal and demolition as may be made reasonably necessary by such covered perils, resulting damage and any applicable law, ordinance or regulation; start up, testing and machinery breakdown including electrical arcing, copy of the applicable endorsement to the Builder's Risk policy, if the Builder's Risk policy is issued on a declared-project basis; and with a deductible not to exceed Ten Thousand Dollars (\$10,000) each loss, including the City and all subcontractors as loss payees.
- (ii) Performance and payment bonds of contractors, each in the amount of One Hundred Percent (100%) of contract amounts, naming the City and Borrower as dual obligees or other completion security approved by the City in its sole discretion.

(c) Upon completion of construction:

- (i) Property insurance, excluding earthquake and flood, in the amount no less than One Hundred Percent (100%) of the replacement value of all completed improvements and City property in the care, custody and control of the Borrower or its contractor. For rehabilitation/construction projects that are unoccupied by residential or commercial tenants, Tenant will obtain Property Insurance by the date that the project receives a Certificate of Substantial Completion.
- (ii) Boiler and machinery insurance, comprehensive form, covering damage to, loss or destruction of machinery and equipment located on the Site that is used by Borrower for heating, ventilating, air-conditioning, power generation and similar purposes, in an amount not less than one hundred percent (100%) of the actual replacement value of such

machinery and equipment with a deductible not to exceed Ten Thousand Dollars (\$10,000) each loss, including the City as loss payee.

The following notice is provided in accordance with the provisions of California Civil Code Section 2955.5: Under California law, no lender will require a borrower, as a condition of receiving or maintaining a loan secured by real property, to provide hazard insurance coverage against risks to the improvements on that real property in an amount exceeding the replacement value of the improvements on the property.

3. General Requirements.

- (a) <u>Required Endorsements</u>. Borrower's insurance policies will include the following endorsements:
- (i) Commercial General Liability and Commercial Automobile Liability Insurance policies will be endorsed to name as "Additional Insured" the City and County of San Francisco, its officers, agents, and employees.

- (iii) Commercial General Liability and Commercial Automobile Liability Insurance policies will provide that such policies are primary insurance to any other insurance available to the "Additional Insureds," with respect to any claims arising out of this Agreement, and that the insurance applies separately to each insured against whom claim is made or suit is brought.
- (iv) All policies will be endorsed to provide thirty (30) days' advance written notice to the City of cancellation for any reason, intended non-renewal, or reduction in coverages. Notices will be sent to the City address set forth in **Section 21.1** of the Agreement.

Borrower will provide the City with copies of endorsements for each required insurance policy and make each policy available for inspection and copying promptly upon request.

- (b) <u>Certificates of Insurance</u>. By no later than Loan closing and annually thereafter, Borrower will furnish to City certificates of insurance and additional insured policy endorsements with insurers with ratings comparable to A-, VIII or higher, that are authorized to do business in the State of California, and that are satisfactory to City, in form evidencing all coverages set forth above. Approval of the insurance by City shall not relieve or decrease Borrower's liability under this Agreement.
- (c) <u>Waiver of Subrogation Property Insurance</u>. With respect to any property insurance, Borrower hereby waives all rights of subrogation against the City to the extent of any

loss covered by Borrower's insurance, except to the extent subrogation would affect the scope or validity of insurance.

- (d) <u>Claims Based Policies</u>. All claims based on acts, omissions, injury or damage occurring or arising in whole or in part during the policy period must be covered. If any required insurance is provided under a claims-made form, Borrower will maintain coverage as follows:
- (i) for builder's risk, continuously for a period ending no less than three (3) years after recordation of a notice of completion without lapse, to the effect that, if any occurrences give rise to claims made after completion of the Project, then those claims will be covered by the claims-made policies; or
- (ii) for all other insurance under this Exhibit L, continuously through the Compliance Term and, without lapse, for a period of no less than three (3) years beyond the expiration of the Compliance Term, to the effect that, if any occurrences during the Compliance Term give rise to claims made after expiration of the Agreement, then those claims will be covered by the claims-made policies.

(e) <u>Additional Requirements</u>.

- (i) If any of the required insurance is provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit will be double the occurrence or claims limits specified above.
- (ii) Any and all insurance policies required under this Exhibit L will contain a clause providing that the City and its officers, agents and employees will not be liable for any required premium.
- (iii) On City's request, Borrower and City will periodically review the limits and types of insurance carried under this Exhibit L. If the general commercial practice in the City and County of San Francisco is to carry liability insurance in an amount or coverage materially greater than the amount or coverage then being carried by Borrower for risks comparable to those associated with the Permit Area, then City in its sole discretion may require Permittee to increase the amounts or coverage carried by Borrower to conform to the general commercial practice, unless Borrower demonstrates to the City's satisfaction that the increased coverage is commercially unreasonable and unavailable to Borrower.
- (iv) Borrower's compliance with the insurance requirements under this Exhibit L will in no way relieve or decrease Borrower's indemnification obligations under this Agreement or any of Borrower's other obligations under this Agreement.

Residual Receipts Policy

[To be attached]

City and County of San Francisco Mayor's Office of Housing and Community Development Residual Receipts Policy Effective Date: May 16, 2025

I. Introduction

The Mayor's Office of Housing and Community Development (MOHCD) typically requires annual payments under ground leases and loans provided for the purpose of developing or preserving affordable housing to the extent that making payments is feasible and does not jeopardize the long-term affordability or maintenance of safe and secure housing for its residents. Payments may be required under one or a combination of several structures, including amortization, deferral, or payment from residual receipts, depending on the circumstances.

When a development financed by MOHCD is projected to enjoy more income than is needed to pay expenses, service other debt, fully fund its reserves, and make approved payments out of surplus, it is MOHCD's policy that a portion of the remaining "residual" income be directed toward repayment of MOHCD's investment (loan and/or below market ground lease).

MOHCD also permits a modest portion of "residual" income to be distributed by the borrower. Distribution of any portion of "residual receipts" is conditioned on MOHCD's annual determination that certain performance standards and benchmarks have been met. This Residual Receipts Policy (this "Policy") sets forth the terms for repayment of MOHCD loans and/or payment of residual rent under MOHCD ground leases. For the purposes of this Policy, a "Borrower" means, collectively, the legal entity that owns an affordable housing project financed by MOHCD and borrowed funds from MOHCD, and all organizations within the ownership structure of the borrowing legal entity, including, but not limited to, project sponsors that own/control a portfolio of affordable housing financed by MOHCD.

The Residual Receipts Policy 2021 Supplement has expired.

II. Definition of Residual Receipts

Residual Receipts is the amount remaining in the annual operating budget after calculation of Net Operating Income (Project Income less Project Expenses) less any allowable uses of remaining cash flow before payment to MOHCD, such as partnership fees.

"Project" means an affordable housing project financed by MOHCD and/or on land owned by the City.

"Project Income" means all income and receipts in any form received by borrower from the operation of a Project, including, but not limited to, the following:

(a) rents, fees, charges, and deposits (other than tenant's refundable security deposits);

- (b) Section 8 or other rental subsidy payments received for a Project, supportive services funding (if applicable);
- (c) price index adjustments and any other rental adjustments to leases or rental agreements;
- (d) proceeds from vending and laundry room machines;
- (e) the proceeds of business interruption or similar insurance;
- (f) any accrued interest disbursed from any reserve account required under the MOHCD loan agreement for a purpose other than that for which the reserve account was established;
- (g) reimbursements and other charges paid to the borrower in connection with a Project; and
- (h) other consideration actually received from the operation of such project, including non-residential uses of Project.

Project Income will not include interest accruing on any portion of the MOHCD loan or tenant's refundable security deposits. Project Income will also not include income from a project's commercial space if specified in the MOHCD loan agreement and approved by MOHCD.

"Project Expenses" means the following applicable costs, which may be paid from Project Income in the following order of priority to the extent of available Project Income:

- (a) all charges incurred in the operation of a Project for utilities, real estate taxes and assessments and premiums for insurance required under this Agreement or by other lenders providing secured financing for the Project;
- (b) salaries, wages and any other compensation due and payable to the employees or agents of Borrower employed in connection with the Project, including all related withholding taxes, insurance premiums, Social Security payments and other payroll taxes or payments;
- (c) required payments of interest and principal, if any, on any junior or senior financing secured by the Project and used to finance the Project that has been approved by the City;
- all other expenses actually incurred to cover operating costs of the Project, including maintenance and repairs and the fee of any managing agent as indicated in the Annual Operating Budget;
- (e) annual base rent under the ground lease with the City;

- (f) required deposits to the replacement reserve account, operating reserve account and any other reserve account required under the MOHCD loan agreement or by other lenders approved by MOHCD;
- (g) the approved annual asset management fees indicated in the Annual Operating Budget and approved by MOHCD;
- (h) any extraordinary expenses approved in advance by the City (other than expenses paid from any reserve account); and
- (i) any supportive services required by MOHCD.

The project-specific contracts may define what Project Income entails and which Project Expenses are allowable with the prior written approval of MOHCD. Each MOHCD contract will include a copy of the approved Operating Budget Proforma. **Project Expenses shall not include the following: partnership fees, developer fees, tax credit adjustors, or taxes owed by a limited partnership unrelated to the operations of a Project.**

Borrowers must clearly define and request which uses of annual cash flow/surplus cash have been approved for payment prior to the calculation of the amounts owed to MOHCD (and to other soft debt lenders, if applicable), and amount intended to be retained by the Borrower.

The approved uses of any available annual surplus cash may also be referred to as the "cash flow waterfall." The approved MOHCD Operating Budget Proforma is used to document the approved cash flow waterfall. In general, the following expenses may be a part of a cash flow waterfall:

- 1. Fees payable to the general partner, the limited partner, or asset management fees, if applicable (e.g. HCD funded project)
- 2. Fees payable to project funders
- 3. Deferred developer fee

Please see the City's Developer Fee Policy and Operating Fees Policy for a list of allowable fees and any applicable limits.

Limited Partnership Agreements may also provide a narrative summary of the cash flow waterfall. In the event that a Limited Partnership Agreements is found to be inconsistent with the MOHCD Funding Agreement and/or the approved MOHCD Operating Budget Proforma, the MOHCD documents shall control.

III. Annual Residual Receipts Payments due under MOHCD Ground Leases & Loans

A. <u>General Requirement.</u> Except as recommended by the Loan Committee and approved by the Mayor on a project by project basis, the portion to be paid to the City shall be 50% of Residual Receipts to repay loans or pay residual rent. Larger Tax Credit projects. The Borrower's portion of Residual

Receipts shall be considered payment of Deferred Developer Fee for tax credit projects. See the Developer Fee Policy for more details.

Any Residual Receipts loan payments shall be applied toward the unpaid balance of MOHCD's loan(s) according to the terms in MOHCD's promissory note and/or loan agreement. In general, payments are applied first to any fees and/or penalties, second to accrued and unpaid interest, and third to the outstanding principal amount of the loan. Any Residual Receipts payments required under a MOHCD ground lease ("Residual Rent") shall be due after full repayment of a MOHCD loan and any other soft debt loans approved by MOHCD (see above).

- **B.** Special Waiver. For a Borrower that has Project that was placed in service prior to the Effective Date and has residual receipts loan repayment obligations, such Borrower shall continue to comply with their existing MOHCD loan agreement and promissory note(s), but may request a waiver to the residual receipt loan repayment amount. MOHCD may modify repayment amounts to be consistent with this Residual Receipts Policy as of the Effective Date, as amended from time to time, if a Borrower demonstrates the following:
 - 1. Borrower is not in default under any loan agreement with MOHCD, or has any outstanding non-compliance notices issued by MOHCD;
 - 2. Borrower has submitted all required Annual Monitoring Reports to MOHCD;
 - 3. Project sponsor owns/control a portfolio of at least two (2) affordable housing financed by MOHCD, SFRA or OCII; and,
 - 4. Borrower's portfolio of affordable housing has the minimum reserves required under applicable loan agreements and most recent capital needs assessment.

For example, if under current contracts, a Borrower must pay 2/3 of Residual Receipts to MOHCD for loan repayment and may retain a 1/3 of Residual Receipts as a Distribution, MOHCD may waive the repayment amount such that Borrower pays 50% of Residual Receipts to the City for loan repayment and could retain 50% of Residual Receipts as a Distribution (or a larger percentage distribution under future policy updates). If a Borrower's portfolio shows that one or more properties have insufficient reserves or has an operating deficit ("**Deficit Property**"), MOHCD may condition the waiver on the Borrower disbursing funds to a Deficit Property. A waiver granted under this section will be reviewed on an annual basis. For any project that has received a waiver, Borrower must agree to amend the MOHCD loan documents at the time the project refinances permanent debt, resyndicates, or receives additional funds from MOHCD. At no point will any Borrower be required to retain a smaller share of Residual Receipts than what their loan agreement and promissory note(s) call for, unless mutually agreed upon by MOHCD and the Borrower. The foregoing special waiver will not apply to modifications of residual rent, which requires the approval of the Board of Supervisors.

IV. When more than one MOHCD contract requires residual payments

Some projects supported by MOHCD may be governed by more than one MOHCD contract due to capital financing provided to the project at various times. In general, Residual Receipts payments to MOHCD will be allocated proportionately to each loan's original principal amount. The MOHCD

Operating Budget Proforma provides a comprehensive summary of the approved cash flow waterfall, a listing of all lenders, the relative position of each lien, the amounts owed and the relevant repayment terms, and will also reflect the cumulative amount of repayments owed to MOHCD annually across all MOHCD contracts. If a Borrower requests loan modifications related to a Project governed by more than one MOHCD contract executed before the Effective Date, Borrower will be required to get approval of a new MOHCD Operating Budget Proforma that reflects a comprehensive summary of the approved cash flow waterfall during the applicable approval process. Current best practice is to amend and restate all loan agreements and consolidate the loans so that all MOHCD loan requirements are consistent.

V. When a project has other Lenders in addition to MOHCD that require Residual Receipts payments

- A. If any other project lender besides MOHCD require repayment from Residual Receipts (a "soft debt lender"), the portion to be repaid to each lender will typically be determined by comparing (1) the amount of capital under a lender's loan(s) in proportion to (2) the City's total financial assistance (all loans, grants, land write down, and/or other project costs paid by the City) to the Project. For example, if a Project received \$6 million from MOHCD in the form of a capital loan, operating subsidy grant, and below market lease, and a \$2 million soft debt loan from another lender (\$8 million total), MOHCD would receive 75% of the amount available of Residual Receipts (see above) as loan repayment, and the other lender would receive 25% of the amount available of Residual Receipts as loan repayment. If Borrower will receive a loan from the California Department of Housing and Community Development, MOHCD will agree to the requirements under the Uniform Multifamily Regulations. The approved MOHCD Operating Budget Proforma must include a list of all Loans and provide an appropriate amount of detail about the projected amounts owed annually including details about how the portions to be paid to each lender will be calculated. If a Borrower intends to make an agreement with any other soft debt lender(s) after executing a MOHCD contract containing the final MOHCD-approved Operating Budget Proforma, Borrower must request MOHCD's prior written approval of such loan and to amend the MOHCD-approved Operating Budget Proforma to include the new lender(s). Notwithstanding anything to the contrary in this Section V(A), soft debt loans from Borrower's general partner or any entity affiliated with the Borrower or Borrower's general partner shall be repaid from the Borrower's share of Residual Receipts described in Section VI.
- B. During operations, MOHCD will require Residual Receipts payments using MOHCD's calculation method. If there is a difference in the amount calculated to be owed to any other lenders under another lender's repayment calculation method when compared to MOHCD method, then each lender will be paid according to its own calculation, so long as doing so would not result in a reduction in the amount payable to MOHCD.

See Exhibit A for sample residual receipt calculations.

VI. Distribution of Residual Receipts to Borrower

A. If Borrower satisfies the conditions below, Borrower may retain the remaining portion (50%) of Residual Receipts as a Distribution under the MOHCD loan agreement and Borrower's Limited Partnership Agreement. Subject to MOHCD granting a repayment waiver (see above), MOHCD will

allow Borrower to make a Distribution consistent with this Section VI, but no less than a prior funding approval.

- B. Distribution of Borrower's share of Residual Receipts (50%) under a MOHCD loan, or lessee of a MOHCD ground lease, may be made only after:
 - 1. MOHCD approval of the Annual Monitoring Report submitted for that year; and
 - 2. Determination by MOHCD that the Borrower is not in default under terms of the Loan; and
 - 3. Approval by MOHCD of the amount to be distributed.
- C. No distribution of Residual Receipts shall be made under any of the following circumstances:
 - 1. When a written notice of default has been issued by any lender or investor and such default has not been cured; or
 - 2. When the City determines that the Borrower or the Borrower's management agent has failed to maintain the housing and its surroundings in a safe and sanitary manner in accordance with local health, building, and housing codes; or
 - 3. If any operating expense, including debt service on non-City loans remains unpaid; or
 - 4. If any required reserve account is not fully funded according to the terms of the MOHCD contract(s); or
 - 5. In the event of any other material failure to comply with the provisions of the MOHCD contract(s).

VII. Use of Residual Receipts Distributed to the Borrower

MOHCD strongly encourages Project sponsors that to use the portion of Residual Receipts received from a Distribution for activities in San Francisco that would be eligible uses under the CDBG Program Income rules (except to the extent that those rules may prohibit the use of funds for new construction).

VIII. Uses of Project Income

Borrowers must obtain the prior written approval of MOHCD for any use of Project Income derived from housing developed or preserved with MOHCD financing that is inconsistent with a MOHCD loan agreement, this Policy, or any other MOHCD policy. Evaluation by the Loan Committee and approval by the Mayor will be required at the time MOHCD's financing is committed and approved.

IX. Waiver of this Residual Receipts Policy

Subject to the evaluation and approval of the Citywide Affordable Housing Loan Committee, MOHCD may waive or modify any requirement under this Policy for the purpose of assuring project feasibility or payment of costs associated with the provision of social, educational, vocational, counseling or other supportive services to residents. A Borrower may request a waiver under this Policy by submitting a written request to the MOHCD Director, in care of the assigned Project Manager/Asset Manager.

EXHIBIT RNo Place Like Home Requirements

VIII. ADDENDUM 1: KEY REQUIREMENTS OF NO PLACE LIKE HOME PROGRAM

For supportive housing funded by the State of California's No Place Like Home Program, MOHCD has developed this addendum to summarize key requirements of the NPLH Program. Sponsors of NPLH-funded supportive housing must comply with all relevant requirements of the NPLH Program Guidelines. The full program guidelines are available at the State of California Housing and Community Development Department's NO Place Like Home website.

The goal of MOHCD's NPLH Program is to facilitate acquisition, design, construction, rehabilitation, and preservation of affordable multifamily rental housing for persons with a serious mental illness who are homeless, chronically homeless, or at-risk of chronic homelessness. Qualifying multifamily structures must collectively contain five or more units and shall consist of scattered site housing and multifamily affordable developments. Shared housing is not an eligible development under MOHCD's guidelines.

Please disregard provisions of the HCD NPLH Program Guidelines in Article III, related to the transition reserve requirements, as these are superseded by MOHCD's own guidelines found in the LOSP Policies and Procedures.

Eligible Uses of Funds. MOHCD will evaluate each qualified multifamily project for suitability for NPLH funding. Awarding NPLH funding is conditional on acceptance or eligibility for available state funding. The total amount of funds to be awarded to NPLH-assisted units shall not exceed the costs associated with assisted units. To determine these costs, the cost allocation rules from the State of California's Multifamily Housing Program Regulations (25 California Code of Regulations, Section 7304(c)) that govern eligible uses of funds shall apply.

 $\underline{https://www.hcd.ca.gov/sites/default/files/docs/grants-and-funding/supernofa/2025-mhp-guidelines.pdf.pdf}$

Selection Criteria. MOHCD will evaluate the site's eligibility for NPLH funding utilizing the following criteria identified in the HCD NPLH Guidelines (section 301(a) 4-8 and 13-14), including, but not limited to:

- Suitability of each location for the NPLH residents, including proximity to transportation, services, and other amenities in a manner that ensures integration of the NPLH residents in the community;
- The Project site must be free from severe adverse environmental conditions, such as the presence of toxic waste that is economically infeasible to remove and that cannot be mitigated.
- All units must be on a permanent foundation and must meet all applicable State and local requirements pertaining to rental housing, including but not limited to, requirements for minimum square footage, and requirements related to maintaining the property in a safe and sanitary condition.
- Readiness to proceed to construction;
- Capital, operating subsidy, and supportive services leverage;
- Compliance with applicable state and federal relocation laws including California Government

Code Section 7260 et seg., and 25 CCR Section 6000 et seg.; and

• Compliance with Article XXXIV Section 1 of the California Constitution, as clarified by Public Housing Election Implementation Law (H&S Code Section 37000 et seq.).

Experience. MOHCD will evaluate the experience of the project team including the development sponsor, property manager, and lead service provider to ensure that the following minimum experience requirements are met:

- (1) Development and ownership of at least two affordable rental housing projects in the last ten years, with at least one of those projects containing at least one unit housing a tenant who qualifies as a member of the NPLH target population
- (2) Property management operation of at least two affordable rental housing projects in the last ten years, with at least one of those projects containing at least one unit housing a tenant who qualifies as a member of the NPLH target population
- (3) Lead services provider, which may be the City, shall have three or more years of experience serving persons who qualify as members of the NPLH target population. If this experience does not include experience serving persons in supportive housing, it must include experience helping persons address barriers to housing stability or providing other support services related to housing retention (from Section 202 (e) that details Project Threshold Requirements)

Integration. Proposed projects must demonstrate integration of the NPLH target population with the general public. In order to demonstrate compliance with this requirement, following conditions must be met:

- (1) Assisted units must be integrated with other units in the project and not separated onto separate floors or areas in the building
- (2) To promote integration of the target population with other project tenants, in projects of greater than 20 units, MOHCD will fund no more than 49 percent of the project's total units as NPLH assisted units. This limitation shall not be interpreted to preclude occupancy of any project units by persons with disabilities, or restrictions by other funding sources, including but not limited to CTCAC, that result in more than 49 percent of the total project units being restricted to persons with disabilities
- (3) Sponsors must certify that they will facilitate or provide regular community building activities and architectural design features that promote tenant interaction, as feasible depending on the scope of the construction or rehabilitation activity
- (4) The service plan and property management plan submitted with the funding application must document policies that promote participation by tenants in community activities, and impose no restrictions on guests that are not otherwise required by other project funding sources or would not be common in other unsubsidized rental housing in the community. (from Section 202 (g))

A. Uses and Terms of NPLH Program Assistance (from Section 302 of NPLH Program Guidelines)

MOHCD will allocate NPLH funds to finance capital costs of supportive housing development including but not limited to acquisition, design, construction, rehabilitation, or preservation of affordable multifamily rental housing. (from Section 302 (a))

MOHCD will, on a project by project basis, allocate NPLH funds to capitalize operating subsidy reserves

(COSR) for assisted units (from Section 302 (b)), subject to the limitations specified in Section 305. The COSR shall be sized to cover anticipated operating deficits attributable to the NPLH assisted units, for a minimum of 20 years, structured as a grant as evidenced by a grant agreement, as required by Section 310 of the NPLH Guidelines, and can be used in conjunction with LOSP. The total amount of a project COSR will be determined based upon the individual project underwriting performed by MOHCD in accordance with Section 305. MOHCD shall hold each project COSR in a segregated interest bearing account for the benefit of the project's assisted units for as long as funds remain in the COSR, but for not less than 20 years.

NPLH funds may be provided as predevelopment, construction, or post-construction permanent financing. If funding is used as predevelopment or construction financing, NPLH funding must convert to post construction permanent financing. (from Section 302 (d))

NPLH allocations to multifamily rental housing of five of more units for capital costs shall be provided in the form of a deferred payment loan that shall have an initial affordability period of 55 years or longer commencing on the date of recordation of the NPLH regulatory agreement. (Section 302 (e)) The loan may bear a zero percent interest rate. Any interest payment, loan repayments, or other return of funds must be returned to the State Department of Housing and Community Development pursuant to Welfare and Institutions Code Section 5849.4 (b) that governs the NPLH Program. (from Section 302 (e))

https://leginfo.legislature.ca.gov/faces/codes_displaySection.xhtml?lawCode=WIC§ionNum=5849
_4 (included as reference only)

Capital program funds shall be secured by the project's real property and improvements, and subject only to liens, encumbrances and other matters of record approved by MOHCD. (from Section 302 (f))

MOHCD may charge reasonable and customary annual monitoring fees to be used in conjunction with administration funds for compliance monitoring required under Section 311 of the NPLH Program Guidelines during the applicable period of affordability set forth in Section 302, paragraph (e). These fees must be based upon the average actual cost of performing the monitoring of the assisted units. The basis for determining the amount of the fee must be documented and the fee must be included in the costs of the project as part of the project underwriting analysis. (from Section 302 (g)). Currently, MOHCD has opted not to charge a separate NPLH monitoring fee. Any changes to this policy would be made to these Guidelines.

NPLH funds not committed to projects within 24 months of award by the State Department of Housing and Community Development shall be returned to the State, and such funds shall be made available for award to applicants as part of the State's Competitive Allocations. Evidence of committed funds may include award letters, commitment letters, or other written agreements evidencing a commitment of funds. (from Section 302 (h))

B. Occupancy, Income and Rent Limit Requirements (from Section 303 of NPLH Program Guidelines)

Occupancy of all NPLH assisted units shall be restricted to households with at least one member who qualifies as a member of the target population. (from Section 303 (a)) The NPLH target population includes adults or older adults with a serious mental disorder or children or adolescents with serious

emotional disturbance who are homeless, chronically homeless, or at-risk of chronic homelessness. This includes persons with co-occurring mental and physical disabilities or co-occurring mental and substance use disorders. (from the State's Welfare and Institutions Code Section 5600.3 (a) and (b) that governs the Mental Health Services Act Program and the target population for the MHSA Program)

http://leginfo.legislature.ca.gov/faces/codes_displaySection.xhtml?sectionNum=5600.3.&lawCode=WIC

Total household income at the time of move-in shall not exceed 30 percent AMI limit as published by the State Department of Housing and Community Development. (from Section 303 (a))

Income determination shall be made in accordance with the requirements in the State of California's Multifamily Housing Program Regulations that govern the calculation of gross income and net income for eligible households for assisted units (25 California Code of Regulations, Section 6914 and 25 CCR, Section 6916) (from Section 303 (b))

For assisted units, if at the time of recertification, a tenant household's income exceeds the 30 percent AMI level and this increase is based solely on the current SSI/SSP payment rate or cost of living adjustment, the household rent shall not exceed 30 percent of household income. These units shall continue to be designated as assisted units. (from Section 303 (c))

For assisted units, if at the time of recertification, a tenant household's income exceeds the 30 percent AMI level and this increase is based on factors other than or in addition to the current SSI/SSP payment rate or cost of living adjustment, to the extent a rent increase for the household is permitted by statutes and regulations governing the project's other financing sources, the sponsor:

- (1) Shall redesignate the tenant's unit as a unit at the higher income level, provided that there are non-assisted units restricted at the higher income level. These units shall not be designated as NPLH assisted units.
- (2) Shall increase the tenant's rent to the level applicable to units at the higher income level; and
- (3) Shall designate the next available comparable non-assisted unit as an assisted unit by the income level originally applicable to the household unit the unit mix required by the program regulatory agreement is achieved.
- (4) If all of the project units are assisted units, that project can continue with the over-income unit until such time as the over-income household(s) no longer reside in the project.
- (5) A unit shall be deemed comparable if it has the same number of bedrooms and reasonably similar square footage as the original unit. (from Section 303 (d))

For assisted units, if at the time of recertification, a tenant household's income exceeds the income limit designated for the household's unit, but does not exceed the limit for a higher income level applicable to new NPH tenants, the sponsor may increase the household's rent to an amount not exceeding the closest rent limit applicable to the household's income level at the time of recertification. (from Section 303 (e))

Projects shall maintain documentation of tenant eligibility consistent in all of the following ways, as applicable:

- (1) Documentation of an adult or older adult with a serious mental disorder or a child or adolescent with a serious emotional disturbance, as provided by a qualified mental health worker in accordance with the requirements of WIC Section 5600.3 (from the State's Welfare and Institutions Code Section 5600.3 that governs the Mental Health Services Act Program and the target population for the MHSA Program)
- (2) Documentation of a person's status as homeless or chronically homeless as defined in Section 101 of the NPLH Program Guidelines and established through the local coordinated entry system or atrisk of chronic homelessness as defined in Section 101 of the NPLH Program Guidelines and established through the local coordinated entry system or other procedures for determining qualification
- (3) In no event shall a person be required to be a client of the City of San Francisco's behavioral health department or a recipient of mental health or other services in order to qualify for or remain in an assisted unit (from Section 303 (f))

These occupancy, income and rent limit requirements shall apply for the full term of the NPLH program loan (from Section 303 (g)).

C. Underwriting Standards and Other Requirements (from Section 304 of NPLH Program Guidelines)

All assisted units shall have rents restricted to 30 percent AMI (as defined by HCD) or below as specified in the project regulatory agreement with MOHCD, except as otherwise permitted in the above Occupancy, Income and Rent Limit Requirements (detailed in Section 303 (c) of NPLH Program Guidelines) (from 304 (a)).

Rent levels shall be expressed in five percent increments as a percentage of SMI (from 304 (b)).

Before committing funds to project, MOHCD must evaluate the project in accordance with underwriting standards it has chosen to use for this program. These standards must consider at a minimum, such things as: reasonableness of projected construction and operating expenses, income and expense escalators, vacancy rate assumptions, debt coverage ratio, operating reserves, replacement reserves, budgeted construction contingency, limits on development costs, developer fees, asset management and partnership fees, and use of operating cash flow (from 304 (c)).

The maximum amount of assistance per assisted unit shall take into account the number of bedrooms per unit or other measures of unit size, as well as the level of affordability provided per unit, with more affordable units being provided more subsidy (from Section 304 (d)).

The total amount of program assistance to a project shall not exceed the eligible costs associated with assisted units in accordable with a methodology that allocates costs among the assisted and non-assisted units in reasonable proportion to their anticipated share of costs (from Section 304 (e)). The total amount of NPLH funds per site will be determined at the sole determination of MOHCD, subject to funding availability and HCD limitations on State funds stacking, and in no case higher than the gap between the cost to build and the other available subsidies.

California Labor Code Section 1720 et seq. requires payment of prevailing wages for certain developments paid for in whole or in part from any public funding source, and exempts other

developments from this requirement. All funds provided under this program are public funds within the meaning of these Labor Code sections. Program funding for a portion of a project shall not necessarily, in and of itself, be considered public funding of the entire project. MOHCD shall be responsible for determining on a case-by-case basis, the extent of the applicability of state prevailing wage law to each individual project. (from Section 304 (f)).

http://leginfo.legislature.ca.gov/faces/codes displaySection.xhtml?lawCode=LAB§ionNum=1720.

Projects of five or more units must meet the accessibility requirements specified in the California Tax Credit Allocation Committee regulations, as may be amended and renumbered from time to time, including those of Section 10325(f)(7)(K) and, for senior projects, those of Section 10325(g)(2)(B) and (C), or a higher standard if required by MOHCD. Exemption requests, as provided for in the CTCAC regulations, must be approved by MOHCD. Projects must also provide a preference for accessible units to persons with disabilities requiring the features of the accessible units in accordance with Section 10337(b)(2) of the CTCAC regulations, or a higher standard if required by MOHCD. All projects must also ensure that any other applicable federal, state, and local accessibility requirements are met. (from Section 304 (g)).

https://www.treasurer.ca.gov/ctcac/programreg/2018/20180516/clean.pdf (CCR governing CTCAC regulations)

Projects shall have a transition reserve (further described in the LOSP Policies and Procedures) in an amount established by the MOHCD in the event that any project-based rental assistance is not renewed and the project cannot secure other rental or operating subsidies to continue without immediately raising rents on the assisted units.

- (1) If rent increases on the assisted units are necessary after exhausting all transition reserve funds such increases shall only be permitted to the minimum extent required for financial feasibility, as determined by MOHCD. In addition, rents on assisted units shall not, in any event, be increased to an amount in excess of 30 percent of 50 percent of AMI (as defined by HCD), adjusted by number of bedrooms.
- (2) MOHCD shall notify the State Department of Housing and Community Development at least 12 months in advance of any rent increase on the assisted units due to exhaustion of the transition reserve.
- (3) If rent increases on the assisted units are necessary due to loss of rental or operating assistance, if it is determined that NPLH tenants will need to move after exhausting all transition reserve funds, a transition plan shall be implemented to identify other permanent housing options that may be more affordable to NPLH tenants who cannot afford the increased rent, and to assist those persons in accessing other available housing. Funds from the transition reserve may be used for these expenses. (from Section 304 (h))

D. Operating Budget Requirements

MOHCD shall review annually proposed annual operating budgets of funded projects to ensure that budget line items, including any proposed rent increases, are reasonable and necessary in light of costs for comparable permanent supportive housing projects and prior year budgets (from Section 306).

E. Supportive Services Requirements

Each application selected for funding must include a project-specific supportive services plan developed by the county in partnership with the project sponsor, supportive service providers, and the property manager. (from Section 203 (a))

The property management staff and service providers must make participation in supportive services by NPLH tenants voluntary. Access to or continued occupancy in housing cannot be conditioned on participation in services or on sobriety. The supportive services plan must describe the services to be made available to NPLH tenants in a manner that is voluntary, flexible and individualized, so NPLH tenants may continue to engage with supportive services providers, even as the intensity of services needed may change. Adaptability in the level of services should support tenant engagement and housing retention. (from Section 203 (b))

The following supportive services shall be made available to NPLH tenants based on tenant need. Available mental health services shall be provided directly by the County or through a subcontracted lead service provider. The City or the City's lead service provider for the Project shall coordinate the provision of or referral to services needed by individual tenants, including but not limited to substance use treatment services, for a minimum of 20 years. Except as otherwise noted below, the following required services can be provided onsite at the project or offsite at another location easily accessible to tenants:

- Case management;
- (2) Peer support activities;
- (3) Mental health care, such as assessment, crisis counseling, individual and group therapy, and peer support groups;
- (4) Substance use services, such as treatment, relapse prevention, and peer support groups;
- (5) Support in linking to physical health care, including access to routine and preventive health and dental care, medication management, and wellness services;
- (6) Benefits counseling and advocacy, including assistance in accessing SSI/SSP, enrolling in Medi-Cal; and
- (7) Basic housing retention skills (such as Unit maintenance and upkeep, cooking, laundry, and money management). (from Section 203 (c))

The following additional information shall be provided in the supportive services plan:

- (8) Description of the Target Population to be served, and identification of any additional subpopulation target or occupancy preference for the NPLH Project that the Applicant wishes to undertake beyond what is permitted under the Target Population requirements. Any additional subpopulation targeting or occupancy preference for NPLH Project must be approved by the Department prior to construction loan closing and must be consistent with federal and state fair housing requirements;
- (9) Description of tenant outreach, engagement and retention strategies to be used;
- (10)Description of each service to be offered, how frequently each service will be offered or provided depending on the nature of the service, who is anticipated to be providing the services and the location and general hours of availability of the services;
- (11)For services provided off-site, the plan must describe what public or private transportation options will be available to NPLH tenants in order to provide them reasonable access to these

services. Reasonable access is access that does not require walking more than ½ mile.

- (12) Description of how the supportive services are culturally and linguistically competent for persons of different races, ethnicities, sexual orientations, gender identities, and gender expressions. This includes explaining how services will be provided to NPLH tenants who do not speak English, or have other communication barriers, including sensory disabilities, and how communication among the services providers, the property manager and these tenants will be facilitated;
- (13) Estimated itemized budget, and sources of funding for services;
- (14)Description of how the supportive services staff and property management staff will work together to prevent evictions, to adopt and ensure compliance with harm reduction principles, and to facilitate the implementation of reasonable accommodation policies from rent-up to ongoing operations of the Project;
- (15) General service provider and property manager communication protocols;
- (16)Description of how the physical design of the Project fosters tenant engagement, onsite supportive services provision, safety and security, and sustainability of furnishings, equipment, and fixtures; and
- (17)Other information needed by the Department to evaluate the supportive services to be offered consistent with the Program. (from Section 203 (e))

Copies of draft written agreements or memoranda of understanding (MOUs) must be provided which identify the roles and responsibilities of the City, the project owner, other service providers, and the property manager. Specific organizations do not need to be identified unless those organizations are used to satisfy the experience requirements required to submit an application under NPLH Project Threshold Requirements. The draft written agreements or MOUs must be materially consistent with the information set forth in the supportive services plan. (from Section 203 (f))

MOHCD may request that any necessary updates to the supportive services plan or related documents, including fully executed written agreements between the City, service providers, the Project owner, and the property manager, be provided prior to the beginning of the initial rent-up period or prior to permanent loan closing. (from Section 203 (g))

F. Tenant Selection, Rental Agreements and Grievance Procedure Requirements

Chronically homeless and homeless persons shall be referred to NPLH assisted units through the local coordinated entry system (from Section 307 (a)).

If San Francisco's coordinated entry system cannot refer persons at-risk of chronic homelessness, the City will first prioritize chronically homeless and homeless persons through the local coordinated entry system. Then, San Francisco will develop an alternate system to prioritize those with the greatest need who are at-risk of chronic homelessness for NPLH assisted units. (from Section 307 (b))

Projects utilizing MOHCD's Noncompetitive Allocation of NPLH funding shall first prioritize homeless individuals with a serious mental illness and then individuals at-risk of chronic homelessness with a serious mental illness. (from Section 307 (c))

MOHCD shall have reasonable standards for project rental agreements, property management plans, and tenant grievance procedures to ensure compliance with the State's Housing First requirements (from the State's Welfare and Institutions Code Section 8255(b) that detail the core components of Housing First), and compliance with basic tenant protections established under federal, state and local

law. (from Section 307 (d))

https://leginfo.legislature.ca.gov/faces/codes_displayText.xhtml?lawCode=WIC&division=8.&title=&part t=&chapter=6.5.&article=

Tenants shall be accepted regardless of sobriety, participation in services or treatment, history of incarceration, credit, or history of eviction in accordance with practices permitted pursuant to the State's Welfare and Institutions Code Section 8255 that details core components of Housing First, or other federal or state project funding sources. (from Section 307 (e))

G. Reporting Requirements

MOHCD and project owners shall comply with the reporting requirements listed in the NPLH Program Guidelines Section 214, except for subsections (a) and (b). (from Section 309 (a)) In the event of any conflicting reporting requirements, HCD NPLH Guidelines will prevail. These are listed below for reference:

- On an annual basis, the City shall submit the data elements listed below for each of its NPLH
 Assisted Units. The City shall work with each Project's property manager and lead service
 provider to gather the data. The data may be, but is not required to be, gathered from the local
 Homeless Management Information System (HMIS).
- The data shall be submitted in electronic format on a form provided by the Department of Housing and Community Development. The City, the property manager and the lead service provider shall work together to resolve any data quality concerns to the best of their ability prior to submission of the data to the Department.
- The data below shall be submitted to the Department no later than September 30 of each year for the previous State fiscal year of activity (July 1-June 30) and shall include all the following information for each Project:

Elements for reporting include:

- (1) Project location, services, and amenities;
- (2) Number of NPLH Assisted Units, total Units assisted by other government programs, and total non-Assisted Units;
- (3) Project occupancy restrictions:
- (4) Number of individuals and households served;
- (5) Homeless status, veteran status as requested in item (12) below, and mental health status. No information on specific mental health diagnoses will be collected; and
- (6) Average Project vacancy rate during the reporting period (12-month average).

For NPLH Units Only:
