Re: Support for Antonio Díaz for appointment to Energy Efficiency Coordinating Committee

Dear Rules Committee,

On behalf of the California Environmental Justice Alliance, I express strong recommendation for the appointment of Antonio Díaz to the Energy Efficiency Coordinating Committee of the City and County of San Francisco (sponsored by Supervisor Mar).

CEJA is a statewide coalition of grassroots, community-based organizations and we represent over 15,000 low-income communities and communities of color. We unite the local organizing of our members to advance environmental justice in statewide policy. Our members work in low-income communities and communities of color highly impacted by pollution and socioeconomic stressors.

Equitable energy is a core program area for CEJA and we advance state policies that ensure clean renewable energy is prioritized in communities most impacted by climate change. As a statewide alliance working together to advance environmental justice, we believe that the Energy Efficiency Coordinating Committee would be key in advancing environmental and equity goals for San Francisco.

Antonio Díaz is a long-time environmental justice leader who is deeply rooted in the San Francisco community. He meets the requirements for Seat #1 or Seat #2, and we urge you to extend your support in passing this ordinance at the upcoming BOS meeting. We thank you for your leadership and support in advancing this.

Sincerely,

> Seat 6 - Must have a background in research and/or education on green sector industries who is currently employed at an economic development consulting firm and/or college or university, recommended by the Executive Director of the Office of Community Investment and Infrastructure.

> Seat 7 - Must have owned, operated or worked for a small business, recommended by the Executive Director of the Office of Small Business.

Supplemental Criteria: The Board of Supervisors shall endeavor to ensure that the Committee generally includes members with an understanding of the needs of low income communities, as well as technical expertise in the areas of economic and workforce development, environmental health, employer contracting, small business, green jobs, and energy efficiency.

Representatives from the Office of the Mayor, the Department of the Environment, the Public Utilities Commission, the Office of the Controller, the Office of Economic and Workforce Development, the Department of Public Health, and the Office of Contract Administration shall serve as non-voting members. All City departments, commissions, boards, and agencies shall cooperate with the Committee in conducting business.

The initial term of each voting member shall expire one year after the first inaugural meeting. The inaugural meeting shall be held no more than 30 days after a quorum of the Committee has been appointed. If the Board of Supervisors extends the operation of the Committee, voting members may serve additional one-year terms. Any voting member who misses three regular meetings within a six-month period, without the express approval of the Committee at a meeting, shall be deemed to have resigned 30 days after the third unapproved absence.

The Public Utilities Commission shall provide clerical and administrative support for the Committee, and the Department of the Environment shall provide technical and policy support for the Committee.

Report: No later than one year after the inaugural meeting, the Committee shall submit to the Board of Supervisors a set of recommendations and policy standards for how the City should equitably spend energy efficiency monies throughout the City and align City programs with other utility and regional programs.

Sunset: The Committee shall terminate on the last day of the 12th calendar month after the month in which the inaugural meeting is held, unless the Board of Supervisors extends the term of the Committee.
