EXECUTIVE SUMMARY

Legislative Objectives

• The proposed resolutions would approve the following modifications to the Human Services Agency's grant agreements for Early Care and Education Integrated Services: (1) the second modification to the grant agreement with Children's Council of San Francisco, increasing the not-to-exceed amount by \$17,680,287, for a total not to exceed amount of \$393,732,732 (File 22-0122); and (2) the third modification to the grant agreement with Wu Yee Children's Services, increasing the not-to-exceed amount by \$5,234,074, for a total not to exceed amount of \$81,044,162 (File 22-0123). Neither modification would change the grant term period of July 2017 through June 2022.

Key Points

- In June 2017, the Board of Supervisors approved three-year grant agreements with Children's Council and Wu Yee. Both agreements have since been extended through June 2022. Grant expenditures have accelerated in FY 2021-22 due to the availability of Proposition C funds and HSA has agreed to modifications that increase grant expenditures in FY 2021-22.
- Under the grant agreements, the grantees provide childcare subsidies, teacher stipends, and administrative services. In FY 2021-22, Children's Council and Wu Yee are providing subsidies to approximately 4,344 unduplicated families with an average subsidy of \$23,265.
 Children's Council is providing stipends to approximately 2,256 teachers with an average stipend amount of \$7,760.

Fiscal Impact

- The proposed modifications would increase the grant amounts with the Children's Council by \$17,680,287 and with Wu Yee by \$5,234,074, for a total increase of \$22,914,361.
 Approximately 91 percent of grant funds are a direct client pass-through to subsidize childcare for families and workers.
- Approximately 88 percent of total expenditures are funded by City funds, and approximately 12 percent of expenditures are funded by state and federal funds. The increased amount in FY 2021-22 would be funded by Proposition C funds.

Recommendation

Approve the proposed resolutions.

MANDATE STATEMENT

City Charter Section 9.118(b) states that any contract entered into by a department, board or commission that (1) has a term of more than ten years, (2) requires expenditures of \$10 million or more, or (3) requires a modification of more than \$500,000 is subject to Board of Supervisors approval.

BACKGROUND

In 2012, the San Francisco Office of Early Care and Education (OECE) was created to coordinate programs and funding streams to provide high-quality early education for children ages zero to five. The San Francisco Citywide Plan for Early Care and Education set out recommendations for the following categories: (1) birth-to-five approach; (2) racial equity and diversity; (3) quality improvement; (4) family engagement; (5) professional development and workforce; and (6) financing models.

In January 2017, OECE, in partnership with the Human Services Agency (HSA), issued a Request for Proposals (RFP) to support the implementation of the Citywide Plan for Early Care and Education by administering Federal, State, and local childcare subsidy programs. The Children's Council of San Francisco (Children's Council) and Wu Yee Children's Services (Wu Yee) were the two proposers to the RFP, and an evaluation panel recommended awarding grant agreements to both proposers.

In June 2017, the Board of Supervisors approved (1) a grant agreement with Children's Council for an amount not to exceed \$204,233,857¹ (File 17-0589), and (2) a grant agreement with Wu Yee for an amount not to exceed \$31,322,180 (File 17-0590). Each grant agreement had an initial term of three years, from July 2017 through June 2020, and a two-year option to extend through June 2022. In June 2019, the Board of Supervisors approved the first modification to the grant agreement with Wu Yee, increasing the not-to-exceed amount to \$39,559,034 (File 19-0456). In January 2020, the Board of Supervisors approved (1) the first modification to the grant agreement with Children's Council, increasing the not-to-exceed amount to \$376,052,445 (File 19-1240), and (2) the second modification to the grant agreement with Wu Yee, increasing the not-to-exceed amount to \$75,810,088. Both modifications executed the two-year options to extend through June 2022.

According to Michael De Leon, HSA Senior Administrative Analyst, grant expenditures have accelerated in FY 2021-22 due to the availability of Proposition C funds.² HSA has agreed to grant agreement modifications with Children's Council and Wu Yee to increase grant expenditures in FY 2021-22. HSA issued a new RFP in October 2021 and is currently in negotiations with potential service providers.

SAN FRANCISCO BOARD OF SUPERVISORS

¹ The amount of the executed grant agreement with San Francisco Children's Council was not to exceed \$197,641,712, due to negotiated changes between HSA and the provider.

² Proposition C, also known as "Baby Prop C," is a commercial rent tax passed by San Francisco voters in June 2018 that allocated 85 percent of revenues to early childhood education and childcare programs and 15 percent of revenues to the City's General Fund. Proposition C revenues were withheld until April 2021 due to ongoing litigation.

DETAILS OF PROPOSED LEGISLATION

The proposed resolutions would approve the following modifications to HSA's grant agreements for Early Care and Education Integrated Services: (1) the second modification to the grant agreement with Children's Council, increasing the not-to-exceed amount by \$17,680,287, for a total not to exceed amount of \$393,732,732 (File 22-0122); and (2) the third modification to the grant agreement with Wu Yee, increasing the not-to-exceed amount by \$5,234,074, for a total not to exceed amount of \$81,044,162 (File 22-0123). Neither modification would change the grant term period of July 2017 through June 2022.

Details of Services

Family Subsidies

The grant agreements provide childcare subsidies to eligible families. In FY 2021-22, Children's Council and Wu Yee are providing subsidies to approximately 4,344 unduplicated families, which is an increase above the 4,011 families that received subsidies in FY 2020-21. To be eligible for subsidies, families must earn at or less than 85 percent of State Median Income (SMI), but remain eligible until they earn above 110 percent of the Area Median Income (AMI). The providers maintain eligibility lists that are used to identify most of the subsidy recipients.

In FY 2021-22 the average family subsidy amount is approximately \$23,265. Eligible families may be reimbursed annually up to \$28,080 for infants (0-2 years old), \$24,820 for toddlers (2-3 years old), and \$21,576 for pre-kindergarten (3-5 years old). According to HSA Senior Administrative Analyst De Leon, the number of recipients declined from approximately 5,163 families in FY 2018-19 due to the COVID-19 pandemic and reduced enrollments in childcare programs. With Proposition C funding, HSA is able to provide larger subsidies to each family that cover a full year of childcare costs.

Teacher Stipends

In FY 2021-22, Children's Council is providing stipends to 2,256 teachers with an average stipend amount of \$7,760. This is an increase from FY 2020-21, in which 2,387 teachers received subsidies of \$7,034, on average, and from FY 2018-19, when 2,176 workers received subsidies of \$3,260. To be eligible for stipends, teachers must be employed by an eligible Early Learning Scholarship (ELS) or Preschool for All (PFA) program for at least 20 hours per week and need to submit a W-9 form for payment. Applicants must submit an application each round (spring and fall) through the California Early Care and Education (CA ECE) Workforce Registry. Recipients for spring 2022 have already been selected.

Exhibit 1 below shows the FY 2021-22 direct client spending on family subsidies and teacher stipends.

Administrative Services

In addition, both grantees provide administrative services related to family subsidies, including informing parents of federal, state, and local assistance with childcare reimbursements through outreach and engagement, overseeing client eligibility and enrollment, overseeing childcare provider services, rate setting for subsidy payments according to state and local policies, administering and issuing provider payments, administering background clearances of license-exempt childcare providers, and tracking and reporting on utilization.

Performance Monitoring

Performance Monitoring reports for FY 2020-21 show that both grantees are generally meeting their performance metrics.

FISCAL IMPACT

The proposed modifications would increase the grant amounts with the Children's Council by \$17,680,287 and with Wu Yee by \$5,234,074, for a total increase of \$22,914,361. Exhibits 2 and 3 below show actual and projected expenditures for each grantee.

As shown above, approximately 91 percent of grant funds are a direct client pass-through. A 10 percent contingency for FY 2021-22 is included in case of unanticipated expenditures. According to HSA Senior Administrative Analyst De Leon, the direct client pass-through amount for Children's Council shown in Exhibit 2 is approximately \$7.6 million greater than the amount shown in Exhibit 1 because it includes fiscal intermediary services performed by Children's Council, which include pass-through state funding for family subsidies. Wu Yee does not perform fiscal intermediary services.

The sources of funds for the grant agreements are shown in Exhibit 4 below.

Approximately 88 percent of expenditures are funded by City funds, and approximately 12 percent of expenditures are funded by state and federal funds. The contingency for FY 2021-22, if needed, would be funded depending on funding sources available. The proposed increase to the grant amounts for the Children's Council by \$17,680,287 and by \$5,234,074 Wu Yee will be funded by Proposition C revenues (commercial rent tax).

³ In March 2004, San Francisco voters approved Proposition H, which established the Public Education Enrichment Fund (PEEF) as a General Fund set-aside. In 2014, San Francisco voters approved Proposition C, which reauthorized PEEF through FY 2040-41.

Target Population" families include: African American children, Latino children, English Language Learners, families who are homeless, children at-risk of abuse and/or neglect or involved with child welfare, and children with special needs or disabilities.

Specific eligibility requirements for state funded programs are defined by their respective funding agencies (e.g., The California Department of Social Services funds CalWORKs Stage 1 which serves low-income CalWORKs eligible families while the California Department of Education funds CAPP which serves low-income families and CalWORKs Stages 2 and 3 which serves former CalWORKs aided families). Certain subsidy programs may also serve children 0 through 12 years of age. Early Learning Scholarship enhanced reimbursement rates are offered to qualified providers who achieve Tier 3 on the QRIS, subject to fund availability.

4) Communications and Messaging

Grantee will work with closely with OECE to ensure messaging alignment with respect to Grantee's communications with ECE programs, community and government agencies, stakeholders, parents, and other members of the public.

- 5) Description of Services Early Care and Education Subsidy Administration. Grantee will provide the following services:
 - Case Management: Grantee will work across its internal departments to provide integrated case management services for target population families to help them achieve their goals. As

- family circumstances change and deeper information is gathered over time, Grantee will record case notes to ensure they capture detailed longitudinal data on families.
- **Fiscal Leveraging:** Grantee will balance family choice and fiscal leveraging. On one hand, Grantee will counsel families on all applicable subsidized care options, emphasizing the importance of quality. Likewise, at certification and recertification meetings, Grantee will screen families for state/federal subsidies to attempt to use those funds to support families, whenever possible.
- Continuity of Care is a key component of the Office of Early Care & Education's design of programs and policies that support families' and children's consistent engagement in quality early learning experiences. If a family loses a state or federal subsidy, Grantee will work with OECE Grantee to enroll children in ELS-Bridge. Families will be served by the same Subsidy Specialist to ensure seamless services. Grantee will closely track the reasons families lose subsidy eligibility, with increased attention on those who fall out of eligibility at recertification.
- Streamlining Services: Grantee will continue to streamline all aspects of subsidy system administration and service delivery, with a focus on improving the experience for families and child care providers, taking full advantage of the latitude allowed by state programs. For example, Grantee will encourage greater utilization of its online "Care Portal," which allows providers and parents to easily access attendance sheets, explanations of payments and other required documents. For locally-funded programs, Grantee will work to simplify what and how parents must report, helping families maintain their subsidy and improving continuity of care. Grantee will also explore improvements in online provider reporting, automating child eligibility screening and enrollment, and attendance tracking that could then be linked to payment calculation, billing and reporting.
- Back-Up Care, Rapid Response, and First Aid Training: Grantee will promote and preregister eligible families with Emergency Back-Up/Mildly Ill child care services and connect families with Rapid Response child care, as needed. Grantee will partner with Family Support Services of the Bay Area (FSSBA) to outreach to and share their services with current and potential families at HSA locations, and will preregister eligible families at intake and recertification. Grantee will maintain close communication with FSSBA to identify potential families eligible for service through CalWORKs. Grantee will also provide support to families in Rapid Response by sending families curated lists of prescreened providers with openings that match their needs.
- State/Federal Child Care Subsidy Administration, including CalWORKs Stage 1, CalWORKs Stage 2, CAPP, FCS, and P500; TrustLine background checks
 - Grantee will administer CalWORKs Stage 1, CalWORKs Stage 2, CAPP (CAPP-HSA), Family and Children's Services (FCS), and Project 500 (P500) child care subsidy programs. Grantee will adhere to all federal, state and local program requirements, policies, and laws related to the administration of these programs. (Confidentiality requirements will be followed; however, state law permits the sharing of information between APs, R&Rs, Early

Learning SF and Contractors for the purpose of administering CalWORKs child care.) Subsidized child care services will be administered with the following program-specific considerations.

1. CalWORKs Stage 1

Building on information provided to families at their CalWORKs orientations, Grantee will conduct in-person intake appointments with all families referred to Grantee for CalWORKs Stage 1 subsidized child care, providing additional counseling about their child care options and establishing a relationship to provide ongoing personal assistance while they are receiving services. Grantee will communicate with HSA CalWORKs Grantee as needed to ensure the highest level of service delivery.

2. CalWORKs Stage 2

Grantee will guide families through the transition from CalWORKs Stage 1 into CalWORKs Stage 2 using specific knowledge of the family's circumstances to provide tailored services. When families become certified for CalWORKs Stage 2, Grantee will provide ongoing services to help families maintain their eligibility—calculating changes in income and family fees, authorizing changes in child care when hours of activities change, requesting third-party documentation, etc.—and transitioning families into CalWORKs Stage 3 at the end of their Stage 2 eligibility period. Grantee will provide case management services over time to help families understand their child care options as their children grow, while connecting families to other community resources that can help them on their path toward self-sufficiency.

3. CAPP-HSA

Grantee will utilize monthly subsidy enrollment and expenditure projections to determine the number of CAPP enrollments needed each month to fully utilize the dollars available under the HSA state CAPP contract. When CAPP-HSA slots are available, Grantee will select families from the San Francisco Waitlist in priority order, as determined by CDE, and use the Family Profile to conduct "pre-screening" interviews, ensuring that all information is current, and informing parents about ELS options, including which providers have openings. Grantee will certify and enroll the family into the CAPP program and help them find a provider if they do not already have one. Once enrolled, Grantee will provide ongoing services to help families maintain their eligibility, including periodic recertifications in accordance with state rules. As with CalWORKs Stage 2 families, Grantee will provide case management services over time and connect families to other community resources that can help on their path toward self-sufficiency.

4. Continuity of Care for CalWORKs Stage 2 and CAPP

If a CalWORKs Stage 2 or CAPP family loses their eligibility, the Grantee will certify that the reason for losing eligibility could not be resolved per state regulations, and will work with OECE to determine eligibility of any children under five for ELS-Bridge. If the family is determined to be eligible for ELS-Bridge, they will continue to be served by the same Subsidy Specialist to ensure seamless high-level services.

5. Family and Children's Services

Grantee's FCS child care navigator team will work to ensure families with an open San Francisco CPS case are successful in linking to local, state, and federally funded child care subsidies. Grantee will directly support FCS families in selecting and enrolling with quality ECE programs. Grantee will help families understand their subsidy options and types of ECE programs available, particularly ELS Qualified programs. Grantee will provide FCS families with specific referrals to ELS Qualified programs with openings that meet the families' unique preferences and the children's developmental needs. Grantee will also enroll children on the San Francisco waitlist and other local Head Start/Early Head Start waitlists in order that families may take advantage of openings with state or federally-funded programs. Once a child is placed in care, Grantee will follow-up with families and their ECE programs to ensure a successful enrollment and good fit for the child. In cases where the child is placed with a family member outside of San Francisco or outside of California, Grantee will continue to provide personalized assistance in coordinating the paperwork process and facilitating payments to child care providers in those locations.

Grantee will be responsible for the implementation and ongoing administration and county/state reporting for the Emergency Child Care Bridge Program for Foster Children (Bridge Program) as described in The California Department of Education's All County Letter (ACL) 17-109. Grantee will administer all three components of the program:

- (1) Emergency child care voucher: Eligible families may receive a time-limited child care voucher or payment to help pay for child care costs for foster children birth through age 12, children with exceptional needs, and severely disabled children up to age 21. All vouchers and payments must be paid in accordance with the Regional Market Rate (RMR) ceilings for subsidized child care payment rates.
- (2) Child care navigator: Grantee will provide a child care navigator to eligible families. The navigator will assist with finding a child care provider, securing a subsidized child care placement if eligible, completing child care program certifications, and developing a plan for long-term child care appropriate to the child's age and needs. Eligibility for navigator services shall not be contingent on a child's receipt of a child care payment or voucher. Prior to FCS case closure or termination of Bridge Program funding, the Grantee's FCS child care navigators will connect eligible children with continued services through age five utilizing ELS-City, CalWORKs, CAPP, Head Start/Early Head Start or other Title 5 funding.
- (3) Trauma-informed training and coaching: Grantee will ensure that child care programs participating in the Bridge Program will receive access to trauma-informed care training. Child care providers will also receive access to coaching to assist them in applying training curriculum and learn strategies for working with children in foster care.

Grantee will code FCS child care services as requested by OECE, HSA, and/or CDSS to ensure proper tracking and invoicing for state and federal claiming purposes. HSA shall identify the status of the eligibility and case status and the Grantee will pay and bill according to the reported status.

Grantee will also be required to submit data and outcomes using the Emergency Child Care Bridge Program for Foster Children report (CCB 18). The CCB 18 report includes data on Bridge Program vouchers eligibility and enrollment, type of voucher placements and child care settings, the length of time receiving voucher, and transition information. The data also includes the number of referrals to, and families served by, child care navigators and the number of trauma-informed care trainings held.

6. Project 500

Grantee will offer early child care subsidy engagement services for all P500 families. Early engagement services include: introduction to the subsidy system, overview of the Quality Rating Improvement System, customized list of child care referrals and enrollment into one of our parenting workshops (such as Choosing Child Care).

Grantee will administer Project 500 subsidies (State/Local) to ensure continuity of care and continually assess each family's eligibility for federal or state-funded programs to avoid any gaps in service. P500 Grantee will also collaborate with P500 Mobility Mentors and CalWORKs Case Managers to ensure successful child care placements and provide any updates to parents' participation.

• Local Child Care Subsidy Administration

Early Learning Scholarships: Grantee will administer local Early Learning Scholarship child care subsidy programs in partnership with the second Grantee also administering local child care subsidies. Grantee will closely coordinate services and seamlessly integrate data and reporting with the second Grantee.

1. ELS-City (Voucher & Reserved)

Grantee will administer both ELS-City reserved slots and vouchers. For Reserved slots, Grantee will monitor enrollment and vacancy reporting to support its ELS providers in appropriately maximizing funding and maintaining full enrollment. For ELS-City vouchers, Grantee will use monthly projections to determine the amount of funding available and enroll families accordingly of off San Francisco Waitlist following OECE priority enrollment policies. Grantee will fill all ELS-City voucher and reserved slots following OECE specific protocols, which are subject to change over time.

When a family applies to Early Learning SF and is assigned to Grantee, Grantee will reach out to screen them for eligibility for other state-/federally-funded subsidy programs (such as CalWORKs) and conduct an in-depth phone interview to update eligibility and need information. If a family has been selected for a slot Grantee will reach out to assist in using the system and encourage the family to move forward with site tour(s) and/or update their preferences for better matches. If family and program agree to enroll in an ELS-City voucher or reserved slot, Grantee will certify family. Through recertification meetings every two years and more frequent touchpoints depending on the needs of each family, the Specialist will develop a deep understanding of the family's circumstances, including goals for their children, guiding them on their journey through the early education system and enrollment in elementary school.

Coordination with Homeless Child Care Case Management Grantee (HCCCMG)

For homeless families waiting on Early Learning SF and/or receiving ELS-City subsidies, the Grantee will work with HCCCMG to determine funding availability and process provider payments. Grantee will maintain regular communication around trends in families' ability to secure child care and attend quarterly HCCCMG advisory meetings. Grantee will collaborate with the HCCCMG and the San Francisco Department of Homelessness and Supportive Housing (HSH) - Coordinated Entry System as needed to ensure efficient and effective child care subsidy enrollments. Grantee will work with the HCCCMG to redetermine homeless families' subsidy eligibility. If a family no longer meets the San Francisco definition of homeless while waiting on Early Learning SF or at the time of eligibility redetermination, Grantee will work with HCCCMG to transfer the

child care case management responsibilities to Grantee who then assumes full

responsibility for determining subsidy eligibility and need.

2. ELS-Bridge

Grantee will work directly with OECE staff to ensure families who lose eligibility for state subsidy programs can maintain continuity of care in quality-linked ELS programs that support their child's development. Grantee will work with Title 5 and other providers serving state subsidized families to understand and gather the details of the original child care authorization, including child and family information, subsidy program and termination date. Grantee will review information to ensure the family is not eligible for any other state or federal subsidy and will communicate that information with OECE who will determine and approve ELS-Bridge eligibility.

Grantee, for all ELS-Bridge approved families, will review the benefits and requirements of the program, and, when needed, assist families in finding care at quality ELS sites that meet their children's specific needs. Family and child data will be tracked through the subsidy data system (CC3) with ELS-Bridge payments issued monthly in conjunction with sites' other voucher payments.

Non-target population families will be eligible for the ELS-Bridge program through the end of the program year. Target population children in ELS-Bridge will be eligible for continuity of care through entry into kindergarten. Grantee will closely track all reasons that families lose subsidy eligibility, with increased attention on those who fall out of eligibility at recertification. ELS-Bridge approval may end if a family disenrolls from an ELS approved program, is determined to be eligible for a state- or federally-funded program or the child reaches kindergarten age.

For all families in ELS-City and ELS-Bridge, Grantee will screen for federal- or state-subsidy-eligibility, including CalWORKs, CAPP and other state voucher programs at recertification. If a family is eligible for CalWORKs Stage 1, Grantee will ask the family to request a child care authorization from their Employment Specialist and enroll them in CalWORKs child care. If they are eligible for CalWORKs Stage 2, Grantee will certify their need and eligibility per state regulations and enroll them in CalWORKs Stage 2. If they are eligible for CAPP or other state voucher program, Grantee will register them on San Francisco waitlist, indicating in their Family Application that they are eligible and waiting for a voucher. Enrollment in state voucher programs will provide continuity of care beyond age five for eligible children.

3. ELS-Gap

Grantee will calculate and administer ELS-Gap funding for all Title 5 contractors and state vouchers. ELS-Gap payments will be made directly to child care providers, calculated based on enrollment documented through the city's child enrollment data system (currently Cocoa) with verification of vouchers through the subsidy voucher database (CC3). Child enrollment data with specific funding types, hours, rates and attendance will be pulled from the system with the rates for each child compared to the applicable ELS Center or ELS Family Child Care (FCC) Tier 3 rate, as specified by OECE. The ELS-Gap payment will be adjusted for changes in the base rate paid by state or federal subsidies. To streamline support and reporting, the calculation and distribution of ELS-Gap payments will be calculated and issued monthly based on actual enrollment reported in the online enrollment and subsidy data systems.

4. Preschool For All

Grantee will adopt the existing model used by OECE to administer PFA. The Tuition Credit will be calculated based on predetermined PFA rates. The PFA rate formulas are based on the PFA classroom's lead teacher Child Development Permit Level and Tuition Credit rate formula. Payments will be calculated and distributed monthly based on actual enrollment reported in the online enrollment data system (currently Cocoa). As the PFA program evolves, Grantee will work with OECE to adjust the funding formula and determine the most efficient and least disruptive method for managing provider payments.

5. QRIS Block Grant for Title 5 and Non-Title 5 Providers

In coordination with OECE, Children's Council will calculate and distribute, annually, the Quality Rating Improvement System (QRIS) Block Grant awards based on the locally-established funding formula to support eligible ELS sites who are rated at Tier 4 and 5. As needed, state and local QRIS Block Grants will be tracked and reported separately to OECE.

• Other General Subsidy Administration Services

Grantee will provide the following:

- 1. As instructed by OECE, Grantee will execute, amend, and terminate Early Learning Scholarship funding agreements.
- 2. Issue all State child care Notices of Action regarding changes in eligibility. All families will be given reasonable notice of action as required by State regulation.
- 3. Fingerprint (using the TrustLine system) all license-exempt care providers, including related license-exempt caretakers in accordance with State law. No child care payment shall be made until the provider is criminally cleared through the TrustLine process and all retroactive TrustLine clearance time limits shall be administered in accordance with State policy.
- 4. Ensure there are signed confidentiality agreements for all of its staff and members of collaborating agencies' staff that have access to information and eligibility for CalWORKs, ACCESS or FCS protective service status information of HSA's clients and former clients.

 - 1. Grantee will distribute the Compensation and Retention Early Educator Stipends (CARES 2.0) biannually from FY20 through FY22. The early educator stipends are specifically to address Early Care and Education (ECE) workforce retention and compensation pressures in city-funded early learning programming. Children's Council will work with OECE to assess program measures, including stipend uptake, issuance challenges, and stipend effects on the ECE workforce.
- 7) Description of Services Child Care Resource and Referral Services. Grantee will provide the following services:
 - 1. Family Support: Grantee will work across its internal departments to provide integrated family support services to low-income families to help them achieve their goals. These services will meet families where they are to provide comprehensive, flexible and individualized support and connection in a way that affirms and builds on families' strengths.
 - Specific services include advice finding and paying for child care, online child care search, trainings and workshops, subsidy navigation services, referrals to specialized community resources and connection to Children's Council's Parent and Caregiver Education programs.
 - Tailored family support services will follow families through their child care search process, emphasizing preparation and full-information to streamline child care search, need & eligibility determination and enrollment.
 - Target population families with children who have had adverse childhood experiences (ACEs) or who have special needs will receive enhanced support from specially trained Family Support Navigators.
 - 2. Early Learning SF Family Support: Grantee will support families' application to and use of Early Learning SF to secure subsidized child care.
 - Grantee will assist families in developing a profile and articulating preferences for care. Grantee will monitor activity within the system, and as families are matched with possible programs, follow-up with families via email, text or phone calls, as appropriate, to support family exploration of options and progress toward enrollment in subsidized child care.
 - New target population families assigned to the Grantee will have their ELSF application reviewed and be contacted for any additional information needed in accordance with ELSF Implementation Guidelines.

- When a target population family is first matched through ELSF, the R&R will conduct one follow-up to check in on referral and enrollment process in accordance with the ELSF Implementation Guidelines.
- Grantee will support data integrity by, for example, updating family applications, inactivating applications, and merging duplicates. All family applications assigned to Grantee will be updated at least quarterly. Grantee will also update individual family profiles outside of scheduled process as staff become aware of new information.
- Grantee will work collaboratively with the other R&R agency and OECE to resolve R&R data compatibility or quality issues. The grantee agrees to identify a uniform, mutually agreed upon definition and citywide approach to collecting vacancy data for providers who receive ELS funding. With resources to fund the technology-related costs for this uniform approach, the grantee agrees to implement the mutually agreed upon approach with flexibility for each R&R to maintain their unique culture that is responsive to providers and families.
- 3. Community Outreach: Grantee will engage in coordinated outreach and communication to maximize its engagement of target population families.
 - Grantee will work with community-based organizations that work with the target population (e.g., neighborhood clinics and hospitals, family resource centers, recreation centers and parks, churches, Women Infant Children Clinics, San Francisco Public Library, etc.) so they have child care information on-hand and knowledgeable staff who know how to refer families to the Grantee for more information about child care, assistance in finding child care and support in connecting to child care subsidies.
 - Grantee will utilize a variety of outreach strategies such as text-messaging, email, social media and direct mail campaigns to specific neighborhoods to engage families. Additionally, Grantee will explore the cost-effectiveness of targeted print/digital/outdoor advertising to determine a return-on-investment.
- 4. Co-Location at Human Services Agency Sites: Grantee will staff a help-desk at 170 Otis Street to maximize engagement with target population families, prepare them for the child care search experience, and support their ability to meet their basic needs.
 - Grantee provide counseling and child care R&R services, pre-screen non-CalWORKs
 clients for alternative child care subsidies and distribute diapers as part of the San
 Francisco Diaper Bank program. If client is identified as part of the target population,

- (c) Grantee shall distribute any Publication solely within San Francisco, unless City otherwise gives its prior written consent, which City may give or withhold in its sole discretion. In addition, Grantee shall furnish any services funded in whole or part with the Grant Funds under this Agreement solely within San Francisco, unless City otherwise gives its prior written consent, which City may give or withhold in its sole discretion.
- (d) City may disapprove any element of work or property funded in whole or part by the Grant Funds that City determines, in its sole discretion, has any of the following characteristics: is divisive or discriminatory; undermines the purpose of the Grant Plan; discourages otherwise qualified potential employees or volunteers or any clients from participating in activities covered under the Grant Plan; undermines the effective delivery of services to clients of Grantee; hinders the achievement of any other purpose of City in making the Grant under this Agreement; or violates any other provision of this Agreement or applicable law. If City disapproves any element of the Grant Plan as implemented, or requires any change to it, Grantee shall immediately eliminate the disapproved portions and make the required changes. If City disapproves any materials, activities or services provided by third parties, Grantee shall immediately cease using the materials and terminate the activities or services and shall, at City's request, require that Grantee obtain the return of materials from recipients or deliver such materials to City or destroy them.
- (e) City has the right to monitor from time to time the administration by Grantee or any of its subcontractors of any programs or other work, including, without limitation, educational programs or trainings, funded in whole or part by the Grant Funds, to ensure that Grantee is performing such element of the Grant Plan, or causing such element of the Grant Plan to be performed, consistent with the terms and conditions of this Agreement.
- (f) Grantee shall acknowledge City's funding under this Agreement in all Publications. Such acknowledgment shall conspicuously state that the activities are sponsored in whole or in part through a grant from the Agency. Except as set forth in this Section, Grantee shall not use the name of the Agency or City (as a reference to the municipal corporation as opposed to location) in any Publication without prior written approval of City.

ARTICLE 5 USE AND DISBURSEMENT OF GRANT FUNDS

5.1 Maximum Amount of Grant funds.

The amount of the Grant Funds disbursed hereunder shall not exceed <u>One Hundred Seventy-Nine Million, Six Hundred Seventy-Four Thousand, Two Hundred Eighty-Four Dollars (\$179,674,284)</u> for the period from <u>July 1, 2017 to June 30, 2020, plus any contingent amount authorized by City and certified as available by the Controller.</u>

Contingent amount: Up to Seventeen Million, Nine Hundred Sixty-Seven Thousand, Four Hundred Twenty-Eight Dollars (\$17,967,428) for the period from July 1, 2019 to June 30, 2020, may be available, in the City's sole discretion as a contingency but only subject to written authorization by the City and if monies are certified as available by the Controller.

The maximum amount of Grant Funds disbursed hereunder shall not exceed <u>One Hundred Ninety-Seven Million, Six Hundred Forty-One Thousand, Seven Hundred Twelve Dollars (\$197,641,712)</u> for the period from <u>July 1, 2017 to June 30, 2020.</u>

Grantee understands that the maximum amount of Grant Funds disbursement identified above in Section 5.1 of this Agreement, includes the amount shown as the contingent amount and may not to be used in Program Budget(s) attached to this Agreement as Appendix B, and is not available to Grantee without a written revision to the Program Budgets of Appendix B approved by Agency. Grantee further understands that no payment of any portion of this contingency amount will be made unless and until such funds are certified as available by Controller. Grantee agrees to fully comply with these laws, regulations, and policies and procedures.

5.2 Use of Grant Funds. Grantee shall use the Grant Funds only for Eligible Expenses as set forth in Appendix A, Appendix B and defined as eligible expenses in 2 CFR Part 200 Subpart E, Cost Principles, if the source of funding for this program is Federal, and for no other purpose. Grantee shall expend the Grant Funds in accordance with the Budget, if any, and shall obtain the prior approval of City before transferring expenditures from one line item to another within the Budget.

5.3 Disbursement Procedures. Grant Funds shall be disbursed to Grantee as follows:

- (a) Grantee shall submit to the Agency, in the manner specified for notices pursuant to Article 15, a document (a "Funding Request") substantially in the form attached as Appendix C. Any Funding Request that is submitted and is not approved by the Agency shall be returned by the Agency to Grantee with a brief statement of the reason for the Agency's rejection of such Funding Request. If any such rejection relates only to a portion of Eligible Expenses itemized in such Funding Request, the Agency shall have no obligation to disburse any Grant Funds for any other Eligible Expenses itemized in such Funding Request unless and until Grantee submits a Funding Request that is in all respects acceptable to the Agency.
- (b) The Agency shall make all disbursements of Grant Funds pursuant to this Section by check payable to Grantee, sent via U.S. mail or by Automated Clearing House (ACH) payments authorized by the City Controller's Office in accordance with Article 15, unless the Agency otherwise agrees in writing, in its sole discretion. The Agency shall make disbursements of Grant Funds no more than once during each month for the term of the grant.

5.4 State or Federal Funds:

- (a) Disallowance. With respect to Grant Funds, if any, which are ultimately provided by the state or federal government, Grantee agrees that if Grantee claims or receives payment from City for an Eligible Expense, payment or reimbursement of which is later disallowed by the state or federal government, Grantee shall promptly refund the disallowed amount to City upon City's request. At its option, City may offset the amount disallowed from any payment due or to become due to Grantee under this Agreement or any other Agreement. Any such offset with respect to a portion of the disallowed amount shall not release Grantee from Grantee's obligation hereunder to refund the remainder of the disallowed amount.
- (b) Single Audit Requirements. Grantees that expend \$750,000 or more in a fiscal year that began after December 26, 2014 from any and all Federal awards shall have a single audit conducted in each of those

fiscal years accordance with 2 CFR Part 200 Subpart F. Grantees that expend less than \$750,000 a year in Federal awards are exempt from the single audit requirements for that year, but records must be available for review or audit by appropriate officials of the Federal Agency, pass-through entity and General Accounting Office, and are still subject to other audit requirements as specified in 2 CFR Subpart F \$200.501

(c) Grant Terms. The funding for this agreement is provided in full or in part by a Federal or State grant to the City. As part of the terms of receiving the funds, the City is required to incorporate some of the terms into this Agreement and include certain reporting requirements. The incorporated terms and requirements may be found in Appendices F, G, and H. By executing this Agreement, Grantee certifies that Grantee is not suspended, debarred or otherwise excluded from participation in state or federal assistance programs. Grantee acknowledges that this certification of eligibility to receive state or federal funds is a material term of the Agreement.

ARTICLE 6 REPORTING REQUIREMENTS; AUDITS; PENALTIES FOR FALSE CLAIMS

- **6.1** Regular Reports. Grantee shall provide, in a prompt and timely manner, financial, operational and other reports, as requested by the Agency, in form and substance satisfactory to the Agency. Such reports, including any copies, shall be submitted on recycled paper and printed on double-sided pages, to the maximum extent possible.
- **6.2** Organizational Documents. - 6.3 Notification of Defaults or Changes in Circumstances. Grantee shall notify City immediately of (a) any Event of Default or event that, with the passage of time, would constitute an Event of Default; and (b) any change of circumstances that would cause any of the representations and warranties contained in Article 8 to be false or misleading at any time during the term of this Agreement.
- 6.4 Financial Statements. Within sixty (60) days following the end of each Fiscal Year, Grantee shall deliver to City an unaudited balance sheet and the related statement of income and cash flows for such Fiscal Year, all in reasonable detail acceptable to City, certified by an appropriate financial officer of Grantee as accurately presenting the financial position of Grantee. If requested by City, Grantee shall also deliver to City, no later than one hundred twenty (120) days following the end of any Fiscal Year, an audited balance sheet and the related statement of income and cash flows for such Fiscal Year, certified by a reputable accounting firm as accurately presenting the financial position of Grantee, and in compliance with 2 CFR Part 200 Subpart F, as applicable.
- 6.5 Books and Records. Grantee shall establish and maintain accurate files and records of all aspects of the Grant Plan and the matters funded in whole or in part with Grant Funds during the term of this Agreement. Without limiting the scope of the foregoing, Grantee shall establish and maintain accurate financial books and accounting records relating to Eligible Expenses incurred and Grant Funds received and expended under this Agreement, together with all invoices, documents, payrolls, time records and other data related to the matters covered by this Agreement, whether funded in whole or in part with Grant Funds. Grantee shall maintain all of the files, records, books, invoices, documents, payrolls and other data required to be maintained under this Section in a readily accessible location and condition for a period of not less than five (5) years after final payment under this Agreement or until any final audit has been fully completed, whichever is later.

- 6.6 Inspection and Audit. Grantee shall make available to City, its employees and authorized representatives, and its Federal and State funders, during regular business hours all of the files, records, books, invoices, documents, payrolls and other data required to be established and maintained by Grantee under Section 6.5. Grantee shall permit City, its employees and authorized representatives to inspect, audit, examine and make excerpts and transcripts from any of the foregoing. The rights of City pursuant to this Section shall remain in effect so long as Grantee has the obligation to maintain such files, records, books, invoices, documents, payrolls and other data under this Article 6.
- 6.7 Submitting False Claims; Monetary Penalties. Any contractor, subcontractor or consultant who submits a false claim shall be liable to the City for the statutory penalties set forth in that section. A contractor, subcontractor or consultant will be deemed to have submitted a false claim to the City if the contractor, subcontractor or consultant: (a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval; (b) knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by the City; (c) conspires to defraud the City by getting a false claim allowed or paid by the City; (d) knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the City; or (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.
- 6.8 Ownership of Results. Any interest of Grantee or any subgrantee, in drawings, plans, specifications, studies, reports, memoranda, computation sheets, the contents of computer diskettes, or other documents or Publications prepared by Grantee or any subgrantee in connection with this Agreement or the implementation of the Grant Plan or the services to be performed under this Agreement, shall become the property of and be promptly transmitted to City. Notwithstanding the foregoing, Grantee may retain and use copies for reference and as documentation of its experience and capabilities.
- 6.9 Works for Hire. If, in connection with this Agreement or the implementation of the Grant Plan, Grantee or any subgrantee creates artwork, copy, posters, billboards, photographs, videotapes, audiotapes, systems designs, software, reports, diagrams, surveys, source codes or any other original works of authorship or Publications, such creations shall be works for hire as defined under Title 17 of the United States Code, and all copyrights in such creations shall be the property of City. If it is ever determined that any such creations are not works for hire under applicable law, Grantee hereby assigns all copyrights thereto to City, and agrees to provide any material, execute such documents and take such other actions as may be necessary or desirable to effect such assignment. With the prior written approval of City, Grantee may retain and use copies of such creations for reference and as documentation of its experience and capabilities. Grantee shall obtain all releases, assignments or other agreements from subgrantees or other persons or entities implementing the Grant Plan to ensure that City obtains the rights set forth in this Article 6.

ARTICLE 7 TAXES

7.1 Grantee to Pay All Taxes. Grantee shall pay to the appropriate governmental authority, as and when due, any and all taxes, fees, assessments or other governmental charges, including possessory interest taxes and California sales and use taxes, levied upon or in connection with this Agreement, the Grant Plan, the Grant Funds or any of the activities contemplated by this Agreement.

- 7.2 Use of City Real Property. If at any time this Agreement entitles Grantee to the possession, occupancy or use of City real property for private gain, the following provisions shall apply:
- (a) Grantee, on behalf of itself and any subgrantees, successors and assigns, recognizes and understands that this Agreement may create a possessory interest subject to property taxation and Grantee, and any subgrantee, successor or assign, may be subject to the payment of such taxes.
- (b) Grantee, on behalf of itself and any subgrantees, successors and assigns, further recognizes and understands that any assignment permitted hereunder and any exercise of any option to renew or other extension of this Agreement may constitute a change in ownership for purposes of property taxation and therefore may result in a revaluation of any possessory interest created hereunder. Grantee shall report any assignment or other transfer of any interest in this Agreement or any renewal or extension thereof to the County Assessor within sixty (60) days after such assignment, transfer, renewal or extension.
- (c) Grantee shall provide such other information as may be requested by City to enable City to comply with any reporting requirements under applicable law with respect to possessory interests.

Grantee has duly authorized by all necessary action the execution, delivery and performance of this Agreement. Grantee has duly executed and delivered this Agreement and this Agreement constitutes a legal, valid and binding obligation of Grantee, enforceable against Grantee in accordance with the terms hereof.
- **8.2** Location. Grantee's operations, offices and headquarters are located at the address for notices set forth in Section 15. All aspects of the Grant Plan will be implemented at the geographic location(s), if any, specified in the Grant Plan.
- **8.3** No Misstatements. No document furnished or to be furnished by Grantee to City or City in connection with the Application Documents, this Agreement, any Funding Request or any other document relating to any of the foregoing, contains or will contain any untrue statement of material fact or omits or will omit a material fact necessary to make the statements contained therein not misleading, under the circumstances under which any such statement shall have been made.

8.4 Conflict of Interest.

(a) Through its execution of this Agreement, Grantee acknowledges that it is familiar with the provision of Section 15.103 of the City's Charter, Article III, Chapter 2 of the City's Campaign and Governmental Conduct Code, and Section 87100 et seq. and Section 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitutes a

violation of said provisions and agrees that it will immediately notify the City if it becomes aware of any such fact during the term of this Agreement.

- (b) Not more than one member of an immediate family serves or will serve as an officer, director or employee of Grantee, without the prior written consent of City. For purposes of this subsection, "immediate family" shall include husband, wife, domestic partners, brothers, sisters, children and parents (both legal parents and step-parents).
- **8.5** No Other Agreements with City. Except as expressly itemized in Appendix D, neither Grantee nor any of Grantee's affiliates, officers, directors or employees has any interest, however remote, in any other agreement with City including any commission, department or other subdivision thereof).
- **8.6** Subcontracts. Except as may be permitted under Section 13.3, Grantee has not entered into any agreement, arrangement or understanding with any other person or entity pursuant to which such person or entity will implement or assist in implementing all or any portion of the Grant Plan.
- **8.7** Eligibility to Receive Federal Funds. By executing this Agreement, Grantee certifies that Grantee is not suspended, debarred or otherwise excluded from participation in federal assistance programs. Grantee acknowledges that this certification of eligibility to receive federal funds is a material term of the Agreement.

ARTICLE 9 INDEMNIFICATION AND GENERAL LIABILITY

- Indemnification. Grantee shall indemnify, protect, defend and hold harmless each of the Indemnified Parties from and against any and all Losses arising from, in connection with or caused by: (a) a material breach of this Agreement by Grantee; (b) a material breach of any representation or warranty of Grantee contained in this Agreement; (c) any personal injury caused, directly or indirectly, by any act or omission of Grantee or its employees, subgrantees or agents; (d) any property damage caused, directly or indirectly by any act or omission of Grantee or its employees, subgrantees or agents; (e) the use, misuse or failure of any equipment or facility used by Grantee, or by any of its employees, subgrantees or agents, regardless of whether such equipment or facility is furnished, rented or loaned to Grantee by an Indemnified Party; (f) any tax, fee, assessment or other charge for which Grantee is responsible under Article 7; or (g) any infringement of patent rights, copyright, trade secret or any other proprietary right or trademark of any person or entity in consequence of the use by any Indemnified Party of any goods or services furnished to such Indemnified Party in connection with this Agreement. Grantee's obligations under the immediately preceding sentence shall apply to any Loss that is caused in whole or in part by the active or passive negligence of any Indemnified Party, but shall exclude any Loss caused solely by the willful misconduct of the Indemnified Party. The foregoing indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and City's costs of investigating any claims against the City.
- 9.2 Duty to Defend; Notice of Loss. Grantee acknowledges and agrees that its obligation to defend the Indemnified Parties under Section 9.1: (a) is an immediate obligation, independent of its other obligations hereunder; (b) applies to any Loss which actually or potentially falls within the scope of Section 9.1, regardless of whether the allegations asserted in connection with such Loss are or may be groundless, false or fraudulent; and (c) arises at the time the Loss is tendered to Grantee by the Indemnified Party and continues at all times thereafter. The Indemnified Party shall give Grantee prompt notice of any Loss under Section 9.1 and Grantee shall have the right to defend, settle and compromise any such Loss; provided, however, that the Indemnified Party shall have the right to retain its own counsel at the expense of Grantee if representation of such Indemnified Party by the counsel retained by Grantee would be inappropriate due to conflicts of interest between such Indemnified Party and Grantee.

An Indemnified Party's failure to notify Grantee promptly of any Loss shall not relieve Grantee of any liability to such Indemnified Party pursuant to Section 9.1, unless such failure materially impairs Grantee's ability to defend such Loss. Grantee shall seek the Indemnified Party's prior written consent to settle or compromise any Loss if Grantee contends that such Indemnified Party shares in liability with respect thereto.

- 9.3 Incidental and Consequential Damages. Losses covered under this Article 9 shall include any and all incidental and consequential damages resulting in whole or in part from Grantee's acts or omissions. Nothing in this Agreement shall constitute a waiver or limitation of any rights that any Indemnified Party may have under applicable law with respect to such damages.
- 9.4 LIMITATION ON LIABILITY OF CITY. CITY'S OBLIGATIONS UNDER THIS AGREEMENT SHALL BE LIMITED TO THE AGGREGATE AMOUNT OF GRANT FUNDS ACTUALLY DISBURSED HEREUNDER. NOTWITHSTANDING ANY OTHER PROVISION CONTAINED IN THIS AGREEMENT, THE APPLICATION DOCUMENTS OR ANY OTHER DOCUMENT OR COMMUNICATION RELATING TO THIS AGREEMENT, IN NO EVENT SHALL CITY BE LIABLE, REGARDLESS OF WHETHER ANY CLAIM IS BASED ON GRANT OR TORT, FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES, INCLUDING LOST PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, THE GRANT FUNDS, THE GRANT PLAN OR ANY ACTIVITIES PERFORMED IN CONNECTION WITH THIS AGREEMENT.

Should any of the insurance required hereunder be provided under a claims-made form, Grantee shall maintain such coverage continuously throughout the term of this Agreement and, without lapse, for a period of three (3) years beyond the expiration or termination of this Agreement, to the effect that, should occurrences during the term hereof give rise to claims made after expiration or termination of the Agreement, such claims shall be covered by such claims-made policies.
- 10.5 General Annual Aggregate Limit/Inclusion of Claims Investigation or Legal Defense Costs. Before commencing any operations under this Agreement, Grantee shall furnish to City certificates of insurance and additional insured policy endorsements with insurers with ratings comparable to A-, VIII or higher, that are authorized to do business in the State of California, and that are satisfactory to City, in form evidencing all coverages set forth above. Failure to maintain insurance shall constitute a material breach of this Agreement.
- **10.7** Effect of Approval. Approval of any insurance by City shall not relieve or decrease the liability of Grantee hereunder.
- 10.8 Insurance for Subcontractors and Evidence of this Insurance. If a subcontractor will be used to complete any portion of this agreement, the grantee shall ensure that the subcontractor shall provide all necessary insurance and shall name the City and County of San Francisco, its officers, agents, and employees and the grantee listed as additional insureds.
- 10.9 Regarding Workers' Compensation, Contractor hereby agrees to waive subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss. Contractor agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation. The Workers' Compensation policy shall be endorsed with a waiver of subrogation in favor of the City for all work performed by the Contractor, its employees, agents and subcontractors.
- 10.10 Should any required insurance lapse during the term of this Agreement, requests for payments originating after such lapse shall not be processed until the City receives satisfactory evidence of reinstated coverage as required by this Agreement, effective as of the lapse date. If insurance is not reinstated, the City may, at its sole option, terminate this Agreement effective on the date of such lapse of insurance.

ARTICLE 11 EVENTS OF DEFAULT AND REMEDIES

- 11.1 Events of Default. The occurrence of any one or more of the following events shall constitute an "Event of Default" under this Agreement:
- (a) **False Statement**. Any statement, representation or warranty contained in this Agreement, in the Application Documents, in any Funding Request or in any other document submitted to City under this Agreement is found by City to be false or misleading.
- (b) Failure to Provide Insurance. Grantee fails to provide or maintain in effect any policy of insurance required in Article 10.

11.2 Termination for Convenience

- a. City shall have the option, in its sole discretion, to terminate this Agreement, at any time during the term hereof, for convenience and without cause. City shall exercise this option by giving Grantee 30 day written notice of termination. The notice shall specify the date on which termination shall become effective.
- b. Upon receipt of the notice, Grantee shall commence and perform, with diligence, all actions necessary on the part of Grantee to effect the termination of this Agreement on the date specified by City

and to minimize the liability of Grantee and City to third parties as a result of termination. All such actions shall be subject to the prior approval of City. Such actions shall include, without limitation:

- (1) Halting the performance of all services and other work under this Agreement on the date(s) and in the manner specified by City.

- (1) The reasonable cost to Grantee, without profit, for all services and other work City directed Grantee to perform prior to the specified termination date, for which services or work City has not already tendered payment. Reasonable costs may include a reasonable allowance for actual overhead, not to exceed a total of 10% of Grantee's direct costs for services or other work. Any overhead allowance shall be separately itemized. Grantee may also recover the reasonable cost of preparing the invoice.
- (2) A reasonable allowance for profit on the cost of the services and other work described in the immediately preceding subsection (1), provided that Grantee can establish, to the satisfaction of City, that Grantee would have made a profit had all services and other work under this Agreement been completed, and provided further, that the profit allowed shall in no event exceed 5% of such cost.
- (3) The reasonable cost to Grantee of handling material or equipment returned to the vendor, delivered to the City or otherwise disposed of as directed by the City.
- (4) A deduction for the cost of materials to be retained by Grantee, amounts realized from the sale of materials and not otherwise recovered by or credited to City, and any other appropriate credits to City against the cost of the services or other work.
- d. Such non-recoverable costs include, but are not limited to, anticipated profits on this Agreement, post-termination employee salaries, post-termination administrative expenses, post-termination overhead or unabsorbed overhead, attorneys' fees or other costs relating to the

- e. In arriving at the amount due to Grantee under this Section, City may deduct: (1) all payments previously made by City for work or other services covered by Grantee's final invoice; (2) any claim which City may have against Grantee in connection with this Agreement; (3) any invoiced costs or expenses excluded pursuant to the immediately preceding subsection (d); and (4) in instances in which, in the opinion of the City, the cost of any service or other work performed under this Agreement is excessively high due to costs incurred to remedy or replace defective or rejected services or other work, the difference between the invoiced amount and City's estimate of the reasonable cost of performing the invoiced services or other work in compliance with the requirements of this Agreement.
 - f. City's payment obligation under this Section shall survive termination of this Agreement.
- 11.3 Remedies Upon Event of Default. Upon and during the continuance of an Event of Default, City may do any of the following, individually or in combination with any other remedy:
- (a) **Termination**. City may terminate this Agreement by giving a written termination notice to Grantee and, on the date specified in such notice, this Agreement shall terminate and all rights of Grantee hereunder shall be extinguished. In the event of such termination, Grantee will be paid for Eligible Expenses in any Funding Request that was submitted and approved by City prior to the date of termination specified in such notice.
- (b) Withholding of Grant Funds. City may withhold all or any portion of Grant Funds not yet disbursed hereunder, regardless of whether Grantee has previously submitted a Funding Request or whether City has approved the disbursement of the Grant Funds requested in any Funding Request. Any Grant Funds withheld pursuant to this Section and subsequently disbursed to Grantee after cure of applicable Events of Default shall be disbursed without interest.
- (c) Offset. City may offset against all or any portion of undisbursed Grant Funds hereunder or against any payments due to Grantee under any other agreement between Grantee and City the amount of any outstanding Loss incurred by any Indemnified Party, including any Loss incurred as a result of the Event of Default.

City may demand the immediate return of any previously disbursed Grant Funds that have been claimed or expended by Grantee in breach of the terms of this Agreement, together with interest thereon from the date of disbursement at the maximum rate permitted under applicable law.
- 11.4 Remedies Nonexclusive. Each of the remedies provided for in this Agreement may be exercised individually or in combination with any other remedy available hereunder or under applicable laws, rules and regulations. The remedies contained herein are in addition to all other remedies available to City at law or in equity by statute or otherwise and the exercise of any such remedy shall not preclude or in any way be deemed to waive any other remedy.

ARTICLE 12 DISCLOSURE OF INFORMATION AND DOCUMENTS

12.1 Protection of Private Information.

a. Personal Information. Contractor has read and agrees to the terms set forth in San Francisco Administrative Code Sections 12M.2, "Nondisclosure of Private Information," and 12M.3,

"Enforcement" of Administrative Code Chapter 12M, "Protection of Private Information," which are incorporated herein as if fully set forth. Contractor agrees that any failure of Contractor to comply with the requirements of Section 12M.2 of this Chapter shall be a material breach of the Contract. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate the Contract, bring a false claim action against the Contractor pursuant to Chapter 6 or Chapter 21 of the Administrative Code, or debar the Contractor.

- b. Protected Social Service and Personal Health Information. Contractor, all subgrantees, and all agents and employees of Contractor and any subgrantee shall comply with any and all privacy laws regarding social service recipient information and/or the transmission, storage and protection of all private health information disclosed to Contractor by City in the performance of this Agreement. Contractor agrees that any failure of Contactor to comply with the requirements of federal and/or state and/or local privacy laws shall be a material breach of the Contract. In the event that City pays a regulatory fine, and/or is assessed civil penalties or damages through private rights of action, based on an impermissible use or disclosure of protected social service or protected health information given to Contractor or its subgrantees or agents by City, Contractor shall indemnify City for the amount of such fine or penalties or damages, including costs of notification. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate the Contract.
- c. Proprietary and Confidential Information of City. Grantee understands and acknowledges that, in the performance of this Agreement or in contemplation thereof, Grantee may have access to private or confidential information that may be owned or controlled by City and that such information may contain proprietary or confidential information, the disclosure of which to third parties may be damaging to City. Grantee agrees that all information disclosed by City to Grantee shall be held in confidence and used only in the performance of this Agreement. Grantee shall exercise the same standard of care to protect such information as a reasonably prudent nonprofit entity would use to protect its own proprietary or confidential data.
- 12.2 Sunshine Ordinance. Grantee acknowledges and agrees that this Agreement and the Application Documents are subject to Section 67.24(e) of the San Francisco Administrative Code, which provides that grants, including this Agreement, grantee's bids, responses to Requests for Proposals (RFPs) and all other records of communications between City and persons or entities seeking grants, shall be open to inspection immediately after a grant has been awarded. Nothing in such Section 67.24(e) (as it exists on the date hereof) requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a grant or other benefit until and unless that person or organization is awarded the grant or benefit. All information provided by Grantee that is covered by such Section 67.24(e) (as it may be amended from time to time) will be made available to the public upon request.
- 12.3 Financial Projections. Pursuant to San Francisco Administrative Code Section 67.32, Grantee has on or before the date hereof provided to City financial projections, including profit and loss figures, for the Project. For the term of the Agreement, Grantee shall within one hundred twenty (120) days after the end of Grantee's fiscal year end provide to City annual financial statements for the Project certified by the Grantee as complete and accurate and audited by an independent accounting firm. The Grantee acknowledges and agrees that the financial projections and audited financial statements shall be public records subject to disclosure upon request.

ARTICLE 13 ASSIGNMENTS AND SUBCONTRACTING

13.1 No Assignment by Grantee. Grantee shall not, either directly or indirectly, assign, transfer, hypothecate, subcontract or delegate all or any portion of this Agreement or any rights, duties or

obligations of Grantee hereunder without the prior written consent of City. This Agreement shall not, nor shall any interest herein, be assignable as to the interest of Grantee involuntarily or by operation of law without the prior written consent of City. A change of ownership or control of Grantee or a sale or transfer of substantially all of the assets of Grantee shall be deemed an assignment for purposes of this Agreement.

- 13.2 Agreement Made in Violation of this Article. Any agreement made in violation of Section 13.1 shall confer no rights on any person or entity and shall automatically be null and void.
- 13.3 Subcontracting. If Appendix E lists any permitted subgrantees, then notwithstanding any other provision of this Agreement to the contrary, Grantee shall have the right to subcontract on the terms set forth in this Section. If Appendix E is blank or specifies that there are no permitted subgrantees then Grantee shall have no rights under this Section.
- (a) Limitations. In no event shall Grantee subcontract or delegate the whole of the Grant Plan. Grantee may subcontract with any of the permitted subgrantees set forth on Appendix E without the prior consent of City; provided, however, that Grantee shall not thereby be relieved from any liability or obligation under this Agreement and, as between City and Grantee, Grantee shall be responsible for the acts, defaults and omissions of any subgrantees or its agents or employees as fully as if they were the acts, defaults or omissions of Grantee. Grantee shall ensure that its subgrantees comply with all of the terms of this Agreement, insofar as they apply to the subcontracted portion of the Grant Plan. All references herein to duties and obligations of Grantee shall be deemed to pertain also to all subgrantees to the extent applicable. A default by any subcontractor shall be deemed to be an Event of Default hereunder. Nothing contained in this Agreement shall create any contractual relationship between any subgrantee and City.
- (b) **Terms of Subcontract**. Each subcontract shall be in form and substance acceptable to City and shall expressly provide that it may be assigned to City without the prior consent of the subgrantee. In addition, each subcontract shall incorporate all of the terms of this Agreement, insofar as they apply to the subcontracted portion of the Grant Plan. Without limiting the scope of the foregoing, each subcontract shall provide City, with respect to the subgrantee the audit and inspection rights set forth in Section 6.6. Upon the request of City, Grantee shall promptly furnish to City true and correct copies of each subcontract permitted hereunder.
- 13.4 Grantee Retains Responsibility. Grantee shall in all events remain liable for the performance by any assignee or subgrantee of all of the covenants terms and conditions contained in this Agreement.

ARTICLE 14 INDEPENDENT CONTRACTOR STATUS

- 14.1 Nature of Agreement. Grantee shall be deemed at all times to be an independent grantee and is solely responsible for the manner in which Grantee implements the Grant Plan and uses the Grant Funds. Grantee shall at all times remain solely liable for the acts and omissions of Grantee, its officers and directors, employees and agents. Nothing in this Agreement shall be construed as creating a partnership, joint venture, employment or agency relationship between City and Grantee.
- **14.2 Direction.** Any terms in this Agreement referring to direction or instruction from the Agency or City shall be construed as providing for direction as to policy and the result of Grantee's work only, and not as to the means by which such a result is obtained.

14.3 Consequences of Recharacterization.

- (a) Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Grantee is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by Grantee which can be applied against this liability). City shall subsequently forward such amounts to the relevant taxing authority.
- (b) Should a relevant taxing authority determine a liability for past services performed by Grantee for City, upon notification of such fact by City, Grantee shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to Grantee under this Agreement (again, offsetting any amounts already paid by Grantee which can be applied as a credit against such liability).
- (c) A determination of employment status pursuant to either subsection (a) or (b) of this Section 14.3 shall be solely for the purposes of the particular tax in question, and for all other purposes of this Agreement, Grantee shall not be considered an employee of City. Notwithstanding the foregoing, if any court, arbitrator, or administrative authority determine that Grantee is an employee for any other purpose, Grantee agrees to a reduction in City's financial liability hereunder such that the aggregate amount of Grant Funds under this Agreement does not exceed what would have been the amount of such Grant Funds had the court, arbitrator, or administrative authority had not determined that Grantee was an employee.

ARTICLE 16 COMPLIANCE

- 16.1 Local Business Enterprise Utilization; Liquidated Damages. Reserved.
- 16.2 Nondiscrimination; Penalties.
- (a) Grantee Shall Not Discriminate. In the performance of this Agreement, Grantee agrees not to discriminate against any employee, City and County employee working with such grantee or subgrantee, applicant for employment with such grantee or subgrantee, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.
- (b) Subcontracts. Grantee shall incorporate by reference in all subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require all subgrantees to comply with such provisions. Grantee's failure to comply with the obligations in this subsection shall constitute a material breach of this Agreement.
- (c) Non-Discrimination in Benefits. Grantee does not as of the date of this Agreement and will not during the term of this Agreement, in any of its operations in San Francisco or where the work is being performed for the City or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.
- (d) Condition to Grant Agreement. As a condition to this Agreement, Grantee shall execute the "Chapter 12B Declaration: Nondiscrimination in Grants and Benefits" form (Form CMD-12B-101) with supporting documentation and secure the approval of the form by the San Francisco Contract Monitoring Division.
- (e) Incorporation of Administrative Code Provisions by Reference. The provisions of Chapters 12B and 12C of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Grantee shall comply fully with and be bound by all of the provisions that apply to this Agreement under such Chapters of the Administrative Code, including the remedies provided in such Chapters. Without limiting the foregoing, Grantee understands that pursuant to Sections 12B.2(h) and 12C.3(g) of the San Francisco Administrative Code, a penalty of fifty dollars (\$50) for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Agreement may be assessed against Grantee and/or deducted from any payments due Grantee.

- 16.3 MacBride Principles--Northern Ireland. Pursuant to San Francisco Administrative Code Section 12F.5, City urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. City urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Grantee acknowledges and agrees that he or she has read and understood this section
- 16.4 Tropical Hardwood and Virgin Redwood Ban. Pursuant to § 804(b) of the San Francisco Environment Code, City urges all grantees not to import, purchase, obtain, or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product.
- 16.5 Drug-Free Workplace Policy. Grantee acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited on City premises. Grantee and its employees, agents or assigns shall comply with all terms and provisions of such Act and the rules and regulations promulgated thereunder.
- 16.6 Resource Conservation; Liquidated Damages. Chapter 5 of the San Francisco Environment Code (Resource Conservation) is incorporated herein by reference. Failure by Grantee to comply with any of the applicable requirements of Chapter 5 will be deemed a material breach of contract. If Grantee fails to comply in good faith with any of the provisions of Chapter 5, Grantee shall be liable for liquidated damages in an amount equal to Grantee's net profit under this Agreement, or five percent (5%) of the total contract amount, whichever is greater. Grantee acknowledges and agrees that the liquidated damages assessed shall be payable to City upon demand and may be offset against any monies due to Grantee from any contract with City.
- 16.7 Compliance with ADA. Grantee acknowledges that, pursuant to the Americans with Disabilities Act (ADA), programs, services and other activities provided by a public entity to the public, whether directly or through a grantee, must be accessible to the disabled public. Grantee shall provide the services specified in this Agreement in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation. Grantee agrees not to discriminate against disabled persons in the provision of services, benefits or activities provided under this Agreement and further agrees that any violation of this prohibition on the part of Grantee, its employees, agents or assigns will constitute a material breach of this Agreement.

Chapter 21-100 Nondiscrimination in State and Federally Assisted Programs require that Grantees administer their program(s) in a nondiscriminatory manner and in compliance with civil rights obligations and to accommodate non-English-speaking or limited-English-proficient individuals and individuals with disabilities or impairments. At a minimum, grantees must provide the following:

- Procedures for informing clients of their civil rights under Chapter 21-100;
- Policies and procedures for handling complaints filed with or against a Grantee;
- Policies and procedures that ensure Grantees accommodate individuals with hearing impairments, visual impairments and other disabilities;
- Policies and procedures that ensure that Grantees provide appropriate language services, including a breakdown of bilingual/interpreter staff and a description of how written information is communicated to non-English speaking clients; and
- Policies and procedures for ensuring that Grantee staff are adequately trained in the requirements of Chapter 21 under California Department of Social Services standards.

16.8 Requiring Minimum Compensation for Covered Employees

- a. Contractor agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Sections 12P.5 and 12P.5.1 of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of Contractor's obligations under the MCO is set forth in this Section. Contractor is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.
- b. The MCO requires Contractor to pay Contractor's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and Contractor is obligated to keep informed of the then-current requirements. Any subcontract entered into by Contractor shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It is Contractor's obligation to ensure that any subcontractors of any tier under this Agreement comply with the requirements of the MCO. If any subcontractor under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against Contractor.
- c. Contractor shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.
- d. Contractor shall maintain employee and payroll records as required by the MCO. If Contractor fails to do so, it shall be presumed that the Contractor paid no more than the minimum wage required under State law.
- e. The City is authorized to inspect Contractor's job sites and conduct interviews with employees and conduct audits of Contractor
- f. Contractor's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Contractor fails to comply with these requirements. Contractor agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty, but are reasonable estimates of the loss that the City and the public will incur for Contractor's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.
- g. Contractor understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the grant, and under applicable law. If, within 30 days after receiving written notice of a breach of this Agreement for violating the MCO, Contractor fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Contractor fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.
- h. Contractor represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.
- i. If Contractor is exempt from the MCO when this Agreement is executed because the cumulative amount of agreements with this department for the fiscal year is less than \$25,000, but

G-100H (9-15; HSA) 21 of 31 July 1, 2017

Contractor later enters into an agreement or agreements that cause contractor to exceed that amount in a fiscal year, Contractor shall thereafter be required to comply with the MCO under this Agreement. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Contractor and this department to exceed \$25,000 in the fiscal year.

16.9 Limitations on Contributions. Through execution of this Agreement, Contractor acknowledges that it is familiar with section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who grants with the City for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, or for a grant, loan or loan guarantee, from making any campaign contribution to (1) an individual holding a City elective office if the grant must be approved by the individual, a board on which that individual serves, or a board on which an appointee of that individual serves, (2) a candidate for the office held by such individual, or (3) a committee controlled by such individual, at any time from the commencement of negotiations for the grant until the later of either the termination of negotiations for such grant or six months after the date the grant is approved. Contractor acknowledges that the foregoing restriction applies only if the grant or a combination or series of grants approved by the same individual or board in a fiscal year have a total anticipated or actual value of \$50,000 or more. Contractor further acknowledges that the prohibition on contributions applies to each prospective party to the grant; each member of Contractor's board of directors; Contractor's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in Contractor; any subcontractor listed in the bid or grant; and any committee that is sponsored or controlled by Contractor. Additionally, Contractor acknowledges that Contractor must inform each of the persons described in the preceding sentence of the prohibitions contained in Section 1.126. Contractor further agrees to provide to City the names of each person, entity or committee described above.

16.10 First Source Hiring Program.

- a. Incorporation of Administrative Code Provisions by Reference. The provisions of Chapter 83 of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Contractor shall comply fully with, and be bound by, all of the provisions that apply to this Agreement under such Chapter, including but not limited to the remedies provided therein. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 83.
- b. First Source Hiring Agreement. As an essential term of, and consideration for, any grant or property grant with the City, not exempted by the FSHA, the Contractor shall enter into a first source hiring agreement ("agreement") with the City, on or before the effective date of the grant or property grant. Contractors shall also enter into an agreement with the City for any other work that it performs in the City. Such agreement shall:
- shall agree to achieve these hiring and retention goals, or, if unable to achieve these goals, to establish good faith efforts as to its attempts to do so, as set forth in the agreement. The agreement shall take into consideration the employer's participation in existing job training, referral and/or brokerage programs. Within the discretion of the FSHA, subject to appropriate modifications, participation in such programs maybe certified as meeting the requirements of this Chapter. Failure either to achieve the specified goal, or to establish good faith efforts will constitute noncompliance and will subject the employer to the provisions of Section 83.10 of this Chapter.
- (2) Set first source interviewing, recruitment and hiring requirements, which will provide the San Francisco Workforce Development System with the first opportunity to provide qualified economically disadvantaged individuals for consideration for employment for entry level positions. Employers shall consider all applications of qualified economically disadvantaged individuals referred by the System for employment; provided however, if the employer utilizes

nondiscriminatory screening criteria, the employer shall have the sole discretion to interview and/or hire individuals referred or certified by the San Francisco Workforce Development System as being qualified economically disadvantaged individuals. The duration of the first source interviewing requirement shall be determined by the FSHA and shall be set forth in each agreement, but shall not exceed 10 days. During that period, the employer may publicize the entry level positions in accordance with the agreement. A need for urgent or temporary hires must be evaluated, and appropriate provisions for such a situation must be made in the agreement.

- (3) Set appropriate requirements for providing notification of available entry level positions to the San Francisco Workforce Development System so that the System may train and refer an adequate pool of qualified economically disadvantaged individuals to participating employers. Notification should include such information as employment needs by occupational title, skills, and/or experience required, the hours required, wage scale and duration of employment, identification of entry level and training positions, identification of English language proficiency requirements, or absence thereof, and the projected schedule and procedures for hiring for each occupation. Employers should provide both long-term job need projections and notice before initiating the interviewing and hiring process. These notification requirements will take into consideration any need to protect the employer's proprietary information.
- (4) Set appropriate record keeping and monitoring requirements. The First Source Hiring Administration shall develop easy-to-use forms and record keeping requirements for documenting compliance with the agreement. To the greatest extent possible, these requirements shall utilize the employer's existing record keeping systems, be nonduplicative, and facilitate a coordinated flow of information and referrals.
- (5) Establish guidelines for employer good faith efforts to comply with the first source hiring requirements of this Chapter. The FSHA will work with City departments to develop employer good faith effort requirements appropriate to the types of grants and property grants handled by each department. Employers shall appoint a liaison for dealing with the development and implementation of the employer's agreement. In the event that the FSHA finds that the employer under a City grant or property grant has taken actions primarily for the purpose of circumventing the requirements of this Chapter, that employer shall be subject to the sanctions set forth in Section 83.10 of this Chapter.
 - (6) Set the term of the requirements.
- (7) Set appropriate enforcement and sanctioning standards consistent with this Chapter.
- (8) Set forth the City's obligations to develop training programs, job applicant referrals, technical assistance, and information systems that assist the employer in complying with this Chapter.
- (9) Require the developer to include notice of the requirements of this Chapter in leases, subleases, and other occupancy grants.
- **c. Hiring Decisions.** Contractor shall make the final determination of whether an Economically Disadvantaged Individual referred by the System is "qualified" for the position.
- d. Exceptions. Upon application by Employer, the First Source Hiring Administration may grant an exception to any or all of the requirements of Chapter 83 in any situation where it concludes that compliance with this Chapter would cause economic hardship.

e. Liquidated Damages. Contractor agrees:

- (1) To be liable to the City for liquidated damages as provided in this section;
- (2) To be subject to the procedures governing enforcement of breaches of grants based on violations of grant provisions required by this Chapter as set forth in this section;
- element of the City's consideration for this grant; that the failure of the Contractor to comply with the grant provisions required by this Chapter will cause harm to the City and the public which is significant and substantial but extremely difficult to quantity; that the harm to the City includes not only the financial cost of funding public assistance programs but also the insidious but impossible to quantify harm that this community and its families suffer as a result of unemployment; and that the assessment of liquidated damages of up to \$5,000 for every notice of a new hire for an entry level position improperly withheld by the Contractor from the first source hiring process, as determined by the FSHA during its first investigation of a Contractor, does not exceed a fair estimate of the financial and other damages that the City suffers as a result of the Contractor's failure to comply with its first source referral contractual obligations.
- (4) That the continued failure by a Contractor to comply with its first source referral contractual obligations will cause further significant and substantial harm to the City and the public, and that a second assessment of liquidated damages of up to \$10,000 for each entry level position improperly withheld from the FSHA, from the time of the conclusion of the first investigation forward, does not exceed the financial and other damages that the City suffers as a result of the Contractor's continued failure to comply with its first source referral contractual obligations;
- (5) That in addition to the cost of investigating alleged violations under this Section, the computation of liquidated damages for purposes of this section is based on the following data:
- A. The average length of stay on public assistance in San Francisco's County Adult Assistance Program is approximately 41 months at an average monthly grant of \$348 per month, totaling approximately \$14,379; and
- B. In 2004, the retention rate of adults placed in employment programs funded under the Workforce Investment Act for at least the first six months of employment was 84.4%. Since qualified individuals under the First Source program face far fewer barriers to employment than their counterparts in programs funded by the Workforce Investment Act, it is reasonable to conclude that the average length of employment for an individual whom the First Source Program refers to an employer and who is hired in an entry level position is at least one year;

therefore, liquidated damages that total \$5,000 for first violations and \$10,000 for subsequent violations as determined by FSHA constitute a fair, reasonable, and conservative attempt to quantify the harm caused to the City by the failure of a Contractor to comply with its first source referral contractual obligations.

(6) That the failure of Contractors to comply with this Chapter, except property Contractors, may be subject to the debarment and monetary penalties set forth in Sections 6.80 et seq. of the San Francisco Administrative Code, as well as any other remedies available under the grant or at law; and

Violation of the requirements of Chapter 83 is subject to an assessment of liquidated damages in the amount of \$5,000 for every new hire for an Entry Level Position improperly withheld from the first source hiring process. The assessment of liquidated damages and the evaluation of any defenses or mitigating factors shall be made by the FSHA.

- f. Subcontracts. Any subcontract entered into by Contractor shall require the subcontractor to comply with the requirements of Chapter 83 and shall contain contractual obligations substantially the same as those set forth in this Section.
- 16.11 Prohibition on Political Activity with City Funds. In accordance with S. F. Administrative Code Chapter 12.G, no funds appropriated by the City and County of San Francisco for this Agreement may be expended for organizing, creating, funding, participating in, supporting, or attempting to influence any political campaign for a candidate or for a ballot measure (collectively, "Political Activity"). The terms of San Francisco Administrative Code Chapter 12.G are incorporated herein by this reference. Accordingly, an employee working in any position funded under this Agreement shall not engage in any Political Activity during the work hours funded hereunder, nor shall any equipment or resource funded by this Agreement be used for any Political Activity. In the event Grantee, or any staff member in association with Grantee, engages in any Political Activity, then (i) Grantee shall keep and maintain appropriate records to evidence compliance with this section, and (ii) Grantee shall have the burden to prove that no funding from this Agreement has been used for such Political Activity. Grantee agrees to cooperate with any audit by the City or its designee in order to ensure compliance with this section. In the event Grantee violates the provisions of this section, the City may, in addition to any other rights or remedies available hereunder, (i) terminate this Agreement and any other agreements between Grantee and City, (ii) prohibit Grantee from bidding on or receiving any new City grant for a period of two (2) years, and (iii) obtain reimbursement of all funds previously disbursed to Grantee under this Agreement.
- 16.12 Preservative-treated Wood Containing Arsenic. Grantee may not purchase preservative-treated wood products containing arsenic in the performance of this Agreement unless an exemption from the requirements of Chapter 13 of the San Francisco Environment Code is obtained from the Department of the Environment under Section 1304 of the Code. The term "preservative-treated wood containing arsenic" shall mean wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniacal copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Grantee may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of the Environment. This provision does not preclude Grantee from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "saltwater immersion" shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.
- 16.13 Supervision of Minors. Grantee, and any subgrantees, shall comply with California Penal Code section 11105.3 and request from the Department of Justice records of all convictions or any arrest pending adjudication involving the offenses specified in Welfare and Institution Code section 15660(a) of any person who applies for employment or volunteer position with Grantee, or any subgrantee, in which he or she would have supervisory or disciplinary power over a minor under his or her care. If Grantee, or any subgrantee, is providing services at a City park, playground, recreational center or beach (separately and collectively, "Recreational Site"), Grantee shall not hire, and shall prevent its subgrantees from hiring, any person for employment or volunteer position to provide those services if that person has been convicted of any offense that was listed in former Penal Code section 11105.3 (h)(1) or 11105.3(h)(3). If Grantee, or any of its subgrantees, hires an employee or volunteer to provide services to minors at any location other than a Recreational Site, and that employee or volunteer has been convicted of an offense specified in Penal Code section 11105.3(c), then Grantee shall comply, and cause its subgrantees to comply with that section and provide written notice to the parents or guardians of any minor who will be

supervised or disciplined by the employee or volunteer not less than ten (10) days prior to the day the employee or volunteer begins his or her duties or tasks. Grantee shall provide, or cause its subgrantees to provide City with a copy of any such notice at the same time that it provides notice to any parent or guardian. Grantee shall expressly require any of its subgrantees with supervisory or disciplinary power over a minor to comply with this section of the Agreement as a condition of its grant with the subgrantee. Grantee acknowledges and agrees that failure by Grantee or any of its subgrantees to comply with any provision of this section of the Agreement shall constitute an Event of Default.

16.14 Public Access to Meetings and Records. If the Grantee receives a cumulative total per year of at least \$250,000 in City funds or City-administered funds and is a non-profit organization as defined in Chapter 12L of the San Francisco Administrative Code, the Grantee shall comply with and be bound by all the applicable provisions of that Chapter. By executing this Agreement, the Grantee agrees to open its meetings and records to the public in the manner set forth in Sections 12L.4 and 12L.5 of the Administrative Code. The Grantee further agrees to make good-faith efforts to promote community membership on its Board of Directors in the manner set forth in Section 12L.6 of the Administrative Code. The Grantee acknowledges that its material failure to comply with any of the provisions of this paragraph shall constitute a material breach of this Agreement. The Grantee further acknowledges that such material breach of the Agreement shall be grounds for the City to terminate and/or not renew the Agreement, partially or in its entirety.

16.15 Consideration of Criminal History in Hiring and Employment Decisions.

The provisions of Chapter 12T are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the Chapter 12T is available on the web at www.sfgov.org/olse/fco. A partial listing of some of Contractor's obligations under Chapter 12T is set forth in this Section. Contractor is required to comply with all of the applicable provisions of 12T, irrespective of the listing of obligations in this Section. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12T.
- (b) The requirements of Chapter 12T shall only apply to a Contractor's or Subcontractor's operations to the extent those operations are in furtherance of the performance of this Agreement, shall apply only to applicants and employees who would be or are performing work in furtherance of this Agreement, shall apply only when the physical location of the employment or prospective employment of an individual is wholly or substantially within the City of San Francisco, and shall not apply when the application in a particular context would conflict with federal or state law or with a requirement of a government agency implementing federal or state law.
- (c) Contractor shall incorporate by reference in all subcontracts the provisions of Chapter 12T, and shall require all subcontractors to comply with such provisions. Contractor's failure to comply with the obligations in this subsection shall constitute a material breach of this Agreement.
- (d) Contractor or Subcontractor shall not inquire about, require disclosure of, or if such information is received base an Adverse Action on an applicant's or potential applicant for employment, or employee's: (1) Arrest not leading to a Conviction, unless the Arrest is undergoing an active pending criminal investigation or trial that has not yet been resolved; (2) participation in or completion of a diversion or a deferral of judgment program; (3) a Conviction that has been judicially dismissed, expunged, voided, invalidated, or otherwise rendered inoperative; (4) a Conviction or any other adjudication in the juvenile justice system; (5) a Conviction that is more than seven years old, from the

date of sentencing; or (6) information pertaining to an offense other than a felony or misdemeanor, such as an infraction.

- (e) Contractor or Subcontractor shall not inquire about or require applicants, potential applicants for employment, or employees to disclose on any employment application the facts or details of any conviction history, unresolved arrest, or any matter identified in subsection 32(d), above. Contractor or Subcontractor shall not require such disclosure or make such inquiry until either after the first live interview with the person, or after a conditional offer of employment.
- (f) Contractor or Subcontractor shall state in all solicitations or advertisements for employees that are reasonably likely to reach persons who are reasonably likely to seek employment to be performed under this Agreement, that the Contractor or Subcontractor will consider for employment qualified applicants with criminal histories in a manner consistent with the requirements of Chapter 12T.
- (g) Contractor and Subcontractors shall post the notice prepared by the Office of Labor Standards Enforcement (OLSE), available on OLSE's website, in a conspicuous place at every workplace, job site, or other location under the Contractor or Subcontractor's control at which work is being done or will be done in furtherance of the performance of this Agreement. The notice shall be posted in English, Spanish, Chinese, and any language spoken by at least 5% of the employees at the workplace, job site, or other location at which it is posted.
- (h) Contractor understands and agrees that if it fails to comply with the requirements of Chapter 12T, the City shall have the right to pursue any rights or remedies available under Chapter 12T, including but not limited to, a penalty of \$50 for a second violation and \$100 for a subsequent violation for each employee, applicant or other person as to whom a violation occurred or continued, termination or suspension in whole or in part of this Agreement.
- 16.16 Food Service Waste Reduction Requirements. Effective June 1, 2007, Grantee agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Agreement as though fully set forth. This provision is a material term of this Agreement. By entering into this Agreement, Grantee agrees that if it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine; further, Grantee agrees that the sum of one hundred dollars (\$100) liquidated damages for the first breach, two hundred dollars (\$200) liquidated damages for subsequent breaches in the same year, and five hundred dollars (\$500) liquidated damages for subsequent breaches in the same year is reasonable estimate of the damage that City will incur based on the violation, established in light of the circumstances existing at the time this Agreement was made. Such amount shall not be considered a penalty, but rather agreed monetary damages sustained by City because of Grantee's failure to comply with this provision.
- **16.17 Sugar-Sweetened Beverage Prohibition.** Contractor agrees that it will not sell, provide, or otherwise distribute Sugar-Sweetened Beverages, as defined by San Francisco Administrative Code Chapter 101, as part of its performance of this Agreement.

16.21 Additional Requirements for Federally-Funded Awards

- 1) The Grantee shall establish a Dun and Bradstreet (D&B) Data Universal Numbering System (DUNS) number as a universal identifier as per 2 CFR Part 25.
- 2) The Grant Agreement is subject to 2 CFR Part 175, Award Term for Trafficking in Persons. Federal funding under this Grant Agreement may be terminated without penalty if the Grantee

- 17.12 Dispute Resolution Procedure. The following Dispute Resolution Procedure provides a process to resolve any disputes or concerns relating to the administration of an awarded professional services grant or grant between the City and County of San Francisco and nonprofit health and human services grantees. Grantees and City staff should first attempt to come to resolution informally through discussion and negotiation with the designated contact person in the department. If informal discussion has failed to resolve the problem, grantees and departments should employ the following steps:
- Step 1 The grantee will submit a written statement of the concern or dispute addressed to the Grant/Program Manager who oversees the agreement in question. The writing should describe the nature of the concern or dispute, i.e., program, reporting, monitoring, budget, compliance or other concern. The Grant/Program Manager will investigate the concern with the appropriate department staff that are involved with the nonprofit agency's program, and will either convene a meeting with the grantee or provide a written response to the grantee within 10 working days.
- Step 2 Should the dispute or concern remain unresolved after the completion of Step 1, the grantee may request review by the Division or Department Head who supervises the Grant/Program Manager. This request shall be in writing and should describe why the concern is still unresolved and propose a solution that is satisfactory to the grantee. The Division or Department Head will consult with other Department and City staff as appropriate, and will provide a written determination of the resolution to the dispute or concern within 10 working days.
- Step 3 Should Steps 1 and 2 above not result in a determination of mutual agreement, the grantee may forward the dispute to the Executive Director of the Department or their designee. This dispute shall be in writing and describe both the nature of the dispute or concern and why the steps taken to date are not satisfactory to the grantee. The Department will respond in writing within 10 working days.

In addition to the above process, grantees have an additional forum available only for disputes that concern implementation of the thirteen policies and procedures recommended by the Nonprofit Granting Task Force and adopted by the Board of Supervisors. These recommendations are designed to improve and streamline granting, invoicing and monitoring procedures. For more information about the Task Force's recommendations, see the June 2003 report at http://www.sfgov.org/site/npgrantingtf_index.asp?id=1270.

- 17.13 Cooperative Drafting. This Agreement has been drafted through a cooperative effort of both parties, and both parties have had an opportunity to have the Agreement reviewed and revised by legal counsel. No party shall be considered the drafter of this Agreement, and no presumption or rule that an ambiguity shall be construed against the party drafting the clause shall apply to the interpretation or enforcement of this Agreement.
- 17.14 Services During a City-Declared Emergency. In case of an emergency that affects the San Francisco Bay Area, Grantee will make a good faith effort to continue to provide services to the Department's clients on a priority basis. Contactor shall provide fair prices for services that may not be covered under the awarded grant but are necessary as a direct result of the City-declared emergency. Grantee will document the expenses incurred and submit a prompt request for payment to the Department.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed as of the date first specified herein.

The San Francisco child care system serves the needs of 0-5 year olds with a focus on low-income families. Target Population" families include: African American children, Latino children, English Language Learners, families who are homeless, children at-risk of abuse and/or neglect or involved with child welfare, and children with special needs or disabilities.

Specific eligibility requirements for state funded programs are defined by their respective funding agencies (e.g., The California Department of Social Services funds CalWORKs Stage 1 which serves low-income CalWORKs eligible families while the California Department of Education funds CAPP

which serves low-income families and CalWORKs Stages 2 and 3 which serves former CalWORKs aided families). Certain subsidy programs may also serve children 0 through 12 years of age. Early Learning Scholarship enhanced reimbursement rates are offered to qualified providers who achieve Tier 3 on the QRIS, subject to fund availability.

IV. DESCRIPTION OF SERVICES

A) Early Care and Education Subsidy Administration

Grantee will provide the following Early Care and Education Subsidy Administration services:

- Case Management: Grantee will work across its internal departments to provide integrated case management services for target population families to help them achieve their goals. As family circumstances change and deeper information is gathered over time, Grantee will update Family Profiles to ensure they capture detailed longitudinal data on families.
- **Fiscal Leveraging:** Grantee will balance family choice and fiscal leveraging. On one hand, Grantee will counsel families on all applicable subsidized care options, emphasizing the importance of quality. Likewise, at certification and annual recertification meetings, Grantee will screen families for state/federal subsidies to attempt to use those funds to support families, whenever possible.
- Continuity of Care is a key component of the Office of Early Care & Education's design of programs and policies that support families' and children's consistent engagement in quality early learning experiences. If a family loses a state or federal subsidy, Grantee will work with OECE Grantee to enroll children in ELS-Bridge. Families will be served by the same Subsidy Specialist to ensure seamless services. Grantee will closely track the reasons families lose subsidy eligibility, with increased attention on those who fall out of eligibility at recertification.
- Streamlining Services: Grantee will continue to streamline all aspects of subsidy system administration and service delivery, with a focus on improving the experience for families and child care providers, taking full advantage of the latitude allowed by state programs. For example, Grantee will encourage greater utilization of its online "Care Portal," which allows providers and parents to easily access attendance sheets, explanations of payments and other required documents. For locally-funded programs, Grantee will work to simplify what and how parents must report, helping families maintain their subsidy and improving continuity of care. Grantee will also explore improvements in online provider reporting, automating child eligibility screening and enrollment, and attendance tracking that could then be linked to payment calculation, billing and reporting.
- 1) State/Federal Child Care Subsidy Administration, including CalWORKs Stage 1, CalWORKs Stage 2, CAPP, FCS, and P500; TrustLine backgound checks

Grantee will administer CalWORKs Stage 1, CalWORKs Stage 2, CAPP (CAPP-HSA), Family and Children's Services (FCS), and Project 500 (P500) child care subsidy programs. Grantee will adhere to all federal, state and local program requirements, policies, and laws related to the administration of these programs.

(Confidentiality requirements must be followed; however, state law permits the sharing of information between AP's, R&R's, SF3C's and Contractors for the purpose of administering CalWORKs child care.)

Subsidized child care services will be administered with the following program-specific considerations:

a) CalWORKs Stage 1

Building on information provided to families at their CalWORKs orientations, Grantee will conduct in-person intake appointments with all families referred to Grantee for CalWORKs Stage 1 subsidized child care, providing additional counseling about their child care options and establishing a relationship to provide ongoing personal assistance while they are receiving services. Grantee will communicate with HSA CalWORKs Grantee as needed to ensure the highest level of service delivery.

b) CalWORKs Stage 2

Grantee will guide families through the transition from CalWORKs Stage 1 into CalWORKs Stage 2 using specific knowledge of the family's circumstances to provide tailored services. When families become certified for CalWORKs Stage 2, Grantee will provide ongoing services to help families maintain their eligibility—calculating changes in income and family fees, authorizing changes in child care when hours of activities change, requesting third-party documentation, etc.—and transitioning families into CalWORKs Stage 3 at the end of their Stage 2 eligibility period. Grantee will provide case management services over time to help families understand their child care options as their children grow, while connecting families to other community resources that can help them on their path toward self-sufficiency.

c) CAPP-HSA

Grantee will utilize monthly subsidy enrollment and expenditure projections to determine the number of CAPP enrollments needed each month to fully utilize the dollars available under the HSA state CAPP contract. When CAPP-HSA slots are available, Grantee will select families from SF3C in priority order, as determined by CDE, and use the Family Profile to conduct "pre-screening" interviews, ensuring that all information is current, and informing parents about ELS options, including which providers have openings. Grantee will certify and enroll the family into the CAPP program and help them find a provider if they do not already have one. Once enrolled, Grantee will provide ongoing services to help families maintain their eligibility, including periodic recertifications in accordance with state rules. As with CalWORKs Stage 2 families, Grantee will provide case management services over time and connect families to other community resources that can help on their path toward self-sufficiency.

d) Continuity of Care for CalWORKs Stage 2 and CAPP

If a CalWORKs Stage 2 or CAPP family loses their eligibility, the Grantee will certify that the reason for losing eligibility could not be resolved per state regulations, and will work with OECE to determine eligibility of any children under five for ELS-Bridge. If the family is determined to be eligible for ELS-Bridge, they will continue to be served by the same Subsidy Specialist to ensure seamless high-level services.

e) Family and Children's Services

Grantee's FCS team will work to find successful placements with quality providers for all FCS children. Grantee will help families understand their options among licensed Family Child Care and Child Care Centers and develop customized lists of ELS providers with vacancies. If there are no current vacancies with ELS providers, Grantee will develop a list of other licensed providers with current vacancies, and work with the HSA Protective Service Worker to authorize the placement. Grantee will also enroll children on SF3C so that families can take advantage of openings with ELS providers or state-funded programs that will provide continuity of care beyond age five. Once a child is placed in care, Grantee will follow-up with families and providers to ensure the placement is a good fit for the child (see Multi-Tiered Service Approach in the R&R section). In cases where the child is placed with a family member outside of San Francisco or outside of California, Grantee will continue to provide personalized assistance in coordinating the paperwork process and facilitating payments to child care providers in those locations.

Prior to FCS case closure, the Grantee's FCS Team Specialists will connect children with continued services through age five utilizing ELS-City, CalWORKs, CAPP, or other Title 5 funding.

Grantee will code FCS child care services for tracking between federal and non-federal services. HSA shall identify the status of the eligibility and case status and the Grantee will pay and bill according to the reported status.

f) Project 500

Grantee will offer early child care subsidy engagement services for all P500 families. Early engagement services include: introduction to the subsidy system, overview of the Quality Rating Improvement System, customized list of child care referrals and enrollment into one of our parenting workshops (such as Choosing Child Care).

Grantee will adminster Project 500 subsidies (State/Local) to ensure continuity of care and continually assess each family's eligibility for federal or state-funded programs to avoid any gaps in service. P500 Grantee will also collaborate with P500 Mobility Mentors and CalWORKs Case Managers to ensure successful child care placements and provide any updates to parents' participation.

2) Local Child Care Subsidy Adminsitration

Early Learning Scholarships

Grantee will administer local Early Leanring Scholarsip child care subsidy programs in partnership with the second Grantee also administering local child care subsidies. Grantee will closely coordinate services and seamlessly integrate data and reporting with the second Grantee.

a) ELS-City

Grantee wil administer both ELS-City reserved slots and vouchers. For reserved slots, Grantee will assist ELS providers in selecting the highest-priority Target Population families from SF3C using the Grantee's "best fit match" process. For ELS-City vouchers, Grantee will use monthly projections to determine the amount of funding

available and enroll families accordingly of off SF3C following CDE priority enrollment policies. Grantee will fill all ELS-City voucher and reserved slots following OECE specific protocals, which are subject to change over time.

When a family is selected for an ELS-City subsidy, Grantee will screen them for eligibility for other state-/federally-funded subsidy programs (such as CalWORKs) and conduct an in-depth phone interview to update eligibility and need information. If a family has been selected for a reserved slot, Grantee will describe the slot available and confirm that it is a good match for the family. Grantee will connect with the family to better understand their unique needs and will set up a certification appointment, at which point their income and details of their approved activity (or other categorical status) will be recorded. If the family has been selected for an ELS-City voucher (non-reserved slot), Grantee will help them identify ELS providers with vacancies that will meet their needs. Through annual recertification meetings and more frequent touchpoints depending on the needs of each family, the Specialist will develop a deep understanding of the family's circumstances, including goals for their children, guiding them on their journey through the early education system and enrollment in elementary school.

Grantee will facilitate a seamless process to transfer families currently receiving an existing City voucher to ELS-City. Grantee will review all providers caring for existing City subsidized children to determine whether they are a qualified ELS provider. Grantee will inform all Target Population families using ELS providers that their voucher now extends until age five. For non-Target Population families in similar circumstances the Grantee will work with OECE to determine the required eligiblity redetermination schedules and for families who can non longer demonstrate a "need" for service - ensuring continuity until the end of the program year. (Grantee will continue to serve these families per the approach described above.) Grantee will work with OECE to determine policies for existing City subsidized families using non-qualified ELS providers, including transferring them to ELS providers with vacancies.

Coordination with Homeless Child Care Case Management Grantee

For homeless families receiving ELS-City subsidies the Grantee will analyze and recommend enrollments, provide child care referrals, and pay providers. Grantee will maintain regular communication around trends in families' ability to secure child care and have quarterly collaborative meetings to stay abreast of the latest information from the existing Homeless Child Care Case Management Services Grantee (currently Compass Family Services) and other community partners working to end homelessness. The Grantee will continue to build on this relationship to ensure that homeless families receive priority for child care services in the ELS system and are matched with an open child care slot that meets their needs. Any changes in attendance reporting will be quickly communicated to the Homeless Child Care Case Management Services Grantee so they can immediately identify any changes in the family's circumstances or barriers to child care, to ensure continuity of services whenever possible.

b) ELS-Bridge

Grantee will work directly with OECE staff to ensure families who lose eligibility for state subsidy programs can maintain continuity of care in quality-linked ELS programs that support their child's development. Grantee will work with Title 5 and other

providers serving state subsidized families to understand and gather the details of the original child care authorization, including child and family information, subsidy program and termination date. Grantee will review information to ensure the family is not eligible for any other state or federal subsidy and will communicate that information with OECE who will determine and approve ELS-Bridge eligibility.

Grantee, for all ELS-Bridge approved families, will review the benefits and requirements of the program, and, when needed, assist families in finding care at quality ELS sites that meet their children's specific needs. Family and child data will be tracked through the subsidy data system (CC3) with ELS-Bridge payments issued monthly in conjunction with sites' other voucher payments. Upon enrollment in ELS-Bridge, families will also be registered on SF3C to be eligible for state- or federally-subsidized slots that become available.

Non-target population families will be eligible for the ELS-Bridge program through the end of the program year. Target population children in ELS-Bridge will be eligible for continuity of care through entry into kindergarten. Grantee will closely track all reasons that families lose subsidy eligibility, with increased attention on those who fall out of eligibility at recertification. ELS-Bridge approval may end if a family dis-enrolls from an ELS approved program, is determined to be eligible for a state- or federally-funded program or the child reaches kindergarten age.

For all families in ELS-City and ELS-Bridge, Grantee will rescreen at least annually for federal- or state-subsidy-eligibility, including CalWORKs, CAPP and other state voucher programs. The frequency of the review will be determined based on the original program and reason for loss of eligibility. If a family is eligible for CalWORKs Stage 1, Grantee will ask the family to request a child care authorization from their Employment Specialist and enroll them in CalWORKs child care. If they are eligible for CalWORKs Stage 2, Grantee will certify their need and eligibility per state regulations and enroll them in CalWORKs Stage 2. If they are eligible for CAPP or other state voucher program, Grantee will register them on SF3C, indicating in their Family Profile that they are eligible and waiting for a voucher. Enrollment in state voucher programs will provide continuity of care beyond age five for eligible children.

c) ELS-Gap

Grantee will calculate and administer ELS-Gap funding for alll Title 5 contractors, state vouchers and Early Head Start/Head Start. ELS-Gap payments will be made directly to child care providers, calculated based on enrollment documented through the city's child enrollment data system (currently Cocoa) with verification of vouchers through the subsidy voucher database (CC3). Child enrollment data with specific funding types, hours, rates and attendance will be pulled from the system with the rates for each child compared to the applicable ELS Center or ELS Family Child Care (FCC) Tier 3 rate, as specified by OECE, and adjusted by the Child and Adult Food Program rate. The ELS-Gap payment will be adjusted for changes in the base rate paid by state or federal subsidies. To streamline support and reporting, the calculation and distribution of ELS-Gap payments will follow the periodicity of the ELS-Preschool for All (PFAPayments will be calculated and reconciled monthly based on actual enrollment reported in the online enrollment and subsidy data systems. In conjunction with OECE and ELS Center

sites, Grantee will explore the possibility of adjusting the payment schedule for Centers from quarterly to monthly if it is determined that this change is an improvement (balancing the cash flow and workload of Center Grantee with the reporting needs of the program).

d) Preschool For All

Grantee will adopt the existing model use by OECE to administer PFA. The Tuition Credit and Enhancement will be calculated based on predetermined PFA rates. The PFA rate formulas are based on the PFA classroom's lead teacher Child Development Permit Level and Tuition Credit rate formula. Payments will be calculated and reconciled monthly based on actual enrollment reported in the online enrollment data system. As the PFA program evolves, Grantee will work with OECE to adjust the funding formula and determine the most efficient and least disruptive method for managing provider payments.

e) QRIS Block Grant for Title 5 and Non-Title 5 Providers

In coordination with OECE, Children's Council will calculate and distribute, annually, the Quality Rating Improvement System (QRIS) Block Grant awards based on the locally-established funding formula to support eligible ELS sites who are rated at Tier 4 and 5. Individual payments will be based on sites' annual peak enrollment and funding type, as reported through the city's child enrollment data system, and will be distributed in the spring of each year. As needed, state and local QRIS Block Grants will be tracked and reported separately to OECE.

f) Other General Subsidy Adminstration Services

Grantee will provide the following:

- a) Issue all State child care Notices of Action regarding changes in eligibility. All families will be given reasonable notice of action as required by State regulation.
- b) Fingerprint (using the TrustLine system) all license-exempt care providers, including related license-exempt caretakers in accordance with State law. No child care payment shall be made until the provider is criminally cleared throught the TrustLine process and all retroactive TrustLine clearance timelimits shall be administered in accordance with State policy.
- c) Ensure there are signed confidentiality agreements for all of its staff and members of collaborating agencies' staff that have access to information and eligibility for CalWORKs, ACCESS or FCS protective service status information of HSA's clients and former clients.
- d) In the event of a declared emergency, staff may be engaged as part of the city's response to the disaster/declared emergency. Grantee agrees to ensure staff receive city Emergency Response training, to be planned and delivered in coordination with the HSA Emergency Response Coordinator.
- e) Monitor child care subsidy eligibility, authorization, and utilization as prescribed by CDE policies and procedures in addition to any Alternative Payment Monitoring Unit (APMU) auditing standards and recommended best practices. Monitor compliance internally utilizing state procedures for compliance monitoring in order to maintain grant performance within state error rate level.

B) Child Care Resource and Referral Services

Grantee will provide the following Child Care Resource and Referral services:

- 1. As a California Department of Education and Office of Early Care and Education (OECE) funded Child Care Resource and Referral (R&R) program, Children's Council of San Francisco will continue to develop in partnership with OECE and the other citywide Child Care Resource and Referral Agency, Wu Yee Children's Services, coordinated strategies to deliver R&R services through an integrated citywide system that is responsive to providers and families pertaining to the integrated services grant. OECE recognizes Children's Council's unique organizational culture, agency vision and strategic plan when delivering on this partnership. Grantee will provide experienced and/or well trained staff to help parents navigate, understand, and pay for subsidized child care, and offer one-on-one counseling that helps families understand their options and connect to child care that fits their needs, as well as other community resources.
- 2. Grantee will provide R&R services in multiple languages (English, Spanish, Cantonese, Mandarin, Vietnamese, Portuguese, Sign Language and more) via phone, in-person non-appointment visits, and by email Monday through Friday. Self-service referrals will be available 24/7 through the Online Child Care Finder.
- 3. Grantee will prioritize more intensive services for target population families. Target Population families will receive the following services:
 - Family Profiles: Staff will help all low-income families articulate preferences for care setting, which will facilitate matches with subsidized care openings.
 - **Follow-Through Support:** Case management approach with Target Population will encourage follow-up on next steps, identifying barriers, refining Family Profiles and connecting families to community resources.
 - Post-Placement Follow-Up: Communication 30 and 180 days after enrollment will
 ensure placement is a good fit, gathering feedback on child care search experience,
 and connecting families to community resources as they need them.
- 4. Grantee will provide other vital supports to all families seeking R&R services which include:
 - Intentional Outreach: Research-informed, comprehensive outreach approach will maximize engagement of target population families.
 - Real-Time Vacancies: Enhanced relationships with providers, modernized database and connectivity with enrollment databases will give staff real-time vacancy information, which, paired with Family Profiles, will enable "Best Fit" referrals.
 - Weekly Opt-In Text Messages: "Bite-sized" child engagement ideas, information on playgroups, support groups and workshops at Children's Council and tips on choosing care will increase understanding of quality care, support child development and keep families engaged.
 - Shared Database: Shared data sets the stage for systems integration, reduced duplication, increased fiscal leveraging and greater family success.

5. Multi-Tiered Approach

Grantee will develop and implement a new multi-tiered approach to R&R services that prioritizes more intensive services for target population families, including more comprehensive counseling, referral and follow-up.

i.) Tier 1: All Families, Regardless of Income:

Any interested family, regardless of income, will receive the standard R&R counseling and referral services, which includes information on the types, costs and options for care, information on quality indicators, assistance structuring a child care search and creating a search profile, an overview of supports the Grantee provides related to child development and parenting, and referrals to providers. Working in partnership with OECE and providers, Grantee will provide real-time vacancy information, which will improve the utility of the referrals.

Grantee will engage families while they are searching for child care via a new service available to all families (Tier 1, 2 or 3). Families will be invited to opt-into weekly text/emails on easy child engagement activities, information on playgroups, support groups and workshops offered at the Grantee's offices and tips on choosing quality child care. This regular communication is designed to break down information into manageable pieces, increase understanding of quality care, support child development and keep families engaged with supportive services.

Grantee will screen all families for need for assistance paying for child care. If a family self-identifies as low-income, Grantee will screen them for subsidy eligibility under federal, state or city programs. If they meet the eligibility guidelines for these programs, they will automatically receive Tier 2 services.

ii.) Tier 2: Low-Income Families

Grantee will screen families for subsidy eligibility and explain subsidy options and timelines. As a new service, staff will work with all families to develop Family Profiles, which will help them articulate their preferences for care, rank the importance of those preferences, and facilitate better matches with subsidized care. Grantee will also explain the subsidy enrollment process and documentation they will need to provide to secure enrollment when a subsidized child care slot becomes available for them.

For families who are categorically-eligible for a voucher (e.g., CalWORKs), Grantee will counsel them on their options: (a) select a licensed or license-exempt provider of their choice (whom they may have already identified), (b) receive R&R referrals for any licensed provider, or (c) select (and, in some cases, wait for) an ELS provider. (Such families may also concurrently choose more than one option, e.g., place their child with a friend or relative while they wait for an ELS provider.) Regardless of their choice, these families will be tracked through the matching and placement system, so that we have a complete picture of the subsidized child care landscape. Grantee will continue to refer CalWORKs Stage 1-eligible families to the Human Services Agency (HSA) for enrollment in the CalWORKs program and will secure authorization for CalWORKs Stage 2 families from HSA on behalf of families.

All Tier 2 (and Tier 3) families will be screened for other service needs and be referred to community resources (see *Linking Target Population to Services*, below). If family is identified as part of a target population, they will receive additional Tier 3 services, based on their needs.

iii.) Tier 3a: Families of Children with Special Needs

Grantee will identify families with children with special needs for referral to Grantee's child care inclusion specialists. Inclusion specialists will meet with the family, understand the family's and child's needs, help identify providers that are best equipped to support the needs of their child, and complete the Family Profile. Grantee will provide referral services which includes contacting providers on behalf of families, visiting providers with families and assessing fit, on an as needed basis. Grantee will maintain linkages with other service providers, such as Support for Families with Disabilities, and refer families to them as needed.

iv.) Tier 3b: CPS/At-Risk Families

Grantee will explain services, provide counseling on child care options and share information on child development, quality care and parenting supports. They will provide enhanced referrals, which include calling providers on behalf of families and assessing fit. Grantee will maintain these relationships with families over time, so that if/when child care authorization ends, they will connect families to alternative subsidies. For At-Risk families, staff will ensure they are prioritized on the SF3C wait list.

v.) Tier 3c: Homeless

Grantee will add ACCESS-eligible families to the waiting list (SF3C) and then provide families a "warm handoff" to the Homeless Child Care Case Management Services Grantee (currently Compass Family Services) to work with the family on subsidy enrollment and provide additional resources through their various homeless support programs. If/when the family is approved for care, Grantee will provide ACCESS Homeless Child Care Case Management staff with "Best Fit" child care referrals (based on matching Family Profiles to ELS provider vacancies) and follow-up with staff weekly until the child has a placement.

vi.) Tier 3d:Low-Income A frican American and Latino Families, and English Language Learners

Grantee will provide an overview of child development, quality care and parenting supports. While families are waiting for care, Grantee will follow-up with them, initially weekly, then moving to bi-monthly, until the family secures a child care placement. The purpose of the follow-up is to answer questions, encourage families to follow-through on next steps, identify any barriers and refine Family Profiles. If/when families are selected by a provider with an open subsidized child care slot, Grantee will contact them and prescreen the family.

Tier 2 and Tier 3 families will also receive follow-up after their child is placed in care. To ensure placement is a good fit, staff will solicit feedback on their search experience and continue to connect families to community resources when they are ready to use them. Grantee will contact families 30 and 180 days (and more frequently, if needed) after placement. In addition, Grantee will continue to engage with families at key points of

transition in their child's early education. Grantee will continue to reach out to families of rising academic three- and four-year-olds to prepare them for the transition to preschool. Similarly, Grantee will contact families of rising academic five-year-olds to share information about kindergarten enrollment, afterschool and summer care.

6. Responsive Counseling to Meet Target Population Needs

Grantee will provide culturally- and linguistically-responsive counseling to target population families in person, over the phone and via email. In addition, the robust information given to families during these one-on-one exchanges will also be available online and through Grantee's Child Care Finder, which is optimized for mobile phone usage. Grantee will continue to use text notification to let families know of potential child care slots that are available to them and, as noted above, expand the texting feature to offer opt-in weekly texts for families who wish to receive tips on choosing child care, child engagement ideas and activities, and information regarding workshops and playgroups at Grantee's offices. Grantee will assess when, where and what types of services Target Population families need and want, and adjust its operating hours and consider satellite locations, as necessary. Grantee will also explore the costs and feasibility of developing an online chat feature to maximize responsiveness to families.

7. Linking Target Population to Services

Grantee's child care Resources and Referral services will include four dimensions: (1) maximizing engagement of targeted families, (2) preparing families for the child care search experience, (3) connecting families to providers that meet their needs, and (4) identifying social service needs and connecting families to community resources.

i.) Target Population Outreach Strategy

Grantee will maximize its engagement of target population families. Grantee will work with OECE to develop a comprehensive community engagement plan that leverages partnerships and includes multiple communication strategies to reach our target population efficiently, while raising awareness of Grantee's services and supports to families.

Grantee will work with community-based organizations that work with the target population (e.g., neighborhood clinics and hospitals, family resource centers, recreation centers and parks, churches, Women Infant Children Clinics, San Francisco Public Library, etc.) so they have child care information on-hand and knowledgeable staff who know how to refer families to the Grantee for more information about child care, assistance in finding child care and support in connecting to child care subsidies.

Grantee will identify and build relationships with strategic partners who have natural touchpoints with the target populations. Once partners are identified, Grantee will engage in a brief research phase and conduct focus groups with members of the target population to learn about their preferred methods of receiving information. This process will inform decision-making on which communication tools Grantee uses to reach specific demographic groups. OECE will utilize a variety of outreach strategies including text-messaging, email, social media and direct mail campaigns to specific neighborhoods. Additionally, Grantee will explore the cost-effectiveness of targeted print/digital/outdoor

advertising to determine a return-on-investment for outreaching to the Target Populations.

ii.) Co-Location at Human Services Agency (HSA) Sites

Grantee's Resource & Referral (R&R) staff will utilize co-location at HSA to address several dimensions of linking target population families to services: (1) maximizing engagement with target population families, (2) preparing them for the child care search experience, and (3) supporting families' ability to meet their basic needs. Stationed at a help-desk located at 170 Otis Street, Grantee's staff will provide counseling and child care R&R services, pre-screen non-CalWORKs clients for alternative child care subsidies and distribute diapers as part of the San Francisco Diaper Bank program. If client is identified as part of the target population, Grantee's staff will provide the services and follow-up as detailed in Multi-Tiered Services Approach above.

Grantee will share responsibility for co-location with other Early Care and Education Integrated Services Grantee (Wu Yee Children Services). In collaboration with HSA and OECE, we will explore ways to increase awareness and use of R&R services at the help desk. Grantee will also explore the feasibility and utility of offering R&R services and/or group presentations about R&R services at additional HSA locations.

iii.) Engaging Families Who Sign-Up for SF3C Online and Through Community Partners
Grantee will proactively reach out to any low-income families who self-apply online for
the subsidized child care wait list (SF3C), as well as to any families who are added by a
community partner (excluding those added by Wu Yee Children's Services). The purpose
of the outreach is to ensure that the family has a complete Family Profile with the
Grantee and address any questions or concerns and connect the family to the full range of
services available through the Grantee.

iv.) Linking Families with Child Care Providers

Grantee will collect real-time vacancy information. This information will enable Grantee to offer target population and other low-income families "Best Fit" referrals, which match Family Profile preferences with profiles of open child care slots.

v.) Linking Families to Social Services and Community Resources

Through the Grantee's Family Profile development process, Grantee will build a deep understanding of each family. In addition to capturing their preferences for child care, Grantee will also provide an opportunity to discuss goals for their children, the early and elementary education journey, and barriers to self-sufficiency.

Grantee will leverage SFFSN and FES resources to ensure Grantee's staff has current information on community including Family Resource Centers across the city, as well as neighborhood-specific and population-specific multi-service agencies, such as Mission Economic Development Agency's *Mission Promise Neighborhood*, Support for Families of Children with Disabilities, and Compass Family Services.

During R&R counseling and follow-up, as well as during the intake process conducted by Grantee's Subsidy Specialists, Grantee will identify additional needs and community resources available to address those needs. Grantee will track the types of resources

shared with families and use that data to ensure Grantee's staff are equipped with appropriate information. Grantee will continue to strengthen its referral, "warm handoff" and case-communication system for families needing linkages to community resources.

8. Leveraging Technology to Serve Families

a) Shared, Integration-Friendly Database

Grantee will work with OECE and Wu Yee Children's Services to create a shared database for use by both local R&R agencies and OECE, and will have the capacity to link with other relevant ECE databases, such as Cocoa, CC3 and SF3C. The focus of the effort will be on a shared R&R system across the two R&R organizations, with agreed upon provider data and data fields shared into a cloud based system for all licensed providers in San Francisco. Grantee will actively participate in conversations with OECE, Wu Yee Children's Services and Child Care Aware of America (CCAoA) to define roles, responsibilities and best approach to improve efficiency in a collaborative environment. As part of this process Grantee will develop protocols to share responsibility for provider profile updates in order to reduce duplication of effort and increase information sharing.

b) Housing and Leveraging Family Profiles

Grantee's transitioning to NDS software will enable it to house data for new Family Profiles, which will include, at minimum, the age of children, parents' parameters for acceptable care, preferred communication methods, demographic data and interactions with staff during all phases of relationship—from initial counseling to follow-through and post-placement follow-up. Grantee will work with OECE to develop a technology-driven algorithm that will automate the subsidized matching and placement system. The algorithm will automatically pull data from Family Profiles and from open subsidized "Slot Profiles" to generate "Best Fit" matches, which will increase the success and speed of the subsidized child care matching and placement system. Until that algorithm is developed Grantee will utilize lower-tech options (e.g., Excel spreadsheets), as well as knowledge of and relationships with providers to achieve what an automated system will accomplish in the future.

c) Online Information on Paying for Care

Grantee will provide robust, user-friendly online information about the types of financial support available to pay for child care. Grantee will develop new content and approaches for displaying the information. Grantee will develop a series of clear, informative webpages to help families determine their child care eligibility. Based on families' feedback using the online service, Grantee will investigate feasibility and cost of developing a more robust subsidy calculator that includes information on the subsidies families are eligible for and the dollar amount of those subsidies.

9. Additional R&R Services: Back-Up Care, Rapid Response, First Aid Training
Grantee will preregister eligible families with Emergency Back-Up/Mildly Ill child care
services and connect families with Rapid Response child care, as needed. Grantee will
partner with Family Support Services of the Bay Area (FSSBA) to outreach to and share
their services with current and potential families at HSA locations, and will preregister
eligible families at intake and recertification. Grantee will maintain close communication
with FSSBA to identify potential families eligible for service through CalWORKs.
Grantee will also provide support to families in Rapid Response by sending families

curated lists of prescreened providers with openings that match their needs. In addition, Grantee will provide CPR and First Aid training to child care providers, in their home language and/or provide translation as needed.

10. Reporting and Feedback Loops

Grantee will generate monthly and ad hoc reports for OECE about the populations accessing services, types of services utilized, frequency of service utilization, success of staff follow-up and other relevant data on the interactions with families through all modes of communication. Grantee will utilize its new R&R software, NDS, to generate reports that can be used to continuously improve services. In addition to using the above data to improve services, Grantee will also collect and track feedback from families during post-placement follow-up contact. Results from family feedback will be analyzed at least twice per year.

C. Help Desk

The Grantee will provide technical support to providers and staff in OECE-funded child care programs on their use of required data systems, including, but not limited to, trouble-shooting, orienting staff to the systems, demonstrating how the systems work, and explaining processes. The Grantee will maintain a team of qualified, expert staff, who are knowledgeable in the successful use of the child enrollment data system (currently Cocoa), and the online system to track staff roles, qualifications, and education (CA ECE Workforce Registry), and transmit that knowledge using a variety of strategies to providers and their staff. Help Desk support will be offered in Cantonese, Spanish and English.

1. Technical assistance (on-demand and on-site)

At a minimum, the Grantee will offer on-demand support via a dedicated phone line (with voicemail) and email on Mondays through Fridays from 8:30 am to 5 pm. In addition, the Grantee will schedule appointments with high-priority child care programs to deliver on-site technical assistance at the child care sites. OECE will manage the relationship with the vendors for each data system, ensure there is a User Guide for each system, and will provide quarterly trainings to all OECE-funded child care programs on the basics of the data systems.

2. Track and produce monthly data reports on technical assistance

The Grantee will track data on all technical assistance offered and produce monthly reports for OECE. The data to be tracked includes: names of staff and affiliated organization served, language, data system, brief description of issue, date of assistance requested, date of assistance delivered, whether on-site or not, a description of any follow-up if needed, and a description of any issues related to software or other issues beyond the scope of the Help Desk support. The Grantee will produce monthly reports on on-demand and on-site technical assistance services requested and delivered, per the description above.

3. Data analysis and entry of education documents

The Grantee will scan, upload, analyze and enter data from up to 800 educational documents (primarily transcripts) from staff in OECE-funded child care programs into applicable data systems. OECE or its designated partner will provide training and written guidance on the procedures for the data analysis and data entry process.

4. Engage in continuous improvement

The Grantee will seek ways to continuously improve the efficacy, efficiency, and user experience of the Help Desk services and will participate in quarterly meetings with OECE staff to share observations and reflections on the quality, timeliness, and effectiveness of the Help Desk services, and ideas about how to improve child care programs' understanding of the data systems, enhance data integrity, and improve the data systems and related processes. The Grantee will work with OECE to develop and improveme provider support materials.

V. LOCATION OF SERVICES:

Grantee shall operate at 445 Church Street, San Francisco, California 94114.

Education funds CAPP which serves low-income families and CalWORKs Stages 2 and 3 which serves former CalWORKs aided families). Certain subsidy programs may also serve children 0 through 12 years of age. Grantee will provide case managed families with ongoing support and regular check-ins as family circumstances may change or their experiences over time with an early education provider may provide the Grantee with important information to better assist the family with their developing needs and circumstances. Grantee will record case notes for every case managed family interaction to ensure they capture detailed information regarding the family's situation, needs, and recommended next steps..
 - Family Choice & Fiscal Leveraging: Grantee will balance family choice and fiscal leveraging. On one hand, Grantee will counsel families on all applicable subsidized care options, emphasizing the importance of quality. Likewise, at certification, Grantee will screen families for state/federal subsidies to attempt to use those funds to support families, whenever possible.
 - Family Support: Continuity of Care is a key component of the Office of Early Care & Education's design of programs and policies that support families' and children's consistent engagement in quality early learning experiences. If a family loses a state or federal subsidy, Grantee will work with OECE to enroll children in an ELS-Voucher. Grantee will closely track the reasons families lose state or federal subsidy eligibility, with increased attention on those who fall out of eligibility at recertification.
 - **High Quality Services Experience:** Grantee will continue to streamline all aspects of subsidy system administration and service delivery, with a focus on improving the experience for families and child care providers, taking full advantage of the latitude allowed by state programs. For locally-funded programs, Grantee will work to simplify what and how parents must report, helping families maintain their ECE services and improving continuity of care. Grantee will also explore improvements in systems administration such as online provider reporting, automating child eligibility screening and enrollment, and attendance tracking that could then be linked to payment calculation, billing and reporting.
 - Emergency Back-Up and Rapid Response Care: Grantee will promote and preregister eligible families with Emergency Back-Up/Mildly Ill child care services and connect families

with Rapid Response (now called SWAT) child care, as needed. Grantee will partner with Family Support Services (FSS) to outreach to and share their services with current and potential families at HSA locations, and will preregister eligible families at intake and recertification. Grantee will maintain close communication with FSS to identify potential families eligible for service through CalWORKs. Grantee will also provide support to families in Rapid Response (now called SWAT) by sending families curated lists of prescreened providers with openings that match their needs.

- **First Aid Training:** Grantee will provide CPR and First Aid training to child care providers, in their home language and/or provide translation as needed.
- State/Federal Child Care Subsidy Administration, including CalWORKs Stage 1, CalWORKs Stage 2, CAPP, FCS, and FaR; TrustLine backgound checks

Grantee will adhere to all federal, state and local program requirements, policies, and laws related to the administration of these programs. (Confidentiality requirements will be followed; however, state law permits the sharing of information between APs, R&Rs, Early Learning SF and Contractors for the purpose of administering CalWORKs child care.) child care services will be administered with the following program-specific considerations.

1. CalWORKs Stage 1

Building on information provided to families at their CalWORKs orientations, Grantee will conduct in-person or virtual intake appointments with all families referred to Grantee for CalWORKs Stage 1 subsidized child care, providing additional counseling about their child care options and establishing a relationship to provide ongoing personal assistance while they are receiving services. Grantee will communicate regularly with HSA CalWORKs Grantee as needed to ensure the highest level of service delivery.

2. CalWORKs Stage 2

Grantee will guide families through the transition from CalWORKs Stage 1 into CalWORKs Stage 2 using specific knowledge of the family's circumstances to provide tailored services. When families become certified for CalWORKs Stage 2, Grantee will provide ongoing services to help families maintain their eligibility—calculating changes in income and family fees, authorizing changes in child care when hours of activities change, requesting third-party documentation, etc.—and transitioning families into CalWORKs Stage 3 at the end of their Stage 2 eligibility period. Grantee will provide case management services over time to help families understand their child care options as their children grow, while connecting families to other community resources that can help them on their path toward self-sufficiency.

3. CAPP-HSA

Grantee will utilize monthly subsidy enrollment and expenditure projections to determine the number of CAPP enrollments needed each month to fully utilize the dollars available under the HSA state CAPP contract. When CAPP-HSA slots are available, Grantee will select families from the 1) FCS emergency Child Care Bridge, 2) FCS –CPS cases and 3) the San Francisco Waitlist in priority order, as determined by CDE, and use the Family

Profile to conduct "pre-screening" interviews, ensuring that all information is current, and as needed, informing parents about ELS options, including which providers have openings. Grantee will certify and enroll the family into the CAPP program and help them find a provider if they do not already have one. Once enrolled, Grantee will provide ongoing services to help families maintain their eligibility, including periodic recertifications in accordance with state rules. As with CalWORKs Stage 2 families, Grantee will provide case management services over time and connect families to other community resources that can help on their path toward self-sufficiency.

4. Continuity of Care for CalWORKs Stage 2 and CAPP

If a CalWORKs Stage 2 or CAPP family loses their eligibility, the Grantee will certify that the reason for losing eligibility could not be resolved per state regulations, and will work with OECE to determine eligibility for any child under five for an ELS-Voucher. If the family is determined to be eligible and funding is available for an ELS-Voucher, the Grantee will work to ensure the child's seamless transfer to an ELS-Voucher..

5. Family and Children's Services

Grantee's FCS child care navigator team will work to ensure families with an open San Francisco CPS case are successful in linking to local, state, and federally funded quality ECE child care programs.

 personalized assistance in coordinating the paperwork process and facilitating
 payments to child care providers in those locations.

- care program certifications, and developing a plan for long-term child care appropriate to the child's age and needs.
- Eligibility for navigator services shall not be contingent on a child's receipt of a child
 care payment or voucher. At least 6 months prior to FCS case closure or
 termination of Bridge Program funding, the Grantee's FCS child care navigators
 will connect eligible children with continued services through age five utilizing
 ELS-City, CalWORKs, CAPP, Head Start/Early Head Start or other Title 5
 funding.
- (3) Trauma-informed training and coaching: Grantee will develop a Logic Model for ECB-TIT to ensure that all childcare programs participating in the Bridge & FCS Programs will receive access to trauma-informed care training. The logic model will be reviewed at least once annually. Childcare providers will also receive access to coaching and be connected to community resources available to assist them in applying training curriculum and learn strategies for working with children in foster care.

Ms. Angela Calvillo Clerk of the Board of Supervisors City and County of San Francisco 401 Van Ness, Room 308 San Francisco, CA 94102

RE: Second Modification of the grant with Children's Council of San Francisco for

the provision of early care and education integrated services.

Dear Ms. Calvillo:

Enclosed for the Board of Supervisors' consideration and approval, please find a resolution, which will authorize a second modification of the grant between the City and County of San Francisco and Children's Council of San Francisco for the amount of \$17,680,287, resulting in a total contract not to exceed amount of \$393,732,732 for the period of July 1, 2017 to June 30, 2022.

The purpose of this modification is to provide for uninterrupted subsidized childcare services to families and children currently being served. These new funds will provide for additional early care and education vouchers. This is the final year for this grant. The Office of Early Care and Education (OECE) will re-procure these services for FY22/23.

Because this action involves modification of over \$500,000 to a contract which, taken in totality, exceeds \$10,000,000, the Department is requesting approval from the Board of Supervisors in accordance with the Administrative Code.

Attached please find a copy of the proposed resolution. Ingrid Mezquita, Director of OECE, (415-437-4649 or ingrid.mezquita@sfgov.org) can provide further information. Please calendar this item for the earliest meeting possible, as this is a time sensitive matter. Please notify Ingrid Mezquita with the date of introduction.

Thank you for your assistance.

We expect to open the Department of Early Childhood offices to staff and the community in early 2022. While renovations on our shared office space are underway, First 5 San Francisco and the Office of Early Care and Education staff continue to work remotely. As we chart our path, OECE and First 5 will still operate in the ways you have grown familiar with over the years. We remain an open resource to our community and will respond to all inquiries and requests as soon as possible.
