13 Be it ordained by the People of the City and County of San Francisco:

14 Section 1. Findings.

15 (a) There are approximately 23,600 veterans residing in the City and County of San  
16 Francisco (the “City”). This veteran population has been a cornerstone of this City for  
17 decades. Veterans have helped build the City and can be found today among the ranks of first  
18 responders and public safety workers. Veterans contribute to the economy and operate  
19 approximately 6,400 businesses in the City. Veterans have made significant professional and  
20 personal sacrifices to serve our community, the City, the State of California, and the United  
21 States, and such sacrifices make veterans specially deserving of recognition and respect.

22 (b) Veterans face many challenges when they come home and begin their  
23 reintegration back into society. Housing and employment for veterans are cornerstones of  
24 societal reintegration and are necessary to keep veterans out of poverty.

25 (c) Under United States Code, Title 5, Section 2108, veterans receive a preference  
for federal employment in recognition of the economic loss often suffered by veterans who

1 have served their country in uniform, to restore veterans to a favorable competitive position for  
2 employment, and to acknowledge the larger obligations owed to disabled veterans. The State  
3 of California and the City each implement employment preferences for veterans under  
4 California Government Code Sections 18791 et seq. and the City’s Civil Service Commission  
5 Rules 111.36 and 111.37, respectively. Further, under California Health & Safety Code  
6 Section 34322.2(b), veterans receive a preference for public housing units governed by public  
7 housing authorities. Housing programs for veterans, such as Veterans Affairs Supportive  
8 Housing (“VASH”) and the Veterans Affairs Home Loan (“VA Loan”), are critical in  
9 transitioning veterans back into civilian life.

10 (d) Nevertheless, many veterans have slipped into poverty and are at risk of  
11 homelessness when either affordable housing or employment is not available. According to  
12 the California Research Bureau, the City has the sixth highest number of homeless veterans  
13 in California. Per the 2019 San Francisco Point in Time Count Survey (the “Survey”), it is  
14 estimated that in the City at that time there were 600 chronically homeless veterans in the  
15 City, amounting to 9% of the chronically homeless. Of the 600 chronically homeless veterans,  
16 most were members of minority groups: 33% were Black, 23% multi-racial, 20% Hispanic or  
17 Latinx, 6% Asian, and 2% Hawaiian or Pacific Islander. The top reasons cited in the Survey  
18 for chronically homeless veterans in San Francisco include: loss of employment (22%),  
19 alcohol or drug abuse (19%), eviction (12%), medical problem or mental illness (10%), and  
20 incarceration (8%). According to the “State of the American Citizen: the San Francisco  
21 Veterans Study” in 2017 by the USC Suzanne Dworak-Peck School of Social Work Center for  
22 Innovation and Research on Veterans & Military Families, over 40% of post-9/11 veterans in  
23 the City reported being homeless in the previous year and 40% of post-9/11 veterans in the  
24 City reported concerns about having housing in the next two months.

25 ///

1 (e) According to data from 2018 Integrated Public Use Microdata Series, 5,285 or  
2 19.99% of San Francisco veterans were at or below 30% of the San Francisco area median  
3 income (“AMI”), 4,584 or 17.34% of San Francisco veterans were at 30% to 50% of AMI, and  
4 11,064 or 41.86% of San Francisco veterans were at 50% to 80% of AMI.

5 (f) According to the October 2021 Apartment List Rent Report, a median two-  
6 bedroom unit in San Francisco rents for \$2,815 per month at market rates. At that cost, a  
7 three-person veteran household at 80% of AMI would pay 35% of income toward market rate  
8 rent, but a veteran household at 50% of AMI would pay 56% of income toward market rate  
9 rent. According to Zillow Data through August 31, 2021, the typical home value in San  
10 Francisco is \$1,504,311. At that price, veteran households earning up to 80% of AMI cannot  
11 obtain a mortgage to purchase a market rate home without significantly more financial  
12 assistance than is currently available.

13 (g) Existing rental housing programs for veterans, such as public housing and  
14 VASH, are only available to veterans earning up to 50% of AMI. Many veterans with income  
15 above 50% of AMI who are not eligible for such rental programs are rent-burdened by paying  
16 more than 30% of income for rent and are at risk of homelessness. In addition, because of  
17 limitations under the VA Loan program and price restrictions under the City’s affordable  
18 housing programs, veterans are unable to utilize the VA Loan for the City’s below market rate  
19 homeownership programs.

20 (h) Under Administrative Code Chapter 47, the Mayor’s Office of Housing and  
21 Community Development (“MOHCD”) administers preferences for certain eligible households  
22 to occupy affordable housing under the City’s affordable housing programs. Many below  
23 market rate units under the City’s affordable housing programs are rented to households who  
24 earn between 50% to 80% of AMI. Prioritizing eligible veterans who qualify for an existing  
25 housing preference in the City’s affordable housing programs could support low-income

1 veterans (50% to 80% of AMI) transitioning into stable housing and economic self-sufficiency  
2 and mitigate the risk of homelessness faced by many veterans in San Francisco.

3  
4 Section 2. Disparate Impact Analysis and Report.

5 (a) By no later than February 28, 2022, MOHCD shall complete an analysis of the  
6 disparate impact and any discriminatory effect under fair housing laws of granting a priority for  
7 Veterans eligible for a preference under Administrative Code Section 47.3 to occupy  
8 affordable housing over other applicants with the same preference (“Veterans Priority”), and  
9 shall deliver such disparate impact analysis to the Board of Supervisors for review and study  
10 of an amendment to Administrative Code Chapter 47 to add the Veterans Priority.

11 (b) For purposes of this Section 2, “Veteran” means any person who (1) served in  
12 the active military, naval, or air service of the United States, and was discharged or released  
13 therefrom under conditions other than dishonorable, and (2) is recognized by the United  
14 States Department of Veterans Affairs to receive or qualify for benefits or assistance.

15  
16 Section 3. Effective Date. This ordinance shall become effective 30 days after  
17 enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the  
18 ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board  
19 of Supervisors overrides the Mayor’s veto of the ordinance.
