Charter, HSH is committed to entering into an agreement with ECS to operate the Project as permanent supportive housing for formerly homeless individuals. The Project is located at 1000 Sutter Street, a 232-unit single-room occupancy (SRO) hotel. Eighty units are currently occupied by low-income individuals, primarily reliant on short-term rental subsidy vouchers, who ECS will income-certify to establish their status as at-risk of homelessness; 152 units are vacant. ECS and the City agree to restrict the property for at least 55 years to provide affordable housing and to serve households who are homeless, at risk of homelessness and also impacted by COVID-19. It is HSH's intention to provide funding for operating costs and supportive services attributable to the Project. Operating and services funding is estimated at \$1,400 per unit per month for up to 232 units, and available units are prioritized for homeless individuals referred through San Francisco's Coordinated Entry System. <input type="checkbox"/>	<p>Air Quality: Would the project add new sensitive receptors (specifically, schools, day care facilities, hospitals, residential dwellings, and senior-care facilities within an Air Pollution Exposure Zone? <input type="checkbox"/>	<p>Archeological Resources: Would the project result in soil disturbance/modification greater than two (2) feet below grade in an archeological sensitive area or eight (8) feet in a non -archeological sensitive area? If yes, archeo review is required (refer to EP_ArcMap > CEQA Catex Determination Layers > Archeological Sensitive Area)</p>

Full Project Description

SF Homekey - the City and County of San Francisco and Episcopal Community Services (ECS), as co-applicants, receiving state Homekey funding for the purchase of the Granada Hotel, and subject to the budget and fiscal provisions of the S.F. Charter, HSH is committed to entering into an agreement with ECS to operate the Project as permanent supportive housing for formerly homeless individuals. ECS and the City agree to restrict the property for at least 55 years to provide affordable housing and to serve households who are homeless, at risk of homelessness and also impacted by COVID-19.

It is HSH's intention to provide funding for operating costs and supportive services attributable to the Project. Operating and services funding is estimated at \$1,400 per unit per month for up to 232 units, and available units are prioritized for homeless individuals referred through San Francisco's Coordinated Entry System. With the financial support of the City, ECS plans to provide on-site support services that include intensive case management; individual health and wellness plans, which may include substance use disorder treatment and/or behavioral health services; and financial assistance, including help with benefit programs and entitlements; and job-readiness, vocational, occupational, and educational training.

The San Francisco Department of Public Health and CDC have issued health advisories, identifying homeless people among those at increased risk for COVID-19 and requiring additional support to prevent COVID infection and transmission within the community. To mitigate the spread of COVID-19 among its homeless population, the city has booked 2,600 hotel rooms on temporary basis. The city has an emergency need to secure new permanent housing to ensure no one exits to the street. The applicants' proposal meets this need by completing the acquisition by 12/30/20 and leasing up within 90 days.

STEP 7: MODIFICATION OF A CEQA EXEMPT PROJECT

TO BE COMPLETED BY PROJECT PLANNER

In accordance with Chapter 31 of the San Francisco Administrative Code, when a California Environmental Quality Act (CEQA) exempt project changes after the Approval Action and requires a subsequent approval, the Environmental Review Officer (or his or her designee) must determine whether the proposed change constitutes a substantial modification of that project. This checklist shall be used to determine whether the proposed changes to the approved project would constitute a "substantial modification" and, therefore, be subject to additional environmental review pursuant to CEQA.

MODIFIED PROJECT DESCRIPTION

Modified Project Description:

DETERMINATION IF PROJECT CONSTITUTES SUBSTANTIAL MODIFICATION

Compared to the approved project, would the modified project:

- | | |
|--------------------------|--|
| <input type="checkbox"/> | Result in expansion of the building envelope, as defined in the Planning Code; |
| <input type="checkbox"/> | Result in the change of use that would require public notice under Planning Code Sections 311 or 312; |
| <input type="checkbox"/> | Result in demolition as defined under Planning Code Section 317 or 19005(f)? |
| <input type="checkbox"/> | Is any information being presented that was not known and could not have been known at the time of the original determination, that shows the originally approved project may no longer qualify for the exemption? |

If at least one of the above boxes is checked, further environmental review is required.

DETERMINATION OF NO SUBSTANTIAL MODIFICATION

- | | |
|--------------------------|---|
| <input type="checkbox"/> | The proposed modification would not result in any of the above changes. |
|--------------------------|---|

If this box is checked, the proposed modifications are categorically exempt under CEQA, in accordance with prior project approval and no additional environmental review is required. This determination shall be posted on the Planning Department website and office and mailed to the applicant, City approving entities, and anyone requesting written notice. In accordance with Chapter 31, Sec 31.08j of the San Francisco Administrative Code, an appeal of this determination can be filed within 10 days of posting of this determination.
