Subject: Categorical Exemption under the California Environmental Quality Act for the San Francisco International Airport Plot 700 Development Project

Dear Ms. Calvillo:

As required in Ordinance No. 64-14, I am forwarding for Board of Supervisors' affirmation a Categorical Exemption under the California Environmental Quality Act (CEQA) for the San Francisco International Airport Plot 700 Development Project.

On April 29, 2014, the San Francisco Board of Supervisors passed Ordinance No. 64-14 appropriating \$1,969,830,773 of proceeds from the sale of bonds for capital improvement projects to the Airport Commission for FY2013-2014, placing \$30,204,929 of the appropriation for the Plot 700 Development Project on Budget and Finance Committee reserve pending approval by the Board of Supervisors of the CEQA findings for this project. On September 26, 2014, the San Francisco Planning Department – Environmental Planning Division issued a Categorical Exemption under CEQA for the San Francisco International Airport Plot 700 Development Project. The Airport seeks Board of Supervisors' affirmation of the Categorical Exemption issued for the Plot 700 Development Project and release by the Budget and Finance Committee of the \$30,204,929 on reserve for the Plot 700 Development Project.

Two sets of the following documents are enclosed for review:

- Proposed Board of Supervisors Resolution;
- Approved Board of Supervisors Ordinance No. 14-64;
- Approved Airport Commission Resolution No. 14-0236;
- San Francisco Planning Department – Environmental Planning Division CEQA Categorical Exemption Determination for Plot 700 Project; and
- SFO's request for a CEQA Categorical Exemption from the San Francisco Planning Department – Environmental Planning Division for the Plot 700 Project

Please contact Cathy Widener, Airport Government Affairs Manager at (650) 821-5023 if you have any questions or concerns regarding this matter.

Very truly yours,
