Statement of Qualifications

On behalf of ECS, I have served on the FSTF since 2011, and attended meetings since 2010.

ECS welcomes the opportunity to continue to bring the experience of its participants/tenants to the Food Security Task Force. ECS serves meals to its 526 shelter residents, and to seniors through its congregate meals program, as well as hosts food pantry and full-meal programs for the tenants in its permanent supportive housing programs. ECS also operates the CHEFS (Conquering Homelessness through Employment in Food Services) program – a culinary training program for unhoused people preparing to enter the food services industry.

In addition to work with ECS, I also have experience in food/nutrition issues as effect people who are unhoused or formerly homeless through my work as Managing Attorney of HomeBase, a nonprofit law and policy firm. HomeBase provided technical assistance through HUD in California, Nevada and Arizona to groups of government and nonprofit agencies to increase food stamp access by people who are homeless. I also have served on the Board of Directors of St. Anthony Foundation, the Tenderloin Neighborhood Development Corporation and the Gubbio Project and through that work have learned of the food and nutritional needs and challenges of the people those agencies serve.

Business and/or Professional experience:

- Associate Director, Episcopal Community Services of San Francisco (2008-present)
- Managing Attorney, HomeBase, The Center for Common Concerns, San Francisco (2000-2008)

Civic Activities:

- Chair of the Board of Directors, The Gubbio Project, San Francisco
- Member, Personnel Committee of the Board of Directors, and Member, Emeritus Board of Directors, St. Anthony's, San Francisco

Teresa Olle

Qualifications:

The mission of the San Francisco and Marin Food Banks is to end hunger in San Francisco and Marin. The core of our work is distributing food to those in need: over 45 million pounds of food each year through our extensive food pantry network (over 200 farmers' market-style pantries each week in San Francisco) and through partnerships with over 450 organizations that utilize food in their programs for low-income San Franciscans. Taken as a whole, we touch the lives of over 100,000 people every week, in every corner of the city and of every demographic, through food. Our policy and advocacy work centers around strengthening the aspects of the safety net that are – or should be – the collective responsibility of a compassionate society, namely effective, efficient and well-funded public assistance programs.
