

901 Rankin Street Building Overview

September 5, 2014

The San Francisco Market Corporation, a California non-profit is Project Sponsor for the new building at 901 Rankin Street. The Project entails the construction of a new 85,000 square foot warehouse and distribution facility. This facility, located on an approximately 3.5 acre site, and is the first phase of the reconstruction of the San Francisco Wholesale Produce Market (Market). The building is comprised of warehouse and accessory office space, as well as an associate marshalling yard. At the Project's completion it will be LEED Gold Certified and will become a corner stone of the Market's reconstruction. The 901 Rankin Street Building is projected to provide 150 permanent jobs, and has provided more than 50 full-time equivalent construction jobs over the construction period to date.
