Pursuant to Charter, Section 4.101(a)(1), please state how your qualifications represent the communities of interest, neighborhoods, and the diversity in ethnicity, race, age, sex, sexual orientation, gender identity, types of disabilities, and any other relevant demographic qualities of the City and County of San Francisco:

I am a tenant attorney with a practice emphasizing eviction defense litigation. For three years I was a right to counsel attorney at the Eviction Defense Collaborative where I represented a broad range of members of the San Francisco community. Presently, I represent both residential tenants and commercial tenants of the San Francisco community.

I have represented clients from nearly every neighborhood of San Francisco, and many categories of ethnicity, race, age, sex, sexual orientation, gender identity, and with many distinct disabilities.

I believe these experiences qualify me to represent these communities on the Building Inspection Commission.

Business and/or Professional Experience:

I am a San Francisco based tenant attorney representing both residential and commercial tenants in litigation. I frequently litigate habitability and structural defect issues in my cases. I also represent homeowners in mortgage servicing and wrongful foreclosure litigation. Additionally, I have represented clients in construction defect litigation, and real estate transactions.

Civic Activities:

I play softball as a corner outfielder and infielder in the San Francisco Lawyers' League. I also play recreational league basketball.
