(Water Main Easement (94-F694796))

CITY AND COUNTY OF SAN FRANCISCO, a municipal corporation ("City"), and GSW ARENA LLC, a Delaware limited liability company ("GSW") hereby enter into this Termination of Easement, and City hereby provides to GSW this Easement Quitclaim Deed, all in accordance with and subject to the following terms and conditions.

RECITALS

A. Pursuant to that certain Grant of Water Main Easement, dated as of September 23, 1994, which was recorded on October 3, 1994 as Document No. 94-F694796-00, Reel G229 Image 0461, in the office of the Recorder of the City and County of San Francisco (the "Grant of Easement"), Catellus Development Corporation, a Delaware corporation, as grantor, granted to City, as grantee, an easement (the "Water Main Easement") for the operation, maintenance, repair, replacement and removal of certain public water main pipeline facilities within the easement area described in the Grant of Easement (the "Easement Area"). The Easement Area is described in the attached Exhibit A and depicted on the attached Exhibit A-1. GSW is successor in interest to Catellus Development Corporation's interest in and to the Easement Area.

B. City is not presently operating any facilities in the Easement Area, and has accepted new public street or streets in place of the portions of the Easement Area in which the water main pipeline facilities are or were located, and has accepted certain replacement public improvements in such replacement street or streets, or has received offers of dedication for such areas and improvements.

C. GSW has requested that City terminate and abandon the Water Main Easement and record an easement quitclaim deed conveying City's interest in the Water Main Easement to GSW. City is willing to terminate and abandon the Water Main Easement and record an easement quitclaim deed conveying City's interest in the Water Main Easement to GSW on the terms and conditions set forth herein.

D. California Street and Highways Code Sections 8300 *et seq.* and San Francisco Public Works Code Section 787(a) set forth the procedures that the City and County of San Francisco follows to vacate public service easements, such as the Water Main Easement. In accordance with the proscribed procedures, the San Francisco Board of Supervisors authorized this Termination of Easement and Easement Quitclaim Deed and summarily vacated the Water Main Easement in Board of Supervisors Ordinance No. _____, adopted _____, 20__ (the "Authorizing Ordinance") subject to the satisfaction of certain conditions precedent described in such Authorizing Ordinance.

E. City has determined that the conditions precedent set forth in the Authorizing Ordinance have been satisfied.

NOW THEREFORE, FOR VALUABLE CONSIDERATION, the receipt and adequacy of which are hereby acknowledged, City and GSW hereby agree as follows.

PART I.

TERMINATION OF WATER MAIN EASEMENT

1. Recitals. The foregoing recital are true and correct and are incorporated herein by reference.

2. Abandonment and Acceptance of Facilities. City shall abandon in place, in their "As-Is" condition, without any representation or warranty of any kind by City, its officers, agents or employees (collectively, "Agents"), any water main pipeline and any appurtenances previously installed by or on behalf of City in the Easement Area or otherwise located in the Easement Area (the "Existing Facilities"), and City shall have no obligation to demolish or remove the Existing Facilities or to restore the surface or subsurface of the Easement Area. Effective as of the date this instrument is recorded (the "Termination Date"), City shall have no further obligation with respect to or liability for the Existing Facilities, and GSW hereby assumes the risk of, and waives and releases City and its Agents from all Claims (as defined below) for any injury, loss or damage to any person or property in or about the Easement Area resulting from or relating to the continued presence of the Existing Facilities in the Easement Area after the Termination Date. As used herein "Claims" any and all demands, claims, legal or administrative proceedings, losses, costs, penalties, fines, liens, judgments, damages and liabilities of any kind (including, without limitation, reasonable attorneys' fees). GSW acknowledges that it intends to waive the benefit of Civil Code Section 1542, or any statute or other similar law now or later in effect.

3. Termination of Easement; Acceptance of Transfer. The terms of the Grant of Easement and all rights, duties and obligations of the parties thereunder shall terminate upon the recording of this instrument. Neither party shall have any continuing obligation under the Grant of Easement from and after the Termination Date.

4. Binding Effect. This termination shall be binding upon, enforceable by and against and inure to the benefit of the parties and their respective successors and assigns.

PART II.
