This Agreement does not constitute a grant of any ownership, leasehold, easement or other property interest or estate in the City Property to Contractor. City is acting only in its proprietary capacity in granting the license given to Contractor under this Agreement. Contractor acknowledges that (i) such grant is effective only insofar as the City's rights in the City Property; (ii) Contractor must separately obtain all regulatory approvals of City or any other applicable governmental entity necessary for the Permitted Uses (as defined in Section 2); and (iii) Contractor shall separately obtain the approval of any affected City department head or his/her designee, or the Mayor or Mayor's designee if there is no specific City department affected.

2. Use of City Property. (1) Contractor shall immediately notify City of any release or suspected release of Hazardous Material. Contractor shall comply with all laws requiring notice of such releases or threatened releases to governmental agencies, and shall take all action necessary to mitigate the release or minimize the spread of contamination. In the event of a release of Hazardous Material, Contractor shall, without cost to City and in accordance with all laws and regulations, return the City Property to the condition immediately prior to the release. City retains the right to use or allow other persons to use the City Property in a manner that does not unreasonably interfere with Contractor's activities hereunder.

5. Term of Agreement. The privilege given to Contractor pursuant to this Agreement is temporary only. This Agreement shall become effective upon execution hereof and shall expire at 5:00 p.m. on [REDACTED], unless amended or sooner terminated pursuant to the terms hereof.

6. Surrender. Upon the cancellation, expiration, or termination of this Agreement, Contractor shall surrender the City Property in the same condition as received free from hazards and clear of all debris and of all property of Contractor or its Agents or Invitees. Contractor shall promptly, at its sole cost, repair any and all damage to the City Property and any personal property located thereon caused by Contractor or its Agents or Invitees. Contractor shall obtain City's prior approval of any party to be used by Contractor to conduct such repair work. Contractor's obligations under this Section shall survive the cancellation, expiration, or termination of this Agreement.

8. City's Right to Cancel. City reserves the right to suspend all activities or to cancel or terminate this Agreement upon the happening of the following conditions.

(a) Contractor fails to promptly pay all fees or charges under this Agreement when due.

(b) Contractor fails to cure any non-compliance of any of the terms or conditions of this Agreement within twenty-four (24) hours of receiving City's notification of such failure, or if such failure cannot be reasonably cured within twenty-four (24) hours, if Contractor fails to commence to cure such failure within such twenty-four (24) hour period and to diligently pursue such cure to completion. Notwithstanding anything to the contrary in the foregoing, City reserves the right to cancel this Agreement immediately and without prior notice, if, in the City's sole judgment such action is warranted by such default or breach.

Contractor shall, at its sole expense, conduct and cause to be conducted all activities on the City Property in compliance with all laws, regulations, codes, ordinances and orders of any governmental or other regulatory entity, whether presently in effect or subsequently adopted, and whether or not in the contemplation of the parties. Such laws shall include, but are not limited to, local, state and federal laws prohibiting discrimination in employment and public accommodations. Contractor shall, at its sole expense, procure and maintain in force at all times during its use of the City Property any and all business and other licenses or approvals necessary to conduct the Permitted Uses. Contractor understands and agrees that City is entering into this Agreement in its capacity as a property owner with a proprietary interest in the City Property and not as a regulatory agency with police powers.

10. Public Safety. Contractor agrees to conduct the Permitted Uses at all times in a safe and prudent manner with full regard to the public safety and to observe all applicable regulations and requests of the City and other government agencies responsible for public safety.

11. Utilities. City has no responsibility or liability of any kind with respect to any utilities that may be on, in or under the City Property. Contractor shall locate any such utilities and protect them from damage arising out of Contractor's activities. Contractor shall be solely responsible for arranging and paying for the Permitted Uses.

12. City's Right to Cure Defaults by Contractor. If Contractor defaults in the performance of any of its obligations under this Agreement, City may, at its sole option, remedy such failure for Contractor's account and at Contractor's expense by providing Contractor with three (3) days prior written or oral notice of City's intention to cure such default (except that no such prior notice shall be required in the event of an emergency as determined by City). Such action by City shall not be construed as a waiver of any rights or remedies of City under this Agreement, and nothing herein shall imply any duty of City to do any act that Contractor is obligated to perform. Contractor shall pay to City upon demand, all costs, damages, expenses or liabilities incurred by City, including, without

limitation, reasonable attorneys' fees and costs, in remedying or attempting to remedy such default. Contractor's obligations under this Section shall survive the cancellation, expiration or termination of this Agreement.

13. Cash Deposit. City may, without limiting its other remedies, require Contractor to pay to City a cash or other deposit in an amount necessary to cover the cost of repairing or remedying any breach of this Agreement. City shall provide Contractor with a billing and accounting when such repair or remedy is completed. Any unexpended sums shall be returned to Contractor, and Contractor shall immediately pay any additional costs incurred by City in excess of the cash deposited with City. No interest shall be payable to Contractor on any such deposit.

14. Fees.

(a) Daily Use Fees. Upon execution of this Agreement, Contractor shall pay the daily use fees set forth in Exhibit D (Daily Use Fees and Payments Owed to Other City Departments), authorized by San Francisco Administrative Code section 57.5, as calculated by the City. In the event that the daily use fees at the termination or expiration of this Agreement differ from the City's calculation at the execution of the Agreement, City shall provide Contractor with a billing and accounting of use fees. Any unexpended sums shall be returned to Contractor, and Contractor shall immediately pay any additional costs incurred by City in excess of the cash deposited with City. No interest shall be payable to Contractor on any such deposit.

(b) Additional Payments. Within five (5) days of City's demand therefor, Contractor shall pay (i) City departments for the costs incurred by those departments in providing the use of City employees, equipment, property, and facilities and (ii) the San Francisco Arts Commission Street Artist Program applicable fees for film production and related activities in or near designated street artist spaces. Payment shall be made as required by the Film Commission or an affected City department as further outlined in Exhibit D.

15. Insurance.

(a) Without in any way limiting Contractor's liability pursuant to the "Indemnification" section of this Agreement, Contractor must maintain in force, during the full term of the Agreement, insurance in the following amounts and coverages:

(1) Commercial General Liability Insurance with limits not less than \$1,000,000 each occurrence Combined Single Limit for Bodily Injury and Property Damage, including coverages for Contractual Liability, Personal Injury, Independent Contractors, Broadform Property Damage, and Products Liability and Completed Operations;

(2) Commercial Automobile Liability Insurance with limits not less than \$1,000,000 each occurrence Combined Single Limit for Bodily Injury and Property Damage, including coverages for owned, non-owned and hired automobiles, as applicable; and

(3) Workers' Compensation Insurance in statutory amounts with Employer's Liability Coverage with limits of not less than \$1,000,000 each accident. The Workers' Compensation policy(ies) shall be endorsed with a waiver of subrogation in favor of the City for all work performed by the Contractor, its employees, agents and subcontractors.

(b) Commercial General Liability and Commercial Automobile Liability Insurance policies must be endorsed to provide:

(1) Name as Additional Insured the City and County of San Francisco, its Officers, Agents, and Employees.

(2) That such policies are primary insurance to any other insurance available to the Additional Insureds, with respect to any claims arising out of this Agreement, and that insurance applies separately to each insured against whom claim is made or suit is brought.

(c) All policies shall be endorsed to provide thirty days' advance written notice to City of cancellation for any reason, intended non-renewal, or reduction in coverage. Notices shall be sent to the City address set forth in Section 27, entitled "Notices."

(d) In the event that Contractor operates or causes to be operated any aircraft, watercraft, rail vehicle or experimental vehicle under this Agreement, or the City determines that Contractor's Permitted Uses require additional insurance, Contractor shall, prior to commencing any such activity obtain such insurance as the City's Risk Manager requires for such activity.

(e) All insurance shall be provided under an occurrence basis.

(f) Should any of the required insurance be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit shall be double the occurrence or claims limits specified above.

(g) Should any required insurance lapse during the term of this Agreement, requests for payments originating after such lapse shall not be processed until the City receives satisfactory evidence of reinstated coverage as required by this Agreement, effective as of the lapse date. If insurance is not reinstated, the City may, at its sole option, terminate this Agreement effective on the date of such lapse of insurance.

(h) Before commencing any operations under this Agreement, Contractor shall furnish to City certificates of insurance, and additional insured policy endorsements with insurers with ratings comparable to A-, VIII or higher, that are authorized to do business in the State of California, and that are satisfactory to City, in form evidencing all coverages set forth above. Approval of the insurance by City shall not relieve or decrease Contractor's liability hereunder.

(i) If an Unmanned Aircraft System (UAS) is used for any purpose under this agreement either directly by the Contractor or by a subcontractor to the Contractor, the Contractor shall ensure that such activity is covered by Unmanned Aircraft Systems insurance. The Contractor must submit proof of UAS insurance with an aggregate limit of at least **\$2,000,000**. The certificate of insurance must include a *separate* policy endorsement showing proof of UAS coverage, which at a minimum shall include coverage for damage to person and property. A **second** (separate) endorsement must be submitted naming the City and County of San Francisco, its officers, agents and employees as Additional Insured for this coverage. NOTE: Each of these *two* endorsements require a *separate* attachment to the certificate of insurance.

(j) Notwithstanding the forgoing, if the City's Risk Manager has indicated approval of a waiver of insurance requirements on the attached **Exhibit E. Insurance Waiver**, then the insurance requirements specified on such waiver are waived or modified in accordance with the terms and conditions stated therein.

16. As Is Condition of City Property; Disclaimer of Representations. CONTRACTOR ACCEPTS THE CITY PROPERTY IN ITS "AS IS" CONDITION, WITHOUT REPRESENTATION OR WARRANTY OF ANY KIND BY CITY, ITS OFFICERS, AGENTS OR EMPLOYEES, INCLUDING, WITHOUT LIMITATION, THE SUITABILITY OR SAFETY OF THE CITY PROPERTY OR ANY FACILITIES ON THE CITY PROPERTY, FOR CONTRACTOR'S USE. City shall have no obligation to cause the City Property to remain in the condition in which it was as of the date of this Agreement. Contractor, at its own expense, shall obtain such permission or other approvals from any third parties with existing rights as may be necessary for Contractor to make use of the City Property in the manner contemplated hereby.

17. Waiver of Claims.

(a) Neither City nor any of its commissions, departments, boards, officers, agents or employees shall be liable for any damage to the property of Contractor, its officers, agents, employees, invitees, contractors or subcontractors, or their employees, or for any bodily injury or death to such persons, or for any other loss, resulting or arising from the condition of the City Property or its use by Contractor.

(b) Contractor fully releases, waives and discharges forever any and all claims, demands, rights, and causes of action against, and covenants not to sue, City, its departments, commissions, officers, directors and employees, and all persons acting by, through or under each of them, under any present or future laws, statutes, or regulations, (i) for any claim or event relating to the condition of the City Property or Contractor's use thereof, and (ii) in the event that City exercises its right to suspend, revoke or terminate this Agreement.

(c) In connection with the foregoing release, Contractor acknowledges that it is familiar with Section 1542 of the California Civil Code, which reads:

"A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor."

Contractor acknowledges that the releases contained herein include all known and unknown, disclosed and undisclosed, and anticipated and unanticipated claims. Contractor realizes and acknowledges that it has agreed upon this Agreement in light of this realization and, being fully aware of this situation, it nevertheless intends to waive the benefit of Civil Code Section 1542, or any statute or other similar law now or later in effect. The releases contained herein shall survive any cancellation, expiration or termination of this Agreement.

18. Indemnity. Contractor shall indemnify, defend, reimburse and hold harmless City, its officers, agents, employees and contractors from and against any and all demands, claims, legal or administrative proceedings, losses, costs, penalties, fines, liens, judgments, damages and liabilities of any kind (collectively, "Losses"), arising in any manner out of: (a) any injury to or death of any person or damage to or destruction of any property occurring in, on or about the City Property, or any part thereof, whether the person or property of Contractor, any of its Agents and Invitees, or third persons, relating in any manner to any use or activity under this Agreement; (b) any failure by Contractor, or any of its Agents or Invitees, to faithfully observe or perform any of the terms, covenants or conditions of

this Agreement; (c) the use of the City Property or any activities conducted thereon by Contractor, its Agents or Invitees; (d) any release or discharge, or threatened release or discharge, of any Hazardous Material caused or allowed by Contractor, its Agents or Invitees, on, in, under or about the City Property, any improvements permitted thereon, or into the environment; or (e) any and all Losses arising in connection with this Agreement or the film or other work produced as a result of the activities conducted hereunder, including but not limited to, any such Losses relating to any alleged infringement of the patent rights, trademark, copyright, trade secret, privacy or other personal or other proprietary right of any person or persons.

This provision applies except solely to the extent of Losses resulting directly from the gross negligence or willful misconduct of City or City's authorized representatives. The foregoing indemnity shall include, without limitation, reasonable attorneys' and consultants' fees, investigation and remediation costs and all other reasonable costs and expenses incurred by the indemnified parties, including, without limitation, damages for decrease in the value of the City Property and claims for damages or decreases in the value of adjoining property. Contractor shall have an immediate and independent obligation to defend City from any claim which actually or potentially falls within this indemnity provision even if such allegation is or may be groundless, fraudulent or false, which obligation arises at the time such claim is tendered to Contractor by City and continues at all times thereafter. Contractor's obligations under this Section shall survive the cancellation, expiration or termination of this Agreement.

19. Copyrights. Contractor shall obtain all approvals for, and pay for all costs arising from the use of patented, trademarked, franchised or copyrighted music, materials, devices, processes or dramatic rights used on or incorporated in the film production and related activities.

20. Ownership of Results. City recognizes and agrees that it shall hold no ownership or other proprietary interest in the film products created by Contractor pursuant to this Agreement. City agrees that it shall take no action to prohibit, delay or otherwise inhibit Contractor's rights to utilize the film products created by Contractor pursuant to this Agreement as a result of Contractor's breach of any of the terms, covenants or conditions of this Agreement.

21. No Assignment. Neither this Agreement nor any duties or obligations hereunder may be assigned, conveyed or delegated by the Contractor prior to completion of filming in San Francisco unless first approved by the Executive Director of the Film Commission by written instrument executed and approved in the same manner as this Agreement.

22. No Joint Ventures or Partnership; Independent Contractor. This Agreement does not create a partnership or joint venture between City and Contractor. Contractor shall be solely responsible for all matters relating to payment of its employees, including, without limitation, compliance with any and all Federal, State or Local law and all other regulations governing such matters.

23. Impossibility of Performance. If, for any reason, an unforeseen event occurs which is beyond the control of the City and the Contractor, including, but not limited to, fire, casualty, or labor strike, which event renders impossible the fulfillment of any term of this Agreement, Contractor and the City shall have no right to nor claim for damages against the other.

24. Tobacco Product and Alcoholic Beverage Advertising. Contractor acknowledges and agrees that, pursuant to San Francisco Administrative Code Section 4.20, no advertising of cigarettes or tobacco products or alcoholic beverages is allowed on any property owned by or under the control of the City and County of San Francisco. This prohibition includes the placement of the name of a company producing, selling or distributing cigarettes or tobacco products or alcoholic beverages or the name of any cigarette or tobacco product or alcoholic beverages in any promotion of any event or product. This prohibition does not apply to any advertisement sponsored by a state, local or nonprofit entity designed to communicate the health hazards of cigarettes and tobacco products or to encourage people not to smoke or to stop smoking.

25. Possessory Interest Taxes. Contractor recognizes and understands that this Agreement may create a possessory interest subject to property taxation and that Contractor may be subject to the payment of property taxes levied on such interest under applicable law. Contractor agrees to pay taxes of any kind, including possessory interest taxes, if any, that may be lawfully assessed on Contractor's interest under this Agreement or use of the City Property pursuant hereto and to pay any other taxes, excises, licenses, permit charges or assessments based on Contractor's usage of the City Property that may be imposed upon Contractor by applicable law. Contractor shall pay all of such charges when they become due and payable and before delinquency.

Contractor agrees to pay all taxes of any kind that may be lawfully assessed on Contractor's interest under this Agreement or use of the City Property pursuant hereto and to pay any other taxes, excises, licenses, permit charges, possessory interest taxes, or assessments based on Contractor's usage of the City Property that may be imposed upon Contractor by applicable law.

Exhibit B: General Guidelines and Information for Filming in San Francisco

Filming on City streets and neighborhoods is coordinated through the San Francisco Film Commission (Film SF), which makes referrals to other City departments depending on the particular needs of any given production.

The foundation of all projects approved to film on City property is the submission of a Use Agreement, insurance certificate and payment of use fees.

Film SF requires four full business days to process a permit and five full business days to process student permits. There is no guarantee a permit can be processed if it is received outside this time frame. Productions that involve coordination with other City departments may require more time to approve a permit.

It is highly recommended that you contact Film SF to discuss your project. For more involved productions it will be necessary to make an appointment to discuss the particulars of your project or schedule an onsite location visit to coordinate the details.

Please note that Film SF requires an original signed copy of the Use Agreement.

Film projects may require SFPD officers depending on the complexity of a shoot, the need for traffic control or whenever Film SF or SFPD deem it necessary. For more details see Exhibit C: San Francisco Police Department Film Production Guidelines

Street parking for film shoots must be posted 24 to 72 hours prior to the posting going into effect. See Permitting for Production Vehicle Parking Permitting for more details. Parking in commercial areas may have restrictions during commute hours.

Projects requiring street/lane closures and or Intermittent Traffic Control require coordination with the SFPD. Street closures are arranged through SFTMA and require a five-day minimum to process.

The hours of filming in residential areas are restricted from 10:00pm to 7:00am. Night shoots are permitted during the restricted hours with the consent of Film SF, pending the submission of a completed signature survey. See Permitting for Late-Night or Early-Morning Filming (Signature Survey) for more details.

Residents must be notified in writing 72 hours before shooting in a residential neighborhood that requires production vehicle parking on the street, high impact filming or scenes with simulated violence or loud noise. Neighborhood Notification fliers must include the company, shooting times, and the name, address, and phone number of the company's local office or representatives. Notification fliers must be submitted to Film SF for approval. See Sample Neighborhood Notification for more details.

Production companies are required to provide Film SF and the SFPD (when applicable) with copies of shooting scripts and locations schedules.

Productions using UAS (unmanned aircraft system) are required to follow specific guidelines as directed by Film SF. See Permitting to Film with an Unmanned Aircraft System (Drones) for requirements.

No littering is permitted and all garbage must be cleaned up completely when leaving the location.

The public must not be deprived egress or ingress to private or public property (no blocking driveways, alleys, doorways, handicapped access). Productions cannot block public right-of-way including for catering or craft services.

Often times production companies will need to post directional signs steering crew members to their destinations, see Guidelines for Directional Signs Postings.

Any project that is working in San Francisco for more than seven days is required to obtain a business license. The business license application must be filed with the office of the Treasurer and Tax Collector.

Exhibit C: San Francisco Police Department Film Production Guidelines

Request for Police Services - Administrative Code Section 10-B

Any person, corporation, firm or organization desiring additional personnel of the San Francisco Police Department, for law enforcement purposes within the City and County of San Francisco, may request the Chief of the Police Department, or his/her designee, to provide such personnel to perform such services in the number he/she determines to be necessary to perform the services. The Police Chief may also discontinue providing services at any time.

In accordance with the provisions of San Francisco Administrative Code Section 10-B, it is the policy of the Chief of Police to provide, or NOT PROVIDE, police personnel to monitor and assist film production companies while filming in public areas of San Francisco. Film production companies may be required to have police services provided.

All requests for police services shall be directed to Film SF which will forward the request to the Police Law Enforcement Services (PLES) Officer as designated by the Chief of Police. A contact by a representative of the Production Company must be made by email to Film SF in a timely manner prior to the start of filming. Film SF will forward requests on behalf of the production to SFPD. A written agreement must be completed to finalize the request and constitutes a revocable agreement to the production company from the Police Department to provide such services. Police services shall only be obtained through the PLES Unit.

Rate of billing. Pursuant to San Francisco Administrative Code Section 10-B, the rate of billing for officers assigned shall be at time and one half.

Billing procedures. The Police Department will follow the billing procedures set forth in Administrative Code Sec. 10B. A **deposit** for police services will be required in advance. The Police Department representatives will determine the amount of deposit after an evaluation of the estimated police services. The pay period for the San Francisco Police Department is a two-week period, ending every other Friday. Any billing will be mailed during the latter part of the following week after the end of the pay period. Upon submission of a request for police services by a production company, a representative of said company shall furnish Film SF, in a timely manner, the following information:

- Filming schedule
- All locations and approximate daily call times
- Detailed description of any stunt, chase scene, special effects, etc.
- Billing information

Officers

While detailed pursuant to Administrative Code Section 10-B, the officers' sole employer is the City and County of San Francisco. Officers are to perform police related duties only i.e., traffic control, pedestrian and crowd control. Officers assigned to film details have two basic objectives; one is to maintain a police presence and protect the City's interest; the other is to assist the Production Company as much as possible, within these guidelines in completing their filming. Officers assigned to details shall take appropriate police action whenever criminal activity is observed or when a citizen requests their assistance.

Police personnel will not be permitted to appear on film as part of the actual production (its commercial intent), without prior approval of the Chief of Police. "Appearance" refers to any activities, no matter how minor, which are filmed and which are under the direction of the production company. Thus, even a shot containing an officer in the background would be an appearance if the officer was directed by the Production Company to be where he/she is.

Officers appearing in productions shall do so as secondary employment. Secondary employment requests would be submitted and all department regulations in this regard would be applicable. However, Departmental General Orders prohibits the use of Departmental issued equipment during the course of secondary employment without the express consent of the Chief of Police.

Labor Disputes (or demonstrations): The Police Department will not assign officers pursuant to Administrative Code Sec. 10-B to work at the location of an organized labor strike or other demonstration. The Police Department may at its discretion, assign officers to keep the peace as it would at any other event or location. Officers detailed to film productions shall not be directed to guard production equipment. Officers are to perform police related functions only. If equipment or material cannot be moved from an area where it may create a public hazard then an officer shall remain on location.

Equipment and Facilities

Any equipment, e.g., 3-wheel motorcycles, solos, etc., that is used by officers detailed to film productions, may be billed to the production company accordingly.

Rates for equipment to be determined, on as needed basis, by the Chief of Police or his/her designee.

Police Department equipment or the interior of police facilities will not be made available to production companies without the approval of the Chief of Police. Arrangements can be made through the Department Coordinator to take still photographs of equipment and facilities so that reproductions can be made.

Patches and decals of the San Francisco Police Department, uniforms, etc., shall not be provided without the approval of the Chief of Police.

Extensive technical advice regarding the San Francisco Police Department will not be provided. Technical assistance may be acquired through secondary employment guidelines.

All stunts, chase scenes, special effects, etc., shall be reviewed for approval by Film SF and the Police Department Coordinator.

Exhibit D: Daily Use Fees and Payments Owed to Other City Departments

A daily use fee is required for each day of filming or parking. Payment is accepted via check, money order, credit card, or electronic funds transfer (ACH or Federal Wire System). Checks should be made payable to the San Francisco Film Commission. **Daily Use Fees are as follows:**

- Still Photography: \$100 a day
- Commercial, Corporate Media, Videos, including but not limited to, Music Videos and Web Videos, Short Subject: \$200 a day
- TV Series, Movie, Pilot, Web Series, Documentary:
 - For a production with a budget of less than \$100,000: \$50 a day
 - For a production with a budget of \$100,000 to less than \$500,000: \$100 a day
 - For a production with a budget of \$500,000 or greater: \$300 a day

A copy of the total budget estimate is needed to qualify for the reduced rates. Otherwise, the fee is \$300 per day.

Public service announcements, qualifying student productions, and productions created by or for entities that are tax-exempt under section 501(c)(3) of the Internal Revenue Code are exempt from the above-listed fees. Productions must provide proof of non-profit status.

These daily use fees are charged on a **per day basis**, no matter how many locations are listed on Exhibit A: Film SF Identification Page and Locations Page. If a production fits multiple film categories, it will be charged the highest fee. Payment must be made prior to issuing permit. If a production is filming for three or more consecutive weeks, a deposit of five daily use fees is required prior to permit issuance. Productions can receive a refund for daily use fees if they cancel their permit or location day up to 24 hours in advance of filming. Note this cancellation policy only applies to Film SF daily use fees.

Payment to Other City Departments

Productions (Contractors) are responsible for paying other City Departments related to film activities. Below is information on when an invoice is due and how payment is made.

City Department	When is a Contractor Billed?	When is Payment Due?
San Francisco Police Department (SFPD)	SFPD provides an estimate to Film SF who then sends it over to the Contractor with payment link.	100% deposit due directly to Film SF and prior to permit issuance. Any remaining balance or refund will be accounted for after services are rendered by SFPD.
San Francisco Municipal Transit Authority (SFMTA) - Use of Image Fee	Film SF sends payment information to the Contractor once Contractor has signed SFMTA Rider.	Due directly to Film SF and prior to permit issuance.
San Francisco Municipal Transit Authority (SFMTA) - Charters or Inspectors	SFMTA sends an estimate to Film SF after they processed request. Film SF forwards estimate to the Contractor.	SFMTA sends final invoice to the Contractor after services are rendered. The Contractor pays SFMTA directly.
Other departments: Port, Sheriff's Department, PUC, DPW.	Invoicing and billing varies for each City department. Contact Film SF for more information: film@sfgov.org (415)554-6241.	Some City departments may require payment prior to services being rendered. Contact Film SF for more information.
