Re: Type 48 Liquor License "PCN" Request – 256 Columbus Ave, San Francisco, CA 94133

Dear Mr. Evans,

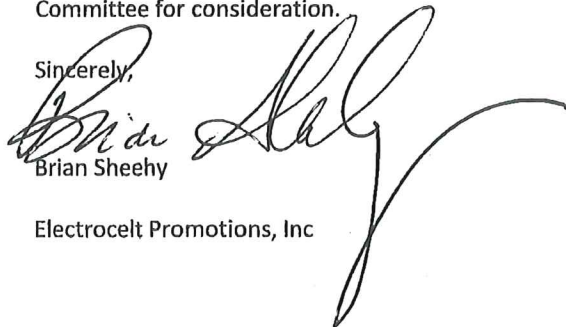

On September 24, 2013 we applied with the Department of Alcoholic Beverage Control for a premises transfer of a Type 48 License (#387766) from our previous bar, named "Anu", located at 43 Sixth Street, San Francisco, CA 94103 to 256 Columbus Avenue, San Francisco, CA 94133. The new pending license is #537925 and would be assigned to the formerly licensed location known as "Jazz at Pearls".

We are an established San Francisco business collectively known as "Future Bars", having been in business for over 12 years. It is our contention that the approval of this license transfer would serve the public convenience and necessity both in the neighborhood and city wide. The premium, responsibly operated business we are proposing is similar to the previous licensed establishments we have placed in other locations in San Francisco such as Bourbon & Branch, Local Edition and Rickhouse. Our establishments offer an exceptional service experience tied to the history of San Francisco and we have been successful in attracting positive foot traffic to our neighborhoods. We have performed extensive community outreach to the neighborhood residents, neighborhood organizations (including the Telegraph Hill Dwellers Association, North Beach Business Association, Top of Broadway CBD), businesses and the Central District Police Department. It is clear that the area of North Beach at the confluence of Broadway and Columbus Avenue is undergoing positive changes, and we have been encouraged by these organizations to pursue the establishment of this business at 256 Columbus Avenue, a location which has been vacant since 2008.

In addition, the approval of this license transfer would result in bringing additional revenue to the City and employing up to 15 people. The proposed daily hours of operation would typically be 4pm until 2am, although we would request that we be granted the option of opening earlier for special occasions and events.

For these reasons, I respectfully request that this request be forwarded to the Neighborhood Services & Safety Committee for consideration.

Sincerely,

Brian Sheehy
