1 [Condemning the Naming of the Priscilla Chan and Mark Zuckerberg San Francisco General  
2 Hospital and Trauma Center]

3 **Resolution condemning the naming of the San Francisco General Hospital and Trauma**  
4 **Center after Priscilla Chan and Mark Zuckerberg and urging City departments to**  
5 **establish clear standards with regards to naming rights for public institutions and**  
6 **properties that reflect San Francisco’s values and a commitment to affirming and**  
7 **upholding human rights, dignity, and social and racial justice.**

8  
9 WHEREAS, The Priscilla Chan and Mark Zuckerberg San Francisco General Hospital  
10 and Trauma Center (the “Hospital”), formerly the San Francisco General Hospital and Trauma  
11 Center, is a public hospital operated by the San Francisco Department of Public Health; and

12 WHEREAS, The Hospital is a safety net and community hospital, located in the  
13 Mission, serving more than 100,000 vulnerable San Franciscans a year; and

14 WHEREAS, On March 3, 2015, the Board of Supervisors adopted Resolution  
15 No. 57-15, authorizing the Department of Public Health to accept and expend a \$57,375,000  
16 gift from the San Francisco General Hospital Foundation and approved a Gift Agreement with  
17 the San Francisco General Hospital Foundation by which Dr. Priscilla Chan and Mark  
18 Zuckerberg granted \$75,000,000 to the Foundation, \$32,375,000 of which was designated for  
19 the procurement of furniture, fixtures, equipment, information technology and related services  
20 for San Francisco General Hospital’s new acute care and trauma building, which was to be  
21 named the Priscilla and Mark Zuckerberg San Francisco General Hospital and Trauma  
22 Center; on file with the Clerk of the Board of Supervisors in File No. 150158, which is hereby  
23 declared to be a part of this resolution as if set forth fully herein; and

24  
25

1           WHEREAS, The Gift is being distributed through the Silicon Valley Community  
2 Foundation (“SVCF”), in installments, from an advised fund controlled by Mark Zuckerberg  
3 and Dr. Priscilla Chan (collectively, the “Donors”); and

4           WHEREAS, In 2013 the Donors gave SVCF its largest gift to date, donating Facebook  
5 stock worth nearly \$1 billion; and

6           WHEREAS, Donor advised funds, such as those used by SVCF and the Donors, have  
7 been criticized for functioning as tax shelters to offset capital gains taxes from appreciating  
8 stock values following events like initial public offerings (“IPO”); and

9           WHEREAS, The Donors’ initial contribution to the SVCF closely coincided with  
10 Facebook’s IPO, likely saving the Donors tens of millions of dollars in capital gains taxes; and

11           WHEREAS, The City and County of San Francisco should discourage, not publicly  
12 reward, tax evasion; and

13           WHEREAS, In November 2008 during the beginning of the Great Recession and  
14 before Mark Zuckerberg purchased his home in San Francisco, the voters of San Francisco  
15 authorized the sale of \$887,400,000 in a bond measure for the construction of a seismically  
16 sound acute hospital; and

17           WHEREAS, Another bond measure was authorized in June of 2016 for an  
18 additional \$222,000,000 for the retrofit of older facilities at the hospital; and

19           WHEREAS, Through the bond measures, San Francisco residents have therefore paid  
20 approximately 90% of the \$1.244 billion construction and furnishing costs for the hospital; and

21           WHEREAS, The Department of Public Health is responsible for safeguarding hospital  
22 patients’ privacy and right to informed consent for both care and research; and

23           WHEREAS, Mark Zuckerberg is co-founder, chairman, chief executive officer, and  
24 controlling shareholder of Facebook, the largest social media company in the world; and

25

1           WHEREAS, Facebook engaged in unauthorized research on 689,003 of its users  
2 without their knowledge or consent to see if emotions could be transmitted like a contagious  
3 disease; and

4           WHEREAS, Facebook sought U.S. hospital data for further research as late as 2018  
5 without ethical review or informed consent; and

6           WHEREAS, Facebook has been unable to protect its users from major privacy  
7 breaches such as when Facebook allowed Cambridge Analytica to harvest data from the  
8 personal profiles of some 87 million people worldwide without their consent, and when a 2018  
9 attack on Facebook’s computer network exposed the personal information of nearly 50 million  
10 users; and

11           WHEREAS, In July 2019, the Federal Trade Commission fined Facebook \$5 billion, by  
12 far the largest penalty ever imposed on a company for violating consumers' privacy rights; and

13           WHEREAS, Facebook has allowed paid advertisements making false claims about the  
14 risks of proven AIDS prevention medication while simultaneously preventing advertisements  
15 promoting these public health tools; and

16           WHEREAS, In September 2019 Facebook removed a fact-checking disclaimer from a  
17 medically inaccurate video from an anti-abortion organization, which remains up; and

18           WHEREAS, In October 2019 Facebook CEO Mark Zuckerberg announced the  
19 company would allow politicians and political parties to openly lie in their advertisements,  
20 meaning that Facebook holds paid political advertisements to a lower standard than all others,  
21 which prompted a public outcry from Facebook employees; and

22           WHEREAS, According to Facebook’s own internal audit, the Facebook platform in  
23 Myanmar was used by bad actors to spread hate speech, incite violence, and coordinate  
24 harm, and posts on Facebook were linked to offline violence; and

25

1           WHEREAS, In India, according to a study by Equality Labs, hate speech targeting  
2 Indian caste, religious, gender, and queer minorities is rampant across Facebook; and

3           WHEREAS, Facebook’s refusal to address long-standing concerns about its policies  
4 that have allowed hate, lies, racism, and disinformation on its platform has provoked more  
5 than 1,000 companies to boycott advertising on Facebook in July 2020 as part of the Stop  
6 Hate for Profit campaign; and

7           WHEREAS, According to a study by Pro Publica, despite pledges to root out  
8 misinformation about coronavirus and COVID-19 millions of Facebook users are still being put  
9 at risk of consuming harmful misinformation about coronavirus at a large scale, and Facebook  
10 is rife with false or misleading claims about voting, particularly regarding voting by mail, which  
11 is the safest way of casting a ballot during the coronavirus pandemic; and

12           WHEREAS, In May 2020, Facebook refused to take down posts by President Trump  
13 that incited hatred and violence against African Americans and facilitated voter suppression,  
14 despite the fact that these posts violated the company’s own community standards policies,  
15 which prompted Facebook employees to stage a virtual walkout; and

16           WHEREAS, In July 2020, Facebook released a civil rights audit it had commissioned,  
17 which found that “the company make painful decisions over the last nine months with real  
18 world consequences that are serious setbacks for civil rights” and that “Facebook has made  
19 policy and enforcement choices that leave our election exposed to interference by the  
20 President and others who seek to use misinformation to sow confusion and suppress voting”;  
21 now, therefore, be it

22           RESOLVED, That the San Francisco Board of Supervisors condemns the naming of  
23 the San Francisco General Hospital and Trauma Center after Priscilla Chan and Mark  
24 Zuckerberg; and, be it

25

1           FURTHER RESOLVED, That the San Francisco Board of Supervisors urges City  
2 departments to establish clear standards with regards to naming rights for public institutions  
3 and properties that reflect San Francisco's values and a commitment to affirming and  
4 upholding human rights, dignity, and social and racial justice.
