Hi Richard,

Thank you for getting back to me about desired modifications from the appellant. As we discussed on the phone, we will work on continuing the appeal to the Board meeting on 2/6/24. Can you confirm that the date works with your team?

Additionally, the Supervisor and I look forward to connecting on 1/16/24. In

the meantime, Sam in our office will also work on scheduling a meeting between 1/29/24 and 2/2/24 to discuss potential opportunities for compromise on the height and setback of the project that would be acceptable for both sides.

Best,

**Lorenzo Rosas** | Legislative Aide
