1. Grantee shall submit invoices, and all required supporting documentation demonstrating evidence of the expenditure through the Department of Homelessness and Supportive Housing (HSH)'s web-based Contracts Administration, Reporting, and Billing Online (CARBON) System at: <https://contracts.sfhsa.org>.
2. Grantee's Executive Director or Chief Financial Officer shall submit a letter of authorization designating specific users, including their names, emails and phone numbers, who will have access to CARBON to electronically submit and sign for invoices, submit program reports, and view other information that is in CARBON.
3. Grantee acknowledges that submittal of the invoice by Grantee's designated authorized personnel with proper login credentials constitutes Grantee's electronic signature and certification of the invoice.
4. Grantee's authorized personnel with CARBON login credentials shall not share or internally reassign logins.
5. Grantee's Executive Director or Chief Financial Officer shall immediately notify the assigned HSH Contract Manager, as listed in CARBON, via email or letter regarding any need for the restriction or termination of previously authorized CARBON users and include the name(s), email(s) and phone number(s) of those previously authorized CARBON users.

G. Spend Down:

1. Grantee shall direct questions regarding spend down and funding source prioritization to the assigned HSH Contract and Program Managers, as listed in CARBON.

and Program Managers, as listed in CARBON prior to, or in conjunction with the invoicing period.

3. Failure to spend Grant funding monthly and annually may result in reductions to future allocations and may impact future advance. HSH may set specific spend down targets and communicate those to Grantees.

H. Documentation and Record Keeping:

1. In accordance with Article 5 Use and Disbursement of Grant Funds; Article 6 Reporting Requirements; Audits; Penalties for False Claims; and the Appendix A(s), Services to be Provided of the Agreement, Grantee shall keep electronic or hard copy records and documentation of all HSH invoiced costs, including, but not limited to, payroll records; paid invoices; receipts; and payments made for a period not fewer than five years after final payment under this Agreement, and shall provide to the City upon request.

 - 1) Program Monitoring;
 - 2) Fiscal and Compliance Monitoring;
 - 3) Year End Invoice Review;

describes the unique circumstances, for review and approval. Advance requests must be submitted by the Grantee's authorized staff only.

2. HSH, at its sole discretion, may make available to Grantee up to one month of the total ongoing fiscal year General Fund or Prop C budget amount, per the Appendix B, Budget(s) of this Agreement. Requests for greater than one month of the ongoing fiscal year budget amount may be considered on a case-by-case basis only.
3. Grantee is expected to maintain adequate cash reserves for multi-year Grant agreements and not rely on cash advances to cover expenses necessary to operate Grantee's core operations.

C. Advance Repayment Process:

1. If approved by HSH, the advanced sum will be deducted from the Grantee's monthly invoices at an equal rate each month that will enable repayment before the close of the fiscal year. For example, for a twelve-month grant the rate of repayment of the advance will be 1/10th per month from July to April. An alternative period of repayment may be calculated to ensure cash flow and repayment. HSH will track advance recoupment on a monthly basis using internal tools in order to avoid any overpayment and prevent further loss of City funds.
2. All advance repayments must be recovered within the fiscal year for which they were made but no later than April invoices submitted in May.
3. In the case where advance repayments cannot be fully recovered by deducting from the Grantee's monthly invoices, Grantee shall repay the outstanding balance, via wire transfer or by check, in the amount verified by the assigned HSH Contract Manager, as listed in CARBON. Grantee shall make the repayment after the final invoice of the fiscal year has been approved to the address provided by the assigned HSH Contract Manager, as listed in CARBON.

IV. Timely Submission of Reports and Compliance:

If a Grantee has outstanding items due to the City (e.g., Corrective Action Plans/report/document/data input), as specified in any written form from HSH (e.g., Letter of Correction, Corrective Action Plan, and/or Appendix A(s), Services to be Provided of the Agreement), Grantee shall submit and comply with such requirements prior to or in conjunction with monthly invoicing. Failure to submit required information or comply by specified deadlines may result in HSH withholding payments.
