8
9 Section 2. Article 8 of the Planning Code is hereby amended by revising Sections 810,
10 811, and 812, to read as follows:

11
12 **SEC. 810. CHINATOWN COMMUNITY BUSINESS DISTRICT.**

13 The Chinatown Community Business District, located in the northeast quadrant of San
14 Francisco, extends along Broadway from the eastern portal of the Broadway Tunnel to
15 Columbus Avenue and along Kearny Street from Columbus to Sacramento Street. This district
16 also includes portions of Commercial Street between Montgomery Street and Grant Avenue
17 and portions of Grant Avenue between Bush and California Streets. It is part of the larger core
18 area of Chinatown.

19 The portions of Broadway, Kearny, and Commercial Streets and Grant Avenue in this
20 district are transitional edges or entries to Chinatown. North and east of the two blocks of
21 Broadway contained in this district are North Beach and the Broadway Entertainment Districts.
22 Kearny and Columbus Streets are close to intensive office development in the Downtown
23 Financial District. Both Grant Avenue and Commercial Street provide important pedestrian
24 entries to Chinatown. Generally, this district has more potential for added retail and
25 commercial development than other parts of Chinatown.

1 This zoning district is intended to protect existing housing, encourage new housing,
 2 and accommodate modest expansion of Chinatown business activities as well as street-level
 3 retail uses. The size of individual professional or business office use is limited in order to
 4 prevent these areas from being used to accommodate larger office uses spilling over from the
 5 financial district.

6 Housing development in new buildings is encouraged at upper stories. Existing housing
 7 is protected by limitations on demolitions and upper-story conversions. Accessory dwelling
 8 units are permitted within the district pursuant to Subsection 207(c)(4) of this Code.

7 **SEC. 811. CHINATOWN VISITOR RETAIL DISTRICT.**

8 The Chinatown Visitor Retail Neighborhood Commercial District extends along Grant
9 Avenue between California and Jackson Streets. This district contains a concentration of
10 shopping bazaars, art goods stores, and restaurants, which attract visitors and shoppers and
11 contribute to the City's visual and economic diversity. Grant Avenue provides an important link
12 between Downtown retail shopping and the Broadway, North Beach, and Fisherman's Wharf
13 areas.

14 This district is intended to preserve the street's present character and scale and to
15 accommodate uses primarily appealing to visitors (e.g. tourist gifts shops, jewelry stores, art
16 goods, large restaurants). In order to promote continuous retail frontage, entertainment,
17 financial services, medical service, automotive, and drive-up uses are restricted. Most
18 commercial uses, except financial services, are permitted on the first two stories.
19 Administrative services, (those not serving the public) are prohibited in order to prevent
20 encroachment from downtown office uses. There are also special controls on restaurants and
21 tourist hotels. Building standards protect and complement the existing small-scale
22 development and the historic character of the area.

23 The height limit applicable to the district will accommodate two floors of housing or
24 institutional use above two floors of retail use. Existing residential units are protected by
25

1 prohibition of upper-story conversions and limitation on demolition. Accessory dwelling units
 2 are permitted within the district pursuant to Subsection 207(c)(4) of this Code.

 22 **SEC. 812. CHINATOWN RESIDENTIAL NEIGHBORHOOD COMMERCIAL**
 23 **DISTRICT.**
 24
 25

1 The Chinatown Residential Neighborhood Commercial District extends along Stockton
 2 Street between Sacramento and Broadway and along Powell Street between Washington
 3 Street and Broadway. It is generally west and uphill from Grant Avenue and is close to the
 4 relatively intensely developed residential areas of lower Nob and Russian Hills. Stockton
 5 Street is a major transit corridor which serves as "Main Street" for the Chinatown
 6 neighborhood. Both Stockton and Powell Streets contain a significant amount of housing as
 7 well as major community institutions supportive to Chinatown and the larger Chinese
 8 community. This daytime-oriented district provides local and regional specialty food shopping
 9 for fresh vegetables, poultry, fish, and meat. Weekends are this area's busiest shopping days.

10 Because Stockton Street is intended to remain principally in its present character, the
 11 Stockton Street controls are designed to preserve neighborhood-serving uses and protect the
 12 residential livability of the area. The controls promote new residential development compatible
 13 with existing small-scale mixed-use character of the area. Consistent with the residential
 14 character of the area, commercial development is directed to the ground story. Daytime-
 15 oriented use is protected and tourist-related uses and financial services are limited.

16 Housing development in new and existing buildings is encouraged above the ground
 17 floor. Institutional uses are also encouraged. Existing residential units are protected by limits
 18 on demolition and conversion. Accessory Dwelling Units are permitted within the district
 19 pursuant to subsection 207(c)(4) of this Code.
