AGENDA ITEM

Public Utilities Commission

City and County of San Francisco

DEPARTMENT Wastewater Enterprise AGENDA NO. _____
MEETING DATE July 27, 2010

Amend Agreement, Accept and Expend Additional Grant Funds: Regular Calendar
Project Manager: Bessie Tam

Amend Existing EPA Grant Agreement, and Accept and Expend Additional Grant funds for Cesar Chavez Sewer System Improvement Project

Summary of Proposed Commission Action:	<p>Authorize the General Manager of the San Francisco Public Utilities Commission (SFPUC) to request approval from the Board of Supervisors to amend an existing EPA grant agreement, and to accept and expend additional grant funds totaling \$669,000 from the U.S. Environmental Protection Agency through the Consolidated Appropriation Act of 2008, with required local matching funds of \$547,364 from the Wastewater Enterprise CIP-funded Project No. CENMSCIC11, Cesar Chavez Sewer System Improvement (the Project).</p>
Background:	<p>In May 2010, SFPUC staff submitted a grant application to the U.S. Environmental Protection Agency (EPA), Region 9 for Special Appropriation Grant funds (through the Consolidated Appropriation Act of 2008) for wastewater infrastructure improvements. The project would support rehabilitation of the SFPUC's combined sewer/stormwater system along Cesar Chavez Street to alleviate flooding problems and reduce combined sewer system overflows. The application was for \$669,000 in Federal Funds to be matched by \$547,364 in local funds for a total project cost of \$1,216,364.</p> <p>In June 2010, EPA notified SFPUC staff that federal funding in the amount of \$669,000 had been approved for the Cesar Chavez Sewer Improvement project. SFPUC received an amendment to the existing EPA grant to the said project; thereby, increasing the federal assistance by \$669,000 and extending the project and budget period from 8/01/2006 through 3/31/2012 to 8/01/2006 through 5/31/2013.</p> <p>The existing EPA grant is \$477,900 and was authorized for acceptance through Resolution 06-0114 on September 12, 2006, and authorized for expenditure through Resolution No. 10-0093 on June 8, 2010.</p>

GENERAL MANAGER Ed Harrington

Amend Existing Grant and Accept and Expend EPA Grant Funds
Commission Meeting Date: July 27, 2010

	<p>On January 13, 2010, the SFPUC and City Planning completed the environmental review required by CEQA for the Project.</p> <p>On February 23, 2010, the Commission adopted Resolution No. 10-0034, adopting the CEQA Findings and approving Project CENMSCIC11, Cesar Chavez Sewer System Improvement.</p> <p>Staff now recommends to the Commission that the General Manager be authorized to request the Board of Supervisor's approval to amend the existing EPA grant, and approve and expend the additional grant funds.</p>
Result of Inaction:	A delay in authorizing the acceptance and expenditure of the additional EPA grant funds may result in an overall delay in the project.
Budget & Costs:	\$669,900 in federal grant funds has been awarded. Matching funds of 45% of the total project costs (or \$547,364) are required according to the Appropriations Act which authorized the project. Grant funds will be amended to an existing EPA grant of \$477,900 for the same project. Together, the two grants total to \$1,147,800 in federal grant funds, and matching funds of \$938,373 from the Project. The required matching funding is available from Wastewater Enterprise CIP Program, Project No. CENMSCIC11.
Schedule:	The term of the grant is from 8/01/2006 to 3/31/2013. Construction of the project will be completed within this timeframe.
Recommendation:	SFPUC staff recommends that the Commission adopt the attached resolution.

Administrative Conditions

Administrative Condition #1 was revised. Conditions #13, #14, #15 and #16 were added. All other Administrative Conditions Remain the Same.

1. An interim Federal Financial Report (FFR), Standard Form 425, covering the period from "project/budget period start date" to September 30 of each calendar year shall be submitted to the U.S. EPA Las Vegas Finance Center, PO Box 98515, Las Vegas, NV 89193-8515, no later than December 31 of the same calendar year. **The next FFR is due December 31, 2010.** The final FFR covering the entire project period shall also be submitted within 90 days after the end of the project period according to the recipient's respective Code of Federal Regulations Part 30.52(a)(1)(iv) and 30.71(a), or Part 31.23(b) and 31.41(b) (as applicable). The LVFC will make adjustments, as necessary, to obligated funds after reviewing and accepting a final Federal Financial Report. Recipients will be notified and instructed by EPA if they must complete any additional forms for the closeout of the assistance agreement.

13. To implement requirements of Section 106 of the Trafficking Victims Protection Act of 2000, as amended, the following provisions apply to this award:

a. We, as the Federal awarding agency may unilaterally terminate this award, without penalty, if a subrecipient that is a private entity: (1) is determined to have violated an applicable prohibition in the Prohibition Statement below; or (2) has an employee who is determined by the agency official authorized to terminate the award to have violated an applicable prohibition in the Prohibition Statement below through conduct that is either: (a) associated with performance under this award; or (b) imputed to the subrecipient using the standards and due process for imputing the conduct of an individual to an organization that are provided in 2 CFR part 180, "OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement)," as implemented by our agency at 2 CFR part 1532. You must inform us immediately of any information you receive from any source alleging a violation of a prohibition in the Prohibition Statement below.

b. Our right to terminate unilaterally that is described in paragraph a of this award term: (1) implements section 106(g) of the Trafficking Victims Protection Act of 2000 (TVPA), as amended (22 U.S.C. 7104(g)), and (2) is in addition to all other remedies for noncompliance that are available to us under this award.

c. You must include the requirements of the Prohibition Statement below in any subaward you make to a private entity.

Prohibition Statement - You as the recipient, your employees, subrecipients under this award, and subrecipients' employees may not engage in severe forms of trafficking in persons during the period of time that the award is in effect; procure a commercial sex act during the period of time that the award is in effect; or use forced labor in the performance of the award or subawards under the award.

14. EPA's financial obligations to the recipient are limited by the amount of federal funding awarded to date as shown on line 15 in its EPA approved budget. If the recipient incurs costs in anticipation of receiving additional funds from EPA, it does so at its own risk.

15. Management fees or similar charges in excess of the direct costs and approved indirect rates are not allowable. The term "management fees or similar charges" refers to expenses added to the direct costs in order to accumulate and reserve funds for ongoing business expenses, unforeseen liabilities, or for other similar costs which are not allowable under this assistance agreement.

Management fees or similar charges may not be used to improve or expand the project funded under this agreement, except to the extent authorized as a direct cost of carrying out the scope of work.

16. The recipient organization of this EPA assistance agreement must make an ongoing, good faith effort to maintain a drug-free workplace pursuant to the specific requirements set forth in Title 40 CFR 36.200 - 36.230. Additionally, in accordance with these regulations, the recipient organization must identify all known workplaces under its federal awards, and keep this information on file during the performance of the award.

Those recipients who are individuals must comply with the drug-free provisions set forth in Title 40 CFR 36.300.

The consequences for violating this condition are detailed under Title 40 CFR 36.510. Recipients can access the Code of Federal Regulations (CFR) Title 40 Part 36 at http://www.access.gpo.gov/nara/cfr/waisidx_06/40cfr36_06.html.

Programmatic Conditions

Programmatic Condition #P1 was revised and #P4 was added. All other Programmatic Conditions Remain the Same.

P1. The recipient shall submit quarterly progress reports to the EPA Project Officer within 30 calendar days after the end of each Federal fiscal quarter (January 30, April 30, July 30, and October 30). These reports should include a discussion of the activities conducted during the quarter and progress towards milestones, problems encountered and their resolution, and activities planned for the next quarter. In addition, quarterly reports should identify any special EPA assistance needed, as well as provide a financial accounting of costs incurred during the quarter and cumulative project costs by task.

In accordance with 40 C.F.R section 31.40 (d), the recipient agrees to inform EPA as soon as problems, delays or adverse conditions become known which will materially impair the ability to meet the outputs/outcomes specified in the assistance agreement workplan.

Within 90 days of the end of the project period, the recipient must submit a final report documenting project activities over the entire project period and the recipient's achievements with respect to the project's purposes and objectives.

P4. The recipient agrees to submit to the EPA Project Officer a short narrative describing the environmental and public health benefits of this project. Additionally, at the conclusion of the project, the recipient shall submit an assessment of how effective the project was in achieving the stated environmental and public health objectives.
