I have attended City College, as has most of my family. My son graduated from John Adams. I believe that City College is one of San Francisco's finest working class insitutions.

I am also one of the SF Labor leaders who worked hard, with both labor and community, as we - first saved City College and secondly helped to successfully pass Prop W, which ensured that SF could provide City College Free to San Franciscans.

I am very interested in serving on this Committee as I think we still have work to do in order to strengthen and secure Free City College for those both those who are currently enrolled and those who we were unable to include in our initial victory.

**Business and/or professional experience:**

I have lived in SF for almost 40 years; have been a member of my union OPEIU, for 37 years, and was its Secretary Treasurer, General Manager for 10 years. I continue to serve on both the Taft Hartley Trust Funds for OPEIU - its Health & Welfare Fund and its Pension Fund. I have been a delegate to the SF Labor Council for over 3 decades and have been an officer of the SF Labor Council for the past 15 years.

I am one of the original Commissioners of the SOMA Stablization Fund, still serving after 10 years.

I am one of the founders of Jobs with JusticeSF, a community and labor coalition, and as we celebrate our 7th year of working together, I remain on the Executive Board.

**Civic Activities:**

I have lived at St. Francis Square Cooperative Housing Corp, located in the Fillmore, for over 30 years. Throughout those years, I served on most of the committees, including the Board of Directors several times. St. Francis Square is a coop founded by the International Longshoremen and Waremens Union and as has a motto: "Dedicated to the proposition that all races, religions, and beliefs can live together in harmony." We have 299 units. It is where I raised my two children and now where my three grandchildren come to visit. Living in a Coop takes work and responsibility from its members. I think our coop, now in its 54th year, is carrying out this motto in ways that would make our founders proud. I am proud to say that I have been a part of that success.
