

### Modification 7 to SFMTA Contract 2014-48 with TEGSCO LLC

The San Francisco Municipal Transportation Agency (SFMTA) seeks authorization for the Director of Transportation to execute Modification No. 7 to San Francisco Municipal Transportation Agency Contract No. 2014-48, with TEGSCO, LLC and seek approval of that amendment from the Board of Supervisors. This modification would increase the contract amount by \$49,000,000, for a new total contract amount not to exceed \$137,200,000.

In 2016, the SFMTA executed Contract No. 2014-48 (Contract) with TEGSCO, LLC (Contractor) for towing and storage of abandoned and illegally parked vehicles in the City.

Modification No. 7 to the Contract increases the contract amount by \$49 million to fund the remainder of the extended contract term authorized by previous contract modifications, so requires approval of the Board of Supervisors under Section 9.118 because it increases the contract amount by more than \$500,000.

Not a "project" under CEQA pursuant to CEQA Guidelines Sections 15060(c) and 15378(b) because the action would not result in a direct or a reasonably foreseeable indirect physical change to the environment.
