

Sunnydale HOPE SF

HOPE SF

Launched in 2007, HOPE SF is a twenty-year human and real estate capital commitment, spanning four mayoral administrations. HOPE SF is the nation's first large-scale community development and reparations initiative aimed at creating vibrant, inclusive mixed-income communities without mass displacement of the original residents.

Hunters View, Sunnydale, Potrero, and Alice Griffith, the four HOPE SF sites, share the goal of eradicating intergenerational poverty by:

- Ensuring No Loss of Public Housing.
- Creating an Economically Integrated Community.
- Maximizing the Creation of New Affordable Housing.
- Involving Residents in the Highest Levels of Participation in the Entire Project.
- Providing Economic Opportunities through the Rebuilding Process.
- Integrating Process with Neighborhood Improvement Revitalization Plans.
- Creating Economically Sustainable and Accessible Communities.
- Building a Strong Sense of Community.
