16 Be it ordained by the People of the City and County of San Francisco:

17 Section 1. General Background, and Environmental and Land Use Findings.

18 (a) The Friendship House Association of American Indians (the "Project Sponsor")  
 19 proposes to construct a six-story building on a vacant lot adjacent to its existing facilities at 56  
 20 Julian Avenue (the "Project"). The new building would contain a youth recreation and  
 21 development center, an elder services center and community gathering space, a floor devoted  
 22 to youth and teen programs and other social services, a dental clinic on the third floor, and a  
 23 medical clinic on the fourth floor. The fifth and sixth floors would include 21 Group Housing  
 24 rooms providing interim housing to graduates from the Friendship House substance use  
 25 disorder program (fifth floor) and to mothers participating in the substance use disorder

1 program and their children (sixth floor). The rooftop would contain common space for building  
2 residents, areas for vegetable planting, and other green/living roof components.

3 (b) On December 7, 2022, the Planning Department published a Preliminary Mitigated  
4 Negative Declaration (“PMND”), which found that the Project could have potentially significant  
5 impacts on the environment. Any impacts, however, will be reduced to a less than significant  
6 level because the Project Sponsor will implement all mitigation measures identified in the  
7 PMND. The Planning Department prepared and publicized the PMND in compliance with the  
8 provisions of the California Environmental Quality Act (California Public Resources Code  
9 Sections 21000 et seq., “CEQA”), the State CEQA Guidelines (California Code of Regulations  
10 Title 14 Sections 15000 et seq.), and Chapter 31 of the San Francisco Administrative Code  
11 (“Chapter 31”).

12 (c) On January 11, 2023, following the required notice and appeal period, the Planning  
13 Department published a Final Mitigated Negative Declaration (“FMND”), a copy of which is on  
14 file with the Clerk of the Board of Supervisors in File No. 221261 and incorporated herein by  
15 reference.

16 (d) At its hearing on January 26, 2023, and prior to recommending the proposed  
17 Planning Code and Zoning Map amendments for approval, by Motion No. 21237, the Planning  
18 Commission adopted findings under CEQA, including a Mitigation Monitoring and Reporting  
19 Program (“MMRP”) as required by State and local law (collectively, “CEQA Findings”). The  
20 Board of Supervisors hereby adopts and incorporates by reference the CEQA Findings. In so  
21 doing, the Board of Supervisors approves and endorses the MMRP for implementation by  
22 other City departments. A copy of the CEQA Findings and the MMRP is on file with the Clerk  
23 of the Board of Supervisors in File No. 221261 and is incorporated herein by reference.

24 (e) The Board of Supervisors finds that the actions taken in this ordinance are within  
25 the scope of the Project analyzed in the FMND and subject to the CEQA Findings. The Board

1 of Supervisors further finds that (1) no substantial changes are proposed in the Project and no  
2 substantial changes have occurred with respect to the circumstances under which this Project  
3 will be undertaken that would cause new significant environmental effects or a substantial  
4 increase in the severity of previously identified effects, and (2) there is no new information of  
5 substantial importance showing that the Project would have any significant effects not  
6 discussed in the FMND, that significant effects would be substantially more severe, or that  
7 new or different mitigation measures or alternatives would substantially reduce one or more  
8 significant effects of the Project.

9 (f) At the same hearing on January 26, 2023, the Planning Commission, in Resolution  
10 No. 21236, recommended that the Board of Supervisors adopt amendments to the Planning  
11 Code and adopted findings that the actions contemplated in this ordinance are consistent, on  
12 balance, with the City's General Plan and eight priority policies of Planning Code Section  
13 101.1. The Board adopts these findings as its own. A copy of said Resolution is on file with  
14 the Clerk of the Board of Supervisors in File No. 221261 and is incorporated herein by  
15 reference.

16 (g) Pursuant to Planning Code Section 302, the Board of Supervisors finds that this  
17 ordinance will serve the public necessity, convenience, and welfare for the reasons set forth in  
18 Planning Commission Resolution No. 21236 and incorporates such reasons by this reference  
19 thereto. A copy of said resolution is on file with the Clerk of the Board of Supervisors in File  
20 No.221261.
