Accept & Expend Resolution for Charity Cultural Services Center

In mid-December 2025, the Office of Economic and Workforce Development (OEWD) received notification of a \$50,000 State allocation from Senator Wiener's office to support ADA restroom design improvements at the Charity Cultural Services Center (CCSC) in San Francisco. The California Budget Act (Page 29, Section 23, Line 25) designates these funds as available to the City and County of San Francisco for ADA restroom improvements at CCSC. The funding is allocated to the City and County of San Francisco and is not directly awarded to CCSC.

At this time, there is no executed grant agreement between the City and County of San Francisco and the California Natural Resources Agency (CNRA). **Due to State rules and regulations, OEWD must first provide an adopted Resolution by the Board of Supervisors in order for CNRA to draft and execute a grant agreement with the City.**

Accordingly, the City must first pass this required Accept & Expend resolution before a grant agreement can be finalized and funds disbursed. Supporting documentation around this State requirement is included in the legislative file.
