24 Be it ordained by the People of the City and County of San Francisco:

1 Section 1. Findings.

2 (a) California Streets and Highways Code Sections 8300 et seq. and San Francisco  
3 Public Works Code Section 787(a) set forth the procedures that the City and County of San  
4 Francisco ("City") follows to vacate public streets.

5 (b) The City and India Basin Investment, LLC ("Developer") are parties to an  
6 agreement (the "Development Agreement") for the development of a mixed-use project and  
7 improvement and expansion of the India Basin Open Space, a public open space under the  
8 jurisdiction of the City's Recreation and Park Department (the "India Basin Project").

9 (c) The India Basin Project was approved by the Board of Supervisors by Motion M18-  
10 136 and Ordinance Nos. 251-18, 252-18, and 261-18, copies of which are on file with the  
11 Clerk of the Board in File Nos. 180842, 180680, 180681, and 180816, respectively, and  
12 incorporated herein by reference.

13 (d) As contemplated under the Development Agreement, certain public streets within  
14 the India Basin Project must be vacated in order to fulfill the public benefits to be obtained  
15 through the Development Agreement.

16 (e) In furtherance thereof, on \_\_\_\_\_, 2019, the City adopted Resolution No.  
17 \_\_\_\_\_ ("Resolution of Intention"), declaring the City's intent to vacate certain  
18 public streets lying within the boundaries of the future mixed-use project and the existing and  
19 future India Basin Open Space. The Resolution of Intention is on file with the Clerk of the  
20 Board of Supervisors in File No. 190969 and is incorporated herein by reference.

21 (f) As contemplated by the Development Agreement, the following public streets to be  
22 vacated under this ordinance will be conveyed by the City to Developer and developed as part  
23 of the India Basin Project (collectively, the "Development Parcels"): portions of Hudson  
24 Avenue, Earl Street, and Arelious Walker Drive that are identified as Parcels 12, 13, 15, and  
25 16 on the Public Works ("PW") SUR Map No. 2019-004, dated September 20, 2019 (the "IB

1 SUR Map”), a copy of which is on file with the Clerk of the Board of Supervisors in File No.  
2 190971, and incorporated herein by reference.

3 (g) The following public streets to be vacated under this ordinance are existing Port-  
4 owned streets and, upon vacation, will remain in Port ownership, subject to the public trust,  
5 but will be incorporated into the India Basin Open Space and managed by City’s Recreation  
6 and Park Department (the “Port Parcels”): portions of Fairfax Avenue, Evans Avenue, Earl  
7 Street, Arelious Walker Drive, and Fitch Street, that are identified as Parcels 1, 2, 3, 6, and 8  
8 on the IB SUR Map.

9 (h) The following public streets to be vacated under this ordinance are existing City-  
10 owned streets which, upon vacation, will remain City property, but quitclaimed to the State as  
11 part of the Public Trust Exchange (as defined below) and immediately patented back to the  
12 City, in trust, to be held under Port jurisdiction but incorporated into the India Basin Open  
13 Space and managed by City’s Recreation and Park Department (the “City Future Trust  
14 Parcels”): portions of Hudson Avenue, Arelious Walker Drive, Galvez Avenue, and Earl Street  
15 that are identified as Parcels 4, 5, 7, 9, 10, 11, and 14 on the IB SUR Map.

16 (i) The Development Parcels, the Port Parcels and the City Future Trust Parcels are  
17 referred to collectively in this ordinance as the “Vacation Area.”

18 (j) The Board of Supervisors finds it appropriate and in the public interest to pursue the  
19 street vacations in the Vacation Area as described above as part of the India Basin Project.

20 (k) The Clerk of the Board of Supervisors has transmitted to the Director of Public  
21 Works (“PW Director”) a certified copy of the Resolution of Intention, and the PW Director has  
22 caused notice of adoption of said Resolution to be posted in the manner required by law.

23 (l) When such matter was considered as scheduled by the Board of Supervisors at its  
24 regular meeting on \_\_\_\_\_, 2019, the Board heard all persons interested in the  
25 vacation of the Vacation Area.

1 (m) As provided under Section 6.2 and Exhibit V of the Development Agreement and  
2 contemplated by Ordinance No. 252-18, the City agreed to vacate the Development Parcels  
3 and, following the vacation and satisfaction of any applicable City conditions, to convey the  
4 underlying land to the Developer in connection with the land assembly required for the  
5 Project. In return, Developer is obligated under the Development Agreement to convey  
6 certain land to the City for future streets and parks. As required under the Development  
7 Agreement, the City would convey a total of 3.8 acres of the Development Property to the  
8 Developer in exchange for the following property to be received from the Developer: (1) a  
9 conveyance of 2.6 acres of Developer-owned property (the "Trust Exchange Property") that  
10 will be conveyed to the City for parks and open space in connection with the implementation  
11 of the public trust exchange (the "Public Trust Exchange"), with 0.14 of those acres to be  
12 conveyed separately, all as authorized under the Public Trust Exchange Agreement,  
13 substantially in the form approved in Ordinance No. 252-18; and (2) the dedication to the City  
14 of 3.8 acres of Developer-owned property for future right-of-ways that will be accepted by the  
15 City upon completion of the applicable street improvements (the "Future Streets Dedication  
16 Property").

17 (n) In furtherance of its obligations under the Development Agreement, the City is  
18 undertaking the street vacation actions contemplated by this ordinance and the City proposes  
19 to quitclaim its interest to Developer in the Development Parcels as part of the Public Trust  
20 Exchange to help facilitate the development of the India Basin Project.

21 (o) In addition, to resolve title issues and implement the successful development of the  
22 India Basin Open Space (an approximately 6.2-acre open space along the shoreline on  
23 property which will be under the jurisdiction of the Recreation and Park Department and the  
24 Port of San Francisco), City also wishes to vacate (1) the Port Parcels, which will continue to  
25 be held by the Port for use within India Basin Open Space and managed by the Recreation

1 and Park Department, and (2) the City Future Trust Parcels, which will be quitclaimed to the  
2 State and re-conveyed to the City, in trust, to be held by the Port for use within the India Basin  
3 Open Space and managed by the Recreation and Park Department.

4 (p) In PW Order No. 201923, dated September 20, 2019, on file with the Clerk of the  
5 Board of Supervisors in File No. 190971, the PW Director determined (1) the Vacation Area is  
6 unnecessary for the City's present or prospective public street, sidewalk, and service  
7 easement purposes, subject to a reservation of rights in favor of the City for a temporary non-  
8 exclusive easement for right-of-ways over Parcels 15 and 16 on the IB SUR Map, comprising  
9 approximately 1.5 acres of the Vacation Area, which easement will terminate automatically  
10 upon (i) the PW Director's issuance of Determination of Completion for at least 1.3 acres of  
11 public right-of-ways within Phase 1 of the Project in accordance with the Development  
12 Agreement; or (ii) such earlier date at PW Director's discretion; (2) the public interest,  
13 convenience, and necessity do not require easements or other rights to be reserved for any  
14 public or private utilities or facilities that are in place and any rights based on such public or  
15 private utilities or facilities are extinguished, except as provided for in subsections (b)(1) and  
16 (b)(2) of Section 2 of this ordinance that reserve temporary rights for the benefit of PG&E and  
17 San Francisco Public Utilities Commission ("SFPUC") within portions of the Vacation Area, to  
18 be extinguished as provided therein; (3) in accordance with California Streets and Highways  
19 Code Sections 892 and 8314, the Vacation Area is no longer useful as a nonmotorized  
20 transportation facility; (4) the consent of all property owners adjacent to the Vacation Area  
21 was obtained; and (5) the decision to quitclaim the City's interest in the Development Parcels  
22 to Developer, following the vacation and satisfaction of any applicable City conditions, is  
23 contemplated under Section 6.2 and Exhibit V of the Development Agreement and was  
24 approved by the Board in Ordinance No. 252-18.

1 (q) The Board of Supervisors adopts as its own the recommendations of the PW  
2 Director as set forth in PW Order No. 201923 concerning the vacation of the Vacation Area  
3 and other actions in furtherance thereof and the Board hereby incorporates such  
4 recommendations and findings by reference as though fully set forth herein.

5 (r) On July 26, 2018, by Motion No. 20247, the Planning Commission certified the  
6 Final Environmental Impact Report ("FEIR") for the India Basin Project (Planning Case No.  
7 2014-002541ENV) as accurate, complete, and in compliance with the California  
8 Environmental Quality Act (California Public Resources Code Sections 21000 et seq.,  
9 "CEQA") and Administrative Code Chapter 31. Said Motion is on file with the Clerk of the  
10 Board of Supervisors in File No. 180680 and is incorporated herein by reference.

11 (s) On July 26, 2018, by Motion No. 20248, the Planning Commission approved CEQA  
12 Findings, including adoption of a Mitigation Monitoring and Reporting Program ("MMRP"),  
13 under Case No. 2014-002541ENV, for approval of the India Basin Project. Said Motion is on  
14 file with the Clerk of the Board of Supervisors in File No. 180681, and is incorporated herein  
15 by reference. The Board of Supervisors adopts and relies on these CEQA Findings for  
16 purposes of all the actions contemplated in this ordinance.

17 (t) In a letter dated November 26, 2018 ("Planning Letter"), the Planning Department  
18 determined that the proposed vacation of the Vacation Area and other actions contemplated  
19 in this ordinance are consistent with the General Plan and priority policies of Planning Code  
20 Section 101.1. A copy of said letter is on file with the Clerk of the Board of Supervisors in File  
21 No. 190971 and is incorporated herein by reference as though fully set forth herein. The  
22 Board of Supervisors adopts as its own the consistency findings of the Planning Letter.

23 (u) Also in the Planning Letter, the Planning Department determined that the actions  
24 contemplated in this ordinance comply with CEQA. The Board hereby affirms this  
25 determination for the reasons stated therein.

1 (v) In a letter dated September 23, 2019, the Director of Property for the Real Estate  
2 Division recommends the real property transactions related to the street vacation. This letter  
3 is on file with the Clerk of the Board of Supervisors in File No. 190971 and incorporated herein  
4 by reference.

5 (w) The SFPUC General Manager has reviewed this ordinance pursuant to the  
6 authority granted to the General Manager in the SFPUC's Consent to the Development  
7 Agreement, and recommends approval of this ordinance, subject to the reservation of non-  
8 exclusive easements within Arelious Walker Drive as provided in subsection (b)(2) of Section  
9 2 of this ordinance.

10  
11 Section 2. Street Vacation.

12 (a) The Board of Supervisors hereby vacates the Vacation Area, as shown on the IB  
13 SUR Map, pursuant to California Streets and Highways Code Sections 8300 et seq. and  
14 Public Works Code Section 787(a).

15 (b) The Board of Supervisors finds that the Vacation Area is unnecessary for present  
16 or prospective public use, subject to:

17 (1) The reservation of rights for existing PG&E gas facilities in Arelious Walker  
18 Drive and existing overhead electrical facilities in a portion of Earl Street identified as Parcel  
19 13 on the IB SUR Map, which will terminate effective automatically with no requirement for  
20 further action on the earlier to occur of (i) the relocation or removal of the facilities, with  
21 concurrence of PG&E, (ii) termination of service to customers through the facilities, or (iii)  
22 City's acceptance for City maintenance and liability of new public right of ways within the India  
23 Basin Project that include equivalent or better gas and electric facilities.

24 (2) The reservation of non-exclusive easements for the City to maintain an  
25 existing 8-inch water main and four hydrants within the portion of the Development Parcels

1 that lies within the existing Arelious Walker cul-de-sac, to further the public interest,  
2 convenience, and necessity. The reserved easements will be extinguished by quitclaim deed  
3 upon acceptance of the replacement facilities or earlier at PW Director's discretion based on  
4 consultation with the affected City departments.

5 (3) The reservation of rights in favor of the City for a temporary non-exclusive  
6 easement for right-of-ways over Parcels 15 and 16 on the IB SUR Map, comprising  
7 approximately 1.5 acres of the Vacation Area, which easement will terminate automatically  
8 upon (i) the PW Director's issuance of Determination of Completion for at least 1.3 acres of  
9 public right-of-ways within Phase 1 of the Project in accordance with the Development  
10 Agreement, or (ii) such earlier date at PW Director's discretion.

11  
12 Section 3. Real Property Transaction; Delegation of Authority.

13 (a) The Board of Supervisors adopts the recommendations of the Director of Property  
14 in the letter dated September 23, 2019. Notwithstanding the provisions of Administrative  
15 Code Chapter 23 and as contemplated in the Development Agreement and the Public Trust  
16 Exchange Agreement, the Board of Supervisors approves the following conveyances: (1)  
17 City's quitclaim of its interests in the Development Parcels to Developer, and (2) City's  
18 quitclaim of its interest in the City Future Trust Parcels in connection with the Public Trust  
19 Exchange to the State, which City Future Trust Parcels will be re-conveyed to the City, in  
20 trust, to be held by the Port for use within India Basin Open Space and managed by the  
21 Recreation and Park Department.

22 (b) The Board of Supervisors delegates to the Director of Property, in consultation with  
23 the City Attorney's Office, the authority to make nonmaterial changes in, and to finalize and  
24 execute, the quitclaim deed(s) on behalf of the City, conveying the Development Parcels and  
25 the City Future Trust Parcels, all in accordance with the terms of the Development

1 Agreement, the Public Trust Exchange Agreement, and as set forth in this ordinance, upon  
2 the satisfaction of all conditions to closing contemplated in the Development Agreement and  
3 the Public Trust Exchange Agreement, including, but not limited to, the following:

4 (1) The Public Trust Exchange has occurred or will be occurring concurrently  
5 with the closing, and Developer has conveyed to the City, or will concurrently with the closing  
6 convey to the City, the Trust Exchange Property; and

7 (2) The Director of Property has made a finding that the quitclaim of the  
8 applicable Development Parcel will not result in a net loss of acreage for the City, as follows:

9 (i) the acreage, calculated cumulatively as of the date of the quitclaim, of Trust Exchange  
10 Property and Future Streets Dedication Property conveyed by Developer to the City, plus the  
11 acreage of temporary easements reserved by the City pursuant to subsection (b)(3) of  
12 Section 2 of this ordinance, on the one hand, and (ii) the acreage, calculated cumulatively as  
13 of the date of the quitclaim, of the Development Parcel to be quitclaimed to Developer, on the  
14 other hand.

15 (c) Copies of the draft quitclaim deeds referenced in this ordinance are on file with the  
16 Clerk of the Board of Supervisors in File No. 190971 and incorporated herein by reference.

20 Surveyor, Assessor-Recorder, Port Director, and PW Director are hereby authorized and
