PERMIT SECTION

Dear Mr. Nuru:

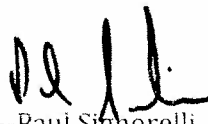

I am writing on behalf of the Hidden Garden Steps organizing committee.

In reference to Permit Application No. 12ME-0009, upon approval of our Project (on 16th Avenue, between Kirkham and Lawton streets in San Francisco's Inner Sunset District) by the Board of Supervisors and subsequent issuance of a permit from the Department of Public Works, we intend to install the 148-step ceramic-tile mosaic created by artists Aileen Barr and Colette Crutcher.

Upon completion of the project, we hope you will accept our gift of the tiled steps and a maintenance fund of at least \$20,000 for any repairs needed for the Steps mosaic.

It has been a tremendous pleasure to work with the support of SF DPW and other City/County colleagues during the nearly four years it has taken to reach this point, and we are looking forward to installation of the completed mosaic as soon as other onsite work by DPW is completed.

With warmest regards and heartfelt thanks for DPW's collaborations on the project,

--Paul Signorelli
