Proposed Budget

---

Madam Clerk,

Pursuant to Proposition J, the Minimum Wage Ordinance, passed by the voters of San Francisco in November 2014, the minimum wage now exceeds the value of minimum compensation as defined in San Francisco Administrative Code, SEC 12P.3. This letter provides notice to the Board of Supervisors that the Mayor's Proposed Budget for Fiscal Years (FY) 2017-18 and FY 2018-19 contains funding to support minimum wage for nonprofit corporations and public entities in FY 2017-18 and FY 2018-19.

Re: Interim Exceptions to the Annual Salary Ordinance

I herein present exceptions to the Annual Salary Ordinance (ASO) for consideration by the Budget and Finance Committee of the Board of Supervisors. The City's standard practice is to budget new positions at 0.77 FTE. Where there is justification for expedited hiring however, the Board may authorize exceptions to the Interim ASO, which allow new positions to be filled in the first quarter of the fiscal year, prior to final adoption of the budget.

Exceptions are being requested for the following positions:

***General Fund Positions (18.2 FTE)***

• **City Administrator (6.0 FTE)**

1324 Customer Service Agent (2.0 FTE) and 1326 Customer Service Agent Supervisor (1.0 FTE) are not new positions. These positions are at 311 and are currently filled as temporary exempt. Now that the pilot work order from the Treasurer-Tax Collector will continue indefinitely, this staff must be transferred to permanent positions. 2992 Contract Compliance Officer I (1.0 FTE) is not a new position. This position was filled in the current year as temporary, as it is funded by a mid-year work order from the Mayor's Office of Housing and Community Development. When the work order is formalized in the upcoming budget, the staffer will move to the newly created position on July 1. 1822 Administrative Analyst (1.0 FTE) will staff the Office of Civic Engagement & Immigrant Affairs in order to do Sanctuary city training to city departments. This new position is funded as part of the Mayor's Rebalancing Plan from December 2016. Finally, a Manager III 0931 (1.0 FTE) will be the Director of the Office; an interim exception is needed because the person in this role will need to establish an entire office and develop policies and procedures around recreational cannabis by January 1, 2018, on which date recreational cannabis sales will become legal in San Francisco.

• **Public Defender (5.0 FTE)**

8106 Legal Process Clerk (1.0 FTE), 8173 Legal Assistant (1.0 FTE), and 8177 Attorney (3.0 FTE). One full time 8173 Legal Assistant and three full time 8177 Attorneys are not new positions. They support the newly formed Immigration Defense Unit at the Public Defender's Office, established in April 2017; these positions were initially hired and funded with temporary salary dollars in FY 2016-17, and will be transferred from temporary to a three-year, limited term positions beginning in July 2017. One new full time 8106 Legal Process Clerk will support the newly formed Immigration Defense Unit at the Public Defender's Office, established in April 2017.

- **Department of Public Works (3.0 FTE)**  
0922 Manager I (1.0 FTE), 1823 Senior Administrative Analyst, (1.0 FTE), and 1842 Management Assistant (1.0 FTE) are not new positions. Rather, they were filled as temporary exempt positions in FY 2016-17. These positions are part of the Fix-It team.
- **Fire Department (2.0 FTE)**  
H022 Lt, Bureau Of Fire Prevention & Public Safety (1.0 FTE) and H040 Battalion Chief, (Fire Department) (1.0 FTE) are not new positions. Rather, they are existing employees continuing on a work order with the Department of Building Inspection for public information and outreach projects. These positions represent a continuation of a successful program that began one year ago and is expected to continue through both budget years.
- **Adult Probation Department (1.5 FTE)**  
8434 Supervising Adult Probation (0.5 FTE) and 8529 Probation Assistant (1.0 FTE) are not new positions. Rather, these positions were budgeted and filled in Fiscal Year 2016-17, and they were not annualized. A lapse in funding would result in a disruption to operations; therefore, these positions must continue through this technical budget correction.
- **Department of Children, Youth, and Families (0.7 FTE)**  
9770 Community Development Assistant (0.7 FTE) is not a new position. Rather, the current employee will become partially grant-funded beginning in FY 2017-18. Since draw down on the grant will begin in July, this position shows as an interim exception. This 0.7 FTE is the DCYF-funded portion of the position which is partially funded by the grant.

***Non-General Fund Positions (23.21 FTE)***

- **Assessor (7.0 FTE)**  
1820 Junior Administrative Analyst (3.0 FTE), 4213 Assessor-Recorder Office Assistant (1.0 FTE), and 4215 Assessor-Recorder Senior Office Specialist (1.0 FTE) are not new positions. The 4265 Senior Real Property Appraisers (2.0 FTE) are new off-budget grant-funded positions. The Assessor-Recorder wishes to extend three existing 1820 grant positions, one 4213, and one 4215, for one year with grant funding carryover generated by delayed hiring. There will be no General Fund Impact. The two 4265 Senior Real Property Appraisers are requested for the renewal of State-County Partnership Agreement Grant Program. The Assessor's Department wishes to add as interim exception to avoid delay in hiring once the grant comes through. There will be no General Fund Impact.
- **City Administrator (7.0 FTE)**  
2708 Custodian (7.0 FTE) are not new positions. The current budget action makes permanent these existing temporary positions in the Real Estate Division that work as curators at a Human Services Agency office building that began using the Real Estate Division for custodial service. Interim exceptions are needed because the positions are already filled.
- **Department of Technology (3.0 FTE)**  
1044 IS Engineer-Principal (3.0 FTE) are not new positions. These positions are existing project-funded positions that will renew in FY 2017-18 due to continued project funding.
- **Human Services Agency (3.0 FTE)**  
0941 Manager VI (1.0 FTE) and 2917 Program Support Analyst (2.0 FTE) are not new positions. The 2917s were transferred from General Fund to Dignity Fund in the Base budget

and appear as Interim Exceptions due to technical budget correction. The 0941 is a fully grant-funded position that was added in last year's budget. The current budget moves the position from an old grant detail (SSCCRL16) to new grant detail (SSCCRL18), but the position is continuing and not new.

- **Public Library (2.0 FTE)**  
1222 Senior Payroll and Personnel Clerk (1.0 FTE) and 1244 Senior Personnel Analyst (1.0 FTE) are not new positions. Both 1222 and 1244 were hired TEX, temporary salaries. The Library will need both positions at 1.00 FTE so as to continue to provide recruitment and processing support system-wide. Both positions are crucial to ensure timely hiring and on-boarding process for Branch expanded hours in June.
- **Adult Probation Department (0.91 FTE)**  
8444 Deputy Probation Officer (0.67 FTE) and 9920 Public Service Aide (0.24 FTE) are not new positions. Rather, these positions are grant-funded with current staffing in place. These ongoing grants fund the Domestic Violence Specialized probation program and the Drug Elimination Team in cooperation with the Department of Children, Youth and Their Families. These positions are filled and funded, and must continue, since a lapse in staffing will result in a disruption to program operations.
- **Department of Department of Children, Youth & Their Families (0.3 FTE)**  
9770 Community Development Assistant (0.3 FTE) is not a new position. Rather, the current employee will become partially grant-funded beginning in FY 2017-18. Since draw down on the grant will begin in July, this position shows as an interim exception.

Please do not hesitate to contact me if you have any questions regarding the requested interim exceptions to the Annual Salary Ordinance.

Sincerely,

Melissa Whitehouse

Re: Notice of Transfer of Functions under Charter Section 4.132

---

This memorandum constitutes notice to the Board of Supervisors under Charter Section 4.132 of transfers of functions between departments within the Executive Branch. All positions are regular positions unless otherwise specified. The positions include the following:

Three positions (3.0 FTE 7332) of Maintenance Machinists to be transferred from City Administrator's General Services Administration (GSA) Fleet Machine Shop to the Public Utilities Commission's Water Enterprise City Distribution Division Machine Shop. This will not increase net FTEs. Currently, the GSA Fleet Machine Shop provides fabrication and repair services for SFFD's Auxiliary Water Supply System (AWSS) through a work order. This work order will be shifted from ADM to PUC with this transfer of function. PUC is already managing and maintaining AWSS for SFFD, so this would move AWSS work under one roof.

### MANDATE STATEMENT/ DETAILS OF PROPOSED LEGISLATION

The proposed legislation would approve the FY 2017-18 and FY 2018-19 Annual Appropriation Ordinance (File 17-0653) and Annual Salary Ordinance (File 17-0654). The proposed ordinances contain the administrative provisions governing the Annual Appropriation Ordinance and Annual Salary Ordinance.

#### Administrative Provisions of the Annual Appropriation Ordinance

Major revisions recommended by the Controller to the Administrative Provisions of the Annual Appropriation Ordinance (AAO) are as follows:

- **Section 26.1:** This is a new provision authorizing the Controller to apply operational savings in the budgets of the Tax Collector, Assessor, and Controller to the Property Tax System Replacement Project, in order to minimize new appropriations. We recommend that the Controller report to the Budget and Legislative Analyst's Office and Budget and Finance Committee, no later than June 1, 2018 for the FY 2018-19 budget review, the specific amount of operational savings, including details on the source of such savings, in the budgets of Tax Collector, Assessor, and Controller that are re-allocated to the Property Tax System Replacement Project.
- **Section 32:** The FY 2016-17 AAO allocated \$60,000,000 to a budget contingency reserve for the purpose of managing cost and revenue uncertainty in the FY 2017-18 (the second year of the two-year FY 2016-17 and FY 2017-18 budget). This provision is revised to reduce the budget contingency reserve in FY 2017-18 to \$50,000,000 and specify that the budget contingency reserve is designated for the Zuckerberg San Francisco General Hospital Operating Fund for the purpose of managing cost and revenue uncertainty related to federal and state changes to the administration and funding of the Affordable Care Act during the term of proposed budget.
- **Section 33:** This is a new provision allocating \$10,000,000 of unassigned fund balance from FY 2016-17 to a budget contingency reserve in FY 2018-19 (the second year of the two-year FY 2017-18 and FY 2018-19 budget) for the purpose of managing state and federal revenue uncertainty. This assignment shall not be included in the calculations of deposits to the Budget Stabilization Reserve as required in Administrative Code Section 10.60 (c).
- **Section 35:** This is a new provision covering allocation of funding from the general purpose tax on the distribution of sugar-sweetened beverages effective January 1, 2018 to programs to reduce the consumption of sugar-sweetened beverages in San Francisco. Under this provision, the Controller shall allocate program funds according to

the recommendations of the Sugary Drinks Distributor Tax Advisory Committee (as established by the voters in Proposition V in November 2016), subject to approval of the Mayor's Budget Director and Chair of the Board of Supervisors Budget Committee. The Budget and Legislative Analyst recommends revising the proposed provision to require Board of Supervisors approval of funding allocations.

#### **Administrative Provisions of the Annual Salary Ordinance**

The Annual Salary Ordinance (ASO) administrative provisions have the following revisions:

- Section 2.1 increases the stipend paid to Public Utilities Commission and Recreation and Park Department employees who live outside of the areas served by Health Service System plans other than the City Health Plan. The stipend for (a) such Public Utilities Commission and Recreation and Park Department employees increases from \$191.14 to \$982.44 per month for family coverage; and (b) Public Utilities Commission employees increases \$66.79 to \$700.73 per month for employee plus one dependent. In FY 2016-17 the Health Service System Board approved subsidizing the City Health Plan rates, using claims reserve funds. Such subsidies are not available in FY 2017-18, resulting in an increase in the stipend.

#### **Recommendations**

- Amend File 17-0653 to (a) revise Section 26.1 for the Controller to report to the Budget and Legislative Analyst's Office and Budget and Finance Committee no later than June 1, 2018 for the FY 2018-19 budget review on the specific amount of operational savings, including details on the source of such savings, in the budgets of Tax Collector, Assessor, and Controller that are re-allocated to the Property Tax System Replacement Project; and (b) revise Section 35 to require Board of Supervisors approval of allocation of funding from the general purpose tax on the distribution of sugar-sweetened beverages to programs to reduce the consumption of sugar-sweetened beverages in San Francisco.
- The Board of Supervisors will be considering the first reading of the FY 2017-18 Interim Annual Appropriation Ordinance (AAO) (File 17-0651) and Interim Annual Salary Ordinance (ASO) (File 17-0652) on June 13, 2017, which contain these administrative provisions. The Budget and Legislative Analyst recommends approving the administrative provisions to the Interim AAO and Interim ASO, as amended.

25

1 programs or projects previously approved by the Board of Supervisors. Authorization for the  
2 purchase of such equipment may be approved by the Board of Supervisors.

5 ordinance, no transfer of funds within a department shall be permitted without approval of the

18 **SECTION 4.1 Interim Budget – Positions.**

19 No new position may be filled in the interim period with the exception of those positions which  
20 in the discretion of the Controller are critical for the operation of existing programs or for  
21 projects previously approved by the Board of Supervisors or are required for emergency  
22 operations or where such positions would result in a net increase in revenues or where such  
23 positions are required to comply with law. New positions shall be defined as those positions  
24 that are enumerated in the Mayor's budget for the current fiscal year but were not enumerated  
25 in the appropriation and salary ordinances for the prior fiscal year, as amended, through June

1 30 of the prior fiscal year. In the event the Mayor has approved the reclassification of a  
2 position in the department's budget for the current fiscal year, the Controller shall process a  
3 temporary or "tx" requisition at the request of the department and subject to approval of the  
4 Human Resources Director. Such action will allow for the continued employment of the  
5 incumbent in his or her former position pending action by the Board of Supervisors on the  
6 proposed reclassifications.

7  
8 If the Budget Committee of the Board of Supervisors recommends a budget that reinstates  
9 positions that were deleted in the Mayor's Budget, the Controller and the Director of Human  
10 Resources shall have the authority to continue to employ and pay the salaries of the  
11 reinstated positions until final passage of the budget by the Board of Supervisors, and  
12 approval of the budget by the Mayor.

13  
14 **SECTION 5. Transfers of Functions and Duties.**

15 Where revenues for any fund or department are herein provided by transfer from any other  
16 fund or department, or where a duty or a performance has been transferred from one  
17 department to another, the Controller is authorized and directed to make the related transfer  
18 of funds, provided further, that where revenues for any fund or department are herein  
19 provided by transfer from any other fund or department in consideration of departmental

21 actual cost of such service.

22  
23 Where a duty or performance has been transferred from one department to another or  
24 departmental reorganization is effected as provided in the Charter, in addition to any required

4 Clerk of the Board of Supervisors, with assistance of the City Attorney, are hereby authorized  
5 and directed to make such changes as may be necessary to conform all applicable  
6 ordinances to reflect said reorganization, transfer of duty or performance between  
7 departments.

8  
9 **SECTION 5.1 Agencies Organized under One Department.**

10 Where one or more departments or agencies are organized under a single appointing officer  
11 or department head, the component units can continue to be shown as separate agencies for  
12 budgeting and accounting purposes to facilitate reporting. However the entity shall be  
13 considered a single department for purposes of employee assignment and seniority, position  
14 transfers, and transfers of monies among funds within the Department of Public Health, and  
15 reappropriation of funds.

16  
17 **SECTION 5.2 Continuing Funds Appropriated.**

18 In addition to the amount provided from taxes, the Controller shall make available for  
19 expenditure the amount of actual receipts from special funds whose receipts are continuously  
20 appropriated as provided in the Administrative and Municipal Codes.

21  
22 **SECTION 5.3 Multi-Year Revenues.**

23 In connection with money received in one fiscal year for departmental services to be  
24 performed in a subsequent year, the Controller is authorized to establish an account for  
25 depositing revenues which are applicable to the ensuing fiscal year, said revenue shall be

1 carried forward and become a part of the funds available for appropriation in said ensuing  
2 fiscal year.

3

4 **SECTION 5.4 Contracting Funds.**

5 All money received in connection with contracts under which a portion of the moneys received  
6 is to be paid to the contractors and the remainder of the moneys received inures to the City  
7 and County shall be deposited in the Treasury.

8

9 (a) That portion of the money received that under the terms of the contract inures to  
10 the City and County shall be deposited to the credit of the appropriate fund.

11

12 (b) That portion of the money received that under the terms of the contracts is to be  
13 paid to the contractor shall be deposited in special accounts and is hereby appropriated for  
14 said purposes.

15

16 **SECTION 5.5 Real Estate Services.**

17 Rents received from properties acquired or held in trust for specific purposes are hereby  
18 appropriated to the extent necessary for maintenance of said properties, including services of  
19 the General Services Agency.

20

21 Moneys received from lessees, tenants or operators of City owned property for the specific  
22 purpose of real estate services relative to such leases or operating agreements are hereby  
23 appropriated to the extent necessary to provide such services.

24

25

1     **SECTION 5.6 Collection Services.**

2     In any contracts for the collection of unpaid bills for services rendered to clients, patients or  
3     both by the Department of Public Health in which said unpaid bills have not become  
4     delinquent pursuant to the provisions of Administrative Code Section 10.37 and 10.38, the  
5     Controller is hereby authorized to adjust the estimated revenues and expenditures of the  
6     various divisions and institutions of the Department of Public Health to record such recoveries.  
7     Any percentage of the amounts, not to exceed 25 percent, recovered from such unpaid bills  
8     by a contractor is hereby appropriated to pay the costs of said contract. The Controller is  
9     authorized and is hereby directed to establish appropriate accounts to record total collections  
10    and contract payments relating to such unpaid bills.

11  
12    **SECTION 5.7 Contract Amounts Based on Savings.**

13    When the terms of a contract provide for payment amounts to be determined by a percentage  
14    of cost savings or previously unrecognized revenues, such amounts as are actually realized  
15    from either said cost savings or unrecognized revenues are hereby appropriated to the extent  
16    necessary to pay contract amounts due. The Controller is authorized and is hereby directed to  
17    establish appropriate accounts to record such transactions.

18  
19    **SECTION 5.8 Collection and Legal Services.**

20    In any contracts between the City Attorney's Office and outside counsel for legal services in  
21    connection with the prosecution of actions filed on behalf of the City or for assistance in the  
22    prosecution of actions that the City Attorney files in the name of the People, where the fee to  
23    outside counsel is contingent on the recovery of a judgment or other monies by the City  
24    through such action, the Controller is hereby authorized to adjust the estimated revenues and  
25    expenditures of the City Attorney's Office to record such recoveries. A percentage of such

1 recoveries, not to exceed 25 percent plus the amount of any out-of-pocket costs the Controller  
2 determines were actually incurred to prosecute such action, is hereby appropriated from the  
3 amount of such recoveries to pay the contingent fee due to such outside counsel under said  
4 contract and any costs incurred by the City or outside counsel in prosecuting the action. The  
5 Controller is authorized and hereby directed to establish appropriate accounts to record total  
6 collections and contingent fee and cost payments relating to such actions. The City Attorney  
7 as verified by the Controller shall report to the Board of Supervisors annually on the  
8 collections and costs incurred under this provision, including the case name, amount of  
9 judgment, the fund which the judgment was deposited, and the total cost of and funding

11  
12 **SECTION 6. Bond Interest and Redemption.**

13 In the event that estimated receipts from other than utility revenues, but including amounts  
14 from ad valorem, taxes shall exceed the actual requirements for bond interest and  
15 redemption, said excess shall be transferred to a General Bond Interest and Redemption  
16 Reserve account. The Bond Interest and Redemption Reserve is hereby appropriated to meet  
17 debt service requirements including printing of bonds, cost of bond rating services and the  
18 legal opinions approving the validity of bonds authorized to be sold not otherwise provided for  
19 herein.

20  
21 Issuance, legal and financial advisory service costs, including the reimbursement of  
22 departmental services in connection therewith, for debt instruments issued by the City and  
23 County, to the extent approved by the Board of Supervisors in authorizing the debt, may be  
24 paid from the proceeds of such debt and are hereby appropriated for said purposes.

1     **SECTION 7. Allotment Controls.**

2     Since several items of expenditures herein appropriated are based on estimated receipts,  
3     income or revenues which may not be fully realized, it shall be incumbent upon the Controller  
4     to establish a schedule of allotments, of such duration as the Controller may determine, under  
5     which the sums appropriated to the several departments shall be expended. The Controller  
6     shall revise such revenue estimates periodically. If such revised estimates indicate a  
7     shortage, the Controller shall hold in reserve an equivalent amount of the corresponding  
8     expenditure appropriations set forth herein until the collection of the amounts as originally  
9     estimated is assured, and in all cases where it is provided by the Charter that a specified or  
10    minimum tax shall be levied for any department the amount of appropriation herein provided  
11    derived from taxes shall not exceed the amount actually produced by the levy made for such  
12    department.

13  
14    The Controller in issuing payments or in certifying contracts, purchase orders or other  
15    encumbrances pursuant to Section 3.105 of the Charter, shall consider only the allotted  
16    portions of appropriation items to be available for encumbrance or expenditure and shall not  
17    approve the incurring of liability under any allotment in excess of the amount of such  
18    allotment. In case of emergency or unusual circumstances which could not be anticipated at  
19    the time of allotment, an additional allotment for a period may be made on the  
20    recommendation of the department head and the approval of the Controller. After the  
21    allotment schedule has been established or fixed, as heretofore provided, it shall be unlawful  
22    for any department or officer to expend or cause to be expended a sum greater than the  
23    amount set forth for the particular activity in the said allotment schedule so established, unless  
24    an additional allotment is made, as herein provided.

25

1 Allotments, liabilities incurred and expenditures made under expenditure appropriations herein  
2 enumerated shall in no case exceed the amount of each such appropriation, unless the same  
3 shall have been increased by transfers or supplemental appropriations made in the manner  
4 provided by Section 9.105 of the Charter.

5

6 **SECTION 7.1 Prior Year Encumbrances.**

7 The Controller is hereby authorized to establish reserves for the purpose of providing funds  
8 for adjustments in connection with liquidation of encumbrances and other obligations of prior  
9 years.

10

11 **SECTION 7.2 Equipment Defined.**

12 Funds for the purchase of items of equipment having a significant value of over \$5,000 and a  
13 useful life of three years and over shall only be purchased from appropriations specifically  
14 provided for equipment or lease purchased equipment, including equipment from capital  
15 projects. Departments may purchase additional or replacement equipment from previous  
16 equipment or lease-purchase appropriations, or from citywide equipment and other non-salary  
17 appropriations, with approval of the Mayor's Office and the Controller.

18

19 Where appropriations are made herein for the purpose of replacing automotive and other  
20 equipment, the equipment replaced shall be surrendered to the Department of Administrative  
21 Services and shall be withdrawn from service on or before delivery to departments of the new  
22 automotive equipment. When the replaced equipment is sold, in lieu of being traded in, the  
23 proceeds shall be deposited to a revenue account of the related fund. Provided, however, that  
24 so much of said proceeds as may be required to affect the purchase of the new equipment is  
25 hereby appropriated for the purpose. Funds herein appropriated for automotive equipment

1 shall not be used to buy a replacement of any automobile superior in class to the one being  
2 replaced unless it has been specifically authorized by the Board of Supervisors in the making  
3 of the original appropriation.

4  
5 Appropriations of equipment from current funds shall be construed to be annual  
6 appropriations and unencumbered balances shall lapse at the close of the fiscal year.

7  
8 **SECTION 7.3 Enterprise Deficits.**

9 Funds appropriated herein to meet estimated enterprise deficits shall be made available to  
10 each such enterprise only to the extent that an actual deficit shall exist and not to exceed the  
11 amount herein provided. Any amount not required for the purpose of meeting an enterprise  
12 fund deficit shall be transferred back to the General Fund at the end of each fiscal year.

13 Provided, however, that the Board of Supervisors, in the annual budget, may approve  
14 appropriating such amounts to fund the activities of the enterprise in the succeeding fiscal  
15 year.

16  
17 **SECTION 8. Expenditure Estimates.**

18 Where appropriations are made for specific projects or purposes which may involve the  
19 payment of salaries or wages, the head of the department to which such appropriations are  
20 made, or the head of the department authorized by contract or interdepartmental order to  
21 make expenditures from each such appropriation, shall file with the Controller, when  
22 requested, an estimate of the amount of any such expenditures to be made during the  
23 ensuing period.

24

25

1    **SECTION 8.1 State and Federal Funds.**

2    The Controller is authorized to increase Federal and State funds that may be claimed due to  
3    new General Fund expenditures appropriated by the Board of Supervisors. The Director of  
4    Human Resources is authorized to add civil service positions required to implement the  
5    programs authorized by these funds. The Controller and the Director of Human Resources  
6    shall report to the Board of Supervisors any actions taken under this authorization before the  
7    Board acts on the Annual Appropriation and Annual Salary Ordinances.

8  
9    **SECTION 8.2 State and Federal Funding Restorations.**

10   If additional State or Federal funds are allocated to the City and County of San Francisco to  
11   backfill State reductions, the Controller shall backfill any funds appropriated to any program to  
12   the General *Fund* Reserve.

13  
14   **SECTION 8.3 Process for Addressing General Fund Revenue Shortfalls**

15   Upon receiving Controller estimates of revenue shortfalls that exceed the value of the General  
16   *Fund* Reserve and any other allowances for revenue shortfalls in the adopted City budget, the  
17   Mayor shall inform the Board of Supervisors of actions to address this shortfall. The Board of  
18   Supervisors may adopt an ordinance to reflect the Mayor's proposal or alternative proposals  
19   in order to balance the budget.

20  
21   **SECTION 9. Interdepartmental Services.**

22   The Controller is hereby authorized and directed to prescribe the method to be used in  
23   making payments for interdepartmental services in accordance with the provisions of Section  
24   3.105 of the Charter, and to provide for the establishment of interdepartmental reserves which  
25   may be required to pay for future obligations which result from current performances.

1 Whenever in the judgment of the Controller, the amounts which have been set aside for such  
2 purposes are no longer required or are in excess of the amount which is then currently  
3 estimated to be required, the Controller shall transfer the amount no longer required to the  
4 fund balance of the particular fund of which the reserve is a part. Provided further that no  
5 expenditure shall be made for personnel services, rent, equipment and capital outlay  
6 purposes from any interdepartmental reserve or work order fund without specific appropriation  
7 by the Board of Supervisors.

8  
9 The amount detailed in departmental budgets for services of other City departments cannot  
10 be transferred to other spending categories without prior agreement from both the requesting  
11 and performing departments.

12  
13 The Controller, pursuant to the provisions of Charter Section 3.105, shall review and may  
14 adjust charges or fees for services that may be authorized by the Board of Supervisors for the  
15 administration of the Computer Store. Such fees are hereby appropriated for that purpose.

16  
17 **SECTION 10. Positions in the City Service.**

18 Department heads shall not make appointments to any office or position until the Controller  
19 shall certify that funds are available.

20  
21 Funds provided herein for salaries or wages may, with the approval of the Controller, be used  
22 to provide for temporary employment when it becomes necessary to replace the occupant of a  
23 position while on extended leave without pay, or for the temporary filling of a vacancy in a  
24 budgeted position. The Controller is authorized to approve the use of existing salary  
25 appropriations within departments to fund permanent appointments of up to six months to

1 backfill anticipated vacancies to ensure implementation of successful succession plans and to  
2 facilitate the transfer of mission critical knowledge. The Controller shall provide a report to the  
3 Board of Supervisors every six months enumerating permanent positions created under this  
4 authority.

5  
6 Appointments to seasonal or temporary positions shall not exceed the term for which the  
7 Controller has certified the availability of funds.

8  
9 The Controller shall be immediately notified of a vacancy occurring in any position.

10

11 **SECTION 10.1 Positions, Funds, and Transfers for Specific Purposes.**

12 Funds for personnel services may be transferred from any legally available source on the  
13 recommendation of the department head and approval by the Director of Administrative  
14 Services, Board or Commission, for departments under their respective jurisdiction, and on  
15 authorization of the Controller with the prior approval of the Human Resources Director for:

16

17 (a) Lump sum payments to officers, employees, police officers and fire fighters  
18 other than elective officers and members of boards and commissions upon death or  
19 retirement or separation caused by industrial accident for accumulated sick leave benefits in  
20 accordance with Civil Service Commission rules.

21

22 (b) Payment of the supervisory differential adjustment, out of class pay or other  
23 negotiated premium to employees who qualify for such adjustment provided that the transfer

(c) Payment of any legal salary or fringe benefit obligations of the City and County including amounts required to fund arbitration awards.

(d) The Controller is hereby authorized to adjust salary appropriations for positions administratively reclassified or temporarily exchanged by the Human Resources Director provided that the reclassified position and the former position are in the same functional area.

(e) Positions may be substituted or exchanged between the various salary appropriations or position classifications when approved by the Human Resources Director as long as said transfers do not increase total departmental personnel service appropriations.

(f) The Controller is hereby authorized and directed upon the request of a department head and the approval by the Mayor's Office to transfer from any legally available funds amounts needed to fund legally mandated salaries, fringe benefits and other costs of City employees. Such funds are hereby appropriated for the purpose set forth herein.

2 to make advance payments from departments' salary accounts to employees participating in  
3 CalPERS who apply for disability retirement. Repayment of these advanced disability  
4 retirement payments from CalPERS and from employees are hereby appropriated to the  
5 departments' salary account.

6  
7 (i) For purposes of defining terms in Administrative Code Section 3.18, the  
8 Controller is authorized to process transfers where such transfers are required to administer  
9 the budget through the following certification process: In cases where a character of  
10 expenditure or project expenditure is reduced during the Board of Supervisors phase of the  
11 budget process, the Chair of the Budget Committee, on recommendation of the Controller,  
12 may certify that such a reduction does not reflect a deliberate policy reduction adopted by the  
13 Board. The Mayor's Budget Director may similarly provide such a certification regarding  
14 reductions during the Mayor's phase of the budget process.

15  
16 **SECTION 10.2 Professional Services Contracts.**

17 Funds appropriated for professional service contracts may be transferred to the account for  
18 salaries on the recommendation of the department head for the specific purpose of using City  
19 personnel in lieu of private contractors with the approval of the Human Resources Director  
20 and the Mayor and the certification by the Controller that such transfer of funds would not  
21 increase the cost of government.

22  
23 **SECTION 10.3 Surety Bond Fund Administration.**

24 The Controller is hereby authorized to allocate funds from capital project appropriations to the  
25 San Francisco Self-Insurance Surety Bond Fund, as governed by Administrative Code

1 Section 10.100-317 and in accordance with amounts determined pursuant to Administrative  
2 Code Section 14B.16.

3  
4 **SECTION 10.4 Salary Adjustments, Memoranda of Understanding (MOUs).**

5 The Controller is authorized and directed to transfer from the Salary and Benefits Reserve, or  
6 any legally available funds, amounts necessary to adjust appropriations for salaries and  
7 related mandatory fringe benefits of employees whose compensation is pursuant to Charter  
8 Sections A8.403 (Registered Nurses), A8.404 (Transit Operators), A8.409 (Miscellaneous  
9 Employees), A8.405 and A8.590-1 through A8.590-5 (Police and Firefighters), revisions to  
10 State Law, and/or collective bargaining agreements adopted pursuant to the Charter or  
11 arbitration award. The Controller and Director of Human Resources are further authorized and  
12 directed to adjust the rates of compensation to reflect current pay rates for any positions  
13 affected by the foregoing provisions.

14  
15 Adjustments made pursuant to this section shall reflect only the percentage increase required  
16 to adjust appropriations to reflect revised salary and premium pay requirements above the  
17 funding level established in the adopted budget of the respective departments.

18  
19 The Controller is authorized and directed to transfer from reserves or any legally available  
20 funds amounts necessary to provide costs of non-salary benefits in ratified Memoranda of  
21 Understanding or arbitration awards. The Controller's Office shall report to the Budget and  
22 Finance Committee on the status of the Salary and Benefits Reserve, including amounts  
23 transferred to individual City Departments and remaining Reserve balances, following the first

3    organization during the fiscal year which has fiscal effects, the Controller is authorized and  
4    directed to reflect the budgetary impact of said MOU in departmental appropriations by  
5    transferring amounts to or from the Salary and Benefits Reserve, or, for self-supporting or  
6    restricted funds, to or from the respective unappropriated fund balance account. All amounts  
7    transferred pursuant to this section are hereby appropriated for the purpose.

8  
9    **SECTION 10.6 Funding Memoranda of Understanding (MOUs).**

10   Whenever the Board of Supervisors has ratified by ordinance or resolution Memoranda of  
11   Understanding or has not contested an arbitration award with recognized employee  
12   organizations and said memoranda or award contains provisions requiring the expenditure of  
13   funds, the Controller, on the recommendation of the Human Resources Director, shall reserve  
14   sufficient funds to comply with such provisions and such funds are hereby appropriated for  
15   such purposes. The Controller is hereby authorized to make such transfers from funds hereby  
16   reserved or legally available as may be required to make funds available to departments to  
17   carry out the purposes required by the Memoranda of Understanding or arbitration award.

18  
19   **SECTION 10.7 Fringe Benefit Rate Adjustments.**

20   Appropriations herein made for fringe benefits may be adjusted by the Controller to reflect  
21   revised amounts required to support adopted or required contribution rates. The Controller is  
22   authorized and is hereby directed to transfer between departmental appropriations and the

8 transfer from any legally available funds or the Salary and Fringe Reserve for the amount  
9 necessary to provide health benefit coverage not already reflected in the departmental  
10 budgets.

11  
12 **SECTION 11. Funds Received for Special Purposes, Trust Funds.**

11 forth in this section. Positions specifically approved by granting agencies in said grant awards  
12 may be filled as though said positions were included in the annual budget and Annual Salary  
13 Ordinance, provided however that the tenure of such positions shall be contingent on the  
14 continued receipt of said grant funds. Individual grants may be adjusted by the Controller to  
15 reflect actual awards made if granting agencies increase or decrease the grant award  
16 amounts estimated in budget submissions.

17  
18 The expenditures necessary from said funds or said accounts as created herein, in order to  
19 carry out the purpose for which said moneys or orders have been received or for which said  
20 accounts are being maintained, shall be approved by the Controller and said expenditures are

7 and/or as a deputy director for the Department of Human Services, but shall receive no

25 and return must be made of said sums so advanced by the person receiving the same within

1 ten days after said person returns to duty in the City and County of San Francisco, and failure  
2 on the part of the person involved to make such accounting shall be sufficient cause for the  
3 Controller to withhold from such persons pay check or checks in a sum equivalent to the  
4 amount to be accounted.

5  
6 In consultation with the Director of Human Resources, the Controller shall establish rules and
